TO YOU OUR SELECTED WITNESSES

Below are **over 50 ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION, AND ORGANISED STALKING, CASES** from **SOUTH ASIA & THE MIDDLE EAST & AFRICA** FOR YOU TO WITNESS, RECORD AND OPPOSE

Some of our **ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION CASES** detail the most extreme and totalitarian violations of human rights in human history, including the most horrendous psychological tortures, rapes, sexual abuse, physical assaults, surgical mutilations, 'mind control', and other mental and physical mutilations – see

COMPILACION DE TESTIMONIOS EN ESPAÑOL:- <http://rudy2.wordpress.com/>

There are **MANY, MANY** others, all over the world, who are being subjected to similar torture and abuse.

YOU HAVE BEEN CHOSEN TO BE “A SELECTED WITNESS” to these extreme and monstrous **CRIMES AGAINST HUMANITY** - indescribably terrible in themselves - coupled with the **ORWELLIAN** secrecy and denial of any support at all that we are experiencing, makes them even more horrendous and monstrous.

We have contacted most Governments, Security/Intelligence Agencies, Religious Organisations, International Organizations, Human Rights Organizations, Universities, Scientific and other Institutions, and the International Media all over the world - over and over and over again – and have had our appeals for assistance, protection and/or publicity almost completely ignored and/or suppressed.

Some **TARGETED INDIVIDUALS** have been attempting to gain assistance, protection and/or publicity about these crimes since the 1990s - and even earlier - this extends as far back into the history of illegal 'scientific and medical' testing and experimentation as **MKULTRA, COINTELPRO** and the **DUPLESSIS ORPHANS** - and further.

We are still collecting **CASE SUMMARIES** from **TARGETED INDIVIDUALS** all over the world, and we have also advised them to send them to you - **“THE SELECTED WITNESSES”** - TO WITNESS, RECORD AND OPPOSE so that :-

A. We can be sure that as many people as possible know about these horrendous crimes.

B. We can be sure that these **AUTHORITIES** and **ORGANISATIONS** are either trying to uphold the rule of National, International and Human Rights Law, and that we will, sooner or later, be protected by these laws.

C. Or that we can be sure these **AUTHORITIES** and **ORGANISATIONS** are complicit and/or acquiescent to these **CRIMES AGAINST HUMANITY** and that National, International and Human Rights Law no longer apply - in which case our task will be to get the rule of these laws restored.

Later these records should become an information source - such as the **INTERNATIONAL TRACING OFFICE** set up to record the fates and whereabouts of Jews (and others?) after WW11. The information collected can then be used by the appropriate people for **LEGAL, MEDICAL, WELFARE, HISTORICAL** etc. records.

As well as being illegal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems - so we will also be demonstrating to all of these people and **AUTHORITIES AND ORGANISATIONS** the huge disconnect between their professed Principles and Values and the reality. We will be showing their monstrous **Doublespeak Doublethink Doubledo** ignorance, stupidity and/or hypocrisy.

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their “infinite?” richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Beware of the brain and gene phrenologists/determinists/reductionists, and those who seek to control and reduce the range, quality and diversity of human thoughts, imaginations, senses, sensibilities, moods, attitudes, speech and psycho-physiologies – the would-be socio-economic, cultural AND PSYCHOLOGICAL/INTELLECTUAL/ PHYSIOLOGICAL monopolists, monoculturalists, police and prosecutors who are already literally and physically actively at work amongst us!! Both monstrously and criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, and the subsequent and consequent degradation and “Fahrenheit 451-ing” of previously autonomous cultures, professions, fields of human endeavour, memories, languages and intelligences.

It is no exaggeration to say our cases are as horrendous and urgent as people fleeing Nazi or Pol Pot concentration camps – specifically Dr Mengele-type torturers and butchers.

PLEASE ASSIST US URGENTLY!!!

Yours in the search for openness and respect for universal human rights

B. TORTURE AND ABUSE CASE SUMMARIES – over 50 ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION, AND ORGANISED STALKING, CASES from SOUTH ASIA & THE MIDDLE-EAST & AFRICA

1. NAME: F. A.

Citizenship: Iraq

Year Torture/Abuse Began: 1982

Email:

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of the CIA (possibly NASA and the military establishment) MIND CONTROL operation for over 25 years now.

I come from a country which is a victim of wars, sanctions and occupation for more than 28 years – Iraq.

I have contacted many people in power since the summer of 2004, Nothing is stopping my torture.

The first person who was after me to trap me and be engaged with me this way was Ted Koppel of ABC/US while I was a masters' student at MIT/US, in December 1982, after writing to him a letter of admiration and praised his program. I was so stupid to have thought of that.

Recently Pravda published an article on this issue under the title: Russians have Psychotronic Weapon to zombie people, which was published 14/8/2007. (<http://english.pravda.ru/science/tech/95965-0/>)

As you may know that this type of weapon has been developed in the US for a long time now and was published in 1974:<http://www.raven1.net/proventechs.htm>

Some of the general symptoms of these kinds of abuse are (published also on <http://www.fedame.org>):

- * Microwave hearing
- * Transmission of specific commands into the subconscious
- * Visual disturbances, visual hallucinations
- * Inject words, numbers into brain via electromagnetic radiation waves
- * Manipulation of emotions.
- * Reading thoughts remotely
- * Causing pain to any nerve of the body.
- * Remote manipulation of human behavior from space
- * Harassment, stress symptoms such as helicopters flying overhead
- * Seeing, as in a camera, through your eyes, i.e. to see what you see exactly
- * Control of sleep patterns, and deprivation of sleep. Put in sleep like in a coma.
- * Computer-brain interface, control and communication
- * Complex control of the brain such as retrieving memories, implanting personalities.

All these modes are transferred as continuous rape, deprivation of sleep, talking in the ear, planting degrading images in the mind, beaming any place of the body, stopping breathing for seconds or slowing it, affect the heart beat, prevention from attending any systematic way of life or interfering in the daily natural cycles of the body, continuous attack with microwaves heating the whole or part of the body.

So and as an example, even when they put me to sleep as in a coma the radio has to be on, if it is not, then they will keep on talking in my ear or project images on my eyes and prevent me from sleeping. I have not slept normally for 25 years now. Most of the time I write my e-mails to people in power in the mid of night..2 or 3 or 4 am because they in those times they will not even let sleep in their own way. This has been going on for at least the last three years.

Some times they just keep my eyes open and my mind standing still. As a result you see clearly a blue circles surrounding my eyes. After I am awake, a minute hardly passes without them talking in my ear or projecting an image on my eyes unless I am watching the TV or listening to the news.

In the past weeks they did not let me sleep for five days till I was collapsing.

I suffer from Rheumatoid arthritis as a direct result of this kind of continuous attack and torture. I have taken medicines and felt after some six months a bit better, but recently they have increased the attack on those same joints and the closer ones too. My left shoulder and elbow now is in pain, as I am writing to you, and they are hitting my neck and the right shoulder too. My left arm now is bent and I cannot open as the right arm that happened in the last two weeks after I was cured in about three months. They hide in their attacks and torture behind what seems normal symptoms of illness. But none in my family had Rheumatoid arthritis.

Please Help stopping this kind of torture for innocent people around the world. It has been going on for too long.

Would you accept this kind of life to your brothers or sisters or children, or yourself? if not please help us out of this miserable life.

The kind of abuses that I am recalling and will give you a short list:

- Continuous heating with microwaves on my face of my (Black spots) which I am not sure what are they called, that can turn them into Melanoma. And recently on all my body so I would not know if the room is called or hot. But I always suffer from cold like symptoms.
- Continuous attack on the muscle of the face to make me look older and increase the wrinkles of the face in addition to the effect of the deprivation of sleep to the extent that I fear looking at the mirror some times.
- Recently they have invented this: burn a spot on my back as in using the cigarette or someone itching my back all the time. And I do not need to tell you that they have done similar things on other parts of the body. I am totally exposed to them 24 hours. They have done that in Abu-Gureab prison in Iraq and all their prisons in Iraq for that matter but the world has learned only about Abu-Gureab. But the difference is that there they have an excuse to tell the world. The prisoners are insurgents. In my case they do not have any excuse and to go on like this for 25 years is the devil's miracle. I myself cannot believe that there are people who have the same form that I have as human and can do this.

- Keep on talking to me with some stupid logic, day and night.
 - Preventing me from reading and I am a PhD student. I hardly can finish reading 7 pages a day. this letter is a copy a paste from the most recent version of my letters which i keep on revising and adding information depending on the type of torture that is used in concentration.
 - Always pressing me to open the computer or watch the TV or listen to the radio through increasing my anxiety. In most of the times they do it when projecting a possibility that something bad has happened to my family who is still living in Baghdad. Six months ago I did not have a computer which is close to me or of my own, so imagine the degree of trouble they can get me into to find a computer. I use to walk for at least 30 min to get to a computer. But when I get there I read fast the news and they direct me to playing games for at least an hour at a time. This whole operation will consume at least 2-3 hours each time they do it. If you know that this was happening four or five times a day you can imagine how much time was consumed doing nothing but reading in the news and playing under extreme feeling of anxiety. they also were directing their energy on my joints. In the summer 2006 I got Rheumatoid Arthritis which comes from anxiety but some other symptoms also helps which started with extreme pressure on my fingers when writing, and a pain which they have inflected on the nerves of my feet, arms, shoulders, and fingers.
 - Continuous hair loss due to the continuous hit of Microwaves and other types of waves ... I use to have long thick hair. Now my hair is short and hardly a third of what I had before. The back of my head is almost exposed, and I am a woman.
 - Of course with this torture I could not get married. They are always there to attack should I think seriously of the matter in the cheapest possible way that a criminal dirty mind can do. As part of their strategy to control the person is to isolate him or her. In addition to their watching my family continuously. But I am not sure whether they hurt any one of them or not. Because at the beginning and after returning home from US I tried to tell my family but they thought that I was tired psychologically and that I need to relax. And the perpetrators have warned me that if I try that I again they will attack the members of my family. So I completely shut up.
 - The torture of 25 years deprived me of emotions too, or when ever they spot any kind of emotions towards my family or any human suffering of Iraqis or anywhere they attack me or erase the emotions to tell me so what or picture it for me as if it is not that bad or people who are suffering are not to be considered important or of any human value. Even child abuse they would like to present it as the child enjoying it, and the Killing of Iraqis as they are nothing, though I am an Iraqi but they plant these thoughts in my brain crudely and against my logic which they couldn't reach up till now, thanks God.
 - Put me under continuous embarrassment in front of people in many ways that you will never imagine coming from normal and ordinary people. But recently they have stopped that or may be because they have managed to isolate me and I do not see people as much.
 - This kind of abuse has shunned me from people and from socializing or feeling the need for social life. Even when I am with people I do not feel them around me. I am always alone.
 - Interfere in my eating habits and press me to eat more and at different times than normal times or sometimes do not feel like eating at all.
 - Interfere in my memory when things have to do with my family or with my studies or daily life. They can erase the names and dates. My near memory has been destroyed.
 - Yesterday they were beaming one of my eyes. it felt like a needle penetrating. after which my sight through that eyes was totally blurred.
- What I have listed above are only a short list of most recent things that I remember.

Finally I do not think that I need to say that this detention was against any human rights' law and justice and against my will.

I sincerely hope that you will take not only my case but of thousands others and decide that the time has come where you should step in and stop these operations.

I do not think that you really believe that your security needs such dirty trade or war equipments besides what you already have .

For the last two months I have been writing to people in power and nothing is stopping him from preventing me of sleeping...can you imagine what does it mean not to sleep for two months for an ordinary person like me? After I have written to President Carter they let me sleep for two three nights (but just like the dead or in coma) and now they are back to preventing me from sleeping.

Hoping to hear from you what can restore and preserve human dignity and minimum standard of ethics that you

know more than anybody else are necessary for the survival of any nation.

24/7/08

I am starting to think that may be you are attempting too much of a task...and that such an ice berg is a great challenge to people in power, if we will remember that they are under pressure too for many reasons.

I am suggesting here that may be it is better that you concentrate on the human suffering that is really urgent... This is how I feel about my case...as my health is deteriorating by the day. They have started preventing from normal breathing and beaming my heart continuously and preventing from sleeping more than one as in a coma...even in this I can hear still the voices...

This intense torture is clearly an attempt to kill, but through hiding behind normal illness...beside Rheumatoid arthritis which is increasing due to their attacks on my joints and prevention from sleeping, now I am suffering from disturbance in Thyroid levels. In addition to their continuous attack on my face to the extent that when I look in the mirror I feel very much stranger to the way I look now... my cheeks are down...my eyes are closing and surrounded by blue circles...and so on..

I think it will be much easier case for people in power who would like to help that they concentrate on ethical issues that the Constitution of any country will object...never mind the equipments or the methods used....and examples like:

"...He made no comments on our allegations that England used mindcontrol technology in the Northern Ireland Conflict and in the island itself, [e.g.in](#) Greenham Commons in 1988. We talked about the development and the proliferation of Non-lethal Weapons and the international symposia in Ettlingen, Germany."

11/8/09

All those whom you have listed are in the game. I have written to them so many times, but nothing has changed. Try writing to US first Lady...she seems not to know..so I think it will help to inform her..I already did. Also I found it useful to write to Senator Kennedy and Senator Rockefeller. They are on the senate intelligence committee.

Thanks

PLEASE SEND YOUR TORTURE AND ABUSE CASES TO THE INTERNATIONAL CRIMINAL COURT – use Reference: OTP-CR-70/07

I have sent my case to the international criminal court, and got the reply today that my case is not within their jurisdiction but that it is similar to other cases that they have received.

I shall answer them though, and argue that our type of cases need an international action...it cannot be left to individual countries.

But I will encourage you to send your case to president Obama, Vice president Biden and First lady...you can send your e-mail to the three of them in one e-mail...as the three of them use the same contact page of the white house.

I have quoted several paragraphs of your detailed diary (as my memory has been weakened drastically...I have been tortured now for 26 years..and my health is deteriorating quickly) and sent several e-mails to members of the congress....but I think the most powerful of them all ..is Senator Rockefeller...try to send him and e-mail...and see for your self...the first e-mail I sent to him they turned my life to hell...practically and literally...but then after few months I noticed that may be because they were most sensitive to my e-mails to him...so I sent him after that some three e-mails to update my case to him...Try and we will see

Also try to search 'mind control' on the website of the congress and the senate...and see the results.

God be with you

I'm a victim for many years now and i can say I can attest to having been at the receiving end of almost each of the torture methods you described. For myself, to put it briefly, the main problem is the deliberate sleep deprivation I get through the various ways you described quite well. I also believe this is certainly an Israeli "art" and specialty.

I'm Lebanese, Muslim and live in California. I'm not politically active at all, but I speak my mind to people around me. Something you did not describe is the motivation behind the torture: how the "victim" is chosen and why torture is nightly, and endless. It seems a lot of resources and expenses are tied into this. What are the returns ??

I want you to know of me and thank you a gain for your writings.

I'm a chronic procrastinator and my ongoing torture does not help me get better. I'm too sick and too tired to carry on but intend to do my best.

In Davis, CA there's a group against electronic harrassment, the founders' surname is Welsh. I emailed them once years ago but it does not help at all if you Arabian here. It scares away even common goal people. They answered me reluctantly, briefly, coldly and dryly.

Your history makes me think you'll like Paul Craig Roberts' writings. I read today something very good, and quite brave, by him in Counterpunch.com

Also in buzzflash.com today I saw some interesting declaration about laser weapons advantage in that one can deny using them.

30/8/08

I am a torture subject and support all the claims both Nicholas and you make in your articles. I have dated notes from years of torture, up through now, that corroborate your claims and those of many others.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Thank you , Sincerely

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am ANNE, been hearing tap-tap sounds, click-click sounds, Morse code, telephone touch key tones etc for about +4 years. It seems the black and white visions are normal occurrence on this site. Lately especially when I talk to my children there is almost like a switch that get put on and off like a pop sound when I talk. Sometimes I just get so sleepy and then it feels like my mind is being zapped. In the past my body would start to shake just before I drift

off to sleep – that however stopped. Sometimes it feels like electricity going through my body. That started when I was 15, and still happens from time to time. I see patterns, grids, models of buildings, friezes, lots of documentation and the list goes on, I usually see this while in a semi sleep state or just before I open my eyes after sleep. Seems like my subconscious is trying to tell me something. I have different kind of dreams, normal dreams, demonic dreams, what I call GODLY dreams and then these funny stuff that is just too odd to call dreams.

In these I have taken my children to a “university” in the sky/heaven to enroll them.

I have been given access cards to do research in building that looks burnt down and dilapidated from the outside but inside it is high tech. There are always big strong men to accompany me, I am never alone.

In one I have been give the title of “keeper of the gate.

I have seen funny handshakes, seen Princes DI in one “dream” with other people. And the whole time in these dreams my mind feels being manipulated, it is as if I battle to keep “me” going and something wants to empower my mind the whole time and I have to keep fighting in my mind to keep” me” going and not slipping out.

I have seen doctors, especially a man with a like a birth mark/spot to the left of his nose, I have seen someone who reminds me of Christopher Plumber the actor who played in the SOUND of MUSIC.

I have seen someone signing a document starting with what seemed to me like Gold....tt ... but I can not focus on the documents as it gets blurred and the more I try to see the more it gets blurred. I remembered the double TT very well as he crossed the TT’s.

I saw wheel with Hebrew letters on it, etc

At one stage I dutifully written everything down as soon as I woke up but I later stopped. Some of the dreams where so ghastly that I decided I did not wanted to know what happened to me, and then yet again the curiosity got the better of me.

What is the TI that I have been seeing on this site?

I have tried to read as much possible about MC/SRA as some of that features in the dreams as well, really scary stuff.

There are also lots of emblems and most of the time there was a girl with me in these dreams.

A funny thing as a child I had an exceptional memory in names places faces dates etc but now I battle to remember my own cell ph number. The odd thing is that I am quick to spot patterns. I used to write my poems backwards and as a child I had this yearning to go “home” (and I would cry), where ever that was, I felt that I was adopted and my “parents” was not my real parents. I still love everything old, old furniture, old homes, old castles etc. The one day It was raining and misty and we went for a drive and stopped at the beach and the first word that entered my mind was it looked like Cape Cod. That threw me a bit since I have never been out of South Africa except for Mozambique when I was little (0-4years) as my grand parents where farmers there.

When I started seeing patterns, A voice told me that it was fine trying to comfort me, as I realized as a child I saw patterns etc at night. The one time I remembered that while I was dreaming I could see 3 stars through my bedroom wall.

One night there was this voice calling me awake with hello, hello ...but I only realized it too late.

One time there was this voice in my head (while in a twilight world) who called me by my name very urgently.)

The kids and I hear a rapping on the bedroom windows at night.

There have been so many attempts on my life, in my “dreams” and I evangelize to these people who want to kill me. I have received, bible verses in dreams telephone numbers and names to call. I am always tired as if I just do not get enough sleep, even though I try to be in bed by 9:30pm, sometimes at 8pm I am already in bed, sleeping.

One night as I stepped out of the shower I saw a hooded figure at my window in the bedroom and I started praying. It happened 3 nights in a row until I finally had the courage to draw the curtain aside to see who/what was out there. Nothing, but the weirdest figures were drawn on the window. This was 2 years ago and 3 of it still is one the window. The strangest thing is it was not drawn from the outside but the inside. I have tried to wash it off with different kinds of detergents, spirits, and benzene, it just glides on the “drawing” but it does not take it off at all.

I had my fare share of human spirits harassing me as well, but as soon as I sense these entities and pray and remove them.

My biggest struggle is to get communication going with my inside house which I know I have. One night I saw 3 babies and they talked to me the one is Davey, the other one can not talk and the third baby was totally dehydrated and on the brink of death like you see in Ethiopia, and there was wild dogs with them.

How do I get my alters to talk to me to share their pain so that healing can take place. I want them to tell me hoe they have saved my life when I could not cope and I want to thank them for taking the pain the abuse when I copped out.

If these people whom I have evangelized in my dreams are “alters” then they should know that I want to help them. I know I have someone names assassin and a host of smaller child alters as they were to protect me and to made sure I do not run away while assassin was talking to then “ chancellor of Deutschland asking permission to kill me.

So, in a nutshell you know what I battle with, what I have seen and let me tell you from time to time I still live in denial that I am crazy because all of this can not be real. Can it?????

In Europe and USA there are forums for "MC/SRA abused" people but here in RSA the psychiatrist and psychologist call it false memory syndrome and PTSD and so forth. Who is living in denial, me or them?

I have talked to counselors who help people with DID who knows about DID/MC/SRA but unfortunately they want me to visit them which of course I cant as they are miles and miles away from me, so I am secluded. They also do not want to divulge numbers or names so that I can talk to them and hear how they have been healed etc for fear that I might try to get them to rejoin the underground world of MC/SRA etc.
So Any ideas how to talk or communicate with my "inner house"

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

I would appreciate help! Regards
ANNE

My name is Renee Arendse. I'm from Cape Town, SA. Carrin Behr says that I can mail my story to you as I am also harassed by spy satellite and that you would be able to help me. I stumbled across Carrin via the internet. I was surprised that I wasn't the only one on this side of the world that was going through this nightmare as all the stories I read was always about people from foreign countries. I read everything there was to know about Carrin on linkedon and other websites like peacepink, etc. I then called Carrin and we have been in contact since then. Please see my story below.

My nightmare started 2008. It started with the voices which seemed to always be coming from a distance and then I was tricked into thinking people around me were talking to me because the voices were so clear and loud. I started hearing these voices on a regular basis. They were horrible in the way they try and break me, verbally abusing me in the worst kind imaginable. Everything I felt, thought, smelled, heard, was known to these voices in my head and they used that to the best of their ability to hurt and degrade me as a human being. By then I knew I wasn't going mad because it wasn't my voice. I obviously didn't know at the time what was going on but as time progressed these perps were stupid enough to reveal their identities by calling each other on their real names that's when I realized who they were. I know where they stay. Before I figured out what was happening to me they played cruel jokes on me. They know everything from my past, from my childhood, my family, etc EVERYTHING ABOUT ME. First I thought they had bugged the house. I checked everywhere but found nothing. As time went by, again they were stupid. enough to reveal how they could speak to me and see me. I confronted them yet they denied it. My family don't believe me and its ok because I understand how it must sound to them. If you not educated about this type of crime its not something that you would believe. These people were sick in the stuff that was coming out of their mouths. They were threatening to rape me and my daughter and explicitly described how they were going to do that. They sick because among that group were men who had children and women were also present and part of this gang stalkers. I took what they said and made cases against them advising the police officer of what they intended to do with me and my daughter. As u no they denied everything and police could not always get any of them in at home. Its obvious they new exactly what I was doing and could easily make plans to not be home when the police went around to question them. Eventually nothing came from the cases I made against them. The only proof I have that makes them guilty of this crime Is that they never bothered to make a case against me for deformation of character. They didn't even come and confront my family to tell them what I'm doing. What sane and innocent person is going to allow someone to make his name bad like that and then still do nothing when cases are made against them. I knew I could not nail them on the sattelitte harassment because no one would believe me so I used what they were putting me through and made the

case about that. I

don't have much evidence except that and the websites of people who's also going through this. I hope that someone can put a stop to this. My harassment is 24/7. My dreams are invaded with their sick thoughts and made up dreams. I get woken up almost every hour. I don't want my life to continue like this. All I want is some peace and quiet.

I sleep with the radio on so to fall asleep I concentrate on the voices and music on the radio to get some sleep. If I have energy to get up in morning, its thanks to God. These people are sick because they swear at God and blaspheme Gods name and the Holy Spirit. And that's a joke to them because they wake me up sometimes just to do that and will continuously say it and laugh about it because they know how I feel about that. its a joke to them. I pray for them I pray that God forgives them for what they doing.

To whom it may concern,

I am at the moment under tortured and attempt of assassination through the Remote Neural Monitoring System (RNM).

What I would like to request from you is information about RNM transmissions blocker, and where I can buy one before the psychopaths kill me.

They are torturing me remotely with a direct attack to my digestion system by locking my intestine and destroying my liver and kidneys.

The gang of psychopaths that are torturing me and trying to kill me identified themselves as members of the family Zugman: Ariel Zugman (Eichmann), Ana Zugman, Ilan Zugman, Tali Zugman, Salmo Zugman (medic-Mengele) (Curitiba-Brazil residents) and Fernando Potrik (Sao Paulo Resident).

This case should be at the United Nations top subjects for discussion, since it is the first gang of psychopaths revealed, and still haven't been caught by the Brazilian local authorities; And the world should understand the importance of fighting Remote Neural Stalking Gangs.

Please contact the UN Counter-Terrorism Committee at:

<http://www.un.org/en/sc/ctc/>

<http://www.un.org/en/terrorism/ctitf/contact.asp>

Some tips for the victims:

My Internet connections such as facebook, yahoo, gmail and Skype are safe; I don't know my passwords since I typed them with my eyes closed in the Microsoft word (Angsana New-size: 8), and whenever I access the Internet I just copy and past them with my eyes half open, so the psychopaths can't read the passwords; The passwords look like that: Sadfstujmhtjpkfjg7

Another important recommendation is to listen to music or radio as much is possible; The psychopaths that are torturing me are attacking me 24 hours a day, so I listen to radio 24 hours a day; I bought some really good ear-

seats and wherever I go I'm listening to radio (don't forget to keep a ear-seat spare, since they don't last for too long); Keep a radio near the bed during resting time, since you can choose in which transmission your brain can focus, it helps to create interference to the RNM transmissions ; Remember it's a mind game, and you must to win.

I been reading a lot of theories related to psychopaths that are sitting behind RNM's, and I'm sure that this technology patent leaked from the official authorities, and some electronics engineer's psychopaths decided to make profit by selling RNM equipments illegally to other psychopaths.

Try to understand in which areas of knowledge the stalkers are strong and weak; That way the authorities may be able to track them, psychopaths are egocentric and have the tendency to talk about themselves; Remember it's a mind game and for sure your mind is way stronger than the mind of psychopath.

Please check my manifest against neural weapons in the facebook; And don't forget to approve it by pressing like.

<https://www.facebook.com/pages/Neural-Weapons-RNM-Remote-Neural-Monitoring/309180162561405>

Please help me to let my family and friends know how they can help me, before the psychopaths kill me.

Thanks a lot,
Gino Barcal

Thanks for all the hard work you do for targeted individuals world-wide.

Please add me onto your list of TI's in Africa (Johannesburg)

18/2/13

My attacks started, when I think back about it, in September 2010, I know the names of my perpetrators – they all work for Crime Intelligence (Roodepoort), and their names are as follows:

Michelle, Nthabiseng, Daniel, Bongani, Jackie, Mandy, Sandy, Rob, Hein Marais, Johan Badenhorst (surveillance 'expert'), Charlie Gordon (main perp), Nicky Gordon (his wife), Thandi (his girlfriend who gave birth to his son in

2012), Nicole (his sister), Leanne, Samantha, Kimberley, Chloe, Thabo (the technician), Candice.

They started by trying to introduce highly sexualised feelings onto me whilst at work, whilst at the same time introducing simulated dreams into my head at night, of lesbianism and bi-sexuality, this theme has continued throughout. They have violated completely my constitutional rights to privacy, dignity and freedom, in the most demonic of fashions, had dead birds delivered into my home on both Christmas morning and New Year's day, before 7.00am on both days, have spoken repeatedly about Alistair Crowley (the most perverted, bisexual Satanist that ever lived), run paedophilic mind movies through my mind whilst I am trying to speak to the same 9 year old repeatedly, as in trying to grope at her, whilst she is sitting opposite me, showed sexual interest in kids running around in their costumes on Christmas Day, run dreams through my head of dogs being sliced into four, or being buried alive (when I show a lot of interest in dogs), my cat keeps, on odd occasions, growling into the air, her nails come out, biting at me and the couch (for example), and hissing for no apparent reason, and I recently, after praying for her protection on one of these occasions, saw her shaking her head afterwards, as if she was trying to get something out of it, and then calming down, they have threatened that they will make me lose my job repeatedly, they seriously harass me night and day, even at work, about their sexual attraction to some of my colleagues or on socials (they belong to the gay/lesbian/bisexual/transgender community), about some of my friends, they follow me into my bath (anyone in the entire CI building is able to watch me take a bath, sit on the loo wherever I go, and when I'm changing in my bedroom, they have denied me any form of a love-life of my own, whilst claiming to have the best love and sex lives in the country for themselves, and worst of all, they have submitted me to 3 – 6 hours of sleep deprivation every night, which has escalated to some of the most extreme torture as well – the management of this division, listen to me being deprived of sleep and tortured, and do nothing to stop it (this includes massive amounts of mental and physical torture on a daily and nightly basis (they are paid obscene amounts of money for doing this to me, and YET, they ask for 'undefined/unnecessary overtime to be paid to them, as well as massive bonuses twice a year, and state, that they 'cannot wait to get back to doing it to me again', despite me telling them daily and nightly that it feels as if I am living a 'HELL ON EARTH' at their hands, hopping around in agony when I get cramp from their repeated torture of my feet etc, they are then found to be out buying jewellery on their slush funds, and are absolutely unconscionable about my suffering at their hands – **IN MY OPINION, THESE PEOPLE NEED TO BE TRIED, FOUND GUILTY OF EXTREME CRIMES AGAINST HUMANITY (I must stress that I am NOT a criminal, and have never been), AND SENT TO THE ELECTRIC CHAIR OR IMPRISONED FOR LIFE, WITH NO PAROLE.**

I have written countless letters of complaint to this department, detailing all of this, and the people involved, on an almost daily basis, from June 2012, and **NOT A THING HAS BEEN DONE TO STOP IT**, in fact it has escalated to horrific proportions – eating my breakfast on the patio for example, means they burn my lips, tongue, gums and throat, which means my throat feels raw when I swallow, they manipulate my genitals while I am at work, they have had some seriously demonic person force a sexual attack upon me in a simulated dream, where they shoved, with demonic force, something up my vagina (telling that there are people in Africa that they can get do this sort of thing), attack any ear-ache I may have by sending directed energy weapons into the exact sore spot, to inflame it further, they bloat my stomach often, and I live in constant, uncomfortable constipation. The managers and staff are mostly having sexual relationships with one another, with one of the staff, having been impregnated by two of the married men, they are simply in it for the money, and they co-ordinate that they sleep in the afternoons themselves, in order to feel energised enough to start their next night of sleep deprivation and torture upon me (I call this pre-meditated crime, specifically as they have **ABSOLUTELY NO CONSENT** from myself for any of this), and furthermore, they have introduced the teenage children of Charlie Gordon and Thandi into the benefits of violating the human rights of an innocent by bringing them into view my taking a bath, on the loo and in my bedroom.

MY CASE IS CURRENTLY WITH THE INSPECTOR GENERAL OF INTELLIGENCE AND THE PUBLIC PROTECTOR'S OFFICES, AS WELL AS THE NATIONAL COMMISSIONER OF POLICE.

It is a shocking indictment of a people gone wrong, and it is **MORRALLY, ETHICALLY AND LEGALLY INDEFENSIBLE.**

I will go to any International Criminal Court to tell my story of this unjustified attack on a member of civilised society by its own police force and intelligence agency.

Regards

Many, many thanks for all the info you sent me yesterday and today – yes, it has been a very bad attack indeed – a whole gang of men and women watch and listen to me being sleep deprived and tortured, and think it's ok, as long as they get paid for it – they justify the indefensible to themselves.

This is the reason I have had to fight back VERY HARD AT THEM, AND I HAVE NOT LET UP AT ALL – I am absolutely determined to take them down – and I really believe the best defence against these bastards, is to expose, expose, expose – that's the ONLY thing that get's their attention EVER!! I have got the attention now apparently, of even the President of our country, because I have not stopped sending info to his deputy's PA, detailing the torture and abuse, and asking for her assistance – I will stop at nothing (within the legal frameworks of the law obviously), to get it out there – that they have no consent, and that this is being funded via tax payers money – they owe the citizens of our respective countries therefore, and explanation, and if none is forthcoming, then it needs to be taken to the International Criminal Court – and yes, I will send my details to them as well. Many thanks – I have been looking for other victims in South Africa, so this will be of great assistance to me.

God Bless John, I hope we can get these 'weapons' banned, for a start, and take good care!

LETTER TO THE INTERNATIONAL CRIMINAL COURT

OTP-CR-70/07/002 (for International Criminal Court of Justice), WE REQUIRE IMMEDIATE ATTENTION
RE: CRIMES AGAINST HUMANITY !

The President of the International Criminal Court
The Hague

I write to you to urge you to use your privileged position to take action against those that are torturing (mentally and physically) many innocent people around the globe, in the most HORRENDOUS WAY.

I live in South Africa, and I'm one of the few that can name my exact perpetrators, and give you directions to the doors of their offices, and provide you with contact details – my thoughts being, that they could be used as an example for anyone, anywhere in the world, that may feel inclined to violate innocent people for money, a run FOR THAT MONEY, so that they think it over many times, before ever contemplating or taking that action, against a fellow-man – where the penalties simply wouldn't justify their involvement. Their names are as follows: **Hein Marais, Nthabiseng, Bongani, Jackie, Michelle van Zyl, Daniel Erasmus, Mandy, Sandy, Johan Badenhorst, Rob, Chloe, Samantha, Kimberly, Candice, Thabo, Charlie Gordon, Nicky Gordon, Nicole Gordon, Leanne Gordon, and they need to be brought to JUSTICE!!**

I have been a victim of NON-CONSENSUAL psychotronic weapons (of destruction) since September 2010, by people who told me that they work for Crime Intelligence, Roodepoort division in Johannesburg, South Africa, and have spent a considerable amount of time and energy submitting me to the most inhumane and cruel treatment imaginable. Imagine being deliberately woken and sleep deprived, via burning of my feet or head or abdomen, for 3 – 6 – 22 hours at a time, and being verbally harassed during this entire period, on top of having my mind and every thought, every small action you take, including having a bath and going to the toilet anywhere on earth, being violated on a 24/7 basis, where people unmet by me, consider they're entitled to comment on everything you think, say and do, in your own private residence, and anywhere else you go ----- AND ALL OF THIS FOR MONEY (they're being paid handsomely to DESTROY the quality of your life 24/7, and appear to take perverse pleasure in doing so, in how 'powerful' that makes them feel (these people are generally of low intelligence and class, and this is like being a candy shop for the wicked – take your pick of what type of torture you'd like to submit your victim to for the day or night, and sit by smugly, while you watch the look of horror or trauma wash across their faces, listen to them praying to God day in and day out, and FEEL ABSOLUTELY NOTHING!!!!!! After all, you're getting MONEY FOR THIS, and all you can think of is what next bit of bling or flash you can buy with your next pay-check....it becomes a VERY SICK GAME of cat and mouse, except there are 11 – 13 times the amount of cats at any one time, using sophisticated technology, trying to outwit ONE mouse, and so you start to get a PACK MENTALITY coming through, where it almost becomes an incredibly sick thrill to be a part of this criminal game!!

I am an INNOCENT, LAW ABIDING CITIZEN OF MY COUNTY, A COUNTRY WHICH HAS

CONSTITUTIONAL LAWS TO PROTECT OUR RIGHTS TO PRIVACY, DIGNITY AND FREEDOM.

These people have committed many, many days and nights of pre-meditated crime against me – and are paid OVERTIME MONEY, AND BONUSES FOR DOING SO WHILST I AM BATTLING TO SURVIVE!!

Make no mistake about it, these are crimes against humanity that they are committing, it's very barbaric, and for as long as they can get away with it, they become more mentally vicious, vindictive (if you try to take action against them) and sadistic as time goes on – it's like having a drug fix for them, and the taste of the thrill needs to increase all the time.

Imagine having holographic images of pedophilia flashed across your mind, or of having incestual images flashed across your mind, these people are all bisexuals, and play mind-movies across your dreams regularly of threesomes etc, constantly harassing you about your friend's daughters, your colleagues, people on TV etc, in a sexual manner, leaving you NO ROOM to enjoy your life as you would like or choose to - it takes away the enjoyment of every moment of your life, as you grasp for air and leverage on a 24/7 basis, in order to remain sane and level headed, to save your very soul.

It was described on a website in this way (John Finch's comment), the kinds of tortures we face:

Gang Vigilante Stalking is an occult form of terrorism/mind-control used against an individual, in a malicious attempt to reduce the quality of a person's life so they will have a nervous breakdown, become incarcerated/institutionalized, experience constant mental, emotional or physical pain, become homeless, &/or commit suicide. It is done using well-orchestrated accusations, lies, rumors, bogus investigations, setups, framings, intimidation, overt or covert threats, vandalism, thefts, sabotage, torture, humiliation, emotional terror, DEWs, & general harassment. It is a ganging up by members who follow an organizer & participate in a systematic, & ritualistic persecution of an individual. Organized Stalking is a destructive criminal program built on deception that exists to serve the intentions of a few who are aware of its true agenda.

The Universal [Declaration](#) of Human Rights (UN General Assembly passed and published Resolution 217A (III) on 10th December 1948) stipulates in the following relevant clauses that:

Article 3 Everyone has the right to life, liberty and security of person.

Article 5 No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.

Article 6 Everyone has the right to recognition everywhere as a person before the law.

Article 12 No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, or to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks.

Article 19 Everyone has the right to freedom of opinion and expression; this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media and regardless of frontiers.

At present, thousands of victims around the globe, strongly demand an investigation into the sinful Hi-tech crimes which covertly violate human rights worldwide. Many of these victims have spent enormous amounts of time, money and energy in collecting quality information to present to any select committee's, with regards to electronic torture and mind-reading, and mind subverting technologies, which are holding civilized, respectable members of society to ransom – by those that violate them in the most inhumane, and sadistic of manners, that are meant to destroy the quality of the lives of QUALITY PEOPLE ON THIS EARTH.

Imagine a world dominated and filled mainly with psychopaths and sadistic sociopaths to decide on the fate and future of the remaining respectable citizens of this earth – well, this is what it will come to, if you do not move to save the civilized people of the world, from the madmen at the helm of this decade in the history of this world. These cases that are being presented to you, are of a very serious nature, and need to be assessed from a short and long term view – if no one does the right thing now, it will be a catastrophe, for mankind in the long term.

I have contacted various institutions within my country, such as 'The Inspector General of Intelligence's offices', The Commissioner of Police, and 'The Public Protector's offices' as well, but they are at a loss as to what to do so far, as these atrocities have been sanctioned by The President, so I'm led to believe, despite knowing, that THEY OBTAINED NO CONSENT FROM MYSELF. This is the reason I now come to yourselves.

Challenged by the unprecedented worldwide catastrophe of human rights and the severe crimes of damaging human beings, we urge IMMEDIATE AND URGENT INTERVENTION AND ACTIONS ON THOSE RESPONSIBLE FOR PROTECTING ALL HUMAN BEINGS FROM CRIMES OF THIS NATURE. We must disclose the horrible crimes which are covertly damaging human beings, and put them into the Judge Courtroom in International Criminal Court!!

You cannot ignore my plea for help, one human being to another, it's surely in your best interest as well, if you wish for this earth, and the people on it to flourish, as is their universal HUMAN RIGHT!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

20/2/14

I would like to thank you for the work that you are doing for TIs.

A targeted individual in India gave me your email address so I am contacting you because I am a targeted Individual in Algeria (North Africa).

please note that the harassment that is done on me is not covert but public, people around can read my mind and see what I see, hear what I hear and feel what I feel, if I call you by phone for example you can read my mind, same with internet if we are chatting by skype for example you can read my mind and even with TV, if I am watching TV and you are at the TV show that I am watching you can read my mind.

Please note also that there's a conspiracy which is leading against me, people are involved in this and nobody wants to recognize the truth.

I just want to send my testimony to you to record it and collect it and I want to know if there's a targeted Individual in Algeria or even in Africa and the middle east to contact them.

I am an alive mind control witness and if somebody wants to prove that the harassment exists I am the proof and if someone needs my cell number I can give it to him so we can do something about it, even if all the politicians know about my case and they are doing nothing.

I will be waiting for your answer.

3/3/14

Dear Mme/Sir,

I am a targeted individual living in Algeria (North Africa) and I am TI since 2008 when I was a student in the UK and I was obliged to come back to my country because I was in depression and it's only after I came back here that I've realized that people around are reading my mind and that there was an organized conspiracy that is leading against me and even the authorities and the embassies know about that.

I cannot tell all what happened to me all those 6 years, the only thing that I can tell is that the harassment is doing to me in public and it's not a covert harassment, because people around can read my mind and if I have a phone talk with somebody he will read in my mind too, so that's what we call a proof and even with this nobody wants to admit that they are reading my mind and there's a conspiracy which is leading against me in a way to make my life a hell, to scare people around, show the world what they can do even if all the world knows about this and unfortunately is that even the Targeted individuals and people who are organizing them to fight against those dark powers don't want to be witnesses and don't want to admit the truth.

So for those reason I do not think that people who are organizing TI's will succeed in their battle against that dark powers because they are encouraging those criminals to continue their harassment with their silence and their lack of concern and interest and believe if one day this conspiracy will stop against me you will have to do 10 times what you are doing now to make general public, politics, human rights organization and United Nations to make them admit that those dark powers exist and that they are doing harassment on people around the world, causing torture and make them going insane.

So I am asking to all whom reading this letter to take their responsibilities and not to lying to them self, because the battle begin by admitting the truth and you can contact me if you want to know the truth anytime you want I can give you even my phone number but I ask you to not lose this chance to rise our voice and to say you cannot deny that.

Faithfully yours,

i am Bedanta Bora from india(banglore).From past few months i have been undergoing various mental assaults by some mind control freaks.i dnt know what to do in such situation they have implanted a transciever some where in my body without my knowledge and consent.only i can hear their voices which they have been doing by some device,they have been constantly torturing me i do not know how to stop this inhumanity and brutal mental torture and in india i dnt know where i can find help in this matter.kindly,sir help and save me against such mental torture.

8/5/13

this is the cry of a torture victim from india i have been tortured 24*7 by some people who have been sending threats,trying to blackmail me,read my thoughts and manipulating them kindly help me.

sir,

its a short case summary kindly prefix it to my victim list i have recorded torture activities of past few days too

address: kumaraswamy layout, #26a,divya builders top floor, 3rd cross,near shop n save
bangalore-560078
(for my security issues i may be forced to shift to other location)

Some people(few wallmates and neighbours) are doing remote neural monitoring and by means of some device they are sending voices to me using V2K Technology which is also known as microwave hearing.They are doing group stalking and repeatedly torturing.At first i too thought it was paranoid but after sometime i came to know that it was voices send by a group and the members stay in my neighbourhood.I cannot directly charge someone for sending blackmailing threats through a device because they will directly deny and claim me to be crazy.They read my thoughts and interrepts with them,send harsh words,threats,send me voices of what i am thinking,send electromagnetic impulses to my brain by means of some sophisticated device.There is proof of existence of such device and i suspect some illegal implantation too.i firmly believe that some people involve in administration and police might be involved in this case as such technologies are not easily accessible to common men only people involved in security agencies,police have access to such technologies.I request you to kindly probe an enquiry in this matter as it is a case of national security and protection of each and every indian citizen,today this unfortunate thing is happening with me tommorow other innocent victims may be targeted.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

17/9/09

Dear Sir,

This is to bring to your kind notice that I'm in the midst of a supreme black criminal conspiracy in Kolkata, India and a group of severely brutal criminal psychopaths are torturing me with remotely controlled Directed Energy Weapons and the likes as I've complained about it earlier.

You can be their target of brainwashing also as they are doing it in the evil guise of normal/important people just to vitiate, confuse and to somehow justify this unprecedented extreme cruelty that should have warranted them a death sentence/Life sentence long back.So please don't get fooled by the Cheap Satans.

The real fact is that they have got some remote terrorist facility/ infrastructure, with me in a supremely helpless situation to brutalize and exploit infinitely.

Their USP is about giving many excuses for why this is being done to me with their pretentious diabolically cunning hypocrisy. That's how they are somehow trying to justify this monstrous brutality by taking advantage of the ignorance and illiteracy of common people. The excuse of ridiculously satanic criminal scientific knowledge and intelligence can be more lethal for some.

Some purchased Police officers and very cunning criminal "showcase identities" are their biggest assets.

I would like to request you to kindly inform me about anyone who contacts you in this regard without taking them into confidence. Please don't trust any source that's not authorized by me.

Actually these criminal psychopaths are murdering me emotionally, psychologically, mentally and physically and are trying to ruin me from all directions to serve their purpose.

Their cunningness and motive is so evident from their ways and means of doing everything, their remotely secret hide-out place of stay and their absence from civilized law-abiding human society for long. I do really need your support and co-operation to come out of this living inferno. This extreme criminal elements needed to be punished heavily long back for such terribly heinous crime.

Sincerely yours,
Deb Chakraborty

NB : Most probably they are hiding in a remote location called "Defense Colony" near Salt Lake, Khanapole area Attached please find my torture case summary in this regard.

2006/2009

It's very difficult for me to explain the situation that I'm in. Apparently, nothing can be detected and when I try to talk about my harassment, what people think is that, this schizophrenic moron is a big failure and he is trying to hide his worthlessness by telling all these stories. But just because I have no other option, I thought of letting people know something through this anyway.

I know that my complaint of torture is apparently unbelievable to the ignorant mind. But please believe that, I'm not saying all these over the years over and over again just to be treated as a ignorable laughing stock of some sort ...I'm really in dire distress and at my wit's end over the extreme perverted sick brutality and attempted murder efforts that has reached a very appalling stage..

Please visit

<http://www.peoplezapper.com/>

<http://www.mikrowellenterror.de/english/mw-weapon.htm>

and

<http://www.surveillanceissues.com/>

as a proof of existence of such kind of dangerous and damaging technology

and

http://www.geocities.com/i_am_deb_2006/Torture_Cases_India.doc

as a proof of me being a victim of this kind of crime (Victim No. 3)

Initially the harassments were like:-

Inescapable voices inside my head and I'm not mentally ill

So many people can see thru walls, and produce sounds that "follow" me

No matter where I am, repeated instances where it seems my mind is being read.

Forced awakening, can't go back to sleep, as if I'm on high doses of caffeine

It seems that some people are blocking my way or trying to harass me in anything that I'm trying to do.

Tortures with hypersonic sound and acoustic waves.

Gradually the tortures became like:-

Total sacrifice of physical & mental privacy for 24 hrs., associated with tremendous psychological torture.

To begin with, this is draconian violation of privacy. Even though it sounds weird to the common people, it's a fact that, I get tortured the most by faceless voices inside my head. My brain gets tortured every moment

by numerous other faceless voices that continuously negate & manipulate my thought process by interfering with my brain wave and in the process tortures me psychologically and damages my brain and nerves. My mind is always a battlefield in here, and my brain just "gasps" every second to take a breath and it seems like that these are just suffocating my brain to "death". I remain helplessly mentally handicapped in this condition. The perpetrators do it intentionally and increases the severity when it counts the most. They don't even let me sleep at night. This pushes me towards acute depression, mental retardation and insanity. This is the most sophisticated form of psychological torture one can think of. This is so intolerable that someone who has not gone through it can't even imagine. This continuous torture on my brain & nerves may result in permanent insanity, brain embolism, cerebral hemorrhage etc.

Frequent attacks of chemical poisoning of my body, which invalidates and incapacitates me slowly. These chemicals are any dangerous, harmful chemicals to acids to poisons, which are damaging me to a great extent.

Tortures with continuous intolerable foul smell that won't let me breathe/drink/eat and these not only damages my brain, but vitiates every cell and blood. They will sort of "inject" these into my system and make me inhale these poisonous smells involuntarily. One can't imagine how severe this torture can be This includes smells of gutter, faeces and anything and everything that only supreme perverted psychopaths can think of. This is inhuman torture, and an example of extreme brutal perversion by some demonic psychopaths.

Frequent attacks with heat/chemical radiations, which can result in local atrophy of body parts.

Invisible bullets through my brain to damage my brain/nerves completely.

Very dangerous and damaging brain & dream manipulation and forcible fictitious, gross image projection in my brain with Virtual Reality simulation kind of tortures that crumbles and exhausts me down me completely.

Frequent attempts to damage my property and electronic instruments, which has reached a very appalling stage.

Several attempts to choke my heart, lungs and brain that gives me giddy feelings of weird kind.

Several other kinds of bizarre & unbelievable tortures that would make any human being go crazy.

Attempts of criminal denigration & criminal instigation with a fabricated fictitious negative image. Negative subliminal messages also through songs, music or through any source of sound.

Sometimes, continuous shrill, shrieking sound especially at hours of rest and at night, that affects your nerves so much that you can't go to sleep even with the help of sleeping pills.

The whole exercise is so nicely camouflaged with a huge hypocrisy and eyewash that you can never be suspicious about the real culprits and can never have any idea about the gravity of the situation. There is so much of mental pain, agony, anguish and trauma associated with the whole exercise every second, that normal people won't be able to imagine. Also, this exercise is so damaging and deadly that ignorant people won't be able to comprehend.

A few more important informations:

I became a victim of this weird kind of torture, 10 yrs. back in April 1999, when I was working in the USA. I had to come back from USA in a nervous breakdown condition. But it was haunting me, no matter where in the globe I'm in. The torture got worsened as the years progressed and from Mar 2003 it had made my life a living hell.

As far as I could get, two of the infrastructures in Kolkata (most probably Salt Lake) is primarily from where this heinous crime is getting carried out. This is a den and a place where you can find the worst possible psychopaths.

These are perpetrators with the most vicious mind and worst possible devilish brains. They have made my life a living hell for the last few years, and the more they are getting the "taste of my blood", the worse they are becoming.

It's a supreme black conspiracy of a gang of Bengali NRI's and their diabolically cunning associates from

West Bengal that's covering up for everything and pampering, patronizing and funding this extreme criminal & terrorist activity out of sickening jealousy, greed and perversion. **But It's mainly due to lack of literacy, ignorance and intelligence failure, that I'm getting ignored badly.**

This criminal gang is just fooling the fools and foxing the fox for the last 10 yrs especially cheap Kolkata scums and locals, through fictitious, hyped up forged and fabricated identity and excuse and purchasing them with foreign funded black money and prostitution racket (Most probably they are located near Khanapole area near Salt Lake in a pretentiously named "Defense Colony" with a false police station)..

There are so many abnormal scoundrels working as psycho-terrorists, and are torturing me through this, that you can't even imagine. Their full time job is to destroy me and to keep me in pain somehow. No one can ever imagine about the quality and mentality of people who live in this place.

The combination of the meanest, brutal, vicious, devilish brains and fundamentalist psycho-terrorists is the deadliest. They are brutally stabbing a mistaken identity and carrying out this mayhem with terrorist conviction.

Why Me?

I have sent many mails regarding my crisis situation, but I'm not getting much-needed responses and actions from people who counts...and the question that I'm facing so often is why would someone do this amount of brutality on me? ..I would try to give an absolute logical answer for that ...But we definitely need a paradigm shift in here especially when the brutes involved in here are not normal brutes and the crime in question in here is not a normal crime..

These are criminal & psychopathic beasts doing extreme terrorism by NLW/DEW (i.e. Electromagnetic Weapons) remotely and invisibly...Only criminals and terrorists can get hold of such dangerous weapons and these weapons are the most damaging ones, humanity can ever imagine;-with the advantage that these can be applied remotely and invisibly, hiding like moles in a very remote place...They need no reason and mainly it's because of their criminally dysfunctional brains that cherishes and relishes sadistic brutality in vested interest. This kind of tortures are possible only from some special kind of "criminal facility" or terrorist infrastructure, that are provided by the foreign psycho-nazi beasts, to the local Satans.... It's mainly like a "brutalize as you like facility" or infrastructure and it's like giving a "license to kill" the targeted individual by any and every brute who are in the gang.

I guess any criminal and any terrorist can give any amount of "excuses" (not really reasons) for their criminality and terrorism. But those don't get counted by any means. **Just like the way the terrorists spread terrorism in the name of religion, these Psycho-Nazis are spreading terror in the name of Pseudo-Science, just to satisfy their whims and frills...**

Please go through the link in this regard...:

<http://wiseti.blogspot.com/search?q=why+me>

Also to mention something in here about the filthiest vested interest of all those who have got no connection with any kind of Science and neither with me, but pretends innocence and even righteousness and are in the same group.. This is entirely because of a sickening-most prostitution racket and their "pet dogs" who are getting everything at my expense and because of this terrorism... Otherwise it could have been so easier for me to get the information about the Pseudo-Nazi criminals and their hide-outs from any one of them...But forget about that, it has increased exponentially because of them only and in their vested interest... I would not have had any problems with anyone from there. **But it's so obvious that all of them got together and stuck together in there, to dignify and glorify this terrorism in exchange of filthiest of privileges. . Otherwise no one would be hiding like a mole and still having any issues with me for the last 10 yrs. It's a pure case of criminal conspiracy and extreme terrorism getting proliferated so easily because of cheap black money and a sick "slut-racket" (and I deliberately use the term)..**

Please try to understand that I don't have any other motives other than getting out of this living inferno and a pathetic most bleak future... All I'm trying to convey in here is:

1. **It's so easy to do this kind of crime remotely on any human being with NLW/DEW...and it's a fact**

that just because of this non-visibility factor many around the world is getting tortured helplessly by dangerous criminals & terrorists through this.. But a criminal precedence doesn't justify another more brutal criminality and can't serve as an excuse to get away with it.

2. I'm already a registered victim with those authorities who understands and knows about the deadly weapons and the dangerous, damaging effects..

3. Acceptability is a very important factor in here to help and to empathize even, not negation of the apparently inscrutable complaint.

But I want to emphatically stress in here that in my case it has worsened exponentially over the years because of all those who are getting filthiest of privileges through it...

I'm in the midst of a supreme black conspiracy of these corrupted beasts Sir, as this criminal syndicate is severely taking advantage of the fact that India, especially Kolkata, is absolutely ignorant of such crimes and they are capitalizing on my supreme helplessness and intellectual property and stolen away private information. These brutal animals are not only making me paralyzed and crippled in this way, they are looking for opportunities to steal away my everything also...

So, PLEASE HELP ME TO GET OUT of this extreme living inferno !!!!

Some chronological events:

May 1999 - Became the first time victim when I was in US. Immediately came back to India within a month losing my job and in a nervous breakdown condition...

Apr 2000 - Could somehow recover and felt like these devils released me...and I tried to get a job in Pune...

Sep 2000 - Again I got attacked and I came back to Pune sacrificing my job and in a terrified condition ...

Sep 2001 - They stopped doing it on me and I tried to get a job in Kolkata..

Sep 2002 - Again the same thing happened and I had to sacrifice my job ...

Mar 2003 - The intensity of the torture suddenly got triple folded and I lost all my nerves and it created havoc in my life and I had to go for a gruesome divorce suit just because of the misunderstanding arising out of this torture .

The torture was increasing but I tried my best and got a job in Pune , but there also I had to lose the job because of devilish torture that was damaging my brain, nerves severely. The inhuman torture is increasing exponentially since thenand it has reached the stage of extreme brutal perversion and criminal deprivation of almost everything that would shock even the animal rights activists.

I'm in great danger Sir, as some of these brutal animals are not only making me paralyzed and crippled in this way, they are looking for opportunities to loot away my everything also...

So, PLEASE HELP ME OUT!!!!

For years I'm languishing helplessly as an innocent victim of severe mind control and psychotronic torture that is invalidating and incapacitating me slowly...

This is actually the worst possible form of remote scientific torture that remotely monitors and tortures human beings with total sacrifice of privacy that destroys the human dignity and integrity in one fell swoop and destroys the brain and nervous system severely.

This is associated with severe psychological and physiological torture and brutal perverted sadistic deprivation. This has reached the stage of extreme psycho-terrorism. The details of these tortures are in my web-site at http://www.geocities.com/i_am_deb_2006

I would like to charge the devilish brutes with the following charges. Would you please guide me regarding

this..(I'm aware of the Article 21 of the Indian Constitution (Protection Of Life And Personal Liberty) and fundamental rights/individual rights/civil rights of an individual) but nothing more on criminal laws....)Would you mind giving me your valuable inputs in this regard.?

The charges I would like to bring against these brutal criminals are:

- 1.Draconian violation of Human rights.
- 2.Criminal violation of fundamental rights.
- 3.Severe intrusion of privacy through absolutely illegal, immoral and unethical means.
- 4.Criminal conspiracy and criminal public instigation of the worst kind.
- 5.Criminal character assassination, defamation and criminal denigration of the worst kind.
- 6.Illegal possession & indiscriminate use of the of the most dangerous electro-magnetic weapons of the world.
- 7.Extreme senseless psycho-terrorism that results in severest of psychological torture (aiming at making insane) and very damaging physiological torture aiming at local atrophy of body parts/death. This is associated with extreme brutal perversion..

This encompasses these charges like :

- a. Voluntarily causing injury/hurt.(323)
 - b. Wrongful Confinement (342)
 - c. Criminal Intimidation (506)
 - d. POCA, POTA and TADA
- 8.Gross misuse and abuse of power by influential and devils.
 - 9.Brutal merciless mental cruelty and oppression.
 - 10.Gross Violation of Intellectual Property rights.
 - 11.Absolutely black marketing and international money laundering .
 - 12.Smuggling of dangerous weapons and machineries for the use of dangerous terrorists.
 - 13.Running of prostitution racket.
 14. Running of mind control racket and human trafficking.
 - 15.Ilegal international business of these dangerous weapons and machineries.
 - 16.Ilegal procurement of huge land.
 - 17.Illegal construction of underworld township for the mafias.
 - 18.Providing a facility to the worst possible perverted psychopaths to enjoy a 'Reality Fuck Show' and 'The Gladiator Show' all over the world.
 - 19.This is a heaven and a safe haven for the mafias, criminals terrorists, anti-social and a breeding ground for the worst possible perpetrators.
 - 20.These filthy monstrous devilish mafia gang "agents" are basically selling our country's privacy and security to the foreigner that severely violates the country's sovereignty and integrity to such an extent that amounts to severe criminal offense. This is practically like selling our country to the foreigners and destroying it silently (They are making it a "guinea-pig land" in fact). But this is cleverly camouflaged with a huge amount of outrageous lies, hypocrisy and eyewash.**

1.Why One shouldn't buy the devils?

Please try to understand the obvious and see the "content" in my points mentioned beforehand.....

A few more points on how I see it....

1.This is the not only worst possible heinous crime of the world, this is the worst possible filthy devilish sadism. Actually many a scoundrels were coaxed into this big hoax...

Not only that, if this is even acknowledged as a "caliber" then fundamentalists, nazis, terrorists and criminals should be getting some Noble Prize. Even the somewhat "scientific brains" involved in this exercise are at most the brains of some eccentric crooked "brain -hackers" and idiot devils, so please don't get "bedazzled" by their "show". Please don't buy anything from these supreme scoundrels...

2.These worst possible scoundrels are all about "absolute black corruption", "absolute black lies", "absolute black money", "absolute black power" and "absolute black crimes"...So please don't buy anything from them.

3.These worst possible monstrous scum bugs of the earth don't have any existence without this. They hide their "absolute blacks" by maintaining a supreme secrecy about everything and by creating a huge hullabaloo with insignificant, irrelevant mountains out of molehills...

4.Please keep in mind that, they are too corrupted and devilish to be taken as "ridiculously ignorant hypocritical brutes" only. They have turned into monstrous megalomaniac psychopaths long back.

5.Basically the "formulae" for this supreme underworld can be basically H4BP (The Big 4H' s are Hollow, Hype, Hypocrisy and Hoax and BP for Brutal Perversion).

Desperately Looking for someone's help in this regard...

NB: Please don't take it as blabber from a schizophrenic moron....

2/7/08

This is to report you of an unprecedented organized crime & a case of absolute corruption and criminal conspiracy against me by a terrorist group who are badly damaging me severely through remote electro-magnetic wave & microwave rays and radiations.. Not only me, my house is also under attack as I could feel the presence of the "Shock-waves" through my Home giving rise to the effect of the Earthquake almost...

I'm very much frightened and appalled at the ferociousness & vengeance of the criminals who are very dangerous with the remote directed energy weapons (comparable with WMD's,i.e. weapons of mass destruction) and are trying to destroy me brutally in the fear of getting exposed...they have also started dangerous Cyber Crimes against me and have stolen all my private information for cheat, fraud & identity theft..

I'm in dire distress Sir as I'm pathetically crying out in despair and the terrorism is going on unabated.. The frightening details which will send a shiver down one's spine are in my web-site at http://www.geocities.com/i_am_deb_2006 . The criminal threatening & intimidation about brutalizing is so appalling that it will send cold shiver down one's spine..

I've made complaints against them in all possible corners looking for help ..But no one has been able to help me out so far as it has become difficult to find out their hide-out place. The terrorists have most probably made a secret hide-out place near Salt Lake, Kolkata near some Corporation Bank Branch, and are operating from there ... They are involved in Extreme terrorism, Filthiest prostitution racket, Money laundering, Human trafficking, and all kinds of illegal businesses etc. They are like beastly slaves who are brainwashed to believe into all kinds of crimes & terrorism and act as sex-slaves...

It's all getting done mostly for the sake of a filthy Prostitution racket full of mentally subnormal destitute gangsters as hired criminals & goons. A few of the dangerous most gang-members are nick-named as "Buddha" alias "Saikat", "Arindam", "Pradeep" alias "Gov't Official", "Jaya", "Suranjana", "Shantanu", "Ashok Roy" etc. and their hired gangsters & associates...

To introduce myself, I'm a Gold Medalist Engineer and an accomplished Software Professional who was working in US when I fall pray to the cheap jealousy and greed of this perverted sick criminal group and because of them I'm going through a pathetically abnormal life full of pain, agony, anguish and suffering and pathetically bleak future. They are destroying and ruining my life from all directions and are selling the country's Privacy and security to the foreign terrorists..

In this condition I'm badly looking for protection and safety from any corner ...I would much appreciate any help in any manner and capacity possible ..

I pray to you to earnestly to save me from this extreme silent brutalization ...

31/8/08

My health condition is very poor that has confined me to my house for more than a month ... The perpetrators are manipulating people in and around my house and it's because of their concocted,fabricated,manufactured lies and instigation and provocations I had lost my job also ...and even in this helpless state doctors & my relatives are also getting manipulated by them and enticing everyone with their prostitute network to keep it going to the brutalest extent possible...I'm in a very pathetic shape ...and I would be grateful to someone doing something on my behalf in any manner and capacity possible ..

A few of the dangerous perps are nicknamed as "Shantanu","Arindam","Budha","Sutapa","Pradeep","Jaya" and all of their diabolically cunning associates hiding in a den near Salt Lake ,KolkataPlease see my attached document in this regard..

Sincerely, -Dev

Sub: Serious life threatening assault and Cyber Crime with Important Data Loss

Dear Sir,

This is to inform you again that I, Mr. Deb Chakraborty, a resident of Baranagar, Kolkata am facing serious life threatening destructive assaults on my life, property and electronic instruments with extreme vengeance from the mafia criminal gang I've reported earlier...They are damaging me like ferocious beasts as the authorities are not stopping them from this mayhem.

This is to report you again that along with tremendous life threatening assaults with poisonous chemical & heat radiations on me, they have once again deleted important documents from my e-mail account pathikdeb@gmail.com at 8:00 Am on 20 Apr, when I was working on the computer..

I'm facing criminal intimidation, threatening for blackmailing, and harassment from this criminal gang for long and they have hacked into my computer and e-mail accounts also to delete important mails and changed passwords before also (Compl on 7.4.2008 at Bowbazar Police Station) . I've lodged several complaints about them in Baranagar Police Station(G.D. No- 2168 dt. 24.3.2008) and also to Lalbazar Police Station, the Detective Department and Cyber Crime cell regarding this before.

In this hopelessly helpless situation may I request again to kindly pay attention to the pathetically helpless situation that I'm in to please provide me the safety, security and dignity that every citizen is supposed to get as a bona fide citizen of any country, as otherwise this is driving me towards a pathetically bleak future and complete ruination.

Thanking you,
Yours faithfully,
(DEB CHAKRABORTY)

Enclosed herewith is the copy of the required knowledge of the key aspects once more to stop this heinous crime/terrorism and to believe in the authenticity of my report about my loss & the essence of the technology making it possible.

DEAR SIR,

I would like to draw your kind attention to some extreme and horrendous criminality being conducted with the involvement of several groups or international rackets who claims their association with the Non-Resident Indians and United States of America agencies(from New York) and the complicity, if not participation, of many other agencies.

I am a victim of extreme torture and abuse using DIRECTED ENERGY and NEUROLOGICAL/PSYCHO-PHYSICAL WEAPONS technology for the last 9 years which has destroyed my life almost and I'm going through a pathetically abnormal and painful life, full of pain, agony, anguish and suffering.. To hear my story would be terrifying and bewildering to an audience unaware of the specifics of these crimes but these are all true facts. The criminal use of these on me are causing the following effects :

- Complex control of the brain & nerves
- Draconian violation of Privacy
- Severe torture and damage of brain, nerves and body parts through extremely harmful electro-magnetic waves(including microwaves, infra-sound, hypersonic and acoustic waves etc.) and chemical and heat radiation
- Severest psychological torture through remote manipulation of brain and nerves..
- Attempts to send shock-waves through my House to damage it completely.

and many others the effects of which are very dangerous and damaging ...I'm crying out in despair and desperately looking for help..

There is massive ignorance and secrecy regarding this, and victims such as me are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse.

Your attention is urgently needed to halt these atrocities, protect me, and bring these extremist elements to justice.

Please treat this as an emergency Sir, as I'm in great danger, waiting for a dangerous and bleak future, getting invalidated and incapacitated slowly.., I pray to you to earnestly to save me from this extreme silent brutalization ...I'm frantically asking for help from all nook & corners but without any avail so far ...The people concerned are not applying their intelligence & authority to stop this extreme form of terrorism, which is great threat to country's safety, security, dignity and sovereignty also..

Sincerely,
-Deb Chakraborty

Thank you so much for your kind attention & activism in my case. Here in my country, I'm not getting any help from anyone mainly due to absolute lack of knowledge of such kind of crime & terrorism and due to the intentional propaganda & propaganda & criminal cover-ups from some jealous evil Indian "crabs" who have hired "psycho-nazi" foreign nationals for spreading this terror in this region too. This has become a safe haven for all kinds of criminals, terrorists and prostitutes with black money and money-laundering racket, and they are acting as devil's advocate to practice, preach & covering up of this huge amount of corruption and criminality. I sincerely hope that the authorities take some immediately action to stop this terror and heavily punish those involved in this criminal conspiracy & extreme criminality/ brutality. Would you please take a look at the attached protest letter to support for my cause and would you please spread the cry for help as far as possible..

15/7/09

I would like to thank MCMail team for their kind activism for Mind Control victims of India. But I would like to caution in here of a very cunning satanaic eyewash & propaganda in my name Intrenet/ Orkut by some Indian criminal gang who are trying to fool the fools and fox the fox and it's only those people, who are involved in the horrendous crime against me in filthy vested interest .. If you have come in contact with any such person please give me his name kindly as Police & Detective department is looking for them for this crime. Please believe that no one would be hiding like a criminal mole and do this amount of brutality on someone even if he/she has got any issues regarding me.. These are nothing but criminals and terrorists who are doing everything in filthy vested interest only ..

Actually here in India we have got no facilities for any kind of protection and I'm actually facing the wrath of a filthiest group of Indian Bengali NRI's who targetted me long back in US, because mentally retarded jealousy and greed. They have smuggled in all the weapons and the criminals from differnt parts of foreign underworld (especially US and UK) to make it den of supreme criminal underworld in here in Kolkata ... It's a completely different story altogether for my case .. No I didn't have any implants of any kind and I didn't face any racial hatred of any kind in US too..

It's mainly because of the interest of some Bengali Criminally Sick Masterminds this is going on .. Their names are Pradip, Shantanu (from New York), Arindam (the cunningmost local Satan from Behala, Kolkata), Jaya (from Saudi Arabia), Ashok Roy (from New York), Buddha (the deadliest local gangster), Crompton (as sick Pseudo-Nazi Scientist from US) and a whole lot of mentally ill sick scums from UK.. It's because I came to know about them they are brutalizing, exploiting, and criminally defaming and denigrating me for long near the Khanapole area of Salt Lake, Kolkata, in a prententiously named "Defense Colony".. But the detective departement is not active enough to find them out still now ..

18/11/09

The criminals have deleted your mail even right now as I was trying to reply to it, as the mail you sent last time in support of my complaint is causing them some troubles.

Yes Mr. Mondal has contacted me long back but he is also in a bad shape...and I tried to help him as much as possible .. but not able to do much for myself even because of the ignorance, illiteracy and vested interest of Political Parties at the time of this political unrest in here in here..

It will be of great help if Vijay sends some mails to Calcutta authroties in support of our Case..

I just would appreciate if you can send some mails from activism from point of view to the Calcutta/India authorities clearly stating the following points clearly.

1. Although completely unknown to the third world countries, this kind of Crimes are on the rise in India also , and are known as DIRECTED ENERGY WEAPONS CRIMES ..and we, the victims are suffering very badly because of lack of literacy, ignorance and apathy of the authorities. These are heinous crimes which needs to be

taken very seriously and the victims should not be rejected based on normal sense and experience. Educating yourself through published literature is the only way to go. (Also in here, there is no excuse of "experimentation on a human being" from Govt. like the First World Countries exists..)

2. The main proof lies in the "modus operandi" (i.e. mode of operation) of this kind of Crimes and uncanny similarities in the symptoms that the victims experience and the unaccounted for terrible health diseases that is afflicted through these crimes .. All kinds of harmful EMF radiations cause a great damage to human health and the Voice to Skull Torture is so intolerable and damaging.

3. SO ACCEPTANCE OF THIS KIND CRIME IS SO VERY IMPORTANT IN HERE.

So harping on these two points are very important :

1. ACCEPT THE CRIME AND IT'S WAYS AND MEANS FIRST ..
AND
2. ACCEPT THE VICTIMS AS VICTIMS IN DIRE DISTRESS AND PLEASE DON'T IGNORE/REJECT them as psychiatric patients or something.
4. The dangerous and damaging effects of this crime ..
5. The world wide press release on this kind of crime is given in the attached flier..
6. The measures/ resolutions taken by authorities to outlaw and remove it .. like

THE ACTION

The European Parliament passed a resolution calling for a worldwide convention to effectively ban all weapons for human manipulation (resolution on the environment, security and foreign policy A4-0005/99 January 28th 1999).

The UN Institute for Disarmament Research recognised non lethal/mind control weapons and listed them as weapons of mass destruction, recommending they be banned. This information was circulated to the worldwide media, politicians etc but was ignored.

The Michigan Govt. has outlawed it with 15 yrs of Life Imprisonment etc.

Other Worldwide protests, bans and activism to remove this evil satans.

I hope you got what I'm saying ..
Thanks & Regards, Deb Chakraborty

Would you please update my info in the torture Case Summary of Indians...Yahoo geocities site has been closed

It has reached an absolute dead end of torture for me in here ..Please send some activism mails to the "morons" to make them believe in the points I've mentioned earlier .. The Political parties and their purchased Police "gang" in here are taking absolute advantage and playing a "political-game" of sort , to justify it even more cunningly , for all evil casues, to the people who could have made a little difference in here...

Thank you very much for your kind activism for this cause, that has ruined lives of people like me completely and the psychotic criminals who are behind me in here in Kolkata, India, are cherishing and relishing the fact that they are just fooling the fools and foxing the fox very easily as there are very few in here who even talks about us and understands the dangerous & damaging torture.. I'm still alive due to God's Good Grace only, but that is only as of now..I don't know what's going to happen to me next.

I will appreciate any informations about lawsuit against these criminal, who has got absolutely nothing to do with any kind of research and are getting enough black money from illegal US & UK agencies in here to do this kind of psychotic crime & terrorism only in vested interest and out of jealousy & greed. I'm enclosing my torture

case summary herewith. I've got

a reply from International Criminal Court also in this regard which is very generic in nature.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am in Singapore. It all began in 2006, towards the middle, so it's 1 1/2 year now, judging by the number of media outfits involved, it will continue for 3 years since that is the requirement under tort law in common law countries for dismissed cases. I am being indirectly compensated since a lot of my studies have been indirectly funded (not that we need it, I think my 'scholarship' is compensation), but I think our family was duped, they got off far too cheaply after what they did due to their suspicions. Unlike so many TIs, my case was purely speculative and was completely wrong and they know it. Since they got my folks involved, there was no turning back on the compensation issue, I wouldn't even be surprised if I landed a comfy well-paying job easily after this with a paid-for PhD degree.

Let me also tell you about the system. Neuro charges are one-off data-packets, so whatever you feel in your head or areas of the body, it's one data packet per charge. When your muscle twitches, there may be two or three neuro charges. One in your head, the others in your body, hence you feel interactive with this thing, but it's still a charge nothing tangible and if you get spoken to, it simply releases a number of charges (one each) can be ignored. And you need to be sleepy and fatigued for it to work well, or very angry, I think. Just stay calm.

Instead of asking for help, there is a need for an international forum to inform TIs how to manage their lives with this 'intrusion'. You would be surprised how much of it all is simply 'clever' guesses of your decision-making after a while of study of you.

If you are one of those who have had the old tv interaction or feel followed, initially, these are genuine neuro impulses, but the BCI 'records' these neuro activities and all they have to do is re-play these charges to get almost instant results (2 metre effective range) - to make you feel followed, sad or even other more intimate forms of feelings. So, if you think logically, there isn't anything there - as if playing a recorded VHS on your neurons. And

since you are so convinced of the gravity of this intrusion, you do not recognize how small these things are as influences. So you keep going on and on how it's the NWO or whatever, when all it may be is some divorced loser upstairs or next doors playing to your fears. i just don't know where it's implanted, I think it's on the shoulder though hence direct access to your brain and spine. With a couple on your legs for those twitches. If you find out, let me know.

Trust me, it can be ignored. I have been doing so, in fact, it's very very primitive and *needs* your participation in the successful implementation of the ANN (artificial neuro network - google it). Your bugged appliances are only to tire your brain and make you sleepy.

So, if you can spread this message, about the correct terms - WBAN, ANN etc, it will do us all very good and the case, don't align this case with the 9/11 inside job conspiracies or UFOs, it will not help. We need to correct our own people before we make a fuss about it all, so TIs must learn to manage this before we co-ordinate our activities, imagine if you have PhDs making their cases to their respective governments after credible research? One fax will finish their little job.

It will do it all, but for now, we either find the evidence within, tangible evidence or simply help others manage this rather primitive technology. I am doing the latter, I suggest you learn how to manage yourself and then help others with information until someone knows where exactly this thing is implanted.

(p/s please take note that this little technology does induce fake schizophrenic me vs. the world syndromes. ANd with a couple of idiots making sure that you see them act purposefully, combined with what this thing does (replays your anxiety), you will get sucked in. Even a kid pointing at you will look like a convincing conspirator, ignore always. If they are serious, they will show themselves and then it's glory for all, I assume you'd whack their teeth in - because that's what I will do...)

Just ignore that damn thing.

I have more or less been in the position, it didn't stop me from completing my Masters degree and perhaps a PhD, next year or something. That's what is wanted from you, to pursue aimlessly like a headless chicken and make such scientifically unverified claims.

You are *not* hit by stupid government agencies, and there isn't any conspiracy theory. Read the paper, it's called a WBAN wireless body are network and these are mere neuron charges... that means they do *NOT* have prolonged effects. If you ignore it once, data packets will be needed to be sent again, and that takes a while. You are too conditioned and you do not realise these lags. It's not continues...

Live your life and stop wasting time running around aimlessly, they've won the battle having you embark on this mindless pursuit of 'governments'. It will never work, this help will never come. Because none of us a of the Ivy League.

You need money, that no one has at the moment, so explore and maintain your own defenses. That's all the help I can give you.

10/4/09 - Re: PLEASE SEND YOUR TORTURE AND ABUSE CASES TO THE INTERNATIONAL CRIMINAL COURT – use Reference: OTP-CR-70/07

I did send a email for your case to the officer, supporting it in terms of the common availability of this technology and emphasizing the need for a legal framework for this. I haven't received a reply, so most likely it isn't their priority.

Anyways your legal priority at this time should be not just your own predicament but firstly, you should prove the existence of this 'technology' and how it's available at *every* major university or engineering faculty. Then I advise you should then prove your case of how common and easy it is to apply this. Your argument should be that it's *common* not uncommon or rare.

You should then present your case with evidence as attached to you. There is usually a combination of available technology behind such cases - usually a combination of neurophone for sound perception and visual perception, and the bone conduction method for sound perception with a BCI and basic networks (nodes) in a wireless environment. It's very common.

Then there is the question of motive - where I advise that you reflect on your own case. The motive and intent, in law allows prosecution. In your case, if you state that the government or UFOs or whatever are behind your case, it's a loser. So, you should ideally state in your case that you have no idea, however, the legal intent has been to purposefully delay evidence for more than 3 years, as permitted by Aussie Law (Singapore Law is similar) in an attempt to obscure available evidence to evade criminal prosecution.

In a good majority, if not all of such cases, the reason is to distract individuals for 3 or more years until legally acceptable evidence becomes obscure and the court wouldn't accept them at all. Of course, along the way, since the idea is to induce artificial schizophrenia, the idea of a medical record will help their cause, in all cases is legal.

Good luck to you and hope you get something from this. The least you should do is get the court to help you contact a certified expert in this area (and engineering, I would suggest wireless WBAN, this is very easy to point to, you may be considered) and probably a medical examiner aware of this.. Your implants, as in all implants are on your legs (thigh and lower legs, two sets l/r), your upper arms and above your shoulder.

All the best,Raj

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

24/2/15

Dear Sir/ Madam,

This is a letter I wrote to the prime minister of India for his urgent attention to the brutal torture that we are facing for years through satellite technology. Please circulate it among al other victim so that we can make a concerted effort to eliminate this crime from the world. Please find the attachemnt herewith. Donot hesitate to contact me if you have any query or questions. Personally I feel the criminals are to flashed out from the world so that not only they but their generation after generation cannot dare to think of committing this kind of crime against any living entity.

LETTER TO THE INDIAN PRIME MINISTER

To,
Honorable Prime Minister of India
Mr. Narendra Modi

Dear Sir,

I would like to draw your kind attention to a specific case for which I and my family are being victimized since December, 2008. From visual spying of every details of my life, it was developed into an acute and continuous audiovisual spying with very specific shock response specific to my action and speech and it has been happening all over the world irrespective of my location in land or in air. I think this is happening with all my family members including my 7 year old daughter who is an U.S. citizen now staying in India with her mother. I have been working as an Assistant Professor in the department of Ceramic Engineering at NIT- Rourkela since 2011 and experiencing this torture continuously all through my working career at NIT- Rourkela. A brief detail of the features of the technology that is being used against us is given below.

- (1) Acute audio visual spying
- (2) Even a little bit of whisper from mind can be detected
- (3) Impulse can be directed towards the specific part of the body
- (4) Different kind of sensation like pinching, itching, hard impact etc can be given to my body that have gradually become very much specific to my talk, whisper and activity.
- (5) Can give pain even in internal organ of the body
- (6) Can suddenly give tremendous pain to my neck by bending, twisting and stiffening it so that I cannot erect it.
- (7) Can accumulate smell from one part and spray it to other specific part
- (8) Can control the performances of my brain. Can make me sleepless night after night.
- (9) Can attack me with different hallucinations and dreams during sleep because they might have a control over your visual cortex.

I believe virtually all symptoms are caused by a satellite connection with our brains.

In brief, they have virtually crossed all limits even almighty God cannot dare to cross. A 24 x7 hours of continuous control over anything that I talk, do and even think.

I do believe that if Government wishes to end this crime, there is no power in the world that can stop it from happening. After all, these are only evil sources with very weak mentality, those have no real power. So, common people even with ordinary brain cannot defend it. Above all, there is no motive behind this kind of hideous, horrendous crime. I also believe that Government should have a control over this kind of satellite technology, so ISRO might be helpful in this regard to detect and find the criminals. Also, if this technology is under the control of Government, the same can be used to detect the criminals. I can give you a suspected list of criminals in this regard and if this technology is tested against them even for an hour or so judiciously, one can easily go to the roots of the crime. Basically, ultimately it depends on government what way they would like to think on it. Whether we want to go to stone age, where men have no security from any attack from nature or surroundings or else we want to live in a healthy and secured world. Again resistance may come from different sources to mislead government into treating this as psychological disorder, but if anybody thinks wisely that so many people not only in India, but all over the world are being affected with same kind of symptoms and which has been classified and proved to be because of attack using psychotronic weapons, then one can easily understand the fragility of such evil resistance from evil powers. And also to treat this kind of odd and awkward symptoms to be of any psychological root is also a crime in itself. Hence, I would like to request you to consider the gravity of the situation which is no less than people losing his/her right to live, think and act with any kind of freedom and being tortured mercilessly and take appropriate steps to eradicate these evil sources from the earth.

Citizenship – Indian

Year I was tortured,mind controlled and harassed is 2011 -may 2013

I have been drugged , mind controlled,tortured and harassed by the national security agency NSA until I flee the UK to come come back to india. I was discredited as a psychosis patient by the NHS. The police facilitated my plight at times forcing me into house arrest and putting me into mental hospital. I know from colleagues and friends who told me that medimmune is responsible for employing the NSA . Colleagues tried to warn be about what was to come but in vain. I was so drugged and did not understand . I remember men coming into my room at night, they had headphones. On the last day my torturer came and told me the whole story and told me that "you will be awake from tomorrow". He told me about the involvement of NSA, about med immune hiring him, how my housemates were NSA agents undercover, and how I was hypnotised to keep my eyes shut in the night And this helped the NSA agents. When I woke up the next few months I felt mind raped, felt eyes watching me, believed people could read my thoughts and all my memories of what people warned me had come true. I went for help to the police but they only drove me to mental hospital where I was sectioned and imprisoned.

I was later framed by adding daterape drug and taking me to hospital. My story is very long.

Because the government agency is involved no one will help me. But as far as I know its a violation of my human rights. My story is very long. Men took advantage of my situation and now there are many sexual videos of me circulating.

Dear Sir:

I was working in Bahrain untill last July, I spent about 6 years there working as a genetic lab technologist at Bahrain defense force hospital, in Bahrain there is a lot of troubles happening over the revolution there.

I have press activities and I wrote many articles about equality and justice, one day I talk to one of my colleagues about corruption and injustice in Bahrain (all people working in head positions and other positions that do not need experience are relatives and there are only 3 or 4 familes there controlling everything and get advantages over all other people) somehow the hospital management know about that and they give an order to my Colleagues to chase me and to talk about me when I become near them (mobbing), they isolate me (nobody talks to me except if necessary) later they give an order to my neighbors too to start chasing me and spying on me.

After that I went to the dentist clinic in the hospital, it took me a while but I discovered they planted a small chip in a place of a removed tooth. Later on I found them knowing everything I am talking

about with my kids.

I resigned and came back to Egypt soon after the school year finished, but surprisingly I found the same treatment happening to me here, they hired somebody here again to chase me and spy on me and make strangers roam around me.

They never leave me alone they spy on me 24/7 and I have no idea what I had to do or who I can trust < I wish I can get your help

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of United States Government-related Agencies and the complicity, if not participation, of many other governments and security agencies.

I am a victim of torture and abuse using DIRECTED ENERGY and NEUROLOGICAL WEAPONS technology.

The criminal use of these on me are causing the following effects -

1. Heating my head when I am sleeping with the use of Electromagnetic Radiation and Microwave in order to destroy my memories and gain their what so called re programing again
2. Directing sharp concentrated microwave at my eyes to prevent me from sleeping whenever they don't want me to sleep.(which has left a permanent marks on my eyes)
3. Torturing all over my body again to clean up my memories and gain their mind control purpose.
4. Directing microwave at my hearth

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse.

19/02/08 -

In 1994 I went to Canada and 1997 they accepted me as a refugee. Not knowing what was awaiting me I thought that all my problems were over and I was going to live a happy life. Somehow for six to seven years the life went on as I was expecting, studying working and so on. In March 2001 the preps which I believed they are CIA and the CISS of Canada agents targeted me for the first time when I was living in Toronto, Ontario and that was the beginning of most horrible era of my life. First I wasn't sure what was going on but it started with horrendous nightmares every night, then I realized some people that were following me around, residing beside my apartment and coming to my work place before that happens were CISS and CIA agents.

After that I moved around and every 5 to 6 months I changed my apartment but they always targeted me and I only was able to run form them whenever I wasn't sleeping in my car or in my apartment. But from 2005 they never lost me for one minute and that was when the horrible tortures started, they were directing sharp microwave at my head that I had to remain still and can do nothing. I wrote a letter to Paul Martin Prime Minister of Canada at the time

and sent copies to my doctor and UNHCR but it reached nowhere. Later they increased the torture by directing sharp microwave at my eyes and ears. It was absolutely unbearable my eyes were turning red full of blood and I lost almost 1.5 of my sight. At that time I was working for a pizza store as a pizza maker and I found it impossible for me to continue my work there or live in Canada. So in April 2005 I left and went to India, unfortunately they reached me there as bad and the harassment continued, after that I moved to Iran to Turkey and U.A.E. but they are still torturing me. Sometimes they don't let to sleep for two consequent nights by directing microwaves at my eyes, abdomen and other parts of my body.

When I look back to see what went wrong and what was my mistake, I can't exactly figure out, maybe I shouldn't had gone to Canada and just had stayed on the stove instead of jumping into the fire.

I am not sure if they are tracing us by our DNA or there is an implant. There is a possibility of implant because when I am praying, running, playing soccer and some other times they are able to increase my heartbeat and even one time when I was x-raying my right foot there was and small object showing in the sole of the foot but when the clinic did another CT scan there was no trace of it, in which I guess they are able to move the implant around.

Why the torture us? Well, please read the enclosed document about a project called MKULTRA. You will realize that they used Electrical Shocks and LSD at that time to brain wash the victims, now they are using torture and electromagnetic radiation instead.

Your attention is urgently needed to halt these atrocities, protect me, and bring these extremist elements to justice.

This is an emergency.

Hello Dears;

You may heard my stories before but now they have started a new torture on me. Every night at middle of my sleep from 4 to 6 am they start burning different place in my body. It feels like a hot needle has been put on that spot of my body. Whenever I cover the spot that they are burning it with my hand or aluminium foil they immediately shift to another place in my body and they make me to suffer for 2 hours of that burning pain. What they doing is not illegal according to the U.S. law, because there is a Congress approved law which allows use of Electronic torture and chemical substances on human subject by the Intelligent Service for research purpose.

God damn them!

Good Luck and Freedom to everyone!

Dear All;

I am working in Dubai, few days ago I realized that one of the perps is watching me for few days. On Monday November the 17th when I was getting in the bus the same person came and lined up behind me, when I got into the bus I realized that my wallet which was containing my ID card was stolen, and that person has disappeared. The next day someone had broken into one of my Iranian client and had stolen his passport from inside his briefcase. Today again they had broken in the same car and stolen some copies of my passport. Anyhow I don't know what they are planing but I wanted to warn all of you to be careful and keep your IDs in safe place specially if you are carrying foreign IDs and passport.

CIA SECRET EXPERIMENTS.

It's the height of the Cold War and the United States government is desperate to combat the spread of Communism. The CIA launches a highly classified, top secret research program into the covert use of biological and chemical agents. In simulated attacks on enemy populations, entire cities in America are contaminated with bacteria, exposing millions of Americans to germ warfare. But the real focus of the research is on mastering the art of mind control. Psychiatrists at top academic institutions work under secret contract with the agency. Psychiatric patients, prisoners, even unwitting members of the public are exposed to a startling array of experiments designed to facilitate interrogations, induce amnesia and program in new behavior. Every psychological technique is explored, including hypnosis, electroshock therapy and lethal cocktails of drugs. What was the extent of these brainwashing experiments? How did the CIA become involved in such far-reaching and disturbing research? Join us as National Geographic presents: CIA Secret Experiments.

20/1/11

My Name is VincentGeorge, an engineering graduate from Bangalore, aged 45 years, I am married and have a 14 year old son. I have something to share with you which i am experiencing, I was in the united states during 1997-98, during this time some group of people used to follow me where ever I go infact the same group of people used to stay in the same hotel which i used to stay. my work involved too much of travelling depending about the project. i was working as a consultant for a software firm called Sahana Enterprise INC, which is a indian firm Located at Dallas(Texas), they have a company in Bangalore the name is Novell Team and the owners name is MalliSubbiah, who is now operating from bangalore.

During this time at one instant when i was in the hotel i had slept for nearly 24 hours during this time i dont know what happened, from the next day onwards I started listening to voices in my ears, some group of people conversing with me, they could sense my thoughts and converse with me, it was really surprising to me. infact i told so many of my friends about this but no one believed me. but i was mentally and physically alright. I was scared and returned back to india for a 15 day vacation. while i was travelling in the flight the same group followed me uptil bangalore and after i reached bangalore i went to my house and i dont know where they went, i was infact scared to ask them why they were following. but sensing my thoughts and conversing with me was still there. during my stay in bangalore there was a continous phone call to my residence as to come to virginia MCI metro as there is some urgent work. i was not prepared to go back but then the middle agent was forcing me to come urgently. after i went there the same group of people was there in that new project, i was not dare enough to ask them who they were.

Later I realised that they have implanted a bio chip into my body and sensing my thoughts and conversing with me, I was not given any work at the work spot but they were conversing with me remotely and also they started controlling every part of my organ both voluntary and involuntary organs, i became too scared and i wanted to

return back to bangalore(India), with in one month i returned back to india even while coming the same group followed me in the flight i came to india on july17th july 1998 after which i did not go to any country.

but till today that same conversing and torturing my body did not stop i have been suffering from 13 years from this problem, they are controlling every part of my body right from head till the toe, giving me severe pains and they threaten me of dire consequences if i tell this to anybody. I am basically a courageous guy just because of that i am still surviving, if any body were to be in my place they would have either become mentally retarded or committed suicide. they are not letting to do my normal work and interfering in all my activities and torturing, they can torture any part of my body by giving severe pains in any part of my body, they can blind eyes, make the ear deaf, severe pain in the head, they can pierce, poke and give pain to any part of the body, including sexual organs, they can control sleep and read dreams, they can brain wash and make lose memory, they can control metabolic activities in a body, they can paralyse hands and limbs, they say they can even see what I see through my eyes, I myself cant believe it, but I am experiencing this torture since 13 long years, they threaten me, they say they have invested lot of money in this research, and they expect me not to tell this out to anybody, all which I mentioned is a fact which is happening to me they have spoilt my whole life by torturing me and used me as a tool for their research and test. I am very sure these group is in bangalore and operating from here remotely, they talk to me in my ears clearly from a remote source, they threaten me that they will kidnap me and my family members if i dont heed to their request, they say they have very big network all over india and world so that they can perform any illegal activity, they also tap my telephone both my mobile and landline, they are able to interrupt and disconnect the calls, at one instant they interrupted and disconnected my outgoing and incoming calls 12 times continuously after speaking in my ears, they say their network is so strong in india that they can do anything here in india, they say they can tap any telephone network with the device they have, all that they need is the telephone Number of the person. They say they can interrupt any electronic network remotely which is connected via satellite. They say they have placed a bio chip in my body and they are able to read my mind remotely and control my whole body remotely. I have lots of supporting documents which I have downloaded from the Net, where such things are existing in the U.S. which i can produce when required where such illegal activities are still happening in the U.S. they target the Asian community for their research purpose, this is a serious matter which has to be investigated, otherwise there will be lot of such cases will happen in india by the Americans. they take indians for granted. the group of people who converse from a remote source are americans and two of them are indians one lady and one guy. they say mallisubiah is the person who act as a agent to supply candidates to them in the pretext of giving employment to them in the united states. and also i was given to understand that mallisubiah who is the owner of NovellTeam located on BTM layout Bangalore has provided the infrastructure and all the requirements in Bangalore.

Dear Sir, this has to be really taken seriously if left unnoticed there will be lot of such cases and illegal activities which will happen in our country by americans and foreigners, please do not take it lightly, I would like to need your assistance, how to go about fighting these evil perps..I will be grateful if you can provide me your valuable time to avoid such crime in the future.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Yemeni Blogger Nashwan Ghanem Committed Suicide Due to Organized Stalking Activities and Electromagnetic

Harassment

In mid October, 2010, Yemeni blogger and human rights activist Nashwan Ghanem committed suicide due to organized stalking activities and electromagnetic harassment. Having examined his blogs posthumously, I realized that he had suffered intensive organized stalking and electromagnetic harassment that forced him to death as a choice. The victim had described the organized stalking in his blogs. Some translated examples are the following:

1- "I have come back today from Sana'a through a very, very difficult journey full of intensive security stalking from one bus to another," 2- "The authority has used all methods of pressure it has and all ways of forgery and falsehood. It set up a military checkpoint in my area whose main duty is to chase me. Also, today, they chased me with Saudi-numberplated cars, with the handicapped and with military patrols," 3- "Any internet café I enter, its owners start to 1) turn up the loudspeakers to the maximum, and 2) open the windows of the café....Whenever I walk along the street or sit down in a cafeteria, all windows of homes get opened. What is this that happens to a blogger?"

Among his blogs, I found some which were, I think, translated for him into English. The following are some examples written here as they are:

"The authority had not exercised such a nefarious, such as pursuant to never do with my rights activist and writer blog!!

More cases every day, whether the task is not to eliminate this power only on the life of this human rights activist, It is playing a very dirty and the worst methods used to achieve the object

..And use all the pressure to have the papers, as well as exercise and a large-scale distortion to strike an alliance or solidarity with me! Crew did not stop the military patrols and not following me and all I have to say that it bears responsibility for what is happening to me" He had sent appeals to human rights organizations including Amnesty International. Please see this page:

<http://community-en.menassat.com/profile/3n41zgebk3zmw>

Nashwan was aware of these activities but he was wondering because they seem to be very strange and victims do not get support. He could describe them but could not name them. I believe that all this was done in coordination with the mind control/electromagnetic harassment which drove Nashwan to commit suicide with a rifle at his rural area after he was forced to leave the capital city of Sana'a due to covert harassment. He did not know about this technology and therefore could only describe the apparent harassment that he saw.

Nashwan was a communications engineer and a Yemeni blogger, well-known in the blogging community. I knew about him some time after his death through a friend of mine and started to read his blogs. I tried to outline some instances of his torture whereas he mentioned many forms of harassment.

The increasing number of suicide cases in Yemen is very alarming and many of them are believed to be caused by covert harassment and torture.

DEAR SIR/MADAM

Name: El Matili Hassan

Location: Morocco

I am writing this statement to report my experiences which began in France, in Paris.

My experiences force me to believe that I'm a victim of mind control experimentations. I believe I was implanted in the mental institution "Maison Blanche" during a consultation in Paris as I was homeless, depressed and hopeless.

In 1986, few months after going to "Maison Blanche" for just a consultation I heard on the radio a voice repeating my thoughts at the same time! First shock! (First experience with synthetic telepathy).

In 1988, I was gangstalked in Paris by red cars, too much red cars and white cars also, and people dressing in red and blue, too much people dressing in red and blue. It was crazy, everywhere I went I saw red cars but too much red cars, I could walk a lot and see those red cars, back and forth, honking and people walking dressed in red and others in blue, too much people dressing like that. People dressed in blue appeared always the first then those in red. One day I decided to follow them but as they came randomly and could come from anywhere to anywhere, I stopped walking and I took a look around me and I saw few people in blue, so I followed them and suddenly the numbers of these people dressed in blue increased and were coming from anywhere. I was surrounded by people in blue in few minutes. It was really weird! Then people dressed in red appeared so I followed the first ones in red and then few seconds later I was surrounded by people in red like with the blue ones, at the same time people in blue lessened. I saw also red cars honking. I was so confused, I was never surrounded like that by so much people dressed in red and blue. I wished I had a cam at this time to record that.

Before my targeting it was not a problem to see red cars or people dressed in red and blue. I even liked to see red cars especially beautiful red cars deluxe. Seeing people dressed in red or blue was not a problem either. The problem was that during the gang stalking there were too much cars and too much people in red and blue. Something was wrong, weird, it was not normal, it was not like before when I saw only times to times red cars and people all dressed in blue and others all dressed in red. There were also some gestures, always the same gestures repeated, too much times too. It could not be a coincidence. Weird gestures like sticking out one's tongue or looking at their watch or staring at me and also looking back at me, people who before me were looking back at me. The frequency of all this was too much for me!

This confused me so much, it was really weird and it really freaked me out! I was so confused, like I was in another planet where everybody was watching me constantly. This was very bad and hard to live with this especially as I didn't know about organized stalking and surveillance and mind control.

This organized stalking/street theater and surveillance lasted few months in Paris, France.

In 1989 in Morocco, I was gangstalked the same way that I was in Paris, with red cars and people walking in the street dressing in red and others in blue and it lasted few months too.

That street theatre with red cars and people in red and blue was created to make me feel a sensory disorientation and also increase paranoia, anxiety, despair, distress.

I think also they were observing my reactions, in order to make a profile, a pattern of my behavior...

Here are some of the symptoms of mind control I have to bear (it's based on a survey I did, so I took the technical words like synthetic telepathy and I describe them by giving some example of my own experiment the best I can):

A) Synthetic telepathy:

I have voices in my head but voices also around me, both done by v2K (synthetic telepathy), I guess. About the voices in the head, I have different voices of different intensity from the lowest level (for example when they can even mimic my inner voice) to shouting (when they shout in my head with their voices). The first years of my targeting (I consider the first years of my targeting from the first year to the fifth year or even more), it was really bad (in fact it still too bad but I get used to, I adapted), they were talking non-stop without stopping one minute (crazy!), like they wanted to not let me think, feel and be, to take over my mind, like a non-stop invasion/rape of my mind to make me go crazy, break me down and on and on... Now it's the 25th year of my targeting and they talk time to time in my head not like before non-stop without stopping one minute but still constantly everyday and night. They prefer when I'm tired, before sleeping and after waking up, when I'm weak after physical assaults also. But also I became used to the v2k, I've learned how to ignore it and I've a lot of practise in ignoring though it's not easy to ignore really. I cannot ignore totally, it's impossible, it is rather like not paying attention much as much as I can. But also maybe my perps reduce the v2k in my head because as mind control is a process, I'm in a different stage, different than the first years. So in comparison to the first years they reduce the v2k in the head but they didn't reduce the voices around me (also done by v2k).

About the voices around me, they use many tricks with their v2k to make me feel like everybody around me know things about me and even could read my mind. They use people's voices for their tricks, people I know (family, neighbors, friends..) and people I don't know (strangers in the streets or everywhere I go). My perps make me hear people talking about private things that only I know, things I've done alone, for example and even thoughts. It's a trick to make me feel like people is talking about me, know some stuff about me and even can read my thoughts.

For this I think perps use people's voices around me and put their words on it with their technology.

There are several kind of tricks they use. About the thoughts, it's like my perps broadcast my thoughts around me at the same time so I hear people's voices around me repeating my thoughts at the same time (I think it's a kind of broadcasting because it's sooo fast!). About things I've done, my perps use people's voices around me to make me hear people saying words about things that I've just done for example. And there is no coincidence because the same words about things I've done is repeated too much times and in different places the same day. They do the same with TV (also the radio but I don't listen much radio anymore), most of time on films, using the voice of actors to make me hear voices from the TV repeating my thoughts at the same time or words that perps want me to hear. My perps make me hear voices during my sleep also. In that case, when I'm asleep, I feel like it's kind of hypnose. They can also make me hear any sound, the ring of the door for example, they did it to me several times while sleeping.

In brief my perps can manipulate any voices around me but also any sounds (from for example TV, radio, the running water, music, a dog barking), awake and also asleep. And they can talk also directly into my head.

That is basically my v2k (synthetic telepathy) in its many and various forms.

B) Sleep deprivation: Though I need to, it disrupt my rhythm of life. It's sounjust, I suffer so much and I can't rest, even sleep, they are so inhuman, evils, with their brain interface machine which never sleep.

C) Seeing dots of light white, red, blue that don't let you find sleep accompanied sometimes with sleep deprivation, sensory deprivation and hearing voices. Let me tell you something about sensory deprivation, it makes me unable to feel, understand also, for example, listening to the news on TV, when it suddenly happens, I feel nothing, I just can understand the news, even the things around me at home I can't feel it, so strange, horrible feeling, like I am not human anymore.

D) Seeing holograms: it often start with those dots of light, the white one, then as I am focus just a little bit, against my will, on these dots of light it takes shape, threatening shapes, frightening shapes; that's makes me shout inside. It moves, it's like a cartoon, a nightmare-cartoon. Actually they don't send me dots of light, they send directly frightening pictures as I want to sleep with these techniques, no more shape, but faces, frightening faces and it comes suddenly and rapidly, the picture doesn't last, it appears suddenly and disappears rapidly, I guess the mentally ill perps are watching my reactions at this moment, I think also that perps don't need no more of those dots of light to create their holograms, now dots of light, blue or red, I see them just only on day.

E) Sleep induction: Though I don't feel the need, often accompanied with itching inside eyelids, disrupt my rhythm of life and prevent me to make activities when I feel the need to, perps just want to break my life.

F) Controlled dreams: It's a dream but not a real one for me, it's like the quality of the picture is not the same, hard to explain, unpleasant dreams sometimes nightmares. For example when they makes me dream hands in white medical gloves touching me, (just white hands, I've seen on the net that hands is a symbol in mind control and free masonry) this controlled dream of hands in white gloves makes me moan first and then shout, then I wake up and it hurts on the back of the head and on the back of the neck and I feel so exhausted that my day have even not

begin yet that I'm already tired. Also as I wake up I feel like a zombie and it can last until the rest of the day. Sometimes when I wake up like that, the perps control my body by motor control, they make me walk (at home), move my arms, my head, my eyes, my tongue, so as I'm so weak they play with me like they play with a toy, a robot, a zombie-robot, I call myself sometimes ironically a robot in Rabat (Rabat is the place I live now, the capital of Morocco). Controlled dreams and electronic dissolution of memory caused me osteoarthritis of the neck, one morning I felt like I couldn't raise from bed; it was like my neck was concreted. When I saw the doctor he told me after x-ray that I get osteoarthritis of the neck, it was in 1996. Actually they make a lot of controlled dreams with electronic dissolution of memory, by controlled dreams they can see my reactions on situations they create, but also and this worry me a lot, I suspect they look for a way to program some shit during these controlled dreams, but with the electronic dissolution of memory I can't think and remember well. Also each time I wake up after controlled dreams I get severely bloated.

Since several years the perps do the controlled dreams and electronic dissolution of memory during my sleeping, then I as wake up it hurts on the back of the head and on the back of the neck and I feel so exhausted that my day have even not begin yet that I'm already tired.

One morning I couldn't raise from bed; it was like my neck was concreted. When I saw the doctor he told me after x-ray that I get osteoarthritis of the neck, it was in 1996.

Controlled dreams and electronic dissolution of memory caused me osteoarthritis of the neck.

G) Forced memory blanking: That makes me unable to remind what I want to say or do in a short lap of time, even simple things like "good morning", for example. I remember, when I was salesman, after ringing at the door and as the person opened it, my mind had a blank, I was unable to say a simple word like "good morning" and "I'm a salesman of the society ...". I just stayed in front of the person without saying a word, finally I said trembling "Hi ...". It happened suddenly, when she shut the door, I cried in the stairs. Other example, when I'm typing on pc, suddenly I'm unable to remind what I want to type, it's like time has stopped, everything 's gone, just nothing left; very shocking, it's feel like I don't exist, helpless.

Actually perps attack me a lot with electronic dissolution of memory especially when I wake up after controlled dreams so I can't remember what I was dreaming and it causes me loss of memory, pains on vertebrae of the neck, headaches and I feel always like a zombie, I think they want more control by losing memories and also they don't want me to be much active on forum for example but also and it's an important point by controlled dreams they can see my reactions on situations they create, and also and this worry me a lot, I suspect they look for a way to program some shit during these controlled dreams, but with the electronic dissolution of memory I can't think and remember well.

H) Rape: While sleeping, perps controlling my hand by motor control masturbate me then I wake up finding myself in this humiliating situation with sexual arousals controlled by the evil perps, I remove my hand but they replace it very fast and masturbate me again, this repeat several times; if I dress up the trousers, they take it off, this is repeated several times, if I go to take refuge in prayer, they continue to masturbate me by motor control in the prayers so I stop praying, if I take refuge in reciting the Koran, they rape me again as I have the Koran in my hands, so humiliating! I'm not that mad to the point I do this by myself with the Koran, believe me perps rape me literally, it's horrible, and you what? Because prayer and reciting verses are so helpful, it gives faith, peace, light, strength, patience, wisdom and the perps know that and they don't want it. So after the perps rape me, if I go out I heard people's voices taunting me but I try to keep calm and think, it's "synthetic telepathy" that makes me heard their voices by morphing.

Forced body motion or motor control also in sport for example, great acceleration while cycling, also while warm-up exercises (arms and legs), it injured my chest during arms exercises in 1992. Forced nudging also. Severe sweating while practicing sport, believe it's not a normal sweating as I was used to, it's very abundant sweating, very unpleasant and very disturbing.

Electric shock sensations: it happens while I'm sleeping or about to, it occurs on the leg, that's make my leg blench.

They can also make me defecate with motor control at anytime they want, I assure you they love to play with shit, they make me feel the need to go to the toilet and when I go they prevent me to do what I need, now as they play this game with me, I think "to shit or not to shit?", for example as I put the hand on the door handle of the toilet they make me feel as I don't need, so I think "not shit", so I don't open the door and I go for something else but again they

make me feel the pressing need and I come back to the toilet and as I am in front of the door, they remove the need (the shit which was about to go out) so I am about to go for something else but again they make me feel the need, all this in front of the door during few seconds, that's why I invent this expression: "to shit or not to shit?", I invent this expression also in order to keep calm and with the sense of humour it helps. So to play with shit I think they control some organs of my body in relation with the shit and farting... intestines, sphincter?

D) Forced speech: Perps makes me speak out loud. Words, sentences come out suddenly from my mouth. One day I decided to prevent this, it feels like words are about to come out from the inside, words which are not mine, so I didn't want to let them out, to say them; I was feeling like the words were in the brain then in my mouth and I made big effort to prevent them come out, it was like I clenched them between my teeth, it works but for few seconds only, the moment I let up, the words suddenly come out and I couldn't do nothing to stop it. This day I made several attempts with the same results, at the last attempt even squeezing myself words, sentences come out, there were nothing I could do against this, they proved me they can beat me, that's turned me crazy, hopeless and helpless. Since that day I let them say their shit and I respond them "go to hell" or "f... u" or sometimes I just say nearly nothing, I just let it pass. At a period, I discovered a very simple thing that helped me a lot, I simply name the phenomenon when it occurs so when I heard voices, I said to myself "synthetic telepathy», when they forced me to speak I said to myself "forced speech». That helped me keep calm, so they stop or they continue a little bit to play with me before they stop for a while. Calm and patience. Thanks God. Now as I said on A) I don't need to name these phenomenon, I just ignore or say "go to hell".

The contrary of forced speech: Removing the voice, breaking it, for example, sometimes when I recite the Koran, they stop my recitation by removing my voice; it's terrible to get one's voice removed abruptly; how many people relieve themselves of their suffering by singing, especially singing the words of God, of His prophets, imagine black people seeing their one's voices removed while singing the blues on slavery days, what could be the results?

Also the contrary of removing the voice: Raising the volume of the voice, also change the modulation of the voice, so disrupting.

J) Distortion of facial: I remember they did it each time I had one's photo, it makes me suffer and I have to fight against these distortions in order to look good on the photo, almost make me cry after the photo.

K) Forced movement of jaw and clacking teeth: It happens to me a lot after swimming, you may say it's normal but it was too much, really too much! Too much intensity, it lasted too much, it is very unpleasant, I couldn't have a normal conversation even long time after swimming.

L) Itching inside eyelid: it occurs often before induced sleep also on pc, TV and also in any activities at anytime.

M) Ringing in the ears: It hurts very much, many times I felt pains in right with or without tinnitus.

N) Wildly racing heart without cause: it happens sometimes before I start speaking serious things at work or with subjects I disagree or when a problem occurs, it increases abnormally and considerably and make me feel very nervous and irritable. Also in jogging, football, when I was practicing a lot of sports (now I just swim), also while sleeping, it hurts so much, I hate so much when they attack the heart.

O) Overheating, it weakens me, makes feel tired, feel big fatigue, don't let me do intellectual works.

P) Sudden headaches, "hot needles", pain, itching on genital area and on the body. Perps induce also emotions like anger, fear and irritability

Q) Attacks on organs like heart, bowel, genitals, crotch

Here's a reply to a site where I sent my statement
About eating, no I don't eat very well, how can I as my life is a chaos so feeding is in disorder also. What they do to me sometimes is to make me feel insatiable, by this they want me to eat a lot so I'll feel heavy and lazy, they do the same with smoking, I smoke one and I feel the need to smoke another one, if I smoke it I feel the need to smoke again, three in a row, they create the need, the sensation to push me to eat a lot and smoke a lot but as I know it's them who are doing this to me, I stop eating when I feel this sensation of insatiable desire, they do this to push me to damage my health, as all the aggressions they do with their machines are not enough. For them everything is good to destroy me and destroy myself.

"You may ask how are you sure it's them who do this to you?"

Because of the repetition, as they repeat their attacks so much times, and you know how much attacks are repeated in an harassment, an innumerable number of times, to make pressure on the victim, they repeat and repeat constantly their aggressions, so I've learnt to recognize it, the sensations they induced even those which are well hidden like induced thoughts in synthetic telepathy for instance.

They also make me fart a lot thus I get always bloated a lot because of this.

They also make me defecate at anytime they want, I assure you they love to play with shit, they make me feel the need to go to the toilet and when I go they prevent me to do what I need, now as they play this game with me, I think "to shit or not to shit?", for example as I put the hand on the door handle of the toilet they make me feel as I don't need, so I think "not shit", so I don't open the door and I go for something else but again they make me feel the pressing need and I come back to the toilet and as I'm in front of the door, they remove the need (the shit which was about to go out) so I'm about to go for something else but again they make me feel the need, all this in front of the door during few seconds, that's why I invent this expression: "to shit or not to shit?", I invent this expression also in order to keep calm and with the sense of humour it helps. So to play with shit I think they control some organs of my body in relation with the shit and farting... intestines, sphincter?

These games they play (with the shit and farting) make me get bloated very much, always.

As I speak about "getting bloated", there is another thing that makes me getting bloated very much too, it's controlled dreams, each time I wake up after controlled dreams I get severely bloated even more than their shit games.

Those things above I didn't talk about it in my statement because it's ridiculous but I'll add it next time and you can add it on my statement on controlled dreams as an effect, and on motor control because to play with shit I think they control some organs of my body in relation with the shit and farting... intestines, sphincter? Sorry for all this scatological stuff.

Here I add something about me in Paris and how that shit began:

In 1986 as I was homeless and out of work, I was living in the streets in Paris (FRANCE).

One day as I was depressed and searching for help, a social worker takes me to a mental institution for just a consultation, at Maison Blanche, I remember that after the consultation, I woke up alone in an empty room, ... I was just coming with this social worker in a hospital for a consultation, and I don't know why I woke up in an empty room!?!? So I was asleep and I felt like I was under general anaesthetic before or after surgery.

What I've noticed is that the ride was a little bit long, as there is a famous psychiatric hospital "hopital de Charenton" just in our district and also "un hopital de jour" literally "a day hospital" of this famous hospital in the district I was living..

Doesn't a social worker know persons in many institutions? Why "Maison Blanche" which was quite far? Just only for a consultation?

Anyway, I trusted him ... if only I could remember his name.

At Maison Blanche, I remember that after the consultation, I woke up ... something isn't it? I was just coming with this social worker in a hospital for a consultation, and I don't know why I woke up!?!? So I was asleep, no? That's the strange point.

How I woke up was stranger so far also to me. My eyes were literally flashing, like I had a light of high-intensity inside my eyes. It was the first time in my life and the last until now I felt something like this with such intensity. I've never felt something like this before, never, except one thing, the only one sensation that I can compare to this, it's just the moment before I fall unconscious under general anaesthetic before surgery.

I didn't know how many times I was unconscious, I was like "groggy" and I didn't wear watch and there were not cell phones at this time.

So after I woke up, the doctors said to me that I have to stay in the hospital but I refused and I said to the social worker that I didn't want stay there, so he helped me to leave, he said to the doctors something like "you don't have the right to keep him in the hospital against his will. ». The doctors were insisting so much for me to stay that I was grateful to the social worker who didn't abandon me in the hospital, so we left "Maison Blanche" the same day.

Now I don't think the same and I would pay the price to remember the social worker's name. Chris, you may think I've wasted a lot of energy to talk about Maison Blanche and the social worker but I don't think so because the first thing I wanted to show, even if it is well known, it is that some social workers are involved, and it is terrible, especially for a homeless person, we trust them but they betray our confidence. The second thing is that anyone can be implanted very fast, just few minutes, and it was in 1986, how about now!

So one day, few months after the consultation at Maison Blanche, I didn't remember exactly when but it was in 1986, as I was listening to the radio in a squat I was living in, I heard a voice coming out from the radio saying what I have in my mind at the same time. It was a big shock!

I will always remember the name of the radio station, it was Skyrock.

At this time, I was on probation for minor offences like stealing in shops (I never attacked someone or betrayed the confidence of someone because I really hate that, really! You can check, my police record, I was not a so bad guy, I made mistakes of youth that's all and as homeless, without work I was just surviving).

But the big mistake I made (which was not an offence) was to tell to my probation agent about the hearing voices, I wanted him to help me and see if he was aware of some stuff like that, at this time I was saying that I have a machine in my mind.

As each time I met him I told him about the machine, He decided to intern me in a mental institution, so police came into the squat and take me to the hospital, this time it was not at "Maison Blanche" but at the hospital of the district where I was living "Hopital de Charenton", that's why I told you about it (It's the famous one from long time ago but it changed its name now and its name is "Esquirol").

I was interned eight months from October 1986 until May 1987, the diagnosis of the doctors was delusional disorder, they let me leave the hospital in around May 1987 at the condition I had to leave France and go to Morocco, I accepted against my will, I didn't have the choice, I wanted to leave the hospital where I was in a deep distress and hopeless, it was like I fell in a deep hole where there is no time, severely drugged.

So when my father presented the airplane ticket to the doctors, they let me go.

I came back to France in Paris around September 1987 where I lived in the street again, seeking for a job and a decent room without success, I stole again in shops to survive or went to charitable organisations where I lived also few months or even just few weeks because it's the rule, you cannot stay more than three months or even for most of them only two weeks.

I took drugs not only hashish or marijuana as I used to but also heroin, it was new for me but at this time a law was voted which considers the consumer as a criminal (I wasn't aware about this law).

One day policemen found on me just only one dose of heroin and I was imprisoned three months for consumption of heroin! The judges condemn me to three months of jail (proof that I was imprisoned for consumption) and the obligation for me to leave the territory and the interdiction to return to France two years, they also suppressed my residence permit (my nationality was Moroccan not French). Without my residence permit I couldn't go to the other country of Europe, like Belgium where I have family, I could only go to Morocco but I didn't want to go there.

What I said about this law is true, at this time (1988) this law considered consumers as criminals and it was the minister of the interior Charles Pasqua who proposed this law to be voted. But just one year later, parliament voted to suppress it because it was a very unjust law, but for me it was too late though I made a petition for reprieve to get back my residence permit.

So as I made this petition to get back my residence permit, I stayed in Paris as I couldn't go to other European countries and I didn't want to go to Morocco, living in the street.

It was at this time that I was gangstalked. Red cars, too much red cars and white cars also, and people dressing in red and blue, too much people dressing in red and blue. It was crazy, everywhere I go I see red cars, too much red cars, I could walk a lot and see those red cars, back and forth, honking, making street theatre, and those people walking in

red and blue. One day I decide to follow them, nearly all the people around me was wearing only blue and after I saw more people but dressing in red, I assure that people dressing in those two colors were more than people dressing commonly.

Later policemen take me again to jeopardy for not having papers (they found my Moroccan passport this time), judges condemn me for staying illegally in France and for not leaving it, so they condemn me to go to jail three months again with renewal at the border and the interdiction to return into France seven years. Seven years plus the two years, nine years without returning into France, the country of my childhood and teenage, I lived in France from the age of two years old until the age of 23 years old.

As I arrived into Morocco, I was gangstalked the same way that I was in Paris, with red cars and people walking in the street dressing in red and blue.

That street theatre with red cars and people in red and blue was created to make me feel a sensory disorientation and increase paranoia, anxiety, despair, distress.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

2/6/13

Starting in the middle of 2004, I was tortured by American security intelligence agents. This process of torture and harassment has taken a toll on me physically, psychologically, and emotionally. A method of electronic interrogation and surveillance (of which I never knew existed) was used against me.

Sometime in 2004, someone moved into the apartment above the one in which I lived with my two daughters and started a 24-hour electronic surveillance on us. We began to notice that whenever we went to use the bathroom, we heard soft steps walk to the same direction above us. This person stood right above our heads watching us do things that are meant to be done privately. The situation caused my children and I great humiliation. I started turning off the lights when I went to the bathroom and asked my daughters to do the same.

Gradually, we also began to hear strange noises coming from the door. The lights would go on and off (without anyone touching them). Electronic systems—television, computer screens—would display strange messages i.e. “try that game one more time” or “do you think I’m in love with you.” This unnatural phenomenon made us nervous and built tension amongst us.

Later, at nights as I slept, I would hear a humming or windy noise in my ears. A male voice would then begin interrogating me. I was put into a sort of hypnosis state. The voice would ask questions such as: “Who are you, Birgitta? Why did you change your name? We received information about you from numerous sources saying you are not who you claim to be.” I found myself responding automatically without opening my mouth to say a word. It was all done mentally. This was a new interrogation method that I found very scary. The electronic interrogator called it “Truth Serum.” He told me he could read my thoughts and there was nothing I could hide from him. At the beginning of the process of this strange interrogation method, he said: “Central intelligence information gathering. Bridget, you got yourself into a rot. You like to be of help to people, don't you?” I thought this was justified because of the 911 incident and yes, I would like to help these people any way I can if this was the method required to clear me of the rot I got myself into.

This, however, was not a process to clear me but rather to torture me as night after night for months on end, I was

interrogated and deprived of sleep. He would show me images of people I knew from Nigeria and ask questions such as: "Who is this person? How did you know him/her?" It was relentless and I thought I might as well kill myself when I couldn't take it any more.

I was woken up several times during the night (while crying and desperately trying to sleep) through different methods. Sometimes, I woke up with a racing heart because something or someone was chasing me in my dream. Other times, I woke up screaming "STOP!" as I felt electrical currents running through my body. I was being shocked while I slept and woke up jerking like someone having an epileptic attack. Still, other times, noises like the droning of insects or the wind whistling would disallow me from sleeping. Other nights, I was kept awake all night long by the voice pounding me with questions: "We know who we are. Who are you? Do you hate Americans? You are not better than us. We can kill you with our bare hands. Nagasaki, Hiroshima, see what we can do." I felt like I was being crushed by a caterpillar.

I was sexually raped. At night while sleeping, the muscles around my private area would begin to expand and contract (pulsate). This pulsation would start slowly then rapidly. It would stop for a few minutes only to resume. It was as if a depraved individual was playing sexual game with me. Sometimes, this process would be done to me anally while the voice said degrading things like: "dirty dog, loose," (showing me an image of a dirty, skinny, brown dog on a street). Other times, while electronically raping me, he'd make not only sexist remarks but also racist ones (I am half Swedish and half Nigerian). "How do you like your meat, white or black?" "How do you like your hamburger, big or small?"

I was told that my thoughts were anti-American and they needed to change my thoughts. "We monitor your thoughts. We do not like the way you think. You are living on the edge of insanity." The same process that was applied to my private area to cause pulsation of the muscles was applied to my mouth to cause excruciating dental pain. The nerves in my gums would expand and contract causing excruciating pain that I thought I would die. Then, the voice would say something to the effect that if I harbored good thoughts, I'd feel pleasure. But if I harbored bad thoughts about America, then I would feel the pain in my teeth. I have lost two teeth in similar locations on the bottom set as a result of this process.

