

## Brief — Preempting Collapse

© 2022 Noam Grunes

Rumors have swirled around masonic chaos for profit beyond the “pandemic,” with the possibilities of war (as in long-sought WWII initially planned to involve Israel and Iran<sup>1</sup>), “bluebeam” holograms for a fake alien invasion, and a financial market collapse. Masons pretend *order ab chao* (order from chaos) when their modus operandi is *lucrum ab chao* (profit from chaos) toward tyrannical *servitus ab chao* (slavery from chaos). This is in masonic “Ur Lodges” joined at the hip with Illuminuts, at a cloning center near you.

In the economic realm, background and solution to suffering they have allegedly planned:

---

1 The Iranian Parliament and Israeli Supreme Court are replete with masonic imagery, while world events have been orchestrated by masons for profit (Giolo Magaldi’s *Massoni*; it may be translated from the Italian to any language available via [translate.google.com](https://translate.google.com)). From William Guy Carr’s *Pawns in the Game* (1958):

“In 1840, General Albert Pike .... accepted the idea of a one world government and ultimately became head of the Luciferian Priesthood.”

“Between 1859 and 1871, he worked out the details of a military blueprint for three world wars, and three major revolutions which he considered would further the conspiracy to its final stage .... Most of his work was done in the 13 room mansion he built in Little Rock, Arkansas, in 1840.”

“Pike’s plan was as simple as it has proved effective. He required that Communism, Naziism, Political Zionism, and other International movements be organized and used to foment the three global wars and three major revolutions. The first world war was to be fought so as to enable the Illuminati to overthrow the powers of the Tzars in Russia and turn that country into the stronghold of Atheistic-Communism. The differences stirred up by agentur of the Illuminati between the British and German Empires were to be used to foment this war. After the war ended, Communism was to be built up and used to destroy other governments and weaken religions.

“World War Two was to be fomented by using the differences between Fascists and Political Zionists. This war was to be fought so that Naziism would be destroyed and the power of Political Zionism increased so that the sovereign state of Israel could be established in Palestine. During world war two International Communism was to be built up until it equalled in strength that of united Christendom. At this point it was to be contained and kept in check until required for the final social cataclysm.”

“World War Three is to be fomented by using the differences the agentur of the Illuminati stir up between Political Zionists and the leaders of the Moslem world. The war is to be directed in such a manner that Islam and Political Zionism (including the State of Israel) will destroy themselves while at the same time the remaining nations, once more divided against each other on this issue, will be forced to fight themselves into a state of complete exhaustion physically, mentally, spiritually and economically.”

“Thereafter, Pike wrote: ‘we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with christianity, whose deistic spirits will be from that moment without compass (direction), anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer brought finally out in the public view, a manifestation which will result from the general reactionary movement which will follow the destruction of christianity and atheism, both conquered and exterminated at the same time.’”

“British and American Intelligence Officers obtained authentic documentary evidence which proved that internationalist capitalists operating through their international banking houses had financed both sides in every war and revolution fought since 1776. Those who today comprise The Synagogue of Satan direct our governments, whom they hold in usury, to fight the wars and revolutions so they further Pike’s plans to bring the world to that stage of the conspiracy when Atheistic-Communism and the whole of Christendom can be forced into an all-out war within each remaining nation as well as on an international scale.”

In summary: World War III would hinge on Israel, and the “social cataclysm” would be “horror” from the “absolute atheism” of “science” (for an example, genocidal inoculation mistaken as treatment by global propaganda).

## Background

United Nations 2020 “Pacific Unite” concert: “Children are suffering, wearing a mask to stay alive. Around the world, we’re closing borders, ‘Covid-19’ on the rise. **A new world order, behind closed doors**, the storm will pass we will survive.”<sup>2</sup> Part of the arrogance underlying global fascists is their habit of telling you what they’re going to do without express consent of the populace, as if leaking plans two hours into a concert suffices.

The late Aaron Russo:

“The whole agenda is to create a One World Government where everybody has an RFID chip implanted in them, all money is to be in those chips, there will be no more cash, and this is given to me straight from Rockefeller, this is what they want to accomplish .... Anytime you have money in your chip, they can take it out whenever they want to. If they say you owe us this much money in taxes, they just deduct it out of your chip digitally — total control. And if you’re like me or you, and you protest what they’re doing, they just turn off your chip and you have nothing. You can’t buy food, you can’t do anything. It’s total control of the people .... You become a slave, you become a serf to these people. That’s their goal. That’s their intent.”

“I used to say to him, ‘What’s the point of all this? You have all the money in the world you need, you have all the power you need, what’s the point, what’s the end goal?’ And he said, ‘The end goal is to get everybody chipped, to control the whole society. To have the bankers, the elite people controlling the world.’”

How can an “elite” launch a currency reset with a biometric “mark of the beast” enabling tyrannical control? By leaving you no choice, as in an economic depression even briefly. Now if the populace would like a currency reset, okay, but this underhanded manipulation can be readily averted through preemption.

### **Solution: automatic economic emergency measures**

Time in force (TIF): starting upon any of the following events, extending 60 days after the triggering condition is no longer in effect:

<u>Economic Indicator</u>	<u>Triggering Condition</u>
1. <b>Equity:</b>	75% equity index decline, partly because covert societies have discussed triggering this in particular, after propping up markets.
2. <b>Banking:</b>	for more than 72 hours, unavailability of banks or bank accounts exceeding 20% of nationwide bank liabilities (including deposits).
3. <b>Payments:</b>	for more than 72 hours, unavailability of more than 72% of online payment methods by transaction volume (e.g., Visa and Mastercard).
4. <b>Employment:</b>	before institutionalization of capitalist full employment opportunity, unemployment exceeding X% at any point in time.

<sup>2</sup> Any censorship of these basic facts may subject the censor to 18 USC § 241–242 violation in conspiracy against life or liberty, entailing the legal death penalty including for any company: (1) there was no demonstrated severe disease let alone death of children from the so-called coronavirus in a randomized placebo-controlled clinical trial in the US; (2) ritualistic masks didn’t even theoretically block virus-sized particles whether or not N95; yet (3) masks could impair oxygen intake, collect pathogens and spread graphene with allegations of mask-induced hospitalization.

Automatic economic emergency measures during TIF:

Basic Need Automatic Economic Emergency Measure

1. **Food:** food/drinks/toiletries vouchers are promptly furnished to all in need; these can be spent at restaurants as well as grocery and convenience stores.
2. **Utilities:** while utility invoices accrue, utility service cannot be shut off; this includes all energy (power), water, trash and communications; government immediately pays utility invoices from the time in force that are [90] days past due.
3. **Shelter:** while rent accrues, an eviction moratorium is extended to all shelter that's a primary residence including any apartment, motor home, campsite, motel, hotel etc., wherever one is resident upon the triggering condition.
4. **Rights:** as everyone has a constitutional right to be secure in their persons against unreasonable searches, and to liberty in healthcare decisions, no obligatory biometric identification or healthcare procedure is permissible — ever.

The solution can be a succinct executive order or legislation along those lines.