My dreams were controlled and I was psychologically tortured by them. I woke up at nights with a racing heart (thinking I was about to have a heart attack) after being chased by a half man/half monster. My dreams were meant to cause me psychological fear. In one instance, I saw an image of a woman wearing a loose-fitting, tattered dress. She had on a big hat and as she walked down the street, dragged one foot after another. She looked disoriented (a message of madness). In another, I was in a mental institution and was told that I would not be let out for 5 years. Yet, in another dream, the experimenter showed me an image of a coffin and told me I'd be returned to my country in one of these.

Day after day, I endured verbal torture: "Cockroach, what are you looking at?" I'd hear out of the blue. "Monkey." "Foreigners are leeches." "Kunta Kinte," followed by an image of this newly-captured slave in handcuffs walking down a grassy hill towards the ocean. I walked around with a brain that burned and felt like a balloon overfilled with helium. He said my brain was my asset and they would destroy that asset. Sometimes, I felt electrical currents run through my brain in a zig zag fashion. "We are burning your brain. We are feeding you drugs," I'd hear the mad scientist say. He'd proceed to show me the image of a vacuum cleaner and say something to the effect that I had too much junk in my brain and needed to keep it simple. He used words like compress, decompress, reprogramming.

My torturer communicated with me as if we were sitting down to a cup of coffee and having a conversation. He gave me various reasons as to why I had been selected for the "Program" as he calls this process. "You made old men look like fools. Blame your parents. Your father was a political enemy. Blame your mother. She played with big boys. You crossed the line of no return. You stepped on someone's toes. This is an experiment. I am white. You needed to be taught a lesson." On and on, it would go till I thought I would go crazy. My children were used to cause me fear. He'd say if you don't do this ..., then would show me an image of my older daughter with tears in her eyes.

This torture went unabated from 2004 to 2009. In 2009, the pressure decreased. The white experimenter (as he called himself) said "change of guards." He showed me an image of a tap gushing with water and a hand slowly turning off the tap (the volume of water, decreasing).

This process has destroyed my life, consequently, affecting my children. The torture has not completely stopped

(eased somewhat). I sleep a little better now than before. However, my thoughts are still constantly monitored. Images are run through my mind. Sometimes, it's of me homeless, sleeping outside on a street. My head hurts constantly. My privacy and dignity as a human being have been stripped. I feel violated beyond understanding. Every day, I feel pressure in my head like a kettle over boiled. I can't make decisions because my thoughts are hindered. It's as if there are blocks placed in my brain. I feel that my brain is under a 24-hour attack. My independence and freedom have been taken away from me by people who profess to believe in God and freedom.

I ask simply for help; that my case be looked into and that this torture be brought to an end and my life restored. I ask for justice.

Birgitta Abimbola Heikka.

Thank you for replying to my email so soon and also for the valuable information you provided. This has been a hazardous (I really mean that) journey for me. I have been living blindfolded not since 2004 but since the day I was born. I'm emailing you a short bio in a student's newspaper "The Quaker Quips" done on my father when he arrived in the United States in 1949.

I was targeted, I now believe, for their mind-control program since I took my first breath on earth for two main reasons: The first being that my father's writings in the student's paper (he worked as a columnist whilst studying at Wilmington College, Ohio) were deemed political and anti-American. It was during the Cold War and he was critical about a lot of things going on. The second was my mother--a Black woman (from Nigeria). Well, what a match. Their reasons for attacking me were both political and racial.

I have memories from childhood. I remember getting my hands on a book (I was perhaps 8 or 9) titled: "Sex is a Nigger." Someone put this sort of trash in my way for a reason--to demean my other half in my mind as nothing but a sexual beast. They used my dual race to confuse me, thus manipulating my mind through the years. I also recollect two incidences at about age 6. The first was seeing a lion at the door of my grandmother's room (where we both were sleeping) and I remember whispering in my sleep for granny not to open the door. It's meaning is now clear: "You are a hunted animal." The second incidence happened my first year in the boarding school (same age). I always had a Bible under my pillow, opened to a particular Psalm page. (My grandmother was religious). One night whilst trying to sleep, I saw the image of the devil (the common picture of the four-legged hairy creature with tail on his knees wobbling). Well, he wobbled his way to my bed, reached through the pillow and tore off the page where the Bible was opened. I remember being frozen in bed with fear (can you imagine that happening to a child!). The surprising thing was when I woke up in the morning, the Bible was actually torn on that page!

I was an MKULTRA subject (perhaps still am). 911, a cruel tragedy, was a ruse to torture me. They knew I was harmless and had been under their radar because of my father. These vile people have done such horrible things to me.

I wrote a book. You can read a 15-page preview at the following site http://www.bookstandpublishing.com/book_details/Birgitta_A_Life_Wired. I'm sorry I wrote it while being tortured so my tenses were not quite correct. But, I guess some people know what I am trying to say.

Thank you so much, John. I will start to contact the people you listed.

Sincerely,
Birgitta Abimbola Heikka

Kuala Lumpur, 24.02.09

Subject: A REQUEST FOR MEDICAL, LEGAL & INFORMATION ASSISTANCE TO SECURE RELEASE AND HUGE COMPENSATION: A COMPLAINT ABOUT ORGANIZED RELIGIOUS, POLITICAL, SADISTIC & RACIAL PERSECUTION AGAINST ME BY DANISH-LED INTEREST GROUPS APPLYING FOLLOW-TECHNOLOGIES (MIND WRITING/READING) AND OTHER MEANS:

DOUBLE NATIONALITIES: SOMALI ON DANISH PASSPORT

I have now been living in Kuala Lumpur, Malaysia, since January this year coming from Somalia via Yemen, where I started a Master Degree Course at the International College of Open University of Malaysia, a joint programme with University of Science and technology, Sana'a. I am here to complete my postgraduate studies and to seek a solution for the above stated medical and legal cases from all assisting parties Allah Willing.

I left Denmark about twenty years ago to Somalia where I lived during the long period of no central government, something which made the above stated persecution possible. The reason I left Denmark was that, being a refugee there from 1980, I tried to remain Muslim and in contact with Somalia and its interests. This did not please my hosts and as I tried to study the history and any possible solutions to the Horn of Africa killer conflict, local (with probably external) interest groups who were interested in the Horn of African Affairs got interested in my affairs and my study up to the extent of my elimination.

If I left to Somalia in 1989 up to this day they followed me with bugging and/or listening (Mind Writing/Reading) technologies IN AND AROUND ME with live broadcasting of infamy against me to all and specially people around me to incite conflict between them and me, the objective of which is my elimination by designed and remote-guided violence. As a cover for their multi-motivated elimination, they lie-fully stamp on me acts none of which is mine while they in reality messed with me, my life, my religion, my race, entire humanity and the peace & human rights project I was doing for the miserable masses on the Horn of Africa Region. (Please see 1982 Annual Report of the Human Rights Internet, Chapter on Africa: A. H. Mohamed in Copenhagen; and type : "amiirdaljire" in google search to see the "peace & H. Rights activism" they are opposing). The International media (Radio & TV) call me the CODE NAMES: THE BOY, THE SOMALI LEADER or QA'DU SOMAL though I lead none!

My case has a lot in common with the following cases being described by other victims of the same technologies:

30/03/09

Dear Sir,

It is too late someone is beginning to act but is better than never. After the same criminals you discuss started their public, multimotivated elimination campaign against me the world welcomed with cheers and applause. but That should have been the end of denials of the existence of this lunatic, barbaric and classic criminology. I wonder why you still talk about "disbelieving the victim?" Have they not openly used every secret weapon? Mind Writing/Reading, Implantation, LSD, Hormone misuse, Electromagnetic Waves, Telemetry tow-way communication via satellite both at the individual level and at the global level (talking to all in the world at one go, and more.

I got a bigger share and have been made a source of massive "white laughters/applauses" amid instructed and obeyed denials the international public covering for the criminals, and I never noticed any activists like you denouncing it! Better late than never. Now, I need many things. One of my first needs is that I get a sponsorship for reaching the below given source for Testing and defence system, since I can't afford financially. It might cost about 15-20,000 US dollars followed by necessary actions arising from the results of the test confirming the crimes. MD-Spec,119 Whittier Dr.,Kings Park, NY 11754, (631) 360 1557

Another urgent need is identifying the criminals who make their crime public, their work station and the satellite/network they are using, and more data and support. If you invited me to contact for help and membership for common cause, here I am.

I look forward to your useful reply by telephone, not the email they mess with only but also call at: 601493 10157

A compact data/problem summary is attached and pasted below. It should have started from my childhood by Germans who were training the Somali Police from early sixties and later developed by probably Danes and their guests from the West. There is a strong bases for a research into this as some victims who passed away reported they were implanted and linked/connected to monitoring systems by the Germans in Somalia with the knowledge of the Somali Police. But I detected before about 25 years.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

hello,

I am Mind-reading technology and torture victim. My name is Rahul Shrikrishna Joshi. I am from Pune,

Maharashtra, India. I am 25 years old.

here is my case summary related to mind-reading:-

You may have got email from all places over the world with different cases. But my case is EXCEPTIONAL. All my thoughts, what I see through my eyes, what I hear from my ears are all transferred at "real-time" (without any time delay) to ALL people living in India and that also 24x7. I don't about the world, but I fear that may be all people of world may be listening to my thoughts.

It is now routine to me and all people in India. I don't hear any voices in my head, nor any signals. ALL people in India can recognize my presence near me therefore they tease me like HELL. They know whether I am near to them.

i have read all cases from many forums about voices which depicts the voices of people surrounding the victim, but MY CASE IS EXCEPTIONAL, I DON'T HEAR ANY VOICES IN MY SKULL OR BRAIN. PEOPLE IN FRONT OF ME TEASE ME. IT IS A SECRET THAT IS KNOWN ONLY IN India. THEY (People) NOW KNOW THAT I HAVE UNDERSTOOD THIS SECRET. MY CASE IS NOT CASE OF VOICE DECEPTION AS YOU ARE THINKING OF.

Following is list of WHAT ALL people in India (Indian PRIME MINISTER, Indian FILM STARS, 3 year OLD CHILD etc etc) PEOPLE OF India HEAR,

1) PEOPLE HEAR ALL MY THOUGHTS (conscious, unconscious, seeing what I see, hear what I hear etc etc) IN THEIR SKULL 24x7 in realtime (without any delay).

2) People also many times (not 24x7) hear another voice of Veerendra Dev Dixit (Veerendra Dev Dixit), leader of AIVV. Who tells people he is "GOD-Father" (note that people cannot hear what Veerendra Dev Dixit is thinking). Veerendra Dev Dixit gives explanation of my thoughts (you can say BAD COMMENTS on my thoughts. As I told you he gives them slow poison about my good thoughts).

3) Veerendra Dev Dixit himself hears my thoughts 24x7 to pass funny comments.

4) People know whether I am near to them. So that they cannot accidentally speak secret things among themselves that are kept secret to me. I was thus kept isolated from other people from my childhood. People immediately recognise whether I am near to them or far away, whether I am looking at particular person's facial expressions. People tease me for their time pass and false GOD-Father Veerendra Dev Dixit encourages them in their mind for doing this at the time of teasing.

As I am understanding more secrets the Veerendra Dev Dixit makes fun of my thoughts. so that people believe only what he says.

ABOUT VIRENDRA DEV DIXIT:-

Roots of Virendra dev dixit goes to brahma kumari. he is leader of Adhytmik Ishwariya Vishwa Vidyalaya (AIVV) a splinter group of Brahma kumari. He told the half-truth to people that film star amitabh baachan's don, sholay where made on him. He may be BLACK MAILING US government. Shahrukh khan had many films having name 'Raj'. These people along with the corrupted Indian Bollywood film industry has links to underworld mafia gangs who smuggles these technologies to India. The head of all this EVIL is Veerendra Dev Dixit.

There are numerous films made in Bollywood over me from childhood as they used to secretly track me. E.g. when we went to Mount-Abu film 'Qayamat Se Qayamat Tak' film was released. Film 'Mr. India', 'Dilwale Dulhaniya Le Jayenge', and the latest 'Rang De Basanti' film was made on my Five friends and me who recognised Veerendra Dev Dixit is person who is behind all this evil. Film 'Nayak' starring Anil Kapoor etc, etc, etc. You would be knowing Indian Film Actor Shahrukh khan he had many films with his name as 'Rahul' or 'Raj'.

my case summary continued.....

These mind control agents have made all my relatives, parents corrupt by telling them miss-behaving and teasing with me is only work they have. They think GOD-Father is telling them instructions not to speak out to me and keep this secret as secret. My parents also hear my thoughts. I doubt that my Father is also a mind-control agent. It has now become organized; almost all people are united against me including my parents, Sister, relatives etc.. So

that I couldn't know why they hear my thoughts.

ALL people in India also hear voice from a person whose name is Veerendra Dev Dixit sometimes in between (note that people cannot hear what Veerendra Dev Dixit is thinking). He makes people laugh on my thoughts. I somehow was able to get out of this united conspiracy against me and contact one of my relative and from his help few other relatives and friends, convinced him and made him somehow speak out, what mind-control agents HEAD (Veerendra Dev Dixit) tell them in mind. As I told you earlier I can't hear any voices in my skull so I don't know what Veerendra Dev Dixit tell them. But after talking to my relative I knew that Veerendra Dev Dixit gives them slow poison about me, Gulzar Dadi, etc. He makes people believe that he is GOD-Father talking to them. ALL Indians film stars etc are now made TOTALLY corrupt.

I was and I am in touch with The Knowledge given by Brahma Kumaris, Mount Abu, Rajasthan, India. I believe in their thoughts and churned knowledge given by them. I knew about Veerendra Dev Dixit's party (a splinter group from Brahma Kumaris) in 2001. From that time 9/11 happened, and all things changed drastically. I now knew this that ALL people in India at that time (2001) heard my thoughts but people were not sure what was happening/who's thoughts these are. After churning knowledge I knew the secrets of world. I started understanding my previous births as 'Chhatrapati Shivaji', 'Prithviraj Chauhan' etc. As these births were being realized to me, they were also heard by ALL people in India due to the mind-reading technology. I till now haven't told what I feel about my parts to anybody except when started to write it on forums. I understood more and more previous births. I also recognized other people who were there with me in previous births are also there with me in this birth also. Due to my such thoughts some people hearing these started to tease, some people got confused etc, some people recognised my thoughts.

I, till July 2005 didn't know that ALL people in India were listening to my thoughts. My parents also listening to my thoughts started teasing and misbehaving with me. I previously had adopted several non-violent acts to tell them that they should not tease me. On that time i.e. on December 26 2004, Tsunami earthquake happened (I now know that earthquake was also caused due to a technology and was not natural). People teasing me understood that even nature quaked due to excessive teasing to me. In July 2005, i.e. next year people drew crazy, people started running out of their houses and everywhere there was chaos.

People started to shout at me when I was near to an extent, till my attention was drawn to them, so that I know that people are watching my thoughts. everywhere on television channels etc. pleaded for forgiving what all had done to me. On July 26 2005 other people who were against my thoughts, came down actually for killing me. The scene was like a 100% hell in Pune city. But I wasn't afraid a bit. At the time they were about to kill me, huge rain and floods broke out in Gujarat, and Bombay (Mumbai) and Pune, the rainfall broke all records of the world in a single day. Hundreds and thousands of people lost their lives.. The rain continued to lashed for 15 days.

I was not hurt a bit. But I still want to know who these people were, I doubt that Godfather of underworld (Veerendra Dev Dixit) had told them. At that time a film on him called 'sarkar' was released. with its logo as 'when democracy fails power arises' or something like that. That 'sarkar' stands for 'new world order'. George Bush mentioned. People started understanding that teasing him in such a way will cause further destructions. Till that time I was thinking that all people teased me as some camera was fitted in my room or wherever I go and people in India see it in entire day, whenever they had time.

I thought Brahma Kumaris were convincing them that they should not harass me. I thought that my good friends and teachers had recognized my good thoughts and joined Brahma Kumaris. It was only until 2006 I recognized that people actually hear my thoughts. Confused with all this happening I decided to meet Veerendra Dev Dixit. We finally meet on day when US president George BUSH (politician for Veerendra Dev Dixit) meet man Mohan Singh (politician for Myself) for nuclear deal. (This gives me hint that maybe all people of world may be listening to my thoughts) from this day. I think he took control and mixed with the agents to give voice to skull to all people in India, telling himself as highest authority in India's tumbling democracy and population due to previous year's subsequent natural disasters.

I started knowing from people that ALL people in India listened to my thoughts from childhood secretly. People also told me that I was highest of highest of these mind-control agents before Veerendra Dev Dixit corrupted them now. Now Entire population of India right from 3 year old child to illiterate rural person hears my thoughts and knows whose thoughts they are.

My attitude/personality is not at all to get teased, but here what mind-reading technology worked for evil activities to succeed in their intentions. I just like shivaji fought with my mind. despite all these mind-reading games, i tried to know all these things. nothing was private for me. even if i decided to to play a trick with other evil person or person who is ragging with me, they already knew what was i going to do, as they hear my thoughts 24x7.

I am facing most darkest and brutal life. I too DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS.

My questions:-

- 1) Aren't you surprised reading this?
- 2) Do you hear my thoughts too? or hear but not sure whose thoughts these are/not aware of it consciously?
- 3) Do you already knew some things which I have told you now (After-effects in your country due to events that occurred in Pune during 2004, 2005)?
- 4) Where should i file my case? in which court? Where should i file my petition?
- 5) will you help me?
- 6) when these evils will be severely punished?

I not only hope, but i am sure that you will provide me information and help related to it.

awaiting your reply,

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED

ENERGY AND NEUROLOGICAL WEAPONS

8/9/09

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of Indian Government-related Agencies and the complicity, if not participation, of many other governments, security agencies and/or shadowy organisations - involving the use of DIRECTED ENERGY AND NEUROLOGICAL WEAPONS on defenceless people.

The torture is in highly unconventional way so that one cannot report the individual torture legally. I am being attacked on all the part of my body by directed energy weapons (millimeter wave DEW) round the clock of the day 24/7. I feel three or four energy beams causing pain in my body simultaneously and also they choose my body organ for attack in random. Irrespective of where I am and what I do, I am being attacked. I am able to stop the Energy beams attacking me by electromagnetic shielding materials to certain extent and if I block the energy which is attacking in a organ they move the energy to other part of the body with increased intensity. Or they increase the power which makes the energy penetrate the shielding and attack me.

I am getting harassed in all the aspect of my life. I go in two wheeler to office every day. On the way the agents of a law and enforcement agency cross my vehicle so that it obstruct my path in almost all the road I travel. Many times I have fallen down from my two wheeler injuring myself because of agents suddenly run crossing my vehicle. While driving often the agents disturb greatly me by crossing and obstructing the way.

I was also attacked by the agents as a group. I took photos of the gang attacked me. I have given compliant to the police with photos of the gang but there was no action taken.

Above are some examples of my stalking experience and there are numerous methods the stalkers use to stalk me and all the methods are psychological (cause more mental pain than physical) in nature. All the stalking involves Directed Energy weapons attack on my head to anchor the stalking and pain.

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse – some of us are being subjected to the most extreme and totalitarian violations of human rights in human history

As well as being inhumane and criminal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems - and yet our appeals for justice, protection, assistance and/or publicity to Government Representatives, Government Officials, Government Agencies, International Organisations, Human Rights Organisations, Universities, Scientific and other Institutions, and the International Media have been almost completely ignored and/or suppressed.

For anyone at all concerned about human rights, liberty, democracy, privacy, the rule of law and ALL aspects and degrees of human freedom, individuality and mental and physical integrity and health this uncontrolled and unacknowledged technology and torture and abuse is intolerable!

Your attention and assistance is urgently needed to halt these atrocities, control and regulate the use of these technologies, and to bring these extremist elements to justice.

Please assist urgently.

I am living in Bangalore. A year before I was attacked by the perps in Bangalore and I complained it to the police in Bangalore with the photos of the perps, but there was no response from the police about my complaint. Instead they questioned me. I am helpless and I was gang-stalked in my home by my own sister and cousins. With some-much pressure I was not able to do anything dramatic.

I am not discouraging you not to register or compliant, but if you compliant or register a case then following are the important factors:

1. Compliant should be against a person name or organization with a valid address, whom the police can investigate
2. Your compliant type should be listed in any of the sections in the Indian Penal Court law
3. You should produce a valid evidence which can be verifiable by the independent professionals

You have to note that sometimes the police help them.

Perps design the attack such that they think of the loop-holes in the law and do attack or assault you according to their plan. It is hard to sue them but our TI friends in America are trying to do it. If they are successful then there will be substantial change in the life of all TIs in the world.

Do reply me whom and what should I send the complaint to.

Do note that I am TI too, I am being attacked severely by DEW 24/7. GS and other assaults.

All the best. Vijay Karthic

Dear Other Activists and Victims,

First of all I would like to thank you for the great job that you are doing for the victims.

Secondly I have some suggestion.

1. As I reviewed some of the cases, I found that 99.% of cases that are claiming to be in China and Chinese are CIA made up. The CIA is trying to turn attention away from themselves and make the real cases look funny. They also don't want to let the people who want to help us know whom to target. I suggest that you do not include those cases in your email campaigning.

2. As you know we are trying to get help from the people by our email campaign, to make it more effective I suggest that we write something that sounds real to the ordinary people and the others that are not aware of such technologies. For example we shouldn't write they are reading our minds or seeing through our eyes 24s a day, instead write they are torturing and passing electromagnetic waves through our brains in order erase our memories and brain wash us. It is the continuation of the project called MKULTRA.

Conclusion: the CIA is trying to discredit us we should shoot back and eliminate their effort by being cautious and work more effectively.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Seeking solutions against "mind control"

I got your email address from the website "
<https://sites.google.com/site/remotemanipulationstechnology/landingpage/organizations> "

I am the object along several years of reprehensible acts committed against me till today via a sophisticated type system "mind control".

It began in France around 1999, and it continues to this day in Tunisia,
I am a telecommunications engineer Tunisian national who completed his engineering studies in a high school French (grande école d'ingénieurs).

Those who use the system "mind control" are more or less known by their orientations and interests, I suspect that this system "mind control" design is made in the United States of America, it is also used for manipulation and political objectives, security, terrorism, ...

My story is very rich, I can not summarize it in a few words.

I am looking for an effective way to protect myself the "mind control" system.

Do you have items to help me in this regard?

In addition, I understand that Dr. Nick Begich in his book "Controlling the Human Mind" gives advice or solutions to protect against the type system "mind control", unfortunately I can not be get this book from Tunisia.

For all practical purposes, I inform that during the writing of this paper I am monitored ("mind control") and all my emails are at least monitored and controlled.

Thank you in advance for your help.

Adel Khedira,
Telecommunications engineer,
Hammamet / Tunisia
Night of 24/05/2013.

Cher John Finch,

J'ai eu votre adresse email du site Internet "
<https://sites.google.com/site/remotemanipulationstechnology/landingpage/organizations> " .

Je suis l'objet le long de plusieurs années d'actes condamnables commis à ce jour contre ma personne via un sophistiqué système de type "mind control".

Cela a commencé en France vers 1999, et cela continue en Tunisie jusqu'à ce jour,

je suis un ingénieur en télécommunications de nationalité tunisienne ayant effectué ses études d'ingénierie au sein d'une grande école française.

Les personnes faisant usage du système "mind control" sont plus ou moins connues par leurs orientations et intérêts, je suspecte le fait que ce système "mind control" soit de conception faite aux Etats-Unis d'Amérique, il est utilisé aussi pour des manipulations et des finalités politiques, sécuritaires, terroristes, ...

Mon histoire est très riche, je ne peux la résumer en quelques mots.

Je suis à la recherche d'un moyen efficace pour se protéger de ce système "mind control".

Avez-vous des éléments pour m'aider dans ce sens ?

Par ailleurs, j'ai cru comprendre que le Dr. Nick Begich dans son livre "Controlling the Human Mind" donne des conseils ou des solutions pour se protéger contre les systèmes de type "mind control", malheureusement je n'arrive pas à se procurer ce livre à partir de la Tunisie.

Pour toute fin utile, j'informe que lors de la rédaction de ce texte je suis l'objet d'une surveillance ("mind control") et que tous mes courriers électroniques sont au minimum surveillés et contrôlés.

Je vous remercie d'avance pour votre aide.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

ELECTRO MAGNETIC ASSUALT

The project mind reading

This last 4 years I am facing torturing from Satellite Surveillance Technology [Satellite Surveillance] and facing enmity from Indians also, who always listening and interacts with them. And the roomer is I have a world record in operating tiles press and that's what the reason of reading my mind may be just apologies to mislead some stupid.

I am wondering still I am alive, especially like this situation, facing secret enmity from my own natives, and also facing the super threats like surveillance. And my life in early period of my life is mostly related with the film planet of apes. In full means a lonely life here.

There is more projects [MKULTRA, HAARP] most offers multi targeting and more victims like me domestic and war related experiment. But some changes in my case, here have more witness [including foreigners] and numberless are accomplice with this crime. And also no Brain ID scanning or bio chip implants in my case. And it's a daring attempt from surveillance, proceeding with the knowledge of world. May be they are checking the advantages of their future high tech weapon. And very clearly they aren't aims just a mind reading, but memory

[cells] i.e. our past or remembrance and may be just a study or a huge research. For decoding memory [keep remembered on] I guess they call help from our people to inter face us and to interact. And very clearly they are the hidden elements behind my destiny. Surveillance can easily track me without my knowledge or with out informing me and our people. And here I have some doubts; just like me a creep can't do more without help.

I am targeted by surveillance it's not my problem, but the people who inter acts with. And I think they have better choices than me, but the stupidity they may have only from here and without doubts why they choose me. Might be freaking decision from surveillance, but the attitudes of Indians its really freaking and ridiculous. Definitely that's my problem, torturing from Indians, and first 2 years of this period I was severely punished by them, nuisance while sleeping, menacing, threatening, and made problems while working. But I am too weak [with out surveillance heading] to file a case against them, denial of fundamental rights or any torturing incidents. It's not just easy to overcome, especially facing torturing from my own society. But I must have justice from here.

The Real Rival

I think early period of this [May only months] experiment they got mistaked and so why they co-operates. But now I am facing enmity from them. The reasons may be they weren't ready to approve their mistakes, or may it's an absurd act. I ought to believe I am blessed one, or I haven't here. Surveillance is a high definition torturing but Indians is the death with me. No money, no jobs [permanent, but haven't temporary also, that's my present situation here or that's they need to be. A little bit depressed by the 4 years of fighting for justice, that I haven't yet, and a little disappointed, lost family friends and even a smile also.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Yours Sincerely

Dear Friend

I G.Ravi Kumar Indian citizen who are attacked the gang stalking and mind control by my relatives since 2000 (I have started to hearing their voices in my skull). Originally first they are started my mind control without any voices from 1982. because my habits and living style was changed from 1982.

They are tortured me since that time 24 x 7. Several times I went for meet them, but nobody I could not met. They are gape publicity against me in relatives and friends circle as HE IS MAD. Many of them suggested me to meet Psychiatrist

They isolated me from. I stoped to meet people and explaining what is going on me. I sent complaints to Andhra Pradesh (one of the state in India) Government and police officials through letters and mails. No communication is reached their destinations. Personally met the police but no use. They are ignored me and my complaints. I got warning also from them regarding my communications. I have not stopped my communications to authorities and calmly doing my jobs. I don't tell this to my wife also. They are closed to my wife and she don't agreed when I was told to her at first.

I have most confident that one day I shold stop the nonsense and send the culprits to behind the bars.

Thank you for your support

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a Victim of Organized Stalking and Directed Energy Weapons Torture

I am victim from INDIA for very long . All this started happening to me suddenly from 1988 (My college days).Initially it started with Gangstalking and subsequently the electronic attack began. The period was very eventful. I could not understand anything. It is only after 1999 and later I discovered a lot of info on net. There after I gradually understood the game. I made myself strong to face the consequences.It is going on till date...

I am in touch with 4 other Indians thru net. Two persons are also in contact by telephone. We have discussed things happening with us..... In my contact is one person a Scientist from a nuclear fuel complex, another is a professor from Medical College, one person is Phd Indian student from New York and one person from business community. I have forwarded the petition to all these persons.

I demand for an international investigation of those crimes and huge violations of human rights.

I would like to report severe Human Rights abuse using Hi-tech Non Lethal Weapons on Human.

The silent invasion through Psycotronic Microwaves in India has become very evident. There are several victims all over the world and now reported victims from India too. Also one can check this link which specifically mentioned attack on India, <<http://www.i-sis.org.uk/BW.php>> for Latest Press Release News by an International Science Journal describing as "Bio-electromagnetic Weapons as the The ultimate weapon. A weapon system that operates at the speed of light, that can kill, torture, enslave and escape detection" Their Modus Operand is like this, They have made corrupt employees as Agents who identify the human targets and hook them up to Satellite which continuously keeps track of the target and mentally torture them.They are also spying using this technology.

A targeted person is tracked, either via some signature characterized by the resonant characteristics of his skull or DNA, or by tracking signals emitted by implants put into him during abductions, or perhaps by more sophisticated methods.Computers perform the calculations necessary to alter the signal of each of three cell phone towers so as to triangulate a hotspot of signal at the target's location.These signals consist of microwave carriers with ELF modulation and audio encoded messages.the microwaves resonate with DNA, can penetrate flesh and bone, pass through some walls and windows,and are already in use by cell phones.A scientific analysis published by the Dept of Psycho-Correction at Moscow Medical Academy stated: "It has become possible to probe and alter psychic contents of human beings DESPITE THEIR WILL AND CONSCIOUSNESS, by instrumental means,can be used manipulating psyche.

This is possible because every human brain has different brainwave fingerprint.This technology treats human mind as an electrical circuit.It is able to understand and manipulate using electromagnetic raditions of any electrical or electronic circuit in the vicinity of the target.

The Agents themselves are the carriers of the technology through their body. This looks like Science Fiction But

now its real life application. When a person is hooked he becomes subsequent carrier of the technology this way it penetrates in society. Also to hook subsequent person is at the discretion of the people at control room. **This is more dangerous than tapping of a telephone because the target's mind can be read without his notice. Also It can harm the target without leaving any evidence.**

I have been experiencing the use of this technology ORGANISED STALKING, DIRECTED ENERGY WEAPONS, NEUROLOGICAL WEAPONS, TORTURE and/or ABUSE on me for very long.

My Experiences and Symptoms :

- (1) It makes me feel paranoid by synchronizing palpitations and external electrical disturbances like flickering of electrical bulb or tube light and "click" sound of a stabilizer caused by electrical fluctuations (it causes fluctuations of voltage at particular targeted point close to the target and not the entire electrical phase which is abnormal).
- (2) Also mild nerve pains which keep shifting. It makes me feel as if my mind is being read.
- (3) I have got electric shock on few occasions when I touched another person (both the persons felt the shock), this has happened both within our family members and outside.
- (4) I also get electric shock while in sleep and also had frightening nightmares.
- (5) Once my brother had illusions of all objects appearing magnified, we had to rush to Doctor but it subsided on its own the next day. I have been experiencing this for quite long time and I know nobody will believe me.

I have come in contact with a scientist in Department of Atomic Energy, at Kalpakkam, Tamil Nadu who is also having same problem. He has detailed his experiences to me thru email. I got his contact from Ms.Cheryl Welsh. Ms.Cheryl Welsh is director of CAHARA (now Mind Justice) is raising voice against use of these technologies and fighting for human rights. She has enough proofs documented on her website about the existence and use of this technology. She is also representing this technology abuse at United Nations.<<http://www.mindjustice.org/>>

Recently I was in Delhi on family tour .I noticed a wall pasted poster on wall of Palika Bazaar . It was "HELP" poster by another victim . Since I was on tour I had a camera I took photograph of that poster. Unfortunately the victims email ID did not come clearly in photo. It said about inhuman mind reading and dream implantation in subject's mind remotely. I have traveled from north to south but the effect on me goes on 24hrs 7 days.

Latest is I have come in contact with one more person who is victim of this technology, he is from Punjab.He is getting his medical examinations like MRI done to prove the technology abuse on him. He is trying to establish proof. He is also trying to contact some radiation experts to identify the frequencies being applied on him for working of this technology.

Dr M S Rao chief forensic scientist and director of Forensic Science from the Ministry of Home Affairs.Making a keynote address at the Forensic Science Forum as part of the 93rd Indian Science Congress held at the National Police Academy said " there are also challenges for forensic experts with respect to target oriented low frequency portable electromagnetic radiation tools, which could remotely be used by criminal on a person's body parts and create havoc in respect of brain damage, heartache, kidney failure,liver damage."

I want to focus the attention of the Media and Public that this technology could be a questionmark for Human Right violation. If it is technologically possible to target mind of a person and alter his actions and harm his body that means it can be a double-edged sword.Human Right Activists should watch this emerging technology so that it is not misused.I am trying to bring social awareness of this technology, just type"electromagnetic radiation tool mind control" in any Search Engine on Internet and one can get the idea of threats to Human Rights with these technologies. This technology also known as Influence Technology targeted to manipulate the nervous system is highly classified technology by the Developed Countries particularly USA. The present state development of this technology has been kept under deception form the Media and Public. It has potential of major Human Rights Violation because it can be used remotely on any Human. Stronger International Laws are needed to keep it under control.

If these techonologies fall in the hands of anti-social elements and terrorists, it can be a major threat to the Society. Scientists should develop means to detect and stop this attack. The Media should bring full social awareness and close monitoring of this technology and also involve in investigative journalism of the present state and development of this technology both at National Level and Global level.

This News Article "TOOLS TO TRICK BOMBER'S MINDS HYDERABAD, INDIA ,DECCAN CHRONICLE NEWS DATED 7TH JAN, 2006" which refers to the development of portable electromagnetic radiation tools. Making a keynote address at the Forensic Science Forum as part of the 93rd Indian Science Congress held at the National Police Academy on Friday Mr Rao said, "This technique of using electromagnetic radiation can control the mind of the suicide bomber and make him to leave his target place silently without making any effort to explode the bomb at the given area." Dr Rao said there are also challenges for forensic experts with respect to target oriented low frequency portable electromagnetic radiation tools, which could remotely be used by criminal on a person's body parts and create havoc in respect of brain damage, heartache, kidney failure, liver damage.

Electromagnetic weapons are classified as Non-Lethal Weapons Experts in the world in UNIDIR, United Nations Institute for Disarmament Research 2002 Media Guide to Disarmament in Geneva.

(A) Tools to trick bomber's minds DC News Dated 7th Jan, 2006 Scientists are planning to use Low Frequency portable electromagnetic radiation tools to immobilise the suicide bombers, said Dr M.S. Rao, chief forensic scientist and director of Forensic Science from the Ministry of Home Affairs. Making a keynote address at the Forensic Science Forum as part of the 93rd Indian Science Congress held at the National Police Academy on Friday Mr Rao said, "This technique of using electromagnetic radiation can control the mind of the suicide bomber and make him to leave his target place silently without making any effort to explode the bomb at the given area." Mr Rao added, "We don't have this technique available right now. We have to adopt the technology. It will show effect on the brain. Nowadays suicide attacks by terrorist outfits demand innovative planning and rethinking on forensic research. A suicide bomber has to be tackled properly by detecting explosives from safe stand off distances.." "Forensic psychology also plays a vital role in dealing terrorist cases. Narco analysis and brainwave fingerprinting can reveal future plans of terrorists and can be deciphered to prevent terror activities," Mr Rao said. "Preventive forensics will play a key role in countering terror acts. Cyber terrorists are targeting e-commerce and e-governance," he added. "In jail, criminals talk with co-conspirators on mobile phones which is not permitted. Cellphone jammers in the jails make the mobile phone non-functional. This arrangement puts the jail officers and visitors to inconvenience. To overcome this problem, now cost-effective Frequency Selection Wall Paper Screens (FSS) with metal grids have been designed to filter all radio signals and silence the cell phone in jail. This arrangement will also help detect cell phones in jails when not switched off," said Rao. "Small radio isotope sources used for diagnostic purposes, therapy in hospitals and for Research in universities and organisations are pilfered and used in making in dirty bombs which after explosion can have severe radiation effect on water resources, animals and plants," Mr Rao said.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

1/8/08

I am Maheshkumar from India. I am 28 years old. Gang stalking for me started 3 years back in 2005. I was working in Medical Transcription Company as an Editor. This is a Home-Based Medical Transcription Company situated in Pittsburgh, US. I will call this Company A. (Name of company not disclosed.)

The reason for my Gang Stalking is the answer that I gave in an interview with Company A. The interview was with a female Production Manager. She asked me "What would you become in 5 and 10 years?" and I said "I will become a Production Manager in 5 years and CEO of a company in 10 years." Can anyone in this world feel bad just for giving such an answer? She assumed that I am a very, very, very, very arrogant person and that I needed to be corrected which she would suggest indirectly. I worked in Company A for 5 months which was total and complete ill-treatment. Pissed off by their bad treatment, I resigned the job and in the exit interview, I commented to Department Head "I had never worked in such a bad management." They never reacted anything. I thought the problems were over and I could join a new good company which would treat their employees with respect.

Unfortunately, Company A had started a Company S (Dummy Company) just for the sake getting me employed in Company S and extract all the information about like sexual preferences etc. so that they could manipulate me in the future. I got a call from Company S. In medical transcription, a salary of Rs. 15,000 for an Editor would be expected to edit at least 1500 lines daily but in this company I got only 600 lines to edit. That it self arouse suspicion within me, because Medical Transcription companies do not even pay the promised amount of salary sometimes and this company was paying so much for nothing.

In Company S, brother of Company A's female production manager joined without exposing me the truth. He would come out with a topic about Company A and ask my opinion about the female production manager in Company A. I would just pour my negative feelings about her. The whole company was bogus. They did workplace mobbing, emotional abuse, gaslighting and all the negative things that could make me feel bad. At first, I thought it was just that they do not like me. But when it came to an unbearable level, I resigned the job from Company S.

Then the actual revenge started. These guys slandered me that I am a Pedophile and want to have sex with married women to all my relatives, neighbors, friends, 3 brothers and anyone whom I had ever come across. (At 28 years, I am still a virgin.) My dad and mom are the only people left for me. They have blackmailed my brothers and got into this. Even though, they have not admitted it explicitly and I know about them and I was able to make it from their expressions like "I know it is bad, but I cannot do anything." They have torn my clothes, did street theater, loud noise campaign and all those. All my old friends and relatives who I am not even in touch would suddenly come to my house and be very caring and loving kind. But when you take a closer look, they will always lead me into some kind of trouble. My relatives, friends and neighbors started to act differently. They indirectly would suggest as if I am a sex maniac.

After learning that Company A is stalking me, I really felt overwhelmed. I was out of control with the things they did to me. My elder brother secretly convinced my mother that I am an insane person and with the help of psychiatrist, they gave me some medicine. My mom two weeks later told me truth. I somehow convinced my mom that I am normal and stopped taking those medications. It was awful, traumatic that how people you trusted and believed start to betray you. Yet the truth is, they are being forced to do these things which I was able to discern only later.

Knowing that going to police station was not of much use, I called the Chief Minister's Secretary of Tamilnadu, India and he recommended me to go to the police station which was no use even after the fact that my father is a Sub-Inspector of Police. They have so much influence. In fact, my father is being mobbed in the police station where he works by his superiors, but he cannot understand what is going on and he does not believe me that it is all them who is doing it.

When I went with my dad in a two wheeler, Company A hit our two wheeler with a car and my dad's ankle fractured. There was no compensation and in fact, they told it was my dad's mistake.

Just by May 2008, I did really came to know about Gang Stalking. Websites were really helpful, it gave me useful information. I was able to at least convince my mom what is happening to me. Last two weeks, they are not allowing me to sleep with electromagnetic harassment.

I would recommend all TIIs to visit EFT site, emotional freedom techniques. EFT really helps to come out of negative emotions and a lot more.

I had seen the name of some TIs from India. So if any TI from India could contact me, I would feel great.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Yours Friendly

I was in USA on H-1 B visa . working for optical fiber manufactory company in USA . i was targetted in jan 2002 (after reaching USA+one month) &* from that time till today they are trying to make me insane & low (bad) in society .

i filed a complaint (as i doubt that US people do it on terrorist by their unofficial CIAs 4 th branch) & my body also starts controlling . * frustrated /puzzled / lost faith in the law enforcement officials) .

i donot know - what is being done to me

1. there was no medical operation (no chip implant has been done by surgery)
2. voices were there: which make you crazy , violent some time , sometime calm , difficult to explain in words , lot od people say to me that you are ok . but i am not sleeping well in night (lot of dreams) . i am sure you must have knowledge of it .

Regards

i got (european council) your numbers from one of the victims letter poster at peacepink website .

i have written my concerns to Rajasthan (india) police . about their role if indian people do it or CIA supported (illegal people) people do it all over world . may be via satellite (artificial neural network of mind , magnetic wave , sensor (could be bio metric) or nano technology .

we are sure that CIA (some of the staff) knows that it can be done . but whom should it be reported to stop . check - mukultra based victim (on internet)

what victim should do ? their life is in unknown person hand , who treat him like slave (by capturing mind & torturing him from intercontinental distance)

check website : peacepink.ning.com .

will you ask CIA to answer (not all people know about it)?

why it is still in circulation ? may be for laid off people job in america for americans & torture worldwide people . as they have long & short disability insurance ..

Does you country have that capability to torture BARAK obama / or your own prime minister ?

why they do it for common innocent employee to make job for others ..

Should i consider that Police Know How tantrik/ CIA from USA (CIA patented machine fallen in wrong hands) do this work ?

Do they have earlier data how they do it ?

DO they have victim list (suspected) & their reason of happening this torture ?

what Can be done by this torture ?

How does it happen ?

Cannot be done on MP/MLA ? if it is done on them what will be their role ?

have u spoken to NIMHANS senior people (to know psychitrist view)

does police can do this satellite based torture (the torture , if cannot stop , just like tantrik claim)

Any committee , who has given report for such crimes to Govt (technical , social & consequences wise)

or should i consider that Indian police is (Danada chaap non technical)

they cannot save their citizen or atleast can ask help from CIA / US president or inform ministers That yes we have heard that Some people are victimised (killed or get killed) by Tantrik / distant REIKI/ Converstaional Hypnosis(non registered way of practitioner) .

visit website : peacepink.ning.com & mukultra based victim in USA . (they are little bit scientific approach) .. what are rumours ? what is the fact (some available some are to be find out) if indian (few people) people can do, from what distance it can do , how many people can do , let them do It on AMbassdor of US embassy new delhi or their people . why common indian are victimised ? if you think it does not happen , ask following question from CIA people :

1. They do MIND reading at AIRPORT - how (contact mode or non contact mode)

2. What is sleep deprivatiobn method , whoch was applied on SAddam hussain .. (why it was applied on him when he didnot do any criminal work , he was president of IRAQ)

3.MUKultra project

4. brain washing technique

at least people who have registered complaint in POLICE ?

what is the help if USA(CIA or illegal person of CIA) is doing on a person in INDIA by satellite

..what A victim should do ? if he is not allowed to work he has been sent to jail by US official by labelling him terrorist . in india it is covered by family problem to sjow that indian police is helpless & care for their salalry monthly & promotion for not taking proper action or advice to the victim .

23/9/15

My Name is Ali MEZGANI I'm From Morocco, I am controlled by a group of chinese person 5 bad guy.

I'm infected from 2006.

Subject: Investigations against a control of mind via satellite signal against Chinese individuals

Let me contact you to ask you for help, my case is a case unlike any other, and to open an investigation in this direction.

I lived in France during the period 2000-2006, at first I was a student at Valenciennes and employee in Paris. I worked as engineer networks to AFNIC to Saint Quentin en Yvelines in 2005-2006.

I was probably infected by nano-robots (nano chips) with an intervention of a dentist in April 2006 which was also controlled at my Dental treatment.

I heard voices that spoke to me and listened to what I said and what I thought, I do not know to this day why attack a body of a young man and inject robots for malicious.

These people were really an obstacle with respect to the progress of my personal, professional too. I was married and I was living in Paris 5. Having a normal life, they created horror in my life. They injected the ideas in my head and pushed me to leave my wife.

They pushed me also to leave my job in June 2006, and eventually they made me return to Morocco.

All this for a reason unknown to me, I was young 27 years, with robots in my veins, a signal pointed in my brain and my body 24/7.

On returning to Morocco in 2006, I went to see the military hospital in Rabat to time explaining what has happened and what is in my body, they have not really believed me and they conducted no investigation in this direction.

What I realized during this experience is that the signal comes from china and the individuals behind the massacre are Chinese bad person, and I think we need to investigate in this direction. Why this move France-China, I do not know, but a guy speaks to me through thought and assumes that they are Chinese.

I feel bad headaches due to sending the signals in my head, this signal really is hell for me.

These nano chips are everywhere in my veins they started small cut my veins, those of my brain, I do not know what they have caused such damage.

What was scary is sleep at night and leave his people with this weapon between the hands with which they enjoyed to make cuts in my body, brain, arms, heart, feet, legs,

Currently I have serious cuts in arms, my legs, my feet, my stomach, and continuous work on my brain, nerds also cuts, destruction of my neural brain network, other serious accidents.

Please Madam and Sir, consider my words and go back to the responsible services to people who can decide and

conduct investigations in this direction, I repeat again, I am a young executive who works as UNIX Administrator at HP Technopolis Rabat, Morocco former resident of France. Thank you kindly answer me so that I give you more information.

I am currently in charge of a family and my life has a lot to them, please help me please, to find the source of these attacks, to stop this signal, and to submit to justice, people who were behind the massacre.

However, if you need me to introduce myself to you let me know, I live in Rabat.

I am a 37 year old woman living in South Africa. I sketch caricatures for a living.

I am being gang stalked. I am under constant surveillance and harassment from the community, through to the media(national and international).

I believe I am being branded a paedophile and the masses have swallowed it. Now they're ready to chew me up and spit me out. They're massing up in the name of righteousness and having a real good time in the process.

Politicians, cops, large corporations, radio, T.V. newspapers, the community is involved. Community stalking intales being blocked at every turn, having repeated snippets of conversations regurgitated and directed back at me and hand signals amongst other things.

T.V uses double talk (injecting key words, colour and hand signals to indicate to me and the audience that they know about and support this open secret).

The perpetrators are using info on my computer - T.V. adverts have used imagery very, very similar to stuff I've done on my computer.

"They" are watching me in my cottage(Satellite).

"They" can read my mind in real time.

I have included just a few of the many samples I have.

I am looking for any kind of help or advice.

Samples

Repeated snippets of conversation and mirroring.

It was raining this morning, so I wrapped a customers caricature in a black plastic bag and made the delivery. After I had done my time on the treadmill at the gym, and was busy with some other exercise, one of the instructors wraps the machine next to the one I was on in a black plastic bag.

I had bought a hair piece with the label "Pretty Woman". When I got home, a message appeared on my cell phone

sporting Pretty Woman with a big smile. She then morphed into Pretty Woman with no teeth. It was sent by a private number.

I watched the movie "The Human Stain". Anthony Hopkins says a couple of times "Dance for me". I'm sketching a couple at work and while I'm sketching the guy, he say's to his girlfriend "Dance for me".

My printer says "printing started". I'm at work and one of the security guards say "printings started" as I walk past him.

A father and son were also doing caricatures at a conference. They both had very similar bags to mine. The son say's to me "I like your bag". I get to my drama class that evening and as I get out of my car, I overhear "I like your bag".

I fill up with petrol and I overhear an attendant say "bluebird". Earlier on I had come across the term "operation bluebird" on the internet.

A couple of day's ago I was reading about the occult and the Nazis. The next day I go shopping and a clothing attendant says "Hitler".

I was looking up vegan recipes. Saw some taco ones. At work a guy slowly walks past me eating his taco. He stops in front of my stall and keeps eating, he then moves over to the book store so I can get a better look at him and he's taco.

I pace my stall at one point. Guy with a pram comes out and starts pacing alongside me.

A teenager sits alone having coffee next to my stall. She then comes up to me, compliments me on my drawings and asks if I want coffee. I thank her but say no thanks. Her mother and father arrive shortly after that. My next shift at work the same girl comes to the coffee shop at the same time by herself and sits alongside my stall - just before my closing time. Then I see she'd disappeared and her father is sitting there.

At my Metaphysical class, one of the women spoke about her daughters flat burning down and the tenant saying it was an electrical fault. This was at the exact same time I had asked the landlady about getting an earth leakage unit installed in the cottage because the guy who looked at the geyser had said it was very unsafe, the place could just burn down. Another woman spoke about astro travelling into her ceiling where the geyser was.

I had been looking at the Twin Towers and Bush on the Internet. The following day the woman I was living with (my landlady) and her friend were laughing and talking about some business card with "Twin Towers" written on it.

Media

An acquaintance mentioned Zeus, soon after that a Steers advert on T.V. appeared featuring a "Zeus burger".

I told a friend of mine that the whole world was against me. One woman on a local T.V. show say's "..... the whole world is against you..." They use colour, props and people to mimic what's happening. . I noticed a couple who looked VERY much like my ma and her husband from the side and behind. They also spoke about Champaign from France in the same scene.. Eddie had bought French Champaign for their anniversary.

Larry King on CNN is interviewing 3 women at the same time, and get this, they're all wearing braces, they're in their late 20's, 30's and 40's. I could have sworn a shot of Sarah Palin had her **sporting** a pair of braces. At the time I was part of an amateur drama group. A teenager wearing braces was also in the group.

Oprah's theme last night was the "rude awakening". I had written and left in the DRAFT part of my blog that the radio, specifically the 94.7 "rude awakening" show was targeting me.

My car had been ripped up outside Checkers. I couldn't open it with my key. When I got home, I put a brick on it incase it rained. Later there was a "Pasella" snippet (Lifestyle show on T.V) which included the silver Olympic medallist holding a brick. When I watched the whole show the brick snippet didn't appear.

I was asked to sketch bosses on bosses day in Johannesburg central. On my way there, I saw somebody stop their

car on the highway and the passenger go towards the open boot. As I turn down one of the city streets, a woman gets out of her car to get something out of the boot. As I arrive at the underground parking I notice that the whole row of cars against the first wall and leading up to the second wall where I found a space to park in, were facing outwards with their boots against the walls.

“You loose everything brick by brick” - snippet from another talk show.

Guy at pub says people came and took away bricks from his house.

Metaphysics lecturer mentions “bricks”.

Skye, CNN, Oprah, the SABC including Pasella, Top Billing, Noeleen’s 3 Talk and many other local and international shows are involved.

Radio and Satellite

Listening to radio 94.7 - the rude awakening. While I’m logging on to my computer just before I type my keyword . DJ on radio says “I forgot to give you that keyword - faith”

There’s a major cycling race on. Many roads have been blocked off. I have a function on and I’m looking at the cycle route map on the internet. Just then, the DJ who I’d been listening to for the past 2 hours say’s,” let me explain what the map looks like, it’s similar to the map of Africa.”

I woke up this morning at about 4. 45pm to a noisy toilet (just flushed). I go and check it out and I see the toilet lid is DOWN. I never put the seat down and the last time I had used it was last night. I had also stayed in last night. Just after I turn on the radio a bit later on that morning, DJ says “Mariah Carry gets some of her inspiration from the toilet”.

I get an e-mail from magicians secretary saying that he’ll be on a certain radio station at such and such a time, 2 weeks in a row. One can phone in and the magician is able to move objects around in your home. I tune in both times and there’s no magician.

My thoughts are being read in real time.

Advertisement on T.V. features an blond and a brunette. I casually think to myself, are blonds or brunettes more attractive generally? Back to the presenter who’s suddenly sporting a brunette wig. She was blond a couple of minutes before.

I’m watching a talk show and as usual I’m hearing “double talk” (phrases or words which are aimed at me within the context of the relevant conversation) . So I think to myself, do they have big boards being held up by the crew on the side telling them which words or phrases to inject? Just then the camera moves over to the guy with the glasses and I see a white rectangle reflected in each of his lenses. When the camera zooms out again, I see that all 3 hosts are holding large white boards.

While I was looking for parking at work, I thought to myself, I might get a few customers, I might make a few pennies (this is at a time when I wasn’t getting many customers). I had setup next to the coffee shop and a while later I hear a woman behind me say something about “pennies”. I then hear somebody counting a lot of small change on a table behind me.

Police

One morning I’m on my way to collect my renewed drivers licence. I’m stopped by the police, there were about 5 cars. They are wearing bullet proof vests and some of them have guns. They want to see my drivers licence. That night about 13 cop cars pulled in behind me as I left work. One of them flashes their lights behind me, he wants me to pull over. I ask him what did I do wrong, he can’t answer, I ask him again, and he says he wants to see my drivers licence.

I go to the police station looking for a prop I’ll be needing for my “cop character” in the amateur drama production. As I get out of my car I notice about 6 guys standing about 3 cars down from me, eating lunch on a car boot. 3 are in uniform and the other 3 are in civilian clothes. I hear them laughing and saying “poes, poes,poes”. Poes is also used in the show. When I come out, the 3 guys in civilian clothes have moved over to my car and their lunch is on my boot.

Dreams - my dreams are being read and I believe they are also being implanted.

The cake dream

I had just switched to Sky news at the gym and a guy says ".....a piece of the cake....." and I suddenly remembered the dream I had last night. I had met some women, there was lots of cake in their apartment, I left but I forgot to take a slice with me, I wanted to go back for it but didn't want to make a nuisance of myself. Then I remembered another section of the dream, they had given me drugs, they had also taken the same drugs which chewed a **big hole** in the blond woman's earlobe. I started to panic and thought it would also chew a big whole in my stomach. The women said not to worry, that won't happen, the effects of the drug only last a few minutes and the ordeal is almost over. I then notice one of the Sky presenters has what looks like a red apple with a big whole in the middle attached to her pocket. 2 other presenters are wearing the same thing. (4 November 2008)

I get an email from the Salsa group saying "Hi Angel Cakes".

The doctor also asks me on the phone whether I eat a lot of cake.

The guerrilla dream.

I had a vivid gorilla dream. The next day a child line advert is aired incorporating a gorilla.

This makes me think that some of these dreams are implanted.

The coat dream

At gym today, while I was walking towards the back machine, I noticed a hand apparatus, woollen side facing upwards. This made me remember my dream last night. I dreamt Sharon and I had coats on. I had a beautiful cream coloured coat (the inside was woollen) and she had an ordinary black jacket on with no padding. She asked if we could swap coats, so I gave her the fancy jacket.

After looking at the hand apparatus, I looked up and a gym instructor was looking at me, he seemed pleased that I had noticed it.

Cottage

When I first arrived at the cottage, I noticed that at night I would develop an uncomfortable, stuffy nose. I later realised that if I slept with my door open, I wouldn't have the problem. Lately I've noticed, that when I sit down at my computer, my nose gets runny and there's a slight irritation in the air. Blood just ran out of my nose once. I suspect my neighbours are using strong chemicals and their focus isn't the garden.

I also asked why the previous tenant had left and how long he'd been in the cottage. The landlady said that he'd only been there 3 months and he had to leave because his chemical business had gone sour, he ran out of money.

My clothes are systematically being destroyed, I notice a bead missing here, a tear there, many oil patches, other stains which I can't get out. My shoes have been destroyed, it's usually one shoe from each pair. The zip of one of my skirts was totally ripped.

Conclusion

In a movie called "Watched", one of the victims is sitting in front of a coffee shop. "Victims are killed, no evidence is left.... the killer goes for loners and outcasts". This pretty much sums up the intension of gang stalking - to rid the target. I also agree with other targets who believe that we are being used to indoctrinate the masses into a police state which is part and parcel of the New World Order.

So that's the letter. Stay strong. It's people like you who give other TI's hope.

18/3/09

In connection with the responses you've received from the authorities 2004 - 2009, it doesn't look as if anybody wants to help. These people know exactly what's going on. The Politicians, media, the big corporates, everybody knows and they're all backing the gang stalking. People who would like to help feel as if they'd be farting against thunder. Certain gang stalking sites are also run by perps I believe. I receive a lot of e-mail from supposed "TI's". So I guess I'm also being stalked in print. I can't figure out why only 22 TI's attended the gathering in Strasbourg out of hundreds of TI's. Are there perhaps allot more perps parading as TI's than you think there are?

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Kind Regards, Patricia

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

7/11/09

HISTORY OF MY HARASSMENT CASE:

MAJOR HARASSMENT CASES AND DATES AFTER INITIAL POLICE CASE

As I a victim of extreme torture and abuse using DIRECTED ENERGY AND NEUROLOGICAL/PSYCHO-PHYSICAL WEAPONS, I am going through and towards a pathetically abnormal and painful life, full of pain, agony and suffering with helplessness. The criminal use of these on me are causing the following effects:- from January 2009 -

- # Complex control of the brain and nerves with electromagnetic weapons.
- # Violation of privacy through advanced satellite spying technology used on organised crime
- # Severe torture of brain, nerves and body parts through extremely harmful psycho-electronic weapons and poisonous chemical and heat radiation
- # Severe psychological torture through remote manipulation of brain and nerves
- # Criminal intimidation and threatening through advanced Neuro-Phone technology
- # Shock-waves to my body to make unable to move, sometimes paralysing phase.

INITIALLY THE TORTURES WERE LIKE:

- # inescapable voices inside my head and I'm not a mentally ill person
- # no matter where I am, a repeated instance where it seems my mind is being read
- # forced awakening, can't go back to sleep, as if I'm on high doses of caffeine and just opposite to give dose of sleep by unknown medicine (chemical reaction)
- # blowing cool air sensation on my body parts, due to get harmful chemical reaction to numb to move; felt that particular body parts have no sense, like paralysing effect in torture field
- # tortures with hypersonic sound and acoustic waves

GRADUALLY THE TORTURES BECAME LIKE:

- # total sacrifice of physical and mental privacy for 24 hours by psychological torture. Painful frequency penetration in brain's different sector (esp. mid-back sector painting 4/5 hours painful continuously) and get scalp keratin pigment damages. To begin with this brutal violation of privacy. Even though it sounds weird to the common life, it's a fact that I get tortured the most by faceless voices (three type of sex oriented voices M/M/F) inside my head, getting torture of manipulate my thought process by interfering continuously by their faceless voices. It is difficult to normalise my brain to do normal work, it remains helplessly mentally handicapped in this condition to get repeating lines – "Murder kore debo" – We will murder you. Voices always are navigating me to speak their language negative form of sentence and controlling my vocal cord to speak their way in domination. They don't even let me sleep at night something by controlling by their brain eapon to push me acute depression, uneasy life style, mental retardation and insanity. Sometime, feeling is coming suicidal. This is most sophisticated form of torture can lead to permanent insanity, brain embolism, cerebral haemorrhage etc..
- # frequent/infrequent attacks of chemical poisoning, which invalidates and incapacitates me slowly. These chemicals and dangerous harmful chemicals to acids to poisons, which are damaging me to a great extent.

#tortures with continuous intolerance foul smell that won't let me breathe/drink/eat, creaking vomiting sensation and compelled myself to vomit, weakness to my brain and body to feeling of collapse. Give me different types of smell which is widely related with our old house incidental memory.

frequent attacks with heat/chemical radiations, which can result in local atrophy of body parts.

invisible bullets through my brain to damage my brain/nerves completely and leads to painful stage inside the cortex.

very dangerous and damaging brain & dream manipulation and forcible fictitious, gross image projection in my brain with virtual reality simulation kind of tortures that crumbles and exhausts me down completely.

several attempts to choke at my heart, lungs and brain that gives me giddy, stiffness, burning/smashing pain feeling of weird kind.

several other kinds of bizarre and unbelievable tortures that would make any human go crazy, given medicine of abnormal brain response to make me abnormal.

attempts of criminal denigration and criminal instigation with a fabricated fictitious negative images. Negative subliminal messages also through songs, or through any source of sound.

sometimes continuous shrill, shrieking sound especially at hours of rest and at night, that effects nerves so much that can't go to sleep even with help of sleeping pills.

sometimes camouflaging me to give steroid type of chemical helpful chemical to sustain (faster walking, staying longer in semi-starvation level, high level of vision power) better to prevent understanding of their negative emotions or attempts towards me.

The whole exercise is so nicely camouflaged with huge hypocrisy and eye-wash that victim can be murdered in any moment or in continuous torture of their evil intensity in great helplessness in ocean of humanity that one can never be suspicious about real culprits and any idea about gravity of real situation. Here victim is in much of pain, agony, anguish and trauma associated with the whole exercise leads to damaging and deadly that ignorant won't be able to get any suitability.

To whom it may concern

Do not ask for whom the bell tolls, it tolls for you

Please do not turn a blind eye to our plight like our national governments. We are afflicted, we are facing extinction. Only you can put a stop to this savagery. Remind the national governments that they have obligation and commitment to honour international treaties and basic universal human rights laws.

The crimes are committed by rich educated men and woman who have the money to grease the palms of the powers that be to look the other way and let the persecution to continue with impunity.

Our national Courts are playing the numbers game. Whenever our complaints reaches the courts and are faced with the choice of saving an innocent person or holding the perpetrators accountable, they choose to save the perpetrators because they are rich.

Since when is justice a numbers game?

This electromagnetic torture, abuse and experimentation, and organized stalking is real and savagery and barbaric.

It is a crime against humanity. I need your Humanitarian and legal assistance urgently.

Mokopane Jeffrey Mothiba was an employee of Consol Speciality Glass from 2003 to 2009

Sister Tirsha Barnard is a nursing sister at Consol Speciality Glass.

All the other defendants are employees of Consol Speciality Glass.

2.

3.

Ever since the inception of the microchips in the eardrums of Mokopane Jeffrey Mothiba , Sister T Barnard and Consol Speciality glass and Consol Directors and Consol Group and all consol employee have been exposing radiation to the brain of Mokopane Jeffrey Mothiba from 2004 to today (2013).

Electromagnetic radiation
Radioactive Stress in radioisotope irradiation

12.
What does the ionized radiation do to humans?
Causes brain cancer
Causes brain tumors
Causes Leukaemia
Destroys lymphocytes (white blood cells)
Destroys leucocytes (red blood cells)
Among the long term effect is the damage to the somatotrophic hormone which increases the incidence of cancer , embryological defects , cataracts and life span shortening and genetic mutation which may have an adverse effect for generations after the original radiation damage.

It causes a condition called acute Radiation Syndrome which attacks the human body in the same manner that HIV – AIDS does and renders the body weak to defend itself against any infections, as such the Complainant is just sick. The scientific report will show the diseases the complainant has already from radiation poisoning.

13.
The Accused intentionally subjected MJ Mothiba to radiation with the intent to kill, incapacitate, to cripple and to cause irreparable bodily harm , radiation is accumulative , currently there is no cure for radiation exposure as such by exposing MJ Mothiba to ionisation radiation is tantamount to a death sentence.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

23/8/11

To whom it may concern :

Please advise accordingly :

I'm a South African Citizen who is constantly being attacked via " directed energy weapons" . This electronic harassment and torture based mind control is 24/7 with the attack being repetitive , with covert and covert forms of various kinds of mind control harassment technologies being targeted at me directly . The attack has been **ongoing since January 1999** when I was working in London(1999-2004) for a company called Goldman Sachs

I was working on a GLOBAL PROJECT CALLED THE GLOBAL MARGIN PROJECT : WHEREBY I DEVELOPED AND MONITORED A GLOBAL MARGIN MATRIX CONSISTING OF A WATCHLIST OF 15 OR MORE CLIENTS EACH CLIENT HAVING \$10MILLION IN THEIR MARGIN CALL ACCOUNT . This is when they started to attack me . My passport was stolen whilst i was the dutch embassy trying to get a shengen visa .

In London :

- Experienced nightmares and depression and crying (i don't have a history of depression) was not depressed or sad ,
- however the technology was beamed at me causing severe headaches , nightmares and depression
- mental functions impaired – loss of memory- , impaired speech (im a TV presenter and thrive on vocab) – impaired thinking – thoughts injected into you that are not yours .
- Suicidal thoughts WERE IMPLANTED THAT WERE NOT MINE (I TRIED TO COMMIT SUICIDE IN LONDON)

The perpetrators carried on attacking, **when I returned home in 2004 – TO SOUTH AFRICA** (after my mother visited London twice to see what was wrong with me) I managed to see person in New York that is a healer that helped me whilst I was in SA for 3 yrs

(I worked at Old Mutual Asset management co for a for 2 years , and the Project management team of the FIFA WORLD CUP FOR SIX MONTHS THEN THEY STARTED ATTCKING ME AT WORK AND I HAD TO RESIGN - I THEN LEFT FOR AMERICA

Whilst I was living in LA in 2009 , the LAPD came to my house and “ **did not arrest , did not detain” but took me to a drug clinic called Kaiser Permanente** . I only know this because after they physically abused me AND HELD ME DOWN and strapped me to a stretcher from the police vehicle(whereby the 4 police officers and one police woman physically abused me) thereafter putting me into a stretcher hands and legs cuffed I saw the name of the drug clinic **Kaiser Permanente WHILE I WAS BEING PULLED IN (I researched this afterwards) it's just outside of LA maybe 30-45 mins . I was drugged up** , woke up after being unconscious for about 12 hrs with updated implants inserted into my head , kept for 24 hours forced to take prescription drugs and my contact lenses were removed , all civil rights and liberties removed .

I felt like they had raped me, THE POLICEMAN THAT WERE PRESENT PUT THERE SHOES IN BETWEEN MY GENITALS AND WERE TEASING ME AND LAUGHING AT ME , THEREAFTER SEXUALLY AND PHYSICALLY ABUSED ME WHILST I WAS STRAPPED TO STRETCHER .

I approached several doctors in America who confirmed that I have been chipped and implanted can be tracked and tortured wherever I go .

My life has been turned into a horrendous nightmare, they are now attacking me 3X as much since I started work for Old Mutual in Cape Town SA

I am being extremely tortured and abused, THE PERPETRATORS ARE WORKING WITH TECHNOLOGY AND FREQUENCIES THAT ARE ILLEGAL IN SOUTH AFRICA OR ANYWHERE

If you would like for me to expand on the symptoms of the attack I can

- They are using a technology called V2K (voice to skull microwave hearing technology , various mind and thought reading machines to read my mind and thoughts. They broadcast via this technology voices in my head , they torture me endlessly with electric shocks to various parts of my body esp. my genitals
- This “voice of god “ weaponry was banned by the Government (voice to skull hearing technology) Nobody else can hear these except for me
- They attack my job – trying to sabotage my job , by attacking at work with this V2k they want to financially

impoverish me . so thought broadcasting is used (where you are forced to broadcast your thoughts out loud via this implants technology

- They have continentally terrorised me and stalked me from London , to America , to South Africa – I'm being constantly attacked and tortured
- I experience sleep deprivation, sensory overload, impaired mental functions and various forms of debilitating torture .
- At one stage I could not see for 2 days because my eyes were blood red torture to the eyes and constant tearing with the attack escalating at my previous job , till I had to leave my job – I could not see !!!!! this also happens when imp driving they shock my eyes via the invisible EMF (the CIA no touch torture or so they call it . !!! I have lost my previous job – was homeless and living out of my car for 2 months
- I tried committing suicide (because the torture was unbearable) until I found out that thousands like me are being attacked every day (I joined a website called mindcontrolvictimsaroundtheworld.com which has helped tremendously
- I AM EXPERIENCING ALL THE SYMPTOMS THAT MAJORITY OF MIND CONTROL VICTIMS EXPERIENCE AND STILL ALIVE – I TRY TO KEEP ALIVE – THATS ALL I CAN DO NOW !!! Unless you are able to help
- Please note that even the scientists working with this technology in the early 70's committed suicide – now the perpetrators are trained by programmers and psychiatrists and physiologist on the programming and training sites . I have a list of all the names of the programmers and sites for mind control and training if needed

I demand that the perpetrators be punished (put away for life) for using this illegal and outlawed technology against me and everyone else

These cowards need to be put in jail for life .

Would you allow your wife and child to be raped every minute of the day in every way whilst you went to work ???? This is exactly whats happening if no- one stands up and tries to stop this , you and your kids will be targeting and the best part is no- one will know because this has all been kept so hush hush by the Government . IF nothing is done now to stop this , we will all become targets , your children and your children's children will suffer from this horrendous mind control agenda.

I hope that this letter gets passed on the right people . Please help me no-one in South Africa has even heard of this because the government has sought to keep the public constantly uninformed or misinformed

If I don't get help here, I plan to approach Carte Blanche Investigative reporting journalism and tell my story to everyone in South Africa !!!

They want to and like to pick on single foreign females(70% of targeted individuals (It's) or mind control victims are women) that are living alone overseas , so that no- one will notice and they think that we are easy targets for their electronic harassment and mind control . No- one will notice while they torture you or behaviour modify because they attack is invisible to the naked eye of a normal human being .

This cowardly behaviour needs to be firmly addressed throughout the world

Please take a moment to read the case summaries below from people in Africa and Middle East

Mind control Victim in South Africa - Michelle naidu (TV Presenter and Lawyer)

I need to do an advanced MRI in south Africa ???? Anybody has done one and got confirmed results -----
-pleeeese let me know

Im born in SA lived in London for a few years(1998-2005) when they first drugged me and chipped me - then LA and Vegas for a few years (2008-2009) where they came to my apartment 4 policeman and one policewomen-

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

17/4/09

I have introduced myself here though I knew that I had not suffered much like many other victims yet I wish people in this planet earth must know what other victims enduring across the boundaries, the differences between the torture methods, the various tactics and traps being used.

Until twelve, I'm not a bright student, failed in some subjects, after I had passed without fail and become more interested in mathematics and I sensed the difference. When I'm fifteen, psychological teacher liked me because of my innocence (she used to say) and she told to our class about visualizing future dreams, if some nerves triggered from backbone to brain, it stimulates some brain functions, then human beings able to interpret the future. At that age I neither believed in god nor in future dreams, I thought it's impossible. From seventeenth, I used to think always about teacher's speech and started to get some dreams about future events though I'm unaware of it at that age. I used to think about god, mind and soul. It seems that some knowledge about God has been given to me. I started to think there is a possibility God may exist. I'm fond of yoga and am doing it occasionally so I thought because of doing yoga I got the future dreams.

Then I entered college, first year had gone very smoothly without dreams, insults, changes inside body. In my second year, I had been subjected to lot of differences. Few more guys started to love me for my character, abrupt

changes inside my body which leads to vomiting, stomach upset, continuous fever and physical as well as mental change, had been insulted, subjected to fun by my fellow students. And these continued till final year, in the end due to circumstances I'm marked as bad character women by my dear friends and endured more insults. After final year, due to short term memory and mistake, those who loved me, left me forever, not even bothered to express their love directly (Assumption but it will be proven true by mind reading the people). But the future events and some wild dreams had been shown to me which has exactly happened after the dream.

Future dreams shown to me around 2004: College student has been caught for copied in exam, my friend wearing a brown saree (costume), my relative's death (I came to know it before 2 year interval of death date of one person and for other person it takes just 30 minutes interval), my college student's mother death (before 1 week interval of death date) affected by cancer though I don't know at that moment that she was affected, marriage of couples (VIP's, celebrities, my friends and relatives), death of more number of people by tsunami, exact picture of a car floating on the beach river and the river flow in the tsunami affected place. About upcoming films and film scenes, politics, the world affairs, bomb blasts, floods, new world order motivation (i.e. one culture or tradition or religion), the end of world days (i.e. seem and shown like as the planet earth revolution stop, may happen in the future) and biological technology and mind control technology.

About my life: My future, my love, love failure, how tsunami will affect me, how will I be married with a guy by force and not by interest, jobless situation, journeys, disease, about my personal insults and the people I'm going to meet and my discussions with them. It has been foretold to me that as long as I live, my life will be miserable one always and my nephew going to face an insult in the future. My ideas, thoughts will be reflected in the environment surrounding me. I used to think recently about the death of poor and middle class people always when bomb blasted and after few days of my thought it seems, the bomb blasted in the taj and oberoi hotel in November and killed some foreign visitors, rich people and some people in the railway station.

Realized about this technology:

Once again following are my assumptions but it will be proven true by mind reading the people those involved; I confess that I don't know the exact truth myself and I wish I knew the truth:

Meanwhile a rich guy entered in my life, loved me and helped with my father debt and these things happened indirectly or it may be gang stalking by some, though I doubt it strongly. I didn't love him and there are a lot of differences between him and me. Due to certain circumstances, he was unable to marry me. Thus we parted even though he still wishes to help me a lot. I'm unable to accept his help or offer always due to my ego or character.

Due to babble out of tsunami dreams for psychological reason (I need to confess here: I thought I'm gifted by god to interpret the future events and I beg your pardon and god too (if god exists) for my stupidity; Not only me but also some other victims too (whether they were aware of mind control or not) they had been made to believe that they were gifted by god and later advised to consult the psychologist for unsound mind) and at the same time that rich man (Rich people might think they will use this satellite surveillance for their own safety against danger) thought it's must for my safety, my family and he had made my life come under 24*7 satellite surveillance from 2005 officially. If possible my life had become downright terrible from 2005 though I enjoyed a little benefit by that rich person.

With mind control, they (my family with the help of rich man by gang stalking through media) made me to think like I'm HIV, schizophrenic, cancer patient going to die within a year, made me to desire for marriage. They made me jobless for this reason, made me to fall in love with men before marriage for the reason (I don't want to marry anyone in life and I wished to lead a single or mate less life) to prove I'm unworthy of it and it doesn't going to bother me to continue my life with another man, always made me embarrassed in the office (for this reason I left my job) and later they made me to accept my marriage like they are going to marry me to the person whom loved me. I'm unable to tolerate the torture of my family, I ran away from my home without any money with me and I returned home on that some day went out only for a short distance. Family used this issue to scold me forever and they compelled me to marry. Before 1 week of marriage only, I came to know the bitter truth. Parents and husband agreed secretly with this issue. I tried for suicide, closed the bathroom door, hanged in the rope, then I lost my conscious and went to deep sleep within seconds, later I got my conscious and seen myself lying on the floor, got hit in the head, swelled rapidly near the eyebrow like a size of balloon. Though my family prevented suicide, made me lost my conscious, opened the door (already loosened the door to open it easily when they need), saved me, and then closed the door and pretended like they don't know anything about it, they shouted, what's the noise inside bathroom? I lied that I slipped in the bathroom as I don't have any proof of the fact that they don't even let me to suicide. Husband and family secretly agreed with their terms and conditions before marriage and he acted with me

that he doesn't know anything about me. My parents told him that I had already loved someone. First he accepted that he didn't mind that, want to marry me. Parents told him that I'm undergoing medical treatment for dream phobia about tsunami, for this too, he didn't bother. He told he will marry me in the condition of marriage should be done in a grand manner. I told to my parents, I don't want to marry my husband. They blackmailed me that they will attempt suicide. So I married him. I think husband become much aware about this mind control technology to some extent. Before marriage, husband showed him as a kind gentleman. But later, he showed his true colors. After marriage he showed me tsunami related films and had taken great advantage of my condition. Husband utilized technology for his benefit to make me behave in the way like he needs me.

Mostly women's will become decent slaves after marriage in the name of customs in India in some cases and worst slaves in some other cases and with mind control it will become more terrible slave life.

My life after marriage: Father in law always criticizes and shouts at me for something. Later husband started asking questions like; do I have any previous sex experience before? How many men considered marrying me? Why didn't I prefer US groom? And he continued like this and it irritated me so much. He told me that if I do a job then I need to give him the salary or to tell him the details of expenditure. He always made me to beg for everything. I need to quarrel with him even for simple things. He won't give me any amount for my expenditure and if he does then I need to give an explanation for long, he lectured for some time, when I got irritated and told him that I don't need any money from him, then only he will give me. He known well that I didn't like him but he enjoyed me well and it doesn't matter whether I'm interested or not, he always complained about me to my family if I didn't cooperate with him, then my family abused me in the worst way, so I left out with no option but to show him I'm interested with everything. I compelled and tried myself to show interest.

He behaved differently with me before my parents and his parents accordingly. He even told me that he will scold me always so that I will behave properly. He asked me questions about my previous job salary and what I did with them, about my parents' properties and about our bike, like who owns them. From these questions I came to know about his greediness. I strongly suspect he will demand, is demanding or had already demanded dowry in secret.

Now, my parents know what he had done to me, but they still want me to live with husband. I didn't want to live with him and a trap has been planned to make me live with him just like a same trap that had been planned before the marriage forced me to marry him. After all the harassment, husband still tries hardly to make me his slave forever. Neither they are not going to allow me to get divorce nor will allow me to get a job as well. Once again they will make me to forget everything and make me to love my husband without my consent. I'm living like a prisoner in my parent's home.

Physical and mental changes of my body:

I always get a red rash and itching at casual interval once or twice a month and a mark will appeared like an injection had been injected during night. After few days, the skin swollen and blood will pour out from that mark and still the reason kept mysterious to me. My mother used to say that had happened due to heat and of the poison inside my body. Like many other victims, I'm too encountered with nightmares, bad dreams (not like the future dreams once I got). Suddenly, the body temperature and blood pressure remains low and become high or normal, broken sleep, often dizzy, head ache, the skin shrink and grew older and suddenly it will look young and youth, face will look normal and become bad looking sometimes. I used to get an electric shock when I touched water, washing machine, etc and it had been explained because of a fuse in the main circuit by my family and the neighbors too accepted that explanation, they told, they too got an electric shock like that. Still a pain like an electronic shock will be generated at various parts of the body occasionally, a pain like heart attack and a pain in the bones of finger rarely. I'm coughing daily for five minutes when I'm slept on the bed or sofa. Rarely a buzzing or ringing sound will be heard and only once I heard a voice issued an answer in response to my question inside my head.

Once again I sensed a difference in my character and thinking. Before 2005 I used to feel like: god and me conversing within me, capable of reasoning and thinking. Now it's stopped, I'm trained to think in one, single way like a robot. Now I'm aggressive, person of no faith, emotions, kindness and hope. I will start shouting when the temper raises without my control over it, as though someone forcing and will realize my anger only after I shouted and unable to stop it. Constant changes occur to body and yoga has no effect on this technology.

Family's reaction to gang stalking: Even though there was a fight among parents, but they never scolded me and treated me well and we had been lived as a happy family. But after 2005, everything has suddenly changed. Since 2007, I stopped talking with my family and there has been issuing a lot of quarrel between me and my family.

Mother has been giving me a warning that I will face terrible situations in future and it seems that they are going to make it or already been planned. My family always shouts and fights for anything to make me angry and stupid and they want to express their idea by shouting and still using television shows to chat with me indirectly. I had once detected an evidence of local television contact number in their mobile which is used for gang stalking. I asked them whether they are reading my mind; my family simply replied me that they were not but doesn't want to come to psychologist in the first place when I asked them to prove themselves by visiting psychologist with me. For them now, I'm a person of unsound mind, cruel intention, selfish, etc because I'm not speaking with them and to my neighbors. I didn't meet any psychologist directly in my life yet. I'm unable to tell them that I'm not responsible for this and at the same time I have a doubt they had known about the technology, they torturing me either with the help of technology or not. So I'm in a confused state that whether I ought to tell them or not. And this confusion leads me to great torture and provided a wide gap between my family and me along with every other problem. My nephew is not an old enough to know he is a victim too. And he was being used to act like they need him and it's horrible to see it and can't able to do anything against it. They don't even let a child to lead a free life during childhood.

My home has always been unique one from my childhood by the fluctuations of electric current. The neighbor's home and street light had different connection and we had a separate current connection so we are the ones left out and has been living always with casual voltage fluctuations. Computer has always been facing some problem with it when I decided to do something important and often attacked by computer virus; scarce water flow; noise level will be up and down automatically, no visual for short period of time in television set. Else, on the contrary, neighborhood lives with sufficient water flow in the tap, without voltage fluctuations, without any identifiable problems.

I had worked in a company once back. Company viewed me as an employer with minimum skills. They tend to give me inefficient job when compared to others. My colleagues scared to discuss or share anything with me because they know that the higher authorities will come to know whatever is in mind or whatever I'm thinking. 'Love trap' had always been planned while I'm working to make me embarrassed. Though I do not wish to love anyone, I had been forced to show I'm impressed on them and they do will act that they fall in love with me. So I will quit the job and it will happen to me wherever I will go to do a job. Another trap named as 'unsound mind trap' had been planned too to show me as a stupid person who gone mad. They will use this 'love trap' and 'unsound mind trap' whenever they wish, to make me desolate, to cut my relations and friendship with others.

When I'm gifted with knowledge about future dreams, either it will be really a dream then it lead to the fact that everything is true including mind control or else it's the work of mind control technology which lead to the fact that they had already planned all these things and they decided to show me a glimpses. Being a mind control victim, suffering the torture is worse, but being a women victim, it's so horrible and may subject to not only physical, mental, emotional, financial and verbal harassment but also sexual harassment too.

Joy and sorrow moments will always comes for generations in our life in planet earth to every human being, so I wondered what the difference between god and mind control is and I deduced that god let us to choose the path freely whereas by mind control, we don't have that freedom. Some might telling to follow the god chosen path in this difficult times of advanced technology, but I wonder how will we achieve that when we being denied of our freedom and choice by this technology, then the warning given by god messengers, I think is pointless. The solution left to us is standing by justice and truth. I think this technology need to be demolished whether it exists for good or bad. At least I wish world must aware of this technology whether we will be able to get rid of it or not.

I have been blackmailed by them that I will be trapped on false charges if I cross my limit by gang stalking. I need to say that I'm scared but at the same time many were experiencing injustice and I wish I need justice for all. In Bhagavath Gitai (the holy book of Hindus, recited in the midst of war), it is said that man should do his duty without expecting any profit for him and he need to stand by his duty whatever the consequence will be. I wish to stand by this recitation but it's being difficult to me in these days.

I strongly suspect that control agents handpicked some victims only for torture, even everyone are victims; they will not allow the world to know the truth, and by this trap I think they were going to maintain it in secrecy forever, so our chances are low; I often wonder why they let us even know about this technology.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Thanks for the reply - I was very happy.

Yesterday just after you sent me an email they changed my codes to Skype and my email.

I'm still blocked even though I changed the codes they are not allowing me.

I have a new computer I got from Sweden. Excellent computer, but they go in the hotel room when I'm not around, then they control it wirelessly.

I have a lot of experience and information about their methods. I know the hunting methods in Sweden and Israel I learned sales, secretary of the hotel and hospital and littel mor.

I know exactly when they started their expirement, and what a time and year implanted in my body. i culd See and feel the changes in the body and in the environment.

One very important thing is that you need to add to the group the people you are hundred percent sure ar TI with evidence.

I've found that meny people in the Facebook ar software developers for implants. They claim they TI but actually they keep track of activity and our conversations.

I would be very happy to receive information and I need reliable people to talk with.

I want to talk to real people who actually persecuted by this terrible technology.

I tried to talk to some friends on Facebook, but they will not write or talk on Skype.

I do not know what they ar hiding.

i need a fast and reliable software to save photos and pager.

I hope that through you I can make contact with real TI, And help with my knowledge.

I'm sorry if there is a problem in understanding the letter, Google can not translate well the language work. I even helps them to translate correctly.

thank you very much to have me in the gropp i need it.

I'm a victim of electronic harassment/ mind control/directed energy weapon/organized stalking & torture.
In 2009 I started to notice changes in me which I couldn't explain, until in 2011 when I learnt through a stalker that my mind is being read and used against me. Not only in my home but anywhere I go.
I demand an investigation on these dehumanising crimes against humanity.

Hi to you all. I am new here and need to read a lot on this forum so that I may learn and understand. Though this is a Europe Forum, I hope it is ok to be from South Africa.

Strange things have been happening to me since the year 2000. I will explain in detail at a later stage. Could I be the only one that hears voices that seem to come from my chest (lungs). ? I believe that I am being Electromagnetically harassed. Nice to be with people that would believe me, share with me and understand.

Respected Sir/Madam,

My name is Mani Ramachandra Prabhu. I live in India. I was a TARGETED INDIVIDUAL for last 5-6 years. i am sure somebody is using mind read & mind control against me. Also i was connected with USA. Because my ship before 7 years was trading in Iraq (during war)for 1 years where near my ship military excercises was going on. I was innocent & i don't understand why they have selected me. Team working against me is working for USA. My life has been totally destroyed by them.Also my Laptop fan along with that some voices are coming.TV, all electronic devices in my home are having something through that i am having continuous harrasment.

They made all the people around me i was crazy. i could realise only after seeing website StopPsyWar.com. all the things in the website was true. and i am 100 % sure i was targetted individual. and people in india along with USA officials are working . i could hear clear definite voices from fan, tv, laptop,

please note my aim is make an aware to you that still today mind control & mind reading is going on. i couldn't type this msg properly due to voices in my head & words are not clear. i am working in merchant navy where internet facility is not avilable and i am unaware of the psywar till yesterday. i am now in holiday so i could access net. also important pls note i am sure US Navy is deploying submarines secretely along iwth merchant vesssels. my ship is travelling all over world along with submariness. Even though i feel it very strongly i can't prove it due to mind reading, mind controlling of my own.the purpose of it i don't know but strictly against any law.i am totally

being zapped & even this mail is not personal.

please forward to all concerned parties. save humanity.PLS SEE <http://www.stoppsywar.com>

please note there is a lot of msg/information i have but you possible lost my msg. so i attached a small file, pls see indian people are undergoing LRAD & other mind control tech. without their knowledge.because of lot of indian people ignorance. i can't do anything because there is no definite rule here.i cant prove Group stalking is going on. please must visit <http://www.stoppsywar.com>. if possible pls see relevant mind control videos

Another Findings:

Hi guys, I am sure this gangstalking, electronic harrassment is totally connected with Hollywood Movies/ Film industry. The perp/ stalkers is Watching every part of a person's life . sometimes he changes persons life for his movie. Like making loose his job,etc. The story he collects from everybody's life is so much real so when watched by people all over world it gets hit. The producer, Director makes lot of money along with perp. I am 100% sure of this because movies came in tamil,hindi even some english movies representing my life's diary. for eg movies like "Inception" which is really true movie. Also if you see "Johnny English Reborn" there they use a drug for mind control.

Also by putting in the beginning of any movie "The following story is based on fiction if it relates to living or dead it is coincidental" something similar will be displayed . so nobody can blame perp/producer. more than 1000, Lot & Lots of movies made by mind read,mind control & stealing other's privacy. All is about money.People are not realising, Real true life of others has been shown in the movie they watch forgot & keep going. They should be careful they are making wrong people rich by watching their movies. i could not type properly, worlds are confusing in my head too much . I am under mind control, voice to skull,,please realise the importance of what i am saying. Make movies so all ordinary people should understand perps work. I like to take the movie of my perp.then he/she may realise their mistake of staling other persons privacy without his knowledge.

Message: Hi guys got internet after long time . I have attached one of my close friend's ganesh message, please read it & if can please post this blog/msg anywhere you can & wherever you can so that atleast whole world knows his story because at ship I don't have availability of internet for long time.

TRY FAILING IS BETTER THAN NOT TRYING to expose the truth

Hi guys,

This is a real true story of my life. My name is Ganesh (name has been changed to keep privacy). The main thing what I like to say is "organized stalking" "Mind Reading, Mind control Technologies" "Implants in body" "Electronic Harassment" "human experimentation" are so true. I am suffered by all of the above. The world should read this & let the whole world know how they misused technologies.

I have sailed in total 6 ships. I actually giving my latest happening to earlier.

Year: 2006-2013(all 6 ships)

I hear in all my 6 ship voices from 2-3 different places all over ship. When I was listening to the girlfriend like voice talking friendly with my mind. The other voice continuously give subliminal messages to make my mind tired/crazy. I could not realize half of the time that there is a second voice. So it is well planned to cheat me & make me crazy. I AM 100% SURE NO GIRLFREIND IN THE WORLD WILL TROUBLE LIKE THIS. They are making up everything to cheat persons around me & my parents. 2)Not only that I was suffered by "organized stalking" in that same ship. Someone will be keep on talking in vhf (vhf is ship's radio used in emergency & communication. We use to keep listening so that other ships could call us) continous vhf talk based on what I think& make me tired. 3) My eyes has been used like a smart phone camera lens. I used to see clear images shown by them even if I don't want to see it. They even recording continuously what I am seeing. The result is my eyes

will be very very tired . My eyes need rest & if I go to sleep I will keep on seeing images in my eyes which I can't stop. They use this tech. to stop me also. When I work very interestingly & if they don't like it . show some images in my eyes which in turn makes my eyes hard & tired which could result in discontinuing of my work. 4) Time - this people who works secretly against me is controlling the satellite based GPS time. GPS is made in USA. Not only GPS , my watch, general clocks, they are remotely controlling them. They used to make me work more when I am tired. They used to reduce time when I am working with interest. When they control time remotely using tech. they do whatever they do. Nobody is to ask them. 5) Implants- The main way they controlling me is by placing implants in my body. Not in just one place Throat – controls my breath & I feel someone's voice imitating same like me in throat. Left ear- I used to hear continuously no matter wherever its not just voice from fan/tube light its mainly from my left ear I think its coming from some where else. Stomach – I felt like small hard stone like object in my stomach . It used to give me sudden immediate hungry,etc. I scanned my stomach. First doctor told me there is stone in kidney after few minutes he said that there is nothing in stomach. Most of the doctors in India are corrupt. Male organ- Yes there also I feel some sort of regular time interveled pain in one of nerves there like a frequency emission from implant.

You could notice from the above how many technology they are using against me its not just one. Not too many people could bear the pain of one technology. Also for more than 12 years(every second) till now? What happened to the Humanity in the world. All the doings by them made me mentally bleed I was very very tired I went to stress like anything i could go in Nervous breakdown at any time. I could not do anything to stop them. In my mind I give them all the reason to be human, I asked why r u doing this? I begged them without shame? But the torture continued like anything.

On land: since seeing so much trouble at sea if you think land is better definitely not. I used to get 3 months rest on land after 7 months at sea. During when I was on land same trouble. My parents believe them more than me I don't know what false reason they have given to them. My laptop, my room fan, my house tubelights, Bus, Taxi, train wherever I go they troubling me with subliminal messages. Also so many items at my home start giving so much noise with subliminal messages. If I complain about this to my parents they have been given some other explanation by perps without my knowledge. They do almost all the troubles same like at sea. If I stay at land troubles same with less income & poverty.

Family sufferings:-

They have not only affected me but also my family. 1) My mother has got "Breast cancer". You know it could be result of secret radiation using around me. 2) I was very much close with my sister's kids. Because I love kids. I used to see unusal behavior from those kids. They used to reply for what I think. How they know what I think. Also they will talk ,what perps what to tell . It could be implants in a three year old baby. But result after 1 year the kid was having vomit,fix due to nervous problem. The kid could be almost dead. She was nearly went to serious condition. The kid was recovered after serious medication. But they have not changed. Secondly my second sister was having a son. He was fine & just 1 years old. I was always too close with kids. One day all family except kid with one of her grandmother went for shopping. Next day the kid get slight fever. Later kid struggled in breathing. I think definitely implant in throat. The kid was put in ICU. Their parents crying like anything. The doctors somehow managed to bring kid back alive. But doctors give some reason for everything. Normal people like my sister will not question doctors & cannot think so much far. I still could see so many kids responding & replying to my thoughts. Kids are not supposed to be treated that way. How could they try any technology on a three year old baby? What will you do if it was your baby? **If we don't group, find & stop this technology then it could be your baby next to try this technology.** I understand they have used tech. on my sister kids only after 7 years otherwise I must explained to their parents / questioned the doctors. I learned mostly from stoppsywar.com, peacepink, freedom from covert harassment etc.

Went to London for promotion exams(2008-2009):- I decided to quit merchant navy in London during my promotion exams. But my parents, friends, they (perps- people doing bad to me) told me not to quit. If the perps main purpose is to make me quit merchant navy then they should not have stopped me. I am not sure why they are doing things? But definitely I don't think for any good reason & no good people will do this kind of work.

College (2004-2005):- I joined a Merchant navy college where strange things happened I felt strongly 100% someone is reading my mind. I even asked one day my father can you listen to what I am thinking without I am saying They said no. Before even joining ship they started using Mind reading tech. Who? Why? I like to tell

about my friend here in college. He is really strange he is to pray all the time, close his eyes during class like watching something inside his eyes . I was having serious eye problem. It was itching inside eyes all the time. I had seen plenty eye doctors. Nothing worked. One day in the middle of the class I left the class due to heavy eye pain. It made me very mad. This people have never cared about my pain.

Childhood:- My story from childhood I was from middleclass family. I was honest & happy. I was not talked with any girl of my age. I usually avoid girls. Till 17 th of my age. They learned about me & started acting like a secret girlfriend. They used female voice around me wherever you go. After that I felt very much someone is following me. I was been separated from others. I could not find any reason. I decided to join Merchant navy. Everyone said no. But I don't understand why? Finally I got permission from my father.

Final :

Humanity is not been cared by anyone. What kind of pain & sufferings . I have had even without knowing a reason? What kind of people will be happy to watch other people suffer? Please find the truth, tell to all your friends. End this Hi-technology operations SAVE HUMANITY. Almost 12 years till now I was suffering like anythings. Still I don't know how many more years.

The perps make things happen but it will look natural. Like a human commit suicide due to mental pressure. But they will give mental pressure so that victim will commit suicide. Like sandy hook school incident in USA. I was given so much mental pressure everyday by them to commit suicide. But if I do it will look like suicide only because perps hides, but it is a murder. How long they can cheat like this? Nobody can hide things? What happened to this people? Doesn't they feel very hard to watch other people to suffer?

For normal people who are unaware of perps. Perps looks like normal people but they do bad undercover operations. If anyone comes to you & tells to do something against another person i.e. pls to what I tell / act like a character / respond to his thoughts, in the name of victims secret girlfriend/ friend . please don't do it.

25/11/13

FINDINGS BASED ON MY EXPERIENCE IN LAND & IN MY SHIP

1) ACTUALLY THEY ARE DOING "MIND CONTROL EXPERIMENT" USING MIND READ. & "HUMAN MIND BEHAVIOUR EXPERIMENT"

2) REMOTELY EYE MOVEMENT OF MINE DURING I AM DOING JOB. NOT HAVE HUMANITY IN THEIR WORK. I AM A HUMAN BEING NOT A MACHINE TO SEE THINGS CONTINUOUSLY IN MY EYE SHOWN BY THEM.

3)HUMAN RIGHTS VIOLATIONS & MIND CONTROL EXPERIMENTS IS NOT ALLOWED. LOCAL HUMAN RIGHTS TO INTERNATIONAL HUMAN RIGHTS – COMPLAINTS MUST BE MADE.

4) THEY WILL ALWAYS TRY TO CONTROL ME TOTALLY.

THEY DON'T WANT ME TO SLEEP EVEN IF I AM TIRED .THEY WILL FORCE ME TO SLEEP EVEN IF I AM NOT FEELING SLEEPY. THEY TROUBLE ME TOO MUCH TO MAKE THINGS HAPPEN, WHAT THEY WANTED.

5) SOMEONE ALL THE TIME (24 HRS) TALKING LIKE ME, USING MIND READ TECH. SAME UING "IMPLANTS" IN MY BODY. WHAT I ACTUALLY THINK – THEY MADE ME BELIEVE IT WAS NOT MY THOUGHTS & IT WAS SUPERIMPOSED IDEA BY SOMEONE. WHAT I DON'T THINK – THEY SUPERIMPOSE A THOUGHT & MADE ME BELIEVE IT WAS MY THINKING.) THEY ARE DECIDING WHAT SHOULD I DO BY TALKING LIKE ME THROUGH "IMPLANTS" IN THROAT.

6)IN MY WORKPLACE XEROX MACHINE – NOICE (NEGATIVE SUBLIMINAL MESSAGES) COMING MAKING ME HEADACHE, TIRED.

7)CONTINUOUS (24 HRS) VOICE (SUBLIMINAL MESSAGES) FROM FAN IN HOUSES, MOTORS, CAR ENGINES,etc., IN SHIP-VENT OF GMDSS BATTERY, RADAR, PLENTY PLACES IN BRIDGE (BRIDGE EQUIPMENTS ALL MACHINERY SPACE VENT). FULL BRIDGE EQUIPMENTS HAVE SORT OF

SPEAKERS. VOICE IS COMING FROM ONE PLACE TO ANOTHER FROM THESE VENT AS I MOVE ALONG.

8) ACTING LIKE MY DREAM GIRL FRIEND TO MAKE ME TRUST THEM / LISTEN TO THEIR SUBLIMINAL MESSAGES. WHAT KIND OF GIRL FRIEND WILL DO SUCH A UNHUMAN WORK?

9) REPEATING SAME WORDS AGAIN & AGAIN & EVERYTIME REPEATING A SMALL BEEP SOUND @ REGULAR INTERVALS TO MAKE MIND TO FEEL TIRED / BORED WHAT THEY WANT (SOME SORT OF PSYCHOLOGICAL WORK).

10) UNLESS YOU COMPLAIN THEY WILL NOT REMOVE IMPLANTS. TRY TO GET EVIDENCE AGAINST THEM.

11) HISTORY CHANNEL VIDEO REGARDING MIND READING WAS CORRECT. SINCE IT IS SURE THEY ARE DOING MIND READING. WE NEED TO FIND A WAY LIKE A MIND FIREWALL SO THAT OTHERS DON'T STEAL YOUR THOUGHTS

NOTE:- ABOVE ARE MY OPINIONS ONLY & READERS MAY HOLD DIFFERENT OPINIONS . I AM NOT RESPONSIBLE FOR ANY OUTCOME. MY MAIN AIM IS HELP PEOPLE & MAKE PEOPLE AWARE.

I have knowingly been a targeted individual for around 4 years and i suspect this has been going on for at least 10-15 years or more. I am living in perth and under constant harassment, mainly through gang stalking. They know everything I do inside my residence and what i think about. I have been researching this subject for some time and come across words of interest such as radio frequency, microwave, remote neural monitoring, ultrasound, Illuminati, Illuminati and the music industry, Illuminati sacrifices etc. I am having real difficulty carrying on with my job since they continue the mind games even at the workplace. I sometimes get abdominal bloating followed by a severe headache when i am trying to do something (like meditate) but not sure if it is an attack or just a medical condition. hard to prove. How does the public receive the messages (the victims' data) ? is it to their cell phones or do they carry some other electronic device ? who is behind this ?

I tried to convince a workmate (he is friendly but does the stalking) that what people are doing to me was wrong. But he has the impression (like many) that this is been done to me because i am quite and shy and when i start mixing more with people, it will stop. I think it should be the other way around. It shouldn't be done at all in the first place. People treat me like a domestic pet where they can reward, punish (based on my emotions) and do what ever they like and get away because everybody around is there to back them up if i resist.

I have experienced the stalking in a developing county as well - Sri Lanka (i am a migrant from Sri Lanka). So i

am pretty sure that what ever is going on is happening all around the world. I am wondering if the Free Masons who have connections all around the world (also maybe within the military of different countries) have something to do with this. I am really fed up with this crap. Who ever it is, they are a group of cold blooded murderers who slowly torture and then kill people (by suicides and other ailments).

from Cheryl Welsh www.mindjustice.org,

Tek Nath Rizal is popular and human rights groups like ICRC, Am. Int., U.S. Dept of State, consider him an historical political figure, and similar to Martin Luther King, in his country and Nepal, so this is significant progress... For the first time, a variety of medical, government and military professionals publicly acknowledge secret EMR mind control weapons for interrogation and torture in prisons and on POWs, prisoners of war.

The 2009 book "Torture, Killing Me Softly" by Tek Nath Rizal alleges government mind control torture with secret electromagnetic radiation (EMR) mind control weapons. Tek Nath Rizal was a prominent government consultant to the South Asian country of Bhutan, before he exposed corruption in high places. He became a popular political figure and internationally recognized human rights activist. His book is about his experience of several years of imprisonment in Bhutan with an emphasis on the EMR mind control torture. The U.S. Department of State and Amnesty International regarded Rizal as a political prisoner and won his release from prison. Rizal has written several books, some of which included his accounts of mind control torture. The books have been very successful in South Asia.

Against all odds, he published this book, "Torture, Killing Me Softly." Mindjustice.org extends our deepest thanks for his great effort and sacrifice. I highly recommend this well written, concise and ground breaking book. For the first time, a variety of medical, government and military professionals publicly acknowledge secret EMR mind control weapons for interrogation and torture in prisons and on POWs, prisoners of war. For example Rizal writes:

Dr. Gurung had served in Military for twenty years. He had actually worked for four years in the quarter guard unit where prisoners were kept and the mind control methods were used on them for procuring information and as a form of torture. He was also surprised that how I was alive, even after this torture. He also understood the gravity of my case as he had been well aware of the ill-effects of this kind of torture.

A highlight of the book is a foreword by Dr. Indrajit Rai, a Nepal member of the Constituent Assembly, and an influential conflict/security expert who is often quoted in South Asian newspapers. Rai is director of the British Gorkha College, Nepal, and served fifteen years in the Indian Navy as Lt. Comdr. Rai taught at Army Staff College, Katmandu for seven years. The title of the foreword is, "Mind Control Device on Tek Nath Rizal." Rai described Rizal as one of the "historic political personalities" of South Asia and corroborated Rizal's account of mind control torture, surveillance and targeting, with references to Rai's military sources from his own extensive military background. Rai advocates the banning of mind control weapons.

Rizal's book sounds like a science fiction horror story about torturers using futuristic brain torture tools in a very medieval fashion. But the facts show that it is much more. The U.S. and other major governments have harnessed science and technology to develop secret electromagnetic radiation (EMR) mind control weapons for intelligence purposes, for interrogation and torture, and for neutralizing the enemy without killing. Included below is a list of

EMR mind control weapons monitored by the UN for decades.

Rizal's book is one of the most convincing allegations of government mind control targeting in a long line of high profile mind control claims of torture and political repression. Another case is the 1997 book, "Mind Control Within the United States," by Kai Bashir. The book, (available on amazon.com,) is a riveting and chilling account of mind control targeting in another small South Asian nation; Pakistan. Bashir's mother had tutored the sons of Z. A. Bhutto, President of Pakistan.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Organized Stalking and Directed Energy Weapons torture, from Trivandrum, India since 2000, which I realized only in 2003.

Since then I have been subjected to several sensory modalities like visual, olfactory and tactile hallucinations, thought conversation, threats of being burnt alive and torture in the form of spasmodic pain. Twitching of muscles can occur in association with a stimulative thought.

Suspicion first arose due to repeated incidents of strange but marked coincidence. Even my wildest thoughts were being spelt out by people around me with a sense of rebuke. I suffered social isolation and found myself exposed to deliberate situations that could endanger my life itself.

I concluded that there was some kind of a continuous monitoring device. At that time, 3-4 years back, I was totally unaware of mind control devices and hence could not make out exactly what was happening to me. Since the psychiatric DSM and ICD classifications and symptom listing categorize the features of mind control experimentation as that of paranoid schizophrenia, I have till date not been able to take up any legal procedures for seeking justice.

I have approached several political and human rights organisations and activists in India but all of them have turned out a deaf ear.

The Indian situation is very grave. There are no support groups in India. What statistics show is only tip of the ice berg as the socioeconomic and educational status of the average Indian is far below that in Europe and the vast majority of people cannot realize what is happening to them. It is purely illogical and foolish to think that India alone is not perpetrating mind control technology over its masses when all other governments are doing the same at a stage when India has risen to be a nuclear and space power with indigenous technologies. I request the international community to look in to the Indian situation also.

It is high time that we gear up the world wide action against mind control and directed energy weapons torture. I have a humble suggestion. Could we form a confederation, say one like Confederation of Anti Mind Control Organisations, CAMCO to unite and struggle unitedly. Please consider and give a reply at the earliest.

Petition date starting in Ottawa and Toronto from Aug. 25, 2009

Dear Member of the Canadian Government:

CC:

To Whom It May Concern:

This letter is to ask for your help for the many constituents in Canada who are being affected unjustly without their informed consent by Psychotronic (or Mind Control, Electronic, Directed Energy, Neurological, Non-lethal) Weapons.

We are writing you on behalf of Canadian Organization of Victims of Psychotronic (Mind Control) Weapon. We, and many others, are being TORTURED AND MUTILATED IN A MIND CONTROL CONCENTRATION CAMP 24/7. We wouldn't be tortured and manipulated in a properly functioning legal system/society.

Victims of Psychotronic Weapon detail the most extreme and totalitarian violations of human rights in human history, including the most horrendous incidences of psychological torture, mental and physical mutilations. Criminals place human subject under continuous surveillance, no matter where he/she is; they monitor human brain, including thoughts, reactions, motor commands, auditory events and visual images; they continuously alter consciousness, introduce voices, noises, other disturbances, commands, images and "dreams" into the brain; they directly abuse, torture and hit bodies - including performing advanced medical procedures - from remote locations. The technology they are using is so advanced that it allows the controller'(s) to see through the eyes of the targeted individual, essentially seeing whatever the victim sees.

These are some of symptoms of targeted individuals:

- 1). Microwave hearing and torture with intense loud electronic sounding noise
- 2). Visual disturbances, visual hallucinations
- 3). Manipulation of will, emotions, feelings, perceptions
- 4). Manipulation of human behavior: forced speech, involuntary body movements, transmission of specific commands into the subconscious, compulsory execution of these commands
- 5). Reading thoughts remotely, retrieving memories, implanting personalities
- 6). Debilitation of mental acuity, inability to concentrate, disruption of ability to think rationally and independently
- 7). Loss of memory and knowledge
- 8). Inadequate states, which targeted individuals have never experienced before (states of narcotic intoxication, depression, obsessive desires and so on)
- 9). Control of sleep patterns: sleep deprivation or uncontrollable sleep
- 10). Blurred vision
- 11). Cramps, seizures and spasms
- 12). Excruciating artificial pain in any part of the body, for example, heart attacks and other symptoms

We have contacted police, RCMP, Security/Intelligence Agencies, Courts and other Government institutions over and over and over again, but have had our appeals for assistance and protection almost completely ignored or suppressed. Government “doing nothing” in this situation is a form of sanctioning these horrendous fascist experiments with psyche on innocent and defenseless people, that is why Canadian Government is responsible for these crimes. Government of Canada must uphold the rule of National, International and Human Rights Law and protect Canadian citizens by these laws, instead we see the huge disconnect between its professed Principles and Values and the reality.

It is our responsibility to record and alert the world to these horrendous crimes and the extreme danger that these technologies pose to democracy, human rights, privacy, mental and physical freedom, health of all people. These are the most horrendous weapons and crimes imaginable, and the people, using them, are mass-murdering conspirators, pursuing fascist, totalitarian, fundamentalist schemes.

“Doctors Mengele”, who started developing these techniques in concentration camps during World War II, were brought over here from Europe after the war to continue their atrocities. MKULTRA was the first of these illegal and immoral experimenting with unwilling victims, we are the latest victims. THIS MUST STOP, and the responsible people exposed and brought to justice for these unspeakable crimes against humanity. We demand only that human rights are respected, and the Canadian Government appoints a Committee to get to the bottom of this most serious matter based upon the evidence piled up, which was collected, intercepted and captured by the victims years after years.

This gross violation of human rights must be investigated immediately.

Mental Torture

Since ten years , on 23 June 2005, I have been mentally tortured that some individual in my country. I have seen them personally, I do not know their names. They look like tramp on the street. But since that day my life has become a nightmare. I had a keen interest in spirituality, and I am very religious, performing devotional service, fasting etc.....

At night I could not sleep, I heard someone saying that he going to meet me in the cemetery, I went to work the next day and left the office early due to unusual behaviour of my colleagues I sat in the bus near a person who resemble like a tramp and he was very weird, he was wearing shorts and t-shirt, he had lots of acne in his face, he has a black complexion. He got up near the church and when he got down he said something to me, I was carrying a small bag where there was something written "in the sky I will be always there for you, I promise you with these five words when you breath I be there like an oxygen" and he pointed to this bag and he look up and said "Krishna". But after meeting with these persons, there was a complete change in my consciousness, everything change in my life, strange behaviour all around me. When I was at home, my parents behave strangely and also at work. Everybody was telepathic, they knew everything about what happened at home , what did I talked with my parents, they know about my thoughts, what I am thinking about the colleagues at work, and they will comment on my thoughts during the conversations they had with my colleagues or my friend.

I felt very strange when they said that my house was a haunted one, the atmosphere was haunted, at work also they commented that my work place have turned into haunted one no one wanted to talked and make friends with me, they said that I was haunted. But I continued to work although these mental tortures I had lots of mark on my body. I made lot mistakes while working and my Manager and supervisor were shouting, they look wild. As if these individuals wanted me to become mad and to spend my whole life in a mental asylum or take mental pills. At the end of July 2008 I had strange thought of leaving my job, they acted strangely at work they picked up the phone without the phone ringing , and I found tears rolling down their cheeks. It's so strange !!!!!!!!!!! I have stopped

my higher studies, I could not concentrate, I was just a mental rape.

On 31 July 2008, while I was finishing my job to go home, I have decided to leave my job, because my colleagues was so strange they were talking among themselves saying that they are waiting for a helicopter as if there will be a terrorist attack, they were not talking to me, they left me alone, no one was friendly with me even at home no one was talking to me. But before I left the job, I did not say to anybody that I resigning from the job, everybody started weeping loudly at my work as if something happened, some just watching the computer screen and some were picking up their phone. When was leaving the office they just watch my feet and they cried a lot. It was so strange!!!!!!!!!!!!!!!!!!!!!! It was telepathic, mental broadcast. When I was out there a lady with some individuals standing the bus stop near my office. The lady look so weird, she look like a witch and she watching me. She nodded her head as if she know everything what happened and she felt very afraid when she saw mw, she took the bus, I don't know but it seem as if I have seen her somewhere.

I went home I could not sleep that night the next day I did not go to work, I went to post my resignation letter. I left my job. I could not tell parents about this, they told me that I was mad and I have psychiatric problem I have to see the Psychiatric and takes pills. I don't like taking pills. On Saturday I was very nervous and I chanting god names when I had strange thoughts in my mind that parents are not my real parents, they have been changed, they are living on a different identity, they are not my real mother, father , brother, grandmother, there behaviour was so strange, and these telepathic people they said that they were living in my neighbour house. My neighbour has some psychiatric problem, she she is very nervous and she shouts loudly. So I started shouting like her, I became very depressed, I thought that my parents have changed and when was chanting Krishna names, some weird people came at my place, two of them was walking and one was on his bicycle, she was carrying a lady the latter look like my mother when I was a kid. So, it is just telepathy they knew what's going in my mind for bringing a lady which resemble just like my mom so that I believe my thoughts and become mentally disturbed. I left home, they wanted to bring me to the Psychiatric, I went to stay at my aunt's place and return back home after one day as I was missing my devotional service at home. I stayed unemployed for one year. I prayed a lot so that god can help me to get out from these demon wombs. I was crying a lot, I did not celebrate anything, they just tortured me and my family. My parents and people all around were not same as before, their consciousness have changed, they speak like demons and have qualities like demons they know everything that's in my mind. It's all telepathy, these people have transfer their thought to them and they have lost their consciousness, they said that we do not have to pray only have to enjoy. We do not have to perform deity worship and everything is impersonal for them. They said the they are god and broadcast their belief that everywhere. They are disturbed when they see people pray or serious in the spiritual life, they discourage faith. When I pray in the morning they really harassed me, they mentally kick all the deities. I can hear them talking. They just said absurd things. Sometimes they showed through their mental video that they are raping me. I felt very dizzy, weak , having nausea, I thought I had diabetes or hypertension but I went to for a medical check up everything was normal. I just can't pray and concentrate on my prayers, they disturb everything. Sometimes, I feel impurities in my heart due to their association. Sometimes I can't do anything I have a telepathic sleep , it's in a state of coma, when I got up from this sleep, I feel very hungry, and feel very dirty, not the same consciousness that I and before, I feel control by them and cannot do anything, they say that I am sinful, I meditate a lot on my past action and stay in this subconsciousness state, 'alpha', lots of imagination in the mind and meditation on the bible, although I am a Hindu, I have never read bible. It's all telepathic.

I have read many articles on mind raping on the internet, same thing happened to me, mental broadcast everywhere I go even in the shops, markets, on the road. These people they are real demon, I can't do anything about, I can't even tell the police or my dear one, they are already telepathic, they will only say that I have to visit a psychiatric or I am mad. There are no law in my country for those criminals, they usually come to see me they have lots of pleasure in doing this torture. My parents have been affected by them, my grandmother died because of them, she was very old, she was attack, everybody at home stay in this subconscious state, they are sick all the times they have to take pills. My parents were very religious but suddenly everything changed. The perpetrators controlled their speech; there is lots of misunderstanding when living with them even among the devotees. I have been much harassed mentally, I have sudden urge to urinated or sometime I have pee in my clothes. Today I have decided to write because this is affecting my devotional life, I have telepathic dream and I could not get up early in the morning to pray , these demons said that they want to have sex with me. This really annoyed me, I feel like crying that's why I decided to write, so that it does not remain a secret and Krishna can help me. These demons they have characteristics as animals they stopped me to go to the temple and said that god does not exist, they stopped me to be vegetarian and said that Bhagawat Geeta is all rubbish and all are stories and false, they are like impersonalist, they think themselves to be god, they said the material body is god and all the god that I am praying is all imagination. They think that I am the hindu goddess, Radharani, Kalimata, Durgamata, Parvatimata. It's all

nonsense, they want people to be condemned in this material world by thinking they are god, people don't go to the temple because of them, they are not Krishna conscious, their thought have already been built in the mind of all people, they broadcast their belief and their own consciousness. The whole population is affected by them, lots of diseases all around cancer heart attack, fake illness etc..... There is complete change in their consciousness which they don't realise. I have prayed to Krishna, he protected me . These demons can act as I was doing, they know all my bodily movements and actions. It's all Telepathic!! and these demons they really exist!!.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Thanks and regards

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am from Dhaka, Bangladesh and have been a target for 5years now. I would like for you to add my name "Saalim Siddiqui" to the list of targeted individuals you have under southeast asia. Thank you. I am currently in Sydney and my targeting continues even to this very moment. My life has been stolen from me and am trying to generate awareness about this issue. It seems hopeless but there is not much I can do but tell others about what is hapenning. I hope someday this will all end. Thank you agian for reading and I believe we are friends on facebook already. I am currently thinking of making a video describing my story, hopefully I will be able to do that. What you are doing is admirable and is much appreciated. Please keep fighting for our cause, thanks.

16/5/12

i am doing ok i guess..the same things im sure you know..getting weaker but holding on...

24/5/12

My targeting began in Dhaka, Bangladesh which I am quite sure sounds quite unusual. I am just an average person with no affiliations with any wealthy or influential organizations. I believe my perps targeted me because they had some form of hatred towards me for no apparent reason really. They kept saying that because I was riding a skateboard which was unusual in Dhaka at that time and people in places of power had something against me because of that (to me it just seems like big egos). However, I did not know what was hapenning to me at the time, I was being gang-stalked but never realized it because I was keeping to myself and could never comprehend the fact that anyone could have anything against me. They got me to start doing drugs (mainly marijuana and amphetamine), and I became quite confused as to why everyone around me including my friends and family were acting so strange. It seemed like the whole world was out to get me, and paranoia hit a point where I told my mother that I was hearing voices and that I thought everyone knew what I was thinking in my mind. Naturally she thought I was going insane and I ended up in a psychiatric facility where I was forced to talk to psychologists and take medicine which were both very unnerving. My drug abuse stopped and then after that I travelled to Sydney, Australia where I was still being targeted and I resorted to alcohol which was extremely debilitating to my mental and physical health. I have been mobbed out of the last three jobs that I had and the gang-stalking was an additive to further psychological torture. My friends did not seem like they were my friends anymore and people I never knew seemed to know more about me than people who I confided to.

I believe the Bangladesh government is involved with my targeting because the perps told me it was the PMs secretary who was doing this to me while at the same time torturing me with directed energy weapons. However I have no way of proving my allegations. I also believe the American and Australian ambassadors to Bangladesh are involved in my targeting along with military personnel who I do not know. This led me to believe that my targeting could be somewhat related to non-consensual human experimentation which has to do with behaviour modification

to suite the ideologies of people who believe they are gods. Again I have no way of proving my allegations. I have had death threats through V2K and by gang-stalkers and threats of all kinds still persist. The harrasment has not stopped, and RNM is one extremely advanced piece of technology that cannot be understood unless one solely can relate to one's self. These people who are doing this to me are criminals of the highest order and are in positions of power within the government and private sector which allows them to commit any form of atrocities and get away with it.

They are psycopathic and their goal is to destroy my life which I must add they have succeeded in doing to a certain degree. This has been going on for 5 years now, probably more and at first when I found out about it I thought my life had ended, until I found out that there were other people in this world who are going through the same experiences. A lot of people I see online being targeted are in America, but please note that OSEH is hapenning globally, I am being ridiculed by anyone and everyone whenever the subject comes up and am being discredited at every turn so as to not talk about it. They have given me a death sentence because due to this microwave hearing I am recieving ionizing radiation 24/7 which is a slow-kill process. Sleep deprivation, involuntary muscle movements, EEG cloning, personality implanting, time-based command execution programming, thought insertion, forced speech, dream manipulation, forced sleep, hunger attacks, fatigue attacks, hallucinations, induced and amplified cravings towards alcohol and cigarettes, induced sexual arousal sometimes even around the same sex, sodomy when alone or even around people, blurred vision, the DEW attacks result in cramps, seizures, spasms, pin pricks, itching, burning, palpitation, artificial heart attacks, neausea, tinnitus, inability to think rationally and independently, memory loss/deletion, blurred vision, unnatural bowel movements, induced vomiting, ringing noise in the ear, manipulations of will, emotions, feelings and perception.

These criminals are committing crimes like the Nazis did during WW2 and only this time they can get away with not having to face the blame. I have been shown many different holograms and pictures and been told many different things through the V2K that leads me to believe that spy agencies and military organisations such as the CIA, NSA, DoD, and various governments around the world are involved in my targeting. Now because they have also acted like they were demons, aliens, secret societies etc., I cannot verify who they actually are, but for one thing I know for sure is that these people are criminals of the highest order, they are psycopathic, sadistic, and have absolutely no regard for human life. They are comitting these crimes without any consequences whatsoever and there is not much I can do about it. They call it psychological warfare, well I never signed up for any war. They say I have a chip behind my right ear, well I never put any bloody chip in my brain. Everyone usually ends up believing whatever they are told by anyone in a position of authority, to hell with all these idiots who think its ok to laugh and smile and make fun of someone by torturing them and destroying their lives. The focus seems to be to drive the target to insanity and the ultimatum is death by suicide.

They destroy families, relationships, friendships, careers, livelihoods of innocent people who are no threat to them. They are a bunch of cowardly old men with too much money and time on their hands and who have an insatiable desire to make themselves feel like gods. They have puny consciousnesses which only allows them to think in very narrow terms, the need to lie, cheat, trick, decieve, control and manipulate other humans in order to feel greater than others. Experimentation or contract killing, either way its criminal and unjust, and the biggest human rights violation in the history of mankind

I am one of the Target Individual from New Delhi, India. My name is Harvinder Singh. Its been more then 6 years that I have been mentally tortured by the mind controlling devices.

They read my and pass the whole information to people around me like people at my work, friends, place where I stay. They are make false stories about me. They speaks in my mind with voice to skull tecnologies. They say lote of thing to me. They keep me in touch what ever happening in my mind through different methods.

They control my emotion and behaviour. Keep me sad and irrate all the time. They torture me to the extend that is start biting my own self. All my daily activites are control. My sleeping time, time to eat found, my mood , thought are all controlled.

I even wrote to the legal authorise in india and human right but the did not replied till know. I forwarding the same email that I wrote to them.

I am looking for urgent help.

Regards,

4/5/14

It's been six year that I am under the Mind control torture and Gang stalking done by Government Intel. The read my mind, thoughts and even manipulate my behavior 24hr a day. They speak in my head and I can hear their voices. I am under the influence of their mind control and tortured device. They can keep track of the victim every, they go. It send signal through satellites so there is no escape from there control. Since it is done by Government Intelligence. So there is no law against it or any information legally available by the legal authorities as it is a secret weapon used by them. But I am not completely sure whether they are in Government Intelligence or not. When I went on internet I came across different web sites and met people and found that they American secret services or CIA is behind it and the run different mind control and torture experiments.

They share my thoughts that are in my mind to the people around me who know that what I am planning to do or what is going in my mind. And they make decision according to it. And they make decision of my life. They have completely rules my life.

I always framed into false behavioral issue and punished and tortured on the command of the people around me. The can screw your mind so much that you will start harming yourself. They keep me informed through different ways that what is happening on my back, what they are going to do and so on. There weapon can make you to harm your own self. They screw your mind. Control it and for you to harm your own self. They have complete control of your mind and behavior. They manipulate your behavior and attitude. They make you sad, grief, pain etc.

They do this through the remote device. So that, there is no proof that any one was involve in the matter in harming you. I have been mentally tortured, physically harmed, had financially loses and my character was completely ruined among the society where I lived. And people around me have complete knowledge about my where about. Like people I worked have complete knowledge about my living place and so on. They make false acquisition on me and force everyone to make similar stories on me so it looks true. So the only method that the use to make thing true is to force every one to make similar stories about me so it look true and people start believing.

(Due to torture i am force to harm my self)

You do not let you have a personal life and friends. They take away your independence. Make decision. Its just like you are in a prison as they control your mind. They can harm you, physically and mentally. They can make financially losses as they won't let you work and know what would you be planning to do.

And about mind reading and controlling thing. Its not something I am assuming or making up. I was given a complete demo by my neighbors Tara Singh, Rana, residing at 1144 Sant Nagar, Jalandhar City. Harinder Singh

and his son Vicky residing at 1145 Sant Nagar, Jalandhar City. My Own Brothers Wing Commander J.P.Singh and Manwinder Paul Singh. And lot other at my place at Jalandhar.

When I tried to oppose them, but they threaten that it will have the ad worse effect on my life and they forced my family to make charges against me.

I have complete clean record and law abiding citizen of India and have no criminal record but forcefully been pulled in wrong direction.

It's been happening continuously even I moved to Delhi for my job. Same kind of thing are happening on my back though no one openly speak about it.

So I request you to please look in to the matter though there no law about the these mind control devices and taking any action against Government Intelligence.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Hello Friends,

My name is Sudeep (31) and I'm a Targeted Individual. I got your contact details from (I gathered the first 50 contacts):

<http://www.scribd.com/doc/81271295/Over-300-Satellite-and-Brain-Weapons-Assault-Targeted-Individuals>

I presently reside in India. I stayed in the US for about 6 years (2002-2008) during which time, a microchip was illegally implanted in my brain. I wanted to know what I can do about it to get rid of this nuisance. Is there anyway to deactivate this chip? I have been immensely suffering because of this, for the last 6 years (Below, I have mentioned my torturous story). I know of other TI(s) (Targeted Individuals), who are going through the same trauma.

I firmly believe "A problem can only be defeated by taking small, simple baby steps and in continuing to do it". Please pour in your bright ideas, inputs and lead this battle against illegal chip implantation/mental abuse/harassment, so that we work towards our own happy life and towards a society free from this evil.... Each of us has suffered a lot and continues to suffer in isolation.

LET US END THIS ISOLATION, JOIN HANDS, MINIMIZE OUR SUFFERING AND EXPOSE THESE PSYCHOPATHS TO THE SOCIETY.

Here are some basic important questions that I want to ask:

-My first critical question is ----Is there a way to detect/deactivate this chip? If there is, please let us all know. There must be a way to deactivate it or shield its effects. Is there ongoing research in this area?

-Most importantly, this chip persistently threatens me with thoughts of implanting chips in the minds of my loved ones (through agents) through knowledge that they gain about my loved ones through me. Is this something anyone else has faced? I have been brutally harassed with this thought for the last one year. Have there been any such cases? Or this is just a bogus thought that I should ignore.

-What is the society waiting for in acting against this nuisance, even after having knowledge of it? Is it waiting for this problem to turn into a critical problem before it takes the first step? It is probably waiting for official concrete evidence that such a chip exists and the abuse it can cause. Are there concrete steps being taken to prove this?

-How can the society isolate a person suffering from electronic abuse and stand with the perpetrators? Even the cops turned against me in using the cellphone technology to abuse me. What caused them to believe the perpetrators? How can it be so simple? I'm just a law abiding person, who just wants a simple life.

With a lot of hope, I composed this email. I look forward to your reply. It is the duty of the society to put this nuisance to an end. It is important to address the issue before it becomes uncontrollable and a menace. What should the next steps be? I sincerely look forward to hearing from each of you. Is there anyone who can help us in fighting this nuisance? Can you put me in touch with other TIs in India that you might know?

Thanks,
Sudeep

PS: I apologize to have emailed you without your prior permission. But it is important for all of us to connect and fight this battle.

My very short torturous story.....

This chip was implanted in an inebriated state in 2007 (when I was in my brother-in-law's house in the US). Before this chip was implanted, I had a very good job, was a very social and outgoing person. I went through unimaginable mental torture because of this chip, which affected my work life, my personal life and the life of those who were closely associated with me. They controlled my thought process (and still continue to), feelings and emotions and harassed me to an extreme limit, where I started doubting myself. My faith in God, my fiancée's love and support, and my goodwill nature helped me through this horrible period. Unable to bear this nuisance, I returned back to India in late 2008. I had no clue, what was going on with me, since I thought these thoughts were mine.

I got to know about this chip implantation through a close friend of mine, couple of years later in India. The torture that I suffered at the hands of this chip is indescribable. Even the society was involved in supporting these bastards to no end. In India, I was constantly attacked using cell phone technology for a period of almost 6 months by people known and unknown. The police officials were also involved in participating in this mental torture. I did not know what to do. Here are steps that I took:

- Did MRI scan of the brain at at least four centers. No evidence of the chip was found.
- Consulted a Lawyer and booked a case against my Brother in law. However, the case was weak, since there was no evidence of the chip.
- Wasted enormous money on electronic gadgets which could nullify the effect of the chip. This did not help me.
- Met with senior politicians and police officers. Although, they knew what was going on with me, I did not get any assistance from them.

During this period from 2008-2010, I was not employed and was living off my money that I earned in the US. Also, I was freelancing as a technical writer. From being well off, I went to become a literal nobody. Also, during this period, I did not have support of my family.

However, I still don't understand how these bastards communicated with the society and how the society participated in this form of inhuman torture. No one speaks about the torture, but opt to remain silent observers or even participate in the torture.

I was lucky to find myself a job in early 2011. However the torture continues in the form of voices, mind and body control. Most of the times, I don't have control over my body and these psychopaths control my body moments.

This is something very unique in my case. On my family's insistence, I visited a psychiatrist, who eventually gave me medicines of schizophrenia. However, he knows I don't have schizophrenia. He just does not know what else to suggest, since he does not know how to deactivate this chip, nor a way in which it can be surgically operated. However, my case still remains weak until I find visual evidence of the chip in my brain. Sooner or later, I will.

I have been subjected to organized stalking, electronic surveillance and mind reading for the past 4 years - physically as well as through all my gadgets. I have not been giving in and DO NOT plan to give in at ANY point in time.

I have been exposed to pointed radiation exposure earlier on my body and have been having induced dreams and nightmares. I have also smelled chemicals where none were around.

After another attempt to expose the group (corporate / politicians), they have started sending noise to my ears - guess

through high/low frequency waves.

Let me know what can detect bio chip implants in my body (not done in my conscious state) and how to shield myself from this state-corporate sponsored nuisance.

If there is a chat group of victims - do send me the link to get an added perspective.

Only one question.

Can you get the application of Remote Neural monitoring, Sattelite Torture, Electronic Brain Linking.....or other Psychotronic assalut on any person certified by any Organization ?

Do you know of any National, Regional or Private Institute who can certify if a victim is subjected to any other above mentioned or similar technologies on their brain./mind

Experiments on Humans through Electronic Brain linking and others.

Waiting for your good response.

I have read quite alot baout you.....just answer the above question and I'll be thankful to all my life. I am oneof the victims.

The assault began in 2008.

Classification of Assault :

What technology has been applied on me?

Does any one or more have patents for this technology?

What I noticed :

My neurological changes , are broadcasted to everyone or due to resonance each human , animal or mammal receives, an instance of my immediate neurological change.

This should mean , people, animals and mammals can feel,hear, see, smell,me,my touch.....my thoughts and changes of my my Brain.

This images from Visual Cortex are flashed....voices are heard heard directly from the auditory cortex, or people can feel what I felt or what I touched

People experience me 24x7.

My question :

1. What technology is enabling all this?

2. Patent for this technology?
3. Which Organization in the Globe can perform neurological , physics based tests to certify that I am victim of such an extreme technology.

Please answer.

Aux services psychiatriques d'hôpital local de SIDI HUSSEIN BEN ASSEUR DE LA VILLE DE OUARZAZATE à la ZONE SUD du PAYS MAROC, ou tous les infirmiers, médecins et docteurs locaux , régionaux et urbains avaient sauvagement torturés et harcelés de milliers et milliers de patients et victimes assez-jeunes et très enfants qui les avaient agressivement tués et condamnés aux peines à mort les plus en plus psychopathes dès les années de plombe à présent ici.

Alors, et en surtout Mrs Mouhamed Khoumouss, Brahim Ait- Oukhashiff, Saaid - El Jermatti, Soussou, Ahmouh, Akbab, Hassani, Khalid.....etc, ceux sont sauvagement détruites et dispensables de tous genres de crimes illégales, terriblement bien-frustrés dont ils avaient terriblement sur-dosés en tous renforcements autoritaires les plus en plus oppressives de les sur-doper de plus que 15 000 mgs de toutes sortes des intoxications de drogues soit par comprimés ou injections en tous empoisonnements les plus néfastes de détruire de leurs physiques et mentales dont ils les avaient péniblement lavés (Que les pires intoxications d'empoisonnements les plus en plus mortels par lesquels avaient tellement enterrés aux agressivités et oppressions les plus en plus psychopathes dès 1970s à nos jours.

De plus, que Mrs Erramdani , ex-chirurgien local d'Hôpital Sidi Hussein Ben Asseur de la ville de OUARZAZATE à la Zone Sud du Pays Maroc + Mrs Dr Al kharrati, Lahrech, Al Ismaaili.....etc, ils avaient en toute férocité infernale la plus en plus psychopathes et en tout absolu horrible dont ils avaient enlevés tous les organes nobles humains par lesquels les avaient nationalement et mondialement commercialisés en tous noirs de les transporter au Banque International Des Organes Humains qui est à présent localisé et bien-situé en Suisse à la capital Genève ; depuis les années 80s à nos jours ici. Bien-sûr , ils deviennent des archés milliardaires qui avaient en toute sorte de perplexité immorale inattendue fait que de milliers et milliers de fortunes au Maroc ainsi qu'ailleurs .

Personnellement, moi Mr Fouad ZENNARI, que ; par l'intermédiaire autoritaire le plus en plus psychopathe et terriblement féroce de toutes les autorités nationales et locales de la ville de Ouarzazate à la Zone Sud du Pays Maroc; ou ils m'avaient sauvagement renforcés de me punir en toutes sanctions les plus en plus pénibles et immorales de m'envoyer aux services psychiatriques ; ou ils m'avaient de plus que 10 Fois Successives de m'essayer de me condamner à mort en toutes sortes des oppressions et dégressivités les plus en plus psychopathes que les pires cocktails de tous genres des intoxications en tout absolu bien-empoisonnées par lesquelles m'avaient horriblement essayés de me traiter que les pires sexualités immorales les plus en plus psychopathes dès 1989s à l'an 1999s.

Depuis 1999s à nos jours, c'est parce que c'est de tous mon physique, ma santé et cerveau devenaient actuellement détruites que j'avais horriblement souffert q'un tel genre de handicap physique et mental les assez insupportables de les accomplir à cause de pires victimisations de telles débuts de traumatismes et tumeurs incurables qui m'avaient physiquement infectés d'après le diagnostique international par deux organisations internationales de droits de

l'homme contre la torture , harcèlements, abus.....etc, C.C.H.R et C.C.D.H,.....etc, dont ils m'avaient envoyé énormes vidéos sur le site [youtube.com](https://www.youtube.com) par lequel ; ils m'avaient en tout franchisé véritable ; constatés que les pires résultats de traumatismes mentaux , lavage de mon cerveau , désordres psychologiques et psychiatriques pénibles et insupportables de ceux survivus à cause de plus que 40 à 50 comprimés de drogues de médicaments ainsi que de plus que 8 à 10 injections de composants de drogues en liquides; tellement mortelles de m'essayer de me condamner à mort aux pires oppressions, agressivités, tortures, harcèlements, victimisations, abus.....etc dont ils m'avaient en toute férocité immorale la plus en plus psychopathe de m'essayer de me traiter en énormes peines de mort les plus en plus immorales et tellement oppressives dont ils les m'avaient terriblement renforcés de me les traiter dès que j'avais seulement 16 ans d'âge à l'an 1999s.

A présent, je deviens un tel mort mort mort vivant pareils qu'un mort bien-marginalisé aux pertes et négligences les plus inattendues de m'emprisonner dans un tel genre de Labyrinthe Infernal de mon vécu dont j'ai souffert de telles sortes de handicap physique et mental insupportables de les souffrir quoi que les circonstances et conditions vitales sont à nos jours me transformés en unique victime le plus en plus négligeable depuis les années de plombes en tout absolu psychopathes et nationalement horrible de les persuader bien que tous ces genres de regroupements d'experts cruels criminels et corrompus irresponsables autorités nationales et locales ainsi qu'urbains de la ville de Ouarzazate et en surtout tous les SERVICES PSYCHIATRIQUE D'HÔPITAL LOCAL DE SIDI HUSSEIN BEN ASSEUR DE LA VILLE DE OUARZAZATE à la ZONE SUD du PAYS MAROC; ou ils m'avaient sauvagement essayé maintes fois successive de condamner aux pires peines de mort en tous genres des abus, tortures, harcèlements, violations, violences.....etc, les plus en plus immorales aux psychopathes féroces dont ils m'avaient agressivement oppressés et victimiser de me sou-titré et vêtus fou en toutes sortes de pires peines et malédictions infernales les plus en plus sauvages et féroces dès 1989s à l'an 1999s.

Prière de bien-notés, que tous les infirmiers psychiatriques d'Hôpital Local à SIDI HUSSEIN BEN ASSEUR sont encore commis énormes violations sexuelles les plus en plus psychopathes en désastreuses pratiques et aussi combien de fois, ils avaient tués de très innocents patients en toute sauvagerie la plus en plus sauvage dès à présent, ils ont terriblement travaillé de commettre énormes crimes illégaux et les violés en tous abus psychopathes, et surtout ; Mr BRAHIM AIT-OUKHASHIFF, est d'origine de Ouarzazate , né à la région de Tazakhte , peu loin de centre de ville de 75 kms, vers la Route de la ville d'AGADIR, ce type d'infirmier d'origine Amazigh, il est à vrai dire un tel genre d'expert cruel criminel psychiatrique qui avait sauvagement tué des milliers et milliers de patients marocains, de même; ils les avait violés en toute perpétuité physique , dès les années 70s à présent là.

Encore, une fois de plus, prière de me sauver et défendre de tous de mes droits de l'homme que je les avais sauvagement violés de telles sortes de façons les plus en plus sauvages dès que j'avais seulement 16 ans d'âge. Et avec l'expression de tous mes respects les plus anticipés.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincèrement,
Vôtre Mr Fouad ZENNARI.

Regarding these Crimes Against Humanity, Secret Weapons, Torture Programs, Destruction of Democratic Institutions and Standards, Total Degradation of Media and Public Discourses, Total Degradation and Disenfranchisement of Civil Society and Institutions there is a complete ORWELLIAN/STALINIST PUBLIC INFORMATION AND INQUIRY BLACKOUT.

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their “infinite?” richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Beware of the brain and gene phrenologists/determinists/reductionists, and those who seek to control and reduce the range, quality and diversity of human thoughts, imaginations, senses, sensibilities, moods,

attitudes, speech and psycho-physiologies – the would-be socio-economic, cultural AND PSYCHOLOGICAL/INTELLECTUAL/ PHYSIOLOGICAL monopolists, monoculturalists, police and prosecutors who are already literally and physically actively at work amongst us!! Both monstrously and criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, and the subsequent and consequent degradation and “Fahrenheit 451-ing” of previously autonomous cultures, professions, fields of human endeavour, memories, and intelligences.

WE ARE BEING COOPTED AND FORCED AND TRICKED INTO AN ORWELLIAN FASCIST/NAZI TOTALITARIANISM – EVERYWHERE ON EARTH! - as most ‘News’, ‘Events’ and ‘History’ has been degraded into criminally produced and managed dramas/atrocities (i.e. wars, disasters, civil strife etc.) and criminally presented as infotainment, endogenous socio-political changes, propaganda, and/or criminal lies. And as almost all other public discourses including the ‘scientific’, ‘academic’, and ‘arts/culture’ has been degraded into criminally produced and managed infotainment, propaganda, pseudo-science, and/or specious, tendentious or folkloric productions and discourses.

BEWARE OF THE PSEUDO-SCIENCE NAZIS - THE ENEMIES OF FREE AND OPEN INFORMATION AND DEBATE, ACCOUNTABILITY, REVIEW AND REGULATION.

NOT TO MENTION THE NUTCASES PURSUING SUCH FRANKENSTEIN-SCIENCES AS THE TRANSGENIC, AND THE “BLENDING” OF THE TECHNOLOGICAL AND BIOLOGICAL– EVEN AS RECORD BIODIVERSITY AND CULTURAL DIVERSITY DESTRUCTION IS DONE.

**PLEASE WITNESS AND RECORD AND

ASSIST US URGENTLY!!**

TO YOU OUR SELECTED WITNESSES

Below are **over 60 ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION, AND ORGANISED STALKING, CASES** from **RUSSIA & BELARUS** FOR YOU TO WITNESS, RECORD AND OPPOSE

Some of our **ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION CASES** detail the most extreme and totalitarian violations of human rights in human history, including the most horrendous psychological tortures, rapes, sexual abuse, physical assaults, surgical mutilations, ‘mind control’, and other mental and physical mutilations – see

<http://www.4shared.com/dir/21674443/75538860/sharing.html>

or

and

COMPILACION DE TESTIMONIOS EN ESPAÑOL:- <http://rudy2.wordpress.com/>

There are **MANY, MANY** others, all over the world, who are being subjected to similar torture and abuse.

YOU HAVE BEEN CHOSEN TO BE “A SELECTED WITNESS” to these extreme and monstrous **CRIMES AGAINST HUMANITY** - indescribably terrible in themselves - coupled with the **ORWELLIAN** secrecy and denial of any support at all that we are experiencing, makes them even more horrendous and monstrous.

We have contacted most Governments, Security/Intelligence Agencies, Religious Organisations, International Organizations, Human Rights Organizations, Universities, Scientific and other Institutions, and the International Media all over the world - over and over and over again – and have had our appeals for assistance, protection and/or publicity almost completely ignored and/or suppressed.

Some **TARGETED INDIVIDUALS** have been attempting to gain assistance, protection and/or publicity about these crimes since the 1990s - and even earlier - this extends as far back into the history of illegal ‘scientific and medical’ testing and experimentation as **MKULTRA**, **COINTELPRO** and the **DUPLESSIS ORPHANS** - and further.

We are still collecting **CASE SUMMARIES** from **TARGETED INDIVIDUALS** all over the world, and we have also advised them to send them to you - **“THE SELECTED WITNESSES”** - TO WITNESS, RECORD AND OPPOSE so that :-

A. We can be sure that as many people as possible know about these horrendous crimes.

B. We can be sure that these **AUTHORITIES** and **ORGANISATIONS** are either trying to uphold the rule of National, International and Human Rights Law, and that we will, sooner or later, be protected by these laws.

C. Or that we can be sure these **AUTHORITIES** and **ORGANISATIONS** are complicit and/or acquiescent to these **CRIMES AGAINST HUMANITY** and that National, International and Human Rights Law no longer apply - in which case our task will be to get the rule of these laws restored.

Later these records should become an information source - such as the **INTERNATIONAL TRACING OFFICE** set up to record the fates and whereabouts of Jews (and others?) after WW11. The information collected can then be used by the appropriate people for **LEGAL, MEDICAL, WELFARE, HISTORICAL** etc. records.

As well as being illegal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems - so we will also be demonstrating to all of these people and **AUTHORITIES AND ORGANISATIONS** the huge disconnect between their professed Principles and Values and the reality. We will be showing their monstrous **Doublespeak Doublethink Doubledo** ignorance, stupidity and/or hypocrisy.

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their “infinite?” richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Both monstrously and criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, and the subsequent and consequent degradation and “Fahrenheit 451-ing” of previously autonomous cultures, professions, fields of human endeavour, memories, languages and intelligences.

It is no exaggeration to say our cases are as horrendous and urgent as people fleeing Nazi or Pol Pot concentration camps – specifically Dr Mengele-type torturers and butchers.

PLEASE ASSIST US URGENTLY!!!

Yours in the search for openness and respect for universal human rights

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

COMPLAINT AND TESTIMONY

(Russian and German versions available upon request)

I would like to inform you that the Russian Securities are carrying out Mind-Control experiments on me and are using Electromagnetic Weapons to continuously irradiate me. These experiments began with the radiation, then made me hear voices in my head with threats, such as “Do not drink water, it is poisoned!”, “Your mother was taken to the police station!”, "Leave your wife!", “We'll take your children away from you!”, “The criminals have

recruited you!”

The Psycho-operators began to give me instructions that I should stop writing complaints and hang myself. Later the criminals started to expose me to the irradiation, which brought different pictures, films, photographs and other effects to my head. This irradiation provoked muscles spasms and irregular heart-beats. Different parts of my body were strongly irradiated: the genitalia, the kidney, the liver, the stomach, the heart, the head, the bowels, the back, hands and feet, the neck and the teeth. After the irradiation I had prolonged diarrhea, insomnia, increase in body-temperature and various dysfunctions of my bodily organs. Here are the consequences of these experiments:

- thinking-process interference;
- disturbance in the work of vestibular apparatus;
- headaches and pains in the other organs;
- muscles spasms;
- feet swelling;
- osteochondrosis;
- [stenocardia](#);
- eye trouble;
- itching of entire body;

My complaints to the Russian Organizations For The Protection Of Human Rights never came to anything. The Russian Securities advised me to go and see the psychiatrist and later, they retorted that they could not bring an action against their own colleagues. The Securities' experiments which have been carried out for many years now are accompanied by tortures and harassment, which are still going on and which are inflicting barbarous pains and sufferings on me.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

With kind regards
AGAFFONOV Pavel

In 1977 I was called into the Soviet Army and served in boundary forces. in 1979 I entered into the High Boundary Command School of Dzerzhinskiy and I studied only a year. I was punished because of the conflict situation and I was compelled to leave this school. At present I work as a plasterer.

Acute irradiation began since 1990. As a result of an irradiation I've got diseases, which are listed in the medical certificates (see application 1). I sent the complaint because of irradiation to the different State Offices, but I've got only some formal replies (see application 2).

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I was a victim of Targeted, Directed Energy Weapons and Mind Control from Russia.

An meiner Familie, bestehend aus fünf Personen (ich, mein Mann und die Söhne) werden grausame Schmärgungen verübt (Folter, Verhöhnung), die von den Organen des KGB der UdSSR durchgeführt werden. Diese Schmärgungen geschehen durch die Sicherheitsorgane und in letzter Zeit unter Ausnutzung der neusten Verfahren psychotronischer Waffen. Diese Technologien sind gegen den Verstand des Menschen gerichtet und wirken auf alle Organe des menschlichen Organismus. Die durchgeführten Versuche und Folterungen sind amoralisch, ungeheuerlich und abscheulich hinsichtlich ihrer Grausamkeit. Unabhängig vom Ort und von der Entfernung der Geräte werden wir durch sie gefoltert, werden unsere Gedanken gelesen, hört und sieht man uns, nötigt man uns, im Schrecklichen zu leben, macht Anschläge auf dieses eine Leben, das wir haben, hält man uns lebendig gefangen. Nicht einmal kleine Kinder, die sich in der Wohnung befinden, werden verschont. Bei uns waren Freunde zu Besuch sowie im Ausland lebende Verwandte. Und unsere Kinder waren mit Kindern aus Bulgarien befreundet. Sicher im Zusammenhang damit besuchten unsere Wohnung 1980 KGB-Mitarbeiter und begannen uns zu bedrohen (Wohnung: 309530 Starij Oskol, Belgorodskaja Oblast). Zielgerichtet begann die heimliche Einwirkung auf unseren Gesundheitszustand 1983. Ich hatte 38 Jahre im russischen Bergbau als Konstruktionsingenieur der ersten Kategorie gearbeitet. Ich hatte einen geradlinigen Charakter, was nach Meinung meiner Vorgesetzten A.P. Frolow und N. L. Wjatkin, ein großer Mangel war. In mein Dienstzimmer kamen diese

Leute oft mit KGB-Mitarbeitern. 1983 bemerkte ich eine starke Verschlechterung meines Gesundheitszustandes. Es taten das Herz, der Magen und die Gelenke weh. Ich wandte mich oft ans Krankenhaus. Mein Mann, Dozent an der Saporoscher Universität, begann ebenfalls 1983 einige Merkwürdigkeiten an seinem Gesundheitszustand zu bemerken. Es begannen unbegründete Krankheitserscheinungen in unterschiedlichen Körperorganen. Er sagte, daß sie durch Manipulation seines Bewußtseins kamen. Gegenwärtig ist er ein vom Leid erdrückter und durch Krankheiten alt gewordener Mann, mit völlig zerrüttetem Nervensystem. Mein ältester Sohn, Oleg Iwanowitsch Gudsenko (geb. 17.07.1957), wohnhaft in der Nähe von Moskau, von Beruf Ingenieur für Physik, absolvierte das Moskauer physikalisch-technische Institut (MFTI). Er erkrankte kurz nach der Rückkehr von einer Dienstreise, die er auf dem Forschungsschiff "Ajaks" im Gebiet der Barentsee verbrachte. Ab 1985 begann er über das Auftreten von Stimmen im Kopf zu klagen. Sein Gehirn wurde viele Jahre Tag und Nacht bestrahlt. Im Kopf kreisten Filme mit wissenschaftlichem Charakter, deshalb lasen die Operatoren des Psychotron sein Gedanken und die Schlußfolgerungen, die er daraus zog. Auf diese Art benutzten sie ihn bis 1992 als intellektuellen Sklaven. 1992 untersuchte ihn die Wunderheilige Olga Strelzowa (ehem. wissenschaftliche Mitarbeiterin in der Abteilung Allgemeine Physik der Akademie der Wissenschaften) mit dem Ziel der Aufklärung der Einwirkungen der elektronischen Spezialtechnik auf meinen Sohn. Sie versuchte auch jene Strahlung zu blockieren, die die Stimmen im Kopf hervorrief. Aber im Oktober 1993 wurde sie brutal ermordet. Im Jahr 1986 er hatte bemerkt, daß man ihn zu programmieren begann, d.h. ihn in einen Zombi verwandeln wollte, aber jetzt lehnt Oleg die Bestrahlung kategorisch ab. Gegenwärtig erscheinen die Stimmen im Kopf seltener, aber der Allgemeinzustand seines Körpers ist insgesamt katastrophal. Es ist ein starker Sehverlust eingetreten, und meistens liegt er im Bett. Ich meine, daß an diesem Verbrechen das Akademiemitglied A. Struminskij beteiligt war, und ebenso das Institut MFTI, die Fabrik der "Zombis". Mein zweiter Sohn, Aleksander Iwanowitsch Gudsenko (geb. 13.12.1958), Bäcker Rußlands, diente bis 15. 08. 1992 in Raketeinheiten im Nordkaukasus. Danach zog er zu den Eltern wegen einer starken Verschlechterung seines Gesundheitszustandes. Ab 23. September 1991 begann er über "Stimmen" im Kopf zu klagen. Diese Stimmen drohten, ihn umzubringen. Er erschrak darüber und wandte sich an die Miliz. Von dort aus wurde er ins Ortskrankenhaus für psychische Erkrankungen in Belgorod gebracht. Einem meiner Söhne sagten Radiostimmen im Dezember 1993, daß ich mich ebenfalls unter ihrer Einflußnahme befinde. Meine Kinder wurden künstlich zu Invaliden gemacht! Wer ist dafür verantwortlich? Wer macht diesem Bösen ein Ende? Ich fordere: Eingehende Untersuchungen dieser Verbrechen, ein Anwendungsverbot dieser abscheulichen Waffenart, die gegen das Leben und die Gesundheit der Menschen gerichtet ist, die Auslieferung der Schuldigen an das Strafgericht.

Hello, answering your request I send you a brief summary of targeted individuals from Belarus. I can give you only a brief general information 'because it's very difficult to be precise in determining what kind of harassment is applied, devices used etc...

DMITRY SUCHKOV - I'd related my case at fedame forum. My name is Dmitry Suchkov, under electromagnetic influence in torturing regime since February 2000, but was remotely controlled earlier, maybe since my childhood.

MAXIM LOGUNOV- remotely controlled, chip implanted (as he thinks), but there's electromagnetic impact more probably.

VICTOR LUBETSKI- voices hearing, cardial disease, constant indisposition. He conducted mental dialogues with psychoperators.

ELENA EVDOCIMOVA- a remote manipulation victim. Periodical sound in her head, modulated impulses on internals.

TATSJANA SJAHOVICH &FAMILY-visual hallucinations, voices hearing, impulses on body. All her kin are under harassment.

VLADIMIR AHRAMOVICH- a man totally driven distracted, motor function disrupted, thin like a skeleton. Being 37 years old, he looked like 70 (reported having been deceased).

SERGEY BRONEVITSKY- remotely controlled, mentally attacked, voices hearing. Counted himself being possessed by demons.

AKSENUK- remotely deprived of sleep, suffering severe pain.

TATSJANA PLATONENKO-distantly controlled, tormented harshly.

MARIA TERESCHENKO- voices hearing, mentally attacked. Suffering from modulated impulses.

ALEXANDER SUCHKOV- remotely controlled, almost never leaves his home. Tried to suicide.

GEORGY SEMENOV-feeling strange pain for 12 years, count himself being "spoiled, attaked by unholy spirits'

LIDIJA ERMAKOVA- remotely controlled, her mind invaded regularly.

JAKOV ZIPEROVICH- a so called 'phenomenon', he hasn't been sleeping since 1979. Now, some believe him being a target for madical experiments.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Yours truly, Dmitry.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Targeted, Directed Energy Weapons and Mind Control from Russia.

I was born on the 5th of January, 1954 in Sebezhe of Pskov province. I have a intermediate technical education and in 1970 I finished the Leningrad sea school. After completion of this sea school I worked as a steering motor mechanic in the Leningrad sea port.

I consider that from my birth the section of my brain was intentionally damaged and therefore I couldn't speak till 1961 (at birth the site of a brain responsible (crucial) for speech and will power was purposely damaged (injured). Till six years I stammered). When I was eight, I felt the information intrusion into my consciousness. They did not give me possibility to indicate that I wanted. I had to answer incorrectly and they interfered me to learn good at the school. In 1978 I felt constantly the powerful psychotronic influence on my organism.

Considers, that In to increase 8-ми years has felt information intrusion into consciousness, let's speak, that wanted, forced to answer incorrectly, prevented to go to school.

After the complaint to the Presidium of the Supreme Soviet of the USSR because of irradiation I was set on the registration in the Psychiatry of Nevski district in Leningrad.

As a result of the long-standing irradiation I have the following diseases: the functional distribution of the processes of the higher nervous activity of the brain of technogenic nature, cystoid reconstruction of the left half of average cranial pit, cyst from the left in the basal divisions of frontotemporal region, ventral rupture, dystrophic changes in the spine, chronic prostatitis, adenoma of prostate gland, the capillary hemangioma of liver, the total weakening of power engineering of all systems of organism and other illnesses. On the photo (see [application 2]). I have the injury of left eye and left hand because of the radiation.

The above-presented facts testify about the systematic disturbance of the rights of Russian citizens, the intentional putting of harm to health, the tortures, the illegal experiments on the people and the violation of the articles of International Convention:

the article 2. proclaims the right to the life, the article 3. protects from tortures and inhuman treatment, the article 8. proclaims the respect for personal life and inviolability of dwelling.

The application:

1. medical certificate - 12 sheets
2. photo -1p
3. act from the the scientific methodological center - 3 sheets

Hi, John! My name is Denis, i'm 32 yo. I'm Target Individual from the Novosibirsk, Russia. I subjected to psychotronic effects and tortures since July 2012. Tortures is very diverse, but mostly they are aimed at my heart - his work (heartbeat of my heart), various pain in it - vibration, pulses, stabbing pains, pressure pain, they are twitching my heart. But also psychotronic terrorists act on my emotions, my liver, my stomach, my mouth, irradiating them and raising them in a variety of pain and discomfort. This is my story on my native language. If you need, I can write your story in English. Please, help me. Thanks in advance...

My story:

Здравствуйте. Мне 32 года, рост 182, вес 80. Дело в том, что я уже более двух лет (с конца июля 2012 года), подвергаюсь воздействию психотронным (волновым) оружием в открытом пыточном режиме(до этого, как минимум, с начала 2000-х меня обрабатывали в скрытом режиме). Я подвергаюсь воздействию психотронным оружием в режиме 24 часа в сутки, некоей неизвестной мне группой лиц. Принцип действия этого оружия основан на воздействии на жертву террора спецаппаратурой, поражающим фактором которой являются электромагнитные поля (СВЧ) или, что наиболее вероятно, торсионные поля или скалярные волны. Настройка на объект, скорее всего, осуществляется через его тонкие тела, либо через излучающие частоты организма мишени. Эти лица постоянно считывают мои мысли, мысле-образы, передают свои голоса в мою голову (то есть разговаривают телепатически со мной) 24 часа в сутки, 7 дней в неделю и тем самым выводят меня из состояния покоя всякой неприятной для меня чушью (то есть делают все, чтобы испортить мне настроение), воздействуют на внутренние органы (в основном делают упор на сердечно-сосудистую и моче-половую системы, но также воздействуют и на другие органы) и части тела, вызывая в них болевые ощущения различного характера. В частности, воздействуют на работу моего сердца - оно бьется в хаотичном режиме: резко изменяют пульс и давление, создают искусственные аномальные аритмии, тахикардии, брадикардии, делают сильные аномальные боли (вибрации, импульсы и тд) в области сердца и солнечного сплетения, периодически ощущаю сердцебиение, тяжело дышать. В связи с этим многократно проверял различными методами диагностики сердца - экг выявило умеренные изменения миокарда, УЗИ сердца (сделанное в ноябре 2014 года) выявило увеличение левого предсердия на 1,1 см и увеличение пролапса митрального клапана, холтер зафиксировал очень быстрое увеличение пульса с 52 до 118 ударов в минуту...Кардиологи не видят в этом ничего серьезного, но все как вы понимаете до поры до времени... Полностью контролируется работа моего организма и мое эмоциональное состояние, идет отток жизненной энергии (возможно для собственной подпитки пси-операторов) - хроническая усталость и общее недомогание стали моими чуть ли не постоянными спутниками, да и вообще я последнее время чуть живой. До начала открытой фазы психотронного воздействия (до июля 2012 года), я был здоровым человеком (проблем с самочувствием и со здоровьем не было) - вел здоровый образ жизни и в меру занимался спортом. Сейчас же меня попросту убивают, только не явно, а скрытно - дистанционно. Лишили меня возможности зарабатывать себе на жизнь - практически любая минимальная нагрузка стала для меня очень тяжелой. Духовным саморазвитием и эзотерикой я не занимался. В последнее время (с конца 2014 года), у этих уродов (а иначе их и не назовешь) вошло в привычку разгонять мне по утрам сердечный ритм - начинают еще пока сплю (сердце работает на повышенных оборотах - за 100 ударов в минуту в течении ночи) и продолжают когда я встаю - разгоняют сердце еще сильнее (пульс около 125 или еще выше) и тут же резко тормозят сердечный ритм. От их утренних манипуляций с сердцем я отхожу по несколько часов. Не могу теперь даже выйти лишний раз на улицу из-за этих уродов, ни говоря уже о работе и занятиях спортом...В процессе дня - также продолжают свои издевательства над моим сердцем - игры с сердечным ритмом, различные болевые и неприятные ощущения в области сердца и солнечного сплетения, вибрации и импульсы в области сердца и солнечного сплетения, резко дергают сердце, разряды в сердце и прочие их "подарки"...С июня 2015 года (после моего дня рождения), они совсем отморозились и вдобавок ко всему вышеперечисленному стали пытаться меня психологически - резко меняют мне настроение на негативное с различной комбинацией "спецефффектов", и стали облучать мне ротовую полость, желудок, печень, вызывая в них различные неприятные ощущения. Жизнь стала практически невозможной и невыносимой. У меня один из самых беспредельных и жестоких режимов среди жертв пситеррора, на мой взгляд...Помогите пожалуйста мне решить мою проблему, это для меня вопрос жизни и смерти...Видимо эти уроды решили меня отправить на тот свет, вдоволь поиздевавшись на этом...Осуществляется уничтожение моего рода - помогите мне пожалуйста...Заранее благодарен...

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Targeted, Directed Energy Weapons and Mind Control from Russia.

I was born on the 21st of November, 1934 in Leningrad (St. Petersburg). I have a supreme education and finished the Institute of Culture in St. Petersburg, The Faculty of Bibliography.

Since 1964 I worked as a non-staff correspondent in newspapers and magazines and as an editor on TV and at cinema. I was born in a very creative family. My father was a honored worker of arts of the Russian Federation. My mother always worked together with my father. They are both participants of the Great Patriotic War in Leningrad and have rewards.

My family was irradiated since 1989. And as a result of the strong irradiation my mother was very ill and during 10 years she could not work. Our family was always upon the psychological pressure: the phone threats, from the crane flew dirty water, at night any maidens and guys ran on the ladder and somebody knocked on the door of the apartment. It was impossible for me to work, however I continued to publish in various magazines and newspapers till now. I always had a very fine health, played volleyball and had the category "the master of sports". Often I took the second place in the city competitions on track and field athletics. Concerning the irradiation I sent complaints to the different instances, but I didn't get any answer or I've got some formal replies. As a result of the long-term irradiation I have the following illnesses: an ischemic insult with left-hand defeat, an atherosclerosis of a cardiac muscle, a stenocardia, a hypertension, a cataract of eye, expansion of veins, strong destruction of teeth, change of voice, appreciable deterioration of hearing.

Above the stated facts testify to regular infringement of citizens' rights and freedom of the Russian Federation and articles of the International Convention:

In the hospital the doctors made me pricks with the unknown medicine on 2 ampules without the inspection three times a day. They extracted me in a week on the guarantee of my relatives.

Psychoneurological examination was carried out on the demand of the **MOSCOW COMMITTEE OF THE ECOLOGY OF DWELLING** and 16.08 2001 I was taken from the psychiatric registration.

As a result of the long-standing irradiation I have the following diseases, typical to the person, who is irradiated through the psychophysical weapon.

I have a protocol of measure of the ionizing emission in my apartment and a report of the inspection of my apartment by the **MOSCOW COMMITTEE OF THE ECOLOGY OF DWELLING** that somebody penetrated into my apartment in my absence and strewed all my clothes by the chemical substances.

The whole world is organized as electronic concentration camp. Everyone is in the camp. Victims of terror only want to be transferred from the torture department to the common department of the concentration camp. Victims don't want to remove the concentration camp. They struggle for their right to be in the common department, they only want to become ordinary normal people (ordinary prisoners in the common department). The concentration camp is consequence the cause is the capitalist system. The system is built on ordinary people. The way out is cooperation of people, union of people for living together. ВАШЕ ПИСЬМО:

Я - нацеленная жертва, жертва контроля разума, жертва психотеррора, жертва пыток.

Из Ontario Canada

Атакован 2003

Ваше письмо

Здравствуйте. Хотела бы проверить, являюсь ли я жертвой пситеррора. Происходят странные вещи, которые не могут объяснить врачи-психиатры. 5 лет живу в Канаде, недавно получила гражданство. На протяжении 4 лет "слышу голоса". Мой муж и я поверяем возможные варианты, все это время считала, что у меня болезнь "шизофрения" (присутствует только один симптом - галлюцинации), тонны лекарств не помогали и по той или иной причине "голоса" останавливались сразу же по приезду в Россию. Само содержание "голосов" все больше и больше убеждает меня, что это реальные люди, которые издеваются надо мной и моей семьей, над моим здоровьем и здоровьем моего будущего ребенка, а также прерывают все мои начинания в учебе: школа, колледж, университет, снова колледж, два раза я уходила с работы по все той же причине, склоняют меня к самоубийству, убийству других людей. Все это время не было никакой жизни из-за этого, все в черном свете, хотя огорчаться было нечему, причина была только в одном - "голоса". Именно содержание может довести человека до тех симптомов, которые описаны в шизофрении; специфика построения вопросов, которые они задают, угрозы, что убьют меня, мою семью, полицию, если я им скажу о них, посадят в тюрьму, психушку, из-за этого происходили ссоры с мужем и т.д. Они постоянно орут, мат, издеваются над моей беременностью (8 месяц), оскорбляют будущего ребенка. У меня не возникали симптомы болезни только благодаря поддержки родных и постоянного ежеминутного контроля над собой. Идет полное издевательство и извращение за моей спиной. Содержанием своего разговора подводят к симптомам шизофрении, разрушается мое здоровье, здоровье моего будущего ребенка, развивают склонность к самоубийству, тратились большие деньги на лекарства, авиа билеты на лечение в госпиталях России и Канаде... Мы проверяем, потому что хотим остановить этот кошмар, постоянные мучения, хотим просто жить, как простые нормальные люди, растить детей, учиться и работать. Люди, которых слышу, меняются, дежурство.

То, что я в положении, насторожило психиатра, с которым мы недавно разговаривали по этому поводу. Он сказал, что вряд ли будет кто-то издеваться над беременной. А то, что не "слышала голоса" в России, он объясняет бесстрессовой обстановкой в кругу семьи. НО...

Я лежала в психиатрической больнице в течение двух месяцев, а там далеко не бесстрессовая обстановка, совсем наоборот, мне там было ужасно находится среди психически больных. Можно себе представить, что творится в таких заведениях. Я принимала Зипрексу, лекарство, которое в течение года принимала в Оттаве, оно мне никак не помогало, а потом я приехала в Россию, сразу легла в больницу, мне там дали эту Зипрексу и снотворное, на утро голоса исчезли. Я узнавала про дозу у врача, чтобы знать на случай, если у меня возникнут "голоса" снова, она назвала ту же дозу, что была в Оттаве. И когда я приезжала в Оттаву из России, врачи психиатры, а у меня их здесь было три, разводили руками и удивлялись, как это возможно. Они ведь не хуже специалистов из России.

Дома в Оттаве ощущаю на себе признаки торсионного излучения.

У меня 12 имплантантов (все поставлены у одного и того же врача в Оттаве).

Меня волнует, как это обнаружить и устранить, и если это существует предупредить дальнейшее издевательство надо мной и моими близкими, а также предупредить правонарушения в отношении других людей. Написали заявление в полицию, мне сказали, что это болезнь на основе рассказанного мною. Но мне так спокойнее переносить угрозы, которые я "слышу", возможно это самообман, но маленькая надежда теплется, согревает чувство, что я под защитой.

Я ТРЕБУЮ МЕЖДУНАРОДНОГО РАССЛЕДОВАНИЯ ЭТИХ ПРЕСТУПЛЕНИЙ И ОГРОМНЫХ НАРУШЕНИЙ ПРАВ ЧЕЛОВЕКА

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Targeted, Directed Energy Weapons and Mind Control from Russia.

I was born on the 20th of March, 1940 in Komsomolsk-on-Amur of Khabarovskiy District. I have a higher education and finished the Polytechnic Institute in Komsomolsk-on-Amur. I am a Candidate of Technical Sciences from 1969 to 1992 and I worked at the scientific research institute of aviation technologies. From 1992 to 2000 I was an owner of my own firm and now I am an owner of Caralov club.

I was irradiated since 1991 repeatedly. I began to write complaints because of the irradiation to the different instances. In 1992 I sent complaints to the organs of the sanitary-epidemiological supervision of eastern administrative district association from the tenants of our house 1/1. And in 1993 I sent the complaint to the main sanitary doctor of Moscow. I've got the answer, that similar emissions are not measured and that there are no instruments for the measurement BY SHF.

After that I sent the complaint to the District Division of Internal Affairs on the fact of the irradiation. As a result of

it the police threatened me in my apartment to isolate me and send me into psychiatry. Three times I sent complaints to the Federal Security Service, but I didn't get any answer. In 1995 I sent the complaint to the District Procurator and they transmitted my complaint to the District Division of Internal Affairs. I didn't get any answer till now. In 1997 I sent the complaint to the General Procurator's office. I was called into the law court to send me into the psychiatric hospital with the diagnosis of maniacal persecutory delusion. Only because of protection of the **MOSCOW COMMITTEE OF THE ECOLOGY OF DWELLING** in the law court the matter was ended.

I repeatedly rang the television network because of disturbance of the telephone communications, technogenic noises in the hand receiver and wire tapping, but everything remained as before.

As a result of long-standing irradiation I have the following diseases, characterizing the irradiated persons: destroyed teeth, diseases of eyes, tachycardia, increasing the frequency of pulse, the overvoltage of the regulator mechanisms as a result of stresses, obtained as a result of the irradiation.

The above-presented facts testify about the systematic damage of rights and freedoms of the Russian citizens and of the articles of International Convention:

My obtained diseases as a result of irradiation during thirty-years (see in appendix 2.).

I have a protocol of measure of the ionizing emission in my apartment and a report of the inspection of my apartment. **THE MOSCOW COMMITTEE OF THE ECOLOGY** of dwelling determined, that in the absence of owners somebody penetrated into my apartment and sprinkled my apartment by chemical substances (see appendix 3).

The above-presented facts testify about the systematic disturbance of the citizens' rights of the Russian Federation, the intentional putting of harm to health, the tortures, the tortments, the illegal experiments on the people and the damage of the articles of the International Convention: the article 2. proclaims the right to the life, the article 3. protects from tortures and inhuman treatment, the article 8. proclaims the respect for personal life and inviolability of dwelling.

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Targeted, Directed Energy Weapons and Mind Control from Russia.

I was born on 15th of June, 1938 in Kazakhstan. I have an intermediate technical education. In 1966 I finished the Leningrad Physicomechanical Technical School . From 1959 to 1993 I worked in the Leningrad optical-mechanical association (LOMO) as an engineer for the preparation of production.

They began to irradiate us since 1983 and I felt a very stark indisposition, pains of eyes, pains in the heart and in the joints. I always have incomprehensible allergy. Since that I began to write complains about these incomprehensible illnesses. I told my friends and my colleagues about these strange symptoms. It was necessary to suppress the excess conversations and in 1983 I was accomodated into the mental hospital. I sent complains to the different State Institutions because of irradiation but I didn't get any answer till now. All considered me as the mentally unhealthy person. In 1993 I retired on pension and now I am a pensioner.

As a result of the irradiation I have different diseases: leucosis, burns.

In my absence the criminals entered into my apartment and they strewed by the chemistry mixture furniture, products, wearing things, spoil office equipment, sanitary engineering, clothing.

In 1998 my husband Pavlovsky Grigoriy was killed, who created “**ST. PETERSBURG'S SOCIETY OF THE PROTECTION OF PERSONALITY FROM THE REMOTE BIOENERGETIC TERROR**” and who was a chairman of this society. All my relatives are irradiated and in 1999 my daughter's husband was killed . My sister is irradiated brutally.

The above-presented facts testify about the systematic damage of rights and freedoms of citizens of the Russian Federation and the damage of articles of International Convention: the article 2. proclaims the right to the life, the article 3. protects from tortures and inhuman treatment, the article 8. proclaims the respect for personal life and inviolability of dwelling.

I am a victim of Targeted, Directed Energy Weapons and Mind Control from Russia.

I was born on the 23d of May, 1931 in Kashira near of Moscow. I have a supreme education and finished Military Radio- engineering Academy in Charkov. I am an engineer of automatic control systems and computers. I served in the Soviet Army from 1951 to 1976. After dismissal from army I worked directly with repair and service of COMPUTERS from 1977 to 1995. Last 14 years I worked as a senior engineer of the scientific research institute of the aviation industry. During service in the army I was offered to work for KGB, to inform them about the colleagues, but I refused. Such matters KGB did not forgive me.

After dismissal from army my family was began to irradiate. In 1983 and in 1984 I sent complaints on the fact of irradiation to the State Office of Public Prosecutor of the USSR four times, but I have received any answer. Then I was invited into the police, and from there I was sent for psychiatry. In 1989 I was released from psychiatry. In 1998 I sent two references to the minister of the Ministry of Internal Affairs and two telegrams to the president of Russia. But I have not got any answer.

As a result of irradiation I have received a number of characteristic diseases.

From 1995 to this day I am a pensioner. While we were repeatedly stimulated by Intourist management for her good work and therefore we received monetary bonuses, written recognitions and valuable gifts.

I was irradiated since 1998. A variety of experiments have been conducted on me : internal organs put out of balance, the psyche influenced, with provocation of the sense of fear, horror and stupor, distraction, blocked memory, virtual vision; chemicals, gases and viral were used; the viri cause a permanent state of influenza; radiation inflicts body lesions, muscular spasms in the ribcage, impeded breathing, suffocation the ribcage, impeded breathing, suffocation and heart stoppage on at least four occasions. The electronic monitoring is constant, without a minutes pause.

As a result of irradiation I have the following ailments: respiratory disease, alteration of cardiac rhythms, anemia, varicose veins, alteration of metabolism- diabetes.

My name Sveta Morozova from Novosibirsk. Me use as a laboratory rat also and can and it is worse. I have information on technologies and the weapons. I want to tell, that each weapon has characteristic attributes of the work and defeat of an organism. There are technical devices capable to determine these attributes. For example, high frequencies of radiation by capacity are higher than norm or electromagnetic radiation. It also causes in us painful sensations, but it can be determined with the help of devices and then will not laugh at us.

27/7/09

Here the description of technical equipment similar used against us.

“Camera Xaver 800, The Xaver 800 provides ‘Through-Wall Vision’ to change the dynamics of your urban operation. With the Xaver 800 you can rapidly and reliably observe one or more people in a room and continuously monitor their activities while positioned outside the room’s walls.

The Israeli manufacturer, Camero, has raised \$14 million for their inimitable development accounting for a total of \$20 million after Xaver 800 was announced. Technically, the camera produces ultra wideband signals and the data gathered is then utilized to form 3D models of things. The ploy being employed is that the camera has the ability to capture the signals in messy conditions and through solid objects.

The Xaver 800 is a portable system whose unique mechanical design with folding ‘wings’ allows compact and easy transport. Its operation is simple and intuitive and does not require extensive training. The Xaver 800 also offers a number of flexible options, including using the system at a stand-off from the wall and remotely locating the sensor at a distance of more than 100 feet from the operator.”

This technical equipment has the certain radiation when works. It can be determined technically. For this purpose it is necessary or to address in a private concern for the help or to buy the corresponding device.

Sincerely

Здравствуй John Finch !

Я,Переверзев Олег Николаевич,гражданин Украины подтверждаю,что меня и мою семью на протяжении уже 12 лет,при помощи психотронного оружия, преследует преступная группировка работников МВД Украины.Они убили мою маму и отца,жену и дочь превратили в биороботов,меня преследуют и жестоко пытаются,по садистски издеваются.Мне не дают устроиться на работу,заставляют влачить нищенское существование.На мне фактически организован психотронный концлагерь.

Я призываю всех людей страдающих от психотронного террора объединиться для решительной борьбы против подонков-террористов из спецслужб МВД.Нам нечего терять,нас все равно убьют.Надо понимать ,что мы жертвы трусливых,тупых ничтожеств,которые больше всего боятся ,что мы бьединимся и сможем их уничтожить как вонючую психофашистскую гниду.

John,напишите мне свои предложения,как мы можем объединиться.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Targeted, Directed Energy Weapons and Mind Control from Russia.

I was born on the 19th of July, 1937 of Rostov Region. I have a higher education and finished the Radiotechnical Institute in Taganrog. I am a Radio Engineer. From 1961 to 1992 I was employed in accordance with my specialty at the enterprises of VPK and of the Ministry of Internal Affairs. From 1994 to 1998 I was a helper of Government Duma of the Russian Federation. Now I presides the legal assistance organization of the **MOSCOW HOUSING ECOLOGY COMMITTEE**.

My family was irradiated since 1987. They began to feel indisposition. My husband Petukhov Vitaly had strong headaches, eyes pains, fatigue and he couldn't sleep at night. The medical examinations detected no fault in his state of health. My mother in law and I had the same symptoms. Since 1992 the irradiation increased and in June my mother in law was killed. In 1993 my husband Petoukhov V.N. was killed. Criminal proceedings were initiated in connection with my husband's killing and were discontinued in a week. The investigator in charge didn't let me to examine my husband's case record.

Petukhov Vitaly was born on the 9th of March, 1940 in Sovetsk of Kirov region. He had a supreme education and finished the Radiotechnical Institute in Taganrog. In 1968 he was called for the military service into the Soviet army of the Ministry of Internal Affairs, where he was engaged in development of the equipment of communication for armies of the Ministry of Internal Affairs. From 1970 to 1993 he worked at the scientific research institute of the special Equipment as a chief of laboratory. He was one of the best experts in development of the equipment of communication. Special Services of Russia prepared for war in the Chechen Republic a very good communication and the fair people were not used. It was necessary to take all families for realization of experiences. In 1993 my husband was killed.

My apartment, the garage and my personal belongings were drenched with chemicals. Besides, I underwent psychological and economic pressure. During my absence from my apartment trespassers spoiled furniture, clothing, household appliances were stolen. In the morning I found on my body burns and hematomas. Some of them were confirmed by medical certificates.

As a result of exposure to irradiation, I have received diseases, characteristic of long term technogenic sadism. It were made protocols of measurements in my apartment, which confirmed the presence of technogenic influence and evidence of examinations of my apartment, signed by witnesses and certified by notary public.

The exposed facts are the serious evidence of systematic violation of civil rights and liberties of the Russian Federation and infraction of International Convention: the article 2. proclaims the right to the life, the article 3. protects from tortures and inhuman treatment, the article 8. proclaims the respect for personal life and inviolability of dwelling.

The appendix:

- 1.document referring my husband's death -1 sheet
- 2.medical certificates -5 sheets
- 3.protocols of measure of irradiation - 1sheet
- 4.photos of irradiation burns -1 sheet
- 5.photos of special chemical composition -1 sheet

Евгения здравствуйте! К Вам действительно применили психотронное оружие. Вы приехали из России, а это самая отпетая страна по издевательствам над народом. Техника позволяет давать вам голоса и на таком расстоянии. То, что Вы беременная их ни сколько не смущает. С голосами этими можно бороться, я Вам подскажу. но главнре по меньше обращайтесь к психиатрам и не принимайте никаких лекарств. С уважением, Петухова

21/4/09

Евгения, здравствуйте! Попытаюсь Вам объяснить, Вы действительно являетесь жертвой пси-террора, поэтому не обращайтесь к психиатрам, а то они могут искалечить и Вас и Вашего будущего ребенка. Я по образованию радио инженер, поэтому все штучки с голосами мне хорошо известны. Попытаюсь вам объяснить, как это делается. Я не знаю, кто Вы по образованию, но это не имеет особого значения, постараюсь объяснить, как можно проще. Есть низкие частоты (на которых мы с Вами говорим), есть высокие частоты, есть сверх высокие частоты, их величины я не буду Вам указывать. Для передачи сигналов (в которых заложена та или иная информация)применяют все частоты, но все зависит от того, что мы хотим передать и на какое расстояние. Есть передатчик, который передает эти частоты и есть приемник, который их принимает.(представьте себе обычный радиоприемник,который работает на длинных средних, коротких и т.д.волнах), так вот в данной ситуации Ваша голова, а еще точнее мозг работает, как приемник, он принимает те сигналы, которые подают на Ваш мозг. Около уха (вернее за ухом) есть мозговая жидкость, которая является как бы приемником, который принимает голоса. В данном случае передается СВЧ (сверх высокая частота), которая промодулирована (т.е. на высокую частоту наложена низкая частота - звуковая речь), Поэтому Вы слышите голоса, убрать их никакой психиатр не сможет, а накачать Вас психотропными препаратами, которые принесут вред Вам и Вашему ребенку могут. Попробуйте вот, что сделать: 1. посылать их подальше, это им не очень нравится (давать им отпор), т.к. там сидят ответные преступники, на них это может сразу не подействовать, но все же попробуйте.2.попытайтесь увеличить астральное тело головы, т.е. мысленно увеличьте свою голову на 20-30 см и зафиксируйте опять таки мысленно её на этом уровне. Подержите её в таких размерах несколько минут, сначала не получится, но потом получится и сначала будете слышать обрывки их фраз, а потом совсем перестанете их слышать. С уважением, Петухова

28/7/09

Светлана, здравствуйте! Напишите пожалуйста мне немного о себе, где проживаете в настоящее время, работает или нет. Я потом объясню, почему это меня интересует. Ваше обращение к средствам массовой информации мы можем поместить у себя на сайте. Но поверьте мне это будет голос вопиющего в пустыне. Все СМИ находятся под контролем этой мафии и очень редкая газета, которая берется за публикацию нашего материала. Но даже, если какая-то газета и опубликует, народ уже не способен воспринимать, какая опасность ему грозит, он просто проглотит этот материал, не о чем не задумываясь. Наш комитет сам выпустил три подряд газеты посвященных пси-оружию. И что досталось только редактору газеты. С уважением, Петухова Алла

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I was a victim of Targeted, Directed Energy Weapons and Mind Control from Russia.

Alles begann 1983 durch einen Konflikt auf der Arbeit. Und im November 1984 begann mein Mann, Stanislaw Fjodorowitsch Redkin, plötzlich zu klagen, daß ihm die Arme, Beine, der Hals und der Kopf teilweise oder vollständig absterben. Er konnte nicht begreifen, was mit ihm vorgeht. Im April 1984 bekam er gleichzeitig einen Schlaganfall und einen Infarkt. Der Schlaganfall war von einer linksseitigen Lähmung begleitet. Er lag drei Monate und 20 Tage im Moskauer Stadt Krankenhaus Nr. 1. Nach der Entlassung wurde er Vollinvalid.

Und das mit 50 Jahren! Während ich ihn pflegte, kam es bei mir ebenfalls zu merkwürdigen Erscheinungen, obwohl es mir gesundheitlich immer gut ging, und ich im Laufe vieler Jahre an keiner Erkrankung litt. Und nun plötzlich mal eine kurzzeitige Knorpelentzündung, mal kurzzeitige Kopfschmerzen, dann wieder wie bei meinem Mann Absterben der Arme, Beine, des Kopfes (teilweise oder ganz), starke Schmerzen in der Herzgegend und so weiter... Mein Mann sagte, daß er ständig irgendeiner nicht begreiflichen Einwirkung unterliegt. Mir war das auch alles unbegreiflich. All` das schien wie aus dem Reich der Phantasie.

Mein Mann starb am ersten August 1986 im Krankenhaus Nr. 79, das sich unweit der U-Bahnstation "Kolomenskaja" befindet. Nach dem Tod meines Mannes begann ich merkwürdige Befindlichkeiten zu spüren:

Mal konnte ich für zwei Wochen nicht richtig sehen (meine Dioptrie war +1), mal tat das Herz weh. Ich rief den ärztlichen Bereitschaftsdienst. Der bescheinigte mir jedoch, daß alles normal ist. Dann wieder kam es zum Pulsieren und zum Vibrieren des ganzen Körpers, oder zum Prickeln am ganzen Körper, dann taten die Beine anhaltend weh. Ein andres Mal kam es zu einem plötzlichem asthmatischen Hustenanfall und zu einer Entzündung der Bindehaut an den Augen und einer Schleimhautentzündung im Nasen-Rachenraum. Wenn ich das Haus verließ, verschwanden alle diese Merkwürdigkeiten. Ich begriff das so lange nicht, bis ich eines Nachts ein hellblaues Schimmern an der Decke, den Wänden und dann in der ganzen Wohnung sah. Es wurde ein Experiment mit einer Neonlampe durchgeführt, die zu leuchten begann, indem sie die Strahlung fixierte. Danach bemerkte ich Personen, die mit schweren, großen Taschen aus der 3. Etage herunterkamen, sich in ein Auto setzen und davonfahren. Einmal war die Tasche offen, und ich konnte darin ein Gesicht sehen. Dann begann ich nachts, aber mir in der 3. Etage, Personen umherlaufen zu hören, das Ein- und Ausschalten und das Summen von Geräten und Gespräche von Leuten. Mir kam der unerwartete Gedanke, daß meine Familie für irgendwelche medizinischen Experimente ausgewählt worden war. Ich versuchte mich in der 166.

Polizeiabteilung zu beschweren. Daraufhin wurde ich in eine psychiatrische Klinik gebracht. Dort wurde das Experiment nicht nur mit Strahlengeräten fortgesetzt, sondern auch mit Psychopharmaka. Mir wurde eingeredet, daß ich mich in einem Grenzzustand zwischen Gesundheit und Krankheit befinde, und unbedingt geheilt werden

muÃ. Das war im Juni 1987. Nach diesem Einteilungsprinzip mÃte man 90% der russischen BevÃkerung in die Psychiatrie verfrachten und heilen! Ich wandte mich um Hilfe an Vater und Mutter, aber sie glaubten und verstanden ebenfalls nicht, so wie ich anfangs auch, daÃ so etwas Ãberhaupt mÃglich ist. Meine Mutter, Vera Iwanowna Salbijewa, war seit mehr als 50 Jahren Mitglied in der KPdSU, und Teilnehmerin am GroÃen VaterlÃndischen Krieg. Die Experimentatoren fanden meine Eltern bald und begannen sie ebenfalls zu bestrahlen. Anfangs spÃrten sie nichts, aber mit der Zeit begannen sie Ãber Kopfschmerzen zu klagen, Ãber Schmerzen im Brustkorb, in den Beinen, die anschwellen. UrplÃtzlich wurden sie von starker Hitze erfaÃt und standen vÃllig unter SchweiÃ.

Ich wuÃte damals schon, was mit ihnen vorgeht, aber ich wuÃte nicht, wie ich ihnen und mir helfen kÃnnte. Mein Ersuchen um Hilfe im Ministerium des Innern und im Komitee fÃr Staatliche Sicherheit brachten mich jedesmal zum Psychiater. Einer von ihnen drohte mir, daÃ ich âwenn ich nicht aufhÃre mich zu beschweren und meine Rechte einzufordern- fÃr immer im Psychiatriekrankenhaus âKaschtschenkoâ eingesperrt werde. Das Ende war wie folgt: Mein Vater, der an einer Herzkrankheit litt, starb an einem Schlaganfall. Die angerufene Dringliche Medizinische Hilfe lieÃ zwei Stunden auf sich warten. Meine Mutter hatte mehrere Male angerufen. Der Notarzt erschien erst, als seine Hilfe nicht mehr gebraucht wurde. Das war am 13. Mai 1991, als man dem Vater fÃr immer die Augen schloÃ. Im Krankenhaus war er ebenfalls bestrahlt worden. Ich stellte das an mir fest, als ich ihn in jenen Tagen dort besuchte. Meine Mutter versuchte man in zwei bis drei Tagen durch einen schlagartigen Strahlenimpuls ins Herz dem Vater hinterher zu schicken. Aber meine Mutter war ungeachtet ihres Alters (sie ist Jahrgang 1910) ein starker Mensch. Sie hatte ein gesundes Herz, Ãber das sie niemals klagte. Ich sah mich veranlaÃt umzuziehen, um mit der Mutter zu leben, weil ich glaubte, daÃ meine Anwesenheit die Hand der MÃrder zum Stehen bringt, obwohl meine Mutter âwie auch der Vater- nach wie vor nicht an diese ungesetzlichen Handlungen glaubte. Aber zwei Jahre nach Vaters Tod starb sie als vÃllig gesunder Mensch mit der Diagnose âim allgemeinen alles in der Normâ. Acht Stunden vor dem Tod telefonierte sie mit der Ãrztin aus der Poliklinik Nr. 3, die sagte, daÃ bei ihr alles normal ist, auÃer ein wenig Sklerose und SchwÃche. In Wahrheit war die Urinanalyse schlecht, weil ihr zeitweise die rechte Niere bestrahlt worden war, wovon sich der Urin rot fÃrbte. Meine vierzehnjÃhrige Tochter und ich hatten nach Bestrahlung der Nieren und des Urogenitalsystems auch rot gefÃrbten Urin, und er war trÃbe. Auf diese Weise starb sie plÃtzlich als praktisch gesunder und physisch starker 82jÃhriger Mensch, der gute Gesundheitswerte hatte.

Vor dem Tod wurde sie aus der unteren Wohnung Nr. 107 mit einem Biogenerator so bestrahlt, daÃ der Eindruck entstand, als ob das Bett âspringtâ (vibriert). Die Mutter lag da und stÃhnte, klagend mal Ãber Schmerzen in den Beinen, Ãber Schmerz in der Leistengegend, dann wieder Ãber Schmerz in der Brust, im Kopf, an der SchilddrÃse, dann in der WirbelsÃule usw. Vor dem Tod wurde sie der stÃrksten, totalen Bestrahlung ausgesetzt. Sie wurde auch aus der oberen Wohnung bestrahlt. Das GerÃt war in der Wohnung Nr. 113 Ãber dem Tisch angebracht. Dort saÃ auch der Operator. Es wurde alles immer offener gemacht, ohne Versuche, die VorgÃnge zu verbergen. Das einzige, was sie versuchen zu verbergen, sind ihre Verbrechergesichter, indem sie unter ganz normalen Leuten tÃtig sind. Die Messungen der Strahlung, die bei Mutters Krankheit durchgefÃhrt wurden, bekrÃftigen den Tod durch Bestrahlung. Sich in dieser Zeit in der Umgebung der Mutter aufzuhalten, war ÃuÃerst gefÃhrlich fÃr mich und die Tochter. Wir verloren schnell die Orientierung, und mit dem Kopf ging irgendetwas Befremdliches vor sich. Die Mutter starb am 27. Juni 1993. Ich habe Grund anzunehmen, daÃ Vaters und Mutters Tod beschleunigt wurde, damit unsere Wohnung frei wird, weil auÃer ihnen niemand auf die Wohnung Anspruch hatte.

Jetzt sind meine vierzehnjÃhrige Tochter Nastja und ich die Objekte der psychotronen Beeinflussungen. Ich werde bereits zehn Jahre bestrahlt. Ich âfrÃher ein absolut gesunder Mensch- verliere mit jedem Tag ein StÃck Gesundheit, weil die IntensitÃt der Bestrahlung zunimmt. Mir tun die MilchdrÃsen weh, das Urogenitalsystem, alle inneren Organe, einschlieÃlich das Herz. Auf mein Leben fand eine Serie von MordanschlÃgen statt, sowohl auf der StraÃe als auch zu Hause, wenn mit einem Strahlenimpuls in den Magen geschlagen wurde, um mich zu vernichten. Meine ZÃhne sind inzwischen verdorben, und es entstehen hÃufig EntzÃndungen, gegen die ich tÃglich ankÃmpfen muÃ. Wiederholt wurde auf mein Gehirn eingewirkt, indem der Verlust der Orientierung, starker Kopfschmerz und KoordinationsstÃrungen in den Bewegungen hervorgerufen wurden, und auch Fieber.

Meine Tochter begannen sie ab November 1990 zu bestrahlen, als sie noch keine 12 Jahre alt war, und eine schwache Einwirkung lÃuft seit 1984. Oft wurde sie zum Weinen gebracht, durch Hervorrufen von Schmerz und Erstarren einzelner KÃrperteile und des Kopfes. Und jetzt wird sie zwecks Vernichtung mit einem PsychotrongerÃt bearbeitet. Ihr wird der Magen-Darm-Trakt bestrahlt, die Leber, das Herz, die Gallenblase, die MilchdrÃsen, und stÃndig der Kopf, die SchilddrÃse, die Beine (oft die Gelenke), das Urogenitalsystem, und die GebÃrmutter (indem ein Orgasmus erzeugt wird). Die Bestrahlung hat eine solche Kraft, daÃ aus den Geschlechtsorganen Blut austritt. Durch Radiofrequenzbestrahlung wird bei ihr in der Schule im Unterricht, in Ãffentlichen Verkehrsmitteln und zu Hause starke MÃdigkeit erzeugt.

Die Einwirkung auf mich und meine Tochter geht komplex vor sich: Einmal die Einwirkung durch das

Psychotroger, dann mit Gas über die Ventilation und Rohre sowie mit chemischen Mitteln. Mit Gasen vergiftet man uns ständig -morgens, tagsüber und abends- indem eine Allergie, eine Schleimhautentzündung im Nasen-Rachenraum, Schnupfen und Husten (oft mit Blut) erzeugt wird. Die Gase haben unterschiedlichen Geruch oder sie sind geruchlos. Es ist Schwefelwasserstoff in sehr hoher Konzentration, ein Gas mit Knoblauchgeruch (in den ersten Jahren der Bestrahlung). Dann "Faulbeerbaum," ein Gas, das von Spezialabteilungen zur Unterdrückung von Aufruhr, Empörung und Unruhen in Gefängnissen verwendet wird. Und wenn eine Wirkung auf die Bindehaut der Augen und den Nasen-Rachenraum zu spüren ist, dann ist es ein scharfes oder ein geruchloses Gas.

Zu den chemischen Mitteln: Das ist ein rosa oder rosa-fliederähnlicher Farbstoff, der einerseits zum Kennzeichnen dient, weil man damit Teile der Wohnung markiert, die Zimmergrenzen, das Toilettenbecken, und auch den Schlafplatz des Menschen, auf den man einwirkt, die Kleidung, die Bettwäsche usw. Andererseits wirkt dieser Farbstoff auf die Haut und auf die Schleimhäute, indem er verschiedene Hautkrankheiten, Entzündungen der Bindehaut der Augen und des Nasen-Rachenraums bewirkt. Ein anderer Stoff "von der Farbe einer Meereswelle- ist sehr giftig.

Da alle meine Hilfesuche an die Behörden eine negative Reaktion hervorriefen und den Wunsch, mich in ein Psychiatriekrankenhaus zu bringen, sah ich mich gezwungen, mich um Hilfe an das Moskauer Komitee für Wohnökologie zu wenden.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Targeted, Directed Energy Weapons and Mind Control from Russia

I was born on the 11th of February 1963 in Krasnoyarsk. I have a higher education and I finished Petersburg Agrarian University of economic faculty. In 1965 my family and I have moved to live to Krasnoyarsk, where I lived with my parents till 1980. Then I studied at the University in Saint Petersburg.

In 1970 my family felt an irradiation in Krasnoyarsk. My father Slipets Ivan Markovich worked as an engineer, my mother Slipets Valentine Jakovlevna, as a chemist, but she worked as an engineer of technology. Slipets family was remained without means to existence and destroyed.

Since 1981 I worked and studied at the university. Now I work as a bookkeeper. Concerning an irradiation of my family I sent complaints to various State Institutions, but I've received only formal replies. (see appendix 4).

As a result of a long irradiation and application of chemistry I've received the following diseases: a sick of gall-bladder, crack of dental aperture, burn of genitals. I also have increased a hump, changes of thyroid gland, a tumour of dairy gland, deterioration of sight, a sick of veins. There is a testimony of irradiation in my apartment (see appendix 1.)

The exposed facts are evidence of systematic violation of rights of the Russian citizens, ecocide, intentional damage to health, torment, torture, unsanctioned experiments on humans and infraction of International Convention. the article 2. proclaims the right to the life, the article 3. protects from tortures and inhuman treatment, the article 8. proclaims the respect for personal life and inviolability of dwelling.

The appendix:

1. Medical certificates- 16 sheets
2. inspection acts of my apartment -1 sheet
3. photo - 1 sheet
4. document - 4 sheets

Rybin Pyotr Lukich: born September 4, 1929, in village Novoe Berezovo, Kaverinsky District of Ryazan Region. Education secondary, laborer, worked from 1942 through 1990. At present retired pensioner.

Rybina Alexandra Filippovna: born August 22, 1935, in village Gayury, Prohorovsky District of Kursk Region. Education secondary, laborer, residing in Moscow since 1953, worked from 1953 through 1990; at present, retired pensioner.

The Rybins family is subject to radiation since 1960. In 1991, the Rybins spouses, by demand of the 136-th Militia Precinct, were put, in absentia, under psychiatric control at Psycho Narcologic Outpatient Institution Number 13. The Human Rights Commission, to which the Rybins complained, solicited explanations. The case was considered in court, but the Rybins were not released from psychiatric control (v. Annex 1). The long term technogenic radiation has caused to the Rybins the following ailments:-

Rybina A.F.: diabetes; injury of the facial nerve and prolapse of the left side of the face; prolapse of the uterus; deformation of the feet; hernia; ectomy of the gallbladder; burns; cataract; hypertension; cardiac ailment; cholecystitis; blisters; exsudation; swellings "of obscure etiology", all confirmed by medical certificates and photographs (v. Annex 5, 8).

Rybin P.L.: diabetes, burns sexual limb and hands, cataract, hernia, cuts of the feet, adenoma prostatit, illness of the kidney (v. Annex 4,8)

The Rybins son, Rybin V.P., has been thrice interned, without good reason, in psychiatric hospitals, although in 1978-1980 he served in the army as a sound man. He served three prison terms, then was deprived of his home and Moscow residence registration. At present he is a hobo without means of support or medical assistance, still undergoing war medicine experiments. The ulcer on his leg, resulting from a radiation, is shown on a photograph.(v. Annex 6,)

In order to exert psychological and material pressure on the Rybin family, in 1991 their dacha was burned down. The dacha was insured, but Gosstrah didn't compensate the damage (v. Annex 2). Their car was taken apart, the parts stolen; an aimed ray broke a window and crystal tableware in a cupboard.

There are protocols of measurements made in Rybins' apartment that confirm the presence of technogenic radiation; treatment of the apartment, furniture, household appliances and belongings with chemical preparations; a sample of fabric with specific chemical substances.(v. Annex 7)

The Rybins have complained of the radiation to different Government Institutions, but got no response. On April 1, 2002 they filed a complaint at the District Procurator's Office. The Procurator's Office relegated their complaint to the «Chertanovo Yuzhnoe» District Department of the Interior and the South Okrug of Moscow's Sanitary and Epidemiologic Control Agency (v. Annex 3). As usual, nothing was done, only the Rybins got token responses. So they filed a suit in connection with the law enforcement institutions' inaction. District Court Judge Ivleva E.V. made a number of token writs to evade a court hearing of the case. **THE MOSCOW HOUSING ECOLOGY COMMITTEE** gathered all the judge's token writs and filed a complaint at the Moscow City Court. The Moscow City Court subpoenaed the District Court to hear the Rybins' case, but the subpoena fell once more into the hands of the same Judge Ivleva E.V., who started all over again. This time, a complaint against Judge Ivleva E.V.'s actions was addressed to the president of Moscow City's Qualification College of Judges, but another token response came from him.

The above facts are evidence of systematic violation of RF citizens' rights, of intentional damage to health, abuse, torture, unsanctioned experiments inflicted on humans; the impossibility of defending one's right to life and health in an impartial and independent court; the violation of International Convention Arts.: 2 – Right to life; 3 – protection from abuse and inhuman treatment; 6 – right to fair judgment; 8 – respect of privacy of life and home.

Hello! I do have similar circumstances of abuse, but in my case I think these weapons fall into the hands of Wealthy Russian Speaking Criminals.

My guess is they use differences between ultrasound frequencies i.e. 5000hz and 4995hz equal 5hz.

Right now I don't have much time. I'll send you more info shortly.

There is A Gang Of International Nazi-Fascist Conspirators that terrorize former dissidents against Soviets, some of dissidents are now disabled people, by implanting micro transmitters with a speaker (GPS dog's chip may be) into various parts of these dissidents' bodies (blue tooth in the inner ear, larynx, back of the neck, or may be inside brains).

Also this gang may use Directed Energy Weapons like Satellite near Infrared Lasers, Blood Pressure Changing Lasers, Ultrasound, Infrasound and so on.

I am fell victim to this horrible crime. Even if I'm disable I am working as a security guard part time. At first these losers in May of 2005 ask me to pay \$10000 in racket money but I strongly refuse to pay.

In the process they cynically decided to write a book about this crime.... Next time I'll send you more info, best wishes,

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

My terrible Story Moscow, 15.11.2007

I was born on the 12th of April 1972 in Moscow.

I have been a victim of Microwave and Psychotropic Weapons and of the Psychoterror State since the Spring of 2007.

These tortures and ill-treatments have been going on for many years now and started at exactly the same time as the terror situation undergone by my friend Arina D. who lives in Germany.

In 1999 strangers repeatedly attempted to break into my apartment in Moscow. Even after my complaint at the police station, the crimes are going on until the present day. Once the criminals attempted to force my apartment-door open at 5 o'clock in the morning, while I was sleeping. After that, I had to appeal to the police again. On both occasions, the district policeman categorically refused to consider my statement and tried to convince me that those crimes had been committed by young people. After that he promised me to have a talk with them. Since the year 2000 these State Criminals have started to chase me and watch me, attempting to take revenge on me, because I had asked for the police assistance. It turned out that "these young criminals" lived in the same house and were part of a dangerous criminal group protected by the Secret Services. The district policeman knew about this, but he did not inform me. Once I had to leave my previous apartment. During the removal my car had been shadowed. Now they are openly stalking me everywhere: in my house, on the workplace, at my parents' and my friends'. The criminals knew exactly where I worked and lived and did not let me out of their sight. They frequently waited for me in my door-entry and I already knew their faces personally. They tried several times to stab me with a knife in the house-entrance. I have fortunately survived, surely because God is protecting me!

In spite of the whole nightmare I managed to survive. I got married after my college years and I dedicated myself to an interesting work. I thought if I moved to the other part of Moscow, then the criminals would finally leave me in peace. But they kept attacking me as before.

In 2006 my grandfather died and since that moment, the criminals have started to commit their brutal crimes intensely. They used the pressure and intimidation methods, once applied in the totalitarian state: psycho-terror from the neighbors and a friend who tried to help me got threatened. A girl who lived in my building and tried to warn me about a murder attempt was beaten up and raped by the criminals in her own house. Since 2006 I continuously kept lodging complaints at the District Police Station, at the Public Prosecutor's Office, and at the Department of the Interior of Russia. My complaints were sent back to the district department of the Strogino police which has until the present time hidden the case of the girl's rape by the criminals. The Officers of the Police Department behaved as if nothing had happened. In November 2006, immediately after a common request from the neighbors to protect the girl from the violent criminals, I was under constraint sent to the Psychiatric Hospital by the officers of the police department.

They have started to irradiate me in Germany in a friend's house since the spring of 2007, literally before the departure to Moscow. I felt the irradiation immediately. The symptoms are quite typical of this kind of crime and they completely coincide with other victims' symptoms.

First of all I had dizzy spells, nausea and strong headaches. But when I came back home in Moscow, they began to attack me with Psychotropic Weapons. German and Moscow criminals attempted together to repeatedly manipulate my willpower, break me, make me "psycho-sick" and drive me to suicide. And until now they are exerting a strong mental influence on me. I frequently have unpleasant "drilling" sensation in the back of my head and in the neck. In addition to that, there are heart pains. The criminals can artificially create painful shocks, so that the victim would continuously go to the doctor and would appear insane. Pains immediately disappear in the doctor's room on a regular basis. And you are naturally regarded as an insane person. I have learned to ignore the pains, which the criminals create artificially. Such tortures will not certainly disappear without leaving a trace on me. I still was perfectly healthy the year before I had the irradiation. The mental torture committed by the criminals has greatly impaired my health.

In the spring of 2007, I went to my friend's place in Germany to rest a little. But I could not rest there either. However, from the first day of my stay in her house, I realized that my friend is not delirious, and that we are in the same situation. Since 2000 she has also gone through the constant ill-treatment from the part of the German Criminal Services. These gangsters left Russia once and moved to live in Germany to test microwave and psychotropic weapons on innocent German citizens. Many people have never heard about those things and they cannot even imagine that they can possibly exist. The criminals have left my friend in peace in Germany at the moment and are now having a real go at me. I am now the witness of crimes of criminal groups both in Moscow and Germany, which are working together to test Psychotropic Weapons on German and Russian citizens.

I am writing my story under the complete control of the Psychotropic Terrorists. The Great Patriotic War was not so long as the Psychotropic War, in which I have to fight. And I will continue my combat against these monstrous crimes and Psychotropic Terrorists.

When many of my friends found out that I am a victim of Psychotropic Weapons, they turned away from me

immediately. People get false information from the Secret Service and they have been programmed "not to believe" us.

Because of the everyday mobbing I had to change workplace and must now live under hard complicated conditions. Still, there are people who have known me since I was a child, and they believe me and help me. During all these years I have seen and experienced a lot of terrible things.

I have understood how the state can degrade, torture and pitilessly destroy its own people. And when victims do not complain, no one will help them! The whole country is under the yoke of the state Mafia which keeps people in fear. The citizens and the children of Russia are regularly ill-treated and tortured in their own apartments and houses. And yet, every citizen has indeed a right to freedom.

The facts presented in my story are a testimony of the systematic violation of the rights of the citizens of the Russian Federation. The deliberate undermining of my health, the constant ill-treatment and tortures, the use of illegal experiments on me go against the articles of the international convention: article 2. "The right of citizens to life", article 3. "The right of citizens to protection from tortures and inhuman treatment", article 8. "The right of citizens to inviolability of their personal life and dwelling".

Greetings! I from Russia. My name is Serebrjakova Ljubov, I also in the list. Thanks for lists, you have divided them on the countries. I try to make statistics of increase in quantity of victims. I congratulate you happy New Year and Christmas!

At you is though any information on Svetlana Shunin from Germany?

From the end of December it does not leave communication.

Anybody from the Russian victims cannot communicate with it.

Can to you it will be possible to learn on the communications about Svetlana Shunin's destiny?

In Russia very much worry about it, it very actively helps and protects Russian in Germany.

In advance to you it is grateful.

Good-bye

As to your question: about protection in Russia is a huge problem!

If such international organisations as the international court in Stratsburge, the United Nations in the opened do not deal with this problem to Russia there is no hope. In Russia we only achieve all blood. You know our history, we do not have anything difficult. At us simply destroy. In Russia till now do not speak officially about this problem, with it struggle only united a victim.

Once again thanks for the message on Svetlana.

To in total you good.

Yours faithfully, Ljubov, С уважением, Любовь Серебрякова

In Moscow 12.02.2010 have taken away in психиатрическую clinic of №13 of Moscow Albert Marenko, the person who opposes violence with application of the psychothrone weapon. All its relatives and acquaintances keep in awe. In Moscow open terror against the population operates.

To in total you good.

Yours faithfully, Ljubov, С уважением, Любовь Серебрякова, Москва

22/2/10

Thanks, for documents.

I should translate them into Russian and study.

In Russia a difficult situation for victims. There is no protection, everywhere corruption. I had a conversation with the doctor who treats Albert Marenko. The schizophrenia diagnosis only on the basis of its complaints to influence of the psychothrone weapon has been made to Albert. Any examination, any court it was not spent. Thus to Albert there are no remarks concerning its responsibility, behaviour, the doctor considers that in the rest it the normal person, clever, erudite. Doctors contradict to themselves. The doctor has told that wishes to know nothing about the psychothrone weapon that this weapon does not exist, and they put all who about it speaks, as it is delirium. Position heavy. Intimidate all who tries to help Albert.

Thanks for support.

Good-bye, Ljubov, С уважением, Любовь Серебрякова

Я вынужденно с ребенком проживаю на Украине у своей матери т.к. с февраля 2013 года начала подвергаться открытому воздействию психотеррора. Меня непрерывно облучали лучами, от этого я испытывала нестерпимую боль... постоянно испытывала тяжесть в районе подзатылка и макушки,- приходилось обматываться фальгой, -тогда приходило хоть какое-то облегчение.... Страдала постоянным головокружением, вода из крана была мутного цвета с горьким привкусом, еда также периодически была горького привкуса. Моему бывшему мужу, Семененко Алексею, постоянно кто-то звонил,- б.муж называл его Арсеном и говорил, что осталось уже не долго. Именно с февраля месяца 2013 года я начала слышать голоса и шаги под нашей квартирой на 9-м этаже, но на тот момент там никто не жил. Куда бы я по квартире не перемещалась слышала, как кто-то бегают на 9-м этаже следом за мной и направляет на меня обжигающие лучи. По ночам было невозможно спать - постоянно обжигали лучами все тело, особенно ноги, также подо мной вибрировала кровать отчего начинало вибрировать моё тело. Когда я сказала мужу , что надо написать заявление в милицию, и что под нами живут преступники- голоса и шаги в нижней квартире прекратились, но я их начала слышать из квартиры , которая находится над нами, а также из квартиры, которая находится через стенки- нас с ними общий тамбур, теперь с этих квартир я слышала голоса именно тех людей , которые там проживают, они мне постоянно угрожали, и как-то получалось так, что они говорят, я машинально, неосознанно мысленно повторяла, дошло до того что они специально говорили слова проклятий на близких мне людей, это все мысленно (как я не сопротивлялась) все равно повторялось в моем сознании. После этого они начинали меня оскорблять и ругать, что я проклинаю своих близких и начинали еще больше обжигать лучами. Лишь после того, как мне удалось уехать оттуда на Украину к своей матери это сначала прекратилось, а потом снова продолжилось, и опять те же голоса. Мне удавалось со временем не обращать на эти голоса внимания, и они со временем прекращались... НО сейчас, в январе 2014 года, это опять снова началось- эти голоса шантажируют меня моим сыном, обзывают его разными словами. Говорят , что будут издеваться над моим ребенком. Ребенок стал жаловаться , что слышит голоса, по ночам спит беспокойно, дошло до того , что он стал постоянно болеть,- таблетки не помогают, по ночам сопит , а мне из его сопения слышатся ругательства ... Я не могу слушать музыку т.к. через какое-то время начинаются слышатся в голове в такт музыке проклятия... Когда включается холодильник также слышатся проклятия в звуке мотора. Даже сейчас в то время, когда я это пишу женский старческий голос

говорит, что я хороню сына.... Я не знаю, куда мне обратиться, потому что в нашей стране официально это никак не признается, а если и написать -прийдут , сделают замеры и все...если кто может помогите пожалуйста!!!

HE WHO DARES TO ENCROACH ON THE HOLY BRAIN AND THE BODY OF MAN SUBJECTING HIM TO THE MOST HORRIFIC AND SADISTIC TORTURE, ABUSE AND ILL-TREATMENT, MUST BE OSTRACISED, DESTROYED AND FORCED TO PERISH IN TERRIBLE PAIN BEING CURSED BY GOD AND MAN THROUGHOUT ETERNITY

By the Act of Law

My name is Torin Sergei. I was born on the 7th August 1982 and for two years I have been subjected to directed irradiation, torture and manipulation by some unknown criminals. This daily torture is constantly on the increase, and so now I am desperately asking for help and advice.

1) To whom can I turn to, in order to gain help in eliminating this psychological impact and constant irradiation of my brain and body.

2) How can I get an indictment against these criminals, according to the article VI of federal law concerning illegal use of weapons from 13.12.1996 according to article III, which cause intentional bodily harm, according to the federal law 150 and article 117, which are violations against the law of the Russian Federation. Also necessary is a court action for compensation for moral damages.

These criminals have given me clearly to understand that my entire life as well as all of my actions are constantly under their control, torturing me whenever they feel the need to do so.

These unknown perpetrators read my thoughts, which means they are constantly informed of my intentions.

Frequently, when I am holding a telephone conversation with friends or relatives, they try indirectly to make it clear to me, that they are also aware of my thoughts and of my intentions, even though I have never informed them before hand.

At my last place of employment in a Moscow commercial company, I frequently became aware, that thought reading was in progress, as when I was sitting in a conference, some of the leaders of the company would get a telephone call, precisely at that moment when clear thoughts entered into my head, hence causing a thought blockage.

Often, I was confronted by doubles of people in public transport, in places of leisure and on the street, whom I had known many years ago. Quite often I used to hear familiar voices during telephone conversations but with a change in modulation. This has lasted for more than half a year or may be earlier without my knowledge. I suspect that my dreams are being induced or read, because the following day, I do notice people whom I have already visualised in my dreams. They seem to place themselves in a certain position, in order to for me to recognise them.

Manipulation at the traffic light

At the end of August 2007 I had read an article about psychophysical terror on the web: <http://natalyapolovko.narod.ru/4001.html>. At a certain place in the text I then stopped as I had to go out to do some shopping. Before crossing the road, I watched the red traffic light, which didn't seem to change. In this instant the green traffic light came into view although the red light was still on. I cannot explain, why but I then turned my head to the side and took a few steps forwards. In that moment I realised that I had made a mistake and quickly jumped back to where I had been standing. I was unable to explain why I had taken several steps forward and I cannot recall ever having had such an experience before. I was very worried about this when I returned home. I actually read a book about these tricks of psycho manipulation which is entitled "Traffic Light" It was quite obvious, that these perpetrators had carried out experiments upon me, using all of their dirty tricks which I had also read about on the internet.

I appear to have been manipulated quite often, even in my decisions. At first it seemed very strange to me or even like a pure coincidence until I realised that it was happening frequently. It gave me a feeling of complete apathy at all times and caused great uncertainty for my future. Recently I was under such pressure, which, of course, affected my general state of health in a very bad way. Since August 2006 I have been permanently irradiated with psycho physical weapons.

- 1) I can hear voices of known or unknown people, who then call "hallo" and they have even swear at me.
- 2) I frequently hear the voices inside of my head, however, no one else can hear these sounds. They do cause insomnia and disrupt my nerves tremendously.
- 3) Sometimes when I am in deep thought, I can hear the voice of a definite person, but it means nothing to me. After several seconds, my logical chain of thoughts concerning this particular person are concluded. It is clear to me that my further intentions are known by these perpetrators.
- 4) I can only assume, that my brain is connected to a computer, which is able to decipher my whole thought process

as well as my intentions and which is capable of injecting thoughts into my mind against my will. It seems that my memory, my wishes and all the corners of my soul are being manipulated. I constantly develop a very repulsive feeling, when I realise that my thoughts are being read and that someone is trying to take over control of my sub-conscious mind. Quite often parts of my body (head, hands or legs) begin to twitch, accompanied by voices. It seems they want to make me very aggressive, trying to demonstrate that I am under their complete control along with stings in the back and abdomen.

Once I experienced an acoustic impact in the heart region, causing an irregular heartbeat for a short period of time. Sometimes I suffer from an electrical current passing through my body. I began to feel this torture after reading through various summaries of victims on the internet.

At the end of April, 2006, I suddenly developed dimness in my right eye. Several days later I went to see an ophthalmologist in the Meramed Clinic in Moscow, who diagnosed thrombosis in the central vein of the retina of the eye. He stated, that this diagnosis is very rare, especially for young people of my age. After the prescribed medicine did not alleviate my condition, I continued treatment in the Helmholtz Clinic in Moscow. After several months my eyesight deteriorated, leading to a glaucoma of the right eye and subsequently to blindness. In order to alleviate the pain, I was periodically operated on. Laser treatment and ocular drops were prescribed. I then developed constant pain, especially in the genitals.

THE MOSCOW COMMITTEE FOR THE PROTECTION OF HUMAN RIGHTS, conduct investigations into the cases of non-contact terror, using special equipment for detecting the mental effects. There have been many applications for tracking down the perpetrators in the Moscow areas of Selenograd, Medwedkovo, Tschertanowo and Perwoaiskij, etc.

The Moscow Committee entered statements on this subject from the inhabitants of the above-mentioned areas in 1992.

I beg you to assist me in stopping this most inhuman torture.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

With kind regards

Sergej Torin

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Born August 23, 1935 in Moscow. Higher education, graduated from Moscow Aviation Institute, Radio Engineer, Technical Sciences Candidate. From 1959 to 1992 employed at VPK enterprises in accordance with her specialization. At present, working and a member of the **MOSCOW HOUSING ECOLOGY COMMITTEE**. Awarded a medal and written recognitions for long years of work. Was Master of Sports in mountain climbing, repeatedly Champion of Moscow; mountain climbing and mountain skiing instructor.(Annex 1)

Since 1979 her family is being treated with Technogenic Weapons, which in 1981 killed her mother. Tretiakova T.V. has pleaded with various Government Institutions, but the results are null. In spring of 1982, in retaliation for her complaint against radiation, Tretiakova T.V. was forcefully, interned in a Psychiatric Hospital and registered at Psycho-Neurological Outpatient Institution N17. In December 1982 she supported her Candidate thesis and during summer vacations continued working in the capacity of instructor at mountain climbing camps. Tretiakovas psychiatric supervision, was discontinued on grounds of references submitted by her employer and the Mountain Climbers Federation. In 1994, when, Tretiakova T.V. filed with the Procurator Generels Office a plaint concerning the radiation, an attempt was made to resume supervision by the district PNOI. Only the **MOSCOW**

HOUSEHOLD ECOLOGY COMMITTEES intervention prevented this.

Radiation inflicted during long years has provoked in Tretiakova T.V. a number of chronic ailments: pathology of the lungs, ear, throat, nose; of the digestive tract and kidneys; vascular and blood; eye; articular and spinal; a hunch grown by technogenic means; pathology of the sexual organs resulting from a technogenic sex program.(Annex 2,3 ,7, 8).

Tretiakova T.V.'s son, Tretiakov Mikhail Nikolayevich, graduated from MHTU Mendeleev with a «red» (all excellent mark) diploma. A skier and Moscow Prize winner, mountain climber. Tretiakov M.N. repeatedly underwent examinations by medical commissions while engaging in sports and in connection with Army service. None found any irregularities in his health condition .

But back in 1996, because of extremely intense radiation, he came down with the following chronic ailments: hepatitis of obscure aetiology, cholecystopancreatitis, gastritis, dyskinesia of bile ducts, hemorrhoid, inguinal, lymphadenitis, etc..

There are protocols of measurements conducted at the Tretiakovs apartment, confirming the presence of technogenic radiation and treatment of the apartment with chemicals. Further occurrences of moral, physical and material terror to which the Tretiakovs have been subject during long years of technogenic experiments conducted over them are adduced in the preventive acts.(Annex 4,5,6,7).

Photographs present a record of marks left by binary weapons when Tretiakova T.V.'s visceral were bombarded, and of her back with its technogenic hunch. Similar marks are present on a fragment of fabric from Tretiakov M.N.'s garment and bed -clothes.

On December 10, 2002 the Moscow City Tushino District Court passed a decision to order the Prosecutor's Office to initiate a criminal case and investigate the case of radiation being inflicted on Tretiakova T.V.'s family. Nevertheless, the Procurators Office is ignoring the court decision, and the radiation continues.(Annex 2).

The exposed facts are evidence of systematic violation of RUSSIAN FEDERATION'S citizens rights, intentional damage to health, torment, torture, unsanctioned experiments on humans, and violation of International Convention Arts, 2- Right to life, 3- to protection from torture and inhuman treatment, 8-respect for privacy of life and home.

My name is Vladimir.

I'm Canadian and Russian citizen. I past through the mind control in Toronto. In Toronto I lived near the Victoria Park.

The "best" time was 2003,2004. I was almost dead physically and mentally.

From the end of 2004 I am in St-Petersburg Russia. In Russia to survive people have to work. I have just an old mother in Russia, nobody helped me. Absolutely no any social system. I was afraid to come back to Canada and had to work in Russia. I was lucky and got place as an engineer but perps began to influence me during the job time

Difference between Canada and Russia- in Canada perps did to me bad things 24/7 and very high, strong influence. In Russia it is mostly during working time.

Good?

Now I'm almost exhausted and don't know what to do.

Could people help me in Canada?

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Targeted, Directed Energy Weapons And Mind Control from Russia.

I was born on the 30th of March, 1945 in Moscow. I have a supreme education and ended the Industrial School In Stroganovsk. From 1967 to 1992 I worked in the decorative - design combine of Art. Now I work as an artist.

In 1988 I felt the steady impacts of irradiation on my brain and the head. Thus the physical and moral terrorism is carried out: tortures by a sleeplessness, the painful sensations, the full control of consciousness, attempt to change the person. In 1990 I was sent to the Psychiatric Hospital.

In March, 1995 I sent the complaint to the President and Minister of Defence, but I have not received answers too. The Federal Security Service refused to consider my application with the reference, that they are not engaged with these questions. The claim to the Ministry of Defence on the fact of the stark irradiation was not accepted by regional court because of absence of proofs. Repeatedly I sent the complaint to the **COORDINATION COUNCIL OF THE MOSCOW INFORMATION CENTRE FOR HUMAN RIGHTS**, which helped me and supported me.

In December, 1992 I was operated three times. These three operations were not wrote down in a medical card. The seam under the rib from the right side is seen on the photo. After these operations I've got the second group of physical inability. There are certificates of gaugings radiations in my apartment the facts testify to regular infringement of rights of the citizen of the Russian Federation:

Regarding these NWO Crimes Against Humanity, War Crimes, Dirty Wars, Black Operations, Secret

Weapons, Torture Programs, Destruction of Democratic Institutions and Standards, Total Degradation of Media and Public Discourses, Total Degradation and Disenfranchisement of Civil Society and Institutions there is a complete ORWELLIAN/STALINIST PUBLIC INFORMATION AND INQUIRY BLACKOUT.

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their “infinite?” richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Beware of the brain and gene phrenologists/determinists/reductionists, and those who seek to control and reduce the range, quality and diversity of human thoughts, imaginations, senses, sensibilities, moods, attitudes, speech and psycho-physiologies – the would-be socio-economic, cultural AND PSYCHOLOGICAL/INTELLECTUAL/ PHYSIOLOGICAL monopolists, monoculturalists, police and prosecutors who are already literally and physically actively at work amongst us!! Both monstrously and criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, and the subsequent and consequent degradation and “Fahrenheit 451-ing” of previously autonomous cultures, professions, fields of human endeavour, memories, and intelligences.

WE ARE BEING COOPTED AND FORCED AND TRICKED INTO AN ORWELLIAN FASCIST/NAZI TOTALITARIANISM – EVERYWHERE ON EARTH! - as most ‘News’, ‘Events’ and ‘History’ has been degraded into criminally produced and managed dramas/atrocities (i.e. wars, disasters, civil strife etc.) and criminally presented as infotainment, endogenous socio-political changes, propaganda, and/or criminal lies. And as almost all other public discourses including the ‘scientific’, ‘academic’, and ‘arts/culture’ has been degraded into criminally produced and managed infotainment, propaganda, pseudo-science, and/or specious, tendentious or folkloric productions and discourses.

BEWARE OF THE PSEUDO-SCIENCE NAZIS - THE ENEMIES OF FREE AND OPEN INFORMATION AND DEBATE, ACCOUNTABILITY, REVIEW AND REGULATION.

NOT TO MENTION THE NUTCASES PURSUING SUCH FRANKENSTEIN-SCIENCES AS THE TRANSGENIC, AND THE “BLENDING” OF THE TECHNOLOGICAL AND BIOLOGICAL– EVEN AS RECORD BIODIVERSITY AND CULTURAL DIVERSITY DESTRUCTION IS DONE.

Some of our **ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION CASES** detail the most extreme and totalitarian violations of human rights in human history, including the most horrendous psychological tortures, rapes, sexual abuse, physical assaults, surgical mutilations, ‘mind control’, and other mental and physical mutilations – see

and

COMPILACION DE TESTIMONIOS EN ESPAÑOL:- <http://rudy2.wordpress.com/>

There are **MANY, MANY** others, all over the world, who are being subjected to similar torture and abuse.

YOU HAVE BEEN CHOSEN TO BE “A SELECTED WITNESS” to these extreme and monstrous **CRIMES AGAINST HUMANITY** - indescribably terrible in themselves - coupled with the **ORWELLIAN** secrecy and denial of any support at all that we are experiencing, makes them even more horrendous and monstrous.

We have contacted most Governments, Security/Intelligence Agencies, Religious Organisations, International Organizations, Human Rights Organizations, Universities, Scientific and other Institutions, and the International Media all over the world - over and over and over again – and have had our appeals for assistance, protection and/or publicity almost completely ignored and/or suppressed.

Some **TARGETED INDIVIDUALS** have been attempting to gain assistance, protection and/or publicity about these crimes since the 1990s - and even earlier - this extends as far back into the history of illegal ‘scientific and medical’ testing and experimentation as **MKULTRA**, **COINTELPRO** and the **DUPLESSIS ORPHANS** - and further.

We are still collecting **CASE SUMMARIES** from **TARGETED INDIVIDUALS** all over the world, and we have also advised them to send them to you - **“THE SELECTED WITNESSES”** - TO WITNESS, RECORD AND OPPOSE so that :-

A. We can be sure that as many people as possible know about these horrendous crimes.

B. We can be sure that these **AUTHORITIES** and **ORGANISATIONS** are either trying to uphold the rule of National, International and Human Rights Law, and that we will, sooner or later, be protected by these laws.

C. Or that we can be sure these **AUTHORITIES** and **ORGANISATIONS** are complicit and/or acquiescent to these **CRIMES AGAINST HUMANITY** and that National, International and Human Rights Law no longer apply - in which case our task will be to get the rule of these laws restored.

Later these records should become an information source - such as the **INTERNATIONAL TRACING OFFICE** set up to record the fates and whereabouts of Jews (and others?) after WW11. The information collected can then be used by the appropriate people for **LEGAL, MEDICAL, WELFARE, HISTORICAL** etc. records.

As well as being illegal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems - so we will also be demonstrating to all of these people and **AUTHORITIES AND ORGANISATIONS** the huge disconnect between their professed Principles and Values and the reality. We will be showing their monstrous **Doublespeak Doublethink Doubledo** ignorance, stupidity and/or hypocrisy.

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their “infinite?” richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and

organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Beware of the brain and gene phrenologists/determinists/reductionists, and those who seek to control and reduce the range, quality and diversity of human thoughts, imaginations, senses, sensibilities, moods, attitudes, speech and psycho-physiologies – the would-be socio-economic, cultural AND PSYCHOLOGICAL/INTELLECTUAL/ PHYSIOLOGICAL monopolists, monoculturalists, police and prosecutors who are already literally and physically actively at work amongst us!! Both monstrously and criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, and the subsequent and consequent degradation and “Fahrenheit 451-ing” of previously autonomous cultures, professions, fields of human endeavour, memories, languages and intelligences.

It is no exaggeration to say our cases are as horrendous and urgent as people fleeing Nazi or Pol Pot concentration camps – specifically Dr Mengele-type torturers and butchers.

PLEASE ASSIST US URGENTLY!!!

Yours in the search for openness and respect for universal human rights

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

15/10/08 (see below for Chinese language version)

An Announcement to the Whole World by over 50 Chinese Victims

Dear Ladies and Gentlemen,

First of all, please permit us to introduce ourselves to you. We are some of the Chinese victims from dozens of regions and cities across China, who have been cruelly harassed, tortured and persecuted in a covert way by the means of secret remote control on human body & brain. Among us, there are corporate employees, teachers, students, retirees and other intellectual workers and physical workers. Our suffering period ranges from several months till over 30 years.

Thanks to Internet that builds a bridge for us to know each other, and it is same sufferings bring us to work together.

A group of secret criminals who abuse their powers, arbitrarily use "the means of secret remote control on human body & brain", illegally manipulate our bodies and brains covertly, and also cruelly torture and harass us psychologically and physically and persecute us days and nights so that a lot of victims live a very miserable and horrible life.

Secret criminals utilize the weapons of "secret remote control on human body & brain" and remotely influence us, and consequently our bodies suffer from "physiological diseases and physiological behaviors" caused artificially from their weapons such as aching, itching, coldness, hotness, trembling, unwell feeling and unhappiness, and so that our brains suffer harrassments and tortures from "acoasma and hallucination". Besides, criminals do all they could to shamelessly steal and indecently spread our privacy in our brains in a abnormal psychology, and crazily do all they could to intimidate and humiliate victims. All these vices do a great harm us psychologically and physically. Therefore, some innocent victims was forced to hospitals especially for being forced to accept mental treatment, some innocent victims were forced to suicide because of intolerable secret tortures and insults, and others died of "strange fatal diseases" yielded by criminals secretly in a special trap.

Such secret crimes as the wide abuse of their powers, the illegal use of "the means of secret remote control on human body & brain" and illegal violation of fundamental human rights, have resulted horribly in atrocity or the unprecedented anti-human catastrophe of human rights technically. These crimes not only challenge severely Chinese constitution and laws, but also human conscience, the UN Charter and the Universal Declaration of Human Rights. It is NOT permitted by all the human beings at all!

Owing to the above-mentioned cases, Chinese victims jointly lodged "a collective complaint to Chinese President Hu Jintao" (please see attachment 1) on 3rd Dec. 2007, and emailed it to the Chinese Communist Party Central Committee, every ministries of the State Council, major news media and the legal community who we asked to deliver the complaints to Chinese President.

Subsequently, we jointly announced " An Open Letter to the Head of Chinese Secret Institution" on 5th May 2008.(Please see attachment 2)

Chinese Government has the undisputed responsibility to take an immediate investigation into the secret criminals who abuse their power, and to sternly punish them according to the clause of "the State respect and protect citizens'human rights" set out by Constitution of PRC China. However, unfortunately,so far we have not received any response on the issue.

The Universal Declaration of Human Rights (UN General Assembly passed and published Resolution 217A (III) on 10th December 1948) stipulates in the following relevant clauses that:

Article 3 Everyone has the right to life, liberty and security of person.

Article 5 No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.

Article 6 Everyone has the right to recognition everywhere as a person before the law.

Article 12 No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, nor to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks.

Article 19 Everyone has the right to freedom of opinion and expression; this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media and regardless of frontiers.

China is one of the creators of the United Nations, a permanent member of the UN Security Council, a member of UN Human Right Council and one of the signers of UN Covenant on Human Rights. Therefore, China should seriously observe and enforce the relevant rules of UN Universal Declaration of Human Rights.

At present, the quantity of victims are increasingly rising around the globe. Thousands of victims strongly demand for an investigation into the sinful Hi-tech crimes which covertly violate human rights worldwide. A large quantity of the stated facts reveal that these secret fascist criminals are the common enemies of all the human beings who use Hi-tech means to arbitrarily secretly violate human dignity and fundamental human rights. The crazy secret Hi-tech crimes heavily threat and violate the fundamental rights of human livings in the world.

Challenged by the unprecedented worldwide catastrophe of human rights and the severe crimes of damaging

human beings, we urge an immediate actions in union and bravely fight against the gangs of secret fascist criminals! We must disclose the horrible crimes which are covertly damaging human beings, and put them into the Judge Courtroom in International Criminal Court!!

Journalist and elites worldwide have the responsibility to provide supports for victims, the lawyers worldwide have the responsibility to stand by and offer a legal aid to victims. UN Human Right Council has the responsibility to safeguard human rights and to protect thinking right, sleeping right, health right and living right of all the human beings. International Criminal Court at Hague has the responsibility to carry out an investigation into the crimes denounced by victims, and to charge these secret fascist, the criminals who severely violate fundamental human rights with the Hi-tech Crime and the Antihuman Crime through and according to the relevant legal proceedings.

We, Chinese victims, support resolutely the global campaign of " Ban the abuse and torture of secret MIND CONTROL/PSYCHOTRONIC WEAPONS/Remote Human manipulation" through our practical actions. We strongly appeal for the United Nations to immediately stop the abuse of the means of the secret remote control on human body & brain which are used to cruelly harass and torture and persecute covertly common citizens.

We strongly urge the UN Secretary-General Ban Ki-moon to do his solemn duty to protect fundamental human rights of the whole world, and hold a urgent international conference on the ban of abusing "the means of secret remote control on human body & brain" so as to protect the validity of the UN Charter and UN Declaration & Covenant on Human Rights. Also, we demand for European Commission for Human Right to immediately put Article 27 of A40005/1999 into practice.

We strongly urge global news media to stand out to support justice, and to take a deep careful investigation into the secret Hi-tech crimes, and to expose truly the sinful facts of secret fascist criminals to the global people.

We strongly urge global legal community to stand out to offer a legal aid to all the victims and support justice based on the UN Charter and UN Declaration & Covenant on Human Rights.

We strongly urge UN Human Right Council to take an urgent investigation into these secret fascist criminals who arbitrarily use "the means of secret remote control on human body & brain" which have been crazily violating fundamental human rights.

We strongly urge International Criminal Court to take an immediate investigation into our complaints, and to charge these secret fascist criminals who heavily violate fundamental human rights with the Hi-tech Crime and the Antihuman Crime, and to make a historic great contribution to guarantee the fundamental human rights of all the human beings!!

With best regards, Yours truly

中国受害者告全世界人民书

尊敬的女士、先生：

我们来自中国各地数十个城市地区，是一些遭受"秘密遥控人体和大脑（精神）技术"武器残酷虐待折磨迫害和阴谋暗害的受害者。我们之中，有公司员工、教师、学生、退休职工，以及其他从事脑力和体力工作的普通平民。我们之中，受害的时间，短的仅几个月，长的则达三十多年。

网络使我们相识，受害的遭遇让我们走到了一起。

长期以来，

一帮滥用特权的秘密罪犯，肆无忌惮地使用"秘密遥控人体和大脑（精神）技术"，非法秘密控制我们的身体和大脑（精神），日夜不停地实施种种惨无人道的精神骚扰和肉体折磨迫害、阴谋暗害，致使许多受害者每天生活在无比痛苦的、生不如死的恐怖状况中。

他们使用"秘密遥控人体和大脑（精神）技术"

，遥控制造我们受害者身体内日夜交替出现：痛、痒、冷、热、颤抖、难受等人为的"生理疾病和生理行为"痛苦；遥控制造我们受害者的大脑（精神）日夜出现所谓的"幻听、幻觉"骚扰折磨痛苦。他们还竭尽无耻、卑鄙、下流的变态伎俩，窃取传播受害者大脑思维的隐私信息，并且，疯狂地对受害者进行秘密恐吓和种种人格侮辱。所有这一切，都给我们受害者的肉体和精神带来了无与伦比的巨大创痛，身心遭到极度的摧残和伤害。其中，有一些无辜受害者被诬陷并送进"精神病院"；另一些因无法忍受秘密折磨凌辱的痛苦而"自杀"；还有一些则被他们秘密制造身体内出现各种莫名其妙的"绝症怪病"而阴谋暗害，含冤死亡。

这样广泛的滥用"特权"，使用"秘密遥控人体（大脑）技术"，非法侵犯普通平民基本人权的秘密犯罪行为，在其技术性、恐怖性和反人类性上都已经成为中国和世界历史上空前的人权浩劫。这不仅是对中国宪法法律的严重挑战，而且，也是对人类良知、对《联合国宪章》和《人权宣言》的严重挑战，是全人类所绝对不能允许的！

为此，我们中国受害者于2007年12月3日，联名写了一封"致胡锦涛主席的集体控诉信"（见"附件一"

），并用电子邮件发送给了中共中央和中国国务院各部门，以及全国新闻媒体和法律界人士等，要求转呈给中国国家主席。

接着，在2008年5月5日，又联名发出了一封《致中国"秘密机构"头头的公开信》（见"附件二"）。

毫无疑问，中国政府有责任按照中国宪法载明的："国家尊重和保障公民人权"等法律条款，立即调查并严惩这帮滥用特权的秘密罪犯。然而，遗憾的是，我们受害者所进行的这些揭露控诉努力，并没有得到应有的重视和回应。

《世界人权宣言》(联合国大会 一九四八年十二月十日 第217A(III)号决议通过并颁布)的有关条款规定：

第三条

人人有权享有生命、自由和人身安全。

第五条

任何人不得加以酷刑,或施以残忍的、不人道的或侮辱性的待遇或刑罚。

第六条

人人在任何地方有权被承认在法律前的人格。

第十二条

任何人的私生活、家庭、住宅和通信不得任意干涉,他的荣誉和名誉不得加以攻击。人人有权享受法律保护,以免受这种干涉或攻击。

第十九条

人人有权享有主张和发表意见的自由;此项权利包括持有主张而不受干涉的自由,和通过任何媒介和不论国界寻求、接受和传递消息和思想的自由。

中国是联合国的创始国之一；中国是联合国安理会常任理事国；中国是联合国人权理事会成员；中国也是联合国有关《人权公约》的签署国之一。因此，中国理应严格恪守、认真执行“联合国人权宣言”等有关维护公民人权文件的规定。

现在，世界各国的受害者数量呈现越来越多之势。成千上万的受害者强烈要求对目前正在全世界范围内发生的这一罪大恶极的侵犯人权事件进行调查。从大量揭露出来的事实表明，这些恣意践踏人类尊严和基本人权的秘密法西斯罪犯是全人类的共同敌人。他们这一疯狂的秘密罪恶正在严重威胁和侵犯着全世界人民最基本的生活和生存权利。

面对这一空前的世界性人权浩劫，全世界人民必须紧急行动起来，团结一致，同仇敌忾，与这帮秘密法西斯罪犯进行坚决斗争！认清他们的秘密罪恶面目，揭露他们秘密侵犯、残害人类的滔天罪行，将他们押上国际刑事法庭的审判台！！

全球所有的新闻媒体和有识之士有责任向受害者表示声援支持；世界各国的法律界人士有责任挺身而出，为受害者提供法律援助；联合国人权理事会有责任捍卫人权，维护全人类的思想自由权、睡眠休息权、身体健康权和生命生存权；联合国海牙国际刑事法院有责任接受和调查受害者提起的诉讼，并将这帮严重危害人类基本权利的秘密法西斯罪犯绳之以法！！

我们中国受害者，以自己的实际斗争行动，坚决支持“禁止使用秘密遥控人体（大脑）技术武器”滥施于民的世界性运动；坚决要求联合国制止这一使用“秘密遥控人体（大脑）技术”武器针对普通平民，实施秘密肉体和精神残酷虐待折磨迫害的滔天罪恶。

我们强烈要求联合国秘书长 潘基文

先生从维护“联合国宪章”及有关“人权宣言和公约”的尊严出发，履行自己维护全世界人民基本人权的神圣职责，紧急召开“禁止使用秘密遥控人体（大脑）技术武器”的国际会议。我们要求欧盟人权委员会立即开展其A40005/1999第27款的工作！！

我们强烈呼吁世界各国新闻媒体挺身而出，主持正义，对众多的受害事件进行深入认真调查，并真实地向全世界公众揭露曝光这帮秘密法西斯罪犯的罪恶事实真相！

我们强烈呼吁全世界的法律工作者勇敢地站出来，以“联合国宪章”和“有关”人权宣言和公约”为依据，对受害者提供法律援助，替所有受害者伸张正义！

我们强烈要求联合国人权理事会，对这种滥用特权，肆无忌惮地使用“秘密遥控人体（大脑）技术”，丧心病狂地侵犯人类最基本人权的秘密法西斯罪恶行为，立即进行紧急国际调查！

我们强烈要求“国际刑事法院”，对受害者的控诉立即立案调查，并依据联合国有关“维护人权”的文件法规，将这帮凶恶的秘密法西斯罪犯押上国际刑事法庭提起公诉，为保障人类的基本人权做出历史性的贡献！

I am a true electronic remote sensing thinking and input of Shiyan Zhe thinking, this point, as long as you enter the Chinese Huangshan City to hear the words the air, know that it is read out and enter the formation of a combination of atmosphere, Brain theft of information and communication into a language. From the feeling that I can use accurate language to describe. Sometimes I think I will be conditional if you explore ----- in the spirit of long-range electronic control technology to citizens under the control of life sentiment, the human environment changes, technology and the affordability of the people, technology triggered the survival of morality, The tremendous impact on society, anti-existence of human morality, I think this should be the whole of mankind must understand the technology and understanding of survival. To tell the truth, is the brain-controlled arms against citizens in many parts of the world. It is clear now, we do not understand very well that the. A variety of media do not report such abuse, the victim does not mean that does not exist, because the people believed. Can the media just reported that the country also depends on the detection of the news.

Many of the victims do not seek help from the news media, but for a good living environment. However, many of the victims from the reality of the situation and conditions, the need to help journalists to expose the truth. Suffer from their own story to the majority of the people, in the brain under the control of weapons violations, ordinary

people can not survive. Society is a complex, ever-present danger, then in the brain under the control of weapons violations, is in horrors! As a day to flee!

A society, especially the degree of civilization of a country is not high, the existence of society itself spy on another's privacy, and, as one joke went, when the use of brain-controlled weapons illegal to steal the brain of the citizens of information and broadcasting by satellite information of victims of brain thinking, a completely lawful citizens lives in attacks by others at any time!

However, our Government for the victims of the citizens to consider it? From the brain control the use of technology can be seen as a murder! These must be our Government attaches great importance to understand and obviously the people to resistance.

I hope the people of the world to remember that if your government to use its brain-controlled arms against you, and is illegal to steal your brain thinking also to broadcast information to the public, Then you this country will destroy civilization and morality. Countries will be of greater national strength and moral governance! Only practical experience will know. Hope that other countries should be careful! History will prove that in some countries caused by technological disasters is a crime against humanity!

Chinese people have been calling for human rights, that is, because of the brain control technology in violation of citizens and the citizens are aware of the tragic. All the people in China call for human rights. They have been brain-control technology for the victims of violations of human rights called for. Bring more people and appeal packet have experts and scholars from various sectors of the community! hina's call for human rights around the world to respond. This is China's charm!

France, the Chinese people very much appreciate the president's words (he said in Chinese): This is from the crime to crime! (这是从犯罪走向犯罪!) That do not leave! The results of many Chinese people in cheers and applause!

In the hearts of the Chinese people, France is sacred. In this diverse world, only the French in a fair, responsible and civilized manner of disasters around the world to save!

Many countries in the world that are the same: The world has been France, the world's only peace and justice. The French government for the world the best efforts of peace! Where there is a dispute, the Government of France where there is the shadow of the mediation activities! France has endless charm! France each government in the hearts of the Chinese people are very impressed!

We hope you will allow some members of the European Union issued the Declaration. And the world there are still countries that strongly condemned the experiment! And asked the European Commission set up a special collection, to discourage, prohibit, legislative constraints!

Best wishes, sunshine

临江逸闻

香江公园的绿，还是苍翠如玉，远远望去犹如镶嵌在百花丛中的孤岛，点缀出永远的心灵绿洲。三三两两的老人在这里边欢悦而充实地享受他们夕阳时光。这里是他们交流思想，焕发第二次青春的美好讲堂，多少精彩的故事从这里飘进千家万户。

张大爷是这里的常客，几十年的革命工作，终于有了尽头，人生坎坷多挫折，看惯春花秋月，几度夕阳红，也不乏“白发戴花君莫笑，六幺催拍盏频传”的豪情。

这天，张大爷象往常一样提着陪同他走过多少个春秋的大搪瓷茶杯，步行缓慢地向着公园走来

“老张，这几天失踪，是不是福彩中奖偷偷遛北京领奖，咱哥俩还用得着隐瞒？”设计院的老李未见面笑声先到，爽朗的嗓音把正在凝思对弈大有一过汉界气势雄的老头们惊得提起胖乎乎脖子……

“不要讲了，这几天在医院渡过。这是什么世道，该解决的，没有解决，现在，我家出乱子了，这些吃官饭的，干些什么名堂，前几天，出大乱了，我哪宝贝孙子，平时胆大顽皮，天踢下都不怕

，问题偏偏出在看电视上。上个礼拜四，他父母都出去旅行了，我呢，也是鬼使神差早睡了，记得安排小家伙看好电视后安心休息。也不怎么搞的，9点钟后，小家伙不知不觉看电视，迷迷糊糊睡着了。在凌晨，万籁俱静，小家伙在美好的梦中打闹天宫醒了

，客厅里灯火辉煌，眼前电视机雪花点闪闪，问题就在这

雪花点说话了，说什么来着，说---

明天跑出来，踢死你……好了，小家伙哇哇发病似大哭大喊救命啊、救命啊……受惊吓了，说是电视里有鬼，鬼魂附在电视机里，中国就这样下去吗？”老李惊得目瞪口呆，第一感觉是幻听，幻听……?????

Dear Victims :

It is said that you carried out in the EU assembly against torture, against the human brain reading technology of the persecution of citizens of the world, this is a tribute to all the people of the world. You are just struggle, some of the thinking and understanding of human evil and to the people of the world for peace and reasonable survival and the need to have reasonable survival, and hope that this understanding of the justice struggle, whether it is Buddhism, Christianity, Islam, are human For the suffering and create a reasonable survival, peace and progress of the pursuit and struggle, solidarity and composition to create a spiritual atmosphere for a reasonable integration into the hearts and expectations, their expectations for the formation of a team of human recognition Rules. They should also have a human and moral struggle to survive.

I would like to find ask. What is your current assembly measures to achieve progress and success.

1. You are the countries in the world to the victims of the invitation letter? ? Any careful thought and assembly are

to achieve results and work it. So the EU is to the people of the world have demonstrated our appeal and efforts, is certainly encouraging.

2. Assembly is particular about the size of it. Scale reflected the people's indignation and demand, and as a re-determination and courage it. In the world history of human development, in the event of any technology, is not beneficial to humanity, most are against the interests of the survival of mankind by, is blind and unscrupulous, is in human hair by Guan called for the promotion, development and progress category Today, we do not politicians also solid step before the one-sided blind emphasize the interests of all countries to the neglect of human survival, any such understanding of the planet so that we are in danger realm, they have also to meet for some, this is not the human misery? ? Technology is not sold, but not to coerce and even dangerous to human survival. States only reasonable legislative constraints in the United Nations and associated compliance with the Convention, is the world's peace.

3. On the definition of brain-controlled technology. This is the spirit of the atomic bomb, the world is bound to cause human disputes. People are living and will resist. Human has been in the struggle for justice. Vast numbers of innocent people being persecuted, in the thinking and understanding of the terrible nature are inevitable.

4. Whether or not to France, Germany, Italy, Russia, the United States, China, Japan, South Africa and some other countries - is an invitation ? World media reports and people of all countries is of course the opposition is ultimately enable them to make the right choice of the momentum it.

5 team work and this is reasonable. On the other citizens of the world did not forget, we only look for a rationale, this technology is inferior to torture and destruction of the atomic bomb, it is that there should be. That is, but research has been successful, then how can Mody do, we can not let the earth is disturbed and finishes it. Hands of various forces to get the purpose of this is, of course, the destruction of human kindness it. Must be the world more dangerous and more, our planet should have been a terrible By storm. All this technology must be placed in areas of national laws, this is self-evident啦. This danger can not become the object of neglect, to the rapid strengthening of the legal form of its own citizens and the protection of the citizens of the world it is imperative . Is the hope of the people of the world. Will be the world's people clapped and cheered. States Government has not announced it is to cause panic, but the world has become a hazard, only to urge countries to their own people that the people will naturally be thinking and demands of national government How do is inherent in the world under the coordination of the United Nations, the prohibition of human use, this should be the International Criminal Court within the inhuman inhumane torture, it must be recognized.

6. Ran is that peace and security in the world and an important force in the EU assembly, some time longer, the 3-4 days it will not be less. Officers more than it must. There is no little influence on the staff it. Europe States and the United States \ Canada and other countries of the victims will certainly be participating in it, Japan and India in Asia \ Singapore \ Korea, will travel to participate in it ? . Your main measures and publicity materials and methods, to the people of the leaflets? ?Must have a reporter with key EU and other dignitaries participated in only a result. I can say that the EU will in the minds of the people of the world to peace and Human security awareness of the important builders of widely respected. I do not know the forecast Zhun Buzhun they will be in the minds of the people of the world and placed it stars it.

7. Humanity is troubled, no longer can not afford electronic remote sensing to track thinking thinking thinking and the role of directed-energy technology on the role of啦citizens of the world, let us Shaoyi Fen disaster for the world, Shao Yifen technology tortured and brutalized ,多一分human nature and morality,多一分scientific and technological progress of the human social harmony and security, is the pursuit of happiness and good fortune rather than disturbing the peace, let us put aside all kinds of hidden whitewash Peace, to face there is indeed a flood of long-range mind control of electronic technology to human suffering.

8. You have the Shito some of the world just scientists, psychologists, Nobel laureates, celebrities all sectors of the community's views, as well as the number of government officials,'s supporters, will they consider it feasible to support ? , That would absolutely support the people of the world, countries and people from various circles also less subject to monitoring the threat of it. Reading the abuse of technology is certainly regardless of the crowd, regardless of status, but also for the triad forces, terrorists and other elements surging appropriation and would be against the citizens, the only legislation to prohibit the use of the citizens A prerequisite before it can curb the spread. All countries should ban the national coordination and the use of the citizens of the world, countries conducted an internal inspection, whether the persecution of its own citizens is available to citizens of the world agree that whether or not human rights, torture do not abuse it, this is your view? ?

9. Do you call for the brain-controlled technology, directed-energy technology as access to international criminal law provisions to target it, from development to the world on a wide range of criminal use of these technologies, that is, legislation should be broken legislation, the world is the key to it is not chaos Russia has first legislation, only that this technology will spread into the community and caused panic, because the human body stresses the

right to life and right to survive the loss of at the same time, not to mention the basic rights of other physical limitations and the loss of it / This is your diagnosis ? ? There are victims, there is more of the organizations and groups bent on access to such technologies against all people, this is inevitable. The people of the world will not move and co? ? Your action is for the peaceful coexistence of mankind, for mankind a better planet for the inherent humanity have been reasonable for the world will agree with efforts to comply with the moral, not destroyed, people play down the harm and anti-Baptist against the terrible Vicious cycle, ah, you cheered for the citizens of the world ah.

Chinese people is in the spirit of these electronic remote control technology (electromagnetic brain control technology) against the people in the world day after day for the appeal ah.

Thank you and Best Regards! BaiBing

I'm a Japanese living in Tokyo. I am the victim of Organized Gang Stalking, Crimes of Electronic Harassment and Mind Control.

Damage is increased from 2009, and I encounter terrible damage various in voice transmission, body aches, skin disease by electromagnetic waves from October 2011.

In Japan, I prepared flyers of electromagnetic waves crime and participate in demonstrations.

I recently started a blog - <http://braincontrolhedge.wordpress.com/>

I would appreciate it very much if you could reply as soon as you can.

Thank you very much.

Best Regards,

We demand legislate of organized stalking and abuse of many victims who are being attacked with Psychotronic (or Mind Control, Electronic, Directed Energy, Neurological, Non-lethal) Weapon.

Electromagnetic waves crime with damage caused by invisible medium, it is assumed that people can not recognize

the many damage.

Recently, accident of physical condition serious to the extent that leads to rapid death and an increase in disease of unknown cause, the occurrence of the disease has increased suddenly. Also evident in the comments of the press and journalists from these fact around the world, I can be considered as factors other than food pollution as part of the damage caused by Psychotronic and Electromagnetic Weapon crime. I consider potentially many victims for there is no awareness of the many persons.

Be ignore the crimes committed by electromagnetic waves, to all life on earth, To face up to the reality that there is a serious risk that threaten the survival over a long time, We should change the consciousness in order reconsider. For the crime of these various, with investigative powers of national politics should use, consider that all over the world for electromagnetic waves crime should be an investigation.

Currently, it will not be accepted complained to public institutions and police.

Victim of this crime are environment and social career on the job is destroyed in the workplace, or forced to suicide economic problems not only be destroyed, or while being induced illness or accident by the electromagnetic wave crime, Respect for fundamental human rights even denied, human rights violations are carried out as for granted, bad continue to rampant despicable crime will acquiesce in huge evil.

Please help stopping crime of torture for innocent people in over the world.

It has been going on for too long.

I consider to should be these crimes crack down immediately, and furthermore on the clarify policy making Laws and regulations, an International Investigation. We hope legislate as early as possible, the eradication of this crime.

My Experiences and Symptoms,

I have encountered in crime of organized Stalking and Electronic Harassment, abuse of Electromagnetic waves and ultrasonic waves. These are began in the previous workplace. I actualized gradually for damage from 2009, damage caused by electromagnetic and ultrasonic waves start to continue in 2011, I have encountered various damage still.

Previous Workplace Company: BNP Paribas Investment Partners Japan Ltd

(Merger Formerly: CommerzInternational Capital Management (Japan) Ltd)

The background of harassment of the workplace is human rights violations and crimes beyond harassment various performed at the same time more than one moral in the workplace is lost and not be recognized as a crime.

Ostensibly spread propaganda for an excellent company, vicious companies that are involved in organized crime behind the scenes like this there are many human rights violations the around the world.

My damage of organized stalking is repeated private house-breaking, innuendo and stalking action, spreading bad reputation by unspecified number. Individuals every in life scene the monitoring by unspecified number, furthermore spreading bad reputation was destroy my life. Part of the crime to exploit the electromagnetic and ultrasonic wave is called the "Electronic harassment". It is possible that electromagnetic waves and ultrasonic waves, to cause disease and pain in various the human body.

LETTER TO THE INTERNATIONAL CRIMINAL COURT and THE COUNCIL OF EUROPE

TO SECRETARY GENERAL THORBJØRN JAGLAND AND THE COUNCIL OF EUROPE

Mr M.P. Dillon
Head of the Information & Evidence Unit
Office of the Prosecutor, ICC

Dear Mr. Dillon

Please help for the many victims who are being attacked with Psychotronic (or Mind Control, Electronic, Directed Energy, Neurological, Non-lethal) Weapons.

Please read attached under sentence, My Experiences and Symptoms.

The existence of the electromagnetic mind control technology is confirmed in the Conclusion of the Committee on Security of the Russian State Duma.

In November 2000 the Committee on Security of the Russian State Duma stated that means enabling remote control of human nervous system or health impairment are available to many modern governments.

In the USA, at present several hundred people complaining of the remote manipulation of their nervous system are preparing a class action lawsuit against the FBI, Department of Defense and other agencies, requesting them to release files pertaining to their persons, detect the harmful radiations aimed at their bodies and sources of those radiations.

As long ago as 1994 in Montreux, Switzerland the International Committee of the Red Cross - ICRC raised the issue of Psychotronic or Directed-Energy weapons, also at the Geneva Forum in 2002, and also in 2009 at the 5th European Symposium on Non-Lethal Weapons and at the European Conference.

In January 1999, the European Parliament passed a resolution where it calls "for an international convention introducing a global ban on all development and deployment of weapons which might enable any form of manipulation of human beings. It is our conviction that this ban cannot be implemented without the global pressure of the informed general public on the governments. Our major objective is to get across to the general public the real threat which these weapons represent for human rights and democracy and to apply pressure on the governments and parliaments around the world to enact legislature which would prohibit the use of these devices to both government and private organisations as well as individuals." (Plenary sessions/Europarlament, 1999)

In October 2001, Congressman Dennis J. Kucinich introduced a bill to the House of Representatives which, it was hoped would be extremely important in the fight to expose and stop psycho-electronic mind control experimentation on involuntary, non-consensual citizens.

The Bill was referred to the Committee on Science, and in addition to the Committee on Armed Services and

International Relations. In the original bill a ban was sought on 'exotic weapons' including electronic, psychotronic or information weapons, chemtrails, particle beams, plasmas, electromagnetic radiation, extremely low frequency (ELF) or ultra low frequency (ULF) energy radiation, or mind control technologies. Despite the inclusion of a prohibition of the basing of weapons in space, and the use of weapons to destroy objects or damage objects in space, there is no mention in the revised bill of any of the aforementioned mind-invasive weaponry, nor of the use of satellite or radar or other energy based technology for deploying or developing technology designed for deployment against the minds of human beings. (Space Preservation Act, 2002)

After that in 2004, Michigan, Maine, Massachusetts in US, It has been some electronic device regulations already. And in 2001, laws against mind control weapons will have been made in Russia.

Please be assured that for years these weapons have been used to terribly torture and abuse victims all over the world.

We demand legislate of organized stalking and abuse of many victims who are being attacked with Psychotronic (or Mind Control, Electronic, Directed Energy, Neurological, Non-lethal) Weapon.

Electromagnetic waves crime with damage caused by invisible medium, it is assumed that people can not recognize the many damage.

Recently, accident of physical condition serious to the extent that leads to rapid death and an increase in disease of unknown cause, the occurrence of the disease has increased suddenly.

Also evident in the comments of the press and journalists from these fact around the world, I can be considered as factors other than food pollution as part of the damage caused by Psychotronic and Electromagnetic Weapon crime.

I consider potentially many victims for there is no awareness of the many persons.

Be ignore the crimes committed by electromagnetic waves, to all life on earth,

To face up to the reality that there is a serious risk that threaten the survival over a long time,

We should change the consciousness in order reconsider.

For the crime of these various, with investigative powers of national politics should use, consider that all over the world for electromagnetic waves crime should be an investigation.

Currently, it will not be accepted complained to public institutions and police.

Victim of this crime are environment and social career on the job is destroyed in the workplace, or forced to suicide economic problems not only be destroyed, or while being induced illness or accident by the electromagnetic wave crime, Respect for fundamental human rights even denied, human rights violations are carried out as for granted, bad continue to rampant despicable crime will acquiesce in huge evil.

Please help stopping crime of torture for innocent people in over the world.

It has been going on for too long.

I consider to should be these crimes crack down immediately, and furthermore on the clarify policy making Laws and regulations, an International Investigation.

We hope legislate as early as possible, the eradication of this crime.

My Experiences and Symptoms,

I have encountered in crime of organized Stalking and Electronic Harassment, abuse of Electromagnetic waves and ultrasonic waves. These are began in the previous workplace.

I actualized gradually for damage from 2009, damage caused by electromagnetic and ultrasonic waves start to

continue in 2011, I have encountered various damage still.

Previous Workplace Company: BNP Paribas Investment Partners Japan Ltd

(Merger Formerly: CommerzInternational Capital Management (Japan) Ltd)

The background of harassment of the workplace is human rights violations and crimes beyond harassment various performed at the same time more than one moral in the workplace is lost and not be recognized as a crime.

Ostensibly spread propaganda for an excellent company, vicious companies that are involved in organized crime behind the scenes like this there are many human rights violations the around the world.

My damage of organized stalking is repeated private house-breaking, innuendo and stalking action, spreading bad reputation by unspecified number.

Individuals every in life scene the monitoring by unspecified number, furthermore spreading bad reputation was destroy my life.

Part of the crime to exploit the electromagnetic and ultrasonic wave is called the "Electronic harassment".

It is possible that electromagnetic waves and ultrasonic waves, to cause disease and pain in various the human body.

For example of damage concrete by electromagnetic waves and ultrasonic waves,

- *Lose potential capacity (brain power) and energy vitality
- *Reading thoughts remotely
- *Pain of (including internal organs) body and head for continuous shock
- *Beatings and tightening of the head, the dyspnea by tightening pressure on the neck and diaphragm
- *Disease of the skin (Burned of a sudden, gash, mass breakouts of sudden
- *Itching and inflammation, stab Sharp pain)
- *Pain and numbness of teeth is continued
- *Gingivitis that occurs in a short period of sudden
- *Morphism high heat to the body and head
- *Control of brain activity, mind control, hormone control
- *Voice into the brain

When these damages is terrible, I can't move the head and body.

In addition, abnormal operation of the mobile phone and electrical appliances, network failure at the PC will occur frequently.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a Chinese citizen, I support you and arduous efforts, for your potential danger to the world peace. You must have the support of the world scientific community, the world's leading scholars of understanding is for all people and all government awareness . them is the spirit of electronic control technology enabling containment forces. you will have to present their victimization.

I support the global campaign "to stop manipulation of remote control of the body and brain (mental control) weapons on civilians of abuse." I was an electronic harassment / brain control of organized tracking of the victims. You should now have with the various international organizations the range, if this technology installed in the satellite, it will be weapons in space technology, the whole world will be engulfed it.

You should promote the legislation, due to constraints of civilization, reasonable seized, so that the world trust between countries, the world is bright. Humanity is better.

16/3/08

Hello! Letter received. Thank you for the information provided. So that we can have a new understanding, formal efforts. Hoping that there will be a reasonable and legitimate solution, we will join with you in the world and against the technology efforts. these technologies will be in a civilized society into legal constraints. you doing in the community of human civilization is the rule of law \ humanity \ moral \ humanitarian \ justice \ freedom \ progress to a new height and efforts.

So that they appeal. You are "remote control to stop the body and brain control (control of) weapons on civilians cause of the abuse, the victims have to find the right way. Actually, the technology is already swamped with persecution, the world also have enormous repercussions, but some major countries did not responsible, and Russia did not learn of this technology into the scope of the law, which is to be human world to ask for is the people of the world have the same perspective. worldwide, including the United States There are also many domestic signatures, especially the United States, the victim, a representative of thousands of people have signed the unanimous request to stop the use of the citizens of the world a common voice, I think why not organize foreign victims, and to the United States Some European President and the Prime Minister is campaigning for the candidates and their political parties to the letter, this demand as part of the campaign platform, when he was in office by the people to force the elimination of such intimidation. "spirit of nuclear weapons" against the citizens, establish domestic legislation and urge the United Nations before the gaze of the development of relevant agreements, conventions, and the victims are the citizens of attention survey solution, which is supported by all peoples things, but also their own people unanimously supported matter, but also won the support of the national government, which is Each candidate speaking, no doubt after being elected by diplomatic half the success. countries in the world will support the people. also reflects the world is a messenger of peace. you say it is our view point. our country is no exception in the strongly struggle. for a better future.

20/3/08

Dear victims:

With a dream, with a world. Human Living Environment is the world's citizens. Remote electronic technology and thinking feelings known directed energy weapons are quietly ran to us hit. As the aggrieved person, reasonable and inner motivation arouse the citizens of the world for peace efforts.

We read your purpose, I mentioned some suggestions, I wonder if feasible?

1. Like how to expand public awareness of the problem. Scholarships need to move several Nobel laureates wrote, mailing letters to write. Ask them to define technology and civic morality and social disaster, technology and human rights, technology and social environment, technology, and people-to-people relationship between the range, technology, and civilization, technology, and human dignity; drawn in the social reality of this of the human brain electronic perception technology on the citizen is thinking survival impasse. terrorist technology is a

social, legal forms necessary to determine the absolute ban on the use of citizens, which is a terrorism techniques.

2. Convergence of this technology with satellite weapons in space it is. Become a serious danger of world peace. Hope that the world famous universities and their scientists to the scientific, moral, peaceful existence to human point of view, to the study (in fact, very mature, in the abuse) on human society should not jeopardize the kind of moral law, not by some evil forces of abuse, endangering the world-ping.
3. Urged by the European Union in the United Nations human rights organizations, the establishment of such technical reading of directed energy weapons and weapons is a weapon of war, it is necessary to enact laws in the United Nations, Russia was first enacted in 1999. Their country is a peace-loving.
4. In the world, in the famous universities in a great debate, the spirit of electronic control technology of dual-bladed. Conducted before the gaze of awareness and media coverage. Universities in the world debate. Technology and can be announced exist. States to enact laws to protect citizens. world is unsafe.
6. States and scholars issued a statement can be recommended, as well as for their own protection. Urge States Government attaches importance to the Legislative Council.
7. We can the company deserves a special radio and television reporting, we are writing to comment on their report our victimization, one day, they introduced two years time to complete it. Series of newspapers can report. Tell each of us a story of the victims. do not know success?
8. You brought into full play and write control of the spirit of struggle songs, the best can overwhelm the world, is also a kind of propaganda in every household, the world is encouraged by the survival of the victims and the spirit of struggle.
9. Countries-is important, they must have the support, in particular the EU headquarters easier. To the voters wide publicity to candidates promised if elected to the Legislative Council as the goal of the United Nations. As the world's peace envoy .

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

PAUL BAIRD's TESTIMONY

Background

In 1991 I wrote a political satire entitled "In the Year 2252" (P. Barber, pseudonym). Copies were circulated prematurely by a Chicago literary agent. As a result, many publishers, editors and writers accessed copies.

Before a second draft was prepared it was clear covert censorship would prevent any possibility of publication... I was already under 24 hour a day surveillance and was fielding feedback from corrupt sections of the entertainment industry; especially the media.

The reasons for their objections are many. The book was critical of many things which criminals in high places use to get what they want (and control others). Corruption, drugs, war, media deception, and all manner of immorality were openly attacked in the novel. I also lobbied on privacy laws. The personal repercussions are outlined below. (What the media did is highlighted under "Feedback")

While reading this account please keep in mind the wide reaching influence of covert agencies and organised crime throughout our community. A few "well placed" people in each area can create havoc for those being silenced. Others working with these criminals are too selfish, scared or apathetic to intervene.

Also, because wealthy criminals may make false accusations I state, as fact, that not only have I never committed any wrongdoing whatsoever but I have never even contemplated any wrongdoing. I've responded to the harassment

defensively but verbally, with indignation, anger and even humour but that's all. Accordingly, any misinterpreted or "altered" writings etc should be ignored.

NOTE: Examples of feedback that made me aware of the "set up" possibilities included:-

(a) Learning (from the security/P.I industries) that the word was out to "wash your hands of it" meaning not to talk to me and (b) being referred to media identities (esp. T.V presenter M.Willesee) by one P.I who did investigate. Apparently, having sold his horse racing interests, he was to be trusted.? Having little knowledge of corruption in that industry or any other (including the drug trade/media/agency connection) I was puzzled by this. In any event, being unable to see M.Willesee I tried meeting some of his colleagues (see "Meetings" Jan 97).

Who Knows?

The following people know who is involved:

John Howard (Australian Liberal Prime Minister). Three people (incl. a senior Federal Police executive and an ex agency member) informed me that the Prime Minister "is aware of" the situation but that "his hands are tied". Early in 1996 he did, in fact, ask the AFP to investigate the surveillance but they were unable to (efficiently) for "legal reasons". Although I was told it was because the matter was "politically sensitive".

NB: If the media could "tune in" so could the AFP. They couldn't help because of who is involved.

Ros Chilvers (Ex agency / private investigator) - She spoke with Paul Keating when he was Labor Prime Minister and told me he was actually part of the vendetta against me.

Warren Colledge (Federal Cabinet Secretary's Office) - He spoke with current PM, John Howard, who said the situation was "too awkward" (for him to intervene). It's "awkward" because Federal Labor politicians, agency officials and the media ARE involved as are their counterparts in the US. It is, in fact, a criminal conspiracy of silence.

Steve Duffield (Ex Sen. Alston's office) - He knew and tried to help. Within a week he was gone and cannot be found.

Ms J. Bonner (Ex J. Howard's office) - Knew but now refuses to discuss it; even with liberal staffers.

Matt Francis (Sen. Newman's office) - Said many working in politics knew I was monitored/harassed because of the book, adding it had "opened his eyes" to realise the full extent of what actually goes on (i.e. political crimes).

Mick Roberts (Ex AFP) - On his retirement he told me that he'd always believed me totally but there was a wall of secrecy which he couldn't break through. No one would talk and it all "smells of journalists and politicians" he said.

Nelson Chad (Investigator/Ex policeman) - Channel 9 journalists (in particular Ray Martin and others working on "A Current Affair") were involved. This was even confirmed by one ACP director, Mr. G. Cubbin.

Note: Channel 9 owner, Kerry Packer is not the only media magnate who wants me silenced. No media player would want the general public becoming fully aware of the invasions of privacy and crimes which journalists and agency officials commit. Remember, I lobbied heavily on privacy laws for years with John Howard himself supporting my views, in writing.

Those harassed for helping me

ROSS SAUNDERS, ex head of religious programming at Ch 2. He confirmed all my suspicions about the media's involvement and advised me. He was forced to move because of the covert harassment he endured.

DAVID SANDERSON, B-Grade moviemaker. He called and volunteered to make a documentary on the covert, technological attacks on decent people who spoke/wrote about evil in high places. He said it sickened him...however, he and those he approached to help were frightened/blackmailed into dropping the plan completely.

HOMI BAHRAMALI - Neuroscience/psychiatry - Westmead Hospital. He was working on his own neurophone so his harassment was largely due to his own work. He now works at The Centre For The Mind (Sydney Uni) but is

cautious about offering real help to victims, for obvious reasons.

SEAN EDWARDS, ex Special Branch (NSW Police) and AFP officers, Graham Cane, Mick Roberts, Jeff Sundin, Chris Woods and Mark Andrews also helped but weren't harassed.

KERRY STOKES

Various means of harassment & persecution

Blacklisting

Since mid 1991 I have been kept from full-time gainful employment. This is despite the fact I have degrees in Law and Economics and a solid working background that includes time with The Chamber of Commerce, a major bank and the Australian taxation office. "Instructions" were probably circulated by those involved in criminal activities. (One private investigator told me the word was out that everyone was to "wash their hands" of the matter. No-one would dare help.) Many obstacles stand between me and real work although I have been "allowed" simple work: telemarketing.

Overt Intimidation

I've been followed and harassed by corrupt P.I.'s and police, however they have not accosted me at any stage.

At crucial moments, crank phone calls come through to my home. Nothing is ever said. Silence... then they hang up.

My mail (esp. from the USA) is often intercepted. IF I get it then it's either opened/annotated or a reply of little consequence. eg: one letter had a drawing of a surveillance satellite monitoring me and the words "Have a nice day".

Helicopters and small planes deliberately "buzz" my home and follow (or even hover overhead) as I walk/drive. This can happen countless times on any given day or night in clear view of friends/relatives. This can be triggered by an event (eg. Going to the mailbox), a political statement I make in private (sometimes bringing in up to three "choppers" immediately) or a time of day (e.g. when a particular Channel 9 or Channel 7 current affairs program is running).

Siren "wailing" can also be triggered in a similar manner to the aircraft harassment. Embarrassingly, these often coincide with trips to the bathroom etc. If I'm on the street, ambulances will wait on corners or stop their sirens as they approach me; often turning around (clearly going nowhere in particular).

NB: False alarms, corrupt dispatchers and bribes to pilots (for flight deviations) all help effect these forms of harassment. My enquiries revealed all of these are common practices.

Surveillance

From 1991 until this day I have been under 24 hour a day satellite audio/visual surveillance. The results have been made available to politicians and journalists. Private investigators confirmed that ex PM, P. Keating and Channel 9 "A Current Affair" personnel were actively involved, but there were many others. (Notably some Labor politicians worked for Kerry Packer's Channel 9 after retiring eg: Richardson, Hawke).

Without their knowledge, my relatives were also frequently monitored in the early '90's. Notably by late 1996 the direct media monitoring of the (agency) signals stopped as more advanced satellite systems were employed. It is suspected this may be due to the fact that the Liberal government (elected March '96) were not actively involved in the harassment so other means of attacking me were found. However I am uncertain of the precise reason.

Feedback

Countless speeches, news items, advertisements, scripts and "writings" have been peppered with my ideas/words/phrases. These came not only from the surveillance results but also the book which, though covertly "banned" by the criminals concerned, was also extensively "used" by many writers / editors; especially those

working for Rupert Murdoch (eg: Harper Collins, the Telegraph etc). Not only did I find some TV executives that admitted such thefts and harassment techniques are used, but one even openly admitted his own people were partially to blame.

Much of the feedback involves subtle but constant death threats.

Many media personnel in Sydney were clearly informed of the relevant audio surveillance frequencies and were monitoring directly until late 1996. This was made most obvious by comments made by "live to air" broadcasters (TV / radio). Clearly the presenters were signalled and "fed". With the advent of neurophone harassment and brain scanning (in my case) there was a less direct (delayed or relayed) feedback...as if the media could no longer directly monitor the signals. However, the speed of feedback picked up again in later years. In any event, the feedback of thoughts can be even more oppressive than the feedback of words...Both continue to this day.

In my case, the switch (to more advanced monitoring systems) also coincided with the PM's office instructing that I would no longer receive replies to my correspondence; though the significance may be minor. For all I know I may merely have been taking the place of another politically selected experimental target; for an illegal human research programme.

Examples of feedback (by Channel 9)

1. PROMOS - eg: Kerry Packer's ACP Director, Mr Graeme Cubbin, admitted that the "I AM CHANNEL 9" promo was in fact aimed AT me. Many of the on air presenters working at 9 featured in that ad; I believe most knew what they were doing.

2. PHRASES - eg: Just before "A Current Affair" ended on Channel 9 for 1992, then presenter Jana Wendt was quoted in a magazine as saying: "I guess I'll go to my grave not being able to think past the end of my nose", a comment I made (knowing it would be overheard) just prior to that interview (not exactly a common saying). And it was not the only reference in the article. Coincidences? Imagine such coincidences happening a dozen times a day - for years - and you'll appreciate why this "parroting" is so useful to them. It's extremely oppressive.

3. DIRECT FEEDBACK - eg: On at least two memorable occasions I responded to "live" taunts by Channel 9 employees only to have the entire transmission cut completely and immediately.

4. OTHER "COINCIDENCES" - eg: ACA, Ch.9 presenter, Ray Martin, ran an item on politicians who don't answer correspondence. They suggested viewers use a company called Voterlobby. The link is that I'd just contacted the Prime Minister's chief of staff about my many (and various) unanswered letters to Mr Howard and his Cabinet AND had used Voterlobby to question MPs on the need for enforceable privacy laws. (Prior to being elected in March 1996 Mr Howard had been supportive of my views)

Also, on the day my mum received her cancer test results (Aug 04) Dr John Holts "cancer" treatments featured on Ch9's A.C.A. Subsequent items on Dr Holt coincided with treatment milestones for my mum. Cynical attacks like this test your patience and prove that those behind the harassment will stop at nothing.

Meetings (Jan 97)

Eg. 1 Mike Minehan (Ex Ch.9, ACA, UTS)

A security guard tried to prevent our appointment taking place; under instructions from an "unknown" outside caller. Similarly, Minehan was interrupted constantly by phone calls. On the last call he slammed the phone down exclaiming: "They're telling me to get out. Now!" However he had already told me that my situation was "not uncommon". He suggested I see Jana Wendt. He seemed genuinely worried.

Although it seems naïve now, at the time I thought journalists (et al) may help re the brainwave/neurophone torture. I even contacted one or two who had personally harassed me with surveillance feedback.

Eg. 2 Jana Wendt (Ex Ch.9, ACA, Ch.7 etc)

She was dismissed from Ch.7 just before our appointment so I visited her family home instead. She said her secretary would make another appointment but warned me that TV execs control things. (Messrs D. Leckie, Rice and others who moved from Ch.9 to Ch.7 were undoubtedly involved).

Eastwood police later harassed me, at the request of their "friends" at Ch.7. They refused to speak to Wendt

personally. I was told not to make any appointment and was taken to a psychiatric hospital as a "warning". Before I was assessed and released (by a bemused psychiatrist who saw no reason for my being there at all) "knowledgeable" staff told me that at least six others who sought assistance from Wendt had also been sent there. "This is what you get for crossing them" said one senior nurse. (They knew yet co-operated). An FOI request indicated that Detectives Pollock and Spurr were warning me on behalf of Ch7 execs but Police Internal Affairs did nothing (esp. as TV identities were involved). I also discovered that the Police "psych" (a Dr. R. Burek) had claimed that our 3 minute discussion took 45 mins and had later tried to erase his annotation claiming I suffered from "auditory hallucinations". He had to try to remove it before I got it because I hadn't mentioned that to anyone during the incident, including him. The honest psychiatrist at the hospital who had let me go also observed this but left it to me to pursue the corrupt parties.

Since this worrying episode I have learnt much about the role of mainstream media identities from agency officials, on-air targets etc. Little wonder suppression and oppression are rife in this country (and many other western "democracies"). The media mafia has far too much power.

Eg. 3 Kerry Packer (media magnate, ACP etc)

While I waited at reception Mr Packer and his son exited the car park and took the lift; James Packer looking back at me before disappearing into the elevator. Six goons then surrounded me, the leader claiming I'd been up to Packer's 3rd floor office six times. (I wasn't even sure Packer would be there. Also, this was my only visit and I was on the ground floor). When I scoffed, asking for proof of this lie, he said "Oh just get out anyway". I did. I wasn't going to give them an excuse to set something up.

N.B. Because of these experiences no further attempts have been made to resolve this situation face to face. Employees of media magnates, Singleton, Packer and Murdoch are all involved in my situation. Some, I'm told, are also involved heavily in the drug trade (hence the mafia / C.I.A links, and the technology access). It's also worth noting that in 1990-91, when this all started, all three media bosses were staunchly behind the Australian Labor Party; the central source of the problem.

However, employees of others, like Ch 7 owner Kerry Stokes, were also clearly involved.

Comment

My own situation is known to many and some of the more bizarre/significant "coincidences" have been deliberately omitted. However, the brief illustration has hopefully served its purpose.

Like the covert agencies themselves (especially the CIA), those using surveillance results to torment innocent people are little more than modern day (electronic) Nazis. Many are prominent public figures with no fear of the law and little or no respect for others. Controlling public perception / opinion through such people is a priority for both the agencies and those whose interests they protect. Obviously only those who are "co-operative" gain prominent positions within the relevant media circles. In fact some sections of the media are responsible for gross human rights abuses including (ironically) the suppression of free speech.

Once again, freedom of the press should not grant a freedom to oppress.

NB: If a target is relatively unaffected by the media feedback or "tunes out" to all media / entertainment output (to avoid the feedback / harassment) then other, more advanced forms of harassment (like the neurophone and brain wave analysers) can take their place. This switch may also occur if the agency / criminals responsible wish to prevent direct monitoring of their frequencies by the media, Federal Police etc (for whatever reason).

Religious Persecution

Although I am of the Catholic faith, and was subtly ridiculed for that, the Catholic Church (which is closely aligned with the Australian Labor Party, which fostered the situation) has also harassed me using the results of the surveillance.

While some priests were sympathetic (one even admitting he'd heard about the "banned" book), others did as the church hierarchy instructed. The links between the church, the Labor party and overseas crime figures are well known. There may have been some "pressure" applied.

Note:

It is interesting that one of the guilty priests, an ex bikie named Kevin Lee, was chosen as a contestant on the Pentridge Jail Challenge run by A. Denton, Radio 2mmm, Nov 2001. Apparently he won. Odd coincidences like this were common in the early 90s. (I wonder who else he harrassed).

Neurophone/Aural Harassment

Since September 1996, I've been receiving constant/clear threats and propaganda from an unknown agency/criminal source; probably the CIA.

This method of "torture" (which seems to be known to many political/media entities) is usually delivered courtesy of a satellite which tracks you, personally. A laser directs live talk, noise and computer-generated music at the body. It travels the nervous system as electrical impulses and registers in the brain; bypassing normal hearing mechanisms. Only the target hears it.

Prominent journalists and senior federal police say it's "not uncommon" and I know there are thousands of political victims in the USA and hundreds here.

The motives for this form of oppression seem to go beyond providing an "annoyance". The hope "seems" to be that the victim will be discredited if they react badly to the verbal taunts OR approach the wrong people for assistance. For example, media "mafia" personnel, politically naïve medicos or ignorant police could make matters worse. In the US, where the authorities refuse to concede their own government encourages such activities, the complainants are often committed.

Meanwhile, senior federal police, some political aides and human rights activists are the most supportive here. Many are honest enough to admit they know which technologies big brother agencies and criminals can access. However practical help cannot be offered.

Experimentation - Brain wave Monitoring

Also since September 1996, I've been humiliated as a target of an experimental technology (again, satellite based) which allows the magnetic field around your head to be monitored. This powerful scanning and tracking system delivers the results to an unknown (probably US) facility with an advanced computer system capable of interpreting the brain wave patterns it receives; instantaneously.

The aural feedback then makes for a means of remote interrogation and/or psychological torture. Combined with audio/visual surveillance the overall situation is like being in an electronic POW camp. One senior AFP executive said this may continue for many years and they are powerless to stop it.

The human rights abuses I'm experiencing are considerable. However, what concerns me most is that ostensibly democratic governments can allow the development and "use" of such evil technologies to stifle free speech.

Murdered Whistleblowers

Although I never met either man Neurosurgeon/psychiatrist, Alistair Stuart and Black Mountain Tower (Canberra) chief technician, Bill Roy were both threatened, harassed then killed for trying to disclose information on high tech surveillance/harassment (Bill's area) and political psychiatry (Alistair's concern).

The extreme measures taken to stop good men who would have spoken with knowledge AND authority serves as a warning to others. It, of course, doesn't excuse the active participation of so many criminals in public life who help repress and destroy decent people merely for speaking the truth...Instead of helping, the media are the worst protagonists. They're antagonists, not allies, of the truth and those that seek it.

Conclusion

Many public figures betray us by their silence on these matters. Many politicians/journalists are actively oppressing others themselves; by stealth. And you won't read about it because the media are themselves part of the problem.

Finally, it may be worth noting the comments of a senior investigator from NASA's Inspector General's office. Having conceded the existence of the technologies mentioned in these pages AND commenting on the evil uses

made of such anti-personnel weaponry he advised: "I suggest you pray".

Please contact the UN, the International Red Cross or Amnesty International to express your concerns.

I write in support of submissions made by Mr John Finch and others concerning what has come to be known as the "silent holocaust"; the abuse/murder of 10's of 1,000's of innocents worldwide courtesy of advanced (secret) weaponry.

The attached pages include my current letter and flyer on the topic (both of which are widely circulated) as well as my contact list which features the more prominent campaigners for justice on these matters. These people would be the best ones for your commission of inquiry to talk to. (Equally, I myself am available if you so wish).

N.B For the best part of 20 years I have personally researched/campaigned re these matters. Most of what I've discovered is on my website (www.surveillanceissues.com). I'm repeatedly told that it provides a good insight into the problem and so I ask you to read it.

I'm sure I don't have to emphasise how vitally important this matter is and I trust that you will give it your complete and immediate attention. Please let me know the outcome.

Their idea of a safe house is a "crazy house" or "the big" house. "They're" not going to help individuals or small groups of victims. This has to be solved for everyone at once or not at all. But lets not help them discredit us before that. This isn't some movie scenario here. The criminals actually control everything; the government, the media, the corporate ethos, everything. The "good people" still have the numbers but only a few of us know what's going on and they've fixed things so that we sound paranoid. In the end we'll probably lose but my advice is to keep it topical but not personal and to distance yourself as a victim rather than focus on that. You've done a GREAT job until now. Just keep at it.

God Bless. Regards, Paul

DEAR TORTURE AND ABUSE VICTIMS - We hope you're OK - Are you still alive? Please let us know

Well, I'm here! I know what you mean though... I often don't ever hear from victims again after the first contact... I still have > 3,000 on my files but for all I know many are dead. Anyway, thanks for any help you can give.

God Bless.

I'm sorry but the reply you received is a standard letter; I've received a few exactly the same over the years. AI has a high profile and therefore the criminals responsible for our dilemma ensure that they do not widen their scope to include true prisoners of conscience; ie those attacked psychologically by remote weaponry.

In short, AI know the truth but will never act. Some underlings in the organisation are very supportive but those at the top of the hierarchy, like politicians and others everywhere who want responsibility and praise with little risk, will not stick their precious necks out esp. when it means criticising the US gov't which it relies on for support. They'd rather focus on visible problems, problems that are easier to identify, where it's simpler to apportion blame and more likely to result in praise and finance for their organisation. What we are concerned about big and widespread and too difficult to face so they stick to working for physically detained and tortured people in third world countries. AI will not help...They are also, like all such organisations, infiltrated by agency goons who dissuade them from getting involved in the more important fights. A slightly better bet is the ACLU..try Barry Steinhardt, a Dir. of The Technology and Liberty Project and ask what he's doing to help.

Regards, Paul.

* As with any defense to high tech' surveillance or harassment, the very nature of such crimes means that those responsible will obviously know exactly when scans / investigations are being carried out and can simply switch off their equipment; meaning there'll be no proof. So while the victims may be free they'll probably be disbelieved by most and the public will be none the wiser; meaning no change to the law. Personally, I'd rather be believed but

not free. What I mean is that the FBI agreement and the large scale Skynet project may ultimately be ways of making them stop, to avoid detection (and that would be more than great) but, as with MKUltra or anything else, they have the means to switch quickly to other methods. My point is how do we expose ALL of this AND stop it re-occurring? Is it enough to stop a criminal from using a knife if he just pulls out a gun instead? They're so far ahead of the game they'd have technologies we know nothing about. We need enforceable worldwide bans on ALL weapons for human manipulation. In my humble view only worldwide exposure will achieve that.

* "Dealing" out of court with the FBI is fine, for now, but the CIA, NSA, Mossad, MI6 and countless other organisations simply will not co-operate and the FBI will not (and mostly cannot) investigate them so, again, there'll be no proof. Without proof the laws and systems of investigation will not change. EG The senior surveillance expert at the AFP in Canberra AND also the senior aide to the head of the Australian defense force both told me (and were both promptly moved along for doing so) that not only are the major agencies / d.contractors responsible for all of this but that other gov't agencies cannot interfere no matter what they're up to..(National Security covers etc). This is because they all work for the gov't of the day and it's too "politically sensitive"....meaning that no foreign gov't, whether involved or not, has got the temerity to embarrass the US gov't which is primarily responsible. This is despite the fact that defense forces could easily detect any of the signals and locate the source... (Remember that the chief US Embassy spook boasted to my face that the US gov't also monitored every MP via satellite) ...The senior AFP officer also said that even if a head of state were to try to expose this that they would be out of office the same day; that's how entrenched and all powerful are the people we're battling with. The fact is that the FBI can promise the world to avoid costly court battles and your clever strategy may buy peace for some but the FBI will prove nothing...esp. as many of them are complicit...And another technology will just be turned on another group of innocents fed to another project.

Anyway, thanks again for all your good work. I'm pleasantly surprised at how much the group has achieved. I'm guessing Mr Olssen's support has been invaluable. Again, keep at it and thanks.

Best regards,

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

致中国"秘密机构"头头的公开信

白云 <baiyun024@vip.qq.com>

你好:

我已是一个中国精神控制武器的受害者,已有23的历史了.在这种秘密组织的折磨下,整个人生尽付东流.现在,我们中国的一些受害者已开始一起进行反抗精神武器控制的斗争.我以上发给你的信件是我们向中国各社会团体,新闻媒体和各政府机关发送的一封公开信,其目的主要是让你能了解我们的斗争情况和斗争策略及现状.我因为受害时间较早,文化有限,不能很好地理解你来信的内容,请原谅.但是,我还是满腔热情地希望全世界一切渴望民主,自由,和平的人们,能够团结起来,向乱用精神控制武器的恐怖组织作斗争.

我们是一些长期遭受你们管辖下的"特别机构"滥用特权,秘密使用"遥控人体(大脑)技术",对我们的肉体和精神,实施日夜骚扰折磨迫害和阴谋暗害的受害者.网络使我们相识,受害的遭遇让我们走到了一起.

为了捍卫宪法的尊严和公民基本人权,我们特此向你们写这封公开信.

谁都知道,人脑的主要功能之一是"思维".各类"思维"的组合,构成了人的全部"思想".这种"思想"活动,是人的一种内在生理行为,也是人正常的

本能精神活动。

并且，任何人，也包括你们在内，在社会生活中，时刻都需要互相进行交流，时刻都需要对外界事物进行感知、认识、分析、判断、认同、否定等种种“思想活动”。由此可见，人脑进行“思想活动”，就犹如人需要和有权享用“空气、阳光、水”一样，是人赖以在社会中生活和生存的基本要素和条件。

而这种“思想活动”的“内容”，又时刻呈现出不确定的、游离状态的特点。因为，其随时都可能因外界情况和条件的改变，或因自身认知发生变化，而随之进行相应的变更。

比如，当二个人发生激烈冲突时，其中任何一方都可能因愤怒而产生出“要杀死对方”的“念头”。而这种“思想活动”，是随时可以发生变更的。也许愤怒者在冷静下来后会自我否定而改变初衷；也许经朋友劝说厉害后会改变想法。又如，一个男人，在看到一位漂亮、丰满、衣着外露的女性时，一瞬间极可能产生出一种冲动的“性占有念头”。而这种“思想活动”，会由于或条件限制，或自我控制，或惧于法律惩治等种种因素，而随时会自我否定变更消失。再如，当某人受到不公正对待时，一瞬间也可能产生出对现实的“强烈不满念头”。而这种“思想活动”，同样随时会或者因为自己认识的提高，或者因为别人的劝说，或者因为原有的“不公正对待”情况的消失而随之变更消失，等等。

从法律意义上说，只有当人的“言行”确有违犯法律的事实时，法律才予以惩处。而人的“思想活动”，纯属是一种合情、合理、合法的，绝对自由的个人隐私，也是人类神圣不可侵犯的最基本人权。因此，任何组织和个人都不允许用任何方式实施窃取传播和骚扰侵犯，更无权依此作为评判依据。

然而，在“文革”中，林彪、四人帮一伙大搞法西斯特务专政。他们对被秘密关押的大批干部群众，非法使用“遥控人体（精神）技术”手段，秘密窃取“思想活动”作为“犯罪依据”，并进而依此对受害者的肉体和精神实施惨无人道的秘密遥控残酷折磨迫害，致使许多干部群众无辜遭到诬陷，并以莫名其妙的一些“怪病”被阴谋暗害，或不堪忍受秘密凌辱而自杀，含冤而死。

毫无疑问，这种秘密窃取公民头脑中的“思想活动”作为“犯罪依据”，并进而依此实施秘密肉体、精神折磨迫害和阴谋暗害的罪恶“整人理论”，从法律上讲，是完全违背了“法律只对于那些在言行上确有违犯法律的事实，依法予以惩罚”的原则；从政治上讲，是公然侵犯人类本能思维权利的反人类、反人权的法西斯主义的体现；从科学上讲，是明显与人类“思想活动”时刻处在变更的不确定状态的事实格格不入的；从道德上讲，是不折不扣的窃取公民个人全部“思想隐私权”的无耻的道德罪恶。

因此，在上个世纪八十年代初，为了在全国“拨乱反正”，顺利“落实政策”，平反一切“冤、假、错案”，一位司法界资深人士专门在《人民日报》上发表文章，郑重地指出了：“在中国没有思想犯！！”这一条重要的法理原则。

显然，历史已经对这种罪恶的秘密“整人理论”做出了严正的宣判！对于这样一段历史事实，毫无疑问，你们一定是记忆犹新，十分清楚的。不幸的是，你们管辖下的专门监控民众的“特别机构”，却接过林彪、四人帮一伙大搞法西斯特务专政的衣钵，秉承他们那一套非法罪恶的秘密“整人理论”，长期以来，一脉相承地对公民的“自由思想活动”进行秘密监控窃取，进而对公民实施种种非人道的、无耻的、残酷的秘密肉体、精神折磨迫害和阴谋暗害！

改革开放后，随着这种“秘密遥控人体（大脑）技术”越来越先进，随着你们管辖下的“特别机构”的“广泛基层化”；人员素质的“低下庸俗化”，这种“秘密遥控人体（大脑）技术”被更加普遍的恣意滥用，成了对遭监控的受害者实施种种“变态狂式”的无耻骚扰折磨迫害的发泄工具。

从大量揭露出来的事实表明，你们手下的“特别机构”人员，正是秉承那套罪恶的秘密

“整人理论”，对许多无辜受害者的肉体和精神，实施着24小时不间断的、长期的、无耻的秘密遥控折磨迫害和阴谋暗害手段：

（1）侵犯公民隐私权。通过秘密窃取受害者的“思想活动”，进行广泛传播，恣意侵犯公民的全部“隐私权”。并以此对受害者进行“恐吓对话”，胁迫受害者时刻生活在毫无隐私可言的惶惶不可终日的痛苦精神状态中。使一些受害者经受不起这样长期的个人隐私被时刻暴露无遗的精神恐怖折磨，有的甚至于走上了“自杀”的道路。

（2）精神骚扰。日夜制造受害者耳朵内出现：威胁恐吓、造谣诽谤、讥讽辱骂等骚扰声音，扰乱受害者的精神，使受害者无法正常思维，无法正常休息，无法正常生活、学习和工作。有的还在受害者入睡时，大量灌输种种凶杀暴力、色情淫秽、反动恐怖的画面进入受害者的大脑，施展无耻的流氓式的“钓鱼”伎俩，设下“陷阱”，诱骗、陷害受害者。

（3）肉体折磨。恣意制造受害者身体内各个部位随时出现：痛、痒、热、冷、颤抖、难受等种种肉体异常痛苦。并且，无耻地实施毫无人性的“性折磨”的手段，使受害者日夜生活在无比煎熬痛苦，生不如死的境地。甚至，还制造受害者体内出现种种“怪病绝症”；或在开车或过马路等需要注意力集中的关头，控制改变受害者的视听感知，制造事故，凶残地阴谋暗害。

（4）通过对受害者亲属的身体和精神实施各种折磨痛苦，对受害者施压，竭力增加受害者的精神负担。通过窃取受害者的“思想”，传播给其亲属、朋友、同事等，或合成制作后者的声音，将其传送给受害者，大肆制造假象、混乱，竭力挑起矛盾、冲突。进一步恶化受害者的社会生活环境，加剧和促使受害者的精神趋向崩溃。

凡此种种秘密手段，其目的就是要把受害者折磨迫害成：或者“精神失常”被送进精神病院；或无法忍受残酷折磨痛苦而“自杀”身亡；或产生和公开发出“强烈愤慨不满”的偏激言行——而“授人以柄”，被“依法惩处”；或制造“绝症”，借助医生的“手术刀”，实施冠冕堂皇地

“借刀杀人”阴谋暗害，或通过干扰受害者的感觉认知，制造“意外事故”。而这许多分明是货真价实的阴谋暗害，却又嫁祸于受害者自身、于“疾病”、于他人，以掩盖其秘密迫害和暗害的真相。

如此目无法纪、惨无人道地秘密侵犯公民人权，其蛇蝎之心，又何其毒也！

毋庸置疑，在一个“依法治国”的国家里；在建设“以人为本”的和谐社会中；在“人权”已明确载入中国宪法的今天，这种滥用“特权”，肆无忌惮地遥控侵犯公民人体（大脑）的秘密行为，更是地地道道的反人类的秘密恐怖犯罪！是对神圣宪法尊严的亵渎！是对人类文明的严重挑战！

中华人民共和国宪法第33条明确法定：**国家尊重和保障公民人权**。这样的“人权”，当然包括公民起码的思想自由权、睡眠休息权、身体健康权和基本生活生存权。民法第98条还具体法定：**公民享有生命健康权**。而在宪法第5条中又郑重法定：**任何组织和个人都不得有超越宪法和法律的特权**。

面对神圣的宪法法律，你们手下的秘密“特别机构”人员，为何竟敢如此胆大包天，竟敢如此横行不法，作恶累累？！

作为中国“秘密机构”的头头，如果你们对此不知情的话，难道就不应该承担这种“秘密罪恶”的领导责任？！如果你们知情，难道就不应该站出来

来说清楚，究竟是谁赋予了你们这样可以凌驾于宪法法律之上的“罪恶特权”？！如果只是你们手下的“特别机构”在滥用“特权”的话，那么，你们就应该以一个“共产党员”的明磊磊立场，从对公民人权、对社会和谐、对国家信誉高度负责出发，立即坚决地、毫不迟疑地制止你们手下这种非法滥用“特权”，秘密侵犯公民人权的罪恶行为！！对那些滥用“特权”，蓄意秘密残害公民造成严重后果的秘密罪犯依法论处！！并给遭受秘密折磨迫害的受害者以合理的精神和经济赔偿！！

在这里，还必须正告那些滥用“特权”的秘密施恶犯罪者：不要以为这种“秘密遥控人体（大脑）技术”的高度机密性和隐蔽性就可以矢口否认，百般狡辩；不要以为广大受害者无法找到直接证据，广大民众暂时不知情就可以恣意欺骗，掩盖真相；不要以为政府的其他部门不敢过问就可以甚嚣尘上，一意孤行；不要以为中央领导不知道这种“秘密罪恶”的真相就可以有恃无恐，无法无天！

古话说得好：纸是包不住火的！多行不义必自毙！任何危害人民的罪恶，不管其隐匿得多深；不管其有什么样的“特权”；不管其是何等的猖獗，都只能是横行于一时。到头来，是必定要被汹涌澎湃的文明社会发展的历史所淘汰，变成被钉在历史耻辱柱上的不齿于人类的狗屎堆！！

历史的辩证法就是这样！！联名发起者：（签名）

"Soleilmavis注：我及其他一些受害者，在国外读书时成为了受害者，由于是在国外时受害，所以，我们对是谁造成了自己遭受多年秘密遥控酷刑虐待的真相尚还不十分清楚和确定。但是目前我们在中国境内仍然遭受酷刑虐待和骚扰，中国政府有明确的法律规定，反对酷刑。政府有责任和义务维护法律的尊严，政府有责任和义务保护合法公民的合法权利不受侵犯，政府有责任和义务对受害者进行法律援助以及生活援助。

很多中国受害者因为自己的亲身经历，而认定是中国秘密机构内非法滥用特权的人对中国公民实施秘密遥控酷刑虐待，而且因为中国政府对这样的虐待一直保守秘密，所以更加坚定了中国受害者的这样的想法。

我以及其他的受害者支持这封签名信，目的就是要求政府对这样的法西斯暴行进行公开，将这些法西斯分子绳之以法，并且对所有的受害者提供法律援助和生活援助。")

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

26/12/13

My name is Dorian Beatty and I am a targeted Individual.

When I was 17 I started hearing voices and seeing weird things, like angels in my bedroom. I started having constant nightmares and being held down in bed etc.

At the time I believed I was demon possessed, as I had recently started associating with Jehovahs Witnesses. I spent the next 12 years trying to get rid of the spirits by prayers and dedication to God. Nothing worked to get rid of the so called spirit. At about the year 2008 I started noticing being pulsed by some kind of electro magnet in the middle of the night while I was asleep. At the windows were vibrating and there was a loud droning noise similar to the sound of a big sub woofer speaker at a constant tone.

I then noticed I was being followed and there was cars parked outside the front of my house and that I was under constant surveillance. The stalkers would always use derogatory put downs and aggressive manner to try to intimidate me. I would not be free in my own Unit. It is a small unit and at the front close to the road. People would often walk past or stand out the front of the unit and have a discussion about how I was the biggest F&%\$head etc. I then started getting around the clock buzzing in my ears and pulsations. These symptoms would only be noticable while I was at home. I also noticed a swelling in my temples, body twitching, involuntary body movements while going to sleep.

The stalking continued whether I went to the shops, different suburbs, beach, church, absolutely anywhere. They would stand close to me and call me offensive names to try to provoke me into a fight.

My car started having continuous mechanical and electrical problems. Appliances and materials where continuously breaking down. My clothes had holes put in them. Even brand new clothing would have slice marks which looked like being cut by scissors etc. Food was stolen from fridge and freezer. House looked like someone had been in there but without taking anything valuable. Several times I awoke to see men I did not know standing around me in my bedroom.

I started getting bullied at every workplace I worked at until I quit.

This is still going on at the present time of 26/12/13.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

8/9/14

I have website www.voicestechology.com.

I have no background in Law, Technology, Biology or Psychology. I have a finance background, am 55 yrs old, and have lost time money and job. I have had voices in head for the past 5 years, and impaired spirits and motivation for 5 years prior to that, all with associated physical illness, and inform you it is the consequence of a developer testing their technology on me. It is likely that the sophistication of this attack required integrated components no single unit had possession of, and some of those would be voices, artificial intelligence, mind reading, satellite, understanding of objects and external reality, internet, internet search requiring a cooperative venture. This would enable each entity(different companies) to extract information feedback to advance their cause, and have contributed use of their equipment flippantly and without proper control to a larger project. Such a project would be more capable(and destructive) than its components and personnel. It is a case of cavalier indifference with criminality causing so much hardship, through lack of comprehensive understanding and compliance controls by protagonists, their organizations, authorities and victims. Any technology development shared with someone else should only be done so with complete knowledge of the recipient. Any information received should audibly be traceable to its source. Even under current inadequate controls a Satellite company must restrict and register access to it's signalling.

I am diagnosed as psychotic, when in truth I am at the mercy of high tech psychopaths, while I fully understand the probabilities and statistics. e.g. if there are 100 victims then that makes me 1 in 80 million, while between the ages of 44 and 54 far more people die. I have had hairs fall from my back and legs, long periods of blurred vision, rash, severe sleep apnea, low motivation and energy, high blood pressure, 6 months of continuous headache, swollen cheeks, and my current weight of 104kg exceeds my height and waistline measure. Legal authorities recommend medical treatment, and doctor's diagnosed psychosis, which is based on the assumption that such technology does not exist. All agree the voices are a fact, but I have mental illness to have them, and that would be more extreme if I persistently reiterated they were placed by somebody. The truth is the weakness we are facing in society today, which is authorities are behind developments already, and some developer's aggression in pursuing their interest, makes them terrorists, and this will escalate in the future as technology becomes deeper and more powerful. I have only access to elementary facts, but I have recently discovered such a technology would require Satellite signal emission and communication and Quantum Computing capability, a privilege in the hands of only a very select few. I have lived in ignorance, but with this problem for many years, and have received no official acknowledgement of it's possibility. I would prefer to live without the internet, cheap international phone calls and live sports coverage to get these past 10 years back and I have evidence that there are undisciplined rogues continuously using this network. This has interfered with my sleep, and has been with me in airplanes, and everywhere I have travelled including Cuba, Senegal, China, Lebanon, Jordan, Ethiopia and Iraqi Border with Kuwait. It would have been with me in Tehran except the visa was slow to come through. This is a crime against society, which creates advantage in the wrong circles, and is particularly significant given the vital nature of the extracted information and its breadth of application. There are state of the art technology developers, who with this capacity, would choose to ruthlessly advance their cause by testing unprecedented developments illegally on humans. They are fools to not comply with the law, and are cruel to the extreme, as they avoid publically declaring their apparatus. This says there are high tech experts who will descend to terrorism, when we consider society advanced and civilized. I wouldn't test this on a sheep, and am willing to work with any researcher, authority or corporation, meanwhile my suffering continues with the deep loss of self respect that is inevitably associated with it.

The technology field is evolving rapidly, merging with biology and society through areas such as robotics, quantum computing, big data, artificial intelligence and the NHS has the BRAIN project. It is a difficult to understand space to non experts, like myself, the media and public, and government authorities. While specifics are hard to remember(like our past thoughts), when I stood on the Bangkok train station last month, and had a voice response to my thoughts that the Bangkok Rail travels with greater frequency than Dubai, I recognize the power of Artificial Intelligence to know about our world simply by probing information in the public space. When I enjoyed the environment in the bar I went to, and noticed that I liked the other customers, I had a voice tell me it could recognize in my attitude what was appealing about it's format, and hence how the other like minded customers were attracted too. I am taunted by comments like "I think they don't care", "they're not fair" and "they thought it was fair" in reference to their secrecy and apparatus, and is despite it's acknowledged illegality and recklessness. Unlike humans, this doesn't get tired and connecting chatbots(see www.chatbots.org) to minds using Satellites is an exponential leap forward for enthusiastic and powerful developers. DWAVE a subsidiary of Google and NASA, has this year announced a quantum computer, quoted by the BBC to have been thought 50 years from the future, and this company's development of this device commenced in 1999, 4 years prior to the onset of my difficulties. Softbank announced a robot that can read facial expression(only Japanese which differs to Africans, Europeans and other Asians) and communicate. The turing test passed for the first time just recently. In early 2014, Goggle paid \$500m for Deep Mind, an artificial intelligence company created by founders Demis Hassabis, Shane Legg, and

Mustafa Suleyman which employs half the world's top artificial intelligence specialists in its 75 people. This was Google's motive, but their announced ethics committee on avoiding its misuse can't be found. Shane's prophecies will come true if the desires of technology developers to enhance exceeds their responsibilities to society.

http://www.huffingtonpost.com/2014/01/29/google-ai_n_4683343.html

The recent outrage about Facebook manipulating readers to psychologically evaluate their reaction to good/bad news highlighted but overlooked another important point, that these technology developers become custodians and benefactors of group behaviour. Facebook has massively expanded its advertising in just 2 years, to the detriment of established and conventional media competitors. Each user becomes a contributor to a database of personality traits, which the technology companies have the knowledge of, with the power to use the information as they select.

Technology developers must research ethically, and enforce compliance throughout their organizations, subsidiaries and industry. This should include authorities being aware of the goals and progress in the field, and they will see there is a growing concentration of knowledge and power, in a few self regulated hands. The legal system has a history of eliminating extreme rogue institutional behaviour, to ensure reliable delivery for social benefit. Institutions have a duty to ensure that no criminal activity exists with those whom they acquire, engage in alliance/joint ventures, provide equipment to or acquire information from. What monitoring is there that new applications don't have criminally conducted research as its basis, even if it appears unconnected. At this early stage there are few who could do this, and it would require substantial investment. Therefore those who are closest to these advances e.g. IOAA or other authorities, should either rule this out, or tell me where I find an open door to appraise this situation in an informed way. With that small effort I will accept an outcome which can be taken no further, however authorities must acknowledge that we live in an era where technology and biology are connecting and advancing more than ever, and that if they are not up to date, controlling the leading advances, then unethical, undisciplined or terrorist research and behaviour will threaten individuals and the community in unprecedented and unimaginable ways. Will you inform me, of where I can go underground to be sheltered from such a Satellite signal, what rule states that Satellite users are forbidden to engage in this activity now or in the future, and what proactive steps are taken to prevent its occurrence, who can verify I am receiving/sending such a signal and what is the nature of its frequency/wavelength since your Satellites operate in my sky, what special compliance programs exist in Satellite user organizations. Can they provide assurances that this lengthy exposure doesn't result in risk of brain tumours or other illness, aside from the psychological torture this has been. Are Satellite users warned that they have a higher duty of care, and must comply with all government e.g. FDA. Their current non response in this matter would be an endorsement that such a device in control of authorities should be used to establish the veracity of what its developers say, since it can read their minds when released. It is a sad fact that terrorists use Satellite apparatus, with state of the art developments, while I never issued a licence to anyone for this to happen. The Barclays CEO was recklessly quoted as saying they didn't have the evidence of the Libor scandal which severely impaired them, but the truth is more accurately that their lack of controls meant they didn't know they had the evidence and it was lack of controls that allowed the crime to occur in the first place. Does DWAVE have this capability, what did their acquired company DeepMind do? A corporation, billionaire or wholesale investor who recklessly deals with criminals, must be held to a higher standard than the man in the street. Can you assure me that this program (and mind reading is a key component) wasn't integrated with Satellite technology

It is the duty of experts to clarify the state of the art in technology development, and for authorities to be alert to terrorism, testing and community risk. There have traditionally been conspiracy theories which were correctly dismissed, but technology has advanced a long way this period, and I have no access to expertise for advice. They should be approachable to explicitly rule this out, or investigate it, but in the absence of both, they are without any control of a future where technologists will be the centre of public information, innovation and self regulated ethics.

At some future time if the industry or government becomes aware of the existence of such a machine, then it's personnel, should be thoroughly investigated as to how their devices evolved. If authorities currently have no expert awareness of such a possibility, then they must be prepared to investigate thoroughly, difficult to understand innovations when announced, from developers who have delayed announcing their progress as they've researched. A lag between achievement and informing outsiders of it, indicates a period of protracted testing and enhancement, recognizing such a device has a very broad array of application and influence and that it's results may appear in a fragmented form. The power of this knowledge and its implementation requires utmost ethics and discipline, in this area there is scope for unprecedented potholes on the road forward, and they'll be much bigger if no preemptive measures are introduced. I am confident of this being externally sourced, so consider I have insight into state of the art technology, as well as flaws in the controls of highest levels of equipment. I have a record of times which corresponded, to some key moments that its intensity incrementally subsided, like 12.40pm Bangkok Time 20 Aug 2014. I read Google, Facebook and Microsoft are alerting authorities to pedophiles and child pornography. These developments are welcome, however progress also creates new criminals, so I am concerned that I continue to suffer, these researchers are never confronted for this terrorism, and that this systemic weakness will manifest as something worse and more extreme in the future.

10/9/14

Thanks for your help, my circumstances have actually improved much, over the past 3-4 months, and I am hoping it will go soon. I seem to be losing weight over the past 10 days, I thought eventually the people behind this would have pressures from others around them, but it's been an eternity. This has happened in increments and I have noted many of the specific times. I am Australian, from Melbourne, will be back at the end of the week and if you like we could meet sometime. I feel very sad when I hear these stories from others. It started for me in 2003 when I worked in HK, has been intense and extreme for every moment since, I never anticipated enduring anything like this. I've kept my sanity, although extremely weary, and have a much revised opinion of the beauty of humanity, as I had wrongly always believed people with high technical capability would show compassion by acting with responsibility. This is simply untrue, this is where they function in the worst depths, and the world is totally unprepared for it. Authorities have talked about technological terrorism, but the reality is they are ignoring anything with no precedent. There is no use in that, when technology is developing beyond their comprehension! I recommend you see on my website the video with Steve Omohundro where he talks about relentlessness of artificial intelligence, my submission to FTC(who patent everything in the US). It's boring, but there is no humour in any of this, and it has told me people have committed suicide. I'm not surprised, it is intrusive and inescapable to the extreme, are you aware of these cases? I would like to do a RF test for the signal, like ICAACT demonstrate. Do you know how I can, even if I have to travel? Have you? Researchers like this should help establish the reality of this, and update authorities of possibilities.

I hope you are ok.

Hello my name is Rebekah Joy Bloomfield born 24.12.1991 Australia.
Since approx 2011 i have been surveillanced, harrassed and tortured by D.E.W.
At first it was constant surveillence and various encounters with randoms who would make rude comments, death stare me like they were serial killers or mension something i have said or done in private...i thought it would all die off eventually but it only got worse.
In 2012 i got poisoned multiple times eating out and then my food at home, also medication too. I moved around Australia to try get away but no matter where i went it continued. Dead animals would show up on my door step or placed near my residence. Break n enter to tamper with my belongings. Phone bugging. Electrical interferences. Sexual assult occured by drugging of ghb on the gold coast...i believe this is when i first was inserted with a micro chip which i have an us of my pelvic region stating an echogenic focus of 2mm x 1mm of 'uncertain significance'. Then came the d.e.w which caused rashes, headaches, achs n joint pain, pin pricks, mental confusion, hair loss, diareah, kidney pain, circulation problem, burning, dehydration, etc. Also in western subberbs i was almost kidnapped by a taxi driver and a blue subaru full of men but escaped only just by a fine line. Heavy metal poisoning (arsenic)
2013 it all persisted. I fell pregnant and birthed my beautiful angel babygirl at Nambour hospital on Sunshine coast. After giving birth my midwife ripped my right ovary out of me (which hurt more than givin birth) i had excessive bleeding and clots and have not yet been able to locate my right ovary on us n extray scans...
2014- d.e.w attacks persist with electrical volts which feel like ur gonna have a heart attack. Drugging plus Sexual assult on myself and my daughter..took my lil Lilah to Cairns hospital to make a report and now department of child safety taken my babygirl, my world away from me and trying to evaluate me as mentally unstable. My daughters medical records can not be found under my medicare card number even though she is listed on it??? And my mother and baby medical report from birth at Nambour hospital state separation and transfere but is left blank- there should be no mention for separation or transfere as i did not die during birth and nor did my daughter. I believe i also have a 2nd micro chip in my right toe as it always hurts, has become bigger and inflamed and has an insertion mark. I also believe this micro chip releases small amounts of cyanide or some poison as every couple days my lymphatic glands swell n i become sick n lathargic...i use sodium thiopholate n mega b12 vitamins to help neutralise the poisoning...i have recently been hinted that i have a hit out on me n 'dont have much time left'...This whole experience is phsycological, emotional and physical torture...however i have become to know our Almighty Lord Jesus Christ who has preserved me for His will to be carried out ultimately to save souls and fight this Spiritual warfare wearing the armor of God who can be against us...Amen

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

17/2/12

Hi, good day. My name is AL CABONCE from Philippines. I found your email address in the website "The Truth of Hearing Voices" and i also check your main website "Mind Justice" i am sending you an email hoping that anyone can help me. I am experiencing a weird situation regarding about hearing voices. To understand when and where it start i will tell you a short story of my life.

When i was in college i was hooked to drugs. It became more rampant when i live with my aunt's house and accidentally her neighbor was a drug pusher. At that time drugs for me was a daily routine. Usually my friends used to call me when they need drugs, because it is more accessible for me to get the goods. Until time comes when i was in my friends apartment having a drug session i heard from outside that someone is blaming me about drugs came and out in the apartment because of me. I was afraid at that time because in the other apartment lives a retired police officer. So i leave smoothly and pretend nothing happen. But i thought that was the end. When i was in my aunt's house i told my neighbor who is a drug pusher about what happen in my friends apartment. Suddenly a police officer was introduce by my neighbor, he said he's a friend. So we talk about what happen, and police officer said no need to worry about, he will take good care of everything. So i was in the house still high, afraid and paranoid. And i hear my neighbor talking to his companion about me. He said i was completely screwed up. And they started on scaring me, at that time i am completely paranoid. So i decided to tell my aunt, i told her i am a drug user. When he saw me shivering from fear, she decided to take me to the hospital. After few days i decided to go home in my home town. But when i was already in my home town i was experiencing hearing voices. Well for me it is very annoying because when i think of something the voices always reacted and contradict of what i am thinking. I cant sleep, i remember at that time i have no sleep for 2 days. Just keep on thinking why i hear these voices and how come they can read my thoughts. They can read my mind and they always criticized my thoughts so very annoying. I am embarrassed of myself imagine whatever i think i hear voices criticizing of it. Now i was in the stage of depression, no sleep, cant eat, even drinking water voices criticized it. In searching for an answer, i discover how to read body language. It even get worse when not only hearing voices annoyed me, I found out that people surround me are also affected. They are showing some body language when i am talking to the voices i heard mentally. It is very obvious that people surround me want to communicate with me but they cant afford to confront me. It was a very depressing moment of my life, there was a time i decided to end my life. When i talk to my parent's they decided to put me in a rehabilitation center. There i was force to forget everything because of the program inside the rehab are more on mental awareness. So my mind was busy on the program. Inside the rehab, each patient is summon by the psychiatrist for evaluation period. I tell her about my experience on hearing voices. Psychiatrist said that it is because of the withdrawal period. Years past by after i was released in the rehabilitation center, i hear the voices again, as usual very annoying, then after few months it disappear. So i forget all things again and decided to move on. I even had a chance to take a board exam for my profession i don't know if it is luck, i pass the exam as a seafarer. After the exam i was employed in a certain agency as ordinary seaman on board a tanker vessel in Venezuela bound for Curacao. But that luck was ended after two month's because i hear voices again on board. I can not perform my duties on board because of those voices i heard so i decided to leave and go home with my captain's permission. My struggle with these kind of situation is very hard because i don not know what to do. It even get worse when i am now very sensitive to my surroundings, people talking, TV, Radio, all these can now easily manipulate my way of thinking. I am now 31 years old but still these problem exist just like before ten years ago. I am now married with one daughter still living at my mother. As of now voices randomly appear but with low frequency, my problem at the moment is my way of thinking, it can be easily manipulated in my surroundings such as people talking, yelling, TV, Radio. Based of my observation way back before until now, those voices i heard before because of my vivid searching why and how come it already make triggers in my thoughts and that triggers often flashing back now even just i heard yelling, people talking, TV, Radio. I am very anxious and tired because it create another polluted thoughts. First i was convinced myself that i am suffering an illness, but believe me i am rational and not yet lost contact in reality. That is why i am happy i found the website "The Truth About Hearing Voices" and "Mind Justice" hoping that maybe you can help me and advise me what to do. Thanks in advance God Bless Us All.

Dear MCmailteam,

Hello.

I am a Chinese student, currently in the Faculty of Engineering, Saitama University in Japan studying Mechanical Engineering. My Name: Yining Cai, Gender: Male, Age: 25 years old Nationality: Chinese, contact :0081-08034139568, e-mail: cyn2383375@gmail.com.

Today I would like to react to MCmailteam some privileged people who use high-tech means of specific targets to combat persecution facts as follows:

I met a female friend in 2011 (during Japan Saitama school) on the Chinese Internet chat software QQ (Yuze Qi, qq number :839306375, Dalian, Liaoning, Jilin University 07 th Korean professional, outside Seoul Datong pass master translation graduation), after 2012 a quarrel with her boyfriend (Zengxiang Xin, qq number :435136935, Changchun, Jilin, Changchun Guanghua School graduate, work units unknown) is implementation of retaliation. I had been threatened by the woman, "You did not dare touch those people,"

Her boyfriend is estimated to Chinese government officials relatives, at first my home PC and mobile phones was invaded, has been the whole point of time off the net or forced shutdown malicious individuals are long-term satellite lock. Monitoring, listening, the thinking reading seriously violated of personal privacy, after being

found to cause me angry diatribe, in 2013 after the Chinese New Year (around February 18, 2013) actually using directed energy weapons equipped with satellite beam energy mode of attack of the human body. Cause scalp tingling body under normal conditions (direction-ray sources from the sky), skin burning sensation, tingling intense pain, unrecoverable eye inflammation, tinnitus, forced ejaculation, forced defecation, tissue charring the skin surface irradiated sites appear black spots and other consequences. Attack was in the whole time, mostly when the whole entire subdivision or the slightest, there are obvious signs of military personnel involved. After the attacks I had to move underground street refuge in Japan, due to the strong penetration of microwave and satellite radar control system itself has captured the human target and lock, precision aiming tracking, never get rid of the victim. In 2013 I had twice returned to China's Fujian Province, on airplane flight, after returning home, continued to be attack by directed energy weapons. I did go to a mental hospital identification, appraisal report shows sane.

After the victim locations throughout Japan to China, described as where I go with, access to relevant information, I came to realize microwave directed energy weapons should be the Chinese national intelligence agencies "space-based" satellite equipped to launch attacks. This weapon can be gathered a large number of electromagnetic pulse oriented within a small solid angle transmission in a short time, precision strike target body parts in a building within a few thousand kilometers away, causing intense pain and a strong killing effect. It can be said that this incident related to national resources has become a high-tech tool for some people for personal retaliation. Some people have a certain social background or special powers, the use of the power of collusion of some power in the secret agency and Privileges sector, manufacturing corruption. This corruption is enough to make China the ruling party and the government's credibility damaged.

After June 2013, part of the body was gradually concentrated to the heart attack, a total of more than a year's experience of victimization, causing great damage to the body and damage. I visited the victims of Japan's high-tech association of criminal NPO in July 2014, proved to be the victims of directed energy weapons. The woman suspect in July 2014 uploaded a photo on the network, and wrote, "Those people who can easily change how our lives go, so good with people, have to forgive and forget, Happy alive" Vaguely mentioned this incident. Due to electromagnetic invisible colorless, general instrument can not measure high-frequency microwave, requires highly specialized equipment with the evidence, I was raised alarm in Japan and China to the local police, the police grassroots public awareness of the relevant technical deficiencies and was not treated. Multilateral assistance, has not been resolved, but intensified, the heart of the irradiation of repeatedly hit.

Since April 2014 unilaterally increase the degree of persecution for no reason, for the heart of a electric shock of up to two dozen a day, up to six dozen, physical discomfort is getting stronger (microwaves are absorbed by the body of water molecules, into heat, coupled with ionizing radiation), I have gradually endanger life, indeed invisible killer. This criminal case involved complex background, means the use of high technology content, subtle and strong, long past the victim is likely to cause major organ organic disease, even "sudden cardiac death". Given these concealed weapons technology with high technical ability and stage their use has generally difficult to know the characteristics and verification, thus, master and controller technology concealed weapons have the technical capacity at higher risk and lower risk of being verified society and ordinary citizens against misuse of these weapons to obtain benefits and the great danger of civil rights violations.

I still remember that when I go back to the local Chinese NSA consultation with the staff replied: "It was hard to imagine the use of national resources can only deal with an ordinary person." When the incident just happened, everyone would feel incredible. But in Japan, China, a time of victimization experienced a constant reminder of my cruel reality. I report to the Chinese judicial authorities in September of this year and no avail, but again eyeing by the monitored group, increasing the degree of persecution.

This is China's corrupt devastated normal rights of citizens, and they have, in fact, constitute a crime against humanity. Chinese national intelligence agencies investigating satellite irradiation on Japanese territory with electromagnetic waves also constitutes a crime of aggression. At present, two main suspects living in Korea. The people of the world calls for legal fairness and justice, justice and conscience call for the international community. I want to accuse two main suspects — Zengxiang Xin, Yuze Qi and the Chinese intelligence agencies for me personally illegal persecution and murder.

I hope to share my story, and MCMailteam can attach importance to this matter. Above are reflected in the fact that, if framed behavior, I would like to bear all legal responsibilities.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE

VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

(More detailed Chinese version available upon request)

I am a Victim of Electronic Harassment/ Mind Control/ Directed Energy Weapons/ Organized Stalking and Torture.

I live in China. My nationality is Chinese. I realized I was attacked on Nov 2005 when I was a Senior High School student in Wenling Town, Taizhou City, Zhejiang, China.

I studied Senior High School in Taizhou, Zhejiang during 2004-2007, I was shy and quiet, I did not live very closely with other people. I started to "feel" that I was being watched since Nov 2005, and I "heard" some classmates talking about me behind me, laughing at me. They talked about what I have done, what I have said, what I have thought, and they also talked about something from many years ago. And they laughed at me. Of course no one talked to me in front of me, but I "felt" that everyone were talking about me behind me. I felt very sad. But when I asked my classmates, they all denied it.

I "heard" once that one classmate said the machine was from XXX, someone asked XXX to fix such a machine to keep watching me. And later I "heard" that the machine was taken away by the school master.

I "heard" more voices in the coming years. They were talking about: "How I could become an emperor, How I could study in Qinghua University, How I could have sex with my female classmate, How could I become a person who could disrupt the world. Those "voices" were full of humiliation, intimidation, shock, deception, and playing with me. They tortured me very cruelly and made me have great doubts and the fear of everything. I "felt" that all my teachers and students were playing with me.

The torturers said - Only when I became the most pitiful one, then became a killer, and had sex with many people including my mother, and only when I became a terrible terrorist, then I can be a president. The torturers also tried hard to control my behaviour. They wished that I could not control myself, then I would do such things. Some "Voices" sounded like my female classmate, they said they wanted to have sex with me. In the last semester, I could not suffer any more, I did not continue my study and went back home. I used to think they were using a camera.

But those fascists did not stop torturing me - they became more cruel and tortured me 24 hours a day, 7 days a week. Their "voices" sounded like my relatives, my classmates, my neighbors, and people who passed by me. They talked directly to my "brain". They talked about everything that I had thought. I was scared and overwhelmed! The Torturers also made me suffer terrible pain and diseases - my head pain, my heart pain, my leg, foot pain, they made me "have dreams" at night. They made me have panics, depressed emotions and many other diseases.

At first I tried to search for information on the internet, and I also wrote a lot of letters to many people. But it wasn't until this October 2007, when I found the mind control group, and met some other victims on the Internet, that I started to understand such weapons.

Now I am joining THE WORLDWIDE CAMPAIGN TO STOP THE (SECRET) ABUSE OF MIND CONTROL WEAPONS/ DIRECTED ENERGY WEAPONS/MANIPULATION WEAPONS ON CIVILIANS, and to fight for our Human Rights.

They drilling technology persecution they take advantage of the loopholes left to the potential residual instinct no justice for us to malicious attacks, disturb, profanity, torture..... shows the ugly forms 100 health, living a distorted human psychology, moral turpitude We suffer, they seem insignificant, despicable, as the spurned by the people of the world. DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of United States Government-related Agencies and the complicity, if not participation, of many other governments and security agencies.

I am a victim of torture and abuse using DIRECTED ENERGY and NEUROLOGICAL WEAPONS technology.

The criminal use of these on me are causing the following effects -

1. Microwave hearing. Yes.
 2. Transmission of specific commands into the subconscious. Yes.
 3. Visual disturbances, visual hallucinations. Yes.
- The fascist artists created moving pictures and showed criminal contents of their organizations. These moving

pictures can move through the air and go to anywhere.

[For example, the plane will be crashed, before a day(or two days, or three days, or a week),they drew a plane in their moving pictures, sometimes, I heard a Chinese said: "will make a plane crash again", after the plane crashed, they wrote "We made XXXX plane crashed ."and sent this huge slogan to the air.]

4. Inject words, numbers into brain via electromagnetic radiation waves into brain? or into eyes? Yes!

5.Manipulation of emotions. Yes.

6.Reading thoughts remotely. Yes.

7.Causing pain to any nerve of the body. No, any pain to my body.

8.Remote manipulation of human behavior from space. Yes!

9. Harassment, stress symptoms such as helicopters flying overhead. Yes, have harassment, stress symptoms, I feel so a stone on my body

10.Seeing, as in a camera, through your eyes, i.e. to see what you see exactly.

They can make image show me. They filmed a real person and projected into my living space. We can't find the person are film. The hallucinatory image person can speak, can move, like the person real body, the hallucinatory image person has touch, I can feel the person's touch.

11.Control of sleep patterns? They can control my body, and made some dream into my head.

12.Computer-brain interface, control and communication. Yes-see my attachment. They controlled my Computer-brain so slow, and sometimes they stop it.

13.Complex control of the brain such as retrieving memories, implanting personalities. Yes.

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse.

Your attention is urgently needed to halt these atrocities, protect me, and bring these extremist elements to justice.

These secret electronic weapons criminals are world fascists, maybe these fascists live in your place. My father was murdered by fascists' electronic weapons in 2000, after then the fascists have used electronic weapons and have remotely controlled my mind and harmed my body until now, I want report them again, I support all electronic weapons' victims, we will send these secret electronic weapons criminals to hell.

This is an emergency.

24/3/08

sorry, I couldn't use my yahoo mail box for several days. The fascist criminals were controlling my computer by their electronic weapons remotely.

You can ask US government, are they using the electronic weapons on American citizen? My ### is an American citizen, he lives in San Jose, California. His several cars have crashed by American fascists' electronic weapons. These fascist madmen came to China, and controlling my mind and harming my body with some Chinese criminals and other countries' fascists. So I know they are not from US government, they are the members of World Fascist Electronic Weapon Criminal Organizations! US government can kill its citizen by electronic weapons in secret? US government can cause its citizen car crash? US government can caused its some military crafts crashed? Can't!

You may a big boy, so I know you still like Disneyland.

12/4/08

If these are "Jewish prison camps", the secret criminals are Nazi-fascist members, not from U.S. government. One Chinese victim was student studied in Germany, he came back China, he said he was tracked and tortured by German New Nazi in Germany, and these German Nazi criminals still tracking and persecuting him by electronic weapons in China.

18/6/08

The best shielding/protection should be our DOD. No, Dept. of defense won't touch nonpolitical cases, it is not their territory of work. I want to sober some victims up, I think we should concentrate our manpower and efforts to let government know the truth and interfere in secret electronic weapon crime affairs as fast as possible.

Donald has been engaging in a lawsuit for over 8 years. Last year, I started to contact with other victims, then I heard an American got a shielding/protection equipment from Europe. I want ask him, what effect is about this shielding/protection?

To communicate with government, don't swear everyday.

Search the fact evidences, force the enforcement dept. to accept our cases.

Face the guilty truth boldly instead of trying to dodge it.

I tell other victims a truth, small protective equipment against electronic weapons is null. Causing a cancer only spend about 10 minutes, the cancer appear only need half year. But the fascist criminals are very craft, they do not direct cause we victims the cancers, often cause other people's cancers, these secret targets that plotted to murder are uninitiated, may be your a connection, or a friend, or some neighbors, may be a socialite, or some talent.

I am sorry, I took offence at slow process of the events. But we are friends, my words are sincere.

Shine Chang

The world fascists have advanced hallucination weapons with phantom, sensor transduction touch, acousma effects.

Holograms

Prophet: The projection of the image of an ancient god over an enemy capital whose public communications have been seized and used against it in a massive psychological operation.

Soldier Forces: The projection of soldier images that make an opponent think more allied forces exist than actually do, make an opponent believe that allied forces are located in a region where none actually exist, and/or provide false targets for his weapons to fire upon.

Death: Hologram used to scare a target individual to death. Example: a drug lord with a weak heart sees the ghost of his dead rival appearing at his bedside and dies of fright.

I tell you two circs, how the fascist criminals use the hologram projecting weapons committing the crimes.

1, Change some parts of the vision or change all of the vision, they can change the word, figure, color, image on computer and remotely project this hologram to the real person or real thing, this hologram projecting has covered the real word, figure, color, image, deceive the target think it is another person, another thing or another scene.

Sometime they take the the someone's or something's image, remotely project to scene to impersonate someone or something to deceive the target. Sometime they use colorless hologram projecting to hide the person or thing. No one can distinguish these visions' true and false.

2, Change the person's expression and forge the says, and project onto this person's appearance, control the target's mind and drive the dialog, let the target get a false experience. Sometime they project someone's hologram image, forge this person's expression, control someone's mind and drive someone talk with this hologram "person". I was controlled and driven to talk with the hologram "person" some times, the fascist criminals changed the voice, dialog between my friends and me many times.

My friends,

Sorry, this message is late.

Yesterday I using the Yahoo mail page was difficult. I like this Christmas ecard than others, so I still send it.

This morning, an American fascist member using the information weapon send to my mind, they came to Shanghai and tracked me in 80s, Was he stopped my message yesterday.

He told me, he is an electronic weapon killer, his wife and children are all in Shanghai now, he said, he wished to celebrate the last Chris-mas of two enemies, but he couldn't.

They reply me may allow me report to US defense.

His information is "Lover is hurt her and kill himself."
But I want say, "Enemy is kill her father and her friend, shamelessly live."
I want say, "Shine will overmatch the darkness, will overmatch any enemy."

My friends, we must get free, the fascist evil will be destroyed, new life will come to us.
Wish the new year!

Thanks for your message.
You give us a lot of new nazi-fascist criminal information.

.. look at the US PSYCHIATRIC ILLNESS HANDBOOK!! -

Mind control weapon only can cause the psychiatric illness symptoms and actions, generally it doesn't change the target brain's physiological status, functional status, mind control weapon can't cause the brain and nerves system dysfunction, so the target has not real mental disease. The target only has the driven abnormal action...

So almost of the mind control victims don't need go to hospitals, don't need accept the the mental ill treatments.
After the fascist criminals give up their mind control persecution, the target's condition will recover.

But doesn't rule out tiny minority of the victims have been changed the brain's physiological status.

I suggest the victims give up read more psychiatric books. You should believe you are still healthy, only forced and driven by the fascist criminals' mind control weapon.

“The ‘Retrieval’ was all about trying to make a supposed Jewish genotype...”

Don't believe these fascist criminals, their education backgrounds are very lowly, they often steal some excellent intellectuals', scientists' and experts' professional knowledge with mind check weapons from their brains, steal the experts' academic achievements form their research papers through the watch through the wall weapons. But you will know those almost are the counterfeit scientists of low level intellects, they never are the related electronic technologies' researchers and high tech weapons' developers, electronic military weapon experts or military scientists, so if you ask them give you the supposed Jewish genotype, I believe it is always erring or impossible, you will find it's unable to achieve their vain theory and so-called theoretical model.

2002, the world fascist criminals drove me to west Shanghai city book store read WW II books 2-3 times, through the interpreters, the foreign fascist members from different countries, let Shanghai fascist criminals tell me any fascist information. One day, I found the bad trackers became friendly, then everyday they put dirty holographic pussy into my pants, insulting me, that day, they made a beautiful military cap image onto my head, called me was a captive, I was driven to that book store, German new Nazis asked me to read Hitler and Goering, Goebbels, Rommel in WW II, they told me this image maker's old head ever belonged to Rommel's forces, Rommel battled in Africa. They fingered out another book, an US scientist spoke on an academic conference, suddenly happened blackout, this scientist said was God did it. They fascist trackers told was them tracked this scientist, and using electronic weapon made this blackout, I thought this scientist didn't know the evil criminals just the God in his wrong, if would have chance, I would expose this secret. I have experiences on this electronic weapon causing blackout. In 1991 and 1992, they tested about 4-5 times blackout in my home. Should make an investigation, if other victims have the electronic weapon blackout experiences in their life. Maybe it will be easy to testify a secret terrorist crime.

What is new Rommel? New world fascist secret terrorist organizations committed secret beam weapon terrorist incidents, from 2001 to 2009 (fascist EW) how many air planes have been crashed in their electronic weapons? They told about...

Don't believe they are scientists, don't believe they are CIA!

Are you aware that the news you are watching is interlaced with Communist China's propaganda,as

Communist China maps a realm of news with innocent lives?

Communist China is scheming a millennial terrorist activity by manipulating people's behaviors through electromagnetic waves to contain criticism and harm innocent human lives.

1. The anomaly in community traffic of cars and motorcycles and drag racing,and reckless honking by cars and motorcycles is exceeding an unprecedented level.
2. Communist China has the technology to scan the human brain waves through military satellite and to discern and decipher their thoughts,scheming to instill individual interference focusing on each individual in need using the satellite electromagnetic waves.
3. Deploying electromagnetic waves is poised to project onto the human brain with certain sounds for the perception of grossly traumatizing or startling pain,or deploying the broadcast of noise via electromagnetic waves in sleeping humans with edited clips of films or through voice or image signals onto our brains or besiege our sensory functions with fabricated audible and sensory illusions.
4. It manipulates one's moods,such as smiling,nervousness,disgust,panic,anger,sorrow, desires,appetite,and so forth.
5. It interferes the human brain's thinking capability,memory or linguistic capability,to name a few,causing spasms of muscles and fingers in the left and right hands,stinging aches throughout the body,coughing,yawning,trembling,involuntary blinking of the eye,runny nose and so forth.
6. Electromagnetic waves are deployed to hinder the motoring functions of the body and neck, disrupt the heartbeat or respiration,manipulate dizziness,deprive one's sleep,spasm,saliva gland,dental neural pain,etc.
7. Watch out that Communist China is infiltrating the news media by deploying electromagnetic waves to besiege the broadcast media,map out viral disillusion or erroneous perception,and investigate threats of brainwashing in viral spreading.
8. It further moved to deploy various symptoms in what one sees of media icons,gesture terms, adding a skewed interpretation to one's cognitive awareness,misleading an individual to hallucinate or suffer,such as the North Korean's rigid smile,which is a tactic Communist China often deploys to counter the people.
9. By observing the resolution accuracy of Communist China's sound and image (scenario) interference projected onto the human's brain,this can only be achieved with a certain level of frequencies at the source of interference,hence there is no doubt that it has to be the electromagnetic wave. Yet questions remain as to what range of frequencies the source of interference deploys,or what kind of electromagnetic waves insulation chamber would suffice to provide an insulation yield? Communist China might deploy specific metal alloys as small scale molecular antennas, which are attached to the human brain in large number,creating electromagnetic waves when the human brain is in function,where the current created by Communist China's electromagnetic interference would poise to amplify in a staggering number of multiplication,which Communist China can detect at all times to discern and muscles would excel the generation of electrode,which in turn create a corresponding electromagnetic wave

within.

10. Some of Communist China's intimidation experiences in 2002:6.9 "Hey,are you tired of living?"

6.14 "We had concocted the bombing incident at the U.S. embassy in Pakistan"

"Jiang Zheming ordered us to kill you, but without creating scenes "6.16 "The Pakistani civilian troops confessed that they had schemed the bombing of the U.S. embassy in Pakistan, which we had manipulated them to confess,so what are you going to do about it?"

6.19 "Hey, why don't you just go ahead and commit suicide""We are going to scheme murder using the public

bus"6.20 "Commit suicide by burning charcoal,get it?"6.25 "Jiang Zheming just does not like you,go hit your head against the wall".

11. I reckon that there are victims abound out in the street,no less alarming than wars,and those not in the know or did not understand that Communist China's simple electromagnetic design could easily turn people against each other, create moving incidents,little lese to say mislead the youth to broach down the wrong path,suicidal prompting,design and fabrication of a host of society news (which Communication China refers to as movie making),as Communist China has had a decade long of the technology,and has long abused its technological advantages to scheme up design of abusing human lives by arranging fabricated news to poison and infiltrate the free world,manipulate and misguide the contents of the media,and deploy brainwashing and malicious spread of viruses,done with insinuation and riddles. The fact that Communist China's slaughtering the innocent had been the result of a high level of calculation, and a high level of rationalization, where the threats are in existence,and cannot be ignored of their detrimental severity.

12. Communist China often coerce people to watch news compiled by the reporter Lu Yuling of the cable news in order for them to be saved,but few are aware that Communist China had merely deploy the reporter to entrap many people. I do envision that those that turn to committing crime as framed by Communist China, the extra sufferings by the ordinary people,and the deaths of many innocent lives will not go unnoticed as hindered by a condoning attitude.

13. Nazi Hu Jintao, Jiang Zemin, Chinese Liberation Army, security police and armed police have committed suppression and massacre on their own civilians. Hu, Jiang and the other atrocious butchers owe these innocent civilians! More horrible and serious is that they are using mysterious killing technologies to cause harms to human brains around the world, making advantage of numerous international politicians and journalists to help them commit atrocities and beautify their actions, aiming to overturn and suppress those innocent people and cover up their terrorist acts and win fame by cheating the world. Securing in the knowledge that they have strong backing, these arrogant and shameless butchers have committed tortures and mass killing cruelly to those innocent ones around the world. Unfortunately, neither these politicians and nor journalists knowing what is what would dare to express their conscience.

14. The inhumane acts and atrocities committed by Nazi China are far more vicious than that of Nanjing massacre in China during WWII committed by Japanese army, as Chinese government is using mysterious technologies to commit massacres to masses of bare-handed civilians around the world as well as launch violence and terrorist activities to suppress these completely unarmed people's freedom of speech. These demons, like Hu, Jinag and Chinese Liberation Army, despise the chastity, dignity and precious life of those innocent ones and suppress the emotions of their beloved. Meanwhile, relying on the condition that most of people in the world will not be able to witness their vicious acts of violence and behaviors they have committed unscrupulously and shamelessly, these Chinese Liberation Army enjoys using cruel ways to torture, massacre and trample on these innocent people, physically and mentally, in one free world. The arrogant Hu, Jiang and those jackals nurtured under such ferocious power treat themselves as the symbol of benevolence and hero, as they fail to learn their gutless and vicious acts to trample on those innocent people. If these demons, butchers and dregs of human, such as Hu, Jiang and Chinese Liberation Army who have become frenzied and conscienceless appeared in the site of Nanjing massacre in WWII, they definitely would be the leading roles to act atrocities!

15. We don't want to see masses of innocent people to fall victim to the hell on earth built by red China where they will be susceptible to tortures and massacres for thousands of years.

16. Despite being even unable to fend for themselves in face of the high-tech detriments and attacks from China, we can not tolerate the fact that these politicians and journalists will become the accomplices to help China commit its terrorist acts and suppression on these innocent people in the current era or an unknown future.

17. In view of the notorious, vicious and sinister Hu, Jiang, Chinese Liberation Army with blood-stained hands, we just cast doubt over whether these greats of knowing what is what who have negotiated with these demons will show their conscience to save these innocent civilians or will act just for the sake of their profits, or are under the control of China. In this current drowned world, how will these innocent lives be treated in face of the atrocious acts committed by these diabolical figures, or when these innocent people will witness the practice of democracy in China? Will these phenomena turn out to be the joint efforts and endeavors achieved by China and those powerful figures in the world? Are we really dedicated to overturning such adversity? Our goal is to eliminate the vicious

power one day with our strenuous efforts, and we absolutely will achieve it!

My name is ZuYing.Chen (chenzuying), I am a Belgian-Chinese. About the day of March 2010, I knew that I become a mind-control victim by the government organised criminal gangs. This extremely against-humanity and borderless form of crime will bring the unimaginable lifelong harm to each of victims and their family, so the victims should unite as one to be against the mind-control without borders. I will sue the government of belgium to court, for the to being injured victims, and for also innocent people no longer become the victims, I request earnestly all the victims stand out, to this extremely evil crime that trampled human dignity say "dont"!

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

My Story as a Victim of DEW and MC

(DEW—directed energy weapon MC—mind control, Also known as electronic harassment and stalking, Or

I am a permanent resident in Canada. On my first day in Canada in September 2005, when I was looking for an apartment in Toronto, I experienced internet cut-off. From 2005 to mid 2006, I experienced frequent computer, internet and telephone control. Somebody could control my computer without internet connection and it was not virus. My email passwords were changed several times by somebody and I had to apply for new email accounts. Also my emails of job application were tampered with by somebody and created many mistakes in the resume. My telephone was abnormal for international calling. Any fax to China needed to be sent twice.(Right now I can only receive fax. Sending fax out would cause connection problem.) The balance of my long distance calling cards could become zero in short term. My digital camera did not work properly from time to time. I had no full control over my DVD player. Somebody else could control it remotely and his control override my control. My wife's new credit card was stolen from my mailbox and was activated by somebody else. From early 2007, my car experienced frequent repairing. Several times my car stopped working and after a period of time it worked again without repairing. Experienced mechanics could not find out the cause of the problem. I had to change my car. The second car had weird problems too although it had never stopped working. In the same period I had no full control of my satellite TV. Somebody else could control it remotely. The power of my batteries could be depleted without using. Light bulbs in my apartment were frequently damaged. I experienced extreme sleepiness without proper reason sometimes, even after a long and nice sleeping. Normally I was very healthy both mentally and physically. From late 2006, when my second daughter was just born, I found something strange and regular. My baby started to cry around 11 o'clock every nights. Many nights when I slept early, I woke up all of a sudden, then my heart beat fast and I breathed heavily. At the same second, my baby was crying. Because I had already had previous experience of computer and appliances controlling, I gradually realized something was going on at me and my baby. But I did not know what it was. It should be mentioned that I was always active on anti-CCP (China Communist Party) websites.

The experience of being attacked became intense from mid 2007. I experienced excruciating head pain. My brain almost stopped thinking when the pain came. My appetite to food decreased to zero, and the only thing I wanted to do was sleeping, but I could not fall asleep because the pain was so strong. The pain came without pre-warning or developing. But it was also regular, when I had a lot of free time, it came; when I got chance to meet people, it came. Normally the pain took place in Saturday nights, before I went to church or training course, or the time before a job interview. Tachycardia and heavy breathing were also experienced in the periods. I clearly remember that in one afternoon when I and two daughters were sleeping, we all woke up at the same second in a sudden and we all breathed heavily. My heart was beating very fast. I did not check my daughters' heartbeat. In the long term of time, I also had intermittent diarrhea. Usually at very crucial moments I needed to go to washroom and it sabotaged my life. I observed unusual flashing on computer CRT display and CRT TV screen from time to time. I observed several times I was stalked by Asians. I clearly remember that in one afternoon in May 2008, my second daughter (then one and a half years old) cried desperately and running around for more than half an hour for unclear reason. I also remember that in June 2008, my second daughter was very sick, with running nose and vomiting. I observed once that she had SUDDEN fever with no reason. Sometimes she feared very much to stay in room. From late 2007 to early 2008, my elder daughter(then four years old) woke up crying at around 0:00 midnight on a regular basis without reason. From late 2007 up to now she have intermittent nose bleeding. From August 2008 things were gravitated for me. I began to have sensation of being electric stricken, caused vibration or shock in involved different parts of my body. This attacking could wake me up from very deep sleeping. For a period of time, when I sat before my computer, I was attacked by this method. When I left the computer, the sensation disappeared. It stopped me from using my computer. In September 2008, I reported this to the police, and the police recommended psychiatric assessment and counseling services. I was naive then. I thought that a assessment should be good for me and I would be proved to be sane then the police would take what I reported seriously. On September 15, 2008 in the campus of University of Waterloo(I was in MEng program then), I was heavily attacked and I became very angry at the perpetrators. I happened to go to counselor D. to cancel the appointment because I thought I did not need counselling services. I told him I was going to revenge if they did not stop attacking one month after my notice to them. When I said so, I was angry and I did not mean it. The counselor called the police and I was detained to Grand River Hospital("GRH") for mental health assessment. In the hospital there was nobody who understood this kind of covert attacking. They all thought I was mentally ill. In order to get out of the hospital and continue my MEng program in UW, and for some other reasons, I was FORCED to lie that I could be wrong. After getting out of the hospital, the attacking did not stop and continued all the time till now, including the time I spent in the hospital. From September 2008 to mid February 2009 the intense was very strong and anywhere I went I was targeted. From Jan 17, 2009 on, My second daughter was heavily affected by the perpetrators. She cried, vomited, had fevers. And her ideas changed frequently and abnormally without proper cause. All these strange things were observed by me. The reality was so cruel. At the time, I had problems of speaking. When I wanted to call "Dandan" (My elder daughter's nick name.), I actually voices "Meimei" (My

second daughter's nick name.) without thinking, I had to speak again to correct my mistake. It showed that my unconsciousness was programmed. Similarly, when I wanted to say Meimei, I actually voiced Dandan; when I wanted to say "Mama", I actually pronounced "Baba"; when I wanted to speak "Baba", I actually spoke "Mama". I had to speak again to correct my mistake. It happened many times then. My speaking capabilities were harmed. From Jan 17 to Jan 21, My second daughter did not eat well. In the afternoon of Jan 21, between 2 ~3 PM, my little daughter injured her nose. I did not know it until I went home in the evening. I was concerned about her nose bone. I brought her to GRH at about 9:30PM. At the beginning she was very quiet, lovely, enjoyable and normal. She was so cute and I was actually appreciating her. When we moved to the final waiting area, she started to cry desperately all of a sudden. She started to run about and wanted to escape from the place. Nobody could stop her. She was trying to evade something. She cried and wanted to go home and wanted to be with Mama. (She was just two years old little girl.) She was running and crying and undressed her boots, pants and socks. And after a while, she started to vomit. At that time I knew what was happening to her. She was attacked and mind controlled. I became very angry with the perpetrators. The situation was that my daughter was crying and I was very angry. I thought my face was in a terrible emotion. My anger was not at all at my daughter but at the attackers. The nose examination was quick and simple because my daughter was crying and fighting to escape. When it was the time that we should leave the hospital, weird things happened. My daughter refused to wear her clothes and refused to be wrapped up by my coat. In this situation we could not go out of the hospital because outside was cold. The attention of people in the lobby was drawn by us. I was angry and I wanted to explain and disclose the truth to people in the hospital. So I wrote a note like this: " 'Microwave Mind Control', Pls forward this note to Dr. Petrovic. My daughter is one of the victims." (Note: Dr. Petrovic is the psychiatrist I saw before.) I gave the note to the security guard. The security guard did not understand microwave mind control at all, and he thought I was mentally ill and detained me for a mental assessment. The physician found that I was detained in the psychiatric department before and he did not understand microwave mind control. At that moment my English speaking was not articulate, after all, it is my second language. When I wanted to say physician, I spoke "patient" and I had to speak again to correct my mistake. The physician who is not a psychiatrist put me on form#42 of Ontario and it meant I was detained. My daughter was still in the hospital. My wife did not drive and my elder daughter was sleeping at home, so my wife could not come to hospital to pick up my little daughter. So the hospital called "Family and Children Services" (FACS) to deliver my child to my home. So FACS was involved in my case in a funny way and I was told by them not to stay with my kids on my own. The whole process was so ridiculous to me. I was detained in a single cell without washroom. No psychiatrist assessed me until 4:30PM the next day. In the cell, I was still attacked by DEW. I was frustrated. I was still naive and believed in the psychologist T. in university of Waterloo. I called him to help me in the afternoon. It was even worse. T. did not help me and on the contrary he issued a trespassing order to me and did not want me to return to the campus until getting letter from psychiatrist and passing a observation period. The psychiatrists dismissed my claim as attacked by DEW and MC and I showed no intention of violence. So they could not keep me there and I left the hospital without getting any letter from the psychiatrists because I refused to take the medication. My problems with FACS and the university remain unsolved by now.

Complementary facts:

1) I built shielding around the head position of my bed with steel plates and about 2000 pieces of magnets of one inch diameter. At several nights I heard clear and crisp noises caused by magnets tapping the steel plates(magnets were released from the plates and then re-attached to the plates alternately.). I did not hear any clear noise recently partly because I fixed magnet positions. (I sleep alone in one room so only I heard the noise.)

(2) Attacking at my daughters, which were felt by me:

(a) Night of Sept. 7, 2008 in Toronto, my heart was precisely attacked, at the moment I was holding my second daughter with her head against my breast. My little daughter's head was affected as well. I observed the white part of her eyeballs became dark and full of blood.

(b) Sensation of being electric stricken which caused vibration or shock in muscle or brain. When my daughter was crying in bed, I approached her head with my head and my head felt the sensation. It happened several times.

(c) Sensation of pain of very slim pin penetrating into my body. When my daughter was crying, I approached her head with my head and my head felt the sensation. It happened several times.

(3) Attacking at my daughters and me at the same time and place.

(a) We were attacked and became emotional numb and cold in whole body. The white portion of the eyeballs became dark. (The same attacking could cause tooth aches.) It frequently happened in October and November 2008.

(b) My lungs were attacked and my breathing paused, and then I started to cough heavily. My two daughters who were in front of me started to cough at the same time. For many times, the coughing were irregular. It showed that the coughing were probably malicious attacking at lungs.

(4) For many times, after I praised my kids, my kids would have problems. For example, when I praised my elder daughter when her eating was well, she started to vomit or the appetite became bad and refused to eat. So I stopped

praising my kids. Last December, when I bragged my sex capability, my testicles were attacked at the night and the next night my penis was attacked. It showed the perpetrators were totally malicious and perverted. It was not purely experiments, but attacking with great hatred. It also proved my home was eavesdropped.

(5) During my first visit to K-W Alliance Church, when I started to talk with a Chinese there, my rear brain got sudden strong “heating” pain and I had to end the talking promptly.

List of most of my experiences under attacking of directed energy weapons and neurological weapons:

- (1) Frequent pains: headaches, abdominal pain, verte brae pain, waist pain, genitals pain, toothache, instant pain in feet and knees. Some pains could linger for several hours or a couple of days.
- (2) Sensation of changing or steady pain which was like heating (two types) in my head, especially in the lower rear part of my brain. Long time “heating” would cause great pain on me.
- (3) Induced intermittent diarrhea. (There were evidences that it was induced.)
- (4) The sensation of being electric stricken or shock, caused “vibration” in involved different parts of my body. The attacking could wake me up from very deep sleeping.
- (5) Hypnotized or distracted when I was reading or listening to lecture. The distracting process could cause changing heat in my brain. (When I changed location the sleepiness or distraction would go completely sometimes.)
- (6) Deprived my sleeping at nights. From last September on, in the half year period, every nights I was attacked. Not a single night I was granted peace and freedom.
- (7) Vivid but weird dreams.
- (8) Memories were severely affected. Interruption of short term memory.
- (9) Language capabilities were compromised, including my first and second languages.
- (10) Control of emotional status, i.e. feeling of anger, anxiety, emotional numbness, terror (It was easily overcome by me.), lethargy (laziness), exhilaration (Once), etc.
- (11) Forced speech (often) and forced motion (not often).
- (12) Manipulation of vision, my eyesight could be “made” blurry. (Frequently in late 2008, not frequently in early 2009.)
- (13) Hearing hallucination, subliminal hearing of crying of my little daughter for several times in late 2008 (Not now)
- (14) Excruciating noises in my ears when I was sitting without motion. For example, the noise of car engine. (Late 2008. Not now.)
- (15) Two types of itches on the top skin of my head. (One type of itch was felt by me for about one week in late 2008 and only in the one week.)
- (16) Tachycardia and heavy breathing without proper cause.
- (17) Nose bleeding.
- (18) Cessation of hearing that last for several minutes. (Once)
- (19) Lungs were attacked which caused short pause of breathing and then coughing.
- (20) The centre of my right foot was burned for about 10 seconds and I had the pain lasting for three days. (Once, early September, 2008)

I also observed sometimes my wife was also affected by mind control but she has never been heavily affected. She does not understand the kind of attacking.

中国受害者告全世界人民书

秘密脑控试验—人类生存基本价值被破坏MK-

Ultra类秘密试验（脑控试验）常常在试验目标（受害者）不知情或者不同意的情况下进行的。脑控很容易让受害者精神不正常。加拿大巴士杀人案的李伟光就是脑控秘密试验受害者。

脑控常常涉及微小芯片植入到大脑和身体的其它部位,常常用电磁波作为激发的能量,是RFID和晶振技术的充分应用,不需要传统电池。部分只做控制试验的受害者们身体里没有芯片。脑控涉及定向能 (Directed Energy), 例如X-射线、微波信号和穿墙高能微波。定向能试验的方式非常隐蔽,可能会产生致命的效果。静态造影如MRI和CT可以造假。

Victim几乎都不知道自己 是试验目标。一般症状例如,催眠,剥夺正常睡眠,诱导腹泻,诱导分神,产生头痛及其他部位的疼痛,诱导情绪变化等等。受害者往往将异常归结为普通的健康问题,他们常常不认为他们自己是Victim。

各国特工之间往往互相合作。有人在中国成为受害者,在加拿大继续受到试验,那往往就是中加特工在合作脑控。移民很可能成为脑控的几内亚猪。脑控试验不仅从身体上直接打击受害者,而且使用技术手段来破坏一个人的精神心理。脑控常常被用来暗害敌人,并且能杀人于无形,例如杀死主神经和制造癌症,特别是肺癌。

“Lida”技术:脉冲射频发射器,可以导致严重的疲劳和昏睡,或者失眠。可以穿墙瞄准目标发射。

LIDA技术在1950年代由苏联发明,后来在各国得到了发展。声音直达大脑 (Voice to

skull) 技术:可以传送说话声和其它声音,直达目标的头部,旁边的人听不到,可以穿过墙壁发射。该技术可以在没有脑控芯片的情况下实现。

(该技术的美国军方代号是“V2K”。)

读取和破解脑波：通过高科技脑控激励芯片（或特定的帽子）来读取受害者的脑波，通过无线传输到附近的接收设备。再过滤出特定的波形来破解受害者的思维和记忆。这项技术已经非常先进。

意念传输：(Thoughts Transmission)

通过无线传输特定的脑控波曲线到受害者的大脑，实现意念的传输，一般需要有脑控微芯片植入在受害者的大脑。意念传输也叫潜意识(subliminal)传输，例如“受辱感”，能破坏人际关系。默念传输：(Subvocal Transmission)

通过电磁波传输来影响受害者的说话器官和抑制思维器官，来影响受害者说话。这种话不经过大脑的思考说出，特别细心的受害者能够发现。这种传输可以通过脑控激励芯片（又叫脑控钉）或不用脑控激励芯片进行。受害者的主要特点是说话不经过思考或者说错话。武器化的微波技术：可以导致一系列的身体的伤害反应，可以悄悄地，穿过墙壁进行。穿墙雷达扫描技术（例如机场安检。）高级无线计算机控制技术：通过探测主板的特定的电磁辐射和向特定的线路端子发射X波段电磁脉冲，实现输出和输入。相当于别人的计算机通过串口连到了你的计算机。在没有无线网卡的情况下就能够实现无线遥控计算机。潜意识“无声的声音” (Subliminal “Silent Sound”)

设备：可以传送催眠式建议到受害者，但受害者耳朵听不到，声波的频率介于超声波和人可听声波之间。

(二) 受害者们总结的常见的身体症状和经验：(在读取和破解脑波阶段，受害者们通常没有严重的症状，但是他们至少有一颗芯片在身体里面，部分只做控制试验的受害者们身体里没有芯片。)• 头皮发麻。头晕，头痛。

- 无理由的极度疲劳，腿肌及关节的酸痛。
- 梦境制造和操纵，剥夺睡眠。
- 电击感以及肌肉的振动和抽动。
- 不通过思考的说话 (subvocal transmission), 语言能力受到影响, 经常结结巴巴。

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I do not know if I was but may have been targeted, I lived in Kensington, Sydney, It started when my emails were hacked, I have only got the dragohawk@yahoo.com.au back at this stage, but have recorded all attempts to get my other emails back, it happened from my friend's computer, which I was given permission to use, as I was only connected to the internet for the first two months at the share flat with my friend, I then experienced what could only be described as a drug, electronic, or sound induced Mind Control or Brainwashing, I rarely went out and I travelled to and from the call centre I was working at, and home which was the share flat which I lived with my friend and one other individual, I experienced light headedness and dizziness at home on a regular basis, and found everyone was mothering me, I have since left Sydney and since doing so have felt normal and in control of myself again, I have also discovered a small lump at the base of my cranium at the back of, and concave of my neck.

If this type of terrorism is happening then someone needs to investigate it, discover if it is happening and then compensate the victims of this crime, please keep me informed if you find any evidence to collaborate my situation!

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Is there a contract on your life? Janet Creswell

(ENGLISH, ESPAÑOL, FRANÇAIS, ITALIANO)

In western countries, most members of organized stalking and electromagnetic aggression groups are part of the civil service in one way or another. They may be civil servants or work in law-enforcement organizations, in the defence or medicine sectors. Many other civil servants who are involved in persecution practice or organized stalking enjoy social security benefits, in the capacity of pensioners, job seekers, or mentally handicapped people.. The victims have just enough to live on, since they've been deprived of all financial resources and they suffer from a deliberately planned impoverishment. Nevertheless, for certain victims, there exists a field in which one continues to evaluate life in terms of money in considerable quantity and that is life insurance. Victims' employers can take out a life insurance policy on them, without their knowledge, The companies may do this when you are currently employed or even when you had already left them several years before. These insurance policies are commonly called "Dead Peasant Policies". A term which is perfectly appropriate to the circumstances of the victim's life. The politically correct term is "Corporate-Owned Life Insurance" or COLI. The COLI insurance policies are subscribed by companies, on the life of thousands of their employees, without the knowledge of these employees nor without their consent. The insurance policies can remain

in force, for a long time even after the departure of the employees. Those who will financially benefit from the death of a victim are most likely the perpetrators who have been responsible for the victim's death. The victims must carry out investigations to know if any life insurance policy has been subscribed on their behalf, either by a private individual or by a company. Given the tortures by radiation and by specific electronic frequencies the victims are going through, their life expectancy is considerably reduced. The date of their death can also be determined by their perpetrators. Given the fact that a victim is being monitored 24 hours a day and 7 days a week, the date of his death will be known by the perps, and this will quickly contribute to death-benefits claims ...According to investigators' estimate, a quarter of the 500 companies of the Fortune review have COLI life insurances , which cover the life of almost 5 million employees. I was first employed by TERADA when it was part of AT& T and then when it went with NCR. Both AT& T and NCR regularly took out COLI policies on the life of the employees. When I resigned from NCR TERADA in August 2002, I received the following notification: " Our views on Big Brother do not tally with yours. You will be targeted for the rest of your life." Since then, I have been biologically, chemically, electronically, financially, physically and verbally attacked in Australia, in New Zealand, in India, in France and in the United Kingdom. Since then, I have been monitored 24 hours a day and 7 days a week and there has been continuous sabotage, destruction and theft of my property. Without my knowledge, I had been given injections, I was drugged, raped and operated on. It is thus adding insult to injury to discover that my former employers have a contract, and even contractS, on my life and that they will amass hundreds of thousands of dollars after my death, without noone's knowledge.

¿ HAY UN CONTRATO SOBRE TU VIDA?

Traducido del inglés por Rudy

En el debate sobre las circunstancias de la vida de las víctimas, falta el elemento financiero. En el mundo occidental, la inmensa mayoría de los miembros de los grupos de acoso organizado y de agresión por frecuencias electrónicas ya hacen parte del personal público, de una manera o de otra. Pueden ser empleados ministeriales o ejerciendo en organismos policiales, encargados de hacer respetar la ley, en el sector de la defensa o de la medicina. Muchos otros paisanos implicados en la práctica de la persecución o del acoso organizado gozan de prestaciones sociales, en calidad de jubilados, en calidad de buscadores de empleo , de minusválidos mentales u otros. Las víctimas apenas tienen para subsistir, puesto que se les suprimen todos los recursos financieros y sufren de un empobrecimiento deliberado y persistente.

Sin embargo, para ciertas víctimas, hay un dominio en el cual se continúa evaluando la vida en términos de dinero en cantidad considerable y es el del seguro de vida. Las víctimas pueden, sin saberlo ellos , figurar sobre pólizas de seguro de vida suscritas por sociedades, por las que son actualmente empleadas o que dejaron hace varios años. En el sector de los seguros de vida, designan comúnmente las pólizas bajo el término "Dead Peasant Policies". Un término que conviene perfectamente a las circunstancias de la vida de una víctima.El término políticamente correcto es "Corporate-Owned Life Insurance" o COLI (por encima, " seguros de vida que pertenecen a sociedades).

La póliza de seguro COLI es suscrita por sociedades, sobre la vida de millares de sus empleados, generalmente, a espaldas de estos empleados y sin su consentimiento. Las pólizas de seguro pueden quedar vigentes, aún durante mucho tiempo después del momento en el que los empleados dejaron su trabajo.

La existencia de cualquier póliza de seguro de vida identificará a los que están en instancia de recibir su capital-defunción. Los beneficiarios financieros de la defunción de una víctima pueden muy bien ser los verdugos responsables de la muerte de esta víctima.Las víctimas deben efectuar investigaciones para saber si una póliza de seguro de vida ha sido suscrita en sus nombres, o sea por un individuo o sea por una sociedad.

Visto que las víctimas están sufriendo torturas por radiaciones y por frecuencias electrónicas específicas, su esperanza de vida es considerablemente reducida. La fecha de su defunción puede también haber sido determinada por sus verdugos. Visto que cada víctima es sometida a vigilancia 24 horas al día, 7 días a la semana, la fecha de su defunción será conocida por unos verdugos, y por via de consecuencia, contribuirá rápidamente a reivindicaciones al capital-defunción.Ha sido estimado que un cuarto de las 500 sociedades de la revista Fortune tienen pólizas de seguro de vida del tipo COLI, que cubren la vida de cerca de 5 millones de empleados.

Primero fui empleada por TERADA cuando formaba parte de AT&T y luego cuando pasó a NCR. AT&T y NCR, de modo regular,suscribieron las dos a pólizas de seguro de vida " Corporate-Owned " sobre la vida de los empleados.

Cuando dimití de mi empleo en NCR TERADA en agosto de 2002,me dijeron:"hay desacuerdo entre nuestro punto de vista y el suyo sobre Big Brother . Será Vd. acosada para el resto de su vida." Desde entonces, soy agredida biológicamente, químicamente, electrónicamente, financieramente, físicamente y verbalmente en Australia, en Nueva Zelanda, en la India, en Francia y en el Reino unido.

Desde aquel momento, soy sometida a vigilancia 24 horas al día, 7 días a la semana y sufro continuamente daños

materiales y la invasión, la destrucción y el robo de mis bienes personales. Me hicieron, sin saberlo yo, inyecciones, me drogaron, me violaron, me operaron. Me grabaron en vídeo, me fotografiaron y me filmaron. Es pues un insulto más descubrir que mis antiguos empresarios tienen un contrato, incluso contratos, sobre mi vida y que amontonarán, sin que nadie lo sepa, centenas de millares de dólares, después de mi muerte.

Y A-T-IL UN CONTRATAT SUR VOTRE VIE ?

Vu que les victimes sont, chacune, en train de subir des tortures par des radiations et par des fréquences électroniques spécifiques, leur espérance de vie est considérablement réduite. La date de leur décès peut aussi avoir été déterminée par leurs tortionnaires. IN ITALIANO

TESTIMONIANZA DI JANET CRESWELL, TRADOTTA DALL'INGLESE DA RUDY

C'è un contratto sulla tua vita ?

Nel dibattito sulle circostanze della vita delle vittime, manca l'elemento finanziario.

Nel mondo occidentale, la maggior parte dei membri dei gruppi di molestia organizzata e d'aggressione da frequenze elettroniche fa già parte dell'amministrazione pubblica, in un modo o nell'altro. Possono essere funzionari o possono esercitare in organismi incaricati di fare rispettare la legge, nel settore della difesa o della medicina. Molti altri funzionari implicati nella pratica delle persecuzioni o delle molestie organizzate fruiscono

delle prestazioni sociali, in qualità di pensionati, di disoccupati, di minorati mentali o altri.

Le vittime stesse hanno appena il minimo per sopravvivere, poiché sono state private di tutti i mezzi finanziari e soffrono di un impoverimento deliberatamente pianificato. Tuttavia, per alcune vittime, c'è un settore nel quale si continua a valutare la vita in termini di denaro in quantità considerevole ed è quello dell'assicurazione sulla vita. Le vittime possono, a loro insaputa, apparire su polizze d'assicurazione sulla vita sottoscritte da società, di cui sono attualmente impiegati o che hanno lasciato molti anni fa. Nel settore delle assicurazioni sulla vita, si designano generalmente le polizze sotto il termine "Dead Peasant Policies,,. Un termine che conviene perfettamente alle circostanze della vita di una vittima. Il termine politicamente corretto è "Corporate-Owned life Insurance,, o COLI (all'incirca, "assicurazioni sulla vita che appartengono a società). Le polizze d'assicurazione COLI sono sottoscritte da società, sulla vita di migliaia dei loro dipendenti, generalmente, all'insaputa di questi dipendenti e senza il loro consenso.

Le polizze d'assicurazione possono restare ancora in vigore, per molto tempo dopo la partenza dei dipendenti. L'esistenza di qualsiasi polizza d'assicurazione sulla vita identificherà coloro che sono in attesa di ricevere il loro capitale-decesso. I beneficiari finanziari del decesso di una vittima possono con molta probabilità essere gli aguzzini responsabili della morte di questa vittima.

Le vittime devono effettuare indagini per sapere se una polizza d'assicurazione sulla vita è stata sottoscritta con i loro nomi, sia da parte di un privato sia da parte di una società.

Visto che le vittime stanno senza tregua subendo torture con radiazioni e con frequenze elettroniche specifiche, la loro speranza di vita è considerevolmente ridotta. La data del loro decesso può anche essere stata determinata dai loro aguzzini.

Visto che ogni vittima è sotto sorveglianza 24 ore al giorno e 7 giorni alla settimana, la data del suo decesso sarà conosciuta dagli aguzzini, e pertanto, contribuirà rapidamente a rivendicazioni al capitale-decesso.

È stato ritenuto che un quarto delle 500 società della rivista "Fortune" abbia polizze d'assicurazione sulla vita del tipo COLI, che coprono la vita di circa 5 milioni di dipendenti.

Ero inizialmente impiegata da TERADA quando Terada faceva parte di AT& T e quindi quando passò a NCR. AT& T e NCR sottoscrissero, tutti e due, regolarmente, a polizze d'assicurazione COLI sulla vita dei dipendenti. Quando mi sono dimessa della mia occupazione a NCR-TERADA nell'agosto 2002, mi si è notificato che, cito: "Il nostro punto di vista ed il Suo su Big Brother non si accordano. Lei sarà presa di mira per il resto della Sua vita.,, Da allora, sono attaccata biologicamente, chimicamente, elettronicamente, finanziariamente, fisicamente e verbalmente in Australia, in Nuova Zelanda, in India, in Francia e nel Regno Unito.

Da allora, sono sotto controllo 24 ore al giorno e 7 giorni alla settimana e ci sono stati sabotaggi, distruzioni e furti continui della mia proprietà. A mia insaputa, mi hanno fatto iniezioni, sono stata drogata, violata ed operata. Sono stata registrata, fotografata e filmata.

È dunque un insulto di più scoprire che i miei ex datori di lavoro hanno un contratto e perfino contratti, sulla mia vita e che ammasseranno , senza che nessuno lo sappia, centinaia di migliaia di dollari, dopo la mia morte.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am in Singapore. It all began in 2006, towards the middle, so it's 1 1/2 year now, judging by the number of media outfits involved, it will continue for 3 years since that is the requirement under tort law in common law countries for dismissed cases. I am being indirectly compensated since a lot of my studies have been indirectly funded (not that we need it, I think my 'scholarship' is compensation), but I think our family was duped, they got off far too cheaply after what they did due to their suspicions. Unlike so many TIs, my case was purely speculative and was completely wrong and they know it. Since they got my folks involved, there was no turning back on the compensation issue, I wouldn't even be surprised if I landed a comfy well-paying job easily after this with a paid-for PhD degree.

Let me also tell you about the system. Neuro charges are one-off data-packets, so whatever you feel in your head or areas of the body, it's one data packet per charge. When your muscle twitches, there may be two or three neuro charges. One in your head, the others in your body, hence you feel interactive with this thing, but it's still a charge nothing tangible and if you get spoken to, it simply releases a number of charges (one each) can be ignored. And you need to be sleepy and fatigued for it to work well, or very angry, I think. Just stay calm.

Instead of asking for help, there is a need for an international forum to inform TIs how to manage their lives with this 'intrusion'. You would be surprised how much of it all is simply 'clever' guesses of your decision-making after a while of study of you.

If you are one of those who have had the old tv interaction or feel followed, initially, these are genuine neuro impulses, but the BCI 'records' these neuro activities and all they have to do is re-play these charges to get almost instant results (2 metre effective range) - to make you feel followed, sad or even other more intimate forms of feelings. So, if you think logically, there isn't anything there - as if playing a recorded VHS on your neurons. And since you are so convinced of the gravity of this intrusion, you do not recognize how small these things are as influences. So you keep going on and on how it's the NWO or whatever, when all it may be is some divorced loser upstairs or next doors playing to your fears. i just don't know where it's implanted, I think it's on the shoulder though hence direct access to your brain and spine. With a couple on your legs for those twitches. If you find out, let me know.

Trust me, it can be ignored. I have been doing so, in fact, it's very very primitive and *needs* your participation in the successful implementation of the ANN (artificial neuro network - google it). Your bugged appliances are only to tire your brain and make you sleepy.

So, if you can spread this message, about the correct terms - WBAN, ANN etc, it will do us all very good and the case, don't align this case with the 9/11 inside job conspiracies or UFOs, it will not help. We need to correct our own people before we make a fuss about it all, so TIs must learn to manage this before we co-ordinate our activities, imagine if you have PhDs making their cases to their respective governments after credible research? One fax will finish their little job.

It will do it all, but for now, we either find the evidence within, tangible evidence or simply help others manage this rather primitive technology. I am doing the latter, I suggest you learn how to manage yourself and then help others with information until someone knows where exactly this thing is implanted.

(p/s please take note that this little technology does induce fake schizophrenic me vs. the world syndromes. ANd with a couple of idiots making sure that you see them act purposefully, combined with what this thing does (replays your anxiety), you will get sucked in. Even a kid pointing at you will look like a convincing conspirator, ignore always. If they are serious, they will show themselves and then it's glory for all, I assume you'd whack their teeth in - because that's what I will do...)

Just ignore that damn thing.

I have more or less been in the position, it didn't stop me from completing my Masters degree and perhaps a PhD, next year or something. That's what is wanted from you, to pursue aimlessly like a headless chicken and make such scientifically unverified claims.

You are *not* hit by stupid government agencies, and there isn't any conspiracy theory. Read the paper, it's called a WBAN wireless body are network and these are mere neuron charges... that means they do *NOT* have prolonged effects. If you ignore it once, data packets will be needed to be sent again, and that takes a while. You are too conditioned and you do not realise these lags. It's not continues...

Live your life and stop wasting time running around aimlessly, they've won the battle having you embark on this mindless pursuit of 'governments'. It will never work, this help will never come. Because none of us a of the Ivy League.

You need money, that no one has at the moment, so explore and maintain your own defenses. That's all the help I can give you.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I have been a victim of organized stalking/electronic harassment/mind slavery since 11/2006. You can have a look at my symptoms and experiences at:-

<http://www.mcwarriors.proboards51.com/index.cgi?board=requestsforregistrationohere&action=display&thread=1203173444>.

Hello,

I'm sorry I have to modify my post because I have been disguised for more than a year now just to find a cure for

my problem since no one around me believes in me. But when I read the stories that people post here I'm confident I found the right place to share my experience and seek the cure for myself.

The thought reading technology that I thought new is in fact very similar to the technology that others experience here. Unfortunately it fell in the hand of low life criminals operating around Sydney area here in Australia.

These guys cruising around at night, breaking into rich people houses, tranquilizing and implanting microchips in their head. How do I know this? they actually told me in my ears. Why am I the target? I don't really know because I'm just a regular engineer who works 37 hours/w for a living. This is what I experienced,

- 1) They can extract the lightest thought and image (color).
- 2) They can monitor my emotion.
- 3) They can extract thought and images in my dream when I sleep.
- 4) They know the words and images that formed subconsciously in my mind before I consciously know about it. Also when things happen so fast in my mind that I can't remember but they know about it and remind me.
- 5) They can wake me up in the middle of the night by releasing scent awaken chemical remotely for questioning. (make me unbreathable through the nose)
- 6) They can make me smell any smell remotely (once they made me smell dog ##### while I was having my dinner).
- 7) What I see and hear is what they see and hear.
- 8) They can turn me into a schizophrenic person.
- 9) The battery lasts for one year.

Besides these experiences I had ringing in the ears 24/7 for a week (the ringing can be switched on/off and varied in frequency when they think I tell the truth). The voices in my ears reply to my thoughts are constant 24/7 for 3 weeks at a time (ear plugs were useless and I had to take Zyprexa to help me to go to sleep at night), the interval can be repeated within 4 months. When they find I have a mental weakness that's when the interval repeats. I guess they can operate continuously for 6-6 weeks until the battery dies out. The voices stop after 4 months but they can monitor my thoughts, images in my head and emotion for a year.

In addition when it first started I was woken up exactly 2.15AM every night and the voices start. It continued like that for about a week. Sometimes when I lay in bed my stomach muscle shakes uncontrollably for a few seconds and makes funny noise. The same thing happened to my jaw muscle. At one time when I was listening to music on my laptop, the music is cut and a female voice "I'm awake" was heard then the music returned as normal.

Unfortunately for me when it happened to me for the first time on 11/2006 I thought it would not happen again but it did. On late 03/2007 the voices returned and it ended about mid 07/2007. Since 03/2007 I locked my bedroom door and window before I go to sleep and I don't have the voices problem since 07/2007. But the worst thing is they put another battery in for refill so I have to endure the monitor until sometime early next year unless I know how to take it out of my head before then.

It all started when I work as a mechanical engineer for an American company on 11/2006. It lasted for 1 month as people in my work place hear my thoughts and abuse me. There was too much pressure and I had to quit. Since then I lost 10 jobs and at the moment I receive government disability benefit to survive since I'm not fit to work. And it's worse I can't go out with anybody anymore because they all involve. I was a brilliant soccer player now I play with myself and the ball in the park.

I'm an engineer and I know how useful this technology would be if it is controlled for the right purposes but at the moment it has been abused beyond comprehension. These guys break their victims down mentally until a stage where the victim willingly gives them whatever they want and is mentally controlled by them. Lives are destroyed.

I hope here I can share my experience with others and seek solutions to my problem and maybe one day expose these sick low life criminals who don't have the sense of morality left in their mind.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I Support The Global Campaign To "Stop Physical And Remote Manipulation Of The Brain Control (Control Of) Weapons On Tortured Civilians."

I AM AN ELECTRONIC HARASSMENT / BRAIN CONTROL / DIRECTED ENERGY WEAPONS / ORGANIZED TRACKING VICTIM OF ABUSE AND TORTURE. I COME FROM CHINA, MY NATIONALITY IS CHINESE.

I was in China's Anhui Province in 1993 (city or province), I was aware of abuse.

My experience is as detailed:-

I am a Chinese College student. I studied an Economic Major. I entered business in 1991 to work. As I am the highest educational level, in their hearts, I always thought that in the near future I would become a boss.

So there was marginalization, suppression, and malicious slander. Even some who harbored evil designs and mustered triad members for intimidation, coercion, long-term harassment, extortion, and other despicable aggressions – who with secret rumors undermined my relationships, and brazenly struggled for power. In order to remove the obstacles to achieve complete removal of their competitive opponent, there was insiders incitement in the streets, spreading rumors.

In December 1993, I did not know about their heinous and fascist organization collusion, some abnormal, no humanity, I did not the situation - **I was Renzha EEG-like spirit of the Electronic Remote Control for more than 10 years** . You see, it continued in the new century, "Dou E Yuan."

During the more than 10 years of perseverance in the war of attrition, the limits of life, life in the golden age of suffering, violence, physical and mental torture in the double-consumption health and youth.

----- On my brain (spirit) and the physical implementation of round-the-clock secret surveillance, harassment and torture. They attacked my brain (spirit) day and night by remote control auditory hallucinations - hallucinations making my body alternate day and night in pain, heart sinking, controlled sleep and other man-made physiological disease and physiological responses, the head pain, brain machines and the roar sound, long ring Zhile, often resulting in dizziness in daily life in the most horrifying mental state in Shengburusi, suffered extreme physical and psychological abuse and harm.

-- Such violations have also led to seriously damaging the survival of my family and social environment. They pass on my thoughts, including any private information, I do not have any privacy, I'm forced to face social stigma and personality crisis, and vulnerable to live in their own and others highly asymmetric information in the competitive environment.

Many of us victims now in the workplace and in social life are very unfairly treated - most people seriously. Even been deprived of the right to work, lost livelihoods, technical role for some people to take advantage of a right to life, the right to life, the right to health and other basic personal rights are extremely restricted - at a glance. With the harassment, coercion, intimidation constantly; On the one hand is the loss of the right to work, the right to rest, loss of privacy, the various factors that we live with constantly.

Cruel reality, the technology exists objectively to persecute, but not to destroy our love of life Yi-Chih, we Chaoqingyijiu, green sea Xue-Tao whistle. We have to sustain this coercive attack or our effective response is eclipsed. They are drilling with this technological persecution - it's in their interest to leave loopholes and potential residual instinct without virtue, with these malicious attacks and intrusive, profane, torture and ugly performances against 100 health - they make us live a distorted human psychology, and moral turpitude.

We suffer, we seem insignificant, despicable, to be cast aside by the world. We - rational knowledge - the essence of the struggle of life, love life, our hearts went into a strength, we are living in the mainstream in the broad mainstream world, we have to cope with the world is beautiful and life is full of love is a continuation of our lives. But last for a long time? God can be measured?

DEAR SIR/MADAM

Thanks for sending me the article you wrote about satellite surveillance is the first time I have been able to understand the mechanisms behind the technology. I have absolutely no doubt that I am under 24/7 surveillance and have been for three years, I am so fed up with my computer being hacked and not being able to access sites with information that I need it is infuriating, I am actually surprised that I received your email as I mostly dont get my emails they get sent back to me months later. I used keep buying new mobile phones because of them being tapped but it is a waist of time and money the same thing keeps happening anyway. I dont receive my mail however that is nothing new I didnt the whole time I was married. I have not experienced anything like what you have with being physically assaulted and the 2way tv and radio is very sadistic and sick, the people involved need to be exposed, you have to wonder about people in the entertainment and media industry who have seen you and do absolutely nothing. I believe after all that I have researched that people in these positions and those in politics are all under mind control, Manchurian candidates, puppets and for this reason have an inability to question or reason can only do as they are told and programmed to do they have no soul expression and cannot stand up and fight for a cause, they are slaves and dont know, they have had their spirits crushed and their freedom taken away.

The truth is that you are being tortured and traumatised as part of an experiment to see if will disassociate from your mind and for your mind to compartmentalise and then be programmed, it is very much like MKULTRA that uses child sexual assault victims for mind control programming. The reason that sexually abused children that have been abused from a young age are chosen for MKULTRA mind control programming is that they have the ability to disassociate as a consequence of being sexually abused its a survival instinct. The objective of MKULTRA is to created multiple personalities called Alters that are programmed with government and criminal secrets and missions. The victim of this mind control programming has no knowledge of their Alters that are brought to the front when triggered with codes and cues by the programmer or a person who knows them, for whatever they are programmed to do without the knowledge of the mind controlled victim. Alters are programmed to be assassins, sex kittens, mules and drug couriers, and carry out their mission without the mind controlled victim knowing who will not be capable of disclosing upon questioning and interrogation to any of the authorities.

To be able to produce multiple personalities you first have to disassociate, I believe this is what is trying to be achieved with you and it is experimental , sadistic cruel painful and totally inhumane and wrong and those involved are working for the government protected by the national security act where laws do not apply. I might be completely wrong but I could also be right its a possibility.

When I read your article you said that there are satellites that can physically assault a person with a laser and I want to tell you what happened to me and see what you think this could be to do with satellites. I was driving on the highway on the 11/7/2011 being chased and harassed by large new working vans trying to make me have an accident which is nothing new. I was driving a hire car as my four wheel drive was stolen by criminals who told me I was going to be murdered which is another story. I was driving to Newcastle from Tweed Heads because I received text messages saying that I was be alive the next day, I was in an hotel because I had nowhere to live and was trying to find somewhere which is extremely difficult when you are being severely stalked. I got to Ballina and was no longer being followed, and started being able to relax and kept driving on the highway when all of a sudden their was a large new black four wheel drive on the back of my car and it pulled back off my car very suddenly. Then from out of the sky came what looked like blue lightening straight through my car front window, hitting my right hand and giving me an electric shock, I looked from where it was coming and it was an obviously fake moon and was very close, I was absolutely petrified and thought I would be killed for sure that night. I had noticed the moon that night was very bright and large with a halo around the outside, I had actually noticed around xmas 2010 that the moon looked not real very bright and large and an Orange colour and this was exactly the time of the winter solstice ceremony dates 20-26 December which is for satanic rituals and scarifies take place to celebrate the winter solstice. This fake moon stayed around for the next two hours coming in close and changing shape and then going right back it was unable to target me because I stayed right on the tail of a semitrailer all the way, I pulled into a petrol station at Grafton and then it went away. I thought that this was some kind mirage to hide a military aircraft or helicopter and thats who was shooting the laser at me and now I am not so sure.

I am never left alone for to long and am always set up with a double agent. I had an Iranian man introduce himself and he is obviously hired, he has my mobile number and now I have eight different men calling and leaving text messages using his phone with Iranian names. I have noticed that the moon is fake where I am staying and it moves from one place to another and the clouds are being manipulated as well, I notice more because I am awake all night and when I go for a walk I take notice of the moon. The other night I saw this coming from behind a block of apartments it was so bright and three times the size of a normal moon and the wrong shape and was not there when I first came out, it was there because it was for me and I ran inside I was frightened. A couple of nights before there was a man across the road in a unit staring and standing looking into my unit for three hours and when I entered my lounge room photos were taken of me. I noticed when I came in after seeing the large fake moon that the unit across the road from me had a laptop on and all the lights out, I was curious so I got my binoculars out and looked, the screen was blank but there was a large round shape like the fake moon over half the screen. There was a man on the floor in front of the laptop he realised I was looking and turned the laptop off immediately.

I am wondering if this fake moon that shot a laser at me was from a satellite not a military aircraft. I am getting the shits writing this because my computer is hacked and stops writing every five words. I want you to tell me what you think and start looking at the moon yourself and see if you notice anything fake.

I cant write with this being hacked its to difficult

just want u to know u have my support as a fellow torture victim myself when will it ever end I am presently in the but house because of this receiving antipsychotic injections and medication. Like a lab rat. God Bless Katherine Doenau

15/1/13

it's Katherine Doenau I need for u to tell if I what has been happening to me is part of this torture campaign. Where ever I live or go if something important is about to take place or I have a court appearance I get severely stalked by cars that make me fear for my life sometimes the police are actually involved in the stalking. People around me communicate using stupid hand and coughing signals and the houses are even involved with Turing their porch lights on and off as signals when I go from room to room. I have almost been kidnapped by these cars and once by three Pakistan men in a white van. Something else I have noticed is bright lights in the sky down very pointed in my direction I have no idea what they are but what I will say is that one night when driving to get away from the stalking I had what looked like blue laser lightening shot at me hitting my right hand through front window onto steering wheel and when I looked at where this cane from it came from what looked like the moon that had moved in very close to my car and was enormous. This fake moon would move in and out changing shape. I have now often seen this fake moon and whilst driving a few weeks ago was being followed by this fake moon with red laser beams being shot out from the sky towards me in my car. I have woken up to a red laser beam using my water bottle as target practice with the water lighting up from pink to bright red at three in the morning. These lights in the night sky are very large and are directly related to myself as when I leave so do they what are they John and what are they for or should I say what are they doing to me . I have to go for now God Bless Katherine

16/1/13

thanks for writing back and giving me that information it's hard to accept that I had laser blue lightening shoot at me hitting my right hand coming from a fake moon but that's honestly what happened , however after reading your letter I realize that I have most likely had an image of a fake moon implanted in my brain to see the vision that I did. The only thing is it does not explain the red whelt I got across my hand. My experience with public mental health is a little different than yours the stalking does stop once inside the institution except once for me at lismore hospital richmond clinic they let stalkers in for eight days to torment and upset me that the staff also was completely involved in that's right the staff stalked me along with the whole ward of so called patients. I had to leave one day and buy a bus ticket and the whole town appeared to be in on the stalking two men pulled up in a ute near me and got a rifle out and pointed it in my direction I ran into the closet shop and rang the ward demanding they come and get me and they did not want to but in the end had to. When I got back to ward everyone was very frazzled the phone kept ringing and everyone had to speak to their mother it was very unsettling and extremely scary. I asked to ring my aunt and when I did she made me promise that I would return home and not go somewhere else I asked her to make the stalking stop and she asked to speak to nurse in charge and immediately it stopped and they all came clean about stalking me while the nurses still mocked me I pretended to be in shock and they got scared giving me two valium telling me they were also nurses. My Aunty is some kind of a satanic priestess and I believe the stalking that is net worked from town to town is actually a satanic cult that look out for their members. This is the only thing that explains the stalking starting and stoping at lismore base hospital I got myself put in the hospital to be safe after I was going to be taken in a white van with three Pakistan men inside from my aunties house . As I left lismore base hospital I received a bag of clothes from my aunt none of the clothes were mine and their were pictures of my children manipulated to make them look dead killed in satanic ceremony blood through their hair skin made look colour of death lips and eyes blackened. This was a death threat over my children's lives to shut my mouth up about what I know relating to my aunt and her family being generational satanists not Catholics that's just the front. This is my experience John and I know it's hard to believe that a mental ward would let satanic cult members into their hospital to stalk and scare one patient but they did and the inky reason I think that they were able to achieve this is that they themselves must be all members of a satanic cult in lismore. I was told that lismore hospital is the hospital for satanists that they care for tge babies that are almost killed after being raped and tortured by the cult. Food for though God Bless. Let me know if you ate still a target victim or have they toned down their torture since u have exposed them. May heavenly father pour blessings upon u in the name of Jesus christ Amen

24/7/13

it's katherine I won't ask how u are as I know u are living a nightmare as am I and I pray that it will soon be over and I will wake up and not be in pain any longer. I want to ask if u would send me some stories of other victims in Australia that are victims of gangs talking and satellite torture so that I can compare their experience with my own it would help me accept the reality of my own circumstances. I have actually started to think I have gone insane and what I thought was real has been in my own mind but then I look back and know it is real but the fear I felt at the time is know different as I get more experience. You see the stalking is not all the time it happens when I have an important court date or something relating to court that's important and I end up being driven into public mental health and have a history that makes me appear to have psychiatric disorder and now have no credibility in court and will never see my beautiful children for a long time if ever. I know I was set up four years ago and thought my

doctor husband was responsible. But I don't think he really is responsible anymore and I can't work out who arranged this and think the federal court or Catholic Church is responsible what I know is that public mental health is fully aware and participates in the process many of the stalkers are themselves under mind control and are patients of public mental health who have been told what they have to do. U see when they give patients antipsychotic injections as tablets can be spat out and not taken these injections will affect the frontal lobe in the brain. Frontal lobotomies were made illegal a long time ago which must have upset psychiatry, who are still giving people frontal lobe lobotomies just not surgically but with antipsychotic injections. This makes the victim a zombie it takes away their individual personality and they no longer have free will they cannot think for themselves and can only do as they are told following orders. These victims are ordered to carry out stalking on target victims that if they are driven into mental health are still stalked and then it stops as quickly as it started. I have been feeling extremely tired lately and have to sleep sometimes its for days before I wake up and I want to know if this is being caused by some kind of satellite. I also am feeling very anxious and nervous for no reason as well as being so sad and have no hope of anything changing. I have never felt like this in my life and wonder if I am being targeted to feel this way. I really want to read some cases and see if mine is similar. I would appreciate u sending this to me. I have to eat have not eaten all day . Thanks god bless Katherine

In my case, I was lured to their base by two community operatives (ex-friends of mine). The voice to skull technology was placed on me at this location and my family (all seven members) and I have been gang stalked and harassed by them since. Their base which is made to look like a private residential address (however, a closer look and you can see it) is equipped with highly specialized door locks, cameras, doors and window frames etc. The stuff you find at Fort Knox and which can only be built by some government agency.

As mentioned, I was asked by these two ex-friends of mine to meet with them at their friend's place (which really was their community operations base). Upon my arrival at this location I was instructed to go to the back (via the side entrance) of the facility by a man whom spoke from behind the front security door that's when I began to hear strange noises (like people talking at a distance).

To my surprise these two ex-friends of mine weren't present at this location like they said they were. There was, however a lady staring at me from behind the glass back door. Her face was hidden from me by the curtain. I told her that I was supposed to meet my friends here and that they mentioned this is their friends place. She said they were on their way, which was odd considering they told me earlier that they were already there. Then when I asked her what that strange noise was she stated that "it is a speaker system to scare off burglars". She went on to ask me a series of weird questions including: is that how you dress and what is the name of your employer. Furthermore, my ex-friends wouldn't answer my phone calls. It became obvious to me that they were prolonging my stay there for some reason, thus I left. However, once I left the premises the noises were still there and have been since, every minute of every hour, 24 hours a day.

I have inspected this place a number of times since and found a number of peculiarities such as a diversity of people entering and exiting the premises, high tech cameras, a top of the notch alarm system and specialised electronic locks on the doors and gates etc.

The community operatives are your average Joe's recruited from all walks of life by an agency (the agencies do this in order to distance themselves from the dirty work or crime). The community operatives can be drug users,

white collar or blue collar workers, your neighbours or even your friends!

Best wishes,

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

My name is Margaret Down and I live in New Zealand. In November 2002 I resigned from the New Zealand Herald, owned by APN Sir Anthony O'Reilly's media conglomerate, because I could no longer pass off as mere coincidence the many strange things that took place in the office and in the newspaper which coincided with events happening in my personal home private life including my words, thoughts, actions. I hoped that once I had resigned they would stop bugging me. But in four and a half years and five workplaces later my privacy is still being invaded and I receive "surveillance feedback" not only in the New Zealand Herald newspaper but also on TV One, TV 3 - owned by CanWest media and Viva radio station owned by APN News Media. I have written to both the privacy and human rights commissioner about my plight and also the police. No one is able to help me as the technology used to invade my privacy and harass me is "classified" and no one is aware of the capabilities now in private hands - both private citizens and corporations - to harass people. I believe that my brain waves were scanned when I was working at the New Zealand Herald and I am now being tracked 24 hours a day. I have no privacy anywhere. My coworkers make comments which mock me on a daily basis about things which they couldn't possibly know anything about unless my privacy were being invaded in this way ie. it is all current. I have left job after job trying to find an employer who wouldn't buy into it, but Wayne Harman, the editorial manager of the New Zealand Herald and the man behind my becoming a target is a very influential man with huge reach. He has been able to assassinate my character and convince several former managers that it is ok to harass me in this way and to use my coworkers in this mobbing of me during working hours. I would ask that you pass legislation to prevent the use of this technology against innocent civilians for vendetta purposes.

6/4/08

When I went to church on Good Friday there were a couple of priests from Opus Dei so I phoned up this morning and asked if I could come along and talk to one. I'm going to ask them if they can help me find a job. I had no luck with Walsh Trust and had to forego the part-time one at the Mercy Spirituality Centre which looked promising - it was only 10 hours a week most weeks. Lorraine Poppo, the co-founder of Mt Tabor sent me an email about Timor, so I will send you the email I sent to her. Both her daughters have been involved in the mobbing. Thank you for your attention to this matter.

21/5/08

I do not mind being a witness to the satellite technology that is being used to abuse innocent civilians and is now in the hands of private civilians and corporations for their organised vigilante stalking.

22/5/08

I am under constant 24/7 surveillance and am mobbed at work. This has happened at 7 workplaces. Comments are made by management and coworkers to leave me in no doubt that I have no privacy. It is a form of satanic ritual abuse. I will send you another document which describes this. It is called organised vigilante stalking.

7/7/08

I don't know if "Metro" magazine is available in Australia - if it is you could buy a copy to read about Father Peter Murnane. Do you know if he replied to Paul's clergyman's letter? He replied to one of my emails and I have forwarded him a few items of interest. One of my clients goes to art class on a Thursday evening at GIFT - Growing in Faith Together - another catholic organisation who have a mission to disabled people. The teacher there knows Peter Murnane and she told me he says Mass every Monday at 7:00am at St Benedicts in the city so I'll go along next Monday and give him Gloria Naylor's book to read and show him some of the "coincidences" from my work emails from former places of employment. The word is getting out here - at least in the catholic community. I guess it's raising awareness.

Hope all is well with you. God bless, Margaret.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I finally received a positive response from the American Humanist Association that I have been trying to enrol for **TARGETED INDIVIDUAL National Support and Advocacy - including Counselling Victims, Awareness Raising, and Legal Advocacy**. I have, therefore, been preparing a formal proposal for them. Your contributions have been inspiring and most valuable to this cause.

With a strong National Association supporting us, we have a much stronger voice. There is also an International Humanist Association. My strategy has been that if we can gain US support, the American Association could then help other countries do the same.

I need a short list of most effective and prominent people leading in exposing and halting the dangerous technology and associated operation including Non-consensual Human Experimentation - aside from Congressional Leaders - who would serve on a Project Advisory Group for the American Humanist Association project.

I also need a letter of support from each of them. Are you interested and prepared to contribute? If so, would you please write a 1-page letter supporting American Humanist Association to auspice a national project to counsel, advocate, raise awareness and support state and national policy change - and help other humanist associations globally to participate in a similar way?

Who else would you recommend to serve on a volunteer advisory group for the project? Can you please send their email addresses to me? I suggest that we keep the group to a manageable number - say maybe 7. I think maybe Cynthia McKinney would participate - and maybe Jim Guest. I am also seeking Gloria Naylor's and Nich Begich's email addresses - so if you have that and could send it, I'd be most grateful.

Thank for your anticipated response to this - and your valuable contributions in the field.

30/10/08

Please be advised that due to the highly unprofessional manner in which this request and all the others like it are written, it is no wonder no assistance has been forthcoming from those reading it. This presentation that continues to bombard officials is creating a disservice to targets. Please consider using a professional template or professional guidance for further mailings - and use only other "testimonies" written equally professionally. Most of those "testimonies" and stories being sent also further discredits the entire TI community. Thank you for this consideration. Kind regards, Deborah Dupre'

EXPOSE AND EXPUNGE TARGETED INDIVIDUALS OF DOMESTIC SPYING RACKET

<http://www.examiner.com/x-10438-Human-Rights-Examiner~y2010m1d5-Expose-and-Expunge-Targeted-Individuals-of-domestic-spying-racket?cid=examiner-email#>

The IndictBushNow movement is conducting a nationwide campaign to oppose domestic spying, mass surveillance and data collection on the people of the United States who broke no law, [Targeted Individuals](#) (TIs), many of whom have been harassed and tortured in the [covert domestic terrorism campaign](#).

People in every state of the union report being targeted for abuses such as ongoing spying many refer to as "stalking," unforced house entries, mail tampering plus some allege directed energy weapons assaults that include shocks, stings, burning, nausea and disorientation.

Independent researcher, Marshall Thomas provides the history of this computerized database program in the *Monarch, the New Phoenix Program* video below.

Illegal secret spying

Bush and Cheney's secret spying program broke the law. This has been admitted and some of those programs were suspended. This new national campaign insists that the data that was collected on **millions of people through these illegal spying operations** should not be retained by the government.

This nation-wide effort called Expose and Expunge was initiated by the public interest legal organization, Partnership for Civil Justice Fund.

The national Expose and Expunge campaign has launched a sign-on letter for all to participate. Initial signers of the letter, including former U.S. Attorney General Ramsey Clark, have come together to take a stand against these continuing violations of fundamental rights. The initial signers represent a broad and diverse cross-section of leaders, human rights advocates, attorneys and legal scholars ([see the initial list of signers](#)).

To join this urgently needed campaign, **Sign the Letter** and forward the link to this article widely to friends and family members.

If we all work together we can succeed in defending and advancing our basic rights," states campaign organizers.

Letter to Obama Administration and Congress

<http://www.justiceonline.org/>

We the undersigned call on the Obama Administration and Congress to immediately begin identifying and expunging from all government databases the massive accumulation of information collected by the Bush administration's illegal domestic spying operations on **millions of people who broke no law**.

Some of these illegal spying programs were suspended and yet the government maintains the illegally collected data. These databases should be expunged.

We also oppose the continuation of other programs initiated during the Bush era which continue on in wholesale data collection and mass surveillance, unchecked and unabated. For instance, federal agents, local law enforcement and U.S. military personnel, with input from private right-wing political groups, continue to collect and report surveillance data, including fabricated disinformation, to the 72 government Fusion Centers around the United States. Fusion Centers have been found to target political, student, and religious organizations and activities.

The people of the United States have a legal right to be free from government surveillance, the type of which was initiated by the Bush administration on an enormous scale. Using the Sept. 11 attacks as a pretext, the Bush White House permitted the FBI, the National Security Agency, the CIA, Pentagon and other law-enforcement and military agencies to conduct unprecedented data collection against the people.

Thousands have been targeted because of their political beliefs and activities, their religious beliefs, their race and ethnicity, or because they inadvertently fell into one of the many broad categories to justify and execute the sweeping data collection programs. This is the modern-day variant of the discredited witch-hunts of the 1950s.

We call on the Obama Administration and Congress to order a complete audit of law-enforcement and military data and record-keeping systems and to disclose to the public the scope and parameters of data-collection on people and organizations in the United States.

The people's rights protected under the Constitution are fundamentally diminished unless these illegal operations are halted and the rights of all people are restored by the identification of data collection programs, and the expunging of those databases.

I've been living with this shit for over three years and was astounded to actually find such a group with so many similar stories to offer. Could you please contact me, I'm in Bendigo and would be happy to come down your way to meet if you feel happy to do so. Cheers, Tim.

8/12/13

I migrated to Perth from Sri Lanka in 2006. I am being followed around and harassed 24 hrs a day by people in the public. Main harassment techniques involve noise campaigns to keep me awake at night and constantly following around and blocking my path when I try to walk around in places. Also constant provocation directly in response to my emotions. If I tried to read something and began to concentrate well, people outside my house including some of the neighbors will make noise to distract me. This is no coincidence. It happens to me regularly. People outside know everything I am doing inside my own house. I became aware of this in 2008 when the intense stalking began. I sent my testimony to FFCHS sometime back. The day after I sent the testimony to FFCHS, I heard that my grandmother who is very old and feeble living in Sri Lanka fell down when walking and injured herself. This happened after I sent the testimony.

From the other testimonies I have read, I believe that their primary motive is to make me snap and look paranoid. As far as I know, the word paranoia itself was created by the murderous psychiatric industry that was responsible for the death of thousands of people with the excuse of Eugenics.

I think the current Remote Neural Monitoring and gang stalking campaign has a direct link with Eugenics and letting the weak be eliminated either by suicide or by the fast decline in health due to the 24 hr staking and harassment. I believe that the Psychiatric industry is directly related to this genocide because up to now, they have been covering the fact that all or many of the symptoms classified as "Schizophrenia" could be artificially created with technology involving Radio Frequencies, Infra Sound etc.

Also constant gang stalking over years can have irrevocable psychological damage like sleep disorders on many victims including myself.

I find it hard to understand how people and organizations have so far evaded the TIs' (Targeted Individuals') violation of human rights.

9/12/13

I would not say I was directly attacked with an EMR weapon. However I found out that I was under a program in 2008 because the house mates I lived with in Perth, started giggling each time I imagined a hand or leg movement at separate intervals – I used this as a confirmation to prove to myself that people outside knew everything I was thinking about. However I suspect I was under this surveillance even in 1994 when I was schooling in Sri Lanka. Main harassment include – rude remarks by strangers in public, deliberately crossing walking path, remarks based on emotions, difficulty finding new employment due to red tape by job agencies and many employers, noise campaigns outside my residence by some neighbors to keep me awake - They will disturb me at the specific time when I am just beginning to fall asleep. When this is done, It is hard to fall asleep for a couple of hours. I think they know that. Also I have noticed that the stalkers don't want me to concentrate hard when reading anything – will do something to distract me. The public harassment continues both in Australia and when I visit Sri Lanka. It is done everywhere. It is like a game for them. I think they are getting a "Kick" by using this evil technology on victims like me.

Also I should mention that yesterday I had 2 very scary dreams that woke me up in a shock. I usually do not see such dreams and 2 in a row . Could be because I started contacting you and other organizations - Rather suspicious.

Having said that, I do believe that there may be other entities that are much stronger and advanced. These entities may be watching and judging these peoples' actions until punishment is unleashed.

rgds,
randev

10/12/13

I think a main reason why people are scared to come out in the open is that they feel that they will be classified by the Psychiatric profession as to having Schizophrenia or or Paranoia. If we want to see results, the first thing to be done is to force the psychiatric industry to accept that schizophrenic conditions can be created with **Artificial**, technology and -

- 1) This is **Not** a genetic problem of the individual.
- 2) The individual is subjected to harassment by external entities that should be stopped by **law enforcement**
- 3) This is not a disease to be cured with medicine/counselling but a **crime** that is committed upon that individual by external entities.

Once this is achieved, we will see more victims coming out. It will also ease the burden on existing psychiatrists when making assessments. I feel there maybe people who are directly involved in these RNM (Remote Neural Monitoring) and Thought Broadcasting Programs who have left these posts and reject what is being done to innocent civilians but feel threatened to come forward and speak openly about it.

The You-tube video - " Psychiatry An Industry of Death", gives a clear history on what the psychiatric industry is all about. I think the first hurdle to be crossed is to do with the psychiatric industry. If this is achieved, the rest will be easier.

THE LINK BETWEEN HARASSMENT COMPLAINTS AND SCHIZOPHRENIA / PARANOIA SHOULD BE FORCEFULLY SEPARATED BY LAW.

Fernando

I saw your contact details on the mind control victims website and wanted to find out if you thought my symptoms are related to emf/elf attacks. I've been experiencing these symptoms for the last two years but it could very well have been a lot longer. It's only in the last 2 to 3 years that i began to observe what was happening and research conspiracy websites which is where i finally came to discover the term emf/elf.

I hear a high pitch ringing in my ears which can happen at any time but esp when i go to sleep. When i do hear it i feel my stomach becoming all crampy & it also can cause head aches. I feel drained and tired constantly and so i take extra vits and eat as healthily as i can. Also at night the ringing in my ears can sometimes cause a **buzz** through my body and i can't sleep. It's like my brainwaves increase and keep me completely alert even if i'm completely tired. I also feel as though my thoughts can be read because when i'm thinking /noticing i'm not being "attacked" within minutes i start to hear the ringing in my ears. I have a feeling my dreams are also interfered with. At times i wake up in the middle of the night with perspiration all over my body. Also the more determined i am to fight these "attacks" the more emf bombardment i rec`v. There's other strange things like the fact that i feel as though i've been programmed to see numbers - in particular 44/444 or 22/222. The 4's are always warning me of

more challenges, disappointments. I feel as though the 4's might be there to intimidate, scare me. I was told by a clairvoyant that i'm being psychically attacked but no amount of protection helps so i started again to look into the emf/elf bombardment and it's leading me to believe that perhaps it's not psychic attacks but the fact that i'm being deliberately targeted with elf. I live in Brisbane and need to find some kind of support so if you know of any people i can contact that would be great - just to be able to talk to others who are going through the same thing and not feel like i'm crazy. I have been told of a website called healthwarriorblog who sell a product that mitigates emf and have emailed them but haven't rec'd a reply yet. Do you know of anything else that can help with these attacks? Hope you can help. Look forward to hearing from you soon. By the way i don't have a computer so if you email me i might not be able to reply straight away i will eventually.

Hello

I've been a victim of electronic torture and testing since 2007? Where it began in Lake Tahoe Ca. I'm in Adelaide SA now and feeling very alone. Can you connect me with people I can help find strength and a plan of protection with. This has just ended a 25 yr relationship, I'm living on my life insurance money and then I don't know what's gonna happen

I am and have always been an Australian born citizen. I'm being forced into some treatment by family because, well idk. Anyway I'm in need of some human contact with perspective. I just need someone to talk to mate.

I have physical evidence of gang stalking present and being used against me. ETSA should investigate but they won't. My landlord is on board as are my neighbours. I have been collecting footage and such, but I feel it's useless. No one will look at the old RFID in me let alone the new one in my chest. Can you connect me with someone please John. I'm very alone here. And I'm not going to just kill myself as they keep V2k suggesting to me.

DEAR SIR/MADAM

I would like to draw your attention to some extreme and horrendous criminality being conducted by United States Government-related Agencies and the complicity and/or acquiescence of many other Governments and Security Agencies.

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly.

Please find a summary of my situation and plight below.

There are **MANY, MANY** others, all over the world, who are being subjected to similar torture and abuse.

Some of our **ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION CASES** detail the most extreme and totalitarian violations of human rights in human history, including the most horrendous psychological tortures, rapes, sexual abuse, physical assaults, surgical mutilations, 'mind control', and other mental and physical mutilations - see

<http://www.4shared.com/dir/21674443/75538860/sharing.html>

or

<http://www.freedrive.com/folder/177784>

and

COMPILACION DE TESTIMONIOS EN ESPAÑOL:- <http://rudy2.wordpress.com/>

These are extreme and monstrous **CRIMES AGAINST HUMANITY** - indescribably terrible in themselves - coupled with the **ORWELLIAN** secrecy and denial of any support at all that we are experiencing, makes them even more horrendous and monstrous.

It is no exaggeration to say our cases are as horrendous and urgent as people fleeing Nazi or Pol Pot concentration camps - specifically Dr Mengele-type torturers and butchers.

PLEASE ASSIST US URGENTLY!!

sincerely
John Finch

MY CASE SUMMARY:-

I sent a series of human rights activist emails to public authorities and forums beginning in 2003 up to 2006. I came to the attention of an extremist US security organisation in 2004 for this exercising of my democratic right to free speech and since then I've had my human rights, liberty and privacy **COMPLETELY VIOLATED** and **ALL** aspects and degrees of my human freedom, individuality and mental and physical integrity and health savagely attacked, tortured, mauled and deformed.

THESE CRIMINALS HAVE THE ABILITY TO :-

- a. place a human subject under **ceaseless** satellite surveillance - no matter where he/she is
- b. **ceaselessly** monitor a human brain by satellite - including thought, reaction, motor command, auditory event and visual image reading - '**Remote Neural Monitoring (RNM)**
- c. **ceaselessly** attack directly into a human brain by satellite with voices, noises, other disturbances, images and 'virtual-reality scenarios'; and the ability to override, control, and alter consciousness - '**Electronic Brain Link (EBL)**'
- d. directly abuse, torture, assault, and interfere with bodies - including performing advanced medical procedures - by satellite
- e. directly interfere with electronics, alter, insert etc. data, files, communications and legal evidence even during transmission - by satellite
- f. make live TV and radio, and other screens and monitors, two-way - for surveillance, invasion of privacy, deception, traumatising etc. - '**2-Way TV/RADIO and the Orwellian Media (2WTV)**'
- g. control the flow of information and orchestrate the media worldwide

BY THESE MEANS I HAVE BEEN :-

1. Since 2004 I've been under ceaseless Orwellian surveillance - 24 hours a day 7 days a week - everywhere I go. Since 2004 my brain, body, physical space and privacy have been ceaselessly monitored - including thought, reaction, motor command, auditory event and visual image reading. I have been under this extremely traumatising Orwellian surveillance and interference - and then extremely brutally and hard-core - tortured and deformed since 2004 – and during all this time my psychological, mental, intellectual and physical states, actions, thinking, imaginations and words have been exploited and publicly exhibited via internet TV and radio.

2. subjected to sleep deprivation, sensory overload, and "mind-*uck" torture.

Under intensive neurological 'mind-control' this included :-

- A. a witnessing of the suicide of the 'King of Thailand' and a cutting off of my friends brother's legs
- B. a saving of many women's 'souls' from death, and many countries from nuclear attack
- C. a 'ritual abuse wedding' participated in by the 'Queens of Norway and Sweden'
- D. a fictitious relationship with 'Princesses of Norway and Thailand' and some other illusory women
- E. a 'road trip' escaping 'USA army killers and blackmailers', 'Asian mafia/dragon killers' among others; and participating in fake psychoanalysis and personality analysis sessions; and doing Q & A-type interviews on diverse socio-political subjects. (2005-2006)

3. ceaselessly perpetrators' and other voices are forced directly into my brain and they very aggressively and relentlessly psychologically attack, denigrate, interrogate, undermine, mob and bait me. These voice attacks are forced directly into my butchered and mangled brain. This takes the form of a running attack with a personally codified system of comments and responses to my thoughts, activities, social and psychological state, and biorhythms - both straightforwardly and with many different disorienting, infuriating and distorting effects. This sensory and mental torture and attack directly into my brain has varied from extreme causing near-complete mental breakdown and desperation, to loud, intensive and continuous, to milder, and has included numerous mock-executions. It is all completely and totally unignorable and inescapable. The 'circuits' are always open – my brain, body and physical space are ceaselessly brutally violated, monitored and interfered with - and forced into reaction and response - 24 hours a day 7 days a week. It's a brutal, technological, inescapable 'Iago-bullshit-hell-machine'.

I literally haven't had a single minutes mental rest, relaxation or privacy since 2005 – not a single minute. 'The Iago-Bullshit-Idiot-Hell Machine (IBHM)' (2004/2005-present)

4. ceaselessly subjected to multiple nightly neurological experiments and interventions. Whilst 'sleeping' artificial 'virtual-reality scenarios' (like little 'You-Tube' videos or cartoons or slideshows) are forced into my brain and therein processed/experienced. Night after night after night – every single night since 2005 - 3,4,5,6,7 or more times per night. I have been on this sleep and brain control regime and I haven't had a natural, uncontrolled nights sleep since 2005. Often my brain processing/experiencing these "virtual-reality scenarios" is transmitted and exhibited by these Mengeles butchers pretending to do "science". Their ability to do this required extensive and very brutal neutralisation and engineering of my normal, healthy brain – in order to effect a kind of 'tabula-rasa' to use as a 'player' – for them to be able to force in their 'codes' and 'play' their 'virtual-reality scenarios'. This has resulted in mentally and psycho-physiologically exhausting, degrading and deforming me. (2005-present)

5. relentlessly subjected to deep, hardcore and other neurological attacks on my brain creating a lasting lobotomised effect – very often similar to being sledge-hammered, repeatedly stabbed, roasted, fan-forced microwaved, blow-torched, axed, bombed etc. in and across the brain. Almost every single night since 2005, mostly multiple times, and sometimes for hours and hours at a time – all night, all afternoon etc.. My whole creativity, 'raw material', senses, sensibility, feelings, thought, speech, intelligence, imagination, emotions and organic health, range, depth and potential have been completely degraded, butchered, mangled, wasted and/or destroyed ('Fahrenheit 451-ed' and/or 'Year 0-ed'). Repeatedly subjected to multiple other experiments and interventions on other areas of my brain.

'Brain Mutilation/Neutralisation Work (BMNW)' (2005-present)

6. repeatedly and relentlessly – every single day and night - subjected to electrical abuse and torture on the genitals, crotch, reproductive system, glands and lymph system. Electric currents are applied to my genitals, crotch and reproductive system at different intensities and positions, often continuously for extended periods of time. This ranges from mildly disturbing to extremely torturous. The cumulative affect is sickening and constant mental and physical tension and aggravation. This electrical abuse and torture on the genitals, crotch and reproductive system is applied at any time of the day or night. I am often woken up by the application of electric currents to my genitals, crotch and reproductive system - night after night after night. Often I am given erections in coordination with the brain butchery, and occasionally voided of semen (my sperm production has been stopped). **I AM BEING USED,**

EXPERIMENTED UPON AND BUTCHERED LIKE A LAB RAT. My genitals have been liposuctioned, collagened, vasectomied, and my scrotum subjected to repeated reductions and enlargements. I have also been anally raped and interfered with numerous times.

‘Genital Electrocutation (GE)’ (2004/2005-present)

7. My stomach, glands, abdomen, intestines, lymph system and other internal organs are also being continuously, repeatedly and intensively heated and electrocuted i.e. cooked/burnt-out. Often similar to being stabbed, roasted, microwaved, blow-torched etc.. Hour upon hour or all night and/or much of the day. **My heart, chest, neck, lower back, back, diaphragm and all over my body.** My torso, face and buttocks have been liposuctioned 2 or 3 times. My nipples are often electrocuted. Also in an extremely painful operation they put my spine out of alignment and did extensive nerve reconfiguration work in my spine and lower back throwing my whole body out of alignment – lower back, pelvis, hips, muscles, limbs, balance etc. – and, I think, they are trying to ‘engineer’ my brain to ‘fit’ this misalignment.

‘Stomach Electrocutation And Heating (SEH)’ ‘Heart Scoring And Electrocutation (HE)’ ‘Chest And Diaphragm Electrocutation (CHE)’ ‘Lower Back Electrocutation (LBE)’ etc. (2005-2011)

Huge - 10,000s of hours - amounts of electricity have been pumped through my body and brain by these nazi butchers. (2005-present)

I believe all of this is an attempted ‘reengineering’ or ‘rendering’ of my brain and body, and it has very seriously degraded my senses, sensibility and mental, psychological and physical strength, range, quality and depth. My brain has been reduced in power, quality and function by at least 70%. All my ‘raw materials’, psycho-physiological powers, energy, amorphous, undeveloped and latent thoughts, memories, emotions, passions, and feelings degraded, burnt-out and/or destroyed. My chest has been sunken, my lungs collapsed, my heart and muscles atrophied, my circulation and metabolism slowed, my stomach expanded and deformed, my genitals mutilated and deformed, and my body-shape completely altered and deformed. As one would expect being a lab-rat in a concentration camp since 2004 it has caused these most profound mental and physical ill-effects and degradation, and profound organic impairments and deformities.

8. subjected to various other mental, physical and social tortures, degradations and dirty tricks. This includes having my privacy invaded by, and being extensively publicly exhibited via, internet, TV and Radio.

Since 2004 whenever I turn on the TV or Radio - if it’s live, I am linked to the broadcasting source. It happens any time I see or hear a live broadcast, no matter where I am. It completely ruins live TV and radio - as you are actually like being in a video-conference - so it’s hard to remain impassive or unaffected – especially whilst being tortured. This invasion of my privacy and my torture and abuse have thus been witnessed by, and I have protested and appealed to, many newscasters in Australia and overseas, and by anyone who appears live on the news - politicians, celebrities, newscasters and many others. Initially tolerable and even amusing, this came to be extremely traumatising – especially when combined with the relentless hardcore torture, abuse and mutilated ‘brain-broadcasting’ – and no one even reporting it!

Also the thoughts and images from my deformed, mutilated brain and and lab-rat life have been ‘brain-broadcasted’ to the journalists etc. on TV and Radio – and often presented to them as if it was the workings of my normal brain/mind – also a lot of disinformation and misrepresentation has been ‘fed’ to them. This has often resulted in some of them – both advertently and inadvertently – actually actively participating in the torture and aggravation. Some, I believe, have actually been encouraged to elicit responses from my lab-rat brain and thereby to assist in and facilitate the butchering of my brain and senses to fit these nazi technologies and horrendous violations.

The media has also been flooded with dehumanising and ridiculous ‘Psychological-Operations’, parodies and caricatures of me, my family and life – as at the same time they are parasiting, torturing and organically destroying me, they are constructing a fiction about ‘me’ and ceaselessly, idiotically, making what they pretend to be valid psychological and social observations about ‘me’, my life and family.

‘2-WAY TV and the ORWELLIAN MEDIA (2WTV)’ (2004-present)

9. My mother, sisters and other family members have been neurologically attacked/surgically mutilated, and both of my parents and other family members have been anally raped using these DIRECTED ENERGY AND NEUROLOGICAL WEAPONS – causing them profound mental and physical ill-effects and degradation, and profound organic impairment and disruption. (from 2005-2008)

10. Since 2005 colleagues, acquaintances, friends or simply anyone I come into contact with on a day-to-day basis have been neurologically attacked/surgically mutilated, and/or anally raped using these DIRECTED ENERGY AND NEUROLOGICAL WEAPONS – causing them profound mental and physical ill-effects and degradation, and profound organic impairment and disruption. Literally over 200 people. (from 2005-2009)

11. I have been relentlessly subjected to Organised Stalking/Mobbing. This consists of an intense and highly organized persecution of an individual with the purpose of harass her/him constantly and boycott all the activities, professional and of leisure that the person develops, in order to isolate to take control of the victims life, manipulate the victims mind and ultimately conduct him/her to a helpless situation. This conduct carried out by a group of apparently "normal" citizens is a barbaric form of torture. People are purposely engaged to aggravate me, and to impede and violate my physical and psychological spaces, privacy and freedom. This is extremely psychologically and physically oppressive and suffocating. This happens everywhere I go, anytime, no matter what I do. My whole neighbourhood has been infiltrated. Often these people are neurologically controlled like 'neuro-puppets' to maximise the aggravation through the linking of their actions and movements to mine. Other times they are misguided and/or misinformed 'Jones-Town' type idiots/victims. This is being done to me everywhere I go – including in Russia and Turkey.

www.freedomfchs.com/ www.multistalkervictims.org www.gangstalkingworld.com/
'Gang Stalking (GS)' (from 2004 – relentlessly)

Thus my human rights, liberty and privacy have been **COMPLETELY VIOLATED** and **ALL** aspects and degrees of my human freedom, individuality and mental and physical integrity and health profoundly assaulted, tortured and wrecked in this **ongoing totalitarian nightmare/hell – as I AM BEING RELENTLESSLY, REMORSELESSLY, BRUTALLY, SAVAGELY and CEASELESSLY - since 2004 - subjected to the uninhibited and unchecked aggression, nastiness, ludicrousness, speciousness, and dishonesty of these nazi bully-boys' psycho- and sociopathic personalities, minds, actions and technologies.**

They do all this to me and yet these perverted psychopaths allow – even encourage – me to send emails all over the world publicising their sadistic crimes – "we're ass-wiping democracy", and "you're sweeping the floor for us", they continually taunt.

The UK and Australian Government and Authorities, Humanitarian Organisations and everybody else have completely ignored, and failed to protect me.

I'm aware that there will probably be considerable resistance to anyone who attempts to help me – but I ask you to not shy away from such an act of bravery and principle.

It is no exaggeration to say my case is as horrendous and urgent as someone fleeing a Nazi or Pol Pot concentration camp – specifically Dr Mengele-type butchers

My name is Tricia Flanigan and I have been a victim of mind control, V2K or whatever it's called for over 6 years. I was having alot of difficulty establishing what was actually occurring until I found sites like yours. I have been in and out of a number of Psychiatric Institutions and diagnosed with a number of different disorders none of which has stuck. I am almost always released by a Magistrate when I am legally able to see a lawyer. Currently I have been under extreme pressure and am also have evidence in relation to Australian Government involvement via Police brutality and cover up. How can I get help? How can I help others?

10/2/10

Just thought I'd add some more information as being a lucky TI I was also targeted by the QLD Police and have been sending information off everywhere to try and get the relevant departments to deal with it but still haven't received a reply. This is whilst there is supposed to be an inquiry by into the police involved anyway (Surfers Paradise). Please find attached a copy of the letter I sent to the the Queensland police ministers department. I know police corruption in Qld is not new but I guess it's just a bit more evidence to add to the Australian government files.

3/3/13

I have been looking at your articles and letters to various authorities. Do you know who is behind you becoming a target? In my case I believe it may be to do with Scientology as my mother used to work for a front company when I was younger although luckily I was never forced to join. I have had contact with a few victims along the way and helped wherever I could as well. I just had another bad experience with Scientologists in a company I was working for and believe they may be involved in using these technologies. If you are able to pin point the organisation behind the attacks it may help.

I am currently living in Brisbane and understand we have a huge problem with corruption within the government which filters down to the police in QLD so am unable to get any help via legal means however I believe Melanon is protesting in Melbourne against scientology. I am looking at trying to arrange a protest in Brisbane in relation to Scientology and why it is able to get away with so many crimes but am currently being targeted quite badly so if you know of any anti-scientology groups in Brisbane who are willing to stand up against the torture inflicted by the

scientologists and accepted by the government can you please let me know if they have a site.

Thanks for all of your hard work.

Trish

4/3/13

I am surviving and still receive messages in the form of voices through some form of electrical devices. I am still unable to gather the evidence myself as I am under 24 hour surveillance. I am coping by ignoring the voices as much as possible but the technology seems to be improving as the voices are becoming clearer. I have occasionally experienced unexplained painful sensations in my body but am still quite healthy both physically and mentally considering that this has been going on for over ten years.

I have only recently been made aware that this technology is being used by Scientologists and believe I have been targeted due to my families prior association with the organisation. I work within ERP systems and have on various occasions discovered issues within a company and reported them to management which can cause the targeting to increase on occasion but I will not become unethical in my position as these discrepancies need to be addressed to prevent fraud.

I recently left a company that appeared to be employing some people with no skills and experience who faked their resume details and were lying to the auditors about discrepancies. A number of the people employed appeared to be somehow involved in Scientology and I have been copping it pretty badly since. I took action with a government organisation against the company providing all the evidence I could and have come through with a settlement but am currently living in QLD and have been subjected to corrupt police in the past and don't have enough solid evidence to provide so cannot expect any assistance from the state police.

Good luck with your work and thank you for providing support to all those suffering from the use of unauthorised experimental technology. If only the government cared as much for it's people as they do for money we may have had a future but in the meantime I guess we will need to find as many ways to cope as possible.

Thanks,

Trish

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

dear mcamilteam:

Nice to meet you! I need you help. I found the international right organization a long time. I come from Guangzhou city Jiangxi province of China. I have tried again and again, I hope have the machine can stop the cold-hearted attack of mentality and body. It's my pleasure. I had thought it time and time, but I can't find the reason they had surveilled me. I often surf the net for finding the information of stopping it. how dark the world that I live in!

when I know it. I just 19, I was studding in the senior high school, because of it that I can't concentrate on lessons. but I tried to avoid it, study hard every time, every minutes. I kept grasped every second that had gone by in my life. at the last term in the senior high school, I learned more hard, I knew that is my last chance go to the college." my headrace so hard and my spirit so sorrow, I have been suffered so long time " I thought." I can't fail in this

battle, I regarded it as a test to my potential, I will stop it with my spirit." I had ever promised in my heart. I get a not bad grade in the end. some days latter ,I received a entrance notice of college. I was so happy when I see it." my dream came true" I said in my heart. Perhaps, this is the first time I so happy with satisfying smile since I was suffered.

But after the happiness, my sorrow had not get away from my mind, They still kept in my perception. I go to the college at September 2006.I thought I never give up my dreams, the dreams I had looked forward a long time from I was a pupil of primary school. when I gone to school, my body was so weak. I go up bus with my father. because my father love me. I vomited up many times and my head dizzy in the bus.

At school, I also suffered same as in high school. I still study hard, I like my major. I hope that one day, I can become a businessman traveling from a country to another country. I had not make girl friend, because I had no enough time to do this. I found the book thicker than high school, so I must token a lot of time on it. I read book every day, no matter weekend came to me .I just knew I want study hard, so that I would have skill to stop it when I graduated from this school, almost everyday I had the thought. lots of nights that I can't sleep, lots of days I can't live with my own mind, in other words, They bothered me each day and each night. Many time the sorrow so hard bowled my heart, I can't carried it I cried at a corner in a empty room. but sometimes, students can saw me cried ,they don't understand my feelings ,They often regarded me as a madman. Sometimes they laughed at me.I had no bosom friends in the school, Because they hated me.espensial,the strange cry. sometimes I wanted jumped from a high building, but It's too painful, I had saw many traffic trash, so I afraid of it. I carried the burden to finish my course the feeling as same as ago, I had been leaved a deep wound in my heart, I am so sorrow. I got a so so grade leaving school." I never came back" I promised in my heart when the day that went away my school.

Now, I found a job in Shishi city ,Fujian province, China. when I get off work, I often surf in the net every day. I want find a ways to stop it and restor my free life. I tried it again and again, It's very fortunate that I found you. I hope you can help me. I need you help, help me I said it again and again. I said it every day, every night, every hour, every minute.....every!

I have been suffered for four years. Sometimes I asked myself:" when I will die,I am so young I just 22 years old. Though, I am so helpless, but I clearly knew it , It must be government sent some people oversaw me by using the technology. they used the technology taking my mind through satellite sent it into everybody's(or creature) brain. so that everyone can know my thoughts every minuets ,every second. I didn't know why they did it I just a boy, I have a lot of thing to do and I never had intentions to destroy the country, because I love my country.Now,I afraid of do everything, I afraid speak ,read book, and so on. Because of everyone around me will bother me, they know my head's thoughts. They know everything that I thought. They are so jealous that I had thought and done. For example, I want find a girlfriend, once I thought her, they often make so much noise(sometimes is rattat, sometimes is loud voice,espensially the trumpet sound of motorcycles, cars, bus....

This is all my thoughts that I want tell you, I need you help .please help me !

I don't like this country now, I hate it ,they country don't respect my rights and personality I believe everyone in this world is fair, Like the world. I like the internet that we can communicate so close. I like everyone in other country, I look forward to be a foreigner hope that one day, I can make friends with them. When I see their smile, I am so envy their free life.

I look forward your reply. I really need you help.I want free life ,I desire the life that they don't know my thoughts. I desire adding in another nationality. but now i just want you can help me to stop it ,I can from China but they don't look me as Chinese. I hope that one I can help the others in this world that the same encounter like me. I like every country and sometimes I thought we are in a family.

I need you help, help me.....

6/6/09

Thank you for you reply and very very thank you. that gaven me lots of imformation .because of you imformation that I can meet so many sufferers in China,espensially,the E-mail let me comunicate so close.so I thank you.

I have said I am Chinese.but I think the government in China,that didn't know so many sufferers in our country.I often comunicate with hailang, a sufferer in China.hailang also give me a lot of imformation about brain

control.and he said he had submitted some mails to the State Council of China.the mails are about accusing the breach of duty of some departments ,and strongly required change or add the law about brain control.hailang also told me that the government very suprised when they hear the news.and the government dicided inquiring us.I didn't know this is true or not true,or just pretending.bcacuse I have seem the statement come from one of our sufferer.he said that he has been cheat in a meet by the China academe.the meet is a fake meet that let he enter his name,and he said that they didn't care his life. they just want know how big power that his body and mental can sustain.I think they make experiments to us.

I am so fear about them.and worry about our sufferers.I hope you can help us!

for this, I think we can develop a machine that can withstand the attack .we are developing for the machine .but we lack the date.The date is frequency of brain. I hope you cna support us!

we want establish a organization,the organization is used to comfort our sufferers ,no matter the hurts came from body or mental we will always try our best for it .The organization is also used to consult the machine.and use for publicizing.Can you give us some suggestions about the organization.

21/8/09

Thank you for sending the E-mail for me.When I see these crimes I have been suffered for 4 years.I can't lived in the world peacefully everyday,hours,minutes.they always use the machine get my mind and sent to anybody live in the world.then,because of everyone would be envy what I have seen and done and thought.They always press his car,truck,bus's trumpet to bother my mind.because of a lot of vehicle,everyone can bother me by the online mind support for them.I have been suffered everyday so that I can't have chance to learn ,to think,to work,etc.I just want you help me to close it .I am in China ,I can be sure that these hurts all come from our government, official secret organization or official researching organization.we also can be sure all these organizations been allowed and support by chinese government.I support you can help us.Some people have been died under the heavily beared by the mind control.Some people had been suffered a long time and we also have some probles about our body.our health and life have not been ensure. so we strongly hope you can help us to stop the illegal actions. we are look forward to early from you.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a tortured victim at the hands of an unknown source.

I am a 40 year old single female with no friends or close family.

I am not well educated and have a learning disability. I have suffered from substance abuse (methamphetamine/alcohol) and anorexia and bulimia for many years.

I have nowhere to live and what money I do have is diminishing quickly by purchasing substances which were purported to be methamphetamines but are not.

I believe the Victoria and federal police are involved and this has gained the attention of crime syndicates who have followed suit and are learning and mimicking their technology.

I am constantly bombarded with voice to skull messages so much so, I am in a state of shock and confusion. It is happening so fast that I don't know where to start to get help.

My efforts to seek information are hampered by technology sabotage and my ability to get to help has been limited by my licence being suspended, one car being involved in an accident and the other impounded under "hoon

legislation" while driving 40km p/h in a quiet suburban street.

I am not a part of any group, gang or syndicate. I don't have any great power or influence amongst the community.

I am not a whistleblower. I don't have knowledge of anything that might cause anybody concern (I don't think).

Do you have any advice as to who I should get help from other than the Victoria police because their response was dismissive and of disbelief.

I am living near the western suburbs of Melbourne.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Yours sincerely

My name is James Yue Gee, or Yue Ji. I am Chinese living now in Guangzhou of China. Chinese government has been torturing me by electronic mind control since 1992 when I studied in USC, because I was against their repression on 6.4 Student Democracy Movement in 1989.

THE EXPERIENCE FOR ME TO BECOME A DISSENTER OF CHINESE GOVERNMENT:

After joining Britton Lee Inc. at the end of 1993, I began to start up my own business. Because I once was against the Chinese government's bloody oppression against the democratic movement of Chinese students, my activities caught the attention of some people in the Chinese government and their claws in America, they made use of very extreme ways, including "radio sound transmission", "radio brain stimulus", brutal "shrink of penis", and others, to oppress me cruelly. I had no way to go, after tried but failed to kill myself, I was sent back to my hometown, Guangzhou, China, in the middle of 1997.

On the Spring Festival of 1998, my mother (Ms.Yingxiu Chen) died suddenly due to hemorrhagic stroke, she was only 62 years old at that time.

After back to China, I continued my research on "Electronic Commerce", and explored new opportunities to start up my business. At the same time, I gradually recognized those people in Chinese government (including Botao Lv), their "walking dog", and their reactionary nature. Thus I stood up to firmly defend my human right and my intellectual property, I sued this "political group" (including Zeming Jiang) to the court, and fought against them very firmly and hard. I was locked into the mental hospitals in Guangzhou for five times, I was devastated very greatly in the sense of mental and physical health. I will preserve the right to seek their responsibility legally. Spending about ten years, I made a substantial progress for my effort. In the year of 2006, I got to know American friend, Mr.N.J.Slabbert on the Internet, thus I stood at the new starting point.

MY OPIONIONS ABOUT SOME ISSUES:

1) In 1993, I said to my American friend, Mr.Greg Kemnitz: "Isolate Chinese government, but help Chinese people."

2) In 1999, when NATO army mis-attacked by missile onto the Chinese Embassy in Yugoslavia, I expressed my angry by saying on the Internet: "Pray for the killeds, and protest to the killers."

3) In 2000, when discussing about "Capitalism in China", I asked on the Internet: "What capitalism do we need? Zhang's one? Or something else?"

4) In 2000, when I visited my relatives, Mr.Zhibin Ji and his wife Ms.Haiying Lin, in Shantou, they asked me if go back to America. I told them: "I will go back to America, because it is the base of research and development to me."

5) After "9.11 event" in 2001, I supported U.S. Government to fight firmly back against the terrorism in the world.

- 6) Facing with so-called “Chinese Internet Spirit” mentioned by some people, I proposed the proposition: “Internet: American Spirit, and Chinese Road”.
- 7) I believe: “Justice is peace”.
- 8) I insist: “Every people are equal at the front of law”.

SELF EVALUATION ABOUT ME:

- 1) Integrity, and kind
- 2) Patriotic (I love China, but I love America more.)
- 3) A dissenter against Chinese government (I oppose dictatorship and autocracy, but support democracy and rule of law. My experience has made me realize deeply that “liberty, human right, democracy, rule of law, equality, fraternity” are the universal values, they are very precious and very important. Thus, I am willing to contribute some of my energy to realized the democratization of the political system in China.)
- 4) Technologist (I am very optimistic and full of confidence about globalization.)

I and my family need your help urgently.

I have reported my case to Guangzhou Public Security Department through their online platform. I will wait for the response from them.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

**Best wishes,
James Yue Gee**

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Hello. I attached my case summary since I was in the US. My problem was mainly of organized stalking and CIA related anthropology professors. I did not get any e-harassment until I rejected their offer to become an insider - the second time was at this February. I put all the names as the lawyers I contacted kept referring me other places, like local bar associations. I just expose the names of CIA agents in my lists as that is the agency SJSU students were hired with the cover of NSA for surveillance of the university. There are anthropologists who worked for CIA was revealed by journalists, so I would like to let everyone know what anthropologists are doing with their privilege of being official government agents.

Thanks,
Miyko Goto (or JB in the FEDAME member)

I am proudly exposing CIA agents names in my case, as they killed my bird, Robin, and brainwashed another bird, Mooky. They might brainwashed my parents at Stanford Hospital when they were taken as a hostage for their plan. SJSU anthropologists are working for CIA. They tried to train me and work for Japanese Self Defense Force after one professor gave me some training in Arkansas. After I showed my intention to continue studying, the professor turned away to support the electronic harassment on me. I did not experienced any electronic harassment until I ran

away from my apartment in San Jose in February 2006. If taking a rosary at hospital for safety is questionable, then my case can be categorized as the violation of religious rights as well as the violation of International Law.

My case started from the discrimination at San Jose State University in March 2006. Sarah Lynn, the coordinator of Project SHINE and the Anthropology and Behavioural Science Club leader, started spreading my rumors in Dr. Roberto Gonzalez's Anth 187 class. She spread the information on my transcription saying that she found out from Project SHINE, and showed her hatred toward me openly in the class and encouraged other students to support the discrimination. Meanwhile, I had two spies, one is Michael Cole, in Dr. Sam's English Literature class. They often talked about how they were spying me in the classroom. When I asked the student advisor at the International Program Services, he did not replied. During that semester, Dr. Elizabeth Weiss, a Canadian physical anthropologist, was working on flirtation openly in her classroom and talked about her intention of making me to become her lover. During that semester, Dr. Gonzalez, who is responsible for the ABSC club which members were harassing, got engaged with Dr. Weiss. Later, Dr. English-Lueck, the anthro department chairwoman, asked me to talk with Dr. Sivertsen, the director of the Counselling Service. When I talked with her on Monday in the middle of the final exam week, she kept asking me if I was the one flirting with Dr. Weiss, which I denied. Dr. Elizabeth Weiss is a Republican and is (was? by now) a sex agent working for the United States. When I made a private meeting on Saturday, she told me how she had sexual relationships with famous physical anthropologists including Dr. Donald Johansen.

During Summer of 2006, I made another meeting with Dr. Sivertsen to ask if it would be fine to send Sarah Lynn's discrimination on an international student who received award at the Project SHINE volunteer site. From my point of view, it did not make sense as I was the only one received award in Dr. English-Lueck's Anth 142 in Fall 2005, and Sarah suddenly started spreading rumours about me since the beginning of March 2006. The meeting was on July 12th 2006. On July 18th 2006, someone stole the license plate from my car at my apartment. It was the second burglary happened to my car – the first break-in happened on March 9th 2005, and everything in my car was searched.

On the first class meeting for Dr. Meniketti's Monday night class, we had a group session and I had two classmates in my groups who were related to German. One student said she is German Mexican American. And the other one, Mike, told us he can speak German and asked me if I have German dictionary. In the next day at Dr. Simpkin's class, students were talking how they observed me in Dr. Meniketti's classroom and how they saw me showing Mike my German writing. (I was studying German as I had intention on Anthroposophy and was trying to read Rudolf Steiner's books) Later, the students claimed that writing was something related to Dr. Weiss. In Dr. Meniketti's and Ms. Judith Rosenberg's classroom, the school put surveillance cameras. The anthropology major students working in the library were monitoring me through the surveillance cameras.

On September 27th, I had another meeting with Dr. Sivertsen. I asked her if the information I talked in July was confidential or not. She assured that was confidential and told me the possibility of Harpa(?) the organization for students' right working for investigation. She warned me "You are none of American citizen" yet she said bring the case to lawsuit is only way if the police is not working for my case. I recorded this conversation and the transcription is available. At that night, I found some students were talking in my off-campus apartment hallway. They walked out from Rm #4209, which is a symmetric to my room #4219. They were talking how they mistook my "Knick-knick" (Native American incense) with "weed." They talked about "she got weed... she held it on purpose." and "Elizabeth has a weed detector." When I checked their residential status with the apartment manager, Mr. Ronald Feagan, an elderly Healthcare worker working at West San Jose, rented the room for a short time. Some students were living the rooms which supposed to be vacant on the computer record. (I learned they are NSA people as they said so when they tried to make me to become an insider. They drive out-of-state cars. They said that my parents would be killed and my record would be erased when I was hired.)

On October 5th 2006, I had a conference with Ms. Rosenberg about the preparation for WST, the English Exam to take upper division classes. The week before, the students were talking how Dr. Weiss changed her feeling and saying "Elizabeth fell in love with Miyoko. She is useless but very friendly." I recorded their conversation as they were talking in the hallway of Clerk building. From the students' conversation, I learned how Dr. Weiss and anthropologists made a plan to make her marry with me. Dr. Weiss was talking about the marriage with other students. Dr. Weiss explained them like "Yeah, she will become a Canadian." As I had no intention to marry with her, I tried to abandon the plan by sharing some Dr. Weiss' information in Dr. Ohala's LING-101 class on Wednesday, the day before the meeting. During the meeting, I heard Dr. Weiss crying loud in different room and she was comforted by some people. I recorded the conversation and you can hear her mourning very clear.

On October 10th 2006, the LING-101 students made a German spy conspiracy on me. Alex talked about how German spies identified themselves during WWII. Also, the group members asked me how my English speaking has German accent. I only answered them I know what umlauts looks like and they are called umlauts in one of the group assignment.

On October 12th 2006, I brought the evidences to SJSU police officer, Mr. Flits von der Hoek and the initial case number was # 060802058602. The officer at the counter said that he was on vacation till next Wednesday. Later at that afternoon, I had an early Dinner with my friend at Mimi's cafe in West San Jose. When I left to the bathroom, a short middle-aged woman wearing same khaki jacket said, "Wow, we wore same Eddie Bauer's Jacket!" in the bathroom. It was just like Alex's explanation – he said German spies say "we wear same hat" and exchange glances during the war. It was the day I visited the Harvest Ceremony – a 3-day church event at HP Pavilion – with my friend Hilda.

On October 14th 2006, I wrote some emails to Adriana, the Equal Opportunity manager who I filed the students' discrimination case for investigation, and Dr. Weiss.

On October 16th 2006, I was sent to Santa Clara Valley Medical Center Psychiatric Services. Around 4:30pm, I visited Homeland Security Office in San Jose to submit the students' discrimination. The officer at the entrance gave me a form to submit the evidences. Then I parked my car at 4th St garage across from the campus as usual and was heading to Dr. Meniketti's class from 6 o'clock. In front of the classroom, Dr. English-Lueck was standing in plain clothes. She asked me to have a small talk at her office on the 4th floor. When I followed her to the anthropology department, there were two university police officers, one is Sgt. John Laws and other was is a bronze medal winner and studied Judo in Tokai University. They told me that they received report that I was making suicidal comments and was thought as dangerous to others. Michael(?), the second officer, told me that I would be transported to Santa Clara Valley Medical Center Psychiatric Service, and later to El Camino Hospital. Then, they handcuffed me and took the battery from my voice recorder. (Luckily, I have these conversation available to share as well as the transcription!!!) At Santa Clara Valley Medical Center, the psychiatrist asked me how I was disturbing the marriage of Dr. Gonzalez and Dr. Weiss. I was asked to take urine test twice, and asked to sleep in the ward. At the security check, the African American guard took my 10-beads rosary claiming it as dangerous material and I would heart myself with it. I believe this is a violation of religious rights!!! The gard was checking my credit card record through the computer at the guard station.

In the morning of October 17th 2006, I was strapped and transferred to El Camino Hospital by an ambulance. Jeniffer, the Occupational Therapist originated from Hong Kong, kept asked me how I feel suicidal or depressed. Then, I was asked to take a survey had about 10 questions about depression and suicidal thoughts. As I had no depression, I just fill out the form as I felt. Then the people at the nursing station talked about how to make up and decided to use "Paranoia." There were SJSU students interns in the hospital. Dr. Kent, who is an old friend of Dr. Sivertsen, held group session almost everyday. My room was the corner next to the emergency exit. I think it was Rm. 101. The room sharing the same bathroom with mine had a notice of "24 hour monitoring" and an staut African American woman was on the bed. At the night of October 17th, I waked up figuring out my clothes are loose and my breast was almost revealed. From next night, the nurse gave me a double dose of sleeping pills. Also, I found a cultural anthropologist whose name is Mary in the hospital. She stayed in the room 108? for few days. One night she had few family members visiting her, and I found it was really her who I watched her documentary film about Chinese culture. I watched her film in Dr. English-Lueck's class. It is hard to find a parson who is capable of speaking Spanish, Mandarin, and English, and have the same voice that she spoke in the film. Because Adriana sent me an email, they changed their plan to kill me in the hospital. They said that it would be obvious a foreign student found dead so soon. In the morning of October 18th, I found two dots drown on the skin near the eye. The spot is similar to the one I saw in the picture of lobotomy surgery. The dots are between the eyes. I could not wake up from the bed until the time for the Dr. Kent's group therapy. That day, I felt dizzy until afternoon.

On Friday, October 20th 2006, Dr. Peter Newsom diagnosed me as "dangerous to others" and "gravely disabled." Since I was held for "72 hours hold," he wanted to extend it to "14 days hold." By speaking about Mental Patient Advocacy, Dr. Newsom offered me a deal of filling out "volunteering patient form" and told me that he would release me on next Monday. As I had no body to contact with because of the students' discrimination ruined all my relationships with their spreading rumors, I filled out the form. Then, I found bleeding from my bottom, virginal and anal, in morning, and I had frequent bloody nose. The SJSU student interns were talking about my physical features and talked about how Dr. Gonzalez raped me. They said that Dr. Weiss let him take my virgin as his first experience with woman was with her. (Dr. Gonzalez is a gay.) The people in the reception were talking how they duplicated the information on my brain and saying "her knowledge is shallow."

On Saturday, October 21st, the middle-age nurse asked me to call my parents in Japan. She made up the plan when to call them and helped me calling them at night from the office phone. I talked with my parents and said not to come as it was very dangerous.

On Monday, October 23rd 2006, Dr. Newsom was on a week conference trip to San Diego for Child Psychology meeting, Dr. Burr persuaded me to stay in the hospital. He asked me if I would stay if I knew my parents were visiting San Jose on Wednesday. Then Dr. Burr and the middle-age nurse persuaded me not to take action against the students and stop the investigation by the Equal Opportunity Services. I agreed in order to get out from the hospital.

On Wednesday, October 25th 2006, I called Dr. Sivertsen why she wrote a document for forced transportation to the mental hospital. She complained me that I was making accusation on students and she wanted to stop it. This voice recording and the transcription is available. About noon, I received a phone call from my mother saying that they arrived at the entrance of my apartment. However, when I got back, I found my apartment room door was unlocked and could not find my parents at all. When I talked about them with the apartment manager, she said that she saw them. Then Antonio, the handyman, followed me to my room to make sure about the door. I heard manager and others talking making plans to claim me as mentally ill by working on gaslighting. They also said that they took my parents as hostages. As I sensed danger, I visited Starbucks next to Egyptian Museum. There the stalkers made conversation about their plan of killing my parents in my apartment and makes me as the suspect. They said that Dr. Weiss has an old friend living in San Francisco, so she and Dr. Gonzalez could make alibi for that night. I drove to San Bruno Downtown and used Internet from another Starbucks to make my alibi. I phoned Dr. Glover that I would be absent for her LING101 at that night and told my plan to visit Napa for a short break after the discharge. Then, I visited another Starbucks in San Fransisco and sent email to a church friend for my alibi. I drove to the Cashcreek near Sacramento for that night, but it was full. So I stayed in the garage in Downtown Sacramento until next morning.

On Thursday, October 26th 2006, I submitted the copy of my CD-ROM evidence in the mailbox for the California governor. On my way wondering around in the North Bay, the organized stalkers seemed friendly. I heard several conversation that how they decided to make me to become an insider. As I already made alibi for that day in 4 hour distance from San Jose, I came back to my room at night. My room door was locked, but my bathroom light was on.

On Friday night about 10:30pm, I received a phone call from my parents. My mother had a cell phone, yet she did not call me since Wednesday noon. She said that they were staying in Crowne Plaza Hotel and were with Mr. Inaki, a translator living in San Francisco. On Saturday and Sunday, I met them at their hotel. My mother asked me several questions like if I ever worked in the US or how 'the director of human resource' looks like. It was as if my someone used my mother's mouth and making it speak up. (Later, I learned that they killed my parents at Stanford Hospital.)

I found out Sarah Lynn and Kaohang Lin were in the room on the third floor of the apartment. Dr. Weiss walked out with other students from Rm #4207 sometimes at night. They are working for CIA, as I learned their identities when some of the stalkers tried to make me to become an insider. They said that CIA hired some SJSU students with the cover of NSA.

Because of the betrayal of Dr. Weiss, I was again subjected to the stalking. I visited the Japanese Consulate General in Japan and had a meeting with the consulate general and a officer, Mr. Sasaki. The room was bugged. The consulate general told me that they were undercover officers and FBI was behind of it and not CIA. They suggested me to go back to Japan as soon as possible, and told me that I could settle a lawsuit from my country. However, I heard that the American stalkers talking that the Japanese government would sent me to a mental hospital as I received a mental health record in the US. I had no idea where to ask help, I entered the Consulate General of Russia and then the Consulate General of Germany (where I tried to share information of how American students put me a conspiracy of a German spy). There were some people talking pictures outside of the Consulate General buildings. Later, I was followed by the cars with Department of Defense.

On November 17th, someone at the Judicial Affairs Office at SJSU asked me to have meeting at 8:30am. As I visited a wrong building, they postponed the meeting to November 20th. As I had no idea why I had to attend the meeting, I did not show up. And they never contacted me again. I heard that the Anthropology professors and some students were planning to make false testimony to send me to jail this time.

On November 18th, AAA (American Anthropologist Association) had annual meeting in Hilton Hotel in San Jose, CA.

I came back to Japan on December 5th, and experienced the behavior change of my parents. They sometimes spoke in English and were as if spying on me. It was like their consciousness was switched off to act like robots. I do not why but when I ordered a wireless radio receiver, an airplane of Japanese American flight training school, Nice Air, was down with the cause unknown. It happened in San Jose. When I was checking some foreign intelligence websites, my father made direct suggestion about the Self Defense Force. Actually, when I was studying German and French at night, I heard my parents talking in English that "Elizabeth would love this..."

On February 1st, I went back to San Jose to clean my room. As I heard stalkers talking about the training Dr. Weiss would give me, I was aware of their friendliness. When I rent a car at Herz in SFO, the clerk received a phone call and told me that they did not have corolla type and offered me a 4WD for Gold Member with the same price for small car.

At that night I noticed people in the room above talking about how Dr. Weiss persuaded students and wanted to train me in Arkansas. However, when I spoke up my intention to study in Sorbonne, I heard Dr. Weiss screaming "Dr. Gozalez is better!" Then, I was again threatened by the stalkers living in my apartment, and I ran away to Southern California for my safety. I started hearing voices on my way to San Diego.

In Germany, I heard Japanese speakers using “voice to skull” saying that they would make me to be a cyborg. During my trip in that country, I found out that I lost some sense of direction and other temporal mental confusion. My body function became wired, also.

I do experienced some gaslighting and organized stalking when I become a refugee. Actually, what the US government agencies done gave me enough evidences to support my stories. I regret that I should have taken more pictures of NSA and DOD, as they always stayed in the same motels. Just like other refugees, I ran away from my apartment and had to abandon my properties like my car, my PCs, my furnitures, etc. I experienced false forced imprisonment which often happens in fascist or communist countries. I also experienced threatening of assassination with my parents or alone. More importantly, I learned the organized stalkers' connection with Japanese Self Defense Force Counter Intelligence Unit. (Dr. Meniketti, Dr. Gonzalez, Dr. English-Lueck, Dr. Weiss, Dr. Darrah, Dr. Lenge, and few more SJSU anthro professors work for CIA. Also the new dean of Linguistics Department, Dr. Ohala is working for the agency. *For FEDAME person, if you think this CIA information is too much please omit it. I am exposing them before the coming AAA meeting for this year in order to protest against the exploitation of the study field and power harassment by CIA.)

I heard their plan of assassination this time, I ran away to Europe. I travelled to Germany, UK, France, the Netherlands, and then to Switzerland where I became a refugee. Electronic harassment have not started until I reject the offer of training from Dr. Weiss. Her family work for the US government. They have been working for this New Phoenix program since they were in Germany few decades ago – Dr. Weiss's father works for the US army. Dr. Weiss married with a Canadian to get contact with Canadian physical anthropologists. It is just like what Dr. Cameron did – working for MKULTRA in both Canda and USA. I know some more about their inside stories as I was asked to become an insider in my country.

The criminal use of these on me are causing the following effects -

Voice Hearing – This started from February 2006 after I rejected the offer of taking training from Dr. Weiss. First, the voices were in English and the voices were responding to my thoughts in English. However, when I noticed some Japanese people speaking, I only hear people talking in Japanese and they cannot respond me in my thinking in English. It seems the SJSU students received this harassment devices to contact with their bosses. One time I heard a student shouting, “The governor, the State of California, the governor, the State of California...” Probably that students was fooled by someone else, or really working for the Republicans. Everyone tried to protect Dr. Weiss, who has been working for CIA since the youth member when she was studying for her SJSC degree. As she tried to make a special relationship, I learned more.

Disabled Sense of Direction – this happened when I travelled to Germany. After I ran away to England, I got my sense of direction and calmness back.

Sleep Disturbance – While I was in the United States in February and in Germany, I had heard time sleeping. I experienced as if I had adrenaline rush and could not sleep. It was strange as when I saw Bundes-Wehr cars with rosary anchoring near my hostels in Muechen, I could not had such problem. It started after I got back from the short trip to Weimar, where I again saw several Bundes-Wehr cars near my hotel.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a Japanese victim of mind control. When I recognized of being mind raped, through TV programs in August 1998, I didn't have any knowledge of this sort of technologies and I had to bring myself in great confusion and fear. I believe every one must have understanding on this problem in order to defend oneself from sudden unexpected attacks.

I was able to recover my health thanks to the member of the **Mind Control Victims Association of Japan**. There are need for the effort of world-wide people to cease the experimentation itself. We must hurry up and reduce as many human sacrifices as possible.

As I wrote in the title page, I was virtually not a satellite prisoner until media attacks occurred to me in 1998. I explain how media make offense with examples for those who are not familiar to this problem.

It is not difficult to decide if you are targeted by media or not because targeted victims meet kinds of offense below almost every day.

Common types of harassing method:

1. Visual Surveillance-

TV and radio performers describe what I wear, what I am eating, what are there in my room, what I see, what I am reading and so on.

2.Thought Reading -

They refer to what I am thinking upon in my head. The names of friends of mine, answers in quiz show, my remarks, questions, jokes and any messages. Some of them appear in headline of newspapers, title of cartoon films, big signs and so on.

3.Personal Information Collected By 24 Hour Surveillance -

Distinctive topics and events which occur to me in the day or past are often mentioned in various ways.

4. Others

Shops I visit in daytime are covered in evening news. Featured articles which remind me of my bad memories. Sexual harassing comments and commercials. Frequent mention on facts which are peculiar to me.

Simple conversation is possible, as far as they can respond on air. Some of my idea are developed and complemented to be published in literature. A shabby performer called my name in a live show and he is struck on his head by another entertainer. Nevertheless I refrained from TV, radios in streets and shops are used in harassments. Huge screen vision was once used.

I frequently met bizarre comments by University Professors since I entered the Science Faculty of Kyoto University in 1992. It is certain many people in universities are working on the operations of these kinds of human experiments. It seems they are executing standard procedures of experimentation.

Direct mind assaults by people are much more cruel than distant mind assaults by media. I had been already in fear of leaking my privacy when I entered graduate school of mathematics of Hokkaido University in 1999 because I was trapped in a satellite prison by media assaults a year before.

Mind invasive attacks were launched on me shortly in Hokkaido university. Although the attacks become more and more severe as day and month pass, I could not resist because I had been already suppressed by 24 hour surveillance with media. I was severely mentally damaged because of violence by a person who retired graduate course and I had no way but to get away from the university at last.

In Japan there is no public people who admit these cruel human experiments. Many people continue to collude in these sinister operations.

CARRIERS OF BIZARRE COMMENTS:

In Kyoto university-

Mathematicians, physicists, linguists, sociologists and professors of information science in the faculty of science, in the faculty of integrated human studies and in the faculty of education.

In Hokkaido university-

Mathematicians, physicists and chemists in the science faculty. Some other professors in other faculties. Many mathematicians around Japan and some mathematicians visited here from foreign countries. Graduate students and a person who retired graduate course.

TYPES OF VOICE SOURCE:

- (i)People
- (ii)Media
- (iii)Brain Voice

I am a victim of i and ii. I suppose victims do not suffer all of three methods, since he/she must be very hard to live any longer if a person met all of them. There may be other ways of verbal harassing methods.

One of the main objects of verbal harassment is to remind victims of 24 hour surveillance. The contents of verbal harassing message are much in common in either three cases as far as I can judge by my experience and story of other victims. It is conceivable they are operating in the same task flow of human experimentation.

Each attack methods have their own characteristics.

1. People to cause problems in relationships to other people. To obstruct victims' work opportunities.
2. Media to change subjects' senses of values. To attack the reality of victims. To make panic.
3. Brain voice to make subjects' to misunderstand they are ill. To disturb sleep.

Operations 1. and 2. can continue to take place without make victims aware of them. If a victim recognize the existence of mind control around him, it is urgent for him to escape from mind control as soon as possible and to minimize his losses. For that purpose, people need understand what mind control experiments is, we need sufficient support for victims and we need sufficient available information.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I SUPPORT THE ABOLISHING OF NEUROLOGICAL WEAPONS USED TO TORTURE AND HARM INNOCENT PEOPLE. THIS MUST BE DONE NOW!

I have been a victim of DIRECTED ENERGY and NEUROLOGICAL WEAPONS as well as ORGANIZED STALKING for six years now as has my son. Something needs to be done to stop these abhorrent acts of inhumanity. Not only are adults suffering but children also. I've seen my son go through hell with torture being done to him as well as suicidal tendencies. He is now only 13yo.

1. People entering my home and damaging possessions
2. Stalking
3. Sleep patterns affected
4. Impulses to harm self or others (out of character)
5. Unexplained pains and migraines
6. Gaslighting
7. Excessive heat even in freezing weather (like being cooked)
8. Thought control and impulse control

Please stop this horrendous behaviour to innocent men, women and children. The American and/or affiliated

governments who are doing this have to be brought to accountability for the harm these 'experiments' are doing.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

7/4/11

Dear Sir,

My name is Kyung-guk Ha. I'm a Korean. I live in Mokpo, South Korea. I'm a victim of directed energy weapons torture and organized stalking.

I have suffered from directed energy weapons which influence and communicate with the brain and human nervous system since 1990. I'm still experiencing torture with directed energy weapons.

Perpertrators of this torture are in a remote location and torture me with directed energy weapons.

The main mind control symptoms are:

1. Microwave hearing
2. Transmission of specific commands into the subconscious
3. Visual disturbances, visual hallucinations
4. Inject words, numbers into brain via electromagnetic radiation waves
5. Manipulation of emotions
6. Reading thoughts remotely
7. Causing pain to any nerve of the body.
8. Seeing, as in a camera, through your eyes, i.e. to see what you see exactly
9. Control of sleep patterns.
10. Computer-brain interface, control and communication
11. Complex control of the brain such as retrieving memories (See <http://www.mindjustice.org/symptoms.htm>)

Because of torture with directed energy weapons, I can't think properly.

In the Congress of the USA, the congressman Dennis J. Kucinich, on October 2, 2001, presented a bill proposing Permanent Ban on Basing of Weapons in Space. Among the weapons to which the ban should pertain there were listed systems: "inflicting death or injury on, or damaging or destroying, a person(or biological life, bodily health, mental health, or physical and economic well-being of a person) - Through the use of land-based, sea-based, or space-based systems using radiation, electromagnetic, psychotronic, sonic, laser, or other energies directed at individual persons or targeted populations for the purpose of information war, mood management, or mind control of such persons or populations"

The weapons were characterized as "psychotronic" in Rep. Dennis Kucinich's draft of House Resolution 2977, the Space Preservation Act of 2001.

According to the petition website of the USA, the petition revealed that American Government's Satellite Mind Control Daily Worldwide Attack Teams belongs to its Echelon Global Spy System/Network. (See Attachment #1)

Please help stop and uncover this inhuman practice.

Sincerely yours, Kyung-guk Ha(South Korea)

DEAR SIR/MADAM, (to HUMAN RIGHTS WATCH)

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST AND ABUSE USING DIRECTED ENERGY PSYCHOTRONIC NEUROLOGICAL WEAPONS OR REMOTE MANIPULATION TECHNOLOGY. FOR NON-CONSENTUAL HUMAN EXPERIMENTATION THIS PROBLEM IS A SILENT EPIDEMIC WORLD WIDE.

I BECAME AWARE OF MY ATTACK IN 1990.

I am a Victim of Electronic Harassment/ Mind Control/Directed Energy Weapons/ Organized Stalking and Torture.

Torture with Directed Energy Weapons is currently done to me in South Korea.

I live in Mokpo, South Korea. My nationality is Korean.

I was first targeted starting in 1990.

The perpetrators said to me, "We have committed a crime against me for 28 years."

My name is Kyung-guk Ha. I'm a Korean. I live in Mokpo, South Korea.

I'm a victim of directed energy weapons(psychotronic weapons, another common term for mind control technology) torture and organized stalking.

I have suffered from directed energy weapons which influence and communicate with the brain and human nervous system since 1990. I'm still experiencing torture with directed energy weapons.

The perpetrators' ceaseless surveillance, intimidation and torture of me 24 hours a day - 365 days a year(through Christmas, Easter and Thanksgiving as well) is an ATROCITY.

I sent my email to the International Committee of the Red Cross but the ICRC didn't respond to me.

My directed energy weapons(psychotronic weapons) torture and organized stalking problem is not solved yet.

Best wishes,
Sincerely yours,
Kyung-guk Ha(South Korea)

28 year old part time biotechnology student / part time hospital attendant living in Melbourne Australia.

Subtle faint voices increasing in frequency and duration until May 2002 upon which very clear auditory sessions lasting hours had then began. Voices were accompanied by faint silhouettes of eyes representing typical depictions

of aliens as seen in popular culture. I assume this was intended to persuade me to think of this as the source of the broadcasts.

Incessant since May 2002, dropping of in intensity approximately twelve months later, being slowly replaced by sub vocal mannerisms in the form of noticeable emotional responses very unlike my own, interference in normal emotion and demeanor, interrupted thinking processes with short random intelligible statements with unpleasant emotional associations.

Social withdrawal, isolation and social phobia has been increased in past 6 years. Difficulty in intimate relationships although all working relationships are fine. Allowed to maintain good working performance, but reduced performance in all other areas, especially in ability to command language, reason and think uninterrupted. Instigators have encouraged self loathing, and lowered self expectation. Very little confidence in achieving outcomes in employment, general social activities and other basic activities of daily life without hindrance or persecution.

Please send specific questions for making a case summary.

My name is Haruka in Japan. My assailant is DSGE & CIA & Cult Soka from Japan.
I am a victim to be used the Electromagnetic Wave with the Satellite, which Cult Soka Gakkai has.
They have been using this weapon for me since 2003 October.

I think There are already more than 2,000 ~5,000 victims by Cult Soka Gakkai In Japan.

To help the victims,
First I tried to contact with CIA and succeeded it.
But some Jew CIA suddenly are excited on the way to take the mission to destroy the Soka Gakkai to be "cancer" with it on 2007 June.

And at last they started to force me to suffer with their crazy exclamation as the "Jew's suffer".
Some young CIA tried to stop their terrible torture for me, but their exiting was increase harder.

To stop their torture, I sent the DSGE (French Spy) in 2007, Sep.
Now I am talking with DSGE in my mind in French, too.

But DSGE got to be the assailant for me.

Please come to my site too.
I prepare to accuse this 2 organizations because of illegal torture against the global law.

Now I prepare to accuse the CIA to the Embassy in Japan for CIA's terrible torture and the killing of human rights violations for such a long time, about the 1 year and 3 months, 24 hours all the day.

I have the only , but the most important evidence , information about their " killing the men(Cult Soka Gakkai) to be " cancer" in this Satelite weapon.

Because the men CIA took the mission is the Cult Soka Gakkai of my assailant .

This is the Cult Soka Gakkai of 'Hidding ' place the below They are doing the fraud as the organization to pretend the fake mental patient, and there is one " machine (Satelite weapon) in this Mental Hospital. ;

邓小姐，一个在中关村IT企业上班的白领。十一临近，邓小姐准备出门旅游，好好缓解一下工作压力，但是黄金周出行难买票是人所共知的事情。

不愧是在IT企业上班的人，邓小姐在网上广泛搜集搏票经验，亲身去火车站询问，并制定了若干备选方案。

这天下午四点多，邓小姐提前向老板请假，坐上公交，在一路为自己钱包操心的心情中来到了北京西站。这时，邓小姐才发现每个窗口都已经排了至少二十个人，都是在等着放票，没办法邓小姐只好耐心排队等候。

等了好几个小时，终于等到放票的时候，大家人头攒动，纷纷向前拥，邓小姐也开始拼命往前挤，同时还不得不看好自己的钱包。挤了半小时，终于来到窗口，说了要买的票，售票员就好心的开始帮忙刷票，刷了五分钟，最后告诉邓小姐说，“今天放的票已经卖完了……。”

邓小姐拖着又累又饿的身体回到家，在网上向自己的朋友诉苦。

朋友嘲笑她，“你居然还去排队买火车票？挤死你，而且还不一定买到票！有很多人买了票以后，可能临时取消，在网上转让这些票，你试试一家叫[酷讯](#)的火车票搜索网站，能够自动帮你找到你所需要的火车票信息，你试试，说不定能帮上你的忙。”

邓小姐半信半疑，登上[酷讯](#)的火车票搜索以后，开始查找自己所需要的火车票。不一会儿，果然找到自己所需要的火车票，邓小姐赶紧打电话过去，很顺利地买到了所需要的火车票，这令邓小姐高兴不已。

如果您十一出行也像轻松方便地找到火车票，不妨试试[酷讯火车票](#)，这里将让你的出行更加简单。

请不要让去拥挤的火车站排队买票成为你美好旅程的起点和终点。来[酷讯火车票](#)搜索吧，一切就是那么简单！

Each officer leadership Congress I was subjected to unlawful surveillance and persecution they are using similar brain control weapon such equipment below I will put my years have done detailed speaking
In 2006 when I was still in school student at the Nantong Textile Vocational Technology College as young gas wins provoked some gangsters. Then I heard from some punks about me and my family situation said all the time when I would suspect that I was being monitored and a situation I would say that my family and the downstairs neighbor relationship is very poor the old lady downstairs with neurasthenia and sleep well at night as a result of long-term misunderstanding she thinks my family always deliberately sound made her sleep on the used sticks to knock knock at knock ceiling day make us sleep well my house and the old family this happened many conflicts that old house please some government background to help these people sometimes to the old home I heard them talking feeling for the old people to our home is also known for example once old son will come to my house to unreasonably trouble at once and he said don't urge you take what others and fight for my family have relatives in procuratorate of Public Security Bureau of the people say that obviously know my situation a few times I heard the voice of unknown origin is two People talk about me and my situation once my mom just wake up and talk to me of the unknown source of sound to talk about my mom's dress that is still remember the time I heard the unknown source of sound to talk about me and my family. I feel to be monitored at that time I thought someone in what can be observed in my view of installation the monitor I deliberately at the direction of his fist to hear clear voice said one I know being monitored. Another time I at home in the vicinity of the basketball playing is also unknown two sounds they talk about me to play every action that I act like a professional athlete is really such as I have trained more than I say these things in 06 years and 07 years when these sounds also appeared only occasionally I concluded that I might be illegal monitoring them may my attention in my neighborhood installation of the perturbation of the head peeping my situation I think these people are black the society is more likely in 2007 October, my family moved to a new house a nightmare began I begin to hear from an unknown source Spitting sound and I the most sensitive and doesn't like spit spit the sound is the sound is a model like far away 24 hours are the spitting sound and the voice onset time is especially according to what I hear and see what a particular I sleep at night when I breath a most relaxing and most weak when the sound sent out let me extremely uncomfortable I call these sounds immediately spit acoustic stimulation I I meditation called immediately they spit out a sound stimulus on my way in the car as long as my ears to hear what about my good spitting sound immediately stimulate me I wonder what the hell is going on 09 years in March were the parents of hospitalized unexpectedly in hospital when the spitting sound special opportunity particularly vicious out like a lawless elements to monitor all of you send this sound like you in the hospital. At that time the spitting sound haven't stopped some things more interesting I experiment under the sleep time or wear a lot of clothes when I arm force was silent heart Read called this group of persecution (I have identified molecular is definitely human persecution) I sent a force of the voice that still in the hospital with mental patients when I heard the sound of fear the fear that I definitely is the artificial persecution my family moved to a new home after hearing the two sound talking is when I go to sleep but I was awake again a voice said that this instrument is Taiwan can detect what another voice reply did not know (I thought my family was installed to monitor the bug in the online search pinhole camera apparatus is a product of Taiwan) the back

also said something small voice didn't hear another time I can't sleep (I can't sleep well with neurasthenia) he heard a voice saying how he so tired another voice that gave birth to this disease is that until this time I also think there is one in my family has installed monitor detectaphone later something make me change the perception of time on the way to see a woman pretty much look for some time now The spitting sound appear immediately I think way may not everywhere in the road by the monitor . I spit acoustic harassment when intentional facial muscles moved an the spitting sound immediately sends out me snicker these people laugh once the spitting sound immediately sent out to say funny on my way home is through these case may not be the monitor there is working in my factory I go these sounds as there are persecuting you working spirit in my factory rest sleep breathing is small or the kind of situation in my breath when the relaxation is the most weak when the spitting sound is always " timely" appeared to hurt my breath feel these let me feel incredible I very painful search on the Internet about my explanation inadvertently see brain control which said the situation was and my situation strikingly similar when I put these online brain control information to my family when I was hear fear scared voice seems to have feared the truth was revealed and voice. And it is especially interesting since I know it is illegal for brain control machine persecuted me after this sound change little more especially on the road becomes much smaller it is artificial the performance of a guilty conscience I is now the counterfeiter by spitting sound persecution exhausted heart problems and stomach the liver is gas very uncomfortable at night to eat in the hospital with drugs also can't sleep I very much hope of leading police officers can help me this persecution of ordinary people I would like to ask the public security department has checked by electromagnetic wave radiation instruments have the examination of human blood components where it from the Internet that the group generally illegal molecular is used in electromagnetic wave equipment so want public security department to check all expenses can I thank you

My English is very poor translation software used if my humble can help the public to eradicate these harmful brain control . I will be very happy thank you

THIS IS MY COUNTRY PRIME MINISTER WEN JIABAO LETTER

Beloved Premier Wen I am an ordinary citizen by the end of 07 in the home to hear unknown direction of spitting sound is the sound I most don't like to listen to the voice of but at the end of 07 the noise 24 hours without stop harassing me and according to my words to a time out and persecution of my spirit in March 09, but in the hospital inpatient treatment but high doses of the drug situation this sound more serious than usual during my stay in the hospital this voice has always been loud with sleep at night the sound frequency increase as I was in the hospital and they sleep well and is a chance this spit vocal has great discrimination. Is a kind of mode and normal hearing the spitting sound has the very big difference I have this pain to now take no effect it seriously interferes with my life and work in 2009 November occasionally on the Internet about the brain control brain control the victimization and my situation is strikingly similar to even more amazing is when I know and that is someone with a head control apparatus persecute me after the spitting sound becomes small I think it Is likely to be the brain controlled molecular know I know the truth after a fear reaction in the persecution of this period of time I have been to some place far away from the home of more than 400 kilometers away from my home so far found the spitting sound more small this is my general hope Prime Minister able to observe some people in China use mind control weapon poison

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

May 25, 2005, Boston - First Report of Chinese Targeted Individuals Chinese Microwave Exposure Deadly Electronic Weapons - Zhang Huimin, a former Asia Weekly reporter cites Electromagnetic targeting after receiving asylum in The United States in 2003. <http://www.mindjustice.org>

An Urgent Plead from a Political Asylum: Victims of Chinese Electromagnetic Weapons.

My name is Huimin. In 2001, I was a journalist working for the Asia Weekly which is based in Hong Kong and Shenzhen, China. Because of my poignant reports on an Explosion case which had been covered up by the CCP government. I received political persecution. Soon I was deprived of my job and other work opportunities. I had no other alternative but to seek asylum in the United States, fearing further persecution from the Chinese government. I got the asylum from the US government in April 2003. Shortly after which I got a teaching job at the Pacific University in California, and received high evaluation from the Department of Modern Language and Literature.

Starting from spring 2004, every sign indicated that the political persecution from the Chinese government has returned. The Chinese agents taped and cut off my telephone line, email, broken into my room, robbed me of important documents, hiked into my PC system, controlled my Internet activities, and at different times followed me. A series of strange events have happened to me, and they are frightening. **The most frightening is the usage of the invisible electromagnetic waves that virtually deprived me of any sense of well-being. Not only were my brain and body attacked, my sleep deprived, but also my sense of direction was disoriented. My emotion was under Control, and sometimes I sense that they are capable of reading my thoughts, if not seeing what I see. The attack of these unseen electromagnetic waves is often a direct response to my emotional swings, and I figure that the use of mind control machine or thoughts reading is involved in this high-tech surveillance.**

The persecution continued after I returned to Boston. In the summer of 2004, and at the moment I am constantly under the attack from electromagnetic Waves, which affect different parts of my body, eyes, heart, nose, brain, and have visibly, undermined my health condition. They have now taken over my breath, and at one time made my eyes swollen through continuous attack. I was kept awake at nights, and sometimes hide myself in the closet to escape from the merciless invasion. My own experiences drove me into extensive research, and I discovered that at least two other Chinese intellectuals are under similar electromagnetic execution. One of them is Chen Yuansen, a writer who as received Canadian political protection for his writing that recounts the brutal history during the and Reform, a history that has been hitherto kept as secret by the CCP. Another man has received such attack for over 30 years, ever since the 70's, because of his refusal to cooperate during the Cultural Revolution. The man is now in the US. The personal accounts of these two victims are enclosed. Another case in Fujian, a southern province in China, recounts alarming happenings of people being threatened by such electromagnetic weapon, although the attack seems to have come from the civilians, not the government. The descriptions of the attack fit well with the specific functions of the Russian Psychoacoustics weapon that are now on the market, according to the Opal journal. This information is also enclosed here.

I am relating these events of cruel persecution and my suspicions to FBI, so that you can assess them yourself to see if there may be a calculated political force behind all these physical and spiritual persecution that undermined my well being based on my asylum status. The constant attack of the electromagnetic waves is a direct threat to my life, and my friends witness how my health determinate over the past few months. I have no peace of mind either in my own apartment or outside, when those faceless agents keep stalking me. Right now I bring my bag with me wherever I fear that something will disappear. The electromagnetic waves can kill in a second, and many nights I wonder if this is my last night. At this moment, I am breathing hard through my mouth, and my throat is in pain. In this hour of utter anguish and despair, let me state this to you: If I am killed or die over some accident, it is not an Accident, but murder.

Your generous country has given me political protection at my needy moment, and now, as a political asylum in US who suffers from merciless persecution from China, her motherland she thought she has left behind, I seek urgently and desperately your generous help again. The CCP's relentless utilization of the electromagnetic weapon against a political asylum on The American land is a crime against humanity. My fear is, my case is only a tip of the ice burg.

About me, I would like to do some self-introduction, I am a Chinese student, October 26, 1990's birthday, always thought that I was lucky because born in a happy family, but one thing has changed my life, since I am no longer happy together, from a happy person into a world I thought it was the most painful, and the matter is this! June 2004 It was a summer evening irritability, sleep on the third floor in my mother-in-law suddenly heard a voice, as if issuing from the wall to the other side, I felt that my control has become a way of thinking, like what that person will repeat, and then I did not know anything that can hear my mother, I and my mother said that I heard a man speak, my mother said it was impossible, and then I feel there are obstacles to the kind of mind is only painful in bed that I'm going to commit suicide, I thought that I hope my voice is dead, did not know he was a man of brain experiments, was not how my mind will dominate and sometimes by their own fear of their own for no reason at all afraid to do wrong will Being attacked from the beginning of their parents on the day wondering whether I am mentally ill, the summer took me to a lot of mental hospitals to see the doctor, my mother lied to me said to travel to Shanghai, I believe that until I saw to the psychiatric hospital, I only to find they do not believe I thought I was really sick, but I know that although I do not have the brain but I will be as flexible as a normal way of thinking clearly, logically speaking there is not the kind of mental condition, the only doctor they said that I The reason is that the mentally ill have I heard men speak, to repeat what I have been trying to say, I know what he feared leaks that do not own anything, from me to the hospital, the family always thought that I have schizophrenia, and then to call me a drug risperidone, the first thing I eat a lot every day, I can not get up in bed, after the situation is even worse, sometimes he would pretend that I am the voice of the students or friends called me, insult me , said to hurt our poor self-esteem, I can not say that I am a man, and then I really do not know the beginning I thought it was the curse of the students I also call him at home, the parents really believe that I am sick of. I am a very hard child to learn that year when I first started on the first two days because of this incident I could not test test test side while I blocked my way of thinking, he let me listen to his words, but then I have overcome this difficulty, themselves from his efforts to influence, simply do not want to listen to, I repeat the first two days, but because I did not want to listen, he made me feel intimidated and I also I do not listen do not let me learn, I just repeat the study when The first teacher that I am fine, he can not he affected me, so he let me learn more and do not go faster until the junior high school graduation, I basically do not get what all places, with their parents said they would only say that I am subjective to learn not called me looking for an excuse to test the high school I was not very good, and then the parents took me to buy the 30,000 high school focused on learning the focus of high school because I do not get some people in front of them to my face that I have a mentally retarded, in fact, I really worked very hard but no matter how the efforts of their own mind I feel like there is no way to control the mind into

something. Later I found my aunt gave a good basis for post-secondary school and I also just get a good test, but time is not long since crowded into things, I just simply can not cope with school exams are avoiding each examination, not stop test is to leave, because the principal and my aunt has been cooked keep me, but you do not know how hard I have sometimes almost see the eyes that are blind in mind or do not go in, his voice growing, I feel brain, like playing up the local anesthetics are sometimes simply can not get to sleep, the brain in pain, often felt the brain was tightly grasping things, and then very much a headache, but then I have to test my heart I do not want their parents to learn not that day I want to go jumping off a building, but their will suddenly be changed the same as the beginning of fear of death, I know that my brain, his research was not yet over, because I do not want to be parents to test the hard beat, Later, they also gave up, saying that if I did not get even a school, look at the computer at home recently found that the human brain experiment found that many articles compare their situation with the same symptoms, sometimes by electric shocks to the kind of physical pain, lumbar also very much like open numbness, and sometimes paralysis of the body want to move as there is no way, I would like to do before his wife found a lot of things are not like the reasons for their control of the brain was the same.

When I was small I often feel stupid to learn than others, not sleep, there is beauty because I was at that time the whole day for no reason at all thin people are lazy to even put the toilet are unwilling to let go of urine in the room was more to come The more obese a lazy day, the brain is fat on their mind watching feel the minds of countless legs are split open feel fat! I have a lot of painful experience, one time too many, I only hope someone can help me, because I still hear that voice, is a man!

现在向你们举报一个十分特殊的犯罪嫌疑人。由于她用特异功能法术犯有多项罪行（主要包括向全世界人民施“精神控制术”和“人体控制术”、用特异功能法术使中国政府出了一大批“贪官污吏”（主要用“定功”向这些人“丢”了很多令他们变自私、贪心和好色的“业力”）和企图前往美国使美国政府也出现一大批“贪官污吏”等罪行），由于她的罪行严重地影响了人类的和平与可持续发展（有可能引起地球毁灭！），特恳请你们对她进行严格测谎，了解她去美国的目的和她的以上罪行是否成立。如果此人已去美国，你们也应对她进行长期监控、盘查！此人目前很可能刚从澳大利亚返回中国不久，目前正在北京附近的承德市做短期停留，随后即企图赴美。

此人（其个人资料见最后面）主要涉嫌犯有以下罪行：

（1）：未经许可，擅自向全世界人民施了“精神控制术”和“人体控制术”对全世界人民（包括世界各国领导人、总统、总理、首相及女王等）搞“精神控制”和“人体控制”，只是一般情况下她不会显出来或不会明显地显出来而被人们所发现！因此，她不仅可以随时了解全世界人民的想法，还可与任何一个人做显性或隐性地短期或长期地交流（可以是说话，也可只是在被施术者大脑中起心动念，由于此人有两天“定功”，因此，此人可以影响甚至操控人们的思想和言行）。

她的“人体控制术”是在“精神控制术”的基础上，从佛教高僧——

六祖慧能大师那里得来的灵感。因此，她精通如何用特异功能法术（而非测谎仪、人脑扫描仪、脑电图仪等高科技设施）控制人的眼、耳、鼻、舌、身、意（即思想）。这致使全世界人民几乎每一个人（包括普通平民、小孩甚至婴儿）的脑电波都将出现异常现象（可请相关领域专家检测鉴定）——

很可能检测出每个人的脑电波中还重叠着另外一个人的脑电波。由于另外这个人有两天“定功”的特异功能力量，因此，她可使每一个被施术者都显示出存在特异功能力量！因此，几乎每一个人的大脑中都存在“异己思想”——

每个人的大脑中冒出的念头、思想并非全部都是自己的，因为另有其人经常会在自己的大脑中起心动念！几乎每一个人的大脑中都存在和“异己力

量”——即存在上述特异功能力量。因此，可以猜得到，如不合那个人的意，那个人就可能用2天的“定功”影响一个人的日常生活、人际关系等。这个人是通过复制她的灵魂（她现在已经不能复制了）“放进”别人的大脑或身体中实现对他人的“精神控制”和“人体控制”的。总的说来，普通人的大脑中至少有一个她的复制灵魂，而名人，比如：总统、总理、安全部长、公安部长之类世界各国政府要人的大脑中往往至少有50——100个她的复制灵魂被用于她对上述人搞“精神控制”和“人体控制”。而这些用于她搞“精神控制”和“人体控制”的复制灵魂是“不走”的，是终生甚至永生永世不走的！她这么做的目的并非仅仅只是为了解全世界每一个人的所思所想或盗取其中一些优秀人士的智慧、才能、专利思想、知识产权机密、政治机密，而是还有强烈的政治目的——

她企图通过搞“精神控制”和“人体控制”逐个消灭所有不听话的气功师、特异功能大师、中国佛教、道教及世界上其它宗教中所有有“禅定功夫”或“定功”的修行人、特异功能人士，以至于到最后全世界只剩下她一个人才有特异功能，然后再继续消灭世界各国主流社会中反对她通过搞“精神控制”和“人体控制”统治全世界当“生生世世的武泽天一妻多夫式”“世界女皇帝”。她说“她要找不同肤色的男人做丈夫，这样，世界就不会打仗了，就和平了！”这个人就是武泽天的转世。她当年当上中国历史上唯一的一个拥有多个“男宠”或“面首”的娼妓女皇帝显然是用特异功能法术对中国人民搞了“精神控制”和“人体控制”才办到的。现在，她又故伎重演，企图用同样方式对全世界人民搞“精神控制”和“人体控制”当上“统治全世界人民的武泽天式的”“世界女皇帝”！由于种种原因，她认为目前机缘正好，是成熟的！

(2)：未经许可，擅自把全世界人民的大脑用特异功能法术进行了“改造”，联成了一个为她一个人所用的“人脑互联网”。这样她就可以很方便地从其中任何一个人的大脑中调取、偷窃、复制她想要的知识、智慧、才能、生理基因、性格、习惯，以及人们的运气、财气、福气、贵气了！因此，她偷盗了不少人的智慧、才能、思想和不少美女的基因！

(3)：由于她有强烈的政治目的——企图在人们盛传的“世界末日”——

1999年之后若干年之内当上“统治全世界的生生世世的武泽天式的世界女皇帝”，不久前，她企图在同一时间谋害中国总理温家宝、美国总统乔治·布什和澳大利亚总理。为此，她之前专门做过试验——

用特异功能活生生地谋杀了美国著名管理思想家、管理大师彼得·杜拉克和著名企业家、富婆玫琳凯女士并用特异功能法术使他们投生到中国去了！她如此做除了为了拿他们做试验，还为了“拿”他们的福气、贵气、寿命从而为不久之后她当“生生世世的武泽天式世界女皇帝”做准备。除此之外，她还用特异功能谋杀了中国香港著名富豪霍英东、龚如心、本人的父亲及不久前去世的北京著名表演艺术家马季、侯耀文（他们也是富豪）！而其目的同上！

(4)：企图用特异功能方式推翻中国政府、美国政府及其它世界各国政府。为此，她用特异功能使中国政府出了一大批“贪官污吏”（她用两天“定功”往这些人身上加了很多“自私、贪心和好色”方面的邪恶东西），而这些人往往是共产党的骨干分子。现在，她声称将前往美国用同样方式在美国政府中也搞出一大批“贪官污吏”来。

(5)：她曾用特异功能发动了“美国对伊朗、美国对兰斯拉夫、美国对伊拉克的战争。除此之外，“9·11”事件也与之有关！

(6) 企图灭掉佛教、道教、基督教、天主教等各种宗教，在全世界范围内创立一种只崇拜她的“魔教”。为此，她用特异功能向佛教中很多高僧（包括中国佛教协会秘书长学诚法师及其同修、十一世班禅大师及十七世大宝法王等佛门宗教领袖）及某些道士、道姑、某些牧师施了她发明的另一种邪法——

“双身法”（一种可令陌生男女迅速发生性关系的法术），故意使他们破“色戒”破坏其修行、败坏上述各宗教在人们心目中的良好形象！此外，此人还十分霸道！她是不喜欢、也不希望很多人都成佛、成道的。如果有人发愿或立志成佛、成道，就必须先过她的关！那麽，就自然会有她施加的“魔障”现前！她就是《金刚经》中所说的“魔王”波旬的转世。目前，世界范围内出现了很多所谓“受测谎仪等电磁武器伤害的人”。我认为他们中的很大一份人的受害症状实际上都是由于此人过去施加的“魔障”现前造成的！因此，她才是真凶！

(7)：此人不相信存在上帝，如果有上帝的话，她认为她就是人们心中的“上帝”！

(8)：她自以为她精心策划的“她当世界女皇帝”的计划天衣无缝、是完美的，是按照程序自动地一步一步往前走的。最近她发现，原来科学家发明的“测谎仪、人脑扫描仪、脑电波仪”等高科技电子设备也能做到对人进行“精神控制”和“人体控制”，因此她的野心遭到了前所未有的致命打击！但她并不因此死心，并不因此就放弃“她当统治全世界的世界女皇帝”的人生目标！她认为“来世也许还有机会”。人们千万不能低估她！

(9) 需要注意的是“她去年说，如果2008年前不把她抓住并用枪打死，全世界反对她当“生生世世世界女皇帝”的21亿主流社会的人，将陆续染上类似“疯牛症”的疯病发狂而死！她计划于2028年正式得到世界人民的认可正式当上“生生世世的世界女皇帝”。现在看来所谓的类似“疯牛症”的疯病就是由上述“魔障”现前引起的！因此，网上的大多数“受电子设备或武器伤害的受害者”的症状就是上述所述的“疯牛症”的症状。

(10) 由于本人无情地揭露了她的秘密和主要罪行，她就用法术让我感觉到我是受到了政府安全部门的秘密“测谎”而不是她所施的“魔障”现前才受到骚扰的，并企图以中国国家安全部的名义秘密处死本人杀人灭口！

……由于篇幅所限，被举报人的其它罪行暂略去。

本人举报的人可不是普通人，她就是赫赫有名的“魔鬼撒旦”（详细资料见本人所著的《揭开“魔鬼撒旦”的秘密和其犯下的主要罪行》！人们都知道《圣经》中的耶稣基督在历史上真有其人其事，而且耶稣基督具有大特异功能。其实，《马太福音》中所描述的“人世间最大的骗子”、“企图统治全世界”的“魔鬼撒旦”又何尝不是真有其人其事呢？只不过她没有耶稣基督那样大的力量，但她擅长于搞“精神控制”和“人体控制”罢了！原来，“魔鬼撒旦”最初是西方的犹太人，她发明了“咒术”并将之带到了东方（先是带到印度，后又带到了中国）。她生生世世梦寐以求的就是“不惜一切手段”当上宇宙中法力或特异功能力量最高的“宇宙女神”和“生生世世的武泽天一妻多夫式的”“世界女皇帝”。如果她的上述计划失败当不成“世界女皇帝”，她就企图用特异功能（发动核战争等）毁灭地球！这个人不是在“世界末日”企图毁灭地球的“魔鬼撒旦”又是谁？！

本人举报的“魔鬼撒旦”今生今世是一名中国中年女性，原名龚三英，1970年出生，中国湖南省常德市汉寿县农村人，小学文化，后来户口迁至中国广东省惠州市，后改名为“龚洁”（？），卖过淫，做过十年二奶。2003年12月份去了澳大利亚。据说她找了一位当地的白人做男朋友并于2005年

夏曾回国办过移民澳大利亚的手续。现在她企图去美国用特异功能向世人搞“精神控制”和“人体控制”的方式找一名美籍华人单身富豪结婚并定居美国！

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

(see below for Chinese Version)

Dear friends, Ladies and gentlemen:

We are the Chinese legal citizens.

We are the innocent victims of the high-tech weapon of secret remote control human body and brain.

Long-term since, the criminals abusing secret monitoring privileges of Chinese secret departments, have madly destroyed our spirit and body with this kind of “high-tech” weapon for the purpose of persecuting the victims to mental disorders, Physical disability and death. Their means are extreme cruel, obscene, shameless, loss of humanity.

Under the criminals’ persecution secretly attacked day and night by means of the high-tech weapon, we have been in the long-term psychological torture and physical pain, and facing the threat of death every minute of every day. And, because the right to work of some victims was deprived, they completely lost economic sources, could not maintain normal basic life, and have been living a very miserable life.

We urgently need the humanitarian aid from people all over China and all over the world.

Here is an indictment for accountability written to the Central Commission for Discipline Inspection of the CPC, the Committee of Political and Legislative Affairs of the CCCPC, the Supreme People’s Court of the Peoples Republic of China, and the Supreme People’s Procuratorate of the People’s Republic of China, and signed by 67 of Chinese victims. According to the constitution and law of China , we strongly request the above-mentioned sectors to implement accountability of Mr. Geng Huichang, one of the leaders of the national security sector, for legal responsibility of malfeasance. At the same time, we start legal proceedings against the secret criminals of the state security departments, who abused the monitoring privilege, waywardly violated the constitution and the law, and illegally infringed the citizens' human rights; and we insist on bringing them to justice. Moreover, we request to give the victims economic compensation for the long-term cruel spirit and physical injuries.

The crimes of secret remote control human body and brain by means of the high-tech weapon, which have overrun in many countries for many years. The criminals abusing secret monitoring privileges and arbitrarily trampling human dignity and fundamental human rights, are public enemies of all mankind. The U.N secretary-general, Mr.Ban Ki-moon, and the United Nations agencies have the responsibility to take immediate measures and

emergency action, openly oppose and forbid that the high-tech weapon of secret remote control human body and brain are used for unbridled infringement of human beings, to perform the sacred duty maintaining the fundamental human rights of people all over the world as per “the Charter of the United Nations” and Article 3, 5, 6, 12,19 of “the universal declaration and convention of human rights of the world”.

Now, the victims of China are struggling by way of exposure and litigation in accordance with the law. Hereon, for help, we strongly appeal to people of the legal profession of China and foreign countries: We seek the lawyers who defy power and dare to uphold justice, and long for them to stand out, to provide legal services for our struggle in accountability and litigation, to help us indict these secret criminals, and bring the criminals to justice.

For help, we strongly appeal to the far-sighted and friendly people of the news media and others of China and foreign countries: We seek the far-sighted and friendly people who defy power and dare to uphold justice; and long for them to show great attention to our struggle in exposure and litigation, to uphold justice, to help us free from the doom of victimization.

“The universal declaration and convention of human rights of the world” signed by countries in the world doesn't admit of blasphemy, the sacred constitution of China doesn't admit of trample, the fundamental human rights to life and live of human beings doesn't admit of infringement.

The victims of us look forward to that people of the legal profession, the news media and others of China and foreign countries can positively respond and offer their best help to our on-going struggling in exposure and litigation.

Accountability of Mr. Geng Huichang, one of the leaders of the national security sector

(The indictment signed by 67 of Chinese victims.)

The Central Commission for Discipline Inspection of the CPC:

The Committee of Political and Legislative Affairs, CCCPC:

The Supreme People's Court of the Peoples Republic of China:

The Supreme People's Procuratorate of the People's Republic of China:

We are the victims suffering cruel torture and persecution day and night of the high-tech weapon of secret remote control human body and brain. December 3, 2007, we sent “A Collective Complaint to Chinese President Hu Jintao” (signed by 77 of victims). May 5, 2008, we sent “An Open Letter to the Head of Chinese Secret Sector” (signed by 43 of victims). September 7, 2008, we sent “An Announcement to the Whole World by Chinese Victims” (signed by 65 of victims).

Now, as Chinese citizens, we request to implement accountability of Mr. Geng Huichang, the minister of the Ministry of State Security ,for legal responsibility of malfeasance in accordance with Article 13, 22 of “State Security Law of the People's Republic of China”, and Article 397 of “Criminal Law of the People's Republic of China”.

As is known to all, the national security sector is an important sector of the government of China , it has various secret functions and prerogative which other government sectors have no. But, as one of the sectors of the people's government, both “public departments”, and “secret departments” under its jurisdiction, must abide by the constitution and law, and exercise their powers strictly within the scope prescribed by the constitution and law. And all members of any Department have no privilege beyond the constitution and law, and all their activities must not violate the constitution and law. Otherwise, their behaviors are the crimes abusing privilege.

Article 5 of the Constitution stipulates: “**No laws or administrative or local rules and regulations may contravene the Constitution. All state organs, the armed forces, all political parties and public organizations and all enterprises and institutions must abide by the Constitution and the law.**

All acts in violation of the Constitution or the law must be investigated.

No organization or individual is privileged to be beyond the Constitution or the law.”

China is a socialist country under the rule of law, all citizens are equal in the law. And, all of them enjoy the [essential](#) human right of normal life and live in thoughts, dignity, study, work and rest, health, etc.

Article 33 of the Constitution stipulates: “**All citizens of the People's Republic of China, everyone is equal before the law**”. “**The state respects and protects the human rights of citizens.**”

Article 38 of the Constitution stipulates: “The personal dignity of citizens of the People's Republic of China is inviolable. Insult, libel, false accusation or false incrimination directed against citizens by any means is prohibited.” Article 98 of the Civil Law stipulates: “the citizens enjoy right to life and health.”

Thus, the constitution and the law have explicitly stipulated, that the citizens' human rights of normal Life and live, including the rights to freedom of thought, rest and sleep, study and work, body health, and personal dignity, etc. should be respected and protected by the state. Any organization or individual must not use any method, including public or secret method, to infringe the [fundamental](#) human rights of citizens. Even if such violations are from government departments, from the "secret agency", all of which are the crimes of flagrant violation of the Constitution and the law.

However, Judging from many exposed facts, some members of “secret department” of the national security sector of China, waywardly trampled the dignity of the constitution, and unscrupulously violated the [fundamental](#) human rights of citizens through abusing their privileges for secret monitoring and using the high-tech weapon of secret remote control human body and brain.

Long-term since, they have persecuted the body and mind of the innocent citizens using all sorts of cruel means, 24 hours a day. It has caused that the victims couldn't normally study, work, rest and life, and suffered a huge of injury in the body and mind, and were more dead than alive in grief and indignation everyday.

After the reform and opening of China, for the high-tech weapon of secret remote control human body and brain, its technology was more advanced, its using range was more extensive, and the quality of members using it was more inferior, so that the members, who abused the monitoring privilege, were more unbridled, did whatever they wanted, and reached the pinnacle of abnormality in the illicit and secret violations of human rights.

These evil means are listed as followings:

1. The infringement of citizens' right to privacy. Secretly filching the "thinking" of the victims, widely spreading their "thought", and executing "scare dialogue" with them on it, bulldozing them life in the state of no privacy, constant anxiety and mental pain every minute of every day. Some of victims couldn't bear such long-term mental torment, and were forced to suicide.
2. Spiritual harassment. Manufacturing harassment voices in the victims' ears day and night, such as, intimidation, rumors defamation, sarcasm, etc. to disturb the spirit of them and make them can not normally think, rest, life, study and work. And when some of victims are in asleep, entering images of murder violence, pornography, reactionary and terror into the brain of them, using the rogue means so-called "fishing", and setting "trap" to trick and frame-up victims.
3. Physical torment. Waywardly manufacturing pain, itching, hot, cold, trembling, uncomfortable in the body parts of the victims to make them in the state of abnormality pain. And, shamelessly implementing the inhuman "sexual torture" means to torment the victims. Even manufacturing various “strange disease and incurable disease” in the body parts of the victims. Sometimes controlling and changing the audio-visual perception of the victims to make accident and murder secretly them when they are driving or crossing the road.
4. Pressuring and increasing the mental load of victims through tormenting their family members in the body and spirit. Stirring up the contradictions and conflicts between the victims and the people around, further worsening the social life environment of them to force the spiritual of them towards collapse constantly through stealing the "thinking" of them and spreading it to their family members, friends, colleagues, or synthetic making the voice of their family members, friends, colleagues and sending it to them, and wantonly making false and chaos.

All in all, the purposes of that are, or persecuting the victims to “mental disorders”, and sending them into a mental hospital; or making them suicide in the cruel torture ; or punishing them “in accordance with the law” under the cover of “the extreme speech and behavior” of them in the process of cruel persecution; or killing them secretly by the doctor's “scalpel” on the grounds of treating “incurable disease” in their body; or killing them in various “accidents” through controlling and changing the audio-visual perception of them. All of these are the real secret persecutions and murders, but, which are imputed to victims' own “disease” and others to cover the truth of secret persecutions and murders.

According to incomplete statistics of network, the Chinese victims publicly uncovered the truth have hundreds of people. Also, the new victims are emerging, and increasing every day. The victims distribute almost all the

provinces and regions of China, of which, there are company staffs, teachers, students, retired workers, farmers, and other citizens with other identity and professional. Among them, the persecuted time, shorter is several months, longer is nearly 40 years. Their complaints have made a great shock and responses on the network and in the whole society.

No doubt, all the high-tech means of the infringement secretly of citizens' human rights, are the secret crimes that the constitution and the law must not allow. It is the challenged publicly against the constitution and laws, and is the shameless blasphemed against the human conscience. In technique, terror, and antihuman, it has become an unprecedented human rights disaster in the history of China and the world. The spread without restriction of the secret, terroristic and lawless crime behaviours, is triggering the extensive social panic, and damaging seriously the stability and harmony of the whole society, and will cause great harm to the state and nationality!

Also must be explicitly pointed out: long ago, the high-tech means of secret remote control human body and brain, it already was an open secret in the "insider circle" of China. This is an indisputable fact.

From "the Culture Revolution" of the last century, "Lin Biao and the Gang of Four" of China, using powers stolen by them, implemented the secret Fascist spy dictatorship to the people. They willfully violated the constitution and law, and infringed the right to freedom of thought of the citizens, invented the secret trick "theory" of so-called catching "thinking criminal", implemented secret cruel persecutions and murders to the physical and mental of people using this high-tech means of secret remote control human body and brain, caused that many innocent victims died in injustice, and their families broken up and decimated.

"There are no thinking criminals in China", this is an important legal principles. The history already made a fair judgment early for the secret trick "theory" and evil means of secretly infringement of the human rights of citizens. In the early 1980s, when implemented the policies of "correcting the mistakes, returning the right", many people, who suffered secret cruel persecutions and murders, have been rehabilitated righted.

Could it be said that, in China under the leadership of Chinese Party Central Committee with comrade Hu Jintao as general secretary, in the day that **"the state respects and safeguards the human rights of citizens"** have been loaded China's constitution, and in society pursuing the democracy, the rule of law and the harmonious, the secret criminals of "secret departments" of the national security sector of China, still adhere to the secret trick "theory" of the unlawfully infringement of the right to freedom of thought of the citizens and evil means of cruel persecution of citizens, continue to implement the secret Fascist spy dictatorship of "Lin Biao and the Gang of Four" to the Chinese people?

Many citizens, who suffered secret cruel persecutions and murders of the secret high-tech means, have posted letters, appealed for help, reported cases to the security authorities of China through various forms, but, they have never gotten the due respond. And, nothing has been done to stop crime and perform the duties of protection of citizens' fundamental human rights and safety. The facts show, the minister Geng Huichang, as one of the leaders of the national security sector of China, has the unshirkable leadership responsibilities for the criminalities abused the privilege and secretly infringed the citizens' human rights by many members of "secret departments" under his jurisdiction. According to the law, the victims of us request to implement accountability of Mr. Geng Huichang for legal responsibility of malfeasance, which is fair, reasonable and lawful.

December 10, 2008, the general-secretary Hu Jintao putted forward the request implementing completely the constitution principle of **"The state respects and protects human rights"** in the letter to conversazione for commemorating the 60th anniversary of publication of "declaration of human rights of the world" held by China's human rights association. This fully demonstrates the determination of the central leaders maintain constitution dignity, punish the power corruption, importance and protect the citizens' human rights.

January 13, 2009, at the third plenary meeting of the 17th central commission for inspecting discipline of the communist party of China, the general secretary Hu Jintao pointed out, **"to unswervingly strengthen the party's department and honest government construction and the struggle against corruption"**; **"to investigate severely the cases of abuse their powers, corruption, bribery, dereliction and malfeasance of the leading authority and leading cadres"**.

As far as power corruption, all of the behaviors of corruption, bribery, malpractices, buy officer and sell officer of the government officials using their powers, are the flagrant crimes. However, "The biggest corruption" of

endangering state, harm to the people is not in that, but in the crime of the judicial privilege's corruption of abusing publicly or secretly privileges, "breaking the law knowingly, breaking laws while in charge of their enforcement", waywardly infringing the citizens' human rights . This is "the biggest corruption" that the party and the state must pay great attention to and mainly punish! Because, it is not only directly related to the fundamental human right to life and live of people, but also directly endangers the political logos and principle of " People-oriented, governing for the people", and, then, seriously damages the credit image in people's minds of the party and government.

In order to defend the constitution dignity and protect the citizens' fundamental human rights, to carry out the important instructions of the general-secretary Hu Jintao for implementing completely the constitution principle of "respect and protect human rights", to create a civilized society of the democracy, the rule of law and the harmonious, according to the constitution and the law, We write this indictment to the Central Commission for Discipline Inspection of the CPC, the Committee of Political and Legislative Affairs of the CCCPC, the supreme people's court of China and the supreme people's procuratorate of China. We request to implement accountability of Mr. Geng Huichang, one of the leaders of the national security sector, for legal responsibility of malfeasance; and request that his malfeasance shall be dealt with harshly. At the same time, we start legal proceedings against the secret criminals of the state security departments, who abused the privilege, waywardly violated the constitution and the law, and illegally infringed the citizens' human rights; and we insist on bringing them to justice. Moreover, we request to give the victims economic compensation for the long-term cruel spirit and physical injuries.

中国共产党中央政法委员会：

中华人民共和国最高人民法院：

中华人民共和国最高人民检察院：

我们是正在遭受“秘密遥控人体（大脑）高科技”手段日夜残酷骚扰折磨迫害的受害者。2007年12月3日,我们发出了《致胡锦涛主席的集体控诉信》（77位受害者联名）。2008年5月5日，又发出了《致中国“秘密机构”头头的公开信》（43位受害者联名）。2008年9月7日,再一次联名发出了《中国受害者告全世界人民书》（65位受害者联名）。

一切违反宪法和法律的行为，必须予以追究。

任何组织或者个人都不得有超越宪法和法律的特权。”

中国是社会主义法治国家，所有公民在法律上一律平等。并且，都享有思想、尊严、学习、工作、休息、健康等正常生活、生存的最基本人权。

《宪法》第三十三条规定：“**中华人民共和国公民，在法律面前人人平等”。“国家尊重和保障公民人权”。**

《宪法》第三十八条规定：“**中华人民共和国公民的人格尊严不受侵犯。禁止用任何方法对公民进行侮辱、诽谤和诬告陷害”。**

《民法》第九十八条规定：“**公民享有生命健康权”。**

由此可见，宪法和法律已经十分明确地规定，对公民的人权，包括思想自由权、休息睡觉权、学习工作权、身体健康权，以及人格尊严等这些公民正常生活、生存权利，都受到国家的尊重和保障。任何组织和个人，都不得使用任何方法,包括公开的或者秘密的方法,对公民的这些基本人权实施侵犯。即使这种侵犯是来自政府内，来自于“秘密机构”中，都是一种悍然违宪的、非法的犯罪行为！

然而，从现在大量揭露出来的事实表明，国家安全部门内的“秘密机构”成员，滥用他们的“秘密监控职能”特权，使用“秘密遥控人体（大脑）高科技”手段，恣意践踏宪法尊严，肆无忌惮地侵犯公民人权。

长期以来，他们对无辜遭受其秘密监控的公民的身体和精神，实施每天24小时昼夜不间断的、种种残酷的遥控骚扰折磨阴谋迫害手段。致使受害者无法正常思想、学习、工作、休息和生活，精神和肉体遭受到无与伦比的巨大伤害，每天煎熬在生不如死的悲愤中痛不欲生。

这些无耻的、残酷的秘密遥控骚扰折磨高科技手段，在改革开放后，其技术发展更加先进；使用范围更加广泛；成员素质更为低劣，以致其非法秘密侵犯人权的行径更加肆无忌惮和为所欲为，达到了“变态狂式”的登峰造极地步：

(1) 侵犯公民隐私权。通过秘密窃取受害者的“思想活动”，进行广泛传播，恣意侵犯公民的全部“隐私权”。并以此对受害者进行“恐吓对话”，胁迫受害者时刻生活在毫无隐私可言的惶惶不可终日的痛苦精神状态中。使一些受害者经受不起这样长期的个人隐私被时刻暴露无遗的精神恐怖折磨，有的甚至于走上了“自杀”的道路。

(2) 精神骚扰。日夜制造受害者耳朵内出现：威胁恐吓、造谣诽谤、讥讽辱骂等骚扰声音，扰乱受害者的精神，使受害者无法正常思维，无法正常休息，无法正常生活、学习和工作。有的还在受害者入睡时，大量灌输种种凶杀暴力、色情淫秽、反动恐怖的

画面进入受害者的大脑，施展无耻的流氓式的“钓鱼”伎俩，设下“陷阱”，诱骗、陷害受害者。

(3) 肉体折磨。对受害者身体内各个部位恣意制造：痛、痒、热、冷、颤抖、难受等种种肉体异常痛苦。并且，无耻地实施毫无人性的“性折磨”的手段，使受害者日夜生活在无比煎熬痛苦，生不如死的境地。甚至，还制造受害者体内出现种种“怪病绝症”；或在开车或过马路时等需要注意力集中的关头，控制改变受害者的视听感知，制造事故，凶残地阴谋暗害。

(4) 通过对受害者亲属的身体和精神施加各种折磨，从而向受害者施压，竭力增加受害者的精神负担。通过窃取受害者的“思想”，传递(传播)给其亲友、同事等，或合成制作亲友、同事的声音，将其传送给受害者，大肆制造假象、混乱，竭力挑起矛盾、冲突。进一步恶化受害者的社会生活环境，不断迫使受害者的精神趋向崩溃。

凡此种种，其目的就是要把受害者折磨迫害成：或者“精神失常”被送进精神病院；或无法忍受残酷折磨痛苦而“自杀”身亡；或产生和公开发出“强烈愤慨不满”的偏激言行，被“依法惩处”；或身体内出现“绝症”，被借助医生的“手术刀”，实施冠冕堂皇地“借刀杀人”阴谋暗害；或被干扰感觉认知，遇害于各种“意外事故”。这些分明都是货真价实的阴谋暗害，却又嫁祸于受害者自身、于“疾病”，以掩盖其秘密迫害和暗害的真相。

据不完全的网络统计，中国全国正在遭受其害并站出来公开揭露的公民已经有几百人之多。而且，新的受害者正在与日俱增的涌现。揭露者们几乎遍布全中国所有的省份和地区，有公司员工、教师、学生、退休职工、农民，以及各种身份和职业的公民。在这许多受害者人证中，受害的时间，短的仅几个月，长的则近四十年。他们的强烈控诉已经在网络上，在全社会产生了巨大的震动和反响。

毫无疑问，所有这一切秘密侵犯公民人权的高科技手段，都是宪法和法律所绝对不允许的秘密犯罪行为。是对宪法和法律的公然挑战，是对人类良知的无耻亵渎，其在技术性、恐怖性和反人类性上都已经成为中国和世界历史上空前的人权浩劫。这种无法无天的秘密恐怖犯罪行为的泛滥，正在引发广泛的社会恐慌，给整个社会的稳定与和谐带来严重的破坏。这种伤天害理的秘密恐怖犯罪行为的泛滥，必将对国家、对民族造成巨大的危害！

还必须明确指出：这种“秘密遥控人体（大脑）”的高科技手段，在中国的“知情人圈子”内，早已是公开的秘密。这是一个不争的事实。

从上个世纪的“文革时期”起，林彪、四人帮一伙利用手中窃得的权力，对广大人民实施秘密法西斯特务专政。他们恣意违宪、非法侵犯公民“思想自由权”，炮制所谓“抓思想犯”的秘密整人“理论”，使用这种“秘密遥控人体（大脑）高科技”手段，对广大干部和群众的肉体和精神，实施秘密残酷折磨迫害和阴谋暗害，致使许多无辜的受害者家破人亡，含冤而死。

“在中国没有思想犯”，这是一条重要的法理原则。历史早就对这种完全违法的秘密侵犯公民人权的秘密整人“理论”和罪恶手段做出了公正的判决。在上世纪八十年代初，纠正错误“拨乱反正”落实政策时，大批曾遭受其秘密遥控折磨迫害和阴谋暗害的干部群众，都得到了平反昭雪。

难道说，在以胡锦涛为总书记的党中央领导下的中国，在“国家尊重和保障公民人权”已经载入中国宪法的今天，在追求民主、法治、和谐的社会里，国家安全部门内“秘密机构”中的这帮滥用特权的秘密犯罪分子，还要为林彪、四人帮曾经在中国大地上实施的秘密法西斯特务专政扬幡招魂，并且秉承他们那一套恣意违宪、非法侵犯公民“思想自由权”的秘密整人“理论”和残酷折磨迫害手段，继续对中国人民实施没有林彪、四人帮的“林彪、四人帮秘密法西斯特务专政”吗？！

众多公民遭到这种秘密高科技手段侵犯和伤害，以及通过多种形式向国家安全部门发信、上访及报案，却从未得到应有回应的现实表明，作为国家安全部门领导之一的耿惠昌部长，对其管辖下的“秘密机构”中，涌现大量成员滥用特权，秘密侵犯公民人权的犯罪行为，负有不可推卸的领导责任。并且，没有采取任何措施制止犯罪、履行保护公民安全和基本人权的职责。我们受害者依法要求问责耿惠昌部长渎职的法律责任，是理所当然的，是合情、合理、合法的正当公民权利。

2008年月12月10日，胡锦涛总书记在写给中国人权研究会召开的纪念《世界人权宣言》发表60周年座谈会的信中，提出了要全面落实“国家尊重和保障公民人权”宪法原则的要求。这充分表明了中央领导维护宪法尊严，坚决惩治权力腐败，高度重视和保障公民人权的决心。

今年1月13日，胡锦涛总书记又在中国共产党第十七届中央纪律检查委员会第三次全体会议上发表重要讲话中指出：

要“毫不动摇地加强党风廉政建设和反腐败斗争”；“要严肃查处领导机关和领导干部中滥用职权、贪污贿赂、腐化堕落、失职渎职的案件”。

就权力腐败而言，政府官员中利用职权，进行贪污、贿赂、营私舞弊、买官卖官等这些行为，虽然都是不能容忍的腐败犯罪。然

而，真正危害国家、危害人民的“最大腐败”并不在此，而在于那些公开或者秘密滥用特权，“知法犯法,执法犯法”,恣意侵犯公民人权的司法特权犯罪腐败！这才是党和国家必须高度重视和应予重点惩处的“最大腐败”！因为，这不仅直接涉及到人民

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

11/10/08

My brain functions are connected by means of radio-implants and microchips. The Machine emitted electromagnetic waves signals which prevent me normal functioning.

I believe my eyes transmits pictures of what I see to a receiver for recording. I have no memory of having had anything physical nature done to me. I did undergo an mri and other form of scan but unable to detect or remove them. I am seeking legal and medical help.

DEAR SIR/MADAM (*to HUMAN RIGHTS WATCH*)

Silent Epidemics Electromagnetic Weapons Experimentation

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST AND ABUSE USING DIRECTED ENERGY PSYCHOTRONIC NEUROLOGICAL WEAPONS OR REMOTE MANIPULATION TECHNOLOGY.FOR NON CONSENTUAL HUMAN EXPERIMENTATION THIS PROBLEM IS A SILENT EPIDEMIC WORLD WIDE

I live in Brooklyn ny. My nationality is Korea. I was first attacked on Jan 2007.

My details experiences: -

I been targeted by a large group dedicated to rid your community of undesirables or harass a selected target. They are much more like Hitler's or Stalin's citizen enforcements squads or current day citizen watch group. They believe their crimes are acts of community service. Citizen watch groups included everyone from small children to seniors from housewife to government people. These citizen stalking groups are different from other crime gangs. Rumors and noise campaigns are a standard part of these groups. They tell their members lies about their targets with the purpose of running the target out of town. All sorts of dirty tricks were played on these eras. This includes banging and tapping walls, hacking of computer and phone, use of audio and video surveillance. It continues in every city, state and country the target moves to. They are heavily protected by all levels of government and medical establishment. I'm looking for evidence to support my beliefs that environments are manipulated for mindcontrol experiment.

The main symptoms :-

headache, sleep deprivation, heart problem, dizziness, Painful toes and fingers, extreme dizziness, ringing in the ears, bad breath, runny nose, stomach pain, stiff neck, bad knees and blood circulation, damage internal and external organs.

This technology is able to

Place a human subject under continuous surveillance, no matter where he/she is, from remote locations. Control the flow of information and orchestrate the media-worldwide. Directly interfere with, abuse, torture and hit bodies-including performing advanced medical procedures-and objects-from remote locations. Continuously input directly into a human brain from remote locations, including the ability to override, control and alter consciousness, and to introduce voices, noises other disturbances, images and "dreams"into the brain.

23/11/08

Dear Sir/Madam,

I am the Victims of Surveillance and Mind Control. I am hearing voices in my head and I noticed my thoughts are read by other people near me. I feel someone has control over what thoughts go across or don't across. These people have devised or acquired a specialized unit that reads absolutely everything. I believe they can see each word I typed because they can see what I'm looking at and pass this along to others. My home is bombarded with electronic weapons. I don't know you are aware of me or not but military and Post Office and Media are after me for years! I believe they started engaging in their terrorizing campaign against me and zombified neighbors are staunch supporters of these organizations. And in addition I have been injured, slandered and abused in general public.

Sincerely,IL Sun,

P.S. I am requesting whether I can meet with you regarding this matter.

UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF NEW YORK

Index No. CV10-0118

JURY TRIAL DEMANDED

JUNG, IL SUN
PLAINTIFF IN PRO SE APPELLANT,
VS.
MAYOR OF NEW YORK MICHAEL R. BLOOMBERG,
GOVERNOR OF NEW YORK DAVID A. PATERSON,
DEFENDANTS,

In their official capacity

COMPLAINT

NEGLIGENCE, TORTS, PERSONAL INJURY, RACKETEER INFLUENCE CORRUPT ORGANIZATIONS ACT AND CIVIL RIGHTS, PAIN AND SUFFERING, ELECTRONIC HARASSMENT & TORTURE.

I. PARTIES:

Plaintiff: Jung, IL Sun ,resides at: 564 Bay Ridge Avenue, Brooklyn, New York 11220. Tel: 3474660899.

1. Defendant: Mayor Michael R. Bloomberg, resides at City Hall, New York, NY 10007. Phone 311 or 212 outside NYC.

2. Defendant: Governor David A. Paterson, State Capitol Albany, New York 12224. Phone: 518-474-8390.

II. VENUE:

Venue is proper in this court pursuant to 18 U.S.C. Section 1965 (a) because defendants reside, are found, operate under color of authority or office, have an agent, or connected with or related to the aforesaid, or transact affairs in this district.

III. JURISDICTION:

A. This action is brought pursuant to including but not limited to the Federal Torts Claim Act, 2 (a) U.S.C. Sections 2671 through 2680; 28 U.S.C. Section 1346 (b); 18 U.S.C. Section 1964; 42 U.S.C. Sections 1983 and 1988, Protection of Human Rights Act, the Convention Against Torture and Cruel, Inhumane or Degrading Treatment or Punishment of June 26, 1987 and as amended thereafter; 42 u.s.c. section 1981,1982, 1983, 1985,1986, and 1987 of 42 u.s.c. section 1988 [Proceedings in Vindication of Civil Rights], 18 u.s.c. section 2383, 2384; 18 u.s.c. section 1509, 1510; 18 u.s.c. 35; 18 u.s.c. 241 conspiracy against rights of sovereign, free, god created, spirit and soul beings.

B. Jurisdiction is proper in this court pursuant to 28 U.S.C. Section 1331, 1337 because this matter involves allegations of illegal behavior arising under the laws of the United States, including violations of Racketeer Influence and Corruption Organization ("RICO"). A civil Rico action, like many lawsuits based on federal law, can be filed in state or federal court. This court has a personal jurisdiction over this matter since both plaintiff and defendants lives in the same geographic area in which the court sits.

IV. PLAINTIFF ALLEGES

1) I am a target of electronic harassment, mind control, directed energy weapons, organized stalking, electronic torture and human experimentation. I am filing a complaint with this office seeking entitled public protection. I have suffered from: criminal human experimentation, organized stalking and electronic torture, radiation, induced sleep deprivation, bias related harassment.

2) The city human rights law prohibits bias-related harassment, stalking or sex offenses. I seek equal protection of the law. Many offices have refused to enforce human rights law that protect citizens from the above mentioned deadly human and civil rights obstructions. This is an obstruction of justice. The Commission on Human Rights is the law enforcement agency empowered to enforce this Law and provide protection to those who need help.

3) I have no way of proving responsibility of a specific intelligence agency or the subcontractors or independent contractors but I can prove government responsibility for the testing new technology on involuntary subjects for more than half a century. This history is well documented. I can provide a summary of the evidence proving this

long history of illegal government experiments that produced torture and death for citizens.

4) I can prove government responsibility for ongoing nonconsensual human experimentations because these unique forms of harassment and crime cannot continue without cover being supplied by public officials. This torture and harassments went on years and years without any public investigation.

5) Government agencies have made a practice of testing new technology on involuntary subjects for more than half a century. Please see declassified Mk-ultra documents and Tuskegees Syphilis Study and Department of Energy on human radiation experiments and cia mind control experiments and others too numerous to mention here. This sick government sponsored nonconsensual human experimentations is still going on without victims knowledge nor informed consent. Please see David A. Larson report: http://www.larsonmedia.net/special_access/biomed.htm. Nonconsensual human experimentations such as I describe are the worst form of Government and Corporate and Scientific abuse.

6) Targets have made numerous unsuccessful attempts to request a hearing on our issues. Even though Mind Control Abuses and Torture are very well known to public officials. I and many others sent faxes, letters and phone calls to public officials but still denied hearing. After MKULTRA mind control abuses and torture are spreading like wildfire. Intel corp. released 11.19/09 that it will have brain chips for the consumer market by 2020.

7) Plaintiff recent trip to Boise Idaho proved signal is existed and confirmed by technicians. Please see my attached documents from Technical Security Counter Measure. Furthermore plaintiff undergo medical examination by Toxicologist. Please see my Neurotoxin Exposure and Advance Biological Monitoring Test from Integrative Health Systems, LLC.

8) For this court I requested Quest Diagnostics DNA Test. Qust Diagnostics Test is needed if there is implanted tracking devices existed in plaintiffs body. Currently plaintiff has no job and no source of income and unable to offer healthcare Insurance. For this reason I demand monetary damage in order to pay for Quest Diagnostics Test.

9) The United Nations, the U.S. Congress, all agencies are aware of Microwave weapons and Human Experimentation and dangers and other crime taking place, including Organized Stalking reports by the FBI. Most of the stalking is based on organized groups, agents with falsified information, defamation on victims, or paid to commit these crimes.

10) This Microwave Mafia blasted electromagnetic signals all over new york city without any reconization thus wanton violations. I requested city of new york to detect and monitor radio frequency that i broadcast and sent from hidden locations. I sent numerous letters in the past and I don't know what's going on. This blantant act of felony are all covered up by public officials. Government defendants knew or with the exercise of reasonable diligence should have known, of the events and happenings to plaintiff. The transmission of information about plaintiff to unauthorized third parties can be prevented if new york city respond to my complaints. I requested details report of my problems and trace electronic signals but ignored my request.

11) I believed New York City Mayor and Governor have all the power and authorities to prevent this kind of abuses and torture. I am requesting this court to detect and monitor radio frequency signal that i broadcast and sent from hidden locations. This kind of high tech electronic crimes need judiciary and regulation. Furthermore properly educated law enforcement agencies to prevent this kind of abuses and torture. Since I am a resident of New York City I am entitled to New York City Public Protection.

V. CAUSE OF ACTION:

A. Cause of Action (a) of this complaint proves Defendant was negligent and or lying because information pertinent to Mind Control Abuses and Torture is well known to public officials.

B. Plaintiff losing own privacy and being tortured by Microwave Transmission has need to be addressed by compensating Plaintiff's and ask the Court award damages relating to Defendants negligent response towards Plaintiff's.

C. I seek the dismantling of this torture program and court hearing into the deadly holocaust that has been inflicted on innocent civilians. Exhibits A. In addition numerous policies are written for the protection of human test subjects. Exhibits J Guidelines for human test subjects. . See U.S. v. Orleans, 425 U.S. 807, 814-15 (76); Letnes v.

U.S., 820 F. 2d 1517, 1519 (9th Cir. '87).

D. The above researched classified weapons are being sold and experimented on without any records nor receipts. These weapons have gotten into the hands of the general populations and are being used by cults and extremist groups to destroy and torture targeted Individuals. The use of these weapons must be regulated and inspected accordingly. The Corporations who are selling, contracting out the use of these biological weapons and torturing people with these weapons must be regulated.

E. Government agencies must keep accurate records on all human test subjects. If human experimentation was perform public officials should notify test subjects immediately. Should test subjects complaints he or she will be granted protection status. For this reasons I should granted mandatory protection from stalking with electronic weapons and device.

F. This issues of torture and harassment and ongoing nonconsensual human experimentaions without informed consent.

G. Plaintiff's alleges that a right to be free from intrusion and electronic implants used for torture and or surveillance, violating his body privacy and civil rights to privacy under the first, fourth, fifth, ninth and fourteenth amendments to the united states constitution and the holding of Roe v. Wade, 410 U.S. 113 (1973).

H. Under the FTCA, the plaintiff alleges the following causes of action: negligent training of employees, and negligent supervision on behalf of the United States. Civil rights violations under 42 USC & 1985(3) (conspiracy to deprive individuals of their civil rights), 42 USC & 1986 (negligence in failing to prevent a conspiracy to deprive an individual of his civil rights) See, e.g., Flynn v. U.S., 902 F. 2d 1524 (10th Cir. '90).

VI. SYMPTOMS

In summary, human torture weapons have been used on me and must be stopped. Torture is a crime and these torture weapons cause a wide range of adverse physical effects, including: severe pain; illnesses and ailments such as strokes, heart attacks and headach; sleep deprivation; nausea; maximum allege, extreme runny nose; neck, shoulder, chest, stomach, lungs, liver, kidney, penis, tongue, teeths, throat, arms and legs, fingers and toes, hands and feets, eyes and ears, brain damages; toxic radiation; vision degradation; hearing loss; internal bleeding, muscle paralysis; injected words; 24 hours animal tracking device; transmission of airwaves, radio teleconference, nuisance; drowsiness; broadcast thoughts and interact with customers through brainwave; nerve and cells damages; weaken immune systems thus expose to germ and various diseases and over time a "slow-kill" brain dead.

VII. EVIDENCE

13) Plaintiff recent trip to Bois Idaho proved electronic signal is existed and confirmed by technicians. Please see my attached documents from TSCM. Furthermore plaintiff undergo medical examinations by Toxicologist (human exposure to radiofrequency electromagnetic fields). Please see my Neurotoxin Exposure and Advance Biological Monitoring Test from Integrative Health Systems, LLC. In addition plaintiff provide evidence defendants were willfully negligent in responses to complaints proves plaintiff can't begin the process of removing themselves from torture and experiment programs.

VIII. REMEDY

As the result of the above mentioned torture, human experiment, organized stalking and civil rights crimes and administrations that have been criminally and maliciously inflicted on me, and the disregard of such, I have endured great torture. For this court I demand protection from electronic stalking and devices be withled from being using upon me. I have been damaged financialy and need to pay ongoing medical bills. This government supported animal tracking device and corporated human experimentation without written statement must be paid accordingly. I demand sum of \$866,777.99 damages and court costs and fees. I request nyc public protection and pay all personal injuries resulting from it. In addition I am requesting public officials to acknowledge this kind of torture and abuses and to follow through with a prosecutor and creation of a watchdog agency. Furthermore I requested that no further human experimentation will be done and no mental substances and social treatments. Regulation and Compensation is required.

Read Nicholas Kirklands article. He said you were collecting data. True? Do I dare tell what is occurring here? My son abandoned this house and I wasn't sure he was relating facts. Yep. He was. Can't discuss this with anyone but what a huge relief to read Kirklands article.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

25/5/10

Please can you send contacts and info on Psycotronic Torture, have been a victim in Perth for ten years and have had enough.

26/5/10

How's it going John it's Michael from Perth.

Gee where do I begin I have been getting Tortured on and off from a very young age since I think about 1984.

I actually no who these people are and think I no which suburb these people are in, my complaints to the Fremantle Police and the Australian Federal Police

Just get ignored with excuses like your probly mentally ill or its probly the life style you live even thou some of the officers I have talked to displayed that they new exactly what I was talking about .

I first noticed something was wrong with me in 1994 when I was 20 Years of age I began feeling physicy unwell at work particuly around the time I was supposed to be eating lunch, fearing I had cancer or hepatitis I approached medical experts and had blood tests and cat scans only to find That I was perfectly healthy.

This went on for another four years and caused me to become quite depressed and worried and also Distrusting about what I was being told by the health experts because I was still unwell and sometimes in extreme pain.

Around the same time there where strange going's on's, people following me strange people standing out the front of my house and being tailed while driving ,all of This in front of friends and family.

I have now identified these people to be local drug dealers and on one occasion chased a man who my sister pointed out was watching and following me into a shop in Fremantle and accused him of stalking young men in front of customers and the shops dismayed owner only to find out he was an under cover Police officer apparently joking around.

In 2009 I was tricked into a psytriatric ward in Fremantle hospital and got stuck in the Mental Health system, every time I got my self out I was orderd by these people to return and did return on several occasions because I feared these people and thought that if I co operated that they would leave me alone, this did not happen. I eventually got my out of the mental health system and returned to work but was labled with bipolar disorder and told that I would have to take medication for the rest of my life which I don't take because its pointless and did not stop these people jabbering away in my head or torturing me. For the last 8 years I have tried to better myself by staying employed and living life as normal as possible but find it hard to hold down a job due to being ill from this machine and had to quit my last job a week ago due to illness and a lack of sleep which I find disappointing because I am able bodied and keen to work, I am now 35 years old and can not work!, its also getting hard to explain to centrelink why I keep losing perfectly good jobs. I have for the last 5 years been arguing with these people as to why they have been doing this to me and have established that this started around 1984 -1987 while I was a student at Kardinya primary school over allagations of inappropriate photos ,movies and dealings with me and other children by the couple who own and run this machine and they were called pedeofiles and seem to blame me for what happend. The couple are brazen and even enrolled there own children at my primary school just to be a menace to me when I was a child.

Recently while on face book I found primary school photos of these kids.

I am currently trying to prove all this to the police and think I can but it will take time and they will not act until I

do have prof,I don't have bi polar disorder and can easily pass a psychiatric examination if I don't include the above story that I am being torched by a psycotronic war machine.

I no of other people being torchured in perth for various reasons and have heard stories of wealthy people being targeted and made ill to extort money from them.

I am hoping to find people in Australia who may be being attacked by the same people and am willing to help them in any way I can.

By simply exposing this to the Australian media and having people colabarate our stories the police and the government will finally have to shut these people down like they should have done 20 years ago.I am certain that when they do thousands of people in perth will finally come forward with there own story of harassment and torcher at the hands of these people and prof that the West Australian Police and Government new this was going on all along and failed to act on it so that vitims can be compensated for the loss of work, pain,suffering and Family breakdown this has caused.

If you have any information or contacts from people in Australia in a similar situation you or they can contact me on 0428 104 829 anytime or on my email address m.kenny1975@bigpond.com.

Here is a list of things people may be experiencing while being harassed by these people.

Sexual harassment in the shower or toilet.Sleep deprivation.

Stupid dreams played in peoples head.

Constant pornographic images child and adult. This women and man are extreme sexual deviates and play contant pitures of womens vaginas and pay particular attention to the females anus and enjoy putting this in peoples head.

Severe ringing in the ears.

Dentist drill like sound and feeling of something spinning in your head.Burning sensation around the anus that can make it painfull to walk.

Sodomy and also a stabbing sensation around the anus. Touching and playing with peoples genitals male and female. Particually when people are trying to sleep making them restless.Sores on face and skin.

Burning of the skin. Have photos and can send if you like.

Sunburn even when your not in the sun.Torchor of the testicals left or right.Stabing pain in the feet.

Severe pain in the stomach and chest caused by gas created by the machines operator.Diorrea strait after a meal or urges to go to the toilet that are false.

Back pain manipulating the spine to cause pain and discomfort especially in the neck and lower back.

Severe headaches.

Nausea and vomiting. They like to make people feel ill at meal times or when people are thinking about eating a meal or just after they have brought one.

Constant coughing or hiccups at inappropriate times. Eg.job interviews or when you are talking to people, they like to make people cough in peoples faces by causing an itchy throat and create a flem like substance that people then cough up.

They also stop people from eating to emaciate them.

Costant chatter in ones head about crap and pathetic threats. Its normally a womans voice and sometimes a man she often sends pictures of her self she has blonde hair and glasses has a bad cence of humor and seems extremely stupid.Clicking in the ears and pain that can sometimes sound like a cricket.Fainting and collapsing.

Feeling faint or light headed.

Straining of the eyes and can flick peoples eyes in the direction she wants to look and can badger people in there mind to look at certain things.And can cause constant itching and can pinch the skin to cause discomfort and likes people to scratch there genitals at inappropriate times.Confusion can be caused in peoples minds and they may find it hard to concentrat on there own thoughts due to an overload of information being put in.Can cause addictive behaviour,eg; make smokers smoke more than they normally would.

And sadly can put suggestions in young childrens minds to act sexually or inapropriatly.eg; to act bizarrely in front of a mirror with out there clothes on or to make them feel ichty around the genital area or anus so they become curious and investigate, normally in front of a mirror.

I have been targeted all day and all night by voices that seem know all about me, comment on my activities and family connections and past activities. I initially thought I was insane and sought treatment but found that medication did not stop the harassment. I believe that this harassment is being conducted by a gang stalking team in Southport, Queensland. They appear to want me to confess to something or take the blame for something but only offer odd words as clues or auto suggestions. I try to ignore the 'voices' but find that they penetrate my thoughts and greatly hamper functioning. I am a member of FFCHS and find my experiences reflected in many other targeted individuals experiences. I do not experience physical interference.

I'm Kate Kinkade. I live in Perth western Australia. I have been aware of gangs stalking me since earlier this year. It has been getting much worse. I fear for my life and I am being targeted by a wide range of people. I spoke out about the gang stalking to trusted friends and family. They are being targeted too. Phone pranks, gas lighting, set ups, being audio recorded and exploited, given indirect death threats and had people enter my home stake out the roof, the carpark, following me, involved my psychiatrist, police wrote fake reports, had people leave syringes wrapped up in cloth in yoghurt containers on my door step, contacted my family claiming to be debt collectors with scams, had break ins, indirect threats to kill through vague means, infiltrated mental health system. Helicopters are stalking me and my father at his home and work they hover over my home at least once a day/night. Deliberate fires X2 lit less than 500m from my mum's house. Wrongly accused of being an informant for police. Some have moved in to my dad's apartment complex. I have been in a psych ward and they said it was psychosis due to drugs. This was in April. There is a massive amount of information, some footage, notes, discrepancies in hospital notes and reports. 2 fake reports that I know of (through accessing my medical history notes from my stay in hospital for 6 days have been tampered. There are lies that I drunk drove and spat blood at cops. I didn't. EVERY day there are many many thugs following me staking out my house. Police helicopters arrive when I have guests or order pizza even. Every night. Every day. The extent of this would take so long to explain my theory on. I'm scared. I want to be safe. I know too much. corruption between cops thugs rebel bikies, Russian serbian frech and the International crime syndicate. I have been set up and accused of conspiring/being an informant to police. I have been given sharps outside my door after i told the council y I have had someone in my roof and helicopters fly over.they follows my dad at home at work. They follow me at home and when I am out. The intimidate me by doing laps and laps and laps of myself and my house headfuckers speaking about suffocating me cutting my throat open. Planted words on the tv screen in psych ward menu selection. A 'patient' made me go through the list of tv shows. One said "BULLETS COMING FOR NINJA KITTY" (my nickname) i ignored it and did not react. All kinds of stories. Fuck. A guy I used to know who was a neighbor years ago got used by them to plant himself in the hospital and pose as janitor. He is a hit man. It is very highly organized. I fear for my life daily and I do not feel safe going to any authorities. I just want them to leave me alone

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Below is my case summary of a mind-control and multi-stalking victim.

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of the local Government-related Agencies and the complicity, if not participation, of many other governments and security agencies, multi-national companies, religious groups, non-profit groups, healthcare organisations, police, telecoms and etc. I suspect the whole nation is involved.

I am a victim of torture and abuse suspected using **DIRECTED ENERGY and NEUROLOGICAL WEAPONS technology.**

The only thing i am sure is i am a micro-chip implant victim who is suspected to be use as a sacrifice for religious groups, healthcare groups, nation building, experimental guinea pigs, sacrifice as a pure form of entertainment for the general public(gossippers), "investigations", sacrifice to satisfy other "peoples' self-hate needs", historical memoirs, "elections", and etc. just to name a few (too many to list). altered TV programs and movies are directed towards me. Instant "reply messages" in synchronizing with my brain thoughts

The criminal use of these on me are causing the following effects -

- * mental disruption to force me to craziness or death in order to "assalinate" or "keep my mouth shut"
- * Suspected Microwave hearing
- * Transmission of specific commands into the subconscious by using the public "perpetrators"
- * Visual disturbances, visual hallucinations
- * Suspected Inject words, numbers into brain via electromagnetic radiation waves
- * Inject words, numbers into brain via the public
- * Manipulation of emotions
- * Reading thoughts remotely through micro-chip implant
- * Remote manipulation of human behavior from space
- * Harassment, stress symptoms such as helicopters flying overhead with deliberate banging of car doors around neighbourhood
- * Seeing, as in a camera, through your eyes, i.e. to see what you see exactly
- * Control of sleep patterns.
- * Computer-brain interface, control and communication
- * Complex control of the brain such as retrieving memories, implanting personalities
- * Isolation from everybody (everyone including "family members" and "friends" are perpetrators)
- * directly interfere with, alter, insert etc. data, files, communications and legal evidence from remote locations - even during transmission
- * make live TV, and other screens and monitors, two-way – for surveillance, invasion of privacy etc..
- * control the flow of information and orchestrate the media – worldwide
- *perpetrators on the street giving subliminal messges

check out this website- [Recorded Events Justifying My Claim](#)

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse.

13/5/08

I am one of the mind-control victim with chip implant in southeast Asia. Currently, I am subjected to multi-stalking and have nowhere to seek help. I have tried buying the silvertexsuit from lessemf.com but it seems that it is removed or is it by some "authority" which i am not sure. I would like to request for help. Hope that you can reply to me if this message ever reach you. May i add myself as a mind-control victim in your website too?

Your attention is urgently needed to halt these atrocities, protect me, and bring these extremist elements to justice.

This is an emergency.

My name is George Kwong and live in Hongkong (Asia China).I would like you to tell me how the victims can be helped and keep in touch with you in order to united with yours group. Also can we make use of magnetice monitor machine to monitor the directed energy and neurological weapons.

Your advice will be highly appreciated.

19/11/08

Andy in canada and Bernd in German are forced to psychiatric treatment. I am afraid the perpetrator make use of their mental illness in order to control the victims more easily to attack them by the directed energy weapon and electromagnetic and microwave weapons. As no body to believe the victims due to their mental illness that all the attack or suffer will be the victim's illusion or hallucination. They will be helpless and hopeless . It is inhuman.

Look forward to your favourable reply.

22/2/09

Due to the wide spread use of the direct energy electromagnetic weapons all over the world and so many victims suffering about. They are hopeless and helpless and treated as mentally illness to further torture. Also all kind of the victim's sufferings are treated as natural. It is inhumane. So no matter to help ourself or others,we have to united together,hand in hand,to fight for the freedoms and human rights in order to force UN and all the countries to stop torture the victims.

please continue to group together to contact or meet parliament or legislator members and UN to ask for law to protect the victms.No fight no change and without united without power.

Look forward to your favourable reply.

29/7/09

You do a lot of good jobs. But the world seems do not hear and see anything about the terrible torture. We just see the victims are tortured to die.

What is the world today? there are so many human right organisations,world justice,world crime court and law in this civilized world. But the victrims are still hopeless and helpless and are torture to die.

please let me know what can we do to save these victims.

4/10/09

I am scare to tell you that this month my body check up shows a small cyst of 9mm in the mid pole of the right kidney and mild fatty infiltration of the liver. I do not know what happen later on. But I am much thank you for your past encouragement.

Struggling for the past decades, I have tried all my best to live, no hate, forgive, only love and money is not my first priority that it is all I have to do.

Please pray for me in the father's (God's) name to grant me health.

It is not easy to do anything in Hongkong due to the secret agent together with the government control the citizen so tightly.

I am afraid they will kill me quietly with the invisibility technology and try to make me crazy as I expose the invisibility technology in Hongkong and my troublesome to them. They always say not to allow one tree to destroy the whole jungle. They need to control Hongkong completely.

Please advice.

Save George Kwong's life

George Kwong, a British citizen living in Hongkong, has been reporting that for several years secret forces are torturing him. In his last e-mail (see below) he also claims that he is being threatened to be murdered, whereas the police appears to show indifferent.

Please contact him and see what you can do. Maybe you could also write to the British embassy in your country, to the British Council in Hongkong, to media, politicians, human rights organisations etc.

In Pace, Jean Verstraeten verstraeten.jean@belgacom.net

E-mail of the 7th May from George Kwong :

“Hello Jean, My neighbor said seriously must kill me in front of the estate security guard. I call the police but the police said no law to do anything. I am going to send letter to the head police. The man is seriously threaten me and afraid due to his back ground as he said even triad he can also against them.

I am afraid they will do all the ways to kill me like Darrim Daoud. Then they also will say naturally. Please help. Do you think that I can contact the British Council emergency call in order for asylum as I am a British Citizen.

According to Dr. Xu Yan case I found the hongkong poly tech university treat her to be needed to see the doctor. There is nothing to do here. Even I spoke to the police about her protest in front of america consulate. The answer was no expert and manpower to do anything. Here is hopeless and helpless to her in Hongkong. Victims are tortured mentally disabled or killed secretly as Dr. Xu Yan said eventually.

I am afraid the same torture to me as my neighbour emphasis torture me daily until I am no longer here definitely. He said he did not afraid of triad and asked me do I know who is. He seems a big power background. Even I call the police they did nothing.

This is horrible and inhumane. How come such an international fast growth city happening? Please advise.

Thank you so much for your advice. Even I took the Tylenol (popular in Canada) it is still extreme painful. You know I am 67 years old man and suffer a lot for the past decades that the Doctors can show the records. I do hope God mercy to me as I am not a murderer and beg peace for the rest of my life. I doubt whether the Human Right and Humanity really exist in this civilized world. Please advise and pray for me.

Dear TI

Firstly I would like to tell you how very proud I am of you. If what you have written here is true you truly are a hero, and should be proud of yourself for even being alive. Before I continue I would like to know who I am speaking to, as the address is ROB WOOD and the writing here is a Mr John Finch, If you are, I would like for you to keep me as a contact so you can vent sometimes.

I can not believe that human beings can mutilate other human beings in such a way, and I thought my life was hell. please get back to me and let me know how you are, I wish I could end your suffering, although I can't, I can be someone to contact when you feel desperate I believe all that you have written as my own case is quite unbelievable but no where near as bad as yours. even though I don't understand how they can perform surgical procedures from afar, I have read about electronic rape.

If you are not John Finch who and where are you? I am in Victoria. If you are the person going through these horrid attacks please remember they fear your mind and your personal power that's why your ordeal is so severe. I also want to tell you I don't need to know you to love you and please stay strong.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Case Summary From 1986 things started to get fairly extreme. I was admitted to hospital in 1986 my weight was just over 5 stone. They thought I was anorexic, which I tried to explain I wasn't. I couldn't eat as each time I did I had diarrhoea, this went on for weeks and weeks, I felt like the place I lived or myself were being sprayed. I knew something was going on but didn't know what. The morning after was admitted got up and had a 3 course breakfast, immediately proving the anorexic diagnosis was wrong. The gastric stopped straight away. After got my weight back and discharged from hospital, things really started up.

Vehicles stolen, 3 times, tyres cut or destroyed, numerous times, brake fluid let out of cars 3 times, hired cars for 12 months as was too scarred to but one, every hire car was tampered with. Wipers loosened in winter time, vehicles dented or scratched etc., Run off the road deliberately 4 times. Property damage - illegal entry into every place I had, things being moved around ie edge of carpet square one corner rolled up and put under coffee table, photo put in art book, art put in photo book, holy card left on top of phone, razor blade left on breakfast server. Fridge regulator changed nearly every time went out later date started being the washing machine regulator. Small portable alarm for back door broken and left on floor when went out one night. Rubbish I put out back would be bought back to front and left in courtyard. Whatever time went out even if got home 2 or 3 in morning phone would start ringing soon as walked in door but no one would talk. Mail tampered with, non stop interference with every phone service and I do mean non-stop. Being told by telecom I left my phone off the hook, I NEVER left my phone off the hook ever. Then when got access to computer on that also. One day I turned my computer on 119 times because each time it was turned off, the same as the phones, hyperdermics left at door, obscene literature left, fires lit at back door. Inside my apartment I said in normal voice, by myself, If it wants a dead mouse why doesn't it go get one' the next morning when went to my front was a dead mouse with its stomach ripped out, dead birds left. Death threats made over the phone in 1987. Walking down the street to go to shops cars would go past and yell obscenities, quite a few times, didn't know them. Quite a few times in unit felt like gas or something, one time I lit a lighter to see and it exploded in the air in blue flame, emptied the lighter out. Then started getting electric shocks no matter where I moved to off different surfaces, and also car and my dog, he also has been affected, with burn blisters on his hind left leg once that night he went and hid at the side of the shed, he has never done that before he is a big dog and very protective, that must be the problem. We were living in the bush then. Being called " pedophile," I am a middle aged woman and definitely not or ever a pedophile. How sick are they. Forced unemployment, forced homelessness, Institutionalised twice in a locked ward, I have NEVER been violent in my life which is more than I can say for these lowlifes. Booked into a motel, on the 2nd morning woke up to " there's a message for you" staggered out of bed as felt very groggy, and my handbag, money, personal papers, car keys had been stolen. The room was still locked and so were the windows. I don't drink or take drugs so that was not

involved in how I felt, drugged. These B's are out there getting away with this. Both myself and my dog have been cooked I call it. And also told we're being cooked and how much fun she's having while she's watching it. Have had sleep deprivation, had to sleep with fan on through winter and my head under blanket to stop the all night coughing. V2k, noise campaigns that went on for months from neighbours. The list goes on and on. Being told V2k "Go and get your medication and I'll stop my death threats" him, guess I know who needs the medication. One night, sort of asleep, hypnotised, or zapped? not sure, she asked me "Are you going to report me Judy" I answered yes she said "Then I'm going to kill you." Few nights later "I'm killing you Judy and you don't even know who I am". She's a sick bitch.

I'm in my 50's the end result of this is I can stand about 5 or 10 minutes, sweep a couple of rooms, then the pain through my back goes right through to my front is so severe have to sit down for awhile, it is total agony, I do my shopping in shifts, if I'm allowed to, I can't do it all at once anymore too much pain. I was a happy outgoing person, social and fairly attractive, now that's a joke, He said to me "By the time you get to the grave your going to be so ugly" Wow that can't be too far, as I'm sure that now.

My face has been burnt, and I've aged about 15 years in the last few. I was also told "Never look at another man, woman and child as long as you live" and "Look at the ground when you walk" I don't go out anymore as get attacked too severely, but that's funny now, as I can't anymore because of the pain.

I may be ugly on the outside now, but I know I'll never be as ugly as them.

I was born in Australia Scottish-English descent where does this sick **** think we're living.

25/7/08

I have just sent an email to Paul Baird but don't know if or when he will get it. I have been trying to phone him for awhile but no reply. What I was wondering is if you have a email sent from him awhile ago with contacts on it. It had the names and phone numbers of a couple of people who worked for the Federal Police he knew, if so would you be able to send it on to me. I did download this before but can't get any access to my floppys or to my CD's have downloaded, just won't work. Actually hardly anything on the computer will work. Have spent nearly all day trying to post on both my blogs, won't accept any posts on either of them. Let support know but they don't seem to be able to do anything about it yet. They seem to be back on full here again. They are knocking the car out everyday also. Hitting the battery area with something, which disables it. Very bright flashes of lights to go with it. Do hope you're going ok and things not too bad for you. Earlier today got hit so badly by something thought would end up in hospital, then they said "later your dog." Seem to be getting a lot of trouble also from just out the back of us. Take care regards Judy.

Thanks.

14/1/08

Hi my name is Judy, I am from Australia. I have been a TI since 1986, O/S, E/H, M/C, and cyberstalking. They don't leave much out. Lately they are at it nearly 24/7. Just now I had a flash and crackle through room where am sitting is like electrical. Yesterday they hacked my computer all day so I couldn't use it to write, contact, or post. They are murdering scum, they are the dregs of society.

13/8/08

About a week ago I sent a video away somewhere showing the use of DEW's into my home and yard, a couple of days ago the police came to my home, told me its not an offense to use these into peoples homes and yards and then referred mental health to my place. Its funny when these are used against pilots or planes the people responsible if caught are prosecuted to the full. And the pilots are not referred to mental health. They are trying to get me put on medication or put away. Mental Health called to my place this morning. I hope you are ok, stay safe,

15/12/08

I sent a few vids off, to members of Parliament. Last nights attack was absolutely shocking, hurt so much and my heart has been suffering from it this morning as per usual. The guys that came from Mental Health were both really nice people. But with Mental Health, you never know what they're going to do next. Horrible way to live, besides all the torture, you never know when they're going to be knocking at your door, or trying to get you put away, hey? I've just woken up to what the clicks on my computer are every time I write an email. They're saving a draft of it. How slow was I. They do it all the time on my blog, and it shows "saving draft," just didn't wake up to the email thing. Hope your OK John. Take care Judy.

help us = help yourself = help the people !!!

您知道大脑控制武器 (亦称为: 心理控制武器, 精神控制武器, 心灵控制武器等) 和“洗脑” (如美国CIA的大脑控制项目实验: MKULTRA) 吗?

您知道定向能武器 (电磁波武器) 及非致命性武器吗?

您知道人类的思维可以被阅读吗?

这些武器已经被偷偷用来虐待和骚扰无辜, 合法, 非武装和没有防御能力的合法公民很多年了。

有一些受害人因为受不了酷刑折磨,而寻求自杀.

也有一些受害人牺牲了自己的生命.

但是还有一些受害人,因为无法面对公众对这种酷刑的不了解,因而不理解,所以被别人误解为精神病患者,而不敢将自己的遭遇告诉其他人.

可能更有一些受害人因为长期受酷刑折磨又无法寻求帮助, 而采取了极端做法. "

我从(2004年x月x日)意识到我成为一个受害者。

我是中国哈尔滨人 今年32岁 我29岁那年有一天我上网玩游戏玩了一会发现好像有游戏玩家故意针对我 我就骂了他们。谁知道第二天街道上就想起了各种奇怪的声音我只好搬家结果搬家了声音也跟随我过来了 我骂他们一天他们说 再骂让你心脏永远高高的 果然以后他们天天用声音打我 我睡觉时快睡着的那一秒 他们就用声音把我弄醒不让我睡觉 我心里想什么他们都知道 我心里骂他们 他们马上用各种声音提示我 他们知道我想的 千真万确 我也是经历了好多次才相信这一点的 他们先是模拟我家邻居用各种声音折磨我 我只好出去睡 谁知有一天我出去在一座大楼的房顶上睡觉 当时我心里想天打 结果马上在我头顶上响起了一种声音 而此时 房顶四周都没人就我一个人 我还看到了一个圆柱体在我头顶10几米处 龟速移动 又一天晚上我出去睡也有动静 我就换到了大街上睡在人行道上结果在我快睡着的时候跑车的道路上就在我身边的大道上 又响起了奇怪的声音而此时已是后半夜街道上空无一人一车 我又跑到我家楼门栋里一楼过去睡 结果我听见了人的打呼噜声可是打呼噜的声音就在我身边 可我身边空无一人 还听见了男人的咳嗽声也是在我身边空无一人 有一天我坐车公共汽车 我坐在中间 听见车后有2个小孩骂我 我一回头发现车后头一个小孩也没有 可声音从哪来的呢 而且这些各种声音别人就听不到 就我能听到 因为别人都不受影响 人大代表们 你们谁能帮我想科学家反映反映 痛苦煎熬中

另外, 2月9日晚上我把隔音耳塞 塞到耳朵里睡觉, 第二天早上醒来 我发现耳塞不见了 我怎么找也找不到 消失了8点27我去我爸那屋接电话 结果我爸在他那屋靠窗户的电话机旁边的地上 找到1支 可是我9日晚上睡觉没去那屋啊 耳塞是我躺在床上才塞的 我也从没梦游过。再说有这么奇怪的梦游么? 而另一支我在10日早8点55分左右 在我屋门口右边找到了 可是屋门口右边放着床, 我醒来不见耳塞时 就已经床附近都找过了, 55分我当时蹲下的 不知怎么的 第2支就在地上出现了 怪不怪 隔空消失 隔空出现 还出现在2个不同地点的屋中 这违背科学规律啊. 如果是小偷 那应该2支一起出现那 白天我全家可是醒着的 没外人的我躺在床上耳塞要从耳朵掉的话也不应该掉到衣领沟里啊2月23日晚 我睡觉 早起时 左耳耳塞不见了 结果在床右边的毯子上找到了 如果是我摘得 那应该掉左边床 而不是床右边 也没掉衣服夹层里 因为我抖了了在床左边要掉的话应该在左边没掉所以没在衣服里 我在右边抖被时应该掉我右手边界过是在左手边毯子中间上找到的 所以 不是都被调的 3月27日4点多 我左耳耳塞又不见了 我上了躺厕所 会来找 在床左边地毯左上找到了 他好像能顺间出现 能预知人的下一步行动 不睡觉 等等 4月8日我早上起来左耳耳塞不见了我都找了没有接过在一处我曾找过的地方发现了正好我一眼能看见的地方发现了 1 耳塞出现在我正好能发现的地方说明她好像能预先知道我要看那地方是的 我把废的耳塞扔进垃圾袋 结果其中一只不知怎么 跑到电脑桌下面了从垃圾袋自动跳出来了 1, 有一天我躺在床上, 看着外面的天空, 突然看见天上出现了8这个字, 这时我隔壁有个男的说 老天烦了 2, 有一天晚上 我一觉醒来 看见 天上有4个ufo样的发光体在天上绕着圈飞 3, 有一天我在楼顶 看见有个足球大小的圆柱体似的东西 用极其缓慢的速度 移动 4 我做小面包车我做在最后面到下一站时上来了一个小孩车开了一会后我听见有小孩骂我的声音可我看见小孩并没有张嘴, 后来站到站小孩在我前面下车了我正要下车却听见车里头响起了小孩骂我的声音可小孩已经走了。 4 我又做大巴士回家我做在中间的座位听见我后面有2个学生的声音骂我 我一回头看见我后面坐的都是大人根本没学生。 以上这些都是我亲身经历的. 我们这还有一群向我受到这种折磨的人 全世界各地都有 急切盼望您的帮助我要求对这种犯罪行为 and 这种严重的侵犯人权的 行为进行国际调查。(刘欣)

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

1/1/10

My name is James Lovgren. I am a targeted individual. I came across your name over a year ago at the mind control victims blogspot. But recently found your name again, with your email details, at Roger Tolces site.

I live in Canberra, and was targeted in 2003. After losing my job , my partner, and eventually having to sell my house, I found myself moving in with my mother in 2004. That is when the electronic harassment/ torture begin. I

was harassed, tortured and experimented on 24/7, until I ended up in hospital. As you can imagine, I have been diagnosed with everything from bipolar, dilusional psychosis to Schizophrenia.

I am a 44 year old Engineering Surveyor, with no history of mental illness. I am a highly intelligent individual, and was certain that the things I experienced could not be put down to dillusional psychosis, schizophrenia or anything else they chose to label me. That is why I began researhing. Until I discovered remote neural monitoring. After reading many accounts of the harassment, sleep deprivation and torture techniques of these animals, I knew that I was a victim of this technology as well.

I hope this letter finds you well. I dont think now is the right time to go into details of my experience, but I thought I should let you know that I am here ,and that you are not alone in this country. One thing I will relate is that while they where messing with me I underwent what is known as a spiritual emergance or Kundalini awakening.

But thats another story...What doesn't kill us , makes us stronger!

29/11/11

Thank you for your email. I am doing ok, thanks.

I have been subjected to Electronic Harassment/Torture since 2003. As having read many Testimonies myself, I can say with confidence, that I have been subjected to many of the violations perpetrated by these Mindless Imbeciles.

My name is James(Anderson MacArthur Ward Phillips) Lovgren. I was born here, in Canberra, in the Canberra Hospital, in 1965. I am a 1st Generation Australian. My immediate heritage is Swedish, Scottish and Irish. Although my life was completely Sabotaged in 2003, I am a 46 year old Engineering Surveyor, and as such, do have an advanced comprehension of the Technologies being utilised by these low-life parasites.

Here is a brief summary of the events in my situation leading to my involvement in this fiasco, until now:-
In my case, I first had an industrial dispute with the Company I had worked for many years. A company, I might add, who had been recently taken over by a Multi-national. As I acheived pay increases for myself and my fellow workmates, I became rather unpopular with Board Members.

I then was raided by the Police for growing a few Cannibis plants in my home. A few weeks after that, my home was broken into. My home was full of stealable items, even some money in plain view. All that was taken was my Computer and favorite Guitar, which was hidden out of sight, in a place only I new of. Through reading other accounts, it is apparent that the stealing of a TI's Computer is common. Around this time, I was also rather vocal about 911 and the invasion of Iraq and had exchanged a couple of unclassified documents with a friend in the Defence Dept.

At this point, very negative and false stories about myself started to circulate around my social networks, and eventually into my workplace. At this time, myself and my girlfriend where very aware that we where under some kind of surveillance.

Subsequently, I lost my job, my Girlfriend left, and I became very isolated.

As I had a great deal of equity in my home and property value was high, I decided that the best thing to do was get the #@%# out of Canberra. So I sold my home and was staying at my mothers house while waiting for the financial sides of the sale to be finilised.

It was at this point, in late 2003, that the Electronic Harrassment/Torture went into overdrive. After many weeks of Harrassment/Torture, my situation was out of control. The Perps where now actively seeking my Hospitalisation. Out of concern for what this situation was doing to members of my family, I went to the hospital.

After breifly describing some of the things that I had been experiencing, I was instantly diagnosed with mental illness'. I was placed in the psych ward for a few weeks.

I was sent home with Meds. At this point, the Perps convinced me that my 'Talents' where of International importance, and I should travel to my Aunties in Nth Ireland.

I did so, at great expense,(and humility).

From 2004-2005, I was subjected to, lets say, the high end stuff.

During this period some rather interesting things happened, concerning what I later determined to be aspects of what is refered to as 'Spiritual Emergence' and a 'Kundalini Awakening'. I have never been a particularly spiritual person, but that is how the criteria for such things have been determined.

During this period, I was also subjected to some sort of Directed Energy weapon, that was applied directly to my heart.

Certain things happened during that phase, that I believe, caused them to discontinue that level of Harrassment/Torture.

It has since been brought to my attention, that the perps have a particular interest in TI's with, let's say, psychic

generational connections.

From 2005-2009, it appeared to me, that I was being used as a training vessel for new Perps. Hospitalisation being the required result.

By my last Hospitalisation, in Feb 2009, I was well studied on RNM, TI's and Electronic Harrassment/Torture, and was more than happy to let everyone in the psychiatric community know about it. Since that time, it seems that the perps do not want me around their doctors, and the RNM and Harrassment/Torture has been reduced to Monitoring, intellectual property theft and general,(boring), verbal Harrassment.

As you have probably established, most of the Perps we have to deal with are pretty stupid. Particularly the Computer generated ones.

It is now 2011, I have been financially ruined, discredited through bogus Mental Health issues and live on a Disabilty Pension with my Mum.

One other thing. I can say with confidence, that Freemasons where and are involved, at some level, in what has happened to me. Something that I find absolutely disgusting, considering my Grandfather was a Freemason from Edinburgh, who moved to Canberra in the 50's. Unfortunately, he died when I was very young, and I was left 'In the dark', so to speak.

He was a Royal Engineer in the British Army, and took part in the D-Day landings at Normandy.

And this is what these low-life scumbags do to his Famliy, in their own home. Please! Canberra is a city much like Washington. It was designed by Freemasons and has Masonic symbology scattered throughout the Town Plan.

It has also been brought to my attention that the NSA is well established here in Canberra. Which would lend itself to these Human Rights Violations happening here.

It appears that my brief summary has turned into a bit of a read. I will end by saying that as I have been involved in this fiasco for quit some time, and have been subjected to many of the Harassment/Torture strategies utilised by these parasites, you may find my input useful. I have, in recent times, helped other TI's answer some questions regarding Harassment/Torture techniques.

I don't do Facebook, but please feel free to contact me at any time if you have any questions or would like more details of my experience. Stand Sure.

Kind Regards

James...

PS. Some of the surveillance and monitoring technologies that I was subjected to in 2004, are seen in the 2007 movie 'Scanner Darkly', and V2K technology is used in the 2009 film 'Metropia'.

I think they knows too much!!!

16/10/12

I'm doing ok, thanks. I hope that you are doing ok also.

In the last update I sent you, I did describe my situation since 2009. Although I have not been physically tortured or abused post 2009 (except for one instance, that I will get to), I am

still subjected to (boring) verbal harrassment, and what I consider to be

Intellectual Property Theft. Most of the verbal harassment since 2010, has been

far from aggressive. In fact, the perps have spent quite some time of late, apologizing,

telling me I'm liked and should think about going back to work. The last time that I

was aggressively harassed, was while I was seriously contemplating what I should do

with some of the people that I know, who where directly or indirectly involve in

this fiasco. As far as I am concerned, someone owes me 9 years wages and a house.

I don't really have anything to update. If you have anything that you would like

to discuss, or would like my input in any way, please feel free to contact me.

Again, if there is anything that I can help you with, I am at your disposal.

Kind regards,

James...

P.S. I do know of another, where being harassed by Swedish Royalty has been suggested.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

All the best. James.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

19/9/09

I am a Victim of Electronic Harassment/ Mind Control/ Directed Energy Weapons/ Organized Stalking and Torture

I live in Wuhan, China . My nationality is Chinese. I was first attacked on 2004 when I was a student in USA .

I became awareness of being a victim of mind control abuse and torture since 2004 I was a student in USA, 2005, because of feeling being watched everyday and following everyday by strangers, i came back to China.

2007, I was forced to Mental illness hospital and forced to accept psychiatric treatment.

I could not secure a job for a long time. and because I had been forced to accept psychiatric treatment, I could not gain trust from my family members for doing a good job.

They injected "dreams" to my brain and injected "thoughts" to my head.

They kept harassing me using " voice to skull" 24 hours a day and 7 days a week.

They also tortured me and let me pain all over the body.

我是受害者

鉴于我的电子邮件信件来往都有可能被控制了（几乎是肯定，我不能确定我给你们发的这封信你们是否能够收到，或者内容有无篡改，希望能得知你们的电话联系方式，我的电话号码是13667162706, 武汉）

你好！

我现在都还不清楚到底是什么时候开始被迫害的（有可能从中学时候就开始了，因为我的成绩突出而性格非常内向，便于控制），最明确的迹象应该是从**2004年我到美国留学**的时候起，一年半后我因为有被人跟踪，监视等症状（也是因为被控制）被送回国治疗，因为晚上睡不着觉（可能是被控制了）而服用精神药物而辅助睡眠，因而被判定有精神病。后来于**2007年被父母强制送精神病院**治疗，并被诊断为精神分裂症，住了三个月医院，当时我都倾向于相信自己有病了，因为不知道还有脑控这种技术而且不相信一个平民会遭此迫害。后来长期找不到工作（父母也认为我有病不让我出去工作），曾经找到的一份很好的外企工作由于单位的不信任被迫放弃。他们控制了我的生活，我的电脑和思维，我的一切都是透明的，我明确知道有人控制我的思维是在**2007年**，因为别人重复我脑中想过的东西，而且在脑中持续评论我所做过的工作，不停的诋毁我的工作和学习，让我什么都干不成，我整天都不怎么说话，因为一说话就有人在我脑中诋毁我，当然这些诽谤人的话只有我自己能够听见。我现在还被迫吃药，因为不吃药就睡不着，我想这也是控制我的一种方式，始终让我相信我是因为有病才这样的。

但我始终认为我的睡眠与药物无关，原来是脑控这个东西！！它甚至引诱我犯罪！而且我认为它影响我的潜意识，梦境，甚至身体，我的身体感到莫名奇妙的疼痛（奇痛无比），但检查又没有问题（包括肚子痛，牙痛，头痛），让我花了不少钱。

起初我认为它不会侵害我太久，所以我姑息不报，现在我觉得再这样下去，我迟早要发疯，或者自杀，这不仅关系到个人的民主，人权问题，更关系到我的生死存亡，我生存的意义，我想提起法律诉讼，但我认为我个人的话可能没人相信，也没什么影响，所以我希望我们联合起来，共同提起诉讼！

请尽快回复我，共商对策！

对了，取证问题也比较困难，不知道有没有相关技术。

I read about and you gave me the message. Orientation on the introduction of weapons and your own specific victimization.

Introducing the orientation of those weapons to those harmful effects. I have experience of the body. Of course. Relative to you the extent of victimization. I stood by the still relatively light, not so serious you. I only become victims of this year. So you do not have the level of serious, but they use the instruments of harm's function is almost the same. Oppress cruelly at the same time also in a few being also in progress to my at one's side relative on comparatively light degree.

To tell the truth, we experience are similar. And we have the same experience for their efforts in seeking help. In this world to expose the ugly and cruel. I sincerely hope that we can become friends, although we have different nationalities. Different languages, but I still hope to one more like you and the like-minded friends, Since then hope we can keep in close contact, can encourage each other. Do more aspects of communication. In fact, I now need to understand their own experience and suffering of friends, if you wish to do so please give me back. I tell you the biographical notes. Such as which country you are, your age, and so on these. So that I really know my friend, you more information. If you wish to do so.

I come from China. Is a Chinese girl. Are also the victims in China. 24-year-old,. Graduating from university, but did not find work because I do not have more courage. (As victims)

For your blessing. Hope we can all live in a very good. An bless you again. Wishes to you and your families, friends safely! Look forward to your reply, thank you!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Here is my case in summary:

My story started in 2006, it began as a revenge plot as I got on the wrong side of someone with criminal connections, that was the original reason my name was submitted to the perpetrators. I firstly became aware of gangstalking everywhere I went and noise harassment from the neighbours surrounding me. My family and friends

attitudes toward me changed, they were suddenly treating me like I had done something terrible. My relationships began to fall apart.

One night I was awoken to two masked people in my bedroom, I could see them but could not move or speak to raise alarm. One of them pulled out a large syringe and I saw it placed to the side of my head - again I didn't feel anything but saw them do this, then the next thing I knew I woke up the next morning. That day I spent the entire day in my bedroom in a state of induced confusion, I barely knew who I was.....And that I believe was the beginning of the electronic harassment.

I went down the psychiatric road when I tried to tell people what was going on. They were all too ready to diagnose me with life-long schizophrenia. I was keenly aware that they knew I was an EH case, I could tell they were conspiring. It was such an awful time as even my family sided with them, I had no support.

I have since been subjected to constant subliminal messaging pushing me to use drugs (as I struggle with addiction as a way to cope). V2K was slowly introduced and they do terrible things to me at night, including deafening V2K harassment and playing with my organs. It feels like they stop and start my heart.....like they kill me for a second then bring me back.

My father just died of cancer, they cruelly harassed my dog, I just had him euthanised for the suffering they were putting him through.

They EH'd my dad and continue on my mum. They use the hosts of live TV to harass me - I can reel off the names of about 15 Australian TV hosts who are participating in this atrocity to mankind.. They induce terrible dreams and pain when they want to.

My life has massively deteriorated, the last job I had I was gangstalked out of and I haven't worked since. My friends conspire against me and my family, though they love me are unaware victims themselves. Almost every person I encounter is on their side. It is so cruel to be robbed of your entire life this way but unfortunately these low-lives enjoy what they do too much.

Hoping for a solution one day soon
Suzy

Please note in my torture case the middle section where I write of the people who violated me. Do you think they implanted me, that is my assumption as I saw the syringe and felt a tiny lump right near my ear the next morning.

Secondly, and this may sound silly, I'm only new to the mind control activist activities, but have you contacted Kevin Rudd about this, or who in Australian parliament is aware or worth pursuing? Please advise as I want to contact as many in Aust parliament as possible
Cheers, Suzy

I have been targeted by electronic terrorism for 3 years now. I knew something was going on immediately, noticed people following me, I knew the house was under extreme surveillance including cameras and sound devices placed all over the house which they used to show me that they can hear my thoughts. At this early stage I was taken into psychiatric care, it was obvious to me they were aware and wanted to silence me with medication. They manipulated my family somehow, which I suppose is the most perplexing thing to me - my family love me but I know they have been told something that they will NEVER disclose to me because I have tried. They told my family some sort of lies and I can't imagine how they have done this, what they have said to manage to control my family.

I guess I realised exactly what it is that happened to me in 2007. I have experienced all the symptoms of V2K and just recently they have introduced me to LRAD or medusa which is the really loud explosion like sound they play in your brain while you sleep. As a result I have turned to drugs to help me cope. Unfortunately I'm smoking copious amounts of marijuana and chain smoking cigarettes, they are programming me for cancer, and I can't stop smoking. I have an incessant compulsion to smoke even though I hate what it's doing to me. They also talk me into suicide all the time. I'm not a suicidal person but think about it as a possible option more and more. With the fact that they're neuking me with these weapons particularly the very powerful LRAD / medusa one I am afraid I will get cancer or suicide if it gets too unbearable.

This is what they want from me - cancer or suicide and will stop at nothing until they get one of these results. I'm afraid particularly of this LRAD, they have given me short bursts so far. My fear is they will leave it on and just fry me on the spot

I get the television harassment heaps - I think its an organised ring of perpetrators of this crime. We have entered an evil age, in order for the NWO nazis to effectively commit these crimes they need the media on their side. These media and tv personalities get paid a nice price to torment us, it is part of their contract and unfortunately they do treat it like a sport . They know full well that you are a victim of torture, they are the gameplayers to this atrocity. Unfortunately they are people who are swayed by money. There is a lot of money being paid to people and they are participants in the grand scheme of taking us all down. They are no doubt promised immunity, what the idiots dont know is no-one but the very top organisers of this atrocity is immune. They will try to take down many in their effort to control the world.

ALSO were you aware that people can listen to us in public or anywhere. The telly stalkers have a device in their ear which they use to listen to you real-time which is why perpetrators and gangstalkers do such a good job. They can listen to us all day and know exactly how to attack you emotionally. The non-media, average gangstalker also listens to you. They are paid with rewards for doing it and often treated like they are part of an important operation. Some of them are - its the satanic operation unfortunately peoples' compassion is being bought with the right price.

So pretty much anyone on LIVE telly is there because they are not very nice people, and fully aware of this total agenda.

I am a Victim of Electronic Harassment/ Mind Control/ Directed Energy Weapons/ Organized Stalking and Torture.

I live in Taiwan China. My nationality is Chinese. I realized I was attacked on May 2002 in Fuzhou of China.

On April 2002, I went to Fuzhou to meet with a girlfriend who was introduced by my uncle. I met with Yuan (a Taiwan business man in China) and gave my passport to him. But on the second day, I "heard" that Yuan wanted to kill me, so I ran to Shanghai.

Because I was very ill when I was on the train, So I got off train in Ruyi Mountain, Fujian. But on the second day, I felt that some people were following me, so I took another train to Shanghai. In Shanghai I received a call from Yuan ask me to pay him some money. He returned my passport. I stayed in Shanghai for only few days and went back to Taiwan.

After I went back Taiwan, the torturers started to torture and harass me. I "heard" all the voices from my neighbors. I lived on the third floor, everyday I heard the forth floor knock the floor, and second floor also knocked the floor everyday. The "Voices" often said " kill his father, kill his mother, kill his sisters". My dad already passed away on August 95.

Now I have suffered for 5 years, I could not read, I could not work, I could not live a normal life, I could not sleep well, I could not think freely. And I was under the threat of murder.

I am not the first victim. If we don't work to stop it, I am sure I will not be the last one.

I hope through our hard working, we can stop such fascists torture, we can protect world freedom and Human Rights.

参考 Dear international friends: Hello!

I am a man from China. Born April 19, 1977. My name is Mao. Were bright. I lived in Chongqing Shapingba District No. 69 North Street Geleshan!

When I queried with the people reading the blog after reading your central idea, with the attitude of hesitation sent to you this confirmation letter! I hope that you will see that after you learned the basis of analysis of the knowledge of reference cards. Here on behalf of those affected to thank all the patients had!

This feeling has become stronger and stronger. Initially I have a bad habit of drug addiction "ice." However, after each drug I can successfully resolve the use of a variety of psychological back to reality. But nothing like this, and I have known from the depths of the soul brought about the harm of drugs, recognizing that the nerve center of the crisis brought about by injury to the heart center. I am just as a Chinese person is very pious about what the situation!

This feeling I can not understand the first or even the fun of magic voice of the blind, and until now, through my self-awareness, as well as life experiences found in a number of questions. I have no problem of drug addiction for some time, but the so-called sensory nerve let me puzzled, depression and autism have led to schizophrenia, a dialogue model, let me have a sense of fear has become the ultimate radiation.

Since those days. I have been suffering from love. Family. Friendship suffering from unimaginable humiliation, if not are based on the survival of a strong instinct to protect I survived I guess that is already up in smoke, has been with the virtual destruction of the illusion. I used the normal sense of the intelligence and analysis around all around and even feel upset. This dialogue mandatory sensing mode and difficult to understand me, I live in the exploitation and the exploitation of the atmosphere! I only placed the survival of a serious emotional world have been hit, suffering, the perpetrators also called: "To serve the people, for the state share"! And even sexual services不堪入耳! The character in my temper intolerable!

After a feeling there are people who wake up every day non-stop dialogue, the elderly. Children.朋友. In my heart did not listen to the force to discourage dialogue.

21 will be feeling the idea of the police for a polygraph investigation for a soldier will be a spy for a treason of a breach of the International Convention on the legitimate rights and interests of mankind will be in breach of the problem out to sully some of my growth recorded in the course of the rule of law and morality .

Sense of the sacred to the three sensor sensing to medical patients with various diseases by sensing those lonely women in order to

Is it really the spirit of the brain wave controller, the control of people affected by a variety of sensory control it? Really have to let others find their own sense of mass, let me for others services? I am confused. Interfere with my normal life, violated my personal privacy, an insult to the survival instinct! Science and technology such technology?

I hope to receive your answer. Thanks

i don't correspond with too many TIs. i do realise the old saying united we are strong as individuals we are weak. i am still trying to work out the best way for me to counteract the effects, as i am a multi- implant victim & have been a TI now for well over 10years if you are absolutely sure of the type of wave pattern that is targeting you you may be able to purchase a spectrum analyser & attach an audio speaker to it, i am about to try this myself, basically it will scan the airwaves in the selected wave form pattern like a transistor radio but on a different frequency, in theory you will then be able to capture the audio harassment at least, have this witnessed & record it. as far as shielding goes, i have no idea, i am however in the next 12months or so going to america to have a validation scan or verification of authenticity by a professor in the states who also was/is a TI. so i am to believe the validation / affidavit is submissible in court, as i am aware of one of my perp's/ harassers, i am going to approach the human rights organisation in sydney to gether with whom ever i can gather for moral support & character reference. if you are interested in this type of approach search the net for a site given to me by another TI, called MD SPEC 2, let me know how you go.

Letter to John Finch and other TI'S
Sunday 30th November, 2014
Re: a fellow Australian Targeted Individual

Hi John/All,

My name is David (surname withheld for personal reasons), I am a long term Australian victim of: Unethical criminal/predatory Hypnosis, behaviour modification associated with covert drugging and

narcohypnosis, Mind Control, Gang stalking, electronic torture and harassment, including, V2K with additional (real-time) audio harassment etc....etc. I also appeared on your list of over 1200 TI's sent to the UN in 2002 on the Asia Pacifica list I was number 76? the last time I looked, I met Paul Baird the same year 2002, gave him a basic testimony to read and I was placed on the list, so please do not regard me as your enemy i am not a perp just a long term victim & survivor who was conditioned to keep quiet, succumbed for many years to hypnotic amnesia. (Hypnosis as you may be aware is the foundation of Mind Control)

My vision is impaired as I am in the belief I have been implanted with artificial lenses in each eye, beneath the cornea possibly also attached to the retina's) what I see every day, and for the past nearing twenty years are manoeuvrable small fibre type micro strand's in each eye with a dark orb shaped object at the pinnacle or end of each fibre, without moving either eye or focussing my vision directly in front the optical cameras as I have labelled them, are manoeuvred in any direction(not assisted by my eye muscles in anyway) by the Psychopathic handlers monitoring me, they can be obscured from my view simply by using a flick of the eyes, I can partly move the objects using the inertia effect moving eyes in any direction abruptly however, they are quick to refocus in any direction they wish to spy, there is some discomfort at times, the cameras are merely one part of the system utilised by the monitors (perps) who have enslaved me as their cash cow (research funding for what works best method of bio engineering and overall Mind control) for the past nearing 25 years since 1989/90.

The optical prosthetics are used for confirmation of the gangstalking on the road-one headlight dull or blown-(disconnected under the bonnet) the preps spy on everything I do, I cannot use or know any pin numbers pass words look in the mirror while undressed stare at my partner while she is in the shower etc.. As the voyeurs can see and hear everything, at night or daytime, in poor light they are capable of taking snap shots(possibly stills) white light appears for a brief moment and I believe they have other capabilities of infra red night vision as the aperture seems to turn red, blue or green at times, believe me when I say, this is not a natural occurrence in my body or result of eye trauma or detached retina these cameras are used every day to spy on my life.

Throughout the nineties, I believe I was also on the receiving end of additional bodily alterations, implants, as at various times when I was in the company of; and living with, certain individuals in close proximity to certain facilities during hypno-puppet arranged relationships I was an easy target, therefor "accessible", over the years during those pre planned events (operative procedures) my body displayed various signs of unexplained wounds and considerable time loss around these times (time to transport, implant, time to heal) as I was frequently between workshops during my trade years due to many false rumours by the perps and certain patriots to the perp's being placed -gained employment at the same time as me to ensure the rumours stuck and to further sabotage my work etc... my wages were also constantly manipulated hence, I had no concept of time between jobs and this is/was their perfect ideal situation for access to me and have THE TIME for their nasty pre planned procedures my time loss was obviously part of the hypnotic amnesia as I did not realise or rather pay much attention to it I had no need to watch the calendar between jobs .

Basically the 1990's for me, was a nightmare, I was introduced to someone who was supposed to be an acupuncturist/naturopath who's underlying secret agenda was a predatory (criminal) hypnotist in the company of a lookalike colleague, in a so called ethical facility this is when it all started. Throughout the 90's as stated, I was led around and suggestible by hypnotic cue, to do just about anything they wanted, although their general idea is/was to remain covert at the time so nothing too obvious was suggested that would land me in a nut house or jail, otherwise their lab rat would have been of no use. In that decade I was involved in relationships that led to obvious medical procedures that were performed against my will, consent, and knowledge, occasionally they used their equipment to; I guess, entertain themselves as I was being monitored covertly, yet gang stalked set up for things I was not guilty of and my name discredited as in 1990 I had become a tradesman in the automotive industry in the later years as a result of false rumour harassment etc... I was driven from my trade.

One night June 1999 note the date (6.1999) after being drugged at dinner which was cooked for me by a member of the group who monitor me, I was ill, went to bed and they switched from covert to overt, I endured a night of total sleep deprivation and electronic harassment and recited suggestions verbally that i had been hypnotically made amnesic to, yet held in my sub-conscious, until the cue; I honestly did not know what had been done to me on a conscious level of awareness and it was the most frightening event I had ever endured in my life...

June 1999 to this day I have been the victim of a 24/7 365 day per year connection to their equipment, I call their monitoring facility "The Control Room" they-the monitors have rotational rostered shifts,24/7 some rotate to the field for gangstalking, some for the audio visual cochlear and panning the optical implants to monitor my travels ,

others v2k usually at least 4 using the monitoring equipment on their rostered shift, the main purpose behind “The what works best method” from the monitors perspective is above all money .

Being a long term victim of this program , I have endured much suffering as with all victims of the same act against us as fellow human beings who are a part of this world, as are the monitors /perps/handlers who torture us & why? For financial gain and voyeuristic entertainment by remote.

I have read your testimony John @ Peace Pink via FB and amongst the many hundreds of emails I have received as being part of the targeted individual community since 2002 when I learned I was a victim and met Paul Baird, as prior to this time I had no computer/internet access as I basically did not know what I was the victim of, let alone understand it.

However I did meet someone whom I can trust in the world my much loved partner, she & I have been together almost 14 years since 2001, together in the early 2000's we made the mistake of the direct approach to the medical establishment, as I wanted body scans, for quite a few years the perps were 10 steps ahead, those whom I confided in to reveal the evidence (GP's specialist surgeons etc...) were told about me before I had even met them and in some cases I was basically refused scans.

Well that somewhat deterred me for many years and I just lived on and suffered, observing the emails from other TI's, what seemed to be a scam revolving around Greg Gamanche in America, I've read a lot of website material, journals, books, etc.. and victims testimonies in writing and on you tube, films, documentaries, trying to find other victims, who have shared the same experiences as I in particular the same type of implants, much of the harassment I am/have been subjected to is administered in varying degrees of intensity for example: HIGH /MEDIUM/LOW

I am a (25 years) victim of Long term criminal unethical hypnosis and other associations including but not limited to; an artificially split minded alter ego/persona integrated with the MIND CONTROL PROGRAM –including electronic harassment, voice to skull artificial telepathy, thought interpretation and amplification, mind rape, virtual rape during sleep by obviously sex deprived females and males who appear to be addicted to different forms of substances , gang stalking, gas lighting, street theatre, consistent unforced entries into my places of residence, sabotage and theft of belongings including motor vehicle/s and has been concentrated over the past 8 years since my partner and I finally got a mortgage.

Direct neighbour intervention regarding the unforced entries (copied keys) and usual TI scare bully tactic's in the general neighbourhood, psy ops-associated with psychological torment and harassment, illegally non consensually implanted and manipulated, many skin cancers resulting from concentrated and long term subjection of microwave /electromagnetic radiation around areas of my body that I KNOW house implants, stinging of the skin in certain areas- during the 90's part of the implant body alt decade I was induced with a skin virus hence their access to hide scaring /entry points additionally sub dermal skin tissue attractors to irritate the skin from their remote CONTROL ROOM , I have treated many skin cancers around specific targeted sites on my body including the area's around the eye's ears nose, shoulders etc some I believe are the result of the implants including sub dermal heating of my skin(microwaved) back- joint- knee-neck ribs –shoulder blade-hands-loss of dexterity etc artificial type arthritis or multiple sclerosis type induced ailments, manipulation of the neck area to steady the head so the ocular prosthetics can be panned more easily from the monitors perspective provide a clearer picture they refer to it as spiking and it feels like someone is controlling your head/neck area it is most often associated with migraines, artificial persona by the monitors wearing the headset's projection of all emotions including fear intence, anger, anguish, lust, illusion, anxiety, melancholy etc etc.. artificial asphyxia during deep sleep, audio surveillance, visual surveillance, electro shock, migraines at times almost daily, sleep deprivation currently almost daily, sometimes during consecutive days(forced to reluctantly medicate for sleep and migraine headaches from time to time) - electro shock when approaching the medical establishment or whenever they choose, I receive internal shock to the central nervous system and brain stem area @ the rear of my neck, associated with trembling/shaking with a strong need to retreat from the area this was backed by their hypno suggested deterrent to keep me quiet (shut up or this is what we will do to you), over the years I was topped up with reaffirmations to keep me in their desired state as being a hypno puppet this was/is done both in person and remotely- (v2k + real-time audio to the ear/s) via audio cues to return me to their desired suggestible state of deep trance for programming and reaffirmations..... well the only firewall-(major obstacle) a mind hacker/criminal hypnotist has to get through is the conscious!

Basically it is the subconscious that follows the orders.....

Like hypnosis/narco hypnosis- drug induced trance state, when TI's are constantly sleep deprived we become vulnerable to a trance like state, and susceptible to suggestion, for example: if you are told during twilight sleep (semi-conscious) a perp derived controlled & sustained level of relaxation, they can basically talk to your sub-conscious your conscious-firewall is drifting or held in suspension and off line so to speak and this is how they program the way "They want you to think" cars one headlight on the road, people artificially coughing, rubbing their eye's, mentioning certain words or phrases that only the TI can relate to or becomes conditioned "you will notice this and become aware it will bother you" etc... etc... (PROGRAMMED TO RESPOND TO MIND CONTROL)they force us to react sub-consciously and the conscious mind or firewall has lost its protective barrier to self-preserve us; our GOD GIVEN firewall to protect us concerning RIGHT from WRONG.....

..... in other cases people can be manipulated to do things they would not normally do on a conscious level of awareness, for example, commit a crime, a despicable act, hand over money, self-harm even suicide, enter into a sexual relationship with their practitioner or someone you do not find attractive, or would not normally consider the idea as you are married, or the hypno-puppet can perform other errand's etc I'm sure most people given their imagination's the amount of things that could, can be, and have been done, to people/victims of this program is limitless.

SECRET DON'T TELL if any TI's want to learn where the foundations of what we are being subjected to, has derived this is a..... with much emphasis on the word a "REVEALING" encyclopaedia!!!

Typing the title alone SECRET DON'T TELL into the WWW there are four case histories- book extractions that can be read as a basic insight from the early days prior to the modern day use of the same basic fundamentals of the MIND CONTROL enslavement agenda.

The author Carla Emery spent many years researching with a heavy barrage of cross referencing material the results of many years of her own research regarding a subject that is suppressed from mainstream media etc...for a reason..... to hide the TRUTH!

From my perspective being a victim of non-consensual hypnosis and all that has followed since becoming a victim the material or rather a cross examination of the vast complexities associated with enslaving someone-an innocent person of the program, the book has made sense of much of my past.

Having the knowledge, I am still acquiring as together my partner and I have not yet finished the book, realising that much of this program is based on hypnosis, I feel a little more in control of my own life and have learned to be more watchful, aware and less succumbed to the perps scare tactics threats gang stalking tactic's etc...and it p.sses them off I know this, as with their mechanical and AI arsenal I have been hammered.

Over the past three to four years I wrote a testimony of my experience and all whom "I" know are /were involved in my disposition, as a heavily targeted individual, well after 25 years you'd think id know who my monitors are, also the reason behind it and the unexplainable wealth that has been acquired by certain individual's with no academic background, also those with academic history that are discreetly/and indiscreetly placed in certain situations/employment status to access unsuspecting victims.

With the lack of correct grammar, punctuation, intricate big words, computer aided spelling corrections etc.. ,I'm no writer and for someone to sit and read my testimony was not my best choice of media to reveal almost half my life's experience as a surviving TI, so....during the years of 2011 to 2014, I employed the use of a computer based software program movie maker type thingo, a voice recorder and camcorder, my partner and I created a more understandable medium for people whom I chose to view the testimony to learn, and become aware of what is ,and has been happening to me in secret for over two decades and that I am not an isolated case, resulting in six DVD'S amounting to 14.4 hours of viewing.

Contents of the testimony includes, an introduction into the world of science /psychiatry the use of ANIMALS and HUMANS for non-consensual research and the ongoing advancements relating to mind invasion technologies and how implants have progressively become more advanced yet much smaller and virtually undetectable, I then begin my testimony originating from 1989/1990 explaining the introduction to a criminal hypnotist and others who I have grown to learn were involved at the time and remain as part of a criminal cell or covert group, basically the handlers who have monitored me since it commencedmany deterrents such as hypnotic trance amnesia were put in place to keep me stupefied to hide the immediate disclosure of who did this to me and why, and this

programming was periodically fortified and remained for many years, although as documented throughout the testimony as I do have a good memory ,the perps let inklings of truth out over the many years at the time during the establishment years the 1990's as I have labelled them due to basically perp induced poverty I was without a computer, internet access and without an honest partner, and did not have any understanding as what I was being harassed/stalked/falsely accused/set up for etc..etc..etc.

Only that a lot of the harassment I labelled back then as psychological warfare, it seemed that just about everywhere I went, people I liaised with including friends were somehow linked to this harassment, even family!

Sounds like paranoia doesn't it, well that's how the perp's want other's not in the know to treat any TI, as someone suffering mental challenges etc...I am sure I am not the only TI to learn this.....

As documented and from a now days perspective I have watched the DVD'S several times It reminds me just how many were involved over the years and those who are the financial beneficiaries as being the monitored results of the past 25 years of my life, initially -1990's being non consensually handed over to criminal hypnotists, the medical establishment, neuroscience, bio engineers etc, for implants and the like for nothing more than money basically; and to press buttons to inflict pain, artificial stimulation of specific sites within the brain and body to achieve an experimental reaction while the monitors (not white coat scientists) but civilian criminals who are trained to use the equipment from a control room usually within the neighbourhood of the TI, and relay their DATA for the analysts to observe cross reference with other cells-(TI perp monitors/handlers/gang stalkers) and apply the what works best method of mind control.

The remaining two discs 5-6 are what we (my partner and I) have investigated regarding unexplainable accumulated wealth, land title ownership, secret shelf companies, other money laundering businesses/practices etc..etc.. unexplained assets owned by long term unemployed, civilian perp's with fictitious medical statements to receive disability and sickness benefit's, dole bludger's/women with kid's-an avenue to have the free time to monitor, gang stalk and appear at least to be on the grid and have a reason not be working yet have a secret life-a financially successful criminal life, that is a basic disclosure being some of the civilian perp's who are /have been harassing, monitoring and torturing me for last 25 years, we have recorded events on paper and film, diarised events, gang stalking photographs with recorded number plates, times places, description of the known to us driver at the time occasionally wearing disguises etc.. Question: if they were not familiar faces to us why the need for a disguise and tinted windows or wear sunglasses at night? Historic archives of Medical misconduct of certain involved individuals etc. spent our own money and many hours digging up the information in historical archives regarding certain medical personnel, including alternative practitioners who I was hypnotised to become involved with for one purpose, to entrain me as a hypno slave type Mind Control puppet, including amnesic prostitution, and other sexually orientated acts, and have my body accessible for unauthorised/unethical implantation and alteration etc...

Unlike many TI's , although pre-conditioned via extensive use of (criminal unethical hypnosis) , I know personally those who are; both directly responsible and have accumulated over the many years: assets and gained financial success via the proceeds of their highly illegal and inhumane crime's, as being the monitors/handler's hypno-assistant,s-(via cue) that do this to me, as I was easy unknowing prey, I can say with what appears as a lot up front and continual incentive, "The Root of all Evil.....Money" is the main reason behind it all, as Barry Trowers stated to provide an industry !!!

The testimony contains much information and reveals those whom I have mentioned being the criminals, I cannot upload it to YouTube etc.

I do not wish to self-incriminate this side of a courtroom without the backup of more substantial evidence, as hard as it was in the past to reveal the obvious I have little choice, I must reveal the truth and have it dealt with ethically and professionally, I need the scans and diagnostics of at least some of the implants etc as proof of fact..... it is hard to act normal when you are being internally electroshocked in front of someone being part of the medical establishment who is trained to dismiss anyone who appears deranged, or the perps have already informed via the higher end of their criminal network that you are a research subject or mentally ill or some other bullsh.t lie.

Just being able to get someone to believe the DVD's was hard enough and it did take some time and money to pay certain people to view the testimony and actually take it seriously and believe at least some ,of what is the truth regarding my disposition.

My partner and I have found such a person, who appears genuine and did not charge for the viewing or advice given during a brief following their witnessing of the testimony. The person has a long history in law enforcement including the higher ranks, who is now a legal representative also at the higher end.

With those not in the know it is /would be hard to understand a TI's suffering and the question WHY did arise during the briefing however, my beloved partner purchased for my birthday this year the now rare book mentioned earlier written by Carla Emery: SECRET DON'T TELL an encyclopaedia of Hypnotism, it also came with a disc allowing on screen computer reading with audio-a person reading it for you, with or without the text on the screen, so I decided to give the paperback version of the book to the person entertaining the idea of representing ourselves, as I believe this would give a vast insight into the origin of mind control "from whence it came" so to speak..... and as most people are led to believe hypnosis is not just about putting someone under using a pocket watch or similar, take it from someone who has endured half a lifetime as being a victim of it.

Intense and extremely complex is the world of covert hypnosis and other forms, the CIA,NSA,etc etc have used it in the past as most TI'S would know regarding MKULTRA,ARTICHOKE,BLUEBIRD,-OPERATION OFTEN,OPERATION CHAOS,AND OPERATION MIND CONTROL etc, etc, etc, etc, etc, although less public today regarding mainstream media for obvious reasons it simply DID NOT STOP!and Carla the author spent many year's in hiding to evade the spooks to prevent her from revealing the hidden truths that are within the pages of the Book.

We don't hear too much these days about people/victims of unethical criminal hypnosis regarding the court/legal system it can be referred to as "SUGGESTIBLE" or conspiring toward confabulation-(false memory).

Yet there are many case histories regarding criminal hypnosis from all over the world including Australia some as history reveals were BIG court cases...this information is often suppressed they don't want the TRUTH out there, look hard enough though it is there!

I was unfortunate to have met, rather coerced into meeting/spent time with someone and their colleague whom prior to my unfortunate acquaintance, had attended court hearings and appeared in the newspapers in different states of Australia for basically the same thing in reference to what the media labelled as "Medical Misconduct" yet is a mere cover for the truth, being the complaints of victims of unethical hypnosis and I personally know this person and their direct accomplices are in direct intervention to "THE MIND CONTROL PROGRAM" - to put it politely (the perp in question) discreetly, was/ is a monster who is/was payed to conspire/recruit/train other monsters to seek out/entrap, create and control slaves.....and I believe is in the knowledge/conspires with other cells(organised crime groups regarding EH,GS,V2K,etc...) all over Australia as mentioned, I was literally hypno-fornicated by others-(consorters to the same court case crim) in certain alleged ethical facilities (whom have resided in other states they move around) whom only years after slipping out of their control at least in a personal confrontation sense, I have remembered and recorded all that I can consciously remember, it is not until I am disconnected from their mind enslavement devices that I can be filmed and ethically re-hypnotised to reveal what was suggested to me while in deep hypnotic somnambulistic trance and I am currently amnesic to; it will also fortify my testimony as to who suggested what at any given time (placed me in trance/reaffirming commands); given the right court order I firmly believe the perps can each be questioned/filmed by ethical forensic hypnotists and the truth revealed, especially concerning the non-consensual medical procedures, and money when it was paid, who by, how much and how it was hidden /disbursed amongst the perps /this could then be verified by forensic accountants to validate that Hypnosis when applied ethically and for the purpose to do good is a very useful and powerful tool to reveal the truth after all..... like cures like in a homeopathic sense!

This briefing occurred about two months ago, some of the advice given was obvious to me, get the medical proof, ask questions of those involved using spy camera's, not easy considering they know my plans the moment I think of them, however these days guilt on camera body language/ conveniently not at their places of residence, or acknowledgement we are using camera's, these sort of pattern's will be added to our compilation and used as evidence against them in a Court of Law.

There are those of course that were /are in the know of at least some of what happened to me, including, work related rumours I will approach certain boss's from my former Trade and former work mates, also past relationships with some of the current perps their former partners, chickened out, of the control group for reasons

likely they were half humane or scared; although as most would agree giving out information they were are if in the know/have received the \$\$\$ proceeds-(the perp's clever way of keeping assurance to of the secret agenda) being inextricably linked to the crime.

Being an ex-law enforcement officer, the law rep also encouraged me to start a personal day to day diary of my suffering, indication of main issues on that particular day, and night, including which perp is monitoring me on that particular shift. (This can be used in cross referencing/examination in court as they the perps who monitor me also write a data feedback diary if their diaries can be obtained that is however: the best diary is their sub conscious diary while they are under forensic hypnotic suggestion on camera)

One of the idea's the legal rep gave was a "Class Action" after obtaining the before mentioned much needed evidence to support my case, I do not regard myself as being a selfish person nor is my partner, I know I have these things inside me that I was not born with and when revealed will fortify my case as will further investigations, I am aware that thousands of fellow victims suffer around the world 24/7 as I do, not all victims receive implants as part of their enslavement, which makes it hard to prove, hence the perp's collective minds at work behind the scene's conducted by the "I like to refer to them as ANAL YSTS GATHERING DAY TO DAY FEEDBACK (SH.T) FROM THE PERP'S" gathering the feedback Data from the civilian crims who do the dirty work of monitoring/Torturing to more or less perfect their crime through trial and error some of the very meanings of the word Experiment!

There is much speculation as to who is paying the perps to do this, I am sure the snake will one day rear its ugly head, however I can't take "The Snake" by the head straight off the bat so to speak, I intend to reveal the chain of command by a process of elimination....- (eliminate the cause)

- 1) Present the evidence
- 2) Present the criminals who did/do this to me there were/are many, being the (financial benefactors and tortures) including medical facilities and key staff also the manufacturers of the ocular prosthetics they seem to be a rare item amongst the TI cases I have read
- 3) Have them reveal the payee's (discreet research funding)
- 4) Work our way up the chain of command
- 5) Win the case obviously with compensation of 25 years as a non-consensual research subject
- 6) Where we can assist those genuine TI's (not pretending perps) financially we will in order to.....
- 7) Use the case as a "Point of Reference" (case history to HELP other TI's) as I am sure most subjects relating to crimes committed against us would be covered in the above mentioned Law Suit they "the court/Parliament" will be forced to write NEW LAWS concerning the WHOLE issue!

To finish this letter, with some of the other advice provided at the brief, "A Class Action" refers to a group, I have remained a sufferer yet an observer & quiet achiever as a victim in the TI world, my case history has yet been heard by the TI community, as mentioned earlier I have named many key crims in the 14.4 hours of DVD content, it contains sensitive information and until I obtain the much needed further evidence to get this before the Supreme court Judges this letter will have to do, for now, as I have covered at least some of the main issues.

In reference to the I.C.A.A.C.T (International Centre Against Abuse of Covert Technologies) well I certainly cannot afford to go to Europe to be scanned by an RF detector even if I could likely I would find our home ransacked and likely burnt to the ground when we returned, is their one scheduled here in Australia?

Do any other TI's here in Australia truly believe or have evidence they have been implanted?

Do any Australian TI'S believe they were covertly hypnotised in any particular state or clinic of any description resulting in a relationship with that particular person or colleague of? My disposition occurred in Sydney NSW and the western suburbs.

I have background information to share regarding certain perps who handled/handle me regarding Criminal Hypnosis that can be cross referenced in public archives and it did not only occur in NSW but other states as well as I learned of their travels.

Is anyone in the know regarding the type of ocular prosthetics (illegally installed eye implants) I have mentioned? I have only come across two from memory, one was an animated schematic diagram and photo of a fibre type strand

taken during a typical retinal scan at an optometrist, the other was Dr Rauni Kilde a document describing the cyborg soldier I obtained from Paul Baird 12 years ago.

The Class Action also referred to by our pending law rep was to discuss a sharing of information regarding the similar occurrences with other Australian TI's and possibly reveal where some of this money that is being paid to the perps is coming from, I guess from a Law representative's perspective in order to achieve a class action we need to reveal the organisations, or who to point the finger at no matter how insignificant the entity may or may not be!

As I am heavily monitored by perps literally shitting themselves at present, If any discrediting letters, emails do arise aimed at me regarding this letter please send them to me and I will use it as further evidence against them, I know a few of their writing styles and lack of intelligence, they have copy catted me in the past, and I do have a few of those letters and are a part of my testimony including their finger prints on the pages.

TO ALL TARGETED INDIVIDUALS WE THE PEOPLE NEED TO ERADICATE THIS VIRUS THAT IS SPREAD OUT OF NOTHING MORE THAN GREED BY A..HOLES WHO DON'T WORK OR HAVE A LIFE YET ARE PAID TO STOP US DOING JUST THAT as for the perps you can hide but we are here to shine the light and together we will expose you!

MY TORTURE AND ABUSE CASE SUMMARY

I have been subjected to Zionist Gestapo torture here in Melbourne, Australia, by sleep deprivation every night for over 9 years now, ever since my return from hospital where a cancer tumour had been removed from my colon.

In addition, the Zionist Gestapo has subjected my daughter to psychiatric torture (compulsory psychiatric "treatment") for over 31 years, and my son for over 19 years now. The purpose of turturing the three of us by the Zionist Gestapo is to kill us in the most painful manner.

Although all three of us are innocent of any illegal or any wrong doing, we are punished for my strong opposition to Zionism and to the Zionist apartheid regime of Israel . It has began some 46 years ago in Israel with an article I wrote against WMD race which the Zionist regime has began then by production of nuclear bombs at the Dimona pile (for more details see the first part of my autobiography : <http://theautobiographyofbenjaminmerhav.blogspot.com/>).

My 76 open protest letters during 2009 to the current Attorney-General of Australia, where I detail my complaints against the ongoing torture of the three of us, including the violations of the rule of law by ASIO, have been rejected, while the ongoing torture of all the three of us continues to damage our well being and health and to subject us to the risks of death as a result. Copies of my open letters have been emailed to government ministers, including the PM, as well as to Labor and to Green members of the federal parliament, but they all ignored my complaints.

My 3 appeals to the International Commission of Jurists (ICJ), and to many prominent jurists in Australia and elsewhere, have been ignored too so far. Amongst those prominent Australian jurists is former High Court judge, former ICJ President, and current Honorary ICJ member, Mr. Michael Kirby.

Amongst the overseas jurists I appealed to were two current members of the international ICJ Executive Committee: Prof. Robert Goldman, former ICJ President, and Mr. Raji Sourani, the Palestinian director of PCHR in Gaza, and ICJ Executive Committee member.

I am Mokuren, a targeted individual/victim in Japan and Germany and I'd like to tell your action to many Japanese victims. So, I think, it is more better to stop the textblinking to read your homepage. Could you consider it? - I'd like to translate the page into Japanese.

In Japan there are many victims of Mind Control and Gangstalking now and they write their experience in Blogs. I think, we, victims all over the world, need to cooperate together.

I AM SUPPORTING THE WORLDWIDE CAMPAIGN AGAINST ABUSE OF DIRECTED ENERGY WEAPONS AND MANIPULATION TECHNOLOGY ON HUMANS

I have been a victim of directed energy weapons, remote harassment, and organized stalking since 2008

Ich bin Japanerin und wohne in Deutschland seit 2004. Als ich in Mai-Juli 2008 in Japan war, wurde ich plötzlich Opfer von Gangstalking und Mikrowellenwaffen, und es dauert leider auch in Deutschland weiter. Ich bin jeden Tag beobachtet, gestört, mit der Technik von Gaswriting und Stasi-Methoden bedroht, meistens mit Autos und von Menschen auf der Straße und in der Stadt. Ich merke auch, dass ich zu Hause mit Mikrowellenwaffen z. B. Kopfschmerzen, Kitzlichkeit, Heißekeit usw. erregt wird. Beim Schlaf habe ich auch Schwierigkeit, weil ich immer Ohrensausen bekomme, gerade ich einschlafen will. Dabei höre ich oft auch Geräusch von draußen, das mich nicht schlafen läßt.

Meiner Fall ist begonnen, nachdem ich mit Anwälte kostenlos an einer Bürgeramt in Japan gesprochen habe. Ich war damals in Japan weil mein letzter Familienmitglieder gestorben ist. Ich wurde von einem davon so gesagt:

- Sei vorsichtig als eine junge Frau, es gibt so viele böse Leute in der Welt, besonders gefährlich sind Sie, weil Sie keine Familie mehr (in Japan) haben. - Gibt es keine Verwandte, die auf Ihre Erbe absehen? - Komischerweise hat ein Klient von mir hat sich das Leben genommen, nachdem mit mir gesprochen haben, nach 2 Tage.

Damals wusste ich noch nicht, warum er so komische Dinge gesagt habe. Dann hat es begonnen. Ich bin von so vielen Autos und Menschen nachgefolgt, habe immer Polizeiautos, Feuerwehrautos gesehen. Wenn ich am Bahnhof gekommen bin, hat plötzlich Sirenen laut geheult. Die Hausumgebung wurden laut mit Sirenen, Geräusch von Husten, Quietschen von Autos und Fahrräder, Knarren von Fenster von Nachbarn usw.. Wenn ich eine Supermarkt besucht habe, auch viele Täter waren da. Junge Schülern und Studenten waren vor dem Regal, wo was

ich kaufen möchte liegt, stehen geblieben. Wenn ich irgendwo weggegangen bin, ist ein Hubschrauber genau über mich tief geflogen. Wenn ich an der Straße gelaufen ist, kommen viele Mitglieder zu mir mit der Gruppenzeichen der Vorbeugung von Verbrechen. Im Zug sollte ich viele Merkmale, die besonders für mich vorbereitet, sehen. Viele Opfer in Japan auch behaupten, dass sie durch den Medien psychisch belastet sind, z. B. sie sehen im Fernseh genau was sie gestern gekauft, gelesen, gehört oder gemacht haben, nicht als Zufällig, sondern ganz häufig und deutlich. Das war mir auch so. Ich habe auch komische Dinge in Ämter, Bahnhofs und Imbiss, nämlich Überall erlebt.

Zu Hause habe ich auch immer mit dem Mikrowellenwaffen gestrahlt. Ich habe eine sehr komische Dinge wie im Traum erlebt und bin fast getötet. Einmal in der Nacht wurde mein Körper indirekt kontrolliert und gegen meinen Willen bin ich zur Haustür gelaufen. Danach musste ich eigentlich zu einem Bahnübergang gehen, um sich zu bringen, aber ich war schon sehr müde und habe so stark gewünscht; lass mich doch schlafen! - dann war es aus. Ich finde es selbst die Geschichte wie ein Wahnsinn, aber das ist echt Realität.

Die Stasi-Methoden "Operative Psychologie" gibt es noch, sogar sind sie noch schlimmer geworden, mit Technikentwicklung.

thank you.

Where do I begin - I could write a book!

I am an Australian citizen, now residing in Townsville, North Queensland.

After reading your email, I have been lucky so far.

I have had a little bit of mind control done to me, but from February 2014 it is mainly about organised stalking in Ingham, Queensland. A large 'element' in this town 'stalk'. It's like a 'sport' for them, better than boredom I guess.

Have you heard of The Men's Shed? Australian Secret Intelligence Organisation (ASIO) use this organisation to recruit 'bogans', 'dimwits' or patriots to carry out stalking.

I wish to name and shame two stalkers in Ingham, 'Maria Bosworth and Catherine Smith, both nurses or former nurses at Ingham Hospital. They both pretended to be my friend, but as I found out the hard way, both are 'recruits of Men's Shed (ASIO). What tools!

The worse part is, to punish me for being a Greens supporter, random people now 'stalk' my children (21 and 19).

Can't believe this happens in Australia, but unfortunately our government have become Nazis before our eyes in a stealthy way. This is happening all over the world. Chaos reigns. And it's going to get much worse. There is nowhere to hide or escape this 'evil'. Australian politicians, both Labor and Liberal are complicit!

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I just wanted to let you know that in the past six months or maybe a bit longer, Chemtrails have appeared from as far as the eyes can see South of us towards Maryborough to North of us to Gladstone. On one day alone, we had twelve Chemtrails at an even distance from inland of Bundaberg right out to sea.

I reported that on the Internet to a military site we have and did I cop some shit! One bloke stated that I didn't know what the hell I was talking about, it was probably just 747's flying overhead and they leave contrails.

Well did I have a field day with this bloke who by chance hasn't contacted me since ha, ha.

I explained who do you think you're dealing with here, some outback bushie who doesn't know a tiger moth from a Qantas Jumbo. I happened to be in the Radar Mustering in the Air Force and have been through an exercise, stood outside and watched as planes tried to out maneuver each other during dog-fights.

I explained to him the difference between a contrail and a Chemtrail and said that maybe you should study up on this situation as it is apparent that you are either part of this secret setup with the B-52's coming over at 100,000 feet, so people can't hear any engine noises or you just don't know what you are talking about. I also pointed out that Bundaberg isn't in a jet's programmed flight path even from Brisbane to any city on the way up North to Cairns or from any overseas destination as classed as an overflight of us to a further destination. To add salt to his wounds I also said all large civilian aircraft have a ceiling of approximately 45,000 feet for emergencies, but the B-52's were used in Vietnam so they couldn't be heard flying over, until the ground erupted with explosions around the Viet Cong. Each B-52 has twin rear exhaust vents, which can be hooked directly into fuel bladder type bags filled with normally rain making crystals, which when released, immediately turn into cloud formations and don't stay in a straight line, like those contrails that 747's for example give off.

Well that was that, he never contacted me after that and I wonder why?

I haven't got the time to read the full article mate, but I printed every page and I will scan and shrink the pages down to send to some Air Force buddies of mine for their own reference. Many thanks for that information Rob.

I am a Japanese TI suffering from terrible covert/overt harassment for a long time.

I belong to a victims organization in Japan called "Technological Crime Victims Network Specified Nonprofit Organization."

I appreciate your vigorous work for the TI victims all over the world, sending petitions to lots of Governments/Organizations/Authorities etc. I try to help you as much as I can do, though language barrier for communication exists.

I myself would like to be enrolled in your TI victims file in Japan. Also some of our organization members wish to add their names on your list. The problem is that some of them are not good at English and having a difficulty to do so by themselves.

Is it acceptable if I write their names with their mail addresses and their own brief case summaries following your instructions. Please let me know if it is OK or not.

For your reference, I have attached here the letters written by Mr. Terukatsu Ishibashi, Chairman of the Board Directors of our organization to Mr. Juan E. Mendez, The UN Special Rapporteur on Torture and Other Cruel, Inhuman and Degrading Treatment or Punishment in August 2013. I believe the letter well describes/summarizes the cases of Japan, however the number of victims is increasing now than the numbers mentioned in the letter.

Sincerely yours,

LETTER TO MR. JUAN E. MENDEZ, THE UN SPECIAL RAPPORTEUR ON TORTURE AND OTHER CRUEL, INHUMAN AND DEGRADING TREATMENT OR PUNISHMENT

August 9, 2013

Mr. Juan E. Mendez

The UN Special Rapporteur on Torture and Other Cruel, Inhuman and Degrading Treatment or Punishment

Dear Sir,

We have the honor to express our highest appreciation for the responsibilities of the UN Special Rapporteur on Torture and Other Cruel, Inhuman and Degrading Treatment or Punishment.

We have been engaged in throwing light on covert and overt harassment for fifteen years in Japan. When we established our private group, we initially had fourteen members, who were victims. In the meantime, this number has grown to more than 320, with more than 1,200 persons being recognized as victims in our country. In November 2007 our group became a Specified Nonprofit Organization.

As a result of our fifteen year survey, we have been able to provide evidence that covert and overt harassment should be declared true modern-day torture. These types of torture used many new technologies. For example, 24-hour tracking, mental and physical attack and manipulation, transmission of voice and images to the brain, triggering of diseases, etc. These attacks and manipulations continue day in, day out, by invisible means within normal social life. We have 17 recognized dead victims, half of them suicides. Many victims are faced with disaster and fatal consequences. Most of the victims are unable to hold a job because they are incapacitated by the loud voices acting on their brains, sleep disturbance, physical pain, etc.

Attached is a copy of the petition we submitted to President Obama in which we explained the facts of both types of harassment. The petition was submitted on May 12, 2009. The number of victims has risen from 500 to 1,200 in the course of four years. While we know that most people in Japan have been affected by this problem in one way or another, we are aware that it is not limited to Japan, but is an issue for people all over the world.

Sincerely yours,

TERUKATSU ISHIBASHI
Chairman of the Board of Directors

Subject: TI details to add to the list please.

Citizen of Australia

First Gang stalking around 1997. Continues to present day.

A large group of cars carrying one or two people, mainly men. All kinds of car harassment:

- standing off with headlights/indicators on
- intercepting and pulling out in front of my car, then driving slowly
- as above, driving nearly the whole trip in front, then peeling off just before I got to my destination
- using 'theme' number plate 'messages' like CYA (see ya); BYE ; BY; CNU (see'n you); ADU (adieu) also CKO (sicko); CYK (sick); CKR (sicker); CCK (sick) repeatedly. Cars parked in obvious places with these 'theme' plates.
- brighting
- car idling as I walk past, then moves off when I am level with it
- car pulls in just ahead of me when I am walking
- at night if I'm on foot a parked car will start engine and turn headlights on as I walk past it
- tooting by several cars in different places in a car park as I come out of eg. local shops
- using several signature car types, which are parked in obvious places eg. dark green sports car; red, hoodless cadillac; small, white 4wd etc.
- backing out in front of my car, when eg. I've just turned a corner

Also:

- fake accidents that hold up traffic or imply threat. These can involve emergency vehicles eg. large white ES truck passing me with flashing lights, number plate DOA, just after I'd talked of death to my friend

-ambulances starting up or stopping siren when passing me; starting and stopping siren for a short time as they pass me

People:

Attracting attention by- calling out, jangling keys or change in pockets, whistling, coughing, standing in my peripheral view, wearing colour combinations I've been sensitised to, walking slowly in front of me, when walking cutting across me diagonally without leaving enough space, standing in groups in front of me (at a restaurant or cafe) so I can't see the view, bumping into me, mobbing while shopping, talking on mobile 'I'm just passing her now'

Standing close to me in a group, but not communicating

Bullying by exclusion from work or recreation groups

Leaving symbols or carrying symbols eg. bunches of leaves

People Repeating parts of conversations or keywords I've used in private conversations

First Electronic harassment 2010. Continues to present day.

- laser type effect to skull, making the skin on skull feel like it is on fire. Lasts around 1 minute
- beaming of blood brain barrier that causes confusion
- 'freezing'. Inability to move when lying in bed
- increase in heart rate to the point where I have had to leave the room for fear of heart attack
- heart palpitations
- from deep sleep being woken by immediate very high heart rate
- stimulation of nerves inside heart (very intrusive)
- burning or boring sensation in middle chest
- electric shock to lower spine
- induced convulsion (white light rippling down body accompanied by nausea)
- subcutaneous irritation of lowest rib over several hours
- head pain (from mild point pain to severe aches causing vomiting)
- high pitched sound in one or both ears
- tapping on ear drum, either ear
- high electrical stimulation of upper body so that later, it felt like all the organs in my upper body were atrophying
- tingling sensation in groin and legs, even over whole body

- pain in abdomen later causing diarrhoea

- restless legs

- beaming kidneys which results in pain, aching kidneys

- beaming eyes so the effect is like having strained eyes

- electronic 'investigation' of back of eye (optic nerve)

- probing beam over body and in body

Hi yes include me on your list! My name is letecia nisi I am an Australian citizen in Melbourne have been gang stalked for 2 years now. Began after posting against ISIS and honour killing on Facebook. Stalking my house or wherever I go out with my children, cars veer at us on roads when walking. Use of taxis to relay messages such as

move house. Sound in the ceiling in the form of stomping footsteps (I live in a weatherboard house no upstairs) use of neighbors to stalk.

Lots of setup situations where I have made to look like I've done something wrong when I haven't. Harassment of children and myself in school. People planted in parks schools supermarkets to harass or unnerve. Car damage from handles being snapped off, bulbs being changed around and panels being loosened, beer being poured into car so it stinks when it's been tampered with (I don't drink beer!)

I am a victim in Japan and I got your e-mail address from FFCHS homepage.

I have suffered V2K and physical attack for many months.

Recently I have bought a bat detector.

I have detected some ultrasound around 20kHz and 40kHz in wall outlets and light switches in our house. I have also detected 20kHz constantly beamed to the back of my ears. 20kHz is the upper range human hearing frequency.

I assume physical attacks might be also done through beaming two ultrasound beams with different frequencies as there are victims who feel water, jels and rubbers are effective when they are attacked. All of these things are sound and vibration dampners and there are some infrasound frequencies which are resonant to each part of body. The bat detector is sold from about 200USD and link is here. <http://www.batsound.com/psondet.html>

I would not say all the attacks are done by ultrasound but I thought this information might help victims who cannot detect microwaves or electromagnetic waves.

I would be very happy if you could pass this information to other victims you know.

3/12/14

I'm originally from Singapore. 44 years old, ethnic Chinese. Couldn't say if the targeting began in Singapore or in Australia.

I went to Uni of Western Australia in Perth between 1995 and 1998. Had some problems fitting in with the locals because they partied so much and created such a din i found it hard to concentrate on my studies. Definitely some amount of harassment there.

Back in Singapore afterwards, life was fairly uneventful so i don't think it began in Oz. But in 200 I taught at the Chinese High - a top ranking independent school attended by sons of ministers, doctors, lawyers...top brass types. I was openly critical of government policies and the school's leaning towards communism and China (Singapore was then opening her doors to the mainland Chinese) - a move that many Singaporeans would later resent and protest against. At the time when I voiced my concerns I was the odd one out - the lone voice. But things really took a turn for the worse when my student came out to me. The school conspired with his psychiatrist and his mother to turn him straight using hormone injections. I objected strongly insisting that hormone injections couldn't turn a gay person straight and that he ought to be accepted just as he was. The student was hospitalised so they could keep him away from my influence and brainwashed so he eventually turned against me. I quit the school but not before students started stalking me and anyone who associated themselves with me. In the staff room I was stonewalled but I thought leaving was the solution. By then I was already on the verge of a nervous breakdown. The system was everything I wasn't.

After I left, I found out one of the Chinese teachers - an ex colleague had bought a unit in the condominium where lived. Soon I had people shouting names at me almost 24/7. If i left my apartment to go marketing or shopping or even meeting up with friends and ex colleagues, people would get on the phones and start calling or texting - the

informants. I was constantly jostled, taunted and called names. Then I started hearing voices in my apartment. If I lay with my right ear against my pillow, I could hear very clearly what sounded like my neighbours talking about me. Didn't work with the left ear - just the right. No one else could hear it. I had a nervous breakdown that was diagnosed as bipolar disorder. I refused meds and went into a mostly manic mode that lasted almost 4 years.

People were discrediting me, trying to lower my status in society by lying about me being a prostitute and a live in maid. Men would shout things like "slut" when I was out in public places. The two dogs I rescued were pelted with stones until finally one died of a heart attack due to stress - she was only one year old then. My condition went from bad to worse. My mother - the blood relative I was closest to was embarrassed by my behaviour. She wouldn't have lunch with me and many of my friends walked out of my life. The two friends who stayed by my side gave me support and courage to go on. At times, my husband was driven to such a state of despair he very nearly took his own life. Mostly, he showed me great love and stood by me in my darkest hours.

We moved to Belfast in 2006 to start a new life. We thought all the craziness would end but it followed us. I was pelted with paper pellets, again called a prostitute, was followed by men who'd sit on my doorstep. I found the strength to confront them but the backlash was worse. I went to the media but they were all dirty. Belfast Telegraph sent a photographer to take my pictures for a Chinese New Year feature article. When I held out my hand to shake his at the end of the shoot, he gripped my hand and rubbed it with his thumb then asked me to lead the way. I felt sick and didn't talk about it for a while. I realise now I should have done something but what. BBC got me to go undercover but there was leak and the perps saw me coming. I had hidden cams and things but they all shouted "Here she comes, the bitch". Steven Nolan later interviewed me on radio but again I was made to look like a nuisance.

We left Belfast for London and the problems continued. This time with drug lords and gangs. I called the police in 2008 but the officer on the phone asked if I was mad. "Who do you think you are?" was his question when I said I was being stalked. Then I found the media outside my flat. When we travelled on holiday we were tailed and watched. When we bought our house in Wales in 2009, the problems followed us. I've heard talk that I made my millions through prostitution. Truth is, I'm not a millionaire, not even rich, just fortunate that my husband and I had enough savings to give us a secure future.

In London, we bought a flat in 2012 so my husband would have a place to live since he worked there. Our neighbours started talking about me to their friends and I became a freak show. Our property was vandalised and when I reported to the police I was once more asked "Why you?" Then I got the call from mental health. I saw the shrink because I wanted to hear from her what police had written in the report. Anyways her eval was that I was overly sensitive...nothing serious (same as the eval by the psychiatrist in Wales who I saw for depression). Problems with neighbours persisted, I was arrested and placed in custody during which I suffered panic attacks, was ignored and not given food or water. My husband called to check that I was okay and the arresting officer lied that I was. When asked if I had declared any medical conditions once again he lied that I hadn't. Attempts on my part to watch CCTV footage of officers in the charge office taunting me whilst I was in the cell has been denied. I am also not allowed to view footage of the arresting officer lying to my husband on the phone.

Up till now, every where I go, I'm regarded as threat to the community. Storekeepers get on the phone to call for back up and managers follow me around at the supermarkets. I'm community mobbed and policed and I have tons of footage. The police keep reporting me to mental health and I've received yet another letter asking me to go in for counselling. I know they're looking for an opportunity to re-evaluate me so they can lock me up and drug me. My parents are here at the moment so they are more cautious but after Dec 20th, I know they'll be more aggressively trying to aggravate me so they can then justify locking me away.

I only found out about gang stalking early this year. That means that for about 11 years or more I endured this crap without understanding what was happening. I feel pretty smart as you can imagine.

That's the gist of it.

Oh, I believe that microwave radiation has been used on me. I've felt like I was being cooked alive, unaccountable increase in surrounding temperature, and I've had dreams that were very strange that played out like a game - never had dreams that occurred in a continuous logical sequence from beginning to end, and also had dreams, recurring ones, of the death of my dog. She's rescue and everyone around me knows I'd give my life to keep her safe.

I have received your reply that my case is not fallen into your work and statue. I have read Amnesty's statue. My case is fallen into Article 1 of your statue. Ministry of Defense of Vietnam has broken the following articles in The Universal Declaration of Human Rights of the United Nations:

Article 1 & 2: They restrict me to go in some areas in city, town to eat and drink, entertain, etc. They do not allow me to buy household items. If I buy the item, they will remotely control others to make little of it. Often hearing "go out" in other places. They pain-bad me in community such as remotely shoot funny brainwave for making me smile or laugh and affect to others thinking me crazy, remote control me to do mistakes for less respecting me.

Article 3: As above restrict liberty. In addition, they often threaten to kill me by remote electromagnetic weapon, or entering my home to kill, or motorbike accident, or bad-hearted face appears to kill.

Article 4: In past, they enforced me to take mental medicine and working hard for do not feeling tired of my brain and headache.

Article 9: They usually enforce me to move to other locations.

Article 10: They usually accuse me for my mistakes in life silently.

Article 11: They laid me that they are polices for investigating my none-committed crime, just is the result of their neurological tortures.

Article 12: They prevent every my girlfriend relationships such as enforce to their recommendation women or their gypsy. Last year, they enforced me to marry a woman that they remotely control this woman make love many times before marrying. Then they remotely control me and my ex-wife to be conflict for divorce and they sent their people attempt to sex rape my ex-wife during this period. In past, they threatened that if I get married, they will turn my wife to a gypsy.

They usually threaten that if my parent gives me their house to me, they will rob. They always read my email. As above, they usually paint-bad my honour and reputation for my parent, friend and others to make little of.

Article 13: They restrict me to go to streets that have their wing’s offices and houses. In past and now, they usually threaten to enforce me go to other places.

Article 14: In past, I attempted to go to refugee in Australia but they prevented it and they forced me to go to Malaysia. Then, they enforced me to a hotel (Orkid Inn) in Kualumpur city and brutally tortured me including skew me method. After that, I escaped and went to KLIA airport and they brutally tortured me including slicing-inside body method in 2 days without food and drink as my story (attached). I had returned my country because of missing my family, tortured and isolated to the community.

Article 15: They tortured me by remote neurological weapon and let me had to say “I have no nationality”.

Article 16: They often isolate and prevent my girl relationship for marring or I have to marry their recommendation ugly woman (or their gypsy). And they and their Chinese wing do not allow marrying Chinese woman in Vietnam for expanding Chinese people community in Vietnam.

Article 26: They prevent me to learn business books, English and other knowledge. In past, they enforced me to leave a pre-Master of Business Administration class and I had to give up MBA program.

Article 27: They prevent me to join the community. They also prevent me to watch live/offline music in television also.

Article 28: I have no freedom in life even though in mind.

Vietnam government has joined UNCAT agreement but Ministry of Defense of Vietnam still torture me. I include my little evidences of the torture as attached files. In the same day of my wedding of their arrangement, I have faces with tortures and without torture. And my face with brutal torture in my identity card is as the attached file.

In addition, they remotely do brain hacking and brain manipulation on Vietnamese. They remotely control Vietnamese behaviour and torture others by remote electromagnetic brain weapon (mind control). Especially, they have an artificial brain in a super computer system that can do torture and brain hacking remotely in 24 hours x 365 days. All Vietnamese citizens without nano chip are remotely mind-controlled by them, or even though they inject nano chip to all Vietnamese citizens but the citizens do not know. They target all Vietnamese citizens with enable-killing option in their artificial brain in their super computer system. They could remotely torture Vietnamese citizens silently and without the citizens' knowing. Unsuccessful Vietnamese citizens are remotely mind-controlled and explored by them to be failed in life, work, love,... All Vietnamese citizens, especially the unsuccessful citizens, need to be released from remote mind-control/brain weapon.

I need your help to stop these human rights abuses, investigate and publicise these. And if possible, please kindly assist me the way to refugee.

Sincerely,

Khanh Dac Pham

MIND/ BRAIN READING, BRAIN COPYING, TORTURE, FINACIAL TERRORIZING AND SLUM- CONVERT WAR IN VIETNAM BUSINESS. USING SATELLITE WEAPONS IN VIETNAM BUSINESS

I currently do not have a nationality. I am a victim of Convert-Slum war on political business from 2003 till now. Chairman of Vietnam government - Nguyen Minh Triet usually threaten to me by satellite mind control weapon that the business is provided for their party, political economic wing and china refugees in past. Further, I am a victim of Intellectual Properties robbing (brain copying and brain reading) by satellite mind control weapon, a massive destroying weapon. See U.S secret never told and Fortune Profit.

I have been attacking (torturing, harassing, simulating politic economic, sex rape, mind-controlled family treating conflict and business & financial terrorizing). Perpetrators modified the facts of my memory and brain erasing. Perpetrators usually used the animations and voices of U.S well-known people, economic people and politicians during torture and harassing by satellite mind control weapon (television & radio media hacking and dream manipulation), satellite microwave weapon, and directed energy weapon. I was jailed at home and the mind was jailed. I have been not belonging perpetrators government as bellow story. I have been remaining company owner business but perpetrators attempted to terrorize all incomes and end inheritance-blooding marrying relationship. Perpetrators attempted to abuse (paint bad and will notify these backing to) many powerful people including politicians of the moving next countries of perpetrators thought. I am attempting to find and save persuade evidences and I wonder that obtained evidences above are unsure persuade evidences. I attempted to record ultra low/ high frequencies around and sent to Investigation for decoding. Perpetrators attempted to torture me to out of energy and bio-energy of my brain to stop finding brainwave recording equipments. I hope you will help to find the evidences of perpetrators international criminals network. Perpetrators controlled my family to move out of current city for treating to isolate me from where my story and evidences occurred. Following is more information of my story in brief and full.

Under many years tortured and violated in Vietnam business by satellite mind control and satellite microwave weapon of "Common Properties" Vietcombank and Public's Securities in Vietnam, I could not live like a human. Perpetrators erased my English skills by satellite brain erasing weapon. Because perpetrators did not want me to use English, I had to give up my class in an English Center and gave up studying at home. In 2008, perpetrators used above weapons to enforce me leave some classes that I was studying. Perpetrators tortured and harassed for bribes everyday. Perpetrators attempted to terrorize my finance and business for dropping me down to be out of money step by step and will join their criminals network. The undersea world of dolphins and whales are very beautiful. They emotion-ed through snorts and whistles together and use sound for communication. Whales and Dolphins communicate through frequency sound of 500 Hz to 20 kHz. We have to be communicated through ultra high frequency and ultra low frequency. Perpetrators have been using satellite mind control weapon, satellite microwave weapon and directed energy weapon to torture brutally and jail us at home. Many of us were death step by step and silent. The rest of us and just growing are step by step in death partly. Whales and Dolphins have their beautiful undersea world to live freedom and as beings. We are humans as you that we have to be brutally tortured daily during many years till to be died. Many of perpetrators are organized gang stalking and some of perpetrators are government officials. Please kindly object perpetrators' cruel actions and bring perpetrators to International Criminal Court and International Human Rights Court.

Dear Sir/ Madam,

In recent days, "Common Properties" Vietcombank and Public's Securities (including in Army Service) used satellite weapons to harrass and torture me. Perpetrators used photos of Consulate of France Embassy to harass, torture and abuse me. This doing is very dangerous since perpetrators injected many terrorist data to my brain during torture. The Consulate is in the same city of my home. I would like to report this issue to you. I hope you will object this crimes to avoid terrorist and self-bomber. Following is the brief of my story:-

Under many years tortured and violated in Vietnam business by satellite mind control and satellite mincrowave weapon of "Common Properties" Vietcombank and Public's Securities in Vietnam, I could not live like a human. Perpetrators erased my English skills by satellite brain erasing weapon. Because perpetrators did not want me to use English. I had to give up my class in a English Center and gave up studying at home. In 2008, perpetrators used above weapons to enforce me leave some classes that I was studying. Perpetrators tortured and harassed for bribes everyday. Perpetrators attempted to terrorize my finance and business for dropping me down to be out of money step by step and will joined their criminals network. I want to tell the torure and violation for bribes in brief as following:-

My story in brief:

- 9/2002: Established food trading company. Business is alright.

- 2003: Open wider to trading more products. My company opened an account at Vietcombank to make a payment for oversea partners. Vietcombank is possessed of "Common Properties" Gornvement in Vietnam. For that, under-table money for them is certain and non-stop at this level. By "tricks of requesting under-table money", staffs of Vietcombank requested more under-table money. I also gave money to them but they did not stop at this. What they want are my good-selling products and making profitable for my company. They wanted to eat "all": money, business and brain data later. After, they purposely harassed my girlfriend in trouble for requesting more money. My girlfriend and I argued together for that. And my girlfriend said "Vietnam country is that: harassing for bribes, pestering for bribes. And do not like them". She broke-up with me for that harassing action. I was shocked. I was extremely up-set and told the truth to Tuoi Tre newspaper and Thanh Nien newspaper via internet but no any sound responded from them. In disorder status, I did not care that newspapers are from "Common Properties" Party. After I knew that newspapers made a cover of tricking Vietnamese.

- In the middle of 2003, I was received many notifies of killing by under-cover faces to rob my business. My brain was read by them at that time. I was monitored by under-cover faces or organized gang stalking of Vietcombank.

In 2004 to 2009, Vietcombank and their devil hands continuously warned to kill me, brutally torture and sometimes enforced to leave Vietnam. They knew everything about me such as mind, facts in past, memory, plan to do as study abroad, feelings, everything including control my behavior, moto and what to say. Vietcombank's devil hands are many people of "Common Properties" Public's Securities. Weapons they used are Satellite Mind Control weapon and Satellite Microwave weapon. These weapon used for warfare. They used satellite microwave weapon

to shoot my brain till to be crazy and closing death. They, "Common Properties" Vietcombank and Public's Securities, are bloodthirsty and brutal devils. They are criminals against to humanity.

Strait Times Singapore: Here's a tip: Things in Vietnam work if the price is right

Comment of a Vietnamese in oversea:

As a Vietnamese living overseas. I feel ashamed of the corruption in Vietnam. I do hope Singaporeans who come to do business in Vietnam will set up good examples for local government official and people there. I feel much more ashamed by saying so when Vietnam has to need outside people to help them clean themselves... "What makes the situation worse is that corruption in Vietnam is not discussed openly because of tight state censorship". Vietnam Communist Government disgraces their people!

Hello Everybody,

My name is Khanh from Hochiminh City of Vietnam. I was tortured by Mind Control and Microwave weapon for many years. I would like to make friend with you because I am in situation like you. Anyone accept, please kindly reply me.

18/3/09

Under many years tortured and violated by satellite mind control and microwave weapon, I could not live like a human. I want to tell the torture and violation in brief as following:-

- Weapons : Satellite Mind Control, Behavior Control, Brains Communication Network, Microwave Weapon and unknow Weapon. These weapon are also called Directed Energy and Neurological Weapon.

- Methods :

a. After reading my brain, they used the persons who have similar body parts or faces to terrorize my mind, my mental sense. Slit my relationship and isolate me alone from societ community.

b. Trapping plan. Then using above weapons to control and affect my mind and behavior. Making decisions in mind for me while I do not know.

c. When going out and working, they used the weapons (including V2K: voice to skull) to project into my mind for threatening sound and words such as "go away! shit!". Project many strange pictures in mind. Enforce to do next action when looking or seeing a action, otherwise bad-hearted faces appeared and threatened before. And now they used above weapons.

d. They torture in mind and do not allow to thinking. When thinking about something, they immediately torture to make a threatenning sense.

e. They projected and shooted microwave (microwave weapon used in military) to my brain.

f. They used other unknow weapons to dis-appear my tounge (to make sense about why report to newspapers for the undertable-money of Vietcombank's staff) and bend round my body. They sucked out the water in my body by a unknow weapon. They sliced/incised my inside-body and sinews with brutal pain but no remaining trace.

g. Enforce to be a crimer such as selling and carring heroin, gyssy brooker for them.

h. Language erasing: "goodnight" to be come "good and night words" or "look night" or "god light" or something like that. Ear erasing: the same with language erasing. The sound is made by different frequencies rate. Sight erasing: when seeing anything, they threaten and project microwave and project sounds no through ears to brain for making my mind to be crazy. All doing are to make "blind" of seeing, thinking, hearing and understanding.

i. Sex violation: project sex scenes in mind and sex talking. Then enforced to fuck a gypsy but I denied.

j. Private: watch all private things such as toilet, bathing, reproduction organ (penis, head of penis).

k. Torture about business, religious and politics such as enforcing and threatening implemented by above weapons.

l. Brutal discrimination such as all businesses, women, places and etc are reserved for their wing and favorite races because I was born in middle of Vietnam and for reported action to newspapers referring to the undertable-money of Vietcombank's staff.

m. All my feelings, seeings and dreaming are caught by them under threatening by above weapons.

n. One of brainerasing method is when I think example: "Today I am very tired", they project a person named "Mr. Tiree" to appear in brain. And they repeat this action in long period of time.

o. They torture me 24x7.

p. They usually rouse me to do a crazy action or illegal action.

q. After each torture day, they erased my brain.

r. Their actions are likely Red Khmer criminals. In-humanity, Cruel Actions and Crimes against humanity.

s. Enforce and threaten to go out of my country but when I went to Malaysia as a tour guy, they put me in their virtual prison in Kuala Lumper. After that, I came back home and now I seldom go out of home.

- Injuries: Any pain in body will take a trip to the brain. The brain is exactly a place to contain all pains that a person feel about. I could not stand their brutal torture. Many times I thought about the death and really want to die. Injured brain. These torture could make me to be cancer brain sickness.- Wishes: hope to join the U.S Humanity Refugee Program or any available for the protection away the savage hands of Vietcombank wing's devils. In future, any organization brings them to ICC is a hope for Vietnam Human Being.

Please read my full story as attached file or in the end of this letter.

I am looking forward to your reply soon.

Torture And Using Mind Control Weapon For Business. Enforced To Carry And Sell Heroin

Date: 21/01/2009

In 2002, I started up my business to earn money for studying abroad as a dream. I did the business that is to follow characteristic of Vietnamese business style. I met some issues about business chain of procedure executive, have not met about them before. Following current stepping, all my company issues have also resolved.

In 2003, I expanded the business and the problems started from the breaking up with my girlfriend. The arguing among me, my girlfriend and Vietcombank's staff for under-table money. I and my girlfriend felt about country, terrible. A Vietcombank's staff said: "Take care! We directly buy these products as well". In this time, I wanted to try keeping the relationship with her by entreating her to think about how many years in love together. After that, I have received many threatening words by phone and phone-message even threatening to kill if meeting her and after threatening for my company. Because of loving her, I imaged that she had other boy-friend and accepted to withdraw this love. I wondered that this doing would go away even though I was heart-broken and not easy to forget her. Just a few month later, I began to lose the business step by step by some threatens in streets and my office. My mentality went down for that. I desired to make a report to the public securities. They threatened me when I prepared to report to the city's public securities. A city's public securities gate-guard man told me go back home and written in paper that you want to article to. I was afraid of being killed but I did not know who they were. I did not make a report because I felt the no more threatening in next many days.....

(please contact him or us for the complete story)

I remember these facts that are recalling method of torture. Till now, I just understand that sometime in the past I can not control the thinking because of reading human-brain weapon, human-behavior-affected weapon and brain-communicated network weapon. They can control my thinking and speaking. They create people's voice and they control people's speaking. The right for thinking does not have. They used those weapons for their business organization to curtail business. They curtailed my business before and now they want to curtail other businesses. I could not show my story to Human Right Organization because they threatened to commit me to prison for mistakes in life such as business, reading confusing/arguing internet articles. I read these articles in recent days because I am continuously threatened and violated by their weapons. The thing I do not have that are testimony and witness. They seem to break most Articles in Universal Declaration of Human Rights – UN [2]. I could not stand for any more. I think about the death. I hope everything will show the true. It is not easy whether Justices is existent or not?

Today, I am better. I would like to ask you that whether we can record the signal of mind control and jam (make noise) the frequency from satellite eyes? I am trying to search these information but if you have already answer, I

will not be waste of time.

Looking forward to your soonest reply.

Dear Attorney General Eric Holder,

Today, I read News: Holder considering torture probe on AP. I would like to send my story to you as considering my case involved to C.I.A "black sites" and Bush Administration.

I have been attacking (torturing, harassing, simulating politic economic, sex rape, mind-controlled family treating conflict and business & financial terrorizing). Perpetrators modified the facts of my memory and brain erasing. Perpetrators usually used the animations and voices of U.S well-known people, economic people and politicians during torture and harassing by satellite mind control weapon (television & radio media hacking and dream manipulation), satellite microwave weapon, and directed energy weapon. I was jailed at home and the mind was jailed. I am now not belongs perpetrators' government as bellow story. I have been remaining company owner business but perpetrators attempted to terrorize all incomes and end inheritance-blooding marrying relationship. Perpetrators attempted to abuse (paint bad and will notify these backing to) many powerful people including politicians of the moving next countries of perpetrators' thought. I am attempting to find and save persuade evidences and I wonder that obtained evidences above are unsure persuade evidences. I attempted to record ultra low/ high frequencies around and sent to Investigation for decoding. Perpetrators attempted to torture me to out of energy and bio-energy of my brain to stop finding brainwave recording equipments. I hope you will help to find the evidences of perpetrators' international criminals network. Perpetrators controlled my family to move out of current city for treating to isolate me from where my story and evidences occurred. I have sent my story to International Court of Justice. A person in The Information Department informed that Nation or Organizations could be authorized to request an investigation. Could you help me in this issue? Following is more information of my story in brief and full.

Under many years tortured and violated in Vietnam business by satellite mind control and satellite microwave weapon of "Common Properties" Vietcombank and Public's Securities in Vietnam, I could not live like a human. Perpetrators erased my English skills by satellite brain erasing weapon. Because perpetrators did not want me to use English, I had to give up my class in an English Center and gave up studying at home. In 2008, perpetrators used above weapons to enforce me leave some classes that I was studying. Perpetrators tortured and harassed for bribes everyday. Perpetrators attempted to terrorize my finance and business for dropping me down to be out of money step by step and will join their criminals network. I want to tell the torture and violation for bribes in brief as following.....

LETTER TO HUMAN RIGHTS WATCH

ATTN: HUMAN RIGHTS WATCH

Dear Sir/ Madam,

I had been being tortured brutally in 12 years. In past, Ministry of Defense of Vietnam and Vietcombank (Joint Stock Commercial Bank for Foreign Trade of Vietnam) enforced me to mental illness hospitals for taking mental illness medicines. Please kindly check my story and brain weapon information as the attached files. Now, Vietnam has around 14 millions of mental illness victims of remote torture that is committed by Ministry of Defense of Vietnam. Vietnam is a State party to Convention against Torture (CAT) and International Convention on the Elimination of Racial Discrimination (CERD). In Nov.2014, Vietnam National Assembly has signed (ratified) Convention Against Torture (CAT). Ministry of Defense of Vietnam still tortures me daily till now by remote electromagnetic weapon and Voice-to-Skull weapon. And they remotely torture 14 millions of Vietnamese victims. That means they violate CAT (Article 1 of Convention against Torture and Other Cruel, Inhuman or Degrading

Treatment or Punishment). I would like to describe more about these electromagnetic weapons:

These weapons use electromagnetic wave to manipulate brain, brain cortex (auditory, visual), brain memory (including short term, long term). Brain and its cortex are as radio to receive electromagnetic wave that is modulated by secret technology. They can project images, video, audio, sound, voice directly to auditory and visual cortex for torture that only a victim can receive, see and hear it. In more contrast, they project dangerous, terrible, wrong logic, threatening videos, etc to my visual cortex for torture of my spirit and mental. The same with projecting voice and sound to my auditory cortex. They threaten, warn, threat many things that harm to me for torturing me of metal and spirit. For both methods of torture, they remote control other people to appear to threaten me as their warning in auditory and visual cortex for making logic that it is real and this doing damage my mental and spirit and the tortures are more affected. In addition, they use secret electromagnetic weapon that can remotely torture my inside bone and it make me feeling of very injured. They also have another secret weapon that makes me to be itched till crazy. These weapons are non-lethal weapons and it's hard to see the damage appeared in outside of victim. But for the weapon that makes me to be itched, I can see my skin has a very tiny burned by my eyes but I could not take the photo of it because after taking photo, could not see the very tiny burned skin in the photo. I just describe a little bit of the secret electromagnetic weapons.

As Vietnam is a state party to Convention against Torture (CAT) and International Convention on the Elimination of Racial Discrimination (CERD), please kindly do any action to request Vietnam respect to these Conventions, stop torturing me and Vietnamese victims, and bring the torturers to suitable court.

I am looking forward to your soonest reply.

Sincerely,

Khanh Dac Pham

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Electronic Harassment from NSW Australia. I have been a victim of Directed Energy Weapons and Remote Harassment since May, 2006.

The symptoms I am experiencing are hissing and clicking in the brain, feeling pinpricks on various parts of the body, especially the feet, and a continual pulse on my lower back. I feel some kind of energy moving inside my body continually and my electromagnetic meter confirms this. Like a force field. Experiencing extreme head pain.

Hear the voices of other people inside your mind with no other signs of mental illness. Visual images. I have also experienced uncontrolled by me movements of my fingers. I am under constant surveillance day and night. They can see everything through my eyes. What I see they see.

This is a violation of International Law, as well as human rights. There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse – some of us are being subjected to the most extreme and totalitarian violations of human rights in human history.

As well as being inhumane and criminal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems – and yet our appeals for justice, protection, assistance and/or publicity to Government Representatives, Government Officials, Government Agencies, International Organisations, Human Rights Organisations, Universities, Scientific and other Institutions, and the International Media have been almost completely ignored and suppressed.

For anyone at all concerned about human rights, liberty, democracy, privacy and ALL aspects and degrees of human freedom, individuality and mental and physical integrity and health this uncontrolled and unacknowledged technology and abuse is intolerable!

Your attention is urgently needed to halt these atrocities, control and regulate the use of these technologies, and bring these extremist elements to justice.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Please assist urgently

4/3/13

My name is Hanna Pokkinen and I am a victim of electronic harassment and torture.

I am really in need of some help due to the on going crime I am being subjected to. It is ruining my life. I am so sick of being a victim. I desperate to get it to stop but I dont know what I can do. Please I really need some help.

5/3/13

I am trying to do as well as I can.

As to the exact first year I was targeted I cannot say since it been going on longer that what I may of initially thought but from everything I have managed to learn its white supremacists Nazi extremists trying to use the technology to implement their doctrine and agenda via covert and subversive means. Thats why so many others victims of this mention how Nazi it is and thats exactly what I believe it is. Nazis didnt just go away after WWII they just found other places including America to try to continue researching and developing their mind control technology and continuing their plans.

I am an Australian citizen born and raised here but my family background is Finnish. I think the targeting became more apparent and has just increased to on going attacks since around 2009.

Feel free to add me to the list of victims.

I am so tired of these disgusting abuses that are occurring to innocent people. I am thinking that maybe the best thing for me to do is to perhaps leave Australia and maybe move to Asia. The perpetrators do not want to allow me to work or study I suppose its because that goes against white supremacist Nazi doctrine.

I have attached some of my notes about my experience and my theories if you want to have a look at them. I have also sent information about my experience and theories to various government agencies only to have it fall on deaf ears it seems just like with most other victims.

Take care

Hanna

I Hanna Pokkinen am still suffering the targeting of electronic harassment and torture and it is just reinforcing my belief that it is a part of psychological warfare and that I am being targeted by white supremacist groups.

I am also constantly hearing claims and threats in regards to the military intelligence officer I know. These included more threats to his life and constant claims that I trying to impress him or seduce him for some malicious purposes against the United States of America. Also hearing claims constantly that I am not a student but that I am covertly working for the Russian government or the Chinese government or the Israeli government and these lies and others are always being used at their justification of the attacks, harassment and torture of me.

They are using electronic harassment as a means for trying to constantly control influence people via mind control and perception control. It's a means for them to get power essentially by controlling people via their beliefs and perception since what better way for them to try to subversively and covertly gain control?

Some of their methods of trying to get me under their control have included attempts at brainwashing and threats.

Even today I have been constantly told been suggested to "Stop talking out against the white supremacists".

Also the constant death threats again me and people I know continue as another means to try to manipulate me and control me.

It seems to me that they are trying to implement their doctrine and agenda via mind control nothing new there really since that is how they gained power in the past but now they have the technology in the hands to attempt to do the same thing but through different means. Also the psychotropic weapons which are around and they are using gives them the potential to have worldwide influence which is exactly what they want in order to carry out their plans and doctrine.

Like mentioned before I think electronic harassment and torture is a part of their plans and physiological warfare. It is covert and it is subversive and it does involve social engineering. It can be quite subtle and not that easy to notice but that is part of the point they want to be able to continue getting away with it and not be stopped. If people knew what they have been doing planning people would want to shut them down and then how could they carry out the agenda of their extremist group? They would prefer to do things that enable them to continue like using people like proxies that will carry out parts of their plans agenda and brainwashing and social engineering.

One thing that I believe that enables it to continue is peoples lack of understating of how it can be done and people own desires to believe that it could never be done to them but that is a false belief that may give people some comfort and make them think they are safe but it actually just makes it more possible for it to be done and gotten away with.

Part of the information included below is from an audio file I created and listed to while undergoing harassment and to try to call out the perpetrators of my electronic harassment a torture on their lies and the ongoing claims.

Electronic harassment and torture and its capabilities are a major threat to everyone and not just the victims of it but I don't think people are really taking seriously the broader implications of its use as a tool for psychological warfare and social engineering.

You are perpetrators of electronic harassment and torture.

You have been harassing me, torturing me and persecuting me because I am against all extremists be they middle eastern extremists or white supremacist extremists.

Why is an Australian in Australia like myself Hanna Pokkinen being tortured and persecuted for being a law abiding citizen who wants to study work and is against extremists?

There is no reason or excuse for what is being done to me and others. The only reason you are persecuting me in this manner is because I am against extremist groups , their beliefs/ doctrine and agenda and you who are persecuting me are actually in support of extremists.

You have also been harassing me torturing me and persecuting me because I want to study and have a career and since I am a woman that goes against your extremist beliefs.

Why is nothing being done by countries in the allied nations to prevent it citizens from being persecuted and tortured by extremists?

Do the allied nation governments ally themselves with extremist groups ? Perhaps with white supremacist extremist groups?

There is no reason myself or other should be being tortured and persecuted in this manner. Since nothing is seemly

being done about this psychotropic warfare attacks against me and others perhaps it is time for me to think about leaving and moving to a country where I will not be being persecuted for being a law abiding citizen who is against extremists and wants a career.

You continually refer to me as being Satan just as you refer to various world leaders as being satan or the anti-christ such as Barrack Obama and Vladimir Putin. Do you white supremacists see me as being such as huge threat to you and your extremist group that you would classify me with world leaders who are your enemies?

I know about psychological warfare and social engineering and how it can be used to covertly and subversively overthrow governments and socially engineering groups into power. Bloodless coups so to say. Just look at what the white supremacist extremists did in Germany with social engineering, propaganda, psychological manipulation and the use of occult based mind control to take control of the German people and therefore Germany. Then look at what they did once in power. They were using Germany to try to carry out their extremist agenda.

Also I know about white supremacist extremists allying themselves with groups in the middle east to fight against their common enemies. The white supremacists doctrine and beliefs began to influence various groups in the middle east. If you do not believe it just read about it for yourself.

[En.wikipedia.org/wiki/Relations_between_Nazi_Germany_and_the_Arab_world](http://en.wikipedia.org/wiki/Relations_between_Nazi_Germany_and_the_Arab_world)

All this has not stopped it has just continued and is still going on today.

White supremacists are just Psychotic delusional mass murdering terrorist extremists.

White supremacists want to wipe out the entire population of the world except for themselves. Slaughtering billions of innocent men women and children and then enslaving the rest because that is what their doctrine claims is the right and good thing for them to do. This is not an exaggeration of their goals or agenda. A quote from a white supremacist to illustrate.

More of my previously written notes about electronic harassment.

I also believe that the electronic harassment network is like a botnet network using people instead of computers using mind hacks/brainwashing since the mind has no firewall. I believe it is used for similar purposes as a computer based botnet works. Instead of using malware programs to create botnet zombie computers it using mind control/ manipulation and brainwashing to achieve similar purposes. Programming of humans via mind control brainwashing and getting the people who are like botnet zombie computers to further spread it. Also the use of it to steal information like in a computer based botnet by monitoring/spying on people without their knowledge and to manipulate people into trying to get certain information most often relation to government and military information. As I mentioned earlier espionage by proxy. Also relates to social engineering attacks which is also related to network security.

A human based botnet like what I believe the electronic harassment and torture network to be would implant its malware in the subconscious were people may not be aware of it influence through brainwashing/ mind control/ manipulation and by use of subliminal messaging and the use of subvocal speech to monitor people without their knowledge.

The human body is the hardware which is used and influenced via electronic harassment and torture and the technology behind it manages to hack via using electrical impulses which can affect the human central nervous system and signals which affect the human auditory system.

Many of the physical symptoms I and other electronic harassment and torture victims experience I believe are based upon interfering with the human central nervous system with electrical impulses which can cause pain and muscle spasms.

Other physical symptoms such as nausea and vomiting I believe is created through signals sent to the human auditory system and the effects it can have on the inner ear.

For the purposes of mind control and spying on people without their knowledge subvocal speech is used along with signals targeting the human auditory system which can pick up subvocal speech and send mind control/ brainwashing signals which people would not notice. Also more audible signals are sent to people which is the part of the ongoing harassment all electronic harassment and torture victims such as myself experience.

Another part of my ongoing harassment has to do with my ideas for things and possible inventions. I see another victim of electronic harassment and torture who has claimed a similar thing is going on with him. I currently have a provisional Australia patent from one of my ideas and as I mentioned earlier I think this is one of the purposes of electronic harassment and torture to steal information and ideas.

Essentially I believe that electronic harassment and torture is not a random thing and it serves an overall purpose which I have talked about involving psychological warfare, brainwashing and mind control, conspiracy theories, a the creation and use of a human based botnet and the targeting of the American government and others mentioned in popular world wide conspiracy theories.

A link to a site which shows the brainwashing against the American government which is prevalent amongst electronic harassment and torture victims is <http://moeflats.hubpages.com/hub/How-to-Beat-Electronic->

[Harassment-Pain-Mind-Games](#) . The comment section of this website is most revealing I think.

My earliest notes that I have about my electronic harassment and torture experience.

. With my experience as a victim of electronic harassment and torture there seems to be a strong attempt to try to brainwash me into believing in all kinds of crazy conspiracy theories and try to turn me into an anti-government conspiracy nutter it didn't work on me but from what I have seen many other electronic harassment and torture victims is that many of them do seem to believe in conspiracies. If you look at all the people who have been subjected to electronic harassment and torture there seems to be a common theme amongst them in the conspiracy theories they have been manipulated into believing in via brainwashing mind control methods including torture, sleep deprivation and other methods which are intended to break a person down mentally physically and emotionally. One of my earliest memories of the electronic harassment and torture was them claiming to be satanic group and or NWO.. Then they went onto claiming they were CIA US military and various other groups. This seems to also be the same thing other people are subjected to it going by the fact that many electronic harassment victims do believe that it is the NWO CIA ect ect out to get them. I can only conclude that this is a means to try to turn people against the government of the united states of America. Who really is behind it I cannot say. But whoever it really is I know that they did try to make me believe in all sorts of crazy stuff. It really has been like a battle for my mind. I believe that it is possible that a lot of the electronic harassment and torture victims who believe in some sort of conspiracy and are anti-government could of be brainwashed into believing in it without them really realising it because I know that is exactly what they tried to do to me but it didn't work. This brainwashing is done with use of the audio transmissions as I mentioned earlier all the various symptoms that electronic harassment victims experience are caused audio/vibrations. I think it important for all electronic harassment victims to know this brainwashing aspect of the attack on them which they might not really be fully aware of and try to find out for themselves if they have been brainwashed in believing things like conspiracy theories or to become anti-government.

More of my early notes

Electronic Harassment actually seems to be an ongoing psychological warfare campaign... Going by what has happened to me and what has happened to others the purpose of it seems to be trying to turn people into conspiracy nutters and subversives who are against the government... If you look at all the people who have been subjected to electronic harassment and torture there seems to be a common theme amongst them in the conspiracy theories they have been manipulated into believing in via brainwashing mind control methods including torture, sleep deprivation and other methods which are intended to break a person down mentally physically and emotionally. One of my earliest memories of the electronic harassment and torture was them claiming to be satanic group and or nwo... Then they went onto claiming they were CIA US military and various other groups. This seems to also be the same thing other people are subjected to it going by the fact that many electronic harassment victims do believe that it is the NWO CIA ect ect out to get them. I can only conclude that this is a means to try to turn people against the government of the united states of America.

Some more early on notes which I wrote about electronic harassment and torture.

“*If I am dead and anyone find this note know that I suspect I was killed to to my investigation into the mental manipulation and mind control that seems to be plaguing the world and my investigation into the technology used and how it can actually start manipulation and brainwashing people long before they realise if they ever realise. From everything I have found out all sign point to the nazi/white supremacist movement being the perps who are behind not only electronic harassment and to torture but a global mind control agenda. One of the main focuses of the electronic harassment and mind control appears to be America and America also seems to be one of the main focuses the global mind control agenda in order to use America as the scape goat for their plans and at the same time destroy America from within and try to make the rest of the world hate America and to believe that America is behind all the bad things that are happening probably out of revenge due to their defeat in WWII... Just look at all the conspiracy theories and who they are focused at ... It seems to be making people believe that the government is doing bad things to them in order to turn the people against the government and then in turn the government will view its own people as a threat with the view to destroy America from in the inside. Not to mention the fact I have heard over the V2K/EPIC(whatever it is) transmissions that I am the only one whose seems to of not been influenced by their mind control agenda so they set me up to look like I was a potential threat to the united states and their national security and I also believe by doing that and using electronic harassment and torture on me they could make me hate and blame the united states but that has never happened and never will because I have seen through their BS. They are arrogant and keep thinking that they can keep brainwashing people so that they are never found out... Their methods are subtle and insidious. That is why I am never going to give up trying to make people aware of what is going on so that they can protect themselves and break free of the mind control. I have heard also over the V2K/EPIC(whatever it is) technology that I am the enemy of the white supremacist movement

so if I do get killed I am pretty certain that it was them behind it. I received many threats that I will be killed.

Forgot to mention the fact that Nazi hated the Jews still seem to hate them and have included them also in the conspiracy theories which are designed to try to make people hate them just like with America. Also can probably add England to the list due to the whole silly conspiracy theory that the royal family are reptilians trying to take over the world. Also there was mention of an Aryan brotherhood headquarters in Alexandria in Louisiana USA.

Also we all know that the Nazi were heavily involved in developing mind control (I still believe the Nazi's study of various religions/mysticism was about studying the various mind control methods used) and for some bizarre reason which I still cannot fathom today(suspect mind control/manipulation to get them off the hook) the Nazi mind control scientists were allowed to continue their work in the united states. I believe any technology they developed they would be fully ready to pass onto any other Nazi/white supremacists and sympathetic groups without the government/military ever knowing about it so this could possibly explain why the government may think some technology it has in use is classified but could be in use by other groups to try to make it seem like it was the government that was just using the technology when in fact it wasn't.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I say sorry to you at first, because my English too limited to write letter to you ,so I use Chinese .

谢谢您的来信，我感谢您和其他可敬的受害者的努力，对你们所作出的巨大贡献由衷的表示赞赏和钦佩。

我是中国辽宁省丹东市的受害者高晓维，女性，今年32岁，我受害的时间已经接近16年了，然而直到2007年5月21日那天上网才知道受脑控伤害的真相。

在受害的十几年里，我和我的家人（父母兄弟）受到了很多非人的残害，害人者的势力巨大，甚至可以更改我考大学的成绩而丝毫不担心受到调查，可以指使我社会关系中的几乎所有人，来对我施加压力，针对我的思想说刺激性语言等；在约十年的时间，我的身体时刻被骚扰，各种疼痛无休无止，坐卧不安，连梦里也会痛醒。而对大脑的骚扰则是贯穿始终的。一直以为是特别高级的窃听和监视，可以知道我们甚至在家里的一举一动，我父亲也受到“射线”的直接打击，但是他至今并不相信有能够“读脑”的技术。而害人者得用技术所制造出的各种疾病，我的家人也不能理解，只是认为是自身的问题而大把的吃药.....

我庆幸终于找到了我们中国的受害者朋友们，并且加入到了坚决反抗的队伍中来。

您们，亲爱的难友，尽管我们相隔遥远，素昧平生，但同样的受害，同样面对巨大黑暗的坚韧抗争，让我的心和你们连在一起，我再次向您们表示我最真诚的敬意。

另外，您的中国受害者名单，是以前统计的，以前的受害者我并不熟悉，有些也失去了联系。我想把我们中国受害者最近共同签署的作为集体斗争的两份文件提供给您（附有签名）。

当然，很可能电子邮件团队中国联络人soleilmavis女士已经把这些提供给您了。

愿所有的受害者团结起来！

《致胡锦涛主席的集体控诉信》

尊敬的胡锦涛主席：

我们是一些被“秘密遥控人体和大脑（精神）技术”折磨迫害的受害者。网络使我们相识，受害的遭遇让我们走到了一起。

我们集体向您——胡主席进行强烈控诉！！

在现今的中国，有着一帮无法无天的秘密罪犯。

长期以来,他们恣意践踏宪法尊严,非法侵犯中国公民人权,肆无忌惮地使用"秘密遥控人体和大脑(精神)技术",对受害者的身体和大脑(精神)日夜不停地实施种种秘密控制骚扰,惨无人道的进行折磨迫害和阴谋暗害,致使许多受害者每天生活在极为痛苦恐怖的精神状况中生不如死,身心遭受极度的摧残和伤害。不少受害者因他们制造出的各种莫名其妙的怪病而无辜地冤死。

这种秘密"遥控技术手段"

包括:制造我们身体内日夜交替出现:痛、痒、冷、热、颤抖、难受等人造的"生理疾病和生理行为"痛苦;制造我们的大脑(精神)日夜出现被遥控的所谓"幻听、幻觉"的骚扰折磨痛苦。他们还竭尽无耻、卑鄙、下流的变态伎俩,窃取传播受害者大脑思维的隐私信息,并且,疯狂地对受害者进行秘密恐吓和种种人格侮辱。所有这一切,都给受害者的肉体和精神带来了无与伦比的巨大创痛!

由此,造成我们中的许多受害者如今在工作单位受到了极不公正的对待:有的受到严重歧视;有的被剥夺了工作权利,失去了生计。一些受害者向公安司法部门报案时,也被错认为"精神有问题"而不予理睬。同时,也给我们的家庭带来了极其严重的损害,使不少受害者的家庭因此而出现裂痕,甚至造成家破人亡的惨痛后果。

据不完全的网络统计,在我国,现今公开站出来揭露曝光的受害者已有几百人之多。而更多的受害者正在逐步认清这帮秘密罪犯的"庐山真面目",积极加入到揭露曝光他们罪恶的战斗行列来。

这种无法无天的秘密恐怖犯罪行为的泛滥,正在引发广泛的社会恐慌,给整个社会的稳定与和谐带来严重的破坏。这种伤天害理的秘密恐怖犯罪行为的泛滥,必将对国家、对民族造成巨大的危害!

而这样广泛的滥用"特权",非法侵犯公民人权的秘密犯罪行为,在其技术性、恐怖性和反人类性上都已经成为中国和世界历史上空前的人权浩劫。毫无疑问,这是对人类良知、对法律的严重挑战,是国家的宪法和法律所绝对不允许的!

中华人民共和国宪法第三十三条法定:凡具有中华人民共和国国籍的人都是中华人民共和国公民。

中华人民共和国公民在法律面前一律平等。

国家尊重和保障公民人权。

中华人民共和国宪法第三十八条法定:中华人民共和国公民的人格尊严不受侵犯。禁止用任何方法对公民进行侮辱、诽谤和诬告陷害。

中华人民共和国宪法第五条法定:中华人民共和国实行依法治国,建设社会主义法治国家。

国家维护社会主义法制的统一和尊严。

一切法律、行政法规和地方性法规都不得同宪法相抵触。

一切国家机关和武装力量、各政党和各社会团体、各企业事业组织都必须遵守宪法和法律。一切违反宪法和法律的行为,必须予以追究。

任何组织或者个人都不得有超越宪法和法律的特权。

中华人民共和国民法第九十八条法定:公民享有生命健康权。

然而,这帮秘密罪犯,根本无视《宪法》等这些法律条款规定,有恃无恐地凌驾于法律之上,滥用手中的所谓"特权",丧心病狂地对广大受害者的身体和大脑(精神)进行摧残式的秘密遥控折磨骚扰迫害,恣意蹂躏剥夺受害者的思想自由权、休息睡眠权、身体健康权等公民基本人权;无耻地侵犯侮辱受害者个人所有的隐私和人格尊严.....。

我们受害者在他们的日夜秘密控制折磨中备受煎熬,"唤天天不应,唤地地不灵"。在这种极度痛苦,举目无助情况下,才不得不集体向您投诉控告。敬请胡主席您能体察民苦民愤,为民做主。

据悉,在当今世界上,俄罗斯、美国以及欧盟等许多国家和地区,都不同程度地制订和正在制订一些具体的决议或法规,明确制止这种"秘密遥控人体和大脑(精神)技术武器"对普通平民实施秘密酷刑虐待折磨迫害。如俄罗斯议会的"决议"就是一例。

(<http://www.geocities.com/capecanaveral/campus/2289/webpage.htm>)

(<http://mindjustice.org/1-02-6.htm>)

在此,我们强烈要求国家紧急立法,制订更具体的法律法规,坚决制止这种滥用"秘密遥控人体和大脑(精神)技术"手段,悍然对公民的身体和大脑(精神)实施疯狂骚扰折磨迫害的秘密恐怖犯罪行为!!

这种滥用"特权"的无法无天秘密恐怖罪行,是疯狂的秘密"违反宪法和法律的行为"!我们强烈要求国家从"尊重和保障公民人权"的法律出发,

坚决"必须予以追究"这帮秘密犯罪分子的刑事责任,挖除这些"秘密毒瘤",将他们绳之以法!为建立一个法治的和谐社会铺平道路!!

此致

敬礼!

《致中国“秘密机构”头头的公开信》

我们是一些长期遭受你们管辖下的“特别机构”滥用特权，秘密使用“遥控人体（大脑）技术”，对我们的肉体和精神，实施日夜骚扰折磨迫害和阴谋暗害的受害者。网络使我们相识，受害的遭遇让我们走到了一起。

为了捍卫宪法的尊严和公民基本人权，我们特此向你们写这封公开信。

谁都知道，人脑的主要功能之一是“思维”。各类“思维”的组合，构成了人的全部“思想”。这种“思想”活动，是人的一种内在生理行为，也是人正常的本能精神活动。

并且，任何人，也包括你们在内，在社会生活中，时刻都需要互相进行交流，时刻都需要对外界事物进行感知、认识、分析、判断、认同、否定等种种“思想活动”。由此可见，人脑进行“思想活动”，就犹如人需要和有权享用“空气、阳光、水”一样，是人赖以在社会中生活和生存的基本要素和条件。

而这种“思想活动”的“内容”，又时刻呈现出不确定的、游离状态的特点。因为，其随时都可能因外界情况和条件的改变，或因自身认知发生变化，而随之进行相应的变更。

比如，当二个人发生激烈冲突时，其中任何一方都可能因愤怒而产生出“要杀死对方”的念头。而这种“思想活动”，是随时可以发生变更的。也许愤怒者在冷静下来后会自我否定而改变初衷；也许经朋友劝说厉害后会改变想法。又如，一个男人，在看到一位漂亮、丰满、衣着外露的女性时，一瞬间极可能产生出一种冲动的“性占有念头”。而这种“思想活动”，会由于或条件限制，或自我控制，或惧于法律惩治等种种因素，而随时会自我否定变更消失。再如，当某人受到不公正对待时，一瞬间也可能产生出对现实的“强烈不满念头”。而这种“思想活动”，同样随时会或者因为自己认识的提高，或者因为别人的劝说，或者因为原有的“不公正对待”情况的消失而随之变更消失，等等。

从法律意义上说，只有当人的“言行”确有违犯法律的事实时，法律才予以惩处。而人的“思想活动”，纯属是一种合情、合理、合法的，绝对自由的个人隐私，也是人类神圣不可侵犯的最基本人权。因此，任何组织和个人都不允许用任何方式实施窃取传播和骚扰侵犯，更无权依此作为评判依据。

然而，在“文革”中，林彪、四人帮一伙大搞法西斯特务专政。他们对被秘密关押的大批干部群众，非法使用“遥控人体（精神）技术”手段，秘密窃取“思想活动”作为“犯罪依据”，并进而依此对受害者的肉体和精神实施惨无人道的秘密遥控残酷折磨迫害，致使许多干部群众无辜遭到诬陷，并以莫名其妙的一些“怪病”被阴谋暗害，或不堪忍受秘密凌辱而自杀，含冤而死。

毫无疑问，这种秘密窃取公民头脑中的“思想活动”作为“犯罪依据”，并进而依此实施秘密肉体、精神折磨迫害和阴谋暗害的罪恶“整人理论”，从法律上讲，是完全违背了“法律只对于那些在言行上确有违犯法律的事实，依法予以惩罚”的原则；从政治上讲，是公然侵犯人类本能思维权利的反人类、反人权的法西斯主义的体现；从科学上讲，是明显与人类“思想活动”时刻处在变更的不确定状态的事实格格不入的；从道德上讲，是不折不扣的窃取公民个人全部“思想隐私权”的无耻的道德罪恶。

因此，在上个世纪八十年代初，为了在全国“拨乱反正”，顺利“落实政策”，平反一切“冤、假、错案”，一位司法界资深人士专门在《人民日报》上发表文章，郑重地指出了：“在中国没有思想犯！！”这一条重要的法理原则。

显然，历史已经对这种罪恶的秘密“整人理论”做出了严正的宣判！对于这样一段历史事实，毫无疑问，你们一定是记忆犹新，十分清楚的。

不幸的是，你们管辖下的专门监控民众的“特别机构”，却接过林彪、四人帮一伙大搞法西斯特务专政的衣钵，秉承他们那一套非法罪恶的秘密“整人理论”，长期以来，一脉相承地对公民的“自由思想活动”进行秘密监控窃取，进而对公民实施种种非人道的、无耻的、残酷的秘密肉体、精神折磨迫害和阴谋暗害！

改革开放后，随着这种“秘密遥控人体（大脑）技术”越来越先进，随着你们管辖下的“特别机构”的“广泛基层化”；人员素质的“低下庸俗化”，这种“秘密遥控人体（大脑）技术”被更加普遍的恣意滥用，成了对遭监控的受害者实施种种“变态狂式”的无耻骚扰折磨迫害的发泄工具。

从大量揭露出来的事实表明，你们手下的“特别机构”人员，正是秉承那套罪恶的秘密

“整人理论”，对许多无辜受害者的肉体和精神，实施着24小时不间断的、长期的、无耻的秘密遥控折磨迫害和阴谋暗害手段：

（1）侵犯公民隐私权。通过秘密窃取受害者的“思想活动”，进行广泛传播，恣意侵犯公民的全部“隐私权”。并以此对受害者进行“恐吓对话”，胁迫受害者时刻生活在毫无隐私可言的惶惶不可终日的痛苦精神状态中。使一些受害者经不起这样长期的个人隐私被时刻暴露无遗的精神恐怖折磨，有的甚至于走上了“自杀”的道路。

（2）精神骚扰。日夜制造受害者耳朵内出现：威胁恐吓、造谣诽谤、讥讽辱骂等骚扰声音，扰乱受害者的精神，使受害者无法正常思维，无法正常休息，无法正常生活、学习和工作。有的还在受害者入睡时，大量灌输种种凶杀暴力、色情淫秽、反动恐怖的画面进入受害者的大脑，施展无耻的流氓式的“钓鱼”伎俩，设下“陷阱”，诱骗、陷害受害者。

（3）肉体折磨。恣意制造受害者身体内各个部位随时出现：痛、痒、热、冷、颤抖、难受等种种肉体异常痛苦。并且，无耻地实施毫无人性的“性折磨”的手段，使受害者日夜生活在无比煎熬痛苦，生不如死的境地。甚至，还制造受害者体内出现种种“怪病绝症”；或在开车或过马路等需要注意力集中的关头，控制改变受害者的视听感知，制造事故，凶残地阴谋暗害。

(4) 通过对受害者亲属的身体和精神实施各种折磨痛苦, 对受害者施压, 竭力增加受害者的精神负担。通过窃取受害者的"思想", 传播给其亲属、朋友、同事等, 或合成制作后者的声音, 将其传送给受害者, 大肆制造假象、混乱, 竭力挑起矛盾、冲突。进一步恶化受害者的社会生活环境, 加剧和促使受害者的精神趋向崩溃。

凡此种种秘密手段, 其目的就是要把受害者折磨迫害成: 或者"精神失常"被送进精神病院; 或无法忍受残酷折磨痛苦而"自杀"身亡; 或产生和公开发出"强烈愤慨不满"的偏激言行——而"授人以柄", 被"依法惩处"; 或制造"绝症", 借助医生的"手术刀", 实施冠冕堂皇地"借刀杀人"阴谋暗害, 或通过干扰受害者的感觉认知, 制造"意外事故"。而这许多分明是货真价实的阴谋暗害, 却又嫁祸于受害者自身、于"疾病"、于他人, 以掩盖其秘密迫害和暗害的真相。

如此目无法纪、惨无人道地秘密侵犯公民人权, 其蛇蝎之心, 又何其毒也!

毋庸置疑, 在一个"依法治国"的国家里; 在建设"以人为本"的和谐社会中; 在"人权"已明确载入中国宪法的今天, 这种滥用"特权", 肆无忌惮地遥控侵犯公民人体(大脑)的秘密行为, 更是地地道道的反人类的秘密恐怖犯罪! 是对神圣宪法尊严的亵渎! 是对人类文明的严重挑战!

中华人民共和国宪法第33条明确法定: 国家尊重和保障公民人权。这样的"人权", 当然包括公民起码的思想自由权、睡眠休息权、身体健康权和基本生活生存权。民法第98条还具体法定: 公民享有生命健康权。而在宪法第5条中又郑重法定: 任何组织和个人都不得有超越宪法和法律的特权。

面对神圣的宪法法律, 你们手下的秘密"特别机构"人员, 为何竟敢如此胆大包天, 竟敢如此横行不法, 作恶累累?!

作为中国"秘密机构"的头头, 如果你们对此不知情的话, 难道就不应该承担这种"秘密罪恶"的领导责任? ! 如果你们知情, 难道就不应该站出来讲清楚, 究竟是谁赋予了你们这样可以凌驾于宪法法律之上的"罪恶特权"? ! 如果只是你们手下的"特别机构"在滥用"特权"的话, 那么, 你们就应该以一个"共产党员"的明磊立场, 从对公民人权、对社会和谐、对国家信誉高度负责出发, 立即坚决地、毫不迟疑地制止你们手下这种非法滥用"特权", 秘密侵犯公民人权的罪恶行为!! 对那些滥用"特权", 蓄意秘密残害公民造成严重后果的秘密罪犯依法论处!! 并给遭受秘密折磨迫害的受害者以合理的精神和经济赔偿!!

在这里, 还必须正告那些滥用"特权"的秘密施恶犯罪者: 不要以为这种"秘密遥控人体(大脑)技术"的高度机密性和隐蔽性就可以矢口否认, 百般狡辩; 不要以为广大受害者无法找到直接证据, 广大民众暂时不知情就可以恣意欺瞒, 掩盖真相; 不要以为政府的其他部门不敢过问就可以甚嚣尘上, 一意孤行; 不要以为中央领导不知道这种"秘密罪恶"的真相就可以有恃无恐, 无法无天!

古话说得好: 纸是包不住火的! 多行不义必自毙! 任何危害人民的罪恶, 不管其隐匿得多深; 不管其有什么样的"特权"; 不管其是何等的猖獗, 都只能是横行于一时。到头来, 是必定要被汹涌澎湃的文明社会发展的历史所淘汰, 变成被钉在历史耻辱柱上的不齿于人类的狗屎堆!!

历史的辩证法就是这样!!

彭宜杉是一名脑电波扫描仪受害者或精神控制受害者, 受害于2006年9月份, 受害地点是安徽经济管理干部学院(即安徽经济管理学院、安徽行政学院)。2007年4月份开始休学一年。从受害时至今日(2008年3月29日星期六)已有2年左右了。

精神监控者/电磁武器使用者/狗腿子为了他们（她们）自己人体实验和科学研究的目的，利用高科技的整人设备监控和折磨着生活在20世纪90年代初才通电、21世纪初才通电话的贫苦农村中的彭宜杉。

总结我的受害体验和参考其他受害者的受害体验，我们受害者在被这些精神控制监控者监控和折磨过程中要先后经历以下二种情况：

首先是我们的受害者不知道自己被人监控。这种情况下，我们受害者任人摆布，精神控制监控者说什么，我们就相信什么。很多事情在正常情况下，我们都不会相信，但在我们不知道被监控的情况下，我们却信以为真。在我们受害者不知道被监控的情况下，精神控制监控者经常说一些不切实际的话，搞一些令人害怕、痛苦、烦恼、矛盾的事情让我们信以为真，以为是自己生活的真实的现实世界，并让我们生活在他们/她们的威胁、凌辱和折磨之下。

很多人都有可能被监控，我提醒没有被监控的人要提高警惕，要知道这种高科技整人设备（人体摄像机/思维语言接收机/脑电波扫描仪）的相关情况和作用。

然后是我们的受害者知道自己被人监控。这种情况下精神控制监控者主要利用这种高科技的整人设备来监控和折磨我们，用来做人体实验和他们/她们的工作和生活之时的发泄(这些精神监控者心情不好时或他们/她们与家人、同事、朋友相处时有矛盾时，或他们/她们与自己的丈夫坐爱不爽时，或他们/她们受到我们受害者的唾弃时，他们/她们就仇恨在心。这些情况下，他们/她们就故意拿我们做出气筒，故意整我们。我扪心自问，做坏事不应该受到唾弃吗？他们/她们拿我们出气，是他们/她们做贼心虚)。

这种高科技的整人设备主要有以下五种作用：

第一，让人做梦（做梦时还搞人身体，有时搞人性器官；有时搞人五脏六腑；有时搞人耳朵，加强了我们的耳鸣，很痛苦；严重影响了我的休息），这个让人最痛苦（至少对于我来说是这样的），伤害也最大，让人痛苦的都想去死，能整死人。虽然人体试验是监控者搞我们的理由，但在实际监控过程中，监控者经常变态的毫无人性的虐待我们，摧残我们，甚至杀害我们。这些精神监控者让我做的不好的梦主要有以下四种类型：1、让人想醒都醒不来，想动都不能动的梦。既不能看，也不能说话，但大脑却是比较清醒的，可能能听到外界的声音，就像是植物人一样。这类梦是非常令人痛苦的，他们/她们还于梦中吓唬人、用这种设备来搞人的身体，尤其是对于我这样的耳鸣患者来说，她们/她们让我在梦中耳鸣更响，非常痛苦，生不如死。在梦中她们/她们还让我的魂魄（是自己的本人样貌，只不过是虚的，没有实体罢了）快要离开自己的身体，非常令人害怕和痛苦，因为自己觉的我的魂魄离开了身体，自己就活不了了。2、令人害怕、惊恐的梦。3、黄色的梦。4、不切实际、自相矛盾、内容混乱、不合逻辑的梦。不知道是精神监控折故意让我做不好的梦来整人害人，还是他们/她们坏到连美好的东西都不会想了。两者，我更相信前者。

第二，声音骚扰，这个让人最反感和讨厌，天天都有他们/她们的比嘴在叫（对我在疯叫的都是一些女的；刚开始受害的半年时有男有女，他们/她们把我整的很惨很惨，我都不知道有人在整我，我完全生活在他们/她们制造的令人痛苦的虚假世界）。

第三，复制记忆，他们/她们利用这种高科技的整人设备把日人大脑的记忆从过去到现在都复制了，还拿这些记忆、隐私来骚扰我们这些受害者。

第四，搞人身体，主要是搞人的头部、四肢、性器官和五脏六腑。

第五，用电磁合成技术让别人的说话声像是说我大脑内的想法，我老是受骚扰，也不知道哪些信息是真的，哪些是假的。监控者用电磁合成技术编造谎言，把我们孤立起来，让我们与世隔绝。该设备还能传导给受害者任何想法、感觉、心理和情绪等。

注：1、依照最高法院对中国刑法的解释，故意伤害人的大脑、眼睛性器官等部位，应判处洋齐徒刑到死刑（致残）。

2、若想了解更多的受害者的相关信息和受害情况，请按文字“脑电波扫描仪受害者”在百度、雅虎、搜狐等网站搜索即可。

3、这些精神监控者在被监控者未知被监控的情况下，让被监控者生活在一个虚假、悲怆且令人痛苦的世界里，并被被监控者信以为真。被监控者在得知被监控的事实后，监控者白天就是声音骚扰，偶尔也搞人的身体，并伴随疼痛、痒等状况；夜里就是让被监控者做“梦”，偶尔难以入睡，偶尔又难以醒来，就像植物人一样。

高科技的整人设备的相关信息

1.X射线摄像机：用来采集脑电波指纹即脑电波特征吗，在当事人不知情的情况下在500米内用X射线摄像机照射建筑物里的人头部，既可采集到该人脑电波指纹，类似电视机搜索频道后保存节目号，将脑电波指纹标记为该人的身份证号，以后只要输入身份证号就能接收该人的脑电波，现在数据库中保存着每个人的脑电波指纹，（脑电波指纹与手指纹和眼睛巩膜指纹一样具有唯一性，世界上找不到具有相同脑电波指纹的两个人），可穿过建筑物看见5公里以外建筑物中的人，墙壁就象玻璃一样透明，人就浮在空中，在晚上也看得一样清楚，能分辨出5公里远的人有几个牙齿，外型似数码相机。（原理：X射线天文望远镜可见10万光年远的天体，火车站的行李扫描仪，海关的集装箱检查仪）。

2.脑电波扫描仪（人体摄像机/思维语言接收机）：用来接收人的脑电波，脑电波也是一种电磁波，人脑本身就象一个电视台不断向外发射脑电波信号，脑电波能被接收，不需要向大脑内植入芯片，接收脑电波就象接收电视信号一样，能从脑电波中分离出思维信号、视觉神经信号、听觉神经信号，其中思维信号转换成声音，文字和图象（类似天线接收的电视信号），不管想什么，脑电波扫描仪都能接收记录下来，不用张嘴说话就能将想的事转换成声音、文字和图象。声音通过喇叭输出，文字和图象显示在屏幕上（分辨率很高）；视觉神经信号也转换成图象，成为一架人体摄像机，被害人看见什么物体，脑电波扫描仪屏幕上就显示什么物体。听觉神经信号转换成声音也通过喇叭输出，脑电波扫描仪外型似MP4播放器和中文信息机，可接电脑。

脑电波扫描仪的接收范围是方圆100公里—200公里，超过以上距离必须使用卫星，在100公里以内将脑电波扫描仪接收到的信号发射到GPS卫星上，通过卫星转发就可在地球上任何地方用另一个脑电波扫描仪接收，只要输入特征码编号。

现在所有人类思维的内容通过脑电波被不远处脑电波扫描仪接收并存储在电脑中，每个人的脑电波指纹不同，一台电脑可同时分别记录1万个人的脑思维，要看一个人在干什么，想些什么，只要输入身份证号就可，也可搜索关键词找想该关键词的人，由于这样的技术，整人非常隐蔽和方便。全国有许多受害者受不了这整人设备的迫害而跳楼自杀，许多被人造脑溢血和心肌梗塞害死。

我们知道人可用二种方式获得声音信号，第一种是通过声波直接传到耳朵，引起听骨的振动，产生微弱的电信号，大脑感知声音；第二种是把振动体放在耳后的听骨上，直接把声音传到听骨上，产生电信号，让大脑感知声音。而现在脑电波扫描仪能将声音信号转换成脑电波信号(也是一种电磁波信号)，直接传到被接收脑电波的人听觉神经上，感知声音，边上的人听不到。

脑电波扫描仪除了可以接收人的脑电波外，还能将信号传送给被害人的听觉神经，（是一种能被人听觉神经接收的电磁波，只有在脑电波扫描仪中输入该人脑电波指纹的人才会接收得到的脑电波信号，听得到脑电波扫描仪使用者的讲话而不知道他们在哪里，在被害人边上没有被输入脑电波指纹的人收不到这种脑电波信号）；还可发送类脑电波信号用来骚扰人和迫害人，可以发射各种信号让人关节痛、头痛、胃痛、身上各个部位痛，让人性欲增强也可让人性欲减退，总之人类能感受到的状态你们都可用发射电波的方法将疼痛强加在受害者身上，在类脑电波信号中加入各种不良感觉信号就可迫害人，他们研究不同部位产生疼痛的脑电波波形，要烧人时输入相应的波形即可，可使人身体的某一糖腺 又δ端 编十 怨δ端

谤噬十48掃 脑噬十48莱斐尚募」 H (13) 耗 潭 潰 且恢址淺？膳碌钠群0说陌讶松账懒硕 蝗四懿桐贺鏊劳蚱 虻幕 蚤?/span>

这些行为手段和日本731有过之无不及，受害者说给别人听没有人会相信，只有被迫害过的人才有此体会，有多少人受不了施恶者的整而自杀？

3.伽玛射线发射器：它是一种定向发射可穿透任何物体远距离烧坏人体内血管的东西，是一种把人烧死了而没人能查得出死亡原因的机器，被照射到的人皮肤表面无损伤，而内脏会坏死。

4.微波射线发射器：被照射时双耳嗡嗡响，口干，眼干，皮肤灼热，内脏翻腾，长时间照射能将人烧死。是一种把人烧死了而没人能查得出死亡原因的机器。

5.放射性射线发射器(工业探伤机):被照射时身体产生寒冷感,有恶心,呕吐,没有食欲,感觉疲劳,得感冒,人被连续照射一个月就会因白血球严重降低而得白血病死亡,是一种把人烧死了而没人能查得出死亡原因的机器。

6.侮辱机：能对人的思维进行误导，施恶者用语言骚扰的同时能产生众多人的议论声。

该技术使用了遥感卫星，脑电波扫描仪，大型数据库，整人设备：微波射线发射器，激光发射器。

许多国家（包括中国在内）都掌握了远程对人脑进行探测和干扰的技术，国际上一般称为“精神控制”或“电子折磨”等（Mind Control & Electronic Harassment） 总结受害人的亲身体会，该技术已经达到如下程度：

1.

能够在绝大多数场所内获取受害人的思维。该场所包括地下室、电梯、飞机等对电磁信号屏蔽较强或较敏感的地方。思维包括人的情感，例如痛苦或喜悦，兴奋或疲惫，喜好或憎恶等，也包括抽象思维和形象思维等。

2.

在上述场所内刺激受害人的大脑神经系统，使受害人产生听觉效果。该声音有一种可以很微小，无方向性，似乎就是从人的潜意识里发出，但足以对受害人形成影响；也可以很大，并且有方向感。

3.能够合成所有具体人的语音，也包括模仿动物或非生命的声响。

这三者是相辅相成的。例如，如何知道施恶者（perpetrator）能够测取人的思维呢？就是因为它们把受害人思考的内容又重复播放给受害人听，或者针对受害人思考的内容进行攻击。它们模仿受害人的亲属、熟人的声音，也模仿从身边走过的陌生人的声音，来与受害人对话，所以知道这些声音都是合成的。

受害人通常会有如下经历：开始时感觉有人跟踪，没人与你面对面地讲话，但感到周围的人在谈论你。渐渐的，每当你想到某一个概念，或处于一种特定的思维状态时，都会立即听到某种声响。最后它们开始对你施放永无间断的噪音和语音。这些语音充满威胁、侮辱、淫秽内容。

至于细节上，不同受害人会有一些差别。例如有的受害人认为自己的梦境被操纵。很多受害人的肌肉经常无端地抽动。因为施恶者可以模仿电话、汽车、电视、电脑、水流等非生命的声音，并在里面夹杂语音，所以有的受害人会误认为是这些电子设备等在传播这些信号。施恶者还会对受害人进行骚扰，一般发生在侵害初期，目的是为了达到最大的侵害效果，受害人会产生极大的怀疑和恐惧心理。

施恶者的目的就是要受害人丧失所有社会关系、丧失工作机会和工作能力、损失财物、无法睡眠、健康状况恶化、丧失生活条件，受害人精神上受到折磨，最终产生身体或精神上的疾病，导致犯罪或自杀行为，来达到它们谋杀此人的目的。

我们无法指证施恶者的具体身份，但是从此技术的尖端程度可以很容易推断，这绝不是普通个人或组织所能做得到的。

我们成立“中国精神控制受害者同盟”，有两个主要目的。一是呼吁并尽力促成停止使用该技术。二，尽可能地帮助受侵害的人，以减小受侵害的程度，同时让未发现自身受害的人都有所警觉，远离威胁。

电子精神控制武器的工作原理

电子精神控制技术包括读脑技术与控脑技术两方面。我们都知道人的一切生理心理活动信号都是靠生物电波传输的，人脑实际上是一台生物电脑，我们的大脑无时无刻在产生传输脑电波，而有电流产生就会有电磁辐射伴生，大脑会产生不同但有规律的脑电波反应，所以根据脑电波变化特征研制出破译思维的仪器并非难事。

电子精神控制技术就是根据这一原理，通过高灵敏的接收元件接收并放大大脑活动所产生的微弱脑电波电磁辐射信号，经专门的译码软件处理就可读懂大脑内部的思维活动，反过来通过向神经系统发射调制后的特定脑电波信号，也可以向人脑直接写入信息，从而实现对人脑的直接遥控。

就象指纹一样每个人都有特定的脑电波特征码，首先在百米内用接收器对准人的头部，采集该人脑电波特征码，存入电脑后，由译码软件根据脑电波特征码进行解码，从脑电波信号中分离出视觉 听觉 语言

情感等各种神经活动信号，以图像文字方式显示在电脑屏幕上，记录在电脑中。反过来可将所需写入大脑的信息，由电脑根据脑电波特征码进行编码后，将信息直接写入大脑，被写入者会觉得那就象自己的直觉一样，从而从控制脑电波入手控制人的大脑。可控制的大脑活动几乎囊括了神经系统活动的方方面面：从视觉 听觉 触觉 味觉 嗅觉，到语言 情绪 潜意识 梦境

甚至爱情反应，都可以轻易被远距离读取和遥控。目前这一切已不需要向大脑内植入电脑芯片就能办到。

致联合国的公开控诉信

联合国人权委员会：

我叫忻中庆，是中国江苏省南京市一个普通守法平民。我在这里向你们控诉中国安全部门“秘密机构”中的一伙特工罪犯，他们滥用手中的“监控”特权，使有高科技“脑控”技术手段，遥控我的身体和精神，实施长达四十多年之久，昼夜不停的秘密折磨迫害。

在上个世纪1971年的中国“文化大革命”中，我被莫须有地诬陷为“5.16分子”，遭到了残酷的政治迫害。这伙“秘密机构”中的特工罪犯，为了迫使我就范，承认自己是“5.16分子”。同时，为了捂住我进行公开揭露控诉抗争的正义声音，丧心病狂地使用高科技“脑控”

技术手段，昼夜24小时不停地遥控我身体，对我实施令人发指的秘密折磨迫害和阴谋暗害。

他们是一伙秘密特务恶魔。对我实施秘密折磨迫害的手段极其残忍、无耻，堪比德国希特勒法西斯集中营的盖世太保和日本731细菌部队魔鬼的罪恶，是有过之而无不及！

他们遥控我的身体，分秒不停的制造我体内各个部位，出现各种剧痛；奇痒；极冷；极热；麻木；眩晕；颤抖；极度难受；大小便失禁，鼻腔内频频咳吐血糊状鼻涕，以及无耻的“性折磨”等痛苦。在长达四十多年之久的时间中，不

管我去任何处何地，这种秘密折磨痛苦从没有停止过，致使我根本无法正常学习、睡眠、工作和生活，日夜在无比煎熬痛苦中，犹如一个活着的死人！

他们的罪恶，不仅完全违反了宪法和法律“尊重和保障人权”的规定，也完全违反了联合国宪章和“人权宣言”等有关维护人类基本生活、生存权利的规定。

为此，我曾向中共及中国政府书写并投寄了大量的控诉信。如：在2007年12月3日发出了《致胡锦涛主席的集体控诉信》（77位受害者联名）；在2008年5月5日，发出了《致中国“秘密机构”头头的公开信》（43位受害者联名）；在2008年9月7日发出了《中国受害者告全世界人民书》（65位受害者联名）；在2009年3月6日发出了《问责国家安全部门领导之一耿惠昌！》的控告书（76位受害者联名）；在2010年3月15日发出了《中国平民百姓，实际上根本没人权保障！》——

中国“脑控”受害者的“公民人权黄（网）皮书”；在2010年8月16日发出了《“十问”中共中央“政法委”书记周永康》；在2011年1月1日发出了《致中共中央政治局全体常委的公开信》；在2011年4月5日发了了《敦促中国安全部门耿惠昌等认罪书》；在2011年7月15日，发出了《耿惠昌，是中国“脑控”犯罪团伙的黑保护伞！》；在2012年2月24日发出了《告全体中国同胞书》；在2012年8月4日发出了《责问周永康！》等。

然而，我发出的这些控诉信不仅没有得到任何回音。相反，这伙秘密特工罪犯的气焰更加嚣张，对我的身体和精神的秘密遥控折磨迫害更加变本加厉。我依然在“呼天天不应，呼地地不灵”的煎熬中痛苦生活。

现在，我向你们——

联合国人权委员会发出这封控诉信，强烈要求你们根据联合国宪章和《人权宣言》等有关维护人权的文件规定，对作为联合国成员国的中国国家安全部门内“秘密机构”中的这伙特工罪犯的反人类滔天罪行，进行认真调查，并将调查结果公布于众。同时，将此案移交联合国刑事法院，对这伙秘密特工罪犯，进行反人类罪公诉！

下面的附件，是我在四十多年中，日夜不间断遭受这伙秘密特工罪犯对我身体遥控折磨迫害，每天进行实况纪录的事实罪证部分摘录：（2012年1月1日——2012年11月30日）

顺致崇高敬礼！

OPEN LETTER OF COMPLAINT TO THE UNITED NATIONS

United Nations Commission on Human Rights:

My name is xin zhong Qing, Is the Chinese Jiangsu province Nanjing city an ordinary law-abiding civilians. Here, I on you accuse China Security Department "secret agencies " in a group of spies criminals, they abuse "monitoring" privilege, make high-tech "brain control" technique, remote control my body and spirit, the implementation of more than 40 years, The days and nights of continuous uninterrupted secret torture persecution.

In the Chinese Cultural Revolution " of 1971 , in the 20th century , I was framed for "5.16 counter-revolutionaries ", were subjected to cruel political persecution. This group of " secret agencies " in the secret criminals, in order to force me to, admit that they are "5.16 counter-revolutionaries". At the same time, in order to stop me openly

accused Justice voice, they use high-tech " brain control " technology means frenzied , day and night, 24 -hour continuous remote control of my body , the implementation of an extremely cruel persecution and assassination plot secretly tormented.

They are a group of secret agents Alcatraz. To me implemented secretly tormented persecution means extremely brutal, shameless, comparable to the German Hitler fascist concentration camp Gestapo and Japan731 units of bacteria devil evil, their Monstrous evil, just pale into insignificance by comparison!

They control my body, every minute non-stop manufacturing my body, appear all sorts of pain; itching; extreme cold; heat; numb; vertigo; tremble; Extremely uncomfortable; incontinent, frequent cough vomit nasal bleeding paste the nose, as well as the infamous "sexual torture" and other pain. For over 40 years time, wherever I go where, this secret pain never stopped, and I can't sleep, normal study, work and life, day and night in very suffering pain, like a living dead!

Their Monstrous evil, not only a violation of China's constitution and laws to "respect and ensure human rights" provisions, also completely violated the Charter of the United Nations and the "Declaration of human rights" and other relevant safeguard basic human life, survival rights provisions.

Therefore, I had to the Communist Party of China and Chinese government post a lot of complaint letters:

In the December 3, 2007 issued a "President Hu Jintao to collective letter"(the 77 victim joint);

In May 5, 2008 issued a "Chinese" secret organization "open letter".(the 43 victim joint);

In September 7, 2008 issued a “ An Announcement to the Whole World by Chinese Victims”.(the 65 victim joint);

In March 6, 2009 issued a “Accountability Mr. Geng Huichang, one of the leaders of the national security sector”. (the 76 victim joint);

In March 15, 2010 issued a “China's civilian population, in fact, no protection of human rights! ”

In August 16, 2010 issued a " Ten Questions “Politics and Law Committee of the CPC Central Committee , Zhou Yongkang, secretary ;

In January 1, 2011 issued a "To the CPC Politburo Standing Committee member of the open letter to all" ;

In April 5, 2011 issue “urged China's security sector, Geng huichang and others pleaded guilty to the letter!”;

In July 15, 2011 issued a “Geng Huichang, is China's brain control criminal gang black Protection umbrella!” ;

In February 24, 2012 issue"Notice to all Chinese compatriots Book” ;

In August 4, 2012 issued a " Accountability Zhou Yongkang, Politics and Law Committee of the CPC Central Committee! ”And so on

However , I have sent the Many letter of complaint, not only did not get any reply. On the contrary, the arrogance of this gang of secret agent criminals more arrogant , more intensified secret remote control of my physical and mental torture persecution . I am still in the" shouting days days should not ; shouting ground ground should not" suffered torment pain life..

Now, I tell you -- the UN Human Rights Commission issued this complaint letter, urging you under the Charter of the United Nations and the "Declaration of human rights" and other relevant human rights documents, To as a member of the United Nations of China National Security Department "secret organization" this group of Spy against human criminals are a Monstrous evil, Must be a serious investigation , and the findings made public . At the same time , Will referred the case to the United Nations Criminal Court, Will this group of secret Spy criminal prosecution, for crimes against humanity!

The following annex, is my day and night, in more than 40 years of uninterrupted sufferedthis group of secret Spy

criminal on my body remote suffering persecution, daily live record fact evidence excerpts (January 1, 2012 -- November 30, 2012) :

Yours lofty salute!

No-war Victory? US and Russia Accused of Researching Mind-Control Weapon 48

(An article from Website Homepage in Xinhua News Agency)

http://news.xinhuanet.com/tech/2008-07/09/content_8514375.htm

(Summary: Chinese official media, Xinhua Net homepage, reported that Russian mind-control victims lodged a collective complaint to UN Human Rights Council. The report described the military prospect of the secret Mind-control Weapons. The report demonstrates that Chinese official media begin to admit the widely-concerned facts that the technology of "secret remote control on human body & brain" does exist.)

Xin Zhong Qing testifies from his own experience that the practices of abusive mind control, as we have experienced in recent years (for us Europeans and Americans most probable since Sept 11, 2001) already started in China around 1966/1967, [1] page 11 :

"(1), causes:

1966 start of the "Great Cultural Revolution", making hundreds of millions of Chinese people onto the political stage. I is just near demobilized the soldiers is no exception. Participated in factory a mass organization of the "Red rebels Federation" ("Red Union").

Surrounded by elected for "leadership group" members. Early 1967 the "January revolution to seize power Storm", in the Jiangsu Province causing "good send" and "P send" serious confrontation between the two factions. Then Nanjing Military Region commander Xu Shi you, later became Jiangsu Province Military control committee the leader. he the wife "Tin Pu", is the Jiangsu Province provincial authorities of "P send" middle key members .

Thus, Xu shi you in behind-the- scenes support this" P send " the masses. This naturally leads to a portion of "good send" discontent among the masses.

Faced with such discontent among, in March 1967. The Xu Shi you an excuse the implementation of the Central Military Commission issued the "eight of order", the Suppression and ban a number of "good send" mass organization. And, use "counter-revolutionary crimes" the arrest many "good send" masses. Thus, will inevitably result more the "good send" masses discontent among. thus, in same year August, a number of "good send" mass took to the streets, to oppose Xu Shi you."

It was also during this time that the 1967 6-days war was fought in the Middle East, where for the first time use of depleted Uranium Munitions was reported [2]. It was also the time where the Washington D.C. Whitehouse Administration under President Lyndon Johnson made a hazardous error in trying to coverup the attack of Israel's

IDF Amry on the USS Liberty, a U.S. Army Communications Intelligence Navy vessel, and allowed no rescue attempts to prevent it from sinking. A clear indication that after the JFK assassination the coup by Zionist/ Communist forces in the White House and State Department had been completed.

It was also the moment, a month after the Six-Day war and the attack on the USS Liberty, that Myron C. Fagan stepped forward in July 1967 and presented a dissertation as a audio recording titled "The Illuminati and the Counsel on Foreign Relations", where he testifies [3] :

"In 1945, at the urgent request of John T. Flynn, the famous author of "THE ROOSEVELT MYTH," "WHILE WE SLEPT," "THE TRUE STORY OF PEARL HARBOR," etc., Mr. Fagan attended a meeting in Washington D.C. where he was shown a set of micro-films and recordings of the SECRET meetings at Yalta attended only by Franklin Roosevelt, Alger Hiss, Harry Hopkins, Stalin, Molotov, and Vishinsky when they hatched the plot to deliver the Balkans, Eastern Europe and Berlin to Stalin."

It's i think no surprise that the mindset of Communistic leaders does not allow for citizins who can think for themselves. Communism has been described by many authors, but one thing stands out : It has no borders and always arrives unnoticed. The moment the "Dear Communist Leader" declares totalitarian rule it is almost always to late to prevent society from going under. One of the techniques which no doubt comes with repressive Communism is that of mind-control. The rise in the 1980's of many new electrotechnical forms of mind-control created new opportunities for Communism. So my conclusion is rather straight forward :

Whenever the level of mind-control is raised to absurd levels there is a clear indication that a imminent powergrab by Communism is at hand. An yes, Europe and America are about to fall down to a totalitarian Communist regime.

全体中国同胞书

一个“脑控”恶魔幽灵在中国大地上肆虐；一只“脑控”恶魔黑手在秘密伸向每个中国同胞的身心。这决不是天方夜谭，也不是危言耸听，而是活生生的政治现实。

高科技“脑控”特务技术措施手段的滥用，在中国，始于“文革”期间。林彪、四人帮一伙，以“审查”为名，对广大干部、群众任意密捕、密押，并且，使用这类秘密“脑控”特务技术手段，实施令人发指的人身酷刑折磨迫害和阴谋暗害，造成许多受害者致残、致疯、致死的巨大人权灾难！这个不争的事实，在中国的“知情人圈子”内，早就是一个“公开的秘密”。

如今，中国国家安全部门内“秘密机构”中一帮滥用“监控、密侦”特权的“脑控”犯罪团伙，他们无视宪法和法律“尊重和保障公民人权”的原则和规定，秉承林彪、四人帮那一套“抓思想犯”的所谓“理论”和罪恶做法，在全社会更为广泛的领域里，滥用这类高科技“脑控技术”特务措施手段，随心所欲地秘密监控、遥控公民的神经系统，对受害者的肉体和精神，实施着24小时不间断的、长期的秘密骚扰、酷刑折磨和阴谋暗害。他们的手段极其残忍歹毒、卑鄙无耻，是一帮丧尽天良的秘密法西斯迫害狂！

对于这一高科技“脑控武器”特务技术手段，国内、外众多新闻媒体，都曾进行过大量报道。值得一提的是，作为中国官方喉舌的新华社网站上的有关文章，以及中央电视台的有关视频报道，虽然仅显露了“冰山一角”端倪，但却无可置疑地证明这一高科技“脑控持术”特务武器手段，是确凿存在的事实。例如：

中国新华社网页的文字报道：

俄特殊武器能将人变成行尸走肉 俄少将披露内幕

http://news.xinhuanet.com/mil/2007-08/25/content_6601142.htm

美军神秘武器披露：“脑控武器”已用于实战

中国中央电视台视频报道：

中央电视台报道“脑控武器”

<http://zh.netlog.com/njxzq88/blog/blogid=102072#blog>

对于中国这帮“脑控”犯罪团伙犯下的秘密反人类罪行，全国成百上千的“脑控”受害者，不约而同地站出来，采用报案、上访、上书、写博客等各种方式，进行了大量的公开控诉揭露。并且，多次联名向中央领导人发信，进行了一系列的反对“脑控犯罪”的斗争行动。

（详见：http://www.mmmca.com/blog_u16348/index.html?skin=painteddesert；

<http://zh.netlog.com/njxzq88>；

http://blog.163.com/njxzq_88/

现在，《刑法修正案（草案）》，在增添的“技术侦查”一节中，以立法的形式，公开承认和认可，将这种早就在秘而不宣施行的“可以由特定人员实施秘密侦查”（注：在表决通过该“草案”时，被修改为“可以由有关人员藏匿其身份实施侦查”）公开法定化。并且，在模糊化的“措施种类”表述下，将这种“秘密侦查”所采用的，可以“诱使（唆使）他人犯罪”；“可能危害公共安全或者发生重大人身危险方法”的高科技“脑控技术”特务措施手段，予以了事实上合法化。然而，却并没有对握有“密侦”特权的人，制订出相应的，切实有效的进行法律监管的细致条款规定，将“尊重和保障人权”真正落到实处。因而，这样的立法，实际上所起的真正作用，是在为滥用这种“监控、密侦”特权的人，可以恣意秘密侵犯公民人身隐私权利的犯罪行为进行保驾护航！其严重后果，必将给中国公民的人权保护带来灾难性的危机！

同胞们：危机当头，我们应当认清这一帮滥用“监控、密侦”特权的“脑控”犯罪团伙，秘密侵犯公民人权，实施“脑控犯罪”的确凿事实，再也不能蒙在鼓里，麻木不仁下去了！

这帮“脑控”犯罪团伙，把他们滥用高科技“脑控”特务技术措施手段，随心所欲地侵犯宪法赋予公民的基本人权的罪恶行为，厚颜无耻地诡辩说是为了所谓“保卫国家安全”、“打击犯罪”？！这是彻头彻尾的欺骗！

众所周知，宪法作为一个国家的最高法和根本法，是人权的宣言书和保障书。中国宪法，以及在宪法原则指导下制订的各项法律，其宗旨就是：“保障人民民主权利”

、“保障公民人权”。并且，为保障公民享有宪法和法律赋予的“民主权利”和基本人权，提供一个安全的环境（即使是涉嫌违法的人也享有相关法律规定的基本人权）。而无论是“保卫国家安全”，还是“打击犯罪”

，其根本目的，都是为实施和维护这一宪法、法律的宗旨服务的。

高尚的目的根本不需要使用卑鄙无耻的特务技术手段去达成。“手段”的卑鄙，证明“目的”的卑鄙！

显然，把滥用“监控、密侦”特权，使用高科技“脑控技术”特务措施手段，肆无忌惮地秘密侵犯公民人身、隐私权和各项“民主权利”——

这种本身就是粗暴践踏宪法和法律“尊重和保障人权”规定的秘密犯罪行为，掩饰诡辩是什么为了“打击犯罪”的所谓“理论”；或者，把“打击犯罪”，置于与宪法和法律“保障人民民主权利”、“保障公民人权”的宗旨相提并论、等同并重的所谓“理论”，其无论是出自何方“圣神”之口，都是不折不扣的本末倒置、自欺欺人的荒谬“理论”！

同胞们：我们应当擦亮眼睛、明辨是非，再也不能被这种本末倒置、自欺欺人的荒谬“理论”忽悠下去了！

许多同胞由于不了解这种高科技“脑控技术”，不知晓滥用这种秘密特务技术手段进行“脑控犯罪”的内幕而心存疑惑。一些政府部门，乃至公开的司法部门人士，出于对滥用“监控、密侦”特权的人，手中握有至高权力的畏惧，害怕“引火烧身”，不敢过问。而新闻媒体、律师，以及社会各界一些人士，则担心自己的“职业风险”，对此也噤若寒蝉。

然而，在“密侦”法定化，在高科技“脑控技术”特务密侦措施手段予以了事实上合法化，并且，在对握有“密侦”特权的人没有切实有效的法律监管情况下，如果人们对于这帮“脑控”犯罪团伙的罪恶行为，仅仅只顾及自危，而不愿也不敢去进行坚决抗争的话，那么，今天你可能不是这帮“脑控”犯罪团伙的受害者，而明天你就可能是受害者！每一个中国同胞都可能随时随地成为受害者！

正如在1945年，德国牧师马丁·尼穆勒在波士顿的一块纪念碑上铭刻的一段文字所言：

“刚开始纳粹来抓共产党人，我没有站出来说话，因为我不是共产党员；接着他们又来抓天主教徒，我没有出来说话，因为我不是天主教徒；后来他们来抓犹太人，我仍然保持沉默，因为我不是犹太人。最后当他们来抓我的时候，已经没人能站出来为我说话了”。

同胞们：我们应当勇敢地站出来说话，再也不能在这帮穷凶极恶的“脑控”犯罪团伙面前保持沉默，袖手旁观下去了！要知道，下一个受害者可能就是你自己！

这种可以“诱使（唆使）他人犯罪”；“可能危害公共安全或者发生重大人身危险方法”的高科技“脑控技术”特务密侦措施手段，能够恣意窃取你的思想隐私，骚扰你的思想和精神状态。并且，还能以极其残忍无耻的技术手段，日夜全天候地制造你身体内各个部位，出现并非是人自身生理病症的痛苦。如：针刺、电击、灼烫样的剧痛；发热、发冷或奇痒；极度难受；大、小便失禁；心律、血压失常；眩晕、呕吐、颤抖、腹泻；极度性难受、性冲动；长时间无法正常睡眠等种种异常“病症”现象。甚至，可以人为制造出“绝症、怪病”。这除了造成受害者遭到巨大的精神和人身伤害，而无法正常工作、学习和生活外，还误导受害者以为是自己“患病”的假象，使得不知情的受害者，频频奔波于“治疗”，并为此耗费大量的时间、精力和金钱支出，由此蒙受巨大的经济损失。

同胞们：我们应当认真分析，仔细判断自己身上出现的各种“怪异痛苦”现象，究竟是自己的生理病症？还是遭到了这帮“脑控”犯罪团伙的秘密遥控骚扰、酷刑折磨痛苦？决不能在他们的误导下自误，去做“被强盗抢劫了，还在帮强盗数钱”，并替他们的罪恶“埋单”的傻事了！

这帮“脑控”犯罪团伙，凭借着手中握有至高特权有恃无恐。他们以为滥用这种高度机密的高科技“脑控技术”特务措施手段，随心所欲地监控、遥控人们的神经系统，对受害者的肉体和精神，实施丧心病狂的秘密骚扰、酷刑折磨和阴谋暗害的犯罪活动鲜为人知，受害者又难以查证，就可以无法无天、气焰嚣张、为所欲为。然而，他们的所作所为，完全是违反世界各国政府恪守的联合国《人权宣言》等有关维护人类民主权利规定，完全是违反中国宪法和法律“尊重和保障人权”规定的反人类罪行！他们滥用极其残忍无耻的“脑控”特务技术手段，秘密侵犯公民人权的罪恶行为，赤裸裸地表明他们是一伙反人类的人民公敌，是一群见不得真理，见不得法律，见不得人的魑魅魍魉！正义、真理、法律站在人民一边，他们貌似强大，实质却虚弱得很！我们完全有理由藐视、鄙视他们！

世界必定走向光明，中国必定走向民主、自由、人权、公正、法治时代。历史潮流浩浩荡荡，顺之者昌，逆之者亡。他们的反人类罪恶，可以得逞一时，但决不能永远猖獗！历史已经证明，并将继续证明，一切逆历史潮流而动的人，一切侵犯、践踏人民民主权利和公民人权的人都决不会有好下场！

同胞们：我们应当挺身而出，坚决进行针锋相对的斗争。邪不压正！我们决不能被他们罪恶的秘密“脑控”**犯罪手段和嚣张气焰所吓倒！**

我们与这帮“脑控”**犯罪**团伙斗争，是一场捍卫宪法和法律尊严，捍卫公民基本人权的正义斗争。我们不仅要看清他们是一群色厉内荏的“纸老虎”**本质**。而且，还要看到他们是一群货真价实的“真老虎”，是一伙**吃人不吐骨头**的秘密“脑控”**恶魔**。因此，在这场殊死搏斗中，我们既要在战略上藐视他们，又要在战术上重视他们。既要敢于斗争，又要善于斗争。我们的方针是：第一不怕，第二反对，第三坚决进行针锋相对的揭露斗争。我们应当遵循宪法和法律赋予我们公民的各项民主权利，合情、合理、合法地充分调动一切可以调动的社会和人脉资源，通过各种渠道，向能够**真正**监管他们的中共中央领导人进行揭露控诉。更为重要的是，无论同胞们身居何处、何地，都应根据自己的资源优势和影响力，采用各种方式，广泛深入地向全人类、全社会各界人士揭露他们的秘密罪恶真面目，以此来震动全人类、全社会，造成全体中国同胞**口诛笔伐，群起而攻之**的声势，将这帮“脑控”**犯罪**团伙的反人类罪行，暴露在光天化日之下，置于“**过街老鼠，人人喊打**”**境地！人民大众**觉醒之时，就是这帮秘密“脑控”**罪犯**灭顶之日！我们的事业是正义的，而正义的事业是一定会胜利的！

庆父不死，鲁难未已。“脑控”**犯罪**不除，**民无宁日！**

全体中国同胞们：面对着这帮穷凶极恶的人民公敌，面临着灾难性的人权危机，我们应当猛醒了！龙的传人**铁骨铮铮，顶天立地；中华儿女昂首挺胸，勇往直前**。让我们紧急行动起来，丢掉幻想，同仇敌忾，“**把我们的血肉筑成我们新的长城！**”**勇敢地投入到这场捍卫宪法、法律尊严，捍卫公民基本人权，反对“脑控犯罪”的正义斗争行列中去！**为了遭到这帮秘密“脑控”**罪犯荼毒而无辜死去的冤魂；**为了正在受害和将要受害的同胞；为了我们的子孙后代永远不再受此秘密荼毒；为了建设一个社会主义的法治国家，让我们发扬**不怕压、不怕吓、不畏难、不信邪的大无畏斗争精神，凝聚在“义勇军进行曲”的雄壮歌声下，**挥舞起正义之剑，刺向这帮罪大恶极的秘密“脑控”**犯罪**团伙，向他们发起更加针锋相对的猛烈冲锋！冒着这帮人民公敌的“**炮火**”，**前进！**

起来！不愿做奴隶的人们！

把我们的血肉筑成我们新的长城！

中华民族到了最危险的时候，

每个人被迫着发出最后的吼声。

起来！起来！起来！

我们万众一心，

冒着敌人的炮火，前进！

冒着敌人的炮火，前进！

前进！前进、进！

An Announcement all Chinese compatriots 》

A "mind control" demon ghost in Chinese earth rages; a "mind control" demon hand in secret to every Chinese people's physical and mental. This is not Arabian Nights, not alarmist, but the living the political reality.

High-tech "brain control" spy technological measures of abuse, in China, began in the period of "Cultural Revolution". Lin Biao, Four man gang factions, to "review" in the name of, At random of the cadres and the masses closely, Secret arrest, secret detention, use this kind of secret "mind-control" spy technical means, carry out make one's hair stand on end of physical torture and persecution plots murder, claimed many victims, to crazy, disabling lethal huge human rights disasters! The fact that does not dispute, in Chinese the "insider circle", it is "an open secret".

Nowadays, Chinese national security department "secret organization", A gang of abuse "monitoring, secret investigation" privileged "mind-control" criminal gangs, they ignore the Constitution and the law "protecting human rights" of the principles and provisions, of the Lin Biao Four man gang factions, uphold, "thought crime arrest" of the so-called "theory", as well as the evils Means, the whole society is more extensive in the area, abuse of this kind of high-tech "mind-control" secret investigation measures by means of secret monitoring, remote control, as citizens of the nervous system, on the victim's body and spirit, carrying out 24 hours of uninterrupted, long-term covert harassment, torture and murder plot. They means extremely vicious, mean and having no sense of shame, is a gang fo utterly devoid of conscience of secret fascist persecution mania!

For the high-tech "mind-control weapons" spy techniques, numerous domestic and foreign news media, have been widely reported. Now, "amendment to the criminal procedural law (Draft)", in the "add technical investigation" section, in the form of legislation, public recognition and accreditation, This early in the implementation of the "keep secret by specific personnel to carry out the secret investigation" (Note: the vote by the "draft", was changed to "by the concerned people hiding their identities to implement public legal investigation.") the legalization of public. And, in the "measures of species", fuzzy expression under, the "secret investigation " The use of the "can induce others to commit a crime"; "may endanger public security or significant personal risk method" high-tech "brain control technology" Agent technology measures, to give in fact legalization. However, for those holding "secret investigation" privileged people, did not develop effective legal regulatory detailed provisions, will "respect and protect human rights" fall to real point truly. Thus, such legislation, in fact the real role, is for the abuse of such secret investigation privileged people, can be any secret of infringing upon personal privacy rights of criminal conduct escort! The serious consequences, will give the Chinese citizen's human rights cause catastrophic crisis!

Fellow citizens: in the face of crisis, we should clearly recognize this gangs of abuse " monitor under investigation by the secret" privileged "brain control" criminal gangs, secret violating citizens ' human rights, the implementation of "brain control crime" hard facts. Can't Again be deceived, Can't Again numb!

This "brain control" criminal gangs, shameless secret techniques they are very cruel, criminal acts of arbitrary violations of the basic human rights of citizens, shamelessly sophistry to say to the so-called "safeguard national security," "combating crime"?! This is downright deceiving!

As everyone knows, The constitution of China, as well as in the constitution under the guidance of making laws, its purpose is to "guarantee the democratic rights of the people", "protecting human rights". Is the protection of every Chinese citizen is entitled by the Constitution and laws of the basic life, right of life and the "people's democratic rights", as well as for the protection of citizens entitled to these rights to provide a safe environment (Even if the alleged illegal people also enjoy the relevant legal provisions of the basic human rights). And the so-called "to defend national security" and "Fighting crime", Its fundamental purpose, All are for the implementation and maintenance of This the constitution, laws for the purpose of service.

Noble purposes, Fundamental no need to use cruel means of secret agents to reach Implement. "means" the ignoble, proved its "purpose" of the ignoble!

Clearly, The abuse of "monitoring, secret investigation" privilege ", the use of high-tech brain control technology" special measures, Extremely wicked secret infringement of personal right of privacy and the "democratic rights"—to this itself is gross trampling Constitution and legal of "Respect and guarantee human rights" secret of crime behavior, sophistry is in what "defend national security", and " Fighting crime" of so-called "theory" ; Or, Will "Fighting crime" and "safeguard people's democratic rights", "respect and protect human rights" in the constitution law purposes, equal pay equal attention to equate "theory", No matter who is "the Holy Spirit" said , all is deceiving the mselves and the absurdity of the world "theory"!

My fellow citizens: we should be careful to distinguish right and wrong, again also cannot let this absurd "theory" to deceive!

Many fellow due to ignorance of this high-tech "brain control technology", do not know the abuse of this secret agents technological measures for "brain control crime and have doubts about the" insider. Some government departments, and judicial departments who, because of the abuse of "monitoring,secret investigation" privileged people, has the supreme power of fear, afraid" draw fire against oneself " Dare not to ask this question. The news media, lawyers, and all sectors of the community, are worried about their "occupation risk", Also fear avoidance.

However, in "secret investigation" the legalization; in high-tech "brain control technology" spy investigation measures means actually legalized, and in on hold "key investigation" privileges of people no real effective of legal regulatory situation Xia, If everybody face for the this help "mind control" gang crime, just only for own safety, and not dare to go to resolutely fight, Then, today, you may not be is of "brain control" victims of criminal gangs, tomorrow you may be a victim! Each China compatriots, victims may be anywhere, anytime!

As in 1945, German pastor Martin Muller in Boston, a monument engraved on a piece of text words:

First they came for the Communists, I remained silent; I was not a communist. When they locked up the social democrats, I remained silent; I was not a social democrat. When they came for the trade unionists, I did not speak out; I was not a trade unionist. When they came for the Jews, I remained silent; I was not a Jew. When they came for me, there was no one left to speak out.

My fellow citizens: we should be brave to publicly speak out, No longer in this brutal band shameless "mind control" crime gangs before, continued silent don't talk anymore! You need to know, the next victim may be your own!

This can be "(ABET) induce others to commit a crime"; "may endanger public security or significant personal risk method" high-tech "brain control technology" spy secret investigation measures, can be arbitrary to steal your idea of privacy, harassing your thoughts and mental state. And, also in a very incomplete shameless technical means, day and night, all-weather making your body parts, Appear is not one's own physical symptoms torment. Such as: acupuncture pain, electrical shock, burning like pain; fever, chills or itching; extremely bad; large, incontinence of urine, blood pressure; cardiac arrhythmia; dizziness, vomiting, diarrhea, trembling; extreme sexual pain, sexual impulse; long time unable to sleep all the abnormal phenomenon of "disease pain". Even, can be artificially created "terminally ill, disease". This in addition to give cause victims suffer a great mental and physical harm, and can not be normal life, work and study, but also mislead the victim thought he was "sick" illusion, the to make unwitting victim, frequently go to the "treatment", and therefore spend a lot of time, effort and money spending, which suffered huge economic loss.

My fellow citizens: we should analyze, carefully to determine our body appears all sorts of "weird" phenomenon, what is the body's physiological symptoms ? Or were the "mind control" Gang secret remote harassment, torture in pain? Must not be misled by them, In error to do their " By the robbers took the money, Is helping the robber count how much money", And, for their crimes "pay money" stupid things!

This group of "mind-control" criminal gangs, by virtue of holding high privilege to Without scruple.They thought that the abuse of this top-secret high-tech "brain control technology" special measures, monitoring, remote people freely in the nervous system, on the victim's body and spirit, carry out frenzied secret harassment, torture and murder of the criminal activities of conspiracy is little-known. victims is difficult to verify, They On the can defy laws divine, swollen with arrogance, do as one pleases. However, they are the doings, is totally against the governments around the world to abide by the UN Universal Declaration of human rights "and" the maintenance of human rights provisions, completely is a violation of China's constitution and laws protecting human rights provisions of crimes against humanity! They abuse extremely shameless "mind-control" spy technology measures, secret infringement of human rights crimes, naked show that they are a group of enemies of the people, is a can not see the Sunshine, Unable to face the law, Can't show up secret devil spirits! Justice, truth, law to stand The people aside, they look quite strong, in fact it is very weak! We have every reason to despise despise them!

The world must to a bright future, China will move towards democracy, freedom, human rights, justice, rule of law era. Mighty tide of history, Shun prosper, against the will perish. Their crime against humanity, to temporarily run amok, but it must not always be rampant! The history has proved, and will continue to prove that, everything goes against the tide of history, all violations, trampling human rights and the democratic rights of the people who will never have a good end!

My fellow citizens: we should step forward bravely, determined to give tit for tat struggle. Good prevails over evil. We can never be their cruel shameless secret "mind control" torture as well as arrogance bluster intimidated!

We and "brain control" gang fight, is a field to defend the dignity of the Constitution and the laws, protect the basic human rights of citizens in the fight for justice. We should not only see they are a group of forcible-feeble "paper tiger" essence. But, we also see they are a group of genuine goods at a fair price "tiger", is a group of eating people

do not spit out the bones secret "mind control" demon. Therefore, in this bloody battle, we should not only in strategically despises them, but also tactically attached to them. Should dare to struggle, but also good at fighting. Our policy is: the first is not afraid, Second are opposed, third resolutely give tit for tat to expose the struggle. We shall abide by the Constitution and the law entrusts with the citizen's democratic rights, fair, reasonable, lawful and fully mobilize all available social and personal resources, through various channels, To be able to truly regulation of these secret agents of the leaders of the CPC Central Committee to Conduct expose and accused.

More important is, no matter where, what compatriots in, should be in accordance with its own resources and influence, adopt various kinds of way, Extensive and thorough ground, to the human, the society from all walks of life to reveal their secret sin, In order to make all of humanity, whole society caused by vibration, resulting in all Chinese compatriots condemned, Everyone will work together to denounce the situation, Let them be the "crossing rat", everybody cries dozen! The masses of the people's awakening, is the secret "mind control" the day of doom! Our cause is just, and the cause of justice is bound to win!

"Qing Fu" Immortal, Lu has not been difficult. "Brain Control criminals" not eliminated, the people have no peace !

All our compatriots in China: in the face of this gang of atrocious public enemies, face catastrophic human rights crisis, they should wake up! Descendants of the Dragon, brave and strong, resoluteness, and sons and daughters of China, his head high and stand boldly forward. Let us all emergency action, not fantasy, aimed at the common enemy, " With our flesh and blood, build our new Great Wall! " Brave to defend the constitution, the dignity of the law, protect the basic human rights of citizens, against the "brain control crime" ranks to fight for justice! In order to be a group of secret "mind control" criminals killed innocent soul; In order to being injured victims, and will be murdered compatriots; for our future generations will not be destroyed this secret torture; in order to build a socialist country under the rule of law, Let us carry forward the not afraid of pressure, not scared, not afraid of difficulties, do not believe in evil dauntless struggle spirit, Condensation in "March of the volunteers" majestic song below, Waving the sword of justice, stabbing the commit the most heinous crimes secret "mind control" Gang, to they give tit for tat to launch more violent assault! Risking it a group of enemies of the people " artillery fire ", advance!

Stand up!
People unwilling to become slaves!
With our flesh and blood,
build our new Great Wall!
When Chinese people meet the critical moment,
everybody is forced to send out the last bellow!
Stand up!
Stand up!
Stand up!
Being united like one man,
we, in spite of the enemy's artillery fire,
advance,
in spite of the enemy's artillery fire,
advance!
Go ahead!
Go ahead!
Go!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Yes I am a victim of Directed Energy, Neurological Weapons And Organized Stalking Torture/Abuse sir. I am asking for your help, I've got no resources.

Please help me sir, I'm experiencing it for almost 6 long years already. They've "hacked" my brain, tortured me (sleep deprivation, mind boogling sensation, etc..) controlled me (I cant control my right foot, I'm limping walking, all my 5 senses, etc..) They've made us as a guinea pig. I'm very flattered and happy that somebody is/are fighting for what is right for me/us.

I, Harold B. Quiban, a victim of injustice and torture would like to thank you for your kindness. If its o.k with you, would you send me some evidence that I could used to pursue it in the proper court. I haven't gather any evidence/s, I have no resources to finance it. Once again, thank you sir. Just keep in touch with me.

03 Dec. 2007

I was first targeted way back 2001 until now sir. I was A Filipino citizen. I was targeted because they think I was the killer of my own father, way back 1989. I unknowingly known that they are setting me up until 2000, when they set me up in Rosario, Cavite. They used the illegal drugs shabu, they threatened me to be mobbed so I joined their group, (I was mobbed before way back 1993, they've broke my nose) because they've observed that I don't used shabu. They've easily break my spirit when they've threatened me at the bus. I've panic. Then they've used the new tech mind control, they've tortured me (sleep deprivation, mind boogling sensation, controlled my system etc..) Up until now sir, yesterday Dec. 2, They've controlled me again! Please help me sir.

13/3/08

Thank you very much for the concern. As of now they are controlling me again, for almost a month now that they've tortured me again. I'm appealing to all your kind heart that please help us provide evidence/s. Thank you very much and may God Bless Us All.

16/3/08

It would be grateful if you could help us provide evidence/s. I got no resources and as of now I am subjected again to mind control and organized stalking. They are now violating our very own rights and privacy. Only here in the Philippines which they are torturing the witness (regarding the death of our own father which is their mission when they first torture way back 2001) and now they are torturing me for chid molestation! They are now abusing the Mind Control Technology And violating many laws here. Some Govt. Officials are abusing their given powers in

order for their gain and interest. Please help us sir. The energy is so powerful and my wife is pregnant. This is illegal, unlawful and immoral. They are also inducing artificial dreams to my daughter who was only 9 years old! I demand for the banning and stopping in using to us victims sir.

05 April 2008

Thank you for the concern. **Our Government here in the Philippines are still continuing the illegal and unlawful mind control implants using satellite.** Our human rights and privacy have been violated. They're still torturing me sir. Kindly help us sir. I'm hoping this technology will be stopped and be banned and prosecuted those who are involved behind this technology. We don't have any resources here sir. I'm just like an animal that they've implanted this nanotech then they will harassed ,stalked and scanned my brain, sometimes they're controlling me. My wife is pregnant right now and I'm suspecting that they will implants again to my newly born child. My daughter Airah Jane A. Quiban sometimes experiences dreams which is not the usual dreams!
pectfully Yours,

10 May 2008

Thank you very much for the concern for us. I've just filed a criminal case to the National Bureau of Investigation Director et al(those who mishandled the case of our Father). I'm wondering that they're still continuing the illegal technology. They're harassing/intimidate/stalk at the same time using the illegal technology to torture/scan/study/experiment on us Madam which is a big violation of our human rights. My daughter was only 9 years old and has already experiencing artificial dreams (as I was experiencing too). Our mother Mrs. Aurora B. Quiban suffered a heart attack that causes her death because of too much energy that comes from the illegal satellite.

Please help us. I've already filed criminal case to our Dept. of Justice here. Petition to stop the illegal technology to our Supreme Court here and filed a formal complaint and investigation to our Senate here.

8/7/08

Thank you very much for the continuous support and concern for us victims of Directed Energy and Neurological Weapons, organized stalking/intimidation/harassment and experiment/study of our own government. Kindly help us sir. We don't have any resources right now. I'm hoping that you can help us in stopping/removing our implants. Thank you very much. Respectfully Yours, Harold B. Quiban

21 July 2008

Sir:

Thank you very much for the continuous support/help/information to us victims of Directed Energy and Neurological Weapons. As of past days, the handler of my brain "block" some of my major brain parts, depriving me of my sleep. I dont get it why they have to use a multi billion technology to us ordinary and poor citizen here in the Philippines, and why they have to torture me , well in fact I was a witness in the killing of my father, and why they have to include my 9 years old daughter.

This is the technology of the Americans, and we are Filipinos, and there are some high profile criminal case/s that as of now had never been solved, like the assasination of the most powerful leader in the whole world, President John F. Kennedy, I dont think Lee Harvey Oswald acted upon himself, and why is he killed in the custody of his captors, I guess dead man tell no tale, . And how about the killing of John Lennon by a "fanatic", we know that he is against the Vietnam war, and the assasination of Martin Luther King, a black and protestant leader. Who are the mastermind of all this killings? Their is also a high profile criminal case here in the Philippines, the assasination of Sen. Benigno Aquino and his "alleged" gunman Rodolfo Galman, Just like the Kennedy-Oswald, the Aquino-Galman double murder case has no mastermind/s. Nobody believes that there are no mastermind/s in this merciless killings. Figuratively speaking, There is no blood on my hands, but I do not get it why they have to torture me well in fact I was a witness, and why do they have to include my 9 years old daughter? The killing of my mother? Is it because we are poor Filipino? It is not fair justice that they are doing to us here, this is criminalities that must be stopped and prosecuted those who are involved.

We are hoping that, with your continuous help/informatio/support, we can stop/remove their illegal implants in our brain.Thank you very much.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

**Thank You Very Much and May God Bless Us All.
Respectfully Yours,**

您好，我是一名中国脑控受害者，大约从我很小起就被脑控了，其实这不算可怕的，我当时也就想其实可能是幻听，可是后来就不对劲，我身边有很多人都受过这种折磨，大约从我记事起吧，就有这种印象，不管在哪个国家，我认为人权都是平等的，请您仔细想一下，如果这种东西再被利用来折磨人，那么和地狱有什么不一样，人心都是肉长的，为了未来，也为了自己的孩子，自己的家人，为了这个地球。我诚恳的希望您能稍微考虑一下，脑控迟早会被打败，我相信正义必胜，也是为了同样和我信念相同的人，也为了那些死去的兄弟姐妹们，我诚恳的希望您能考虑一下，这种东西不是第一次曝光了，而且为此牺牲的人也有千千万万了，人权不是用来挥霍的棋子，也不是被人践踏的尊严，我们都是活生生的人，如果可以开战的活，我肯定会去前线招这些人拼命，这是我们的统一信念，人权宣誓，我们绝对不会被打倒，我会在那一天看到五星红旗生在天安门，带着我的子孙后代一起，请您接纳我们的意见

主题:

我支持世界性运动,“制止远距离操纵身体和大脑控制（精神控制）武器对平民的虐待”。我是一个电子骚扰/大脑控制/定向能武器/有组织跟踪,和酷刑虐待的受害者。

我来自中国安徽安庆
我从0905意识到我成为一个受害者。

简述:

您好, 我,情风, 对于社会上精神控制技术的利用已经达到出神入化的地步。这是一个神秘世界, 一个被全球间谍机关严守了几十年的巨大秘密, 国际互联网上至今找不到任何权威性的介绍资料。直到最近几年间谍战失控, 开始将设备对准平民, 这种终极武器居然沦为超级整人工具, 制造了大量电子精神控制武器受害者, 受害者们又通过国际互联网互相交流受害过程, 才终于露出了它的冰山一角。电子精神控制武器目前多应用于窃密, 对人体的精神控制, 和对个人的精神控制三方面。目前的一封《电子精神控制受害者公开证明书》好像只是一张废纸。

情风以后如果有任何不必要的意外, 此隐秘技术的滥用和各国政府的不闻不问才是情风幻化到另一个世界的真正原因。情风知道什么是神经病的自大症妄想症, 所以等着穆雨冰冰情帮我安葬的那一天, 也等着电子精神控制技术的应用走上正轨, 为一个个失去所有感情所有愿望的战争预知牺牲品再续泪未干, 心未死的恋情童话故事, 能够不只在情风所在乎的人心中平反昭雪。所以, 我想, 情风死后仍然可以踏雪寻梅, 毕竟人间正道是沧桑。

我, 家该怎样面对, 该怎样面对自己, 为什么小学生时代的红领巾再鲜艳也免不了受侵蚀
, 稚嫩的手升起国旗的姿势再可爱也要嫣然低下头....

法律佐证<中华人民共和国第十一届全国人民代表大会议案>

鉴于我国刑法尚无明确的关于惩罚使用攻击性精神控制技术和定向能武器侵害人民权利的罪款, 为了保障公民权利和公共安全, 维护社会的人道主义原则。本议案提出国家禁止在中华人民共和国境内针对任何公民使用攻击性精神控制技术和定向能等各种隐蔽武器, 并在《中华人民共和国刑法》第二章“危害公共安全罪”中增加下列条款: 禁止在中华人民共和国境内针对中国公民使用攻击性精神控制技术和定向能等各种隐蔽武器。非法使用、制造、买卖、运输、邮寄、储存攻击性精神控制技术和定向能等各种隐蔽武器的, 依其情节轻重, 判处十年以上有期徒刑、无期徒刑或者死刑。

要求对这种犯罪行为 and 这种严重的侵犯人权的进行国际调查。

尊敬的国人、海外侨胞、港澳台同胞、民主人士、正义人士、老人、大人、小朋友：您好！

身为国人，身为同胞，在您耳边与脑海里，是否还响彻着另外一种声音（浮动着另种影像），有一中华人民共和国公民时刻饱

受着侵袭与痛苦！外面所有声影应我而发，随我而动！这声音飘无虚渺，浸人心肺，与周边环境融为一体！我时时刻刻都在忍受着摧残与煎熬、侵袭与痛苦！

我是邓荣志，今年36岁，湖北省赤壁市中伙铺镇洪水铺村一组人。至今在深圳找工无着落、走投无路。自从2002年3月到广东省东莞市凤岗镇雁田工业区华兴宝石厂起，我就一直受到卫星监视，受到不明声音的显露、搔乱，凌辱，戏耍，侵犯；这种声音无时无刻从我的行为举止，语言，眼光，甚至我的思维意识与感受中介入（譬如我看到的字都变成声音传出去了，在我做事环节指手划脚与搔乱，要我生活各个细节中颠覆，在精神信仰思维方面倒行逆施）我的人格尊严，合法权益，社会生活受到严重侵犯与破坏。其侵犯行为令人发指。在朗朗乾坤之下，居然有人时刻于国家法理社会道德不顾，公然利用卫星发声投影对公民进行侵犯凌辱，时刻破坏公民的正常社会生活，剥夺公民的正常社会权益，扰乱公民正常思维，颠覆是非，倒行逆施，违背社会公德，败坏社会风气。这是一个不断文明进步的社会，可是当今的国家机器却没有用来为社会谋取福利，而是用来侵犯侵害社会个人权益，弄得天昏地暗，日月不明，严重损伤国家权威，法律尊严，社会风尚。这分明是一种积端反社会，反人类行为！我请求只要是中国人的就要主持正义，维护公道，维护世俗人伦，制止这种积端侵权行为！我的联系电话：[13043436765](tel:13043436765)。由于卫星侵权颠覆问题极端，对公民的绝对控制，操纵部门隐蔽，而普通公民又无法掌握证据，社会大众听而不觉，或是事不关己，漠不关心，当事人的社会关系又遭受到破坏，行事能力又遭到实质限制，有关部门又沟通联络不上，使得事态无法处理，这件公然的侵权行为，希望得到党中央，国家机关部门与社会各界，新闻媒体的鼎力支持与协助处理！

（由于长期受到侵害，声音隔绝人际、精神侵害身体、加之家庭不堪、我已身疲力竭、不堪重负、我一直被苦苦的折腾！急需伸手援助，央行卡6217582000010952240）

我向全民请求：伸张正义，维护公道，保障公民合法权益，维护世俗人伦，构建和谐社会。

I always have to endure the devastation and suffering in the invasion and pain!

I was Deng Rongzhi, 36 years old, Chibi City, Hubei Province in partnership Dipu flood Pucun a group of people. So far unfunded find a job in Shenzhen, desperate. Since March 2002 the Industrial Zone, Yantian, Fenggang Town, Dongguan City, Guangdong Province Huaxing gemstone factory since, I have been subjected to satellite surveillance by unidentified voice revealed, scratch chaos, abuse, tease, assault; this sound every moment From my behavior, language, vision, and even my thoughts and feelings in conscious intervention (provision as I saw the word sounds have become spread out, in my part of gesticulating and scratch mess things to my life all the details of subversion, perverse thinking in terms of spiritual beliefs) My personal dignity and legitimate rights and interests, serious violations of social life and destruction. Its heinous violations. Under Lang Lang events, actually it was the moment in the country regardless of the legal and moral society, openly using satellite vocal projection abuse violations against citizens, always disrupt the normal social life of citizens, deprived of normal social rights of citizens, disrupt normal thinking citizen, subversive and wrong, perverse, contrary to public morality, corrupt social values. This is an ongoing social civilization and progress, but today's state machinery was not used to seek benefits for the community, but to infringe on individual rights against the community, which makes incredibly hard, sun and moon are unknown, serious damage to the national authority, the dignity of law, social fashion. This is obviously a plot end antisocial, anti-human behavior! I request as long as the Chinese people should uphold justice and safeguard justice, safeguard the secular human relations, to stop this plot end violations! My Tel: [13043436765](tel:13043436765). As the satellite infringement issues subversion extreme, absolute control of the citizens, covert manipulation department, and ordinary citizens are unable to grasp the evidence, listen to the community and feel, or had nothing to do, indifferent parties Social relations have suffered damage, but was substantially limits the ability to act, the relevant departments to communicate not be contacted, so that the situation can not be processed, this flagrant violations, hoping to get the CPC Central Committee, the State institutions and departments with the community, the news media for their support and assistance to deal with!

(Due to the long compromised, sound insulation interpersonal, spiritual against the body, combined with the family unbearable, I have the body tired Exhausted, overwhelmed, I've been tossing bitter! Urgent need to reach out and help grant the central bank cards 6217582000010952240)

I request to all the people: justice, maintain justice, protect the legitimate rights and interests of citizens, safeguard the secular human relations and build a harmonious society.

平安您好：

請問平時是否有接觸到精神分裂症病患，尤其是“被害妄想症”的病友，請第一優先試驗，如有我想請您幫他(她)做個實驗並想得知實驗後他(她)的腦部感覺跟幻聽現象變化情形：
實驗測試一：

請病患光腳接觸地面(不能塑膠、木板等)原理像避雷針的接地線。

如病患有感受到不一樣之處，請病患說明是否幻聽雜音減弱減輕了。

如是這樣的情況表示此位病人是晶片受害者不是精神病患。
請他(她)與我聯繫，假如沒有上述狀況就不用了。

我受害应该是从出生开始就被监控并迫害的，按照我的经历

大约1992--

1993年，我在踢球时意外或被控制抽筋，从此生殖器被控制，一天勃起无数次，而在这个时段前后，经常有肌肉撕裂的感觉，喉结歪斜，关节

松散，并常年有感冒的感觉，有一次连续三次得重感冒，耳朵开始变得听力有问题，上课注意力不集中，开始有鼻炎的感觉，开始抽烟

1997年，家庭本来有一次经济变好的机会，后来脑控者告诉我，也是它们迫害我的父亲，令其得癌症，切除了一颗眼球，除此之外家里的经济也遭遇一次危机，后来导致大半年没有学习，当时正是高三，高考重要时刻，这个时候没有学习，结果可想而知，最后考到四流大学

大学期间，被控制变成容易极度疲劳，不爱上学的人，周围同学被控制杯葛我，结果三年都很艰难

结果大学最终没有毕业，而且之后一直没有工作，在96年上半年，有一次家庭致富的机会，后来被脑控者迫害，最终父亲癌症去世，非但没有了致富机会，反而赔上了大笔的医药费，最终导致家庭非常贫困，妹妹的学费也需要家族其他人分担

约2010年前后，脑控者终于对我开始了最终迫害，全身的每一个部位都开始进行迫害，并且家里的电器，电子元件也受到控制(灯光变暗，电器坏掉之类)，身体方面，影响思维，控制嘴巴

说出它们的话，思维扩散，情景对话，头疼，头晕，头皮发麻，有时像是有东西要钻进脑子里，右耳朵常年有噪音（这个极度难受），偶尔会疼，身体没有感觉，全

身发痒，皮肤病，莫名其妙的伤口，右边脸部少了一点导致脸部不平衡，走路上坡极度疲劳，心跳莫名其妙加速，全身酸疼，脚气。

最严重的是2013年中和2014过年时（即半个月前至今），两次攻击内脏，直接输入极度难受的痛苦，并加以心理战，耳鸣和内脏攻击配合，逼迫我自杀，在我难受得同意后有说“想死也不是那么容易的事”，又改变我的思维让我不想死至今，迫害尚未停止，它们能改变我的性格，情绪

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

(More detailed Chinese version available upon request)

I am a Victim of Electronic Harassment/ Mind Control/ Directed Energy Weapons/ Organized Stalking and Torture.

I live in China. My nationality is Chinese. I realized I was attacked on Feb 2002 when I was a student at Senior High School, Grade 3 in Hunan, China.

I think it is some scientists from China or other countries who have been doing human experiment through satellites to read mind and to study the human brain. It is a kind of very cruel human experiment.

Mental devastation--they want me to be Schizophrenic; they want me to be Psychopathic; they want me to be crazy; they want me to suicide; they want me to die.

Since 2000, I felt that everyone was talking about me, and I became suspicious and autistic. Later I heard that

everyone around me knew what I was thinking, they were talking about my thoughts. Now I knew that the voices were from perpetrators. I could not remember the exact day when "voices" started to talk to me from air, from TV or from Radio. And I was forced to talk to them with my brain.

They tortured me in many ways. On Feb 2004, I felt that I was almost schizophrenic. But they would repair my nerve at night, and next day torture me again. In May 2007, I really could not suffer more, I almost suicided. They are very cruel.

I am only a very weak girl. I am really afraid of the darkness and cruelty. But I have been suffering the darkest, most barbaric and brutal life. I am a human being.

I have my human rights. I firmly oppose they who torture me and do human experiments on me. I would sincerely kneel to those who respect human rights.

22/5/08 感谢您的信息, 我很受用, 您能自我介绍一下吗?

tears! The dark! Tragic! Brain research satellite test! Crimes against humanity! sos!

SAVE US! LIFE-LONG MENTAL TORTURE! A GLOBAL SATELLITE BRAIN RESEARCH

How much I hope you can help us! However, I only know a little English, the following article is very important, it will shocked the world. I hope you can find a translator. Waiting for your reply!

SOS ! All over the world, satellite decipher the brain waves; the spirit of the electronic control; mental torture; study of the brain; secret trial!

Please everyone believe this story because I am also one of the victims. I come from China. My name is Guo Ru Quan. Victims around the world. We have been thinking about our governments and the United Nations for help. However, they have ignored us, even slander us mentally.

This is supported by the government of every country the size of enormous scientific experiments! Satellite deciphering brain waves, brain research! Human Brain Project!

All over the world there are hundreds of thousands of people claimed that their brains were controlling the government, in fact.

Many people in the world of human brain research project, but the secret experiment quite brutal. Test the spirit of the goods were destroyed. As "electronic concentration camp." Do not doubt us ----- because I was one of the two.

Save us! We are very sad ah! We want bright and Love.

Please do not treat me cruel. Otherwise, I would be very tragic. Prisons and psychiatric hospitals are hell. I was a little girl, weak and naive. I am afraid of the dark! Do not numb! Think about Marie Curie, Albert Einstein and Martin Luther King.

卫星破译脑电波电子精神控制大脑研究秘密试验!

现在, 很多重要国家在外太空的卫星上都具有远距离无线远程捕获破译人脑电波并对其进行精神控制的高科技能力。当今几乎所有重要国家的科学家不约而同得通过卫星对全世界成千上万甚至更多的公民进行高度隐蔽夜以继日高度残酷、极致的神经刺激和摧残来酣畅淋漓的全面、深入、透彻的研究人脑。为了大脑研究, 与此同时, 就有大量的公民被国家的科学家进行长达一生一世的秘密精神摧残。而我们这些80年代出生的孩子, 则是一出生, 甚至还没出生之前就被卫星锁定, 对我们的命运进行秘密干扰、进行秘密跟踪研究, 直到我们长大成人, 便开始了对我们明显的长期的精神摧残, 反复不断地、系统全面的折磨之疯的精神摧残。成千上万的公民正在经受着来自卫星另一端身份不明的科学家长年累月、残忍至极的精神摧残和虐待, 以致, 严重精神分裂几近完全精神失常。我们把这称之为“电子精神摧残集中营”、“沉默的大屠杀”、“史上最隐蔽的黑暗事件”.....

1.成熟的卫星破译脑电波技术

这儿有个昭然若揭的全球性秘密：那就是人类在**20世纪60年代**就已经开始掌握“**阅读大脑**”的技术，可以把人类大脑的思维活动、记忆、反应显示在电脑显示器屏幕上。由于时代的局限性，**没有政府、组织、个人正式出面承认该技术的存在与发展现状**，难得的蛛丝马迹也是一闪而过、遮遮掩掩。

21世纪初，此技术已发展到无线远程、大量同步监测重点对象“**所闻、所见、所思、所感**”的水平；及**自动化处理、数据库管理监测到的内容的水平**。

“你可以毁灭我的肉体，但却不能毁灭我的心灵；你可以控制我的身体，却不能控制我的思想。”这曾让人联想到威武不屈的英雄形象，可是如果你现在还这样说的话，就太天真了，世界各地有成百上千的人声称，他们的大脑被政府机构控制了，其实，不仅美国有这种情况，世界各地都有人指责政府在控制他们的大脑，数量多达几百人，有可能是数千人，印度、日本、韩国、英国、俄罗斯和其它地方都存在这种事情。

许多人成为全球人类脑计划的研究对象，不过被研究的过程极为残酷，主要是对试验品进行摧残致疯的精神摧残，试验品们称之为“**电子集中营**”。请不要怀疑**其真实性**，因为**-----我就是其中一个**。

2.规模浩大、旷日持久的秘密“**人类脑计划**”秘密实验！

几乎从那个时代起，世界各国科学家正在通过卫星远距离捕获破译人脑电波、探测人类大脑生成思想的过程和了解智能化结构。这些科学家正在通过对全世界成千上万甚至更多的公民日日夜夜残酷、极致的神经刺激来收集到的大脑数据建立起有关人类大脑的详细数学模型，以此来酣畅淋漓的全面、深入、透彻的研究人脑。这些科学家很可能是人类脑计划成员。全世界成千上万甚至几十万之多的科学家前仆后继、夜以继日的投入到规模空前超大的秘密大脑研究的试验中来。通过卫星对全世界几十万甚至几百万公民进行长期甚至是终生一代又一代跟踪和研究。全世界有惊人的大量的年轻人沦为可怕的脑科技革命的牺牲品。

3.这是国际机密

全球如此大规模的卫星同步电子精神摧残和虐待，为什么至今世界一直对此表示漠视或者缄默？显然，这目前尚属于国际一级机密，各国政府对为争取未来脑科学制高点都完全抛弃伦理、道德达成前所未有、高度一致的共识。因此，面对越来越多来自全世界受害者的血泪申诉，世界各国的政府官员、学者、科学家、媒体在最高层的叮嘱和压力下，都表现出不符常理的冷漠和沉默。甚至还厚颜无耻地认为这是**----无稽之谈的技术**。

而一般民众根本无法相信他们头顶外太空的卫星上早已经有了破译他们大脑电波甚至还能毫无只觉的精神控制他们大脑的秘密高科技装置，并且，他们的精神和身体都能被现在精神控制受害者所说的方式所监控和攻击。

4.它是隐蔽的，真的很隐蔽！

对人脑进行极致的反复的精神摧残，也就是，神经刺激，对大脑研究是**----**

至关重要的！研究人类大脑的科学家，绝不能只是仅限于对某一小撮人群的大脑进行研究。这太小儿科啦！要想全面、彻底、通透的了解人脑，就必须对尽量多的人群的大脑进行长期甚至是终身的跟踪和研究。

如何才能做到呢？当然-----

通过卫星进行这一切，是科学家为之兴奋不已、最为理想的选择了。于是，全世界各国科学家开足马力前赴后继、夜以继日的通过卫星对一代又一代不知情的公民进行长达一生的隐蔽精神摧残和跟踪研究。

它是隐蔽的，真的很隐蔽！现在，电子技术相当先进，而且它正变得越来越先进。想想吧，一部没有任何电线的手机在卫星的媒介下，能够和世界另一端的手机语音通话还有收发短信。卫星是怎样做到的呢？原理大家知道吗？喔，还有更先进的。发展如此迅猛先进的卫星电子技术**-----**

使得偷偷虐待、骚扰、攻击公民的精神和身体成为可能，而且无法被察觉，就像我们无法觉察到我们的手机信号一样。甚至最好的电磁屏蔽也不起作用。而这，在技术上，已经不再是幻想了！

卫星破译脑电波、电子精神摧残、大脑研究秘密实验-----

这是人类历史上前所未有的疯狂行为。比科幻片还要神奇超前。它带来的不仅仅只是科学技术上的大革命，还有，人类社会、政治、思想甚至进化等等全方面的大变革！人类将步入一个崭新的想象不到的新时代！**----**

真正正正的文明时代！这种人类历史上前所未有，而对整个人类史至关重要规模浩大开天辟地高科技革命**-----**
都在各国政府的而正在各国的实验室里有序的、可控的、有步骤的进行着！

然而，它并不意味着绝对的光明！精神控制项目曾经过精心策划，如果这些被选中的目标控诉，无论何时何地，这些不幸的受害者的言论将会立即被贴上精神疾病的标签。上访行为遭到关押或被强制送入精神病医院。不能不肯定地说

：各国高层都在统一手段用适度的高压来抑制如此多的受害者反抗行为。

隐蔽一：这些科学家采用循序渐进的方式慢慢让所有的受害者进入实验氛围。

总是听见周围人谈论自己的声音（而声音是通过电脑模拟出来的，再通过卫星传入听觉中枢）----

发现别人的议论都是自己大脑思维的内容-----

空气中出现人的声音，一天24小时不断的阅读自己的大脑思维或者反馈自己的大脑思维-----

习惯上用自己的大脑思维默默的对空气说话，因为你知道对方一定能听见-----

在信任对方后，科学家开始慢慢通过语音、图片、心理暗示等侵入你的心理，用最细腻、最高超的心理学技巧慢慢迫使你受到精神摧残和虐待最后严重精神分裂，处在完全精神失常的边缘。除此之外，还有直接的噪音刺激、身体折磨等等。很明显，这一切是被世界上最好的心理学者设计的。对方绝不是一些受害者所说的社会泛泛之辈。

隐蔽二：一个最为普遍的误解是，只有某些“重要人物”“特殊才能”的人才值得成为这种折磨计划的目标。然而，事实是：被选中的实验品有一个惊人的相似点，社会底层、大脑简单、无知。“脑计划”是刻意选择了那些不重要的人们作为试验目标，以免遭到有效的反击，并有效地压制反抗和控制局面。

隐蔽三：无论受害者出于什么原因被挑选，好象很少有人能回忆起最初的时间了。全世界所有的实验品都有一个共同点。那就是-----

几乎所有的试验品在被卫星精神摧残的整个过程的痛苦记忆和深层心理影响，统统地，被淡化掉了。由此可见：外太空的卫星不仅能捕获、破译任何地球生物的大脑电波对其进行无知觉精神控制，还能，抹掉人类的大脑记忆！而这，绝对不是危言耸听！所以，很多实验品，忘却了集中营式的痛苦过去，忘却了在没有遇到这种强迫性秘密实验之前他们的阳光生活以及他们与现在完全不同的生活轨迹，忘却了一切的希望和信念、忘却了一切灵性的美好和期望，而，习惯了这种浑浑噩噩、麻木不仁、欲生欲死的悲惨生活！

通过不断否认这种技术的存在，对人类身体和精神的总的控制的研究曾经远远领先于其他国家。幸运的是，这个秘密有了点缝隙，允许那些感兴趣的去研究一些对于美国公民来说是未知的先进的技术。任何人都能接受这些秘密的军方技术至少已经比公众知晓的技术领先10年了，任何人都能意识到，开始看上去似乎是不可能的，但看到上述的，就会发现它不是遥不可及的。

我的受害经历：

支持世界性运动, "制止远距离操纵身体和大脑控制（精神控制）武器对平民的虐待"

。我是一个电子骚扰/大脑控制/定向能武器/有组织跟踪，和酷刑虐待的受害者。

世界各国在众多尖端、超前的高科技领域已经取得突飞猛进的进展，

为了让世界有序、可控、平稳的过渡到人类前所未有的新时代，

各国政府对众多震惊世界的高科技发明保持高度缄默，

在任何媒体和场合都很难发现有关这些超前高科技的任何信息。这些都属于国家、甚至是国际间的一级机密！

人类已经进入脑科学时代。当今世界的人工智能科技的进步与千上万名科学家昼夜不停的辛苦研究人类大脑的工作有关。人类脑计划的基本概念起源于80年代早期。1997年人类脑计划在美国正式启动。

目前人类脑计划正在向着全球发展，欧洲和日本相继启动了脑研究计划，我国已加入全球脑计划，

成为第二十个成员国。

这儿有个昭然若揭的全球性秘密：那就是人类在20世纪60年代就已经开始掌握"阅读大脑"

的技术，可以把人类大脑的思维活动、记忆、反应显示在电脑显示器屏幕上。由于时代的局限性，没有政府、组织、个人正式出面承认该技术的存在与发展现状，难得的蛛丝马迹也是一闪而过、遮遮掩掩。21世纪初，此技术已发展到无线远程、大量同步监测重点对象"所闻、所见、所思、所感"的水平；及自动化处理、数据库管理监测到的内容的水平。

世界各国科学家正在通过卫星远距离捕获破译人类大脑电波、探测人类大脑生成思想的过程和了解智能化结构。

这些科学家正在通过对全世界成千上万甚至更多的公民日日夜夜残酷、

极致的神经刺激来收集到的大脑数据建立起有关人类大脑的详细数学

模型，以此来酣畅淋漓的全面、深入、透彻的研究人脑。这些科学家主要是人类脑计划成员。

他们已经达到了通过卫星和超级电脑进行对整个人类的实时监控。我们是人类脑计划的试验品。

每个普通卫星上面有着不普通的高科技秘密装置。

任何一颗外太空卫星都极可能装置有捕获破译人脑电波的高科技装置。

"你可以毁灭我的肉体，但却不能毁灭我的心灵；你可以控制我的身体，却不能控制我的思想。"

这曾让人联想到威武不屈的英雄形象，可是如果你现在还这样说的话，就太天真了，

世界各地有成百上千的人声称，他们的大脑被政府机构控制了，其实，不仅美国有这种情况，

世界各地都有人指责政府在控制他们的大脑，数量多达几百人，有可能是数千人，印度、日本、韩国、英国、俄罗斯和其它地方都存在这种事情。

许多人成为全球人类脑计划的研究对象，不过被研究的过程极为残酷，

主要是对试验品进行摧残致疯的精神摧残，试验品们称之为"电子集中营"。请不要怀疑其真实性，因为-----我就是其中一个。

2002年，我突然发现自己有了能读懂别人大脑思维的心灵感应，而且，还听见很多同学议论我、伤害我。

还有一位特工冒充校长很高超的对付我，迫使我离开院校来到张家界市学校复读。来到市里后，

我惊讶的发现，我周围人都能知道我的大脑思维，因为他们能随时随到讲我的大脑思维大声的读出来，

还能针对我的大脑思维做出有关反应。这些人中还包括学校里的老师学生。

他们好像在聆听空气中的声音来配合这些声音对我进行神经刺激！

再后来，这些声音就能传入我的周围或者我的大脑之中。

这些声音一天24小时不间断的读出或者反馈出我的大脑思维，有时无论我走在哪里，哪里的广播、电视、电脑中都能传出他们的声音，可是周围人却听不见，除了我自己。

由于神经刺激过于强烈，我在高考前就不得不辍学回家。在实验开始时，

这些科学家让我养成了用大脑思维对他们说话的习惯，

长达6年的用大脑思维对他们说话的习惯让我大脑神经损伤严重，患上严重的精神分裂。从2002年起，

这些取得我信任的声音开始循序渐进的对我进行全面系统的残忍又黑

暗的精神摧残和虐待。甚至还有暴力毒打和虐待！这种极限的精神摧残是相当残酷的，

长达6年残酷黑暗的精神摧残摧残致疯后，这些科学家不仅没有因为我要完全精神失常就停止对我的精神虐待，

反而，还更加黑暗残暴的对待我。我一次又一次崩溃、一次又一次快要精神失常，可是，

他们却一次又一次通过卫星修复我的神经，然后又一次又一次反复全面的精神折磨和虐待我。

以下是根据我们这些试验品的经历列举的这种尖端高科技的特征：

1.能知道人类大脑所有的思维，无论是显意识还是潜意识，无论是大概的还是最细微的，

无论是我大脑里所想事情的声音还是图象与色彩。这些科学家都能立刻知道，甚至能提前很久就知道。（

2002年试验开始时，这些科学家一天24小时都在不断地念我的大脑思维，或者，针对我的大脑思维对我说话。）

2.能将科学家自己的声音通过卫星传到我的周围的空气中、

传到大脑里、传到电视广播里。但是，周围其他人听不到，除了我自己。（2002年试验开始时，无论我走到哪里，

哪里的人们就马上反馈出我大脑的思维，后来，当我渐渐明白高科技试验有关的时候，

这些科学家就自己主动反馈我的大脑思维。于是，无论我走到哪里，

哪里的电视广播里就会有他们反馈我的大脑思维的声音。

而且是连贯性的，很像科幻片，很酷！没有电视广播的话，就在空气中对我说话。另外，他们还能改变电视画面。

3.能通过我的各种感官器官知道我的所见所闻所嗅.....（这些科学家将这些信息反馈给我后，我才知道，很惊讶。

他们还将我闻过的臭味反复又给我闻，让我很崩溃。）

4.能制造各种真实的幻觉。（除了制造周围熟人的声音的幻觉，

让我一直错认为，这里的大众都知道我是国家试验品的事，还有，

更惊人的幻觉。2002年试验开始时，有一天早上，我在学校的寝室里刚睁开眼时，就万分惊讶地发现，在我前方，

有一架拳头大小的直升飞机，机尾部分是模糊的，还有轰轰的马达声，机浆还在旋转，

还有机浆旋转出来的风向我扑来呢。而周围的门窗都关得严严实实地。我还从没见过如此真实的幻觉。我晕呀。）

5.能通过电脑直接看到未来。不管是实验品的还是全世界的。（

2002年试验开始时起，那些科学家总是提前把将要发生在几天、几个星期、几个月、甚至几年的事情告诉我。

包括他们将要对我的残忍计划、我的生活细节、我发生的意外、

我的心理转变、甚至还有世界将要发生的大事或者小事。

我能强烈的感觉出：这些科学家是从电脑里直接看见的。直到现在，他们依然这样，只不过，他们更多的是在说将要发生的黑暗有悲惨的事，让我相当崩溃、相当恐惧，想要自杀。）

6.能制造各种梦境。（全世界各地的实验品都有这样相同的经历。

我也总是在网上发现相当多的难友有这方面的记录。但是，一般情况下，这些梦境都是相当恐怖、黑暗、血腥的。这个世界的任何一位导演都无法拍摄中梦中那种极度黑暗极度宗教的感觉。不过当最黑暗的梦境将要发生时，这些科学家马上停止了。

否则我们会在梦里恐惧到完全精神失常的地步。有一天，那些科学家通过卫星对我说：“虚拟”。我现在明白了。科学家给我们制造很黑暗的梦，是为了在超级电脑里虚拟我们本人无法企及的最黑暗的情况，从而能研究人类最黑暗、黑暗到宗教程度的领域。）

7.能通过微卫星直接淡化记忆、抹掉记忆、改变记忆，还能及时修复神经。（通过网络，我发现这些实验品都有一个惊人的共同点，那就是：全世界绝大多数实验品在实验前期，也就是每日每夜一天24小时不间断地遭遇远程精神摧残的明显又深刻的记忆被严重淡化了。因此，很多大脑单纯又麻木的试验品失去了强有力的反抗意志，呆呆的、浑浑噩噩的习惯日后那些科学家时不时的精神折磨。

再加上各国政府强硬的掩盖手段，这件本应惊天动地的大秘密，至今，都无法引起国际社会的真正重视！这些科学家为了证明他们能完全抹掉我的记忆，

还通过一些无关紧要的是故意让我知道他们有完全抹掉我的记忆的能力。另外，大家千万不要怀疑我们这些人数量庞大的试验品被活活折磨致疯过。

仅仅我自己，6年下来，就完全精神失常过4、5次。可是，每次我将要痛苦到完全精神失常时，那些科学家就能马上控制住我的神经，在我入睡后，再修复。每次，在我几乎完全精神失常，或者大脑神经损伤到不能再损伤下去的第二天早上，总能感觉好多了。但是，我的大脑神经仍然每时每刻都出在完全崩溃的边缘。）

8.能直接精神控制。这对那些科学家似乎相当顺手。我经常能被这些科学家直接大脑控制。行为举止能完全被控制，而自己是一丝一毫的控制能力都没有，大脑主意识是一片空白的。

9.能通过卫星直接电磁辐射。这尤其在难友古露露身上尤为明显。（以下是这位女生难友受害日记的部分摘录：

电磁波从右眼穿过左眼、右脑穿过左脑、头顶穿过心脏、

脚底穿过屁股、眼睛穿过脑后勺、背部穿过心脏、、、、、

无论我在繁华都市还是大山深处，电磁波都穷追不舍、不遗余力地折磨我的身体各部位各器官；

只要别人认为我哪里出色优秀，电磁波就摧毁我那些优点。例如：

别人称赞我嗓音好听，电磁波便像一把尖刀一样割着我的喉咙；别人称赞我端庄秀丽，举止优雅，

电磁波便像一把把尖刀或者一束束射线或者一枚枚利针一样戳着我的

脸庞和四肢以及背部；因为我聪慧过人，有着过目不忘的好脑瓜，

电磁波便连续四年昼夜不停地像一股股气流般从左脑穿过右脑，

右太阳穴穿过太阳穴，而且终日紧紧地像泰山般压在我的头顶；因为我善于交际和应酬以及与人为善，颇受欢迎，

电磁波便整天逼迫我算计和陷害我身边的父母兄弟和亲人好朋友，

否则便疯狂地辐射我，让我痛不欲生，悲痛不已，生不如死；因为我心地善良，喜欢做好事，

电磁波便甚至禁止我向乞丐施舍一块钱，也禁止我在公共汽车上为老弱病残等弱势群体让座……）

10.这些科学家能将我的大脑完全复制在电脑里。（这些科学家经常用我自己的大脑思维模式对我自己说话，用来折磨我自己，长期下来，我都有些人格分裂了。

这些科学家曾直接又干脆的告诉我：我们的大脑被它们复制了，我们能得到永生！

11.能将人类时空转换。（这是我在北京的亲身经历啊！

我在2006年5月去过北京，在北京清华大学附近时，有好几次，

被那些科学家空间转换过，回来后又有一次。空间转换：比如，我在清华东门向右步行走30秒钟，那么，

第30秒我落地的那只脚就踩在了上海的土地上了。总之很神奇，

像做梦一样。最后，我还真的没在意，认为那是幻觉呢，

就在我有那种感觉的那时，好象那些科学家为了向我证明那是真的，

就让我在当时要发十几分钟才能走完的路竟然用了1秒钟走完了。

当时，我感觉我的大脑好昏，像是在一种强大的磁场中旋转，脚，

并没有踩在地上，像是踩在空气中，脚下的路摇晃着，我一下子，就穿越了空间，走到了路的尽头。不仅如此，

那些科学家在空气中对我说：另一个我的反物质什么的。还有，

我小的时候发生过的一些很像《蝴蝶效应》一样的怪事，说不清。
这些科学家还能根据我现在穿生的新的想法将他们现在的声音传到我的过去小的时候去。还笑嘻嘻地。这也难怪想想：核磁共振----卫星----地球磁场----人脑磁场----空间转换----追寻反物质----看到未来和过去----穿梭时空。真是难以置信啊！最后，顺便要提一下的就是：
不止我一个实验品看到天空中有UFO，而这些UFO和那些科学家是有紧密联系的。
这些调皮的UFO还制造出球形闪电从天空降下，再呼呼地向我身边滚过去，速度不快，当时，我想触摸，但是不知是UFO还是那些科学家明显的控制了我的大脑不让我去摸，还在我的意识深处暗示我----有危险的。这，明显带有高科技作用。任何人都不能轻易的认为这与秘密的高科技实验是毫无关系的！

这是全人类的人权浩劫，现在，世界各国的受害者数量呈现越来越多之势。
成千上万的受害者强烈要求对目前正在全世界范围内发生的这一罪大恶极的侵犯人权事件进行调查。".....

我从2002年就被这些科学家巧妙的引入了这个臭名昭著黑暗的秘密实验之中。在实验开始不久，这些畜生科学家就通过同为假惺惺的用充满人情而语言对我说：
后天，会用直升飞机带我走，国家会为我负责到底，之类的。一次又一次，我痴痴傻傻的每天在家等待这些科学家牌直升飞机来接我，然而，他们总是不断的欺骗我，承诺我，一次又一次，我从失望到绝望，从希望再到失望，再到绝望。而这种情况，竟然持续了5年之久。
在最后，我终于认清了，这是一个长期甚至终生的黑暗实验。别的难友都被残酷的欺骗过。我们不能再坐着这些畜生给我们人道，而是，我们自己努力去曝光，去抗争！让世界听听我们这些不行的人权和科学的牺牲品自己内心的声音。
现在是，2008年7月22日，离2002年2月，快要7年了！这些科学家利用我对他们天生的信任，用卑鄙的欺骗让我在家自我封闭乖乖的接受黑暗残酷的实验，让这些畜生科学家得意洋洋酣畅淋漓的研究！然而，我在家里自我封闭了这么多年，我的巨大的宗教般的悲惨感和宗教般的空洞感，也就是这样在这个狭小的空间自我封闭出来的！现在，我想换换新的环境，我从没有遇到过的好环境，于是，我想到北京去谋生，即使，我的大脑已经很难有谋生能力了！

我真的已经快要完全精神失常了，我能很清醒的感受到我鼻尖上精神完全失常的气息。"
你将完全精神失常"那些科学家去年的可怕预言也真的要实现了！各位难友，那些科学家今天对我说，我们最终要完全精神失常！这些科学家对我们的精神折磨和虐待将是长期的、甚至是终生的！这些科学家也将会完全操控我们的命运，进一步黑暗的精神折磨和虐待！我们曾经被折磨到自杀、精神完全失常的地步，我们曾经被折磨虐待到心灵灵魂严重病态的地步，我们的大脑所有光明美好的梦想和信念杯已经被一一消磨殆尽，我们的大脑曾经被折磨到大空大呆难以谋生的悲惨地步，但是，这些科学家在我们一次又一次自杀的时候，一次又一次在街上发狂的时候，一次又一次精神快要完全失常的时候，一次又一次跪躺在地上发抖发狂得怒吼和哭泣的时候，一次又一次用头撞墙一次又一次痛苦哀嚎的时候----这些科学并没有给过我们一丝一毫的人道和温暖！并没有给过一丝一毫的帮助和光明！现在也不会，他们在把我往绝路上逼！可怕的是，让你也疯狂的是：这些科学家一次又一次淡化我们的记忆，一次又一次修复我们的神经，再一次又一次再次折磨和虐待！
我现在在哭！泪水把键盘都弄湿了！没有希望的！以后仍然会折磨，甚至更糟！更悲惨！更恐怖！更无奈！我还能做些什么呢？天啊！我还能做些什么呢？我只能坚持记录、坚持记录。希望，有一天，所有丑陋的人类突然改变，希望会有奇迹？会吗？连西方国家和联合国都在漠视我们，都在默许牺牲我们！所有的人权和文明从来都是骗人的，不是吗？真虚伪！

现在，我的受害博客新浪博客也被封了，我感到很气愤，觉得世界实在太黑暗了，这是我以前新浪博客地址：<http://blog.sina.com.cn/guoruquan16>

另外，我原本可以上大学，拥有美好的人生，可是，这些科学家把我的一切都毁了，我有着天生曝光和上诉的权利，希望这些科学家不要像对待别的实验品一样把我关进精神病医院，粗鲁野蛮的对待我！更不希望有再次毒打的试验计划！我是个女孩，很柔弱的女孩！我是个只有1.61娇小玲珑的女孩。我，天生大脑单纯天真；我生性高洁文雅。这您一眼就能看出来。我热爱西方文化、热爱印度歌舞、热爱科学与艺术。我有一双善于发现真理的眼睛，我无比热爱向往光明和文明。而这是我生命的全部，是我最核心的灵魂实质。我是个相当娇弱的女孩，因为我的大脑很特殊。我的心灵相当纯洁，我的志趣相当高雅，和更多其他别的人比来，我更加难以面对社会的种种丑陋和黑暗。

我的痛苦心声：

世界各国科学家正在通过卫星远距离捕获破译人脑电波、探测人类大脑生成思想的过程和了解智能化结构。这些科学家正在通过对全世界成千上万甚至更多的公民日日夜夜残酷、极致的神经刺激来收集到的大脑数据建立起有关人类大脑的详细数学模型，以此来酣畅淋漓的全面、深入、透彻的研究人脑。我就是其中一个。

2002年开始，这些科学家就开始对我进行日日夜夜、反复不断的精神摧残和折磨。它是，全面、系统的，极致的、残酷的。这种极致的神经摧残和折磨，远远超出一般人的想象，以至于我们痛苦到严重精神分裂、心理变态、自杀甚至几近完全精神失常。这种痛苦已经远远超出了极限。因为，很多次，每当我痛苦到快要自杀或者完全精神失常的时候，这些科学家就马上通过卫星严严的控制住了我的大脑神经，不至于我自杀或者马上完全精神失常，然而，稍稍修复神经后又开始进行新一轮的同样极限的精神摧残和折磨。

当时，那些科学家让我的大脑高度混沌、麻木、空洞，以至于我习惯于这种自杀的痛苦冲动，并且技术性的阻止我完全精神失常。这几年来，我有很多次，眼睁睁的看到自己刚刚要精神失常的时候，一切折磨和摧残却戛然而止，第二天却能奇迹般地恢复一些，但神经仍然很脆弱。我能明显的感觉出这些科学家在我入睡的时候通过卫星稍稍修复了我的神经。然而，每一次每当这种神经摧残到达极限后，稍稍修复一下神经，然后，又开始新一轮的极致的残酷的神经折磨和刺激。就这样，反复不断，直到大脑全方面都已经达到接近完全精神失常的程度！反反复复，精神没有完全失常，但是，心理开始变态了，感觉眼睛应该长出小鬼才有的黑眼圈了。但是，现在已经彻底恢复健康了。凭借着天生良好的灵魂、对真善美追求的坚定信念、以及对世界真理的透彻悟性，我的心灵更加健康了。

这个卫星精神折磨的过程是：精神摧残---精神分裂----自杀---心理变态---精神失常---修复神经----再度精神摧残----精神失常.....

长年累月、日日夜夜、活活将人精神摧残致疯！这，难道不能震惊世界吗？这，难道不比任何让全世界震惊的大事件更震惊吗？！！多么黑暗惊人的秘密卫星实验！

多少次啊，我在家里发狂怒吼、发狂大哭；多少次啊，我疯狂的打砸东西、用头撞墙；多少次啊，我躺在地上边大哭边打滚；多少次....甚至还有一次，那些科学家故意制造误会让我遭到了生平第一次----“毒打”！！

然而，更令人发指、更卑鄙无耻的是-----

这些科学家竟然通过卫星将所有试验品这长长的一段“集中营”式痛苦经历的记忆，统统都被，淡化掉了！无论是大脑表层的、还是大脑深层深刻的。总之，这段记忆，被全方面的严重淡化掉了！大量的西方难友也这样反映过。有的残忍的细节甚至忘记得干干净净。有的记忆我只能努力回忆，或者，寻找过去痛苦中的我只言片语的纸片记录。

现在，旷日持久、极致残忍的卫星精神摧残和折磨终于告一段落了，那些科学家似乎从此也高度沉默下去了。有人会说你终于解放啦！你终于解脱啦！事实上，并不是这样。

长期的卫星精神折磨和摧残，我多次严重精神分裂过、多次神经崩溃过、多次几近完全精神失常过-----
我的大脑神经高度受损。我已经不再是以前的我了。我也已经记不起以前那个健康正常的我了。

1.现在的我大脑几乎脑残。所有的记忆力、智力等全方面严重退化。天赋除外。大脑相当空洞、呆滞，时时刻刻的空洞感和大悲大惨感让我感觉到脱离了正常人阳光生活的边缘宗教。我只能从是最简单、最基本的机械式的活动。我的大脑相当木钝，我无法感觉到别人能感觉到的生活的阳光和情趣，一切都是昏昏暗暗、浑浑噩噩的。我活着，没有任何快乐可言、没有任何

I think, mind control technology the most suspicion is HAARP and Human brain project. This may also include chronic depopulation plan. We should launch the world victim collective appeals.

中国远程脑控侵害受害者书

The Complaint of Remote Mind-Control Invasion Victims in China

成千上万的人要求对目前正在全世界范围内悄悄发生的极大的侵犯人权的事件：大脑控制武器，定向能武器的酷刑和滥用，进行调查。**近年来**这种反人类的罪行逐渐上升，我们可以公开地说，**平民百姓正在受到攻击**。这种攻击是远距离，超越国界的，**利用看不见的技术**，目前正在被用来对付无助和不知情的平民。**受害者们正在不断地向政府，人权组织，世界领袖，和新闻界报告，但是因为对这种技术缺乏必要了解和相关知识，他们大多数没有得到答复**。精神病院可能把受害者诊断为妄想症。**到当地公安部门报案**，往往被视为有精神问题或被忽略。

这种“**沉默的大屠杀**”被**公共了解可能需要数年的时间**。对于受害者而言，这种比喻非常准确。如此规模的罪案举报，**和严肃的指控**，理应展开紧急的国际调查。

Thousands of people demand that investigate the enormity event of human-rights abuse that soundlessly occur in the world now: the torture and misuse of mind-control weapon, directed energy weapon. Recently years, such crimes of against humanity are gradually more, we can openly say that: civilians are being attacked. This kind of attack is long-range and beyond national boundary. A kind of unseen technology is being utilized to tackle the helpless and unwitting civilians. Victims are continually appealing to governments, human-rights organizations, world leaders, and media. But since we are lack of the necessary understanding and related knowledge about this technology, victims mostly DID NOT receive any reply. Psychiatric hospitals maybe diagnosis victims' symptoms as delusional disorder. If victims report this case to a police department, they are often be considered to have mental problems or ignored. Such "SILENT HOLOCAUST", maybe need many years to be acquainted by public. For victims, this kind of analogy is very accurate. Such a scale of the criminal case prosecution and serious accusations, should be investigate by an urgent international investigation.

因此全世界如此多的受害者，正在通过互联网彼此合作，进行世界性的运动。这还仅仅是一些认真对待的受害者向所有人报告此事，实际受害者的人数远远多过这一群积极行动的人。

Therefore, so many victims around the world are cooperating via the Internet to proceed a worldwide action. This report is be informed to everybody just by some victim who earnest treat the mind-control event, the actual number of mind-control victims is far more than those victim who are active.

同时，来自全世界各地数量很多的受害者，他们要求将这一罪行进行公开，并坚持就这一问题进行国际调查。并且正在就大脑控制武器，定向能武器（DEW）酷刑虐待和骚扰展开集体运动。

At the same time, a large number victims from all around the world, request that publish the crime. And insist on direct at this problem to proceed a international investigation. And victims are aim at the torture mistreatment and harassment of mind-control weapon, directed energy weapon to expand collective motion.

中国受害者们坚决要求各国政府对这样的犯罪行为进行调查，并希望全世界人民关注这样严重侵犯人权的罪恶。

China victims resolute demand governments of all nation to survey the mind-control crime, and hope that the people of entire world could care about such acute sin of violate human-rights.

以下是来自中国受害者的简略陈述。中国受害者希望得到国际社会的关注。

The following is brief statement from China victims. China victims wish that we could obtain regards from international society.

在中国，大量的公民正在遭受着一种未知高科技的长期监控大脑并残酷精神摧残大脑的神秘事件。该高科

技完全能够无知无觉的操控人类，远程解读大脑思维、千里传音入脑，能知道受害者每时每刻在想什么、做什么，思想、记忆、行为，无任何秘密可言。受害者所遭受的这种攻击是非接触、远距离、非植入式的。

In China, a large amount of citizens are undergoing a mystical incident which is a type of unknown high technology that is able to monitor human's brain and cruel devastate human's spirit for a long period. This high technology is complete able to surveillance human unwittingly and remote read the thought of brain, pass voice to brain through thousand miles. It is able to see what the victim thinking, acting, and thought, memory, behavior. Victim have no secret at all. The attacks which victims undergoing are non-touch, long-distance, non-implanted.

大多数情况是让受害者听到身边人议论受害者的声音而这些声音都与受害者过去和现在的生活以及受害者当时的心理活动息息相关的内容开始。而事后证明这些周围人的声音完全是被模拟出来的“真实的幻觉”。紧接着就是直接针对受害者心理活动的语音反馈，这些声音无处不在，而从始至终只有受害者自己才能听得见他们。再接着就是思维对话，意识交流，声音骚扰和语音折磨。“知道受害者每时每刻在想什么、干什么”，“给受害者的大脑灌输思想”，“控制受害者的思想和行为”，“完全控制受害者的生理和健康状况”，“给受害者造梦，并控制梦境”。这些梦境，都超出了意识所能想到的，非常超现实、阴暗、怪异、恐怖甚至血腥的，很难想得到的梦境。

Mostly case is started with that criminal will let victim to hear the discussion voice about victim and the voice is all closely related with the previous and nowadays live of victim, and mental activity at the time. But the voice of the people around victim is proved that it is whole simulated "REAL ILLUSION", afterwards. Immediately after that, will come the voice about mental activity of victim which is directly aim victim. This voice is exist everywhere, and always only the victim can hear the voice. After then is conversation about thought, consciousness communication, voice molestation, and voice torment. Criminal is able to know what victim thinking and doing all the time, transfuse thought to victim's brain, control victims thought and behavior, fully contain victim's physiology and state of health, manufacture victim's dream and control his dreamland. These dreams are surpass the normal mortal's consciousness could think to, and extreme surreal, dark, eerie, horror, and even bloody. These dreams are hard to imagine.

由于我们所遭遇的是多年来每时每刻一直伴随在我们日常生活左右的，长期对我们进行潜移默化、精细专业的骚扰、摧残和破坏，它的隐蔽性、专业性和复杂精细的程度，令人叹为观止。我们是很难简单的陈述。更多的受害描述，请参看我们的受害博客。

Since our calamity is accompanied us at all times and around in our daily life for long years, and criminal proceed imperceptible, precise and professional harassment, wreck and destruction. The crypticity, professionalism, and the degree of intricate, are amazing. So that we are very hard to describe them shortly. Please visit our suffering blog to read more suffering description.

无论我们在哪儿，国内的任何一块土地，甚至国外，都无法摆脱这种高科技对我们的骚扰和摧残，而且，对方能够知道我们周围的生活环境和场景，由此可推测出，这种高科技可能是通过卫星对我们同步锁定和追踪。

No matter where we are: everywhere in internal, or even abroad, we always unable to break away from the harassment and wreck of that high technology. And then, criminal is able to know our surroundings and scenes, it can be conjectured that this kind of high technology may be synchronize lock and track us by satellite.

我们遭受到的这种高科技的精神摧残是极致毒辣残酷的。没日没夜的高强度极致的神经刺激和精神摧残，是长期、反复不断、系统全面的。破坏身心健康、摧毁灵魂心智、毁灭生活前途。期间受害者们多次几乎完全精神失常，极度痛苦，生不如死……。

Such the spirit wreck of the high technology which we are suffered, is utmost diabolic and brutal. The high-intensity and extreme of nerve provoking and spirit wreck is proceeded to misuse us every day and night, and it is long-term, constantly repeated, and systematic, comprehensive. The mind-control destroy our physical and mental health, ruin our soul and mind, and exterminate our life and future. During victims suffer the mind-control, many victim get mostly insane, extreme painful, and living death....

紧密的结合受害者的生活环境，高科技模拟熟人的声音，以受害者生活琐事的幌子作为素材，对受害者进行真假难辨的高科技观感影响和精神刺激。受害者往往是从“对方知道我大脑思维的所有内容”首先判断出“有读脑得高科技在折磨我”的判断的。

Mind-control criminal integrate the victim's live environment tightly, then simulate the voice of victim's acquaintances by using high technology, use the veil of victim's live trivia as material, to proceed high technology notion impact and mind provoking to victim. Victims always make the judgment of "there's some high technology racking me" from "there's someone knowing all the content of what my brain is thinking" first.

很多的远程精神控制，总能找到很好的切入点，在起初是明显的，后来越发隐蔽，长期的潜移默化后，我们也与对方达成了某种程度的“默契”。使用这种高科技的，很明显，他们绝对相当精通精神病理学和心理学，对我们的精神摧残大多是基于心理学基础上的。并且，把受害者往精神疾病方向诱导和刺激，久而久之，受害者果真患上程度较轻的精神疾病。

Much remote mind-control always can find an appropriate entry point, it is obvious at first, but will get more and more stealthy afterwards; after criminal's imperceptible intrigue for long times, we actually get some degree of "rapport" with criminal. The criminals who use this type of high technology, is a very obvious fact that they are quite proficient in psychopathology and psychology absolutely, the spirit wreckage which criminal proceeded to us is most base on the psychology. And then, they induction and stimulation victim's spirit to the direction of mental illness; in the course of time, victim actually suffering from mental illness to a lesser extent.

对方掌握着非常专业顶尖的心理学知识，在通过卫星无线远程侵入大脑的时候，结合受害者生活场景和心理特征，直接精神控制、情绪控制，感官操控、人格灌输、注意力牵引，促使受害者深受假象蒙蔽，并被动产生一定程度的妄想心理。被选中的受害者，大多学历不高、大脑简单、见识浅陋、表达能力欠缺，遭遇本身的难以形容性；因此，他们的描述，往往被误会为精神病患者，妄想症患者。

Criminal is grasp the very top and professional of the psychology knowledge. At the time they use wireless and long-distance technique to invasion our brain via satellite, they integrate the victim's live environment and psychological characteristics, control victim's mind and emotion directly, and control apparatus, implant personality, disperse attention, bring victims hoodwinked by the false, then result a certain degree of mental delusion passively. The victims who are chosen, most not well educated, have simple brain, shallow knowledge, and poor expression, so that they are difficult to describe their plight. Therefore, their description are always mistaken for mental illness, paranoia patients.

受害者大脑总处于高度兴奋、混乱、紧张的状况，无深度睡眠，刺激各种极端情绪。对方善于角色伪装。比如：伪装成本地方言，或者野蛮粗俗的语言方式。不断灌输谎言，欺骗、麻痹或者恐吓受害者。高科技直接作用感官，制造虚假氛围和“伪现实”。模拟受害者熟人声音，最大程度的蒙蔽受害者，刺激受害者，同时做到成功转嫁矛盾，隐蔽自我。这些声音长期驻扎在我们大脑中，熟知受害者大脑思维模式。实时监控我们的大脑和我们的生活，并根据不同的生活场景和心理状态做出相应的变幻莫测的心理刺激和某种程度的精神控制。

Victim's brain always in a highly excited, confused, tense situation, and have no deep sleep, provoked to every type of extreme sentiments. Criminal is good at role camouflage. For example: camouflage the voice of localism, or brutal and vulgar words. Criminals continue to instill lies, and cheat, numb, intimidate victims, then directly use the high technology to influence victims' apparatus, invent false atmosphere and truthless fact. Simulate the voice of victim's acquaintances, hoodwink victims to the greatest degree, provoke victims. At the same time, impute contradictions to victims, and enshroud victims' ego. This voice station in our brain for long times, and know intimately about victims' thinking mode of brain. And real-time monitoring our brain and live, then according to different life scenarios and the mental state to make the corresponding mind provoke and some degree of mind control.

语音辱骂、思维干扰、心理恐吓。高强度的精神摧残，强烈的身体折磨，剥夺睡眠时间和质量，拖垮身体机能。每天身体和大脑都极度疲劳。长期高强度的意识灌输，包括：性刺激、性引诱，灌输黑暗、暴力、黄色意识。灌输不属于我们的人格和想法。巧妙地介入我们思维的过程，试图占据我们的整个大脑而受害

者自己却难以觉察。

Verbal insults, thought interference, mental intimidate. The high-intensity of spirit wreckage, strongly body harassment, deprive the time and quality of our sleep, then collapse of bodily functions. Our body and brain is extreme fatigue. The high-intensity of consciousness implantation for long times, include: sex excitement, sex entice, and dark, violent, pornographic consciousness. Criminals implant the personality and thought which are not belong to us; then skillfully involved in our thinking process, attempt to occupy our whole brain but the victim himself is hard to discern.

要知道，纵观国内外众多受害者，惊讶的发现，**我们所经历的手法和套路都是高度相似的。**

It have to know that we observe much domestic and foreign victims, we can discover a fact surprised: the technique and fashion which every victims suffered are highly similar.

长期的精神摧残，受害者都出现了一定程度的神经受损后遗症。记忆力淡化、很难回忆过去，智力受损，社交孤立、免疫力下降。严重削弱心智，意志淡漠，木讷呆板，大脑空洞麻木，淡漠。请注意，中国的受害者目前就已经是这种状态了。**数目庞大的受害者越来越归于沉默。**

Because of the spirit wreckage for long times, most victims get some degree of nerve damage. Their memory ability is weaker and weaker, cause they are hard to recall the past, intelligence is damaged, social interaction is isolated, and immunity is down. Their mind is acute weaken, and willpower become feeble, brain get inanition and insensitive. Please notice that the current state of victims in China is almost same as above mentioned. And then the large number of victims become more and more silent.

思维能力退化，语言表达能力受到严重阻塞。长时间失眠，**高强度的意识灌输**，长期精神紧张、矛盾、敏感和压抑。**在大脑被掏空**，灵性被磨灭，身体机能极度虚弱的状态下，**高科技更加隐蔽的**深深入侵我们心理、灵魂世界，导致受害者本质和性格渐渐变化。有的甚至心理扭曲，迷失自我，丧失毅力。任对方摆布，无力警醒和抗争。这一切都发生在大脑内部，旁观者是无法觉察的。这是长期的循序渐进的结果。

Victim's thinking ability is degenerate, and language expression ability is get serious obstruction. We are insomnia for long-term, and suffer high-intensity consciousness implantation; so that our spirit get tense, contradiction, sensitive, and repression. Under the state of brain is emptied, spirituality is indelible, and physical function is extreme weak, the high technology even more deeply invading our mental, spirit; cause victim's individuality and character gradually change. Some of them even get psychological distortion, and lose ego and willpower; they are fated by criminal and unable to awaken and fight. Everything above is all happened in interior of the brain, spectators CAN NOT perceive it. This is the result of stepwise for long-term.

如此令人痛彻心腹的漫长又残酷过程，不仅身心饱受摧残和破坏，**而且**，也给我们造成难以磨灭的相当巨大的心理伤害。这种难以愈合的心理创伤，使得很多受害者精神长期抑郁。**患上抑郁症。有的万念俱灰，再也无法正常生活。**

Such a process which is pain to death, endless, and cruel, not only let our physical and mental battered and destroyed, but also bring an indelible and enormous psychological harm to us. This kind of psychological trauma is hard to heal, and make much victims' mind depressed, then suffer melancholia. Some of them get completely discouraged, and no longer live a normal life.

加害者，他们的精神摧残我们的方向就是把把我们变成精神病患者.....**精神被禁锢**。受害者们出现不正常的沉默，疑似全体被“卫星洗脑”的缘故。而我们，**将永远活在浑浑噩噩的最底层的生命状态之中。**

Perpetrator's direction of spirit wreckage is let us become a lunatic.... . Our spirit is imprisoned. Victims get abnormal silent, and it is ambiguous for the reason is all victim be "satellite brainwashed". And we, will live in the life state that is bottom and muddleheaded, forever.

在中国，受害者遍布各地。**中学生、大学生、公务员、白领、家庭主妇、留学生、高级工程师**，农民，无职业青年。但是，绝大多数都是社会最底层的弱势群体。表达能力欠缺，**文化水平不高**。在2002年后，受害者呈爆炸是的增长。在网络处处可见类似受害者留下的信息。而在北京，**每次都能偶遇到来自四面八方**

其它城市的受害者正在前仆后继的向国家最高政府陈述，乞求帮助。受害者数目之多，遍布之广，是令人触目惊心的。粗略估计几万，统计在案的几乎上万人。

In China, victims are spread all over the world. They may be high-school students, college students, jobholders, white-collar worker, housewife, international students, senior engineer, farmer, or unemployed youth. However, majority of them is the vulnerable groups at the most bottom of society. Their express ability is lacking, cultural level is not high. After A. D. 2002, the number of victim is growth explosive. The message which left by victims is everywhere on the Internet. And at Beijing city, every time, it can encounter the victims from all other cities are stating to and searching from top government of their country, one after another. The large amount and widespread distribution of victims is very shocking. Rough estimate is ten thousands, documented statistics is nearly ten thousands people.

受害者往往被有意中断学业，丢掉工作，家庭破裂。有的受害者多次入住精神病医院，受到的却是虐待殴打和羞辱。有一位邵玉文受害者，因为长期在北京向最高政府诉求，而被长期强制在当地精神病医院，至今禁止出院。据我们所知，至少有两位受害者已经自杀死亡。两位都是女性，一位是居住在上海19岁的花季少女，跳楼自杀。在她的日记里有提到过在精神病医院被虐待的细节，还有被灌输和挑唆自杀的意识。另一位是一位湖北武汉的高学历有着稳定工作的职业女性，死前也曾多次被家人送进精神病医院。另外，还有更多的受害者自杀未遂。但是极个别的因此落下终生残疾。而这些真实的事例，我们可以提供相关资料和照片。

Victims are always forced to interrupt their studies, lose jobs, or even get family breakdown. Some of them stay at a psychiatric hospital several times, but suffer abused, beat, or humiliated. A victim named Yu-Wen, Shao(邵玉文), is forced to stay at a psychiatric hospital because of she state her demands to top government of Beijing city for long-term, and has prohibited to discharge until now. According to our knowledge, there are at least two victims already suicided and died. They both are female. One is a nineteen years young girls who live in Shanghai, she jump out of the building to suicide. There is details about she was abused in the psychiatric hospital be mentioned, and implanted and instigated the consciousness of suicide. Another one is a female who has high education and stability work, and live in Hubei province, Wuhan city; before she die, she has repeatedly admitted to the psychiatric hospital by her family. Additional, there are more victims attempted suicide. Therefore, someone get permanent disability. However, these actual events, we can provide related information and photos.

受害者在国内建立博客，广泛发帖。向地方警察部门报警，给政府官员写信，甚至签署联名信直接送到北京最高政府。受害者最终没有得到任何明确的回复。而且，很多的受害者曾有过被当地国安部门和政府官员家访的经历。一般是告诫不要做出偏激行为，去北京扰乱社会正常次序。也有被警察告知受害者是非法组织的情况存在。与此同时，网络存在不明身份的疑似职业写手，通过舆论打压和污蔑受害者，使得我们不到大众的理解与支持。日常生活中受挫折过多，处境凄惨。超过了受害人心理承受的极限。

Victims build their own blog internal, and post essays widespread. They alarm to the local police department, or write letters to government officials, even jointly signed and direct send to top government of Beijing city. But victims DID NOT receive any explicit responds. And then, much victim has ever visited by local national security department and government officials. They are warned in normal case that do not do extreme behavior, and disrupt the normal social order at Beijing city. Also exists some victims notified by police that victims is an illness organization. At the same time, there are some unidentified people who is professional writer suspected, let victims can not obtain public's understand and support via use the trick of oppress by public opinion and slander. We suffered too much frustration in our daily life and our situation is wretched. The pain is over the limit which our mental can endure.

最近，多名受害者通过核磁共振检查出脑萎缩。有的受害者也出现了早老早衰、免疫力低下。有一位叫彭俊斌的湖北受害者，男性，30多岁。被检查出癌症晚期。另一位男性受害者突发脑梗塞，被抢救后留下说话不灵便“大舌头”等后遗症。

Recently, a lot of victims found their brain get atrophy via the check of nuclear magnetic resonance. Some victims also get the symptom of progeria and low immunity. There is a victim who named Jun-Bin, Peng(彭俊斌), live in Hu-bei province, and he is a thirty years-old male. He has been checked that suffer the terminal cancer. Another victim who is a male, his brain infarction suddenly; after salvaged, he was left a sequelae that speak blunt, like "big

tongue", and other sequelae.

现在中国的受害者，大脑被掏空、精神被禁锢、灵性被扼杀，**大脑的活力和生命力被剥夺**。始终处在浑浑噩噩最凄惨的境地。**受害者有意被破坏原本的命运轨迹**，学业中断、工作丢失、**家庭破裂**，而现在，受害者连最起码的谋生能力也丧失，心智受损，**无法正常生活**，**更没有幸福快乐可言**，永远被限制在生命的最低端，**命运的最灰暗的角落**。

Now China victims, their brain was emptied, spirit was detained, spirituality was killed, the energy and vitality of brain are expropriated. Always under the situation of the most miserable and muddle-headed. The original orbit of victims' life is be destroyed deliberately, their studies had interrupted, jobs had lose, family had ruptured. And now, Victims have even no the most basis viability, and mental is injured, can not live a normal life, even have no any happiness, and be limited to the lowest end of life, the most dark corners of the fate, forever.

中国的受害者，现在是极度绝望的，极度恐惧，也是极度无奈的。**受害者希望世界能够关注他们**，关注这个隐蔽进行着的世纪大罪恶。

China victims, are now extremely hopeless, fear, and also helpless. Victims wish that world public can heed them, and heed the great century crime that be insidious proceeding.

在中国，**有一篇网络转载的未被证实的北京日报的报道**。在这篇《**一则新闻背后的世纪大阴谋**》明确指出过这种高科技的存在，**并且精准的批露出受害者详细的受虐细节**。**此报道还提到过人类脑计划**。

In China, there is a report of Beijing daily newspaper that has not yet proved and quote from Internet. In that report titled "A great century machinations behind a news", clearly pointed out the existence of such a high-technology, then accurate disclosed the details of the outrage which victims suffered. This report even mentioned the "plan of human's brain".

以下几篇报道，事关中国受害者。

Following several reports, related to China victims.

腾讯报道《男子怀疑自己被监控 扬言炸首都机场获刑》网址：

QQ.com report: A male doubt that he is being monitored, and claim that bomb the Capital Airport, and got sentence.

该报道中的**男性受害者**，为了吸引警方的关注，散布恐怖手机短信，扬言炸掉首都飞机机场。结果被判处一年的有期徒刑。这位李泽雄男子接受媒体采访时，明确提到的以下这些话：“**我怀疑政府用卫星远程监控了我的脑电波**”，“**有人在解读我的思想，知道我想些什么**”，“**在第一时间把我将要说的话给传过来**”，“**有人在用接近他听力极限的微小声音对他说话**”，“**因为声音所涉及得和反馈的都是他的大脑思维内容，因此认为有人在用高科技监视他的大脑**”。

The male victim in that report, in order to attract the police's attention, distribute horror cellphone messages, and claim that bomb the Capital Airport. Finally he was sentenced that one year in prison. This male named Ze-Xiong, Lee, when he accept media interviewing him, he clearly mentioned following words: "I suspect that government remote monitoring my brain wave by satellite", "Someone is reading my thought, and know what I'm thinking", "Real-time transport the words which I wanna say", "Someone talk to him via using extremely weak voice that nearly his hearing limit", "Since that the content of the voice is all about his thought content, so he think that somebody is watching his brain by using high technology".

还有更多类似报道，高度疑似也是相同的受害者。**但是他们的行为表现得更为偏激。自杀或者杀人。我们可以提供更详细的资料。**

There are more similar reports, it is highly doubtful that the people in reports is same as the mind-control victims mentioned above. But their behavior is even more ultra. They suicide or murder. We can provide more info in detail.

由于始终没有被告知到底发生了什么事情，各自的认知不同、见识不同、被误导的方向不同。所以，受害者们的结论也不一样。但是主流意见认为，这是可能涉及“神经科学研究，人工智能开发，神经计算机研究开发，军事科研用途，国防技术“等交叉学科的研究和运用。

Because of victims are always not be told what is happened exactly, the cognition and knowledge of every victims is different, and the direction of misleading of victims is also not the same, the conclusions of victims is distinct, too. But the main opinion of victims is that the technology may related to the research and application of the mix of following technology: "neuroscience, art-intelligence, neural computer research, military science, national-defence technology", and so on.

在一本《人类已进入脑时代》书籍中也明确提到过：从20世纪60年代开始，人类就进入了“读脑时代”，在“冷战”的时代背景下被严密保守的秘密。这儿有个昭然若揭的全球性秘密：那就是人类在20世纪60年代就已经开始掌握“阅读大脑”的技术，可以把人类大脑的思维活动、记忆、反应显示在电脑显示器屏幕上。由于时代的局限性，没有政府、组织、个人正式出面承认该技术的存在与发展现状，难得的蛛丝马迹也是一闪而过、遮遮掩掩。21世纪初，此技术已发展到无线远程、大量同步监测重点对象“所闻、所见、所思、所感”的水平，及自动化处理、数据库管理监测到的内容的水平。

In a book named "Human is Already Enter the Age of Brain Reading", also clearly mentioned that: From the 60 years of 20th century, human being had already enter the "Age of Brain Reading", which is a strict blocked secret under the background of the age of "cold-war". Here is a abundantly clear global secret: That is human is already start to grip the technology of "brain reading" in the 60 years of 20th century, it is able to display the thinking activities, memories, reactions on computer display. Since the limitation of the era, there is no any government, organization and individual come forward to acknowledge the existence and status of development; the scarce clues is also suddenly gone and secretive. In the early of 20th century, this technology is already developed to the level of be able to large and synchronous monitor the "hearing, seeing, thinking, felling" of key target by using wireless-remote, and also using the technology of automated processing, database management.

在中国的受害者也知道世界其他国家也大量存在相同遭遇的受害者。俄罗斯《圣彼得堡时报》报道，俄罗斯研制“脑控武器”的试验对一些人的健康造成了危害，一些受害者以公开信的形式向联合国人权委员会求助。此报道也被中国媒体转载。还有美国的华盛顿邮刊载的专题报道《Mind Games-----New on the Internet: a community of people who believe the government is beaming voice into their minds. They may be crazy, but the Pentagon has pursued a weapon that can do just that》原英文网址：<http://www.washingtonpost.com/wp-dyn/content/article/2007/01/10/AR2007011001399.html>

China victims also know that there are much victims exist in other nation in the world that have the same suffering. The Sent Petersburg Times of Russia reported that, the experiment of "mind-control weapon" which devised by Russia has already bring damages to somebody's healthy; some victims use the form of an open letter to search the UN Human Rights Commission for help. This report had be quoted by China media. Furthermore, the Washinton Post of US had published a topic: "Mind Games-----New on the Internet: a community of people who believe the government is beaming voice into their minds. They may be crazy, but the Pentagon has pursued a weapon that can do just that". The address of original english article: <http://www.washingtonpost.com/wp-dyn/content/article/2007/01/10/AR2007011001399.html>

中国的受害者愿意和美国的受害者，愿意和俄罗斯、日本、韩国、印度的等其他世界各国的受害者站在一起，为了全人类的人权尊严和精神，一起揭露这个史无前例的高科技远程大规模侵害公民大脑事件。必须揭露，这个黑暗残酷的“电子精神摧残集中营，沉默的大屠杀”。

China victims are willing to cooperate with victims in America, Russia, Japan, Korea, India, and other nations in the world, For whole human's right dignity, vitality, together to expose the unprecedented, high-technological, large-scale events of remote infringe civil's brain. We must expose this dark and brutal "concentration camp of electric spirit-destruction, silent massacre"!

25/11/12

Thank you for your information.Our Chinese victims, have released the VIDEOS on the internet.This is a strong proof.To prove we are not mentally ill.We never give up.Because, we are cleaning memory.Numb.Lose the will and ability to fight .This is the use of high technology, the absolute control of human.Very terrible.We have the responsibility, exposure of the crime.

(感谢您提供的信息。我们的中国受害者，已经发布了这些VIDEOS在互联网。这是一个有力的证明。证明我们并不是精神病患者。我们绝不要放弃。因为，我们正在被清洗记忆。麻木。失去抗争的意志和能力。这是利用高科技技术，对人类的绝对控制。非常可怕。我们有责任，曝光这个罪行。)

Thank you for your letter.I am the victim from china.An extremely painful, brain disability, mental illness frail girl.Come on.We never give up.Because, all this is too cruel to us, too dark, too unbearable.

The coverage of the global high-tech brain remote monitoring project, is a hidden long torture and persecution.No doubt, this is a crime against humanity.All mankind must know the secret of existence.As people know, World War II Nazi crimes exist.

Government is the organizer of the event.They deliberately evades our appeal.However, in disregard of our society as a whole.This is the human spirit and moral degradation.It is our misfortune, but also the whole of human misery.

I think, this is related to "human brain project".We are spiritual abuse, brain monitoring.Also be radiation body, weakened immune system, making the disease.

Simultaneously we have consistent sequelae: cardiovascular and cerebrovascular ischemia, vertebrobasilar artery spasm, brain atrophy. These are the chronic disease. Our brain and mind has also been a great trauma.

Our brain disability, mental suffering. We can't live. No love, no marriage, no happiness, no dream, no future. The future will be more cruel.

We lost everything, finally will also lose their lives. Therefore, I think, it is a chronic "depopulation plans". This is how horrible sin. Be hardly worthy of belief, we are suffering from all. We are very angry, also very desperate. We cry, we turn. However, we all ignore us. So, we have no choice, only the brave to fight to the end.

I know only a little English. I hope you can understand what I mean. Tomorrow, is the Chinese New year. However, I am not happy. Every day I cry. Several going crazy.

Know what? My parents are very old. My brother is also a victim of their experiment. My family are all very sad. I can't live. There is never any love. Not even have a family, have a woman should have the happiness. I was weak, but the truth too cruel to me. I'm desperate. Desperate. I hope, victims of Chinese and western, should work together, the end of the dark and brutal crime.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely

MISS RUQUAN-GUO

Hello,

I am the survivor, living in Tokyo, Japan, having been harassed by organized gang stalking for 8 years.

I found the page from the google. In Japan, the North Korean have the double ID and have the power both political and IT & Media.

We, the three groups, including the NPO, know the difficulties and take the effective way such as lawsuit.

Below is the contents I want to know and the technology we the Japanese have (the Japanese entertainment and the heavy industries company have.) Please look at. I will be glad if we

Exchange ideas and take actions together.

The main group of the harassment group in JAPAN >

-North Korean, who once escaped from the Korea, living in JAPAN for the 100 years. (we call them, "Zai-nichi.")

-They co-operated with the Japanese politician, Koizumi Junichiro and Akihisa Nagashima, Japan Democratic

Party.

-Part of them are flourished as a gambling group, "PACHINKO" and illegal, small, private financial industries.

-The main North Korea power group is "North -korea SO-REN", they threatened the company, lawyer, and the Japanese many times.

-The major harassment groups are consisted of :

-The major 3 new religious CULT are mainly active, especially the electronic harassment, such as AUM, SGI (So-ka gakkai) and The Holy spirit association, so-called "To-itsu Kyokai". Their top are all "NORTH-KOREAN". They are notorious.

-The part of Japanese government officials, not the first rate, but the second and the third rate.

-The part of police (the 2,400 people are belong to the Secret Police) and the Fireman, postal office.

-The japan railway, Metro, private railway(they make use of the earthquake-emergency list. Their operation is perfect.)

-Ordinary people (who are unemployed)who gain 100 US dollar per day from the secret police.

-The mass media, major newspaper and TV. They gain advertisement fee from the North-korea-related companies.

<The technology the covert harassment groups have>

-The moval phone network (within 5 KM) and pc as a tools of electronic harassment.

-The main technique used is X-BOX and NINTENDO's "MOTION CAPTURE SYSTEM".

-They occupied the right, left, and the above room. And they have the monitor item (of the brain waves) on the upper level.

-The stalker technique were taught by CIA, co-operated with NSA.

-The technique was also from the east Germany secret police. Might be the CIA groups in charge of east Germany.

<The technique for doing "aiti-harassment">

-The anti-electronics code, "Bekistatt" of "Nikko-techno". Gathering the code and be covered with the wrap. The harassment will be completely controlled

With the items. If you want to know the details, I will translate. I only have the Japanese language HP and the Blog.

<http://www.nikkotechno.jp/product/product01/index2.html>

-With the instant massage device, can be purchased on 40 U.S. dollar., push the item to the grass window(the grass penetrate the microwave.) so, the harassment group

Will be stopped. As they will be very annoyed.

-With the EMS device for the lady's anti-aging kit, can be purchased in Japan on 100 U.S. dollar, put the device to the grass window. The same situation above.

<http://www.nikkotechno.jp/product/product01/index2.html> (I will translate.)

I try to contact the Japanese victim, TAKAHIRO GOTO. But his e-mail account is temporary unavailable. I will ask the other person if he is O.K. In addition, I sent e-mail to the US group, convert harassmentand the CANADIAN group, IAACEA.

In TOKYO, the major criminals of organized stalking/electronic harassment are the Japanese-North Korean. They earn the 150 US dollars per day. And send money to the north korea. They also manage the new religious CULT group. We are very scared. Most of the co-ordinator were Blackmailed to kill them, but some are enjoying to earn the money. They do not even know who hire them.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

17/8/10

DEAR VICTIMS AND RESCUERS, RESEARCHER AND GOVERNMENT OFFICIALS WHO HAVE RECEIVED SOS LETTERS FROM VICTIMS

Here I provide a new and very valuable information for all of you in order that you could understand why and what happen to these victims. It could help you a lot resolving the crisis.

It is a open discussion, I hope all the experts could share your ideas and bring the plan to completion.

It is not some high tech devices to disturb you. It is some people with some ghost cooperating to disturb all of you. You could hear and they also could hear your mind. Even they could suck up your energy from your spirit and your

body. So some victims could feel in their bodies, there are something to touch them and make them feel cool. And sometimes they feel hot, something points at their head or heart. Make them feel pain.

This is a way to kill people by their special energy. They could cause people splitting headache, even cerebral hemorrhage or myocardial infarction.

In general we could call these guys bloodsucker, DRACULA-MAN, these guys also use voice to threaten the security of you. They use acoasm (auditory hallucination), phantom (eidolon), delusion (disorientation, hallucination), olfactory hallucination (gustatory hallucination). In fact you are safe.

When you feel nervous everyday and can not get good sleep and recovery. And the your body protection is lower, these bad guys are easy to attack you and suck up your energy from your spirit and your body. This is their true aims. And you become weak everyday, they suck up your energy and they become strong and more long life. And you become weaker and weaker by their disturb voice and sucking up every night, they would start to kill you. Such as I mentioned above, they join in a lot of bad guys together, and attack your head and heart or other key organs.

Make you sudden dead or cancer. When you were dead, this is their last meal from you, they share and eat and suck up your rest energy of your soul. It is true!!!!!!

I give you a analysis about their voice abuse attacking skills as below,

You feel,

1. sometimes you feel they speak about you inside your head.
2. sometimes behind you or around you or as if some neighbours or classmate, colleagues
3. sometimes far away from you.
4. sometimes it is aloud
5. sometimes it is tiny voice.

6.sometimes it is female or male or boys or girls,even little baby,or old man or women,few or a lot.
7.sometimes it is just like voice of your friends or family members.
8.sometimes it is coming when you turn on the tap,water flowing,their voice comes.
9.sometimes it is coming by some carrier wave,they could put their words in some other carrier wave.
That means whenever or whatever sound happen around,they could mix their voice inside.so make you confused.
It is not your brain or ears problem at all.You are smart and sensible.So generally they choose people such you to attack.

Remember they are some people and some ghosts together to cooperate to disturb you.Threaten you and attack your spirit 24 hours per day and when you are down and lose your confidence and level of energy protection,they would easily suck up your energy of your body night by night.

They blame you everyday and whatever you have done or is doing,they are attack you.Sometimes when you were a female,they make you feel indecent assault on you.They pretend they are policeman or secret policeman or FBI,Or CIA member or high tech scientists,or a immortal,they pretend to investigate you or threaten you to put you into a jail everyday and every second.

But you know it never happen,because the real killer and criminals are these bad bloodsuckers.You are safe indeed!!

And you know some policemen suffers the same problem as you,they hear voice and they also suffer from acoasm(auditory hallucination),phantom(eidolon),delusion(disorientation,hallucination),olfactory hallucination(gustatory hallucination.These persons are from Marine Corps and special policeman or quit and become sick.

Even your ex president,John F.Kennedy,his two sisters,when they were teenage,they also suffered the same as you.They two were dead by this.Another ex president Bill Clinton,his health problem,he is still young,but his heart illness is very strange.

He have gotten twice cardiac surgeries.I read parts of his Autobiography,he writes, that when he was in his first cardiac surgery,he saw a dark hole etc which wanted to suck up him and at that moment his wife,Hilary came to him as a angel with here bright light and save him.

And this dark hole,feeling,and angles image,image of his wife are all made and pretend by bloodsuckers.
And in fact all these are some bad bloodsuckers to threaten him and also practical joke with their crocodile tears.In fact presidents in US ,Chairman in China or famous people around world or not famous but smart young people,they are high energy people and high intellectual.They are main force and power of human being for the development and keeping peace of the world.

So, on one hand presidents or famous people or not famous but smart are best food for bloodsuckers, they have higher level of energy.

On other hand,these bloodsuckers want to control human being forever,they do not want to human to develop and people develop them fast and they would find out secret and find out bloodsuckers and punish these bloodsuckers who hiding inside people in fact.They have human body now,but their soul as ghost could leave away from their body to attack you.

Sometimes bloodsuckers also use some image after they observe what you like or believe in,there are spiderman in movies or a angel in your dream from heaven sometimes they put their false image in daytime.Pls take care!! All the image or talks in your dream is also not true,it is these bad guys to cheat you and do harm to you ! ! ! Nothing is meaningful.

Pls remember this is only a kind of psychological way to make people down and mindless and can not focus on their lives and studies or job.Make you lose mind and make you lose your own protection.Sometimes it makes people suicide.That is a easy meal for those bloodsuckers.People suicide because they can not endure disturbing of bloodsuckers. When they were dead,bloodsuckers would suck up their soul,suck up their rest and final energy of soul,it is much more painful!!!Pls never suicide!!!Relax!!!

If you want to find out a solution,Pls do not make wrong direction,it is not government or high tech or cutting edge tools to disturb you at all.

Because thousands years ago,in Europ,Aisa,Egypt,India,China,Japan etc,people suffered the same.Even now it happen everyday and everywhere,including poor village in Africa,there is still not any basic electricity.
It is some people with some ghost.bloodsuckers.

Do you read book code Leonardo da Vinci?You know what is the secrets in code Leonardo da Vinci.
homosexuality is not for sex purpose.This way is for some bloodsuckers person,male one plus male one to improve their level of energy.They also make sex with any animals to improve their level of energy!!!

That is why code Leonardo da Vinci,a lot of his oil painting,hiding secrets show to us!!!!

But he can not say at that time,he put code hiding in his paintings.Otherwise bad guys would fired out all of his works.

Jesus also is a victim,but God knows it, God, specially let his only son to save us,so Jesus comes to our earth,but

bloodsuckers they use a femal body with a 3 male ghost bloodsuckers plus 1 femal bloodsucker bloodsuckers soul and they pretend fall into love with Jesus and make love with Jesus.In this way these ghost bloodsuckers could suck out most of energy of Jesus,son of God.This 4 to 1.You mean what is meaning.And then they utilize Governor of ROMA to kill |Jesus.

But that lady(a femal body with a 3 male ghost bloodsuckers plus 1 femal bloodsucker bloodsuckers soul)is in painting ,The Last Supper.This lady is the murder of Jesus.This lady includes 4 bloodsuckers chief,a femal bloodsucking ghost and 3 male bloodsucking ghosts.This lady give a birth of twins.Two sons of Jesus.They make these two son know nothing about with each other.They make them to hate with each other and they make them as kings of different nations.They make them kill with each other.The bloodsucking ghosts want to control human being forever and they make son and grandsons of god dead and dead.They want to show they are powerful and they show this to god. But god already know it.because people finally wake up,that is why so many books,movies all over the world. So final judgement day will come soon!!

Do you know the difference between a dolphin and common fish?The dolphin could hunting with sonar and communicating with each other from far away by their special sonar system.It is nature wireless. So a higher lever of energy is important for a dolphin,so does the bloodsucker man or bloodsucker woman.

They need to improve their level of energy as well. Pls relax and make clear the bad people who attack you is like a dolphin,but they also could cooperate with some blood sucker ghost.Ghost could move and hiding.Follow you.and could enter your door or window,wall. So it is a double way,a people like a dolphin plus a blood sucker ghost who could become small or big,and easy hiding, follow you.When they become very samll,you can not see them,but when you are in sleep,they fall into your dream,they make you afraid or they make love with you in dream.It is just like they have done to you in daytime. They disturb you in dream as well.Also they could touch you any parts of your body,even your eggs,it is their favorits parts.This parts own a lot of energy. They also could control your mind or they make influence on you without your any attention.You feel you are thinking and you make your own decision.But in fact they give you wrong infomation as reference and they already observe you many years and they know how you think generally and how you make decision.When you want to find out truth,they disturb you getting correct decision. So pls wake up.No need any fears.They never could hurt you unless you hurt yourself.

Their way is making you afraid for everything in anytime ,anywhere and Making you espirit down and make you passive for lives.and make you feel alone.All these are disturb in psychology and mentality,mind. Do you read book code Leonardo da Vinci?You know what is the secrets in code Leonardo da Vinci? Leonardo da Vinci also hear voice which threaten him when he is a baby even a bird in his dream. In our human being history,some ghost make sex with some person,they are persons make sex with fierce and big animals,big snake,leon,tigers,wolf,eagles,horse etc.So they own more and high energy.These ghosts bloodsucking person ,they have a person body,but their soul are mixed by animals and persons and mix also with ghost.

These guys are the really killers in human history.They provacate relation among people and make people kill people.

They also killed and kill a lot of people who are smart and brave who are in the side of justice.They kill and attack these people.They want to control human being.They also killed Jesus,son of God.But Jesus is still alive.

But now it is the end of era of these bad guys.I hope they stop their killing and resistance quickly.

What secrets in movies of Harry Potter?he also hear some voice when he want to find out truth.His parents and his friends parents are murdered as well.Because they are intellectuall ones of human being.So bloodsucking ghosts aims at their children as well. Now I give you a good the solution and key points to handle with it now,

1.Pls wake up your mind and positive espirit.not worry about any disturb,you could consider it is a some noise or a little TV and radio soap show,nothing related with you.Let them repeat themself.Because you already know a soap show in TV or radio never and never could hurt you,right?

2.Just relax and drink more water,mineral water,some red bulls.

3.Eat well,never hungry yourself.enough food,fruits,eggs,vegetables.soybean is also very good.

4.Take half hour sunshine evrymoning or noon,and deep breathing for 30 times.

5.Take half hour moonlight and star lights and deep breathing for 30 times.

6.pat the dust off body,from head,brest,abdomen,Upper limb(arms),lower limbs(legs),this is a best way to get rid of the passive energy that bloodsuckers put inside your body.It is important.In fact your could do it 3 or more times, each times 10 minutes.Anytime you feel not comfortable,pls stand up and pat the dust off body,remember beat your body rhythmical,not let you feel pain.point 6 is help you to get rid of passive sickness energy that bloodsucking ghost left inside your body.

You must practise it everyday.Anytime you feel some disturbing you practise 5 or 10 minutes,in this way bloodsuckers can not do further harm to your health.Because you know how to DELET or remove this virus out of your body and your soul.

Point 4. and point 5 are help you to get nature energy from sun,moon,stars.It is very important.

Point 3. is to make you get energy from nature food.

Point 2. is to use water to adjust your balance of your body energy.It is also important.Water makes your body not

so hot not so cold.Important .drink water after sunshin ,moonlight ,star light.
point1. is to get you understand what happend and how to solve it in a perfect psychological and mental solution.
All these 6 points are improve your spirit and body energy,pls practise every day.If your energy are higher and higher, the bad animal_man or animal_women bloodsuckers are difficult to disturb you.Even they still disturb you by voices,but it can not do any harm to you.It is only a joke soap.

Pls try now!!!

Geneal speaking ,people always feel afraid of thing which are still in unknow area.If you know the reason and know how to manage to go though,you would laugh and never be terrified again.

I hope this article with some tips could help all of the vicitims to know why and how to save yourself!!!

Best Regards!

Attachment 2.about Special Testing Lab for Victims.

A EMF TEST IN A EMC SHIELDED TEST LAB in Europe is not enough.

I think get help from European Parliament and white house,
invites some TI's vicitms and some big willess lab and TAPS Ghost hunters together .

Our enemy is not a simple one,they have human body as us,but they have one human soul and a few of ghost soul,they are mixed.Both human soul and ghost could leave out from their body.They are a teamwork.
When their human body move,they move together.These human soul and ghost soul(bloodsucker) cooperate as partner together.Ghost soul means bloodsucker in west.

1.They use the same human body.Like Hermit crab,bloodsucker ghost has no his own human body,they use body of others to hiding them,and this human body,his real owner is a person but he or she get a agreement with bloodsucker ghosts .These kind of persons betray our human being and they agree to sell their soul to bloodsuckers.So they join in together to do harm to human being since thousand.These persons accept and recive orders from bloodsuckers.

2.This kind of person with Human body could eat and get energy from food and they share some with ghost soul at daytime.And this kind of treacherous person ,they grow up from a child and go to school,high school, university,office,govt etc.In his life period,he has known and meet a lot of people,little baby,girls,boys,friends, neighbours,colleague.The ghost would selet their targets inside All this people.

That is to say the vicitims are attacked by the people who know them before.Sometime just a common relation and sometimes it is a very close relation with them.This bad person provide vicitims as a meal to share with their master or amo bloodsuckers.

Sometimes ghost soul(bloodsucker) leave from the partner body and go another place to attack vicitims,they treaten vicitims and suck up their energies of body and soul at night.And then they go back to their body and share the trophy(energy from vicitims).So the partner could get longer life.They both get benefits.But vicitims become weaker and weaker.Sometime suicide or cancer,or sudden dead.The bloodsucker would eat up the rest of energy of the soul of vicitims.It is terrible but true.It is not a superstition ,it is not a visional story to frighten you.It is true!!

But we could find out them by high tech tools to trace them and control them,but we need a good and whole testing plan,including scheme,programme,project,proposal,formula,scenario,tools,experts.

Why so much preparation needed ?Because this person + bloodsucker ghosts mood and they could move without body and they own higher energy.They are also very tricky.Remember they could eavesdrop your mind and hear your mind.If they know your prepare testing,they would escape far away.Or keep silence.So your testing would get nothing.

They also could become smaller and smaller in any shape and any style,one tiny point,even much more smaller.it is not easy to test without a precise tools.They could entry from any tiny hole of door or window.
Or they could go trough a common wall.So chasing them is not a easy thing.

And pls change your direction,not prepare for a demonstration time by time.Pls directly and ask help from Govt and international organization,research laboratory,Institute,expert in wireless,some big company,ghost hunter,such as TAPS(they have Full spectrum camara and Full spectrum Voice recorder,and thermoreceptor and also experts in this kind of testing etc.)

Also use real-time all-digital spectrum analyzer, IN A EMC SHIELDED TEST LAB, -invite 3 to 7 victims together inside A EMC SHIELDED TEST LAB,using all kind of tools to check signal changing inside EMC SHIELDED TEST LAB and around victims.Testing could be a whole week from night to day.24 hours per day.You could select victims who have serious suffering with representativeness.

Pls observe what would happen?Only this kind of strict and comprehensive test and analysis,you would get a very good results!!!

My experience is a little different with others.As if it is a mystical puzzle.And I solve one part from my side,now I share with you my ideas and experience.

And Hope get your puzzlesolving for the other rest parts.

Let us work together,pls read this email carefully!!!

1.My background,

II was born in China,Xian Yang City,a ancient capital of Chhing dynasty.

Chhin Shih Huang Ti (Qin Shi Huang,BC259~BC210)is the First Emperor of China who have united 7 nations together.Xiang Yang City is the capital of kingdom.This city is just llike the ancient Roma in European.Both of them behalf of East and west.

2. I stay in Argentina for 10 years since Year 2000 and get married in year 2005 here and working here .

3. I am working for a telecom equipment and network provider,a Multinational Company,including providing mobile willless system,fixed network,internet IP network etc.Our Clients, such as Telefonica,Telecom Italy,AT&T,France Telecom,Mexico Telecom, China Telecom,China Mobile,India services operators,Africa services operators.

4.I am a deputy general manager in Office Argentina of this Multinational Company,in charge of Business.The company has 170 offices worldwide.

5.In fact I have a lot of trips in Europ,Aisa,Latin America,USA,South Korea etc.

6.Since 2005 suddenly I get attacked by sharp threatening voice while I having a vacation trip from China 2months,Canada 7days , Argentina,at that time I plan for a marriage with my fiancée.We have had the trip together.The Voice from Argentina,China,Canada follow me 2month from Jan to March in 3 counties,but not sharp and just comments.But when I came back to Argentina the voices become sharp and threaten me terribly.Two women ,Chinese Speaker as main force but around a lot of English speakers and Spanish speakers.I heard voice and I feel hot and ambulant energy attack in my metencephalon and forehead,also on my heart.Day and night. 24 hours per day.Voice each seconds to threaten me to leave and kill me etc.

I heard voice,

1.in Toronto and VANCOUVER,Canada

2.in Peking (capital of the People's Republic of China),in Shang Hai city and Xi an city,Xian Yang city),China

3.(Buenos Aires and south city of Argentina as well),Argentina in Argentina.(English speaker ,US and UK and Argentina guys) in Italy.(Chinese speakers and spanish speakers and english speakers), in China.(Chinese speakers and English speakers from US), in Italy .(Chinese speakers and spanish speakers)

Pls look at the routing and the difference of Voice around me in diffrent region of world.

This is a global group,they have a lot of memebers worldwide.

They cooperate together to attack us.

In 3 months I have had 3 round trip around world.They follow me around world 3 times.Even in Internation plane as well.

From north to south,form east to west.I was attacked in all over the world,cities,hotel,home,offices,all international flights,all domestic flights.

Considering I have had 3 trips globally in Asia,Europ,North America,South Ameica,China,Janpan just in 3 months,I heard the these voices.I think perhaps it is long and frequent international long haul trip make my brain tired and a bit mad?Perhaps I need more rest.

So When I came back to Argentina,and in last 5 years I decide mainly stay in Argentina and reduce trip to advoid

so strange thing.

Actually in the end of 2005, sharp voice stopped, but I can not sleep for almost one year. It is another nightmare I feel some hot and floating energy attack my metencephalon behind my head day and night.

I try all kinds of sleeping pills. No matter what kind of sleep pill or how much I took, it never worked. I find out it is very strange, I find out there is sth or sb attacking me.

When I can not go to sleep every night I heard a lot of voice

, such a loudy voice just outside my window, so close to my window at mid night, there are a party every night, music, English speakers, girls, boys, Spanish speakers, girls, boys, Chinese speakers, also old man, old lady, a lot of person from different places and different ages. They cheers together and talk with each other.

It is strange each of them use their own native language, but each of them could understand with each other and no need any translation middle man.

I find out it is so strange and who are they? They seems have a happy party and it seems they sometimes talk about me.

But at that time I focus to solve my sleepless issue. One year I could not get sleep for a single minute. It is very dangerous for a person in such a long time to lose sleep totally.

No any sleep and deep headache and I can not concentrate my mind and eyes to see my PC and I almost suicide. I feel the group out of my window, there are a lot of sb observing me and waiting for my death. It is a true feeling. I even heard that they have a talk that I can not support anymore. They seems happy and just waiting there.

But I decide to relax my self, and eat well, practice, not affect by this strange attacking. My decision is very correct, when I start and I could go to sleep very well. I sleep well and eat well, everything goes well.

But something more strange, when I enjoy a period of good sleep, more voices arrive to attack me, it makes me more clear, there are sb or sth attacking me, it is a group who observing me, around me, attacking me all the days and nights. They never stop.

Only use different method to confuse me and hurt me.

I give you a list, the voices I heard in my home in Argentina, I also could hear them in street of Buenos Aires, other places in Argentina as well. And you know victims almost all heard voices, but I heard so many voices. I do not know how many voices other victims heard? Normally victims could heard 1, 2, 4, or 10 voices. But I think I heard 100 voices. Different person, different accent, different language, different sex, different age. So I decide to write down it for you, I think it is very valuable. I heard of 100 hundred, I select some clearly I could make identification. I think it is very valuable.

1. English speakers of USA. (1 young man as my age, 1 madam, 1 man, a group of girls and boys in 14_20 year old)
2. English speakers of UK (only one old man with old voice and strong energy)
3. Spanish Speakers of Spain (old man with old voice and like laughing) he speak in Spanish, but he also could speak in English, but could tell of that he is not a english speaker.
4. Spanish speakers of Mexico (a woman and girl)
5. Spanish speakers with Brazil accent (one young man as my age)
6. Italy speakers of Italy (one lady)
7. French speakers of France (one lady)
8. Russia speakers (one lady and one man)
9. Chinese speakers of China North East, they are very special (four young man as about my age, many others, a big group of man and women, and boys, girls, 10 to 18 years old)
10. Chinese speakers of China North west (one man and one lady)
11. Chinese speakers of China South, Guang Dong, Hong Kong, But these guys could speak English as well. (one old lady and one old man, a group of young boys and girls)

The voice are from different speakers, Chinese speakers, English speakers, USA, UK, Spanish speaker, Spanish, Argentina accent Spanish, Brazil accent Spanish, Mexico Spanish, Italy, France, Korea language, Russia language.

Actually they organize special attack, I give you a list, I experienced,

1. team one US+Argentina starting attacking me
2. Team two US+Argentina+China start attacking me
3. Team three US+Argentina+China+UK+Spain+Italy France Russia Mexico Brazil etc start attacking me, this global team is more powerful. Suddenly one day They stop voices abusing and they focus all their energy to attack my head, chest, heart, abdomen dorsum, genitalia. I feel very strong energy attacking my body and head, I lay down on bed 3 weeks, and then they quit, one week later they come again, each time they continue 3 weeks. So I know it is a danger signal they want to kill me. So I drink a lot of water. Eat well and lay down on the bed whole three weeks, Even not speak with my wife. no watch TV. Because the attacking is very violent and fierce.

This kind 3 type of attacking keep almost 3 years. Actually even they attack me, I am fine because I drink a lot of water and eat well, practice, when they starting attacking, I lay down on bed, reduce chance of them to kill me easily

when I get tired. So I suppose many people if hardworking not care about self protection, it is easily getting attacked to a sudden death. I heard more than 30 victims dead.

But the war continue, Now is the 4th type of attacking period, Image threatening + voices threatening + energy attacking + suck up my energy

Image such as the list below,

1. spiderman, cartoon images
 2. Maradona, presidents of Argentina, Senators of Argentina
 3. Hilary, ex President Bush, President Obama, Chairman of China Hu Jin Tao,
 4. God of Buddha, monks,
 5. masters kung Fu attacking me
 6. big black gorilla, small birds
 7. dwarf, small person
 8. horse, black and grey horses, a ghost with black cloak ride on a black horse in front of me day and night, and attack me everyday.
- One time I try to get rid of the black cloak to see who is this ghost?
I find out it is a female buddhist nun with blue cloth of monkino.
9. Living Buddha
 10. Taoist priest and masters
 11. demon fox, ghost with long tongue, they fly and attack me.
They want to make sex with me in dream.
 12. bloodsucker sucking up from my genital organ.
 13. Transformer Galaxy soldiers.
 14. Lady, man, little boys, old man, old women,
 15. army of US, China, German, special force of US, China, German, all world army demonstration
 16. funeral for me and my family. a lot of coffin, prepare for me
 17. Change my life time for a quick death in a book, a master Taoist show his energy to write curse in a book and dig out bones and soul, body of the grave (tomb) of all my ancestors. This bad guy atrociously chop at the soul and body of my my ancestors. Many times in last 3 years. They put a curse on me, dead in 2 years. But you know I still alive.

Everyday and night it is like a lot of movies, so they become angry and some method they just use it in dream in night, but now they use it in daytime. It is absurd they sucking up me in daytime and image, voices, dream in day, also at night. It is a mass of them.

Because I am very fine, I sleep very well, eat well, I find out the solution to handle with it. That is why I write the email with 2 attachment to you yesterday to share my solution with all the victims.

In fact I check all the old books related in China side, also western books, I mix all this records together, it shows the real existence of bloodsuckers as well. Comparing with my own experience, it is very true!!

These bad guys know with each other, All over the world, these guys cooperate to control and hurt human being for thousands years. These bad guys are united ten thousands years ago!!! How about us? We are divided into different small section of world. From Books it shows In fact our ancestors know with each other, and world have three parts in the beginning. Three parts have connects and communications. none is isolated.

The book < code de Vinci >, and movies Harry Potter have a lot of hiding truth story. Many people were murdered. Parents of Harry Potter and parents of his friends were murdered. Harry Potter also heard voices. Sb want to kill him as well.

In book < code de Vinci >, a lot of people know the truth who are dead strangely. But they left some secret message. In painting of Leonardo da Vinci as well.

So I also check in China side, there are a lot of old book about Ghost, some people to cooperate with Ghost such as a bloodsuckers in China history.

Another phenomenon, these years a lot of new Chinese e-books in internet and come out to show the secrets of a hiding group in China history. They give a lot of exact description of hiding bloodsucking person in China. They also show this group make action even more now. Many Victims are mad or dead!!!

About 1700 kind of new books in last 10 years about this hiding group and many continue to writing in web for free without stop nowadays.

It is more Precise and Accurate and such plenitudinous.

I think it is more from victim family who know the truth start to speak

out in internet book,they write everything their family suffered and their ancestors have had told them before.

these Authors write for free in web,most ebooks downloading for free.Some Authors are murdered,but his friends continues to write on web to finish his unfinished books.And promise to continue to write and in memory of his friends in paradise.It is a lot of brave people who fight with bad ghost group in China as well.

I think in US,Canada,France,Italy,Gemany,Japan,Korea,India,Afirca,all the victims suffer the same,we must change our strategy!!Our enemy is not govt,it is a ghost + some person Group. Now I understand all these Authors,their family member must be a lot of victim in thousands years,some of them told his son what is the true,but at old time it is difficult to speak out.Bad guys would kill them easily by way or army or political case.|Even know bad guys still could kill people with a hidding ghost energy.These Chinese books not only show hidding group in China,but in whole world,in Europ,Special UK,Londo,America,and Asia,China,India including original of huma being history,what wars in soul and spirit etc.It is very valuable in many sense!I think if in your Team you have some Chinese speakers,pls let them check a few Chinese mysterious (玄幻灵异小说) books in web,it would be very helpful for you to understand what happens and who are our enemy!!!

I hope all of you could check my email and 3attachment and suggestion carefully.

Specail for Chinese speakers pls notice the mysterious novels in Chinese Web society.Pls share the key points with your westernpartners.We must united because bad guys already united ten thousands years ago.

The war here in Argentina is still continue,they do not want me to tell all of you the truth.

But I am very fine.Pls forward this email and the attachment 1,2,3 to our the friends victims who needed.

It is neither superstitious nor a delusion of persons of unsound mind.

Pls consider my suggestion and my ideas.I already know all of your team work so hard to help victims.This organization is such a wonderful.

I do not consider me as a victim at all,I am Grand Knight who would like to join in all of you to fight for peace and happiness of our world!

Now I feel very good because their strong attack is not ineffective.Pls try my Exercise in last email.It would help everyone.

Pls consider changing direction and strategy!It is the key to resolve the whole crisis from its original concealed source!! Focus on the real fish,real enemy.

My best regards!

At first i was attact by chemical spray for a couple of years so I wrote a letter to the Australian minister of police the Hon Mr Sully several years ago and these attacts were investigated , by local police they did smell some sort of pesticide but didn't pursue the investigations any further , they just said close you windows to your bedroom and that was it , so I did what the police said , but this chemical smell was still penetrating into my bedroom , by now things had worsened as chemicals had been sprayed in the car the smell was that strong it would burn your eyes and make you vomit. I moved and built a new home which I thought might stop these attacts but to no avail it just got

worse now I am being harassed by direct energy weapons which is absolutely sickening ,when you know your are being attacked to these sonic waves it gives you massive headaches for days makes you vomit and burns your skin which leaves red marks on your body which peel skin like when you have sun baked in the sun for too long, plus what does it do to you internally . These low life individuals need to be stopped in their tracks. I now have two massive heart operations one was a aortic aneurysm where I bled 5 litres of blood out through my mouth nearly died and these low lifes are still attacking me and the worst thing is I don't know why I am coping this fucked up abuse ,I just feel like I am some sort of experiment . NEED HELP BEFORE IT KILLS ME

11/12/13

I spoke to you last night on the mobile and we suggested I would be better to email you . its hard to tell you every event that has happened to me over the last 7 years because it has been 24 / 7 I have had everything imaginable done to me from chemical spray in my bedroom when I was asleep and also my car had been spray many times , been run off the road couple of times those problems where not to bad I could handle it then the harassment just go worse by attacks by DIRECT ENERGY WEAPONS I have been cooked like being in an oven my face has blistered up and not just once, and as for the heads smacks that make you want to vomit and completely disorientate you an knock you to the floor I had this going on for too long I am trying to be strong but now I have been getting shots to my eyes these bastards are trying blind me they are trying everything possible to fuck me over .I have had two major heart operations and I am only 52 looking like not making 53 ' I am hoping you might be able to help me in any way possible .

I am writing to you as I have been a targeted individual since 2006. Thanks for giving your contact details online as a contact.

I hear voices all the time and microwave pulses within my head and my body. It is absolute torture. I am happy to give you more detailed account of my experiences if you would like.

I have been destroyed financially, institutionalized and given anti-psychotic drugs over the past 6 years.

The torment is 24/7 365 days a year. I live in Carnegie Melbourne and would like to hear back from you when you can write back.

I feel there is nothing I can do to stop the electronic attacks and V2K, it is relentless.

I have read some of your documents relating to your electronic harassment. The symptoms you describe are identical to mine, I have been harassed and tormented since 2005.

I am now aware of the technologies and the bastard organization employed by these organization and I want to

hold them accountable for there actions. Would you be interested in lobbying the government on this matter to call for the banning of these weapons in this country for a start, by setting up a task force to investigate the broadcast sources of these signals? Every signal has a source and can be traced. It is the biggest invasion of people's human rights in human history and these people are modern day Nazi's. The weapons and the patents for the use of the weapons relate to them being of a non hazardous nature, surely this is incorrect enough to warrant a civil action.

I hate to think how many people have been miss diagnosed as a result of there actions.

Here is a document which I have just started in the last few days which provides an account of the suffering I have endured over the last few years.

I AM SUPPORTING THE WORLDWIDE CAMPAIGN AGAINST ABUSE OF DIRECTED ENERGY WEAPONS AND MANIPULATION TECHNOLOGY ON HUMANS

You can help to expose our Satanic Leaders by forwarding on this email.

'These Elitists who think they can do whatever they like, to the human race which is nothing less than inhumane atrocities and where they now think and believe they are going to be the Gods on this Earth who have the right to eliminate 80% of the human race.' You only have to look at the blatant arrogance as shown on Bush's face below and the way he and others openly, blatantly and arrogantly do their Satanic hand signals as if they are the supreme beings on Earth.

What these Satanic One's have failed to comprehend is "they" have already violated the Universal Laws with the Laws of Creation here in Australia when "they" ignored the Law of Allowance by failing to obtain the consent from our Aboriginal People of Australia and as Australia's Constitution is illegal and invalid shows 'they" have ignored the Law of Allowance and consent of the Sovereign People of Australia to involve Australia in this Evil game played here on Earth and nor did "they" have any Allowance or my consent to implant me with illegal technology to use me as "their" mind control doll for Evil clandestine acts as I was under the legal age of consent during this period and it's these violations that have been perpetrated here in Australia, which cannot be undone and where now it's through my Invoking of the 2nd Law of the Universe, "they" are now accountable for "their" use of illegal technology and for violating the Universal Laws with the Laws of Creation here in Australia and on Planet Earth.

This is a fact so check out the <http://www.harold-holt.net/> website, which has been invoked under the 2nd Law of the Universe---

The Readers should not forget these are the same evil one's who dropped 110 story buildings, killing innocent people for their evil agenda of a One World Government ruled by them and yet this same Satanic Evil force are not able to touch me or my site. This fact shows that these Satanic pigs such as Bush, Blair, Brown, Howard and their Puppet Masters fear my Invoking of the Universal Laws and that of the harold-holt website under the Second Law and as there is no Allowance given through my Invoking there will be no Anti-Christ or Mark of the Beast nor a New World Order as this would be in violation to my Invoking - The Laws of the Universe are Immutable and cannot be changed or distorted. They work without question as to whom is applying them and dire consequences

for those who interfere with them.

8/5/08

I have Invoked the 2nd Law of the Universe here in Australia to have all accountable for illegal technology on Australian soil and here on Planet Earth and for violating the Laws of Creation. As shown in my [CT-Scan](#), illegal technology is being used on Planet Earth and this illegal technology had been placed in me against my freewill and consent, when I was under the legal adult age of consent (then 21 years old) during the period when I was a Navy Clearance Diver involved in several clandestine acts, as stated in my [Affidavit of 11/11/99](#).

As the [Australian Constitution](#) is illegal and invalid shows how no-one has ever obtained the true consent of we the Sovereign People of Australia to have Joint Military Facility's along with it's "alien technology" on Australian soil such as Pine Gap or to have Satanic structures such as the Australian Parliament House built on Australian soil ([see photos](#)).

The Laws are what they are and the harold-holt.net website is what it is -

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

11/1/13

My name is Matthew Simmons. I'm a 49 yo husband and father of one daughter living in Sydney Australia. I would greatly appreciate any help you can offer in regard to a serious situation that I have been suffering through for the last 2 years in regard to electronic harassment/torture.

Initially the symptoms were confined to harassment, i.e. tapping sounds could be heard around the house that seemed to follow me all around the house and even outside to the backyard, computers starting acting very strangely - freezing up for minutes/hours, logging off themselves etc, power points would stop working, lights would flicker and stop, electrical devices failed prematurely, phone lines were filled with static, clicks could be heard on my mobile phone etc. etc.

In the past year I have begun experiencing serious physical symptoms as well. Firstly my eyes became extremely sore and red (especially upon waking), unexplained muscle/nerve pains started in my hands and feet which have eventually become so diffuse that now my whole body feels these deep muscle and nerve pains (whether I am at home or outside or in other buildings). In recent months I have begun feeling hot feelings in my back and abdomen to the point that I will wake up in the middle of the night/early morning feeling extremely hot in these areas, sweating, and very parched in my throat and sinuses. it has become so bad that this week I was admitted to hospital for severe constipation. I believe this latest symptom is what is euphemistically known as "people cooking".

I am deeply concerned at this time. Most people I have talked to (including a doctor and lawyer) consider that I am psychologically unwell and don't want to believe this type of occurrence is possible let alone happening every day to me, but I know that it is happening to me (I am including 2 videos with this email - one showing deep muscle twitches occurring in my right calf, and the second a strange tapping noise coming from the back of my office chair which is free standing on a carpeted floor - this particular noise happens almost all the time when I get up from my chair, but usually mysteriously stops when I attempt to film it.)

I'm wondering firstly if you know of anyone here in Sydney (or Australia) who has the expertise to deal with these matters, or if you personally have any suggestions. I am very much in need of immediate help as I know this situation is getting progressively worse.

If you can help me in any way I will be extremely grateful.

25/1/13

I appreciate you adding me to this list. I am completely baffled by the utter evil yourself and so many others (including myself) have been subjected to.

I am off to the US tomorrow to meet with Roger Tulces from advanced electronic security - he was the PI who discovered the RFID chip in another victim (James Walbert). I am hoping to learn a lot on this trip and gain some knowledge about active and passive shielding to make my day to day living at least bearable. The main target for myself, apart from constant diffuse muscle and nerve pain that is contingent to my thoughts/what I am looking at/listening to, has been my digestive system (it has become so bad that I ended up in hospital last week with acute bowel obstruction from the "cooking" of my intestines).

I wonder (after reading your terrible personal history with all of this how you manage day to day? Have you found anything that helps make you daily existence any less tortured?

I appreciate your expertise and courage, and it is good to know that I/we are not alone in this.

Yours sincerely,

Matthew Simmons

My name is siu. I am a gangstalking victim in Hong Kong since 2002. I received a help request email from your organization. I wonder what I can do to help fight this crime, and I wonder if you know if there is any other victim currently living in Hong Kong too?

Regards

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

updated 21/9/09

I am a Victim of Electronic Harassment/ Mind Control/ Directed Energy Weapons/ Organized Stalking and Torture

I live in China. My nationality is Chinese. I was first attacked on Dec 2001 when I was studying for a Masters Degree in Australia.

At first I heard some noises downstairs, which others who lived in my house could not hear. I shifted to a one-storey house on January 2002, the noises sounded as if they came from neighbors. My body started being effected with a variety of symptoms.

The main symptoms are:-

Pain all over the body; stomach pain, toothache, headaches, leg pain, arm pain. I also had a few high fevers. All these symptoms would disappear without any medical treatment. Or sometimes, a pain would persist even if I took a lot of medical treatments.

I reported to the police on January 2002 that someone was following me and using technology reading my thoughts. I told the police that their voices sounded as if coming from neighbors. The police answered me that it was illegal to use mind reading technologies in Australia.

On February 2002, I shifted to a new one-storey house . I suffered some more symptoms: Diarrhea (for almost one month), hands trembled involuntarily, legs suddenly not being able to stand, suddenly felt very cold and shivered involuntarily, or suddenly felt very hot and sweating, etc. and all the symptoms again would disappear without any medical treatment.

On 5 April 2002, I could not bear any more suffering, so I left Australia. After I left Australia, I still could hear those voices. I went to Hong Kong, Thailand and Shanghai, China, the voices still always sounded as if coming from neighbors. All the symptoms happened all the time, and my things were often stolen when I was not at my hotels.

On August 2002, I went to New Zealand. I again had all the symptoms often occurring. On April 2003, I had already spent all my money. I came back China and stayed with my parents. I had more symptoms : such as astriction, gatism, and sex harassment. They also started to not allow me to sleep at night, or to wake me up at mid-night. Sometimes, they also forced me to sleep when I did not want to sleep. They also forced me to "have dreams" at night. I knew those "dreams" were made by them and transmited to my brain using their weapons. (The principle is the same with a silent sound device which can transmit sound into the skull of person.)

After the fourth quarter of 2004, they forced me to have "dreams" every night.

These people can use their electromagnetic weapons to transmit their voices directly to my brain. They can make "voices" sound as if coming from neighbors or from a nearby person. They also can use their weapons to make "voices" sound like the voices of your friends or your family members.

After I came back to China, their voices still sounded as if coming from neighbors. But I knew they were not from my neighbors. (After 2005, they did not pretend to be from my neighbors or friends, but sometimes they can pretend their "voices" sound like a TV announcer).

I think that most days they use their own voices. When they started to torture and harass me in Australia, most of them only spoke in English, only one or two spoke in Mandarin without any dialects. Since the second month, more people who spoke in Mandarin joined them. They also asked whether I could speak Cantonese (There are other victims who said that they could hear the voices spoke in Cantonese). After I left Australia, most of voices only spoke Mandarin. There were about 6-10 (they spoke Mandarin) who had been keep torturing and harassing me 24 hours a day and 7 days a week since May 2002 to April 2003. After April 2003, Mandarin voices were used more, over 10, only very few voices spoke English occasionally. (I think that they have employed more Mandarin speaking people to join them instead of English speaking people).

During the past 5 and half years, their weapons have reached me no matter where I am. In every country, anywhere: inside the house, under ground, inside an airplane, on a ship, under water, inside a car, on the top of a mountain...

My efforts of the past 5 and half years:-

For the past few years, I have been working hard to stop these fascist atrocities.

I reported these crimes to police when I was in Australia on January and February 2002. I had written letters to United Nations after I left Australia.

I have had Peace Talks with them. I told them: if they could stop torturing and harassing me within the limited time, I would like to declare to everyone that I was volunteering to let them to practice their weapons on me. And I had a renewal of the final deadline three times until 12 December 2004. I had been trying to initiate them to do some good things - "we only have one earth, and we need to protect our earth". And warned them that they had broken the law and also had broken the law of the God.

If you want to know details, please come to <http://peacepink.ning.com/forum>

After 2006, I searched more information about Mind Control Weapons and Directed Energy Weapons. I kept in touch with other victims and exposed Mind Control Weapons and Directed Energy Weapons torturing and harassing through all channels all over the world. We have already written so many letters to government departments, social communities, Human Rights organizations, media and the public.

Other victims stories:-

Currently, there are many victims who claim that they are tortured and harassed by Mind Control Weapons and Directed Energy Weapons. The numbers of victims have been increasing. Because the victims are lack of funding, no testing equipment, so even they are poisoned or implanted with chips or suffering by electromagnetic weapons brutal torture, they can not get tested or unable to get help from any people.

If you wish to know more victims story, please come to:-

<http://mindcontrolvictim.blogspot.com/>

You also can find more victims stories from <http://peacepink.ning.com/forum> "victims stories"

I strongly wish that you could concern about this matter.

(1) Many countries have developed a type of Mind Control Weapons (drugs, chips, nano - or electromagnetic waves). Does the government then have also introduced a law system to manage the use of such weapons?

(2) What effective legal systems and other measures that our government has already established to prevent the misuse of such weapons.

(3) Once there is misuse of such weapons, how can we get help from our government to protect the interests of the victims? And how to put torturers to legal sanctions?

19/3/08

We have already send many petition letters to governemnt, of course including USA government. Government must take the responsibility to protect their own citizens. and We surely know that now so many victims are suffering terribly from the Mind Control and Directed Energy weapons torture and harassment, But for such a long time, We did not get any help from government.

So the most important thing is that Government must start to do something to help victims, they should not keep quiet for such long time terrible suffering of all victims.

21/4/08

I will never let anyone who destroy my freedom. We were born on Freedom. No one has the right to destroy our Freedom and our human rights. I would never allow anyone who used mind control to harass me and torture me, Those one who have been using mind control to harass and torture me, who have been using mind reading

technologies to keep watching me while they were torture and harass me, they must be sentenced according to law.

My yahoo blog has been closed by yahoo, they said it is not allowed to talk about 'MIND CONTROL " . So I open a new page, which mainly publish both China and World victims work and other related technology information.

Re: "... proof such technologies do exist."

We are victims, we do know such technologies, because we all have spent a lot of time to research information about such technologies.

But while I talking to public, so many people still don't believe such weapons do exist.

If they don't believe such weapons do exist, they would also don't believe that we have been covertly tortured and abused.

When I became a victim in Australia. During the first suffering year, I traveled a lot. but their weapons could reach me in any country I went.

I traveled from Australia to Hongkong to Thailand to China to New Zealand. Their weapons could reach me in every country.

So I believe in satellite or other high technologies can let them to torture and harass me all over the world.

People used to tell me, USA has the technologies which are able to search such electromagnetic waves no matter which country victim lives. I believe in that too.

Even there are too many victims, that USA don't have the ability to investigate every victim to find out who is torturing him/her. But at least, they should able to investigate some victims

So, I think :

- (1) our global protest still need to educate those people who don't believe such technologies.
- (2) urge local government to take the responsibility to protect local victims
- (3) for some countries, possible they have not yet developed such technologies, they can find help from USA or Europe, or even Russia, those countries surely have such technologies.
- (4) Because I firstly to be tortured in Australia, so I also mainly look for help from Europe and USA. And also called all China victims to united together and work together to complaint to China government and other International organizations, such as: United nations

Thank you and Best Regards!

I am still being seriously tortured. And I am still working hard to expose such crime now.

There will be a worldwide protest on 10 Dec, please read some information below.

A lot of China victims said they were still tortured. But Most victims are just suffering from the remote mind control weapons torture and harassmen. Not too much victims are organize stalking by human Beings.

I believe in God. and Since Aug 2002, I prayed to God and closed my eyes and opened the Bible. I got this page. And God told me, this would be my work: called to public to expose such torture and urge government and public to help to sentence torturers according to law.

Proverbs

1-8 Listen, my son, to your father's instruction and do not forsake your mother's teaching.

1-9 They will be a garland to grace your head and a chain to adorn your neck.

1-10 My son, if sinners entice you, do not give in to them.
1-11 If they say, "Come along with us; let's lie in wait for someone's blood, let's waylay some harmless soul;
1-12 let's swallow them alive, like the grave, and whole, like those who go down to the pit;
(Secret Mind Control weapons abuses and tortures are to : wait for victims blood, waylay their harmless soul;
swallow victims alive, like the grave, and whole, like those who go down to the pit.)
1-13 we will get all sorts of valuable things and fill our houses with plunder;
1-14 throw in your lot with us, and we will share a common purse"--
1-15 my son, do not go along with them, do not set foot on their paths; (God asks everyone, do not support mind control weapons abuses and tortures)
1-16 for their feet rush into sin, they are swift to shed blood.
1-17 How useless to spread a net in full view of all the birds!
1-18 These men lie in wait for their own blood; they waylay only themselves!
1-19 Such is the end of all who go after ill-gotten gain; it takes away the lives of those who get it.
1-20 Wisdom calls aloud in the street, she raises her voice in the public squares;
1-21 at the head of the noisy streets she cries out, in the gateways of the city she makes her speech;

(would you not believe that Wisdom had already called out to stop mind control weapons abuses and tortures? and victims have been following her call, and urged government to investigate such crime immediately?)

1-22 How long will you simple ones love your simple ways? How long will mockers delight in mockery and fools taste knowledge?
1-23 If you had responded to my rebuke, I would have poured out my heart to you and made my thoughts known to you.
1-24 But since you rejected me when I called and no one gave heed when I stretched out my hand,
1-25 Since you ignored all my advice and would not accept my rebuke,
(please don't reject to help victims and don't ignore victims complaint)
1-26 I in turn will laugh at your disaster; I will mock when calamity overtakes you--
1-27 When calamity overtakes you like a storm, when disaster sweeps over you like a whirlwind, when distress and trouble overwhelm you.
1-28 "Then they will call to me but I will not answer; they will look for me but will not find me.
1-29 Since they hated knowledge and did not choose to fear the Lord,
1-30 Since they would not accept my advice and spurned my rebuke,
1-31 they will eat the fruit of their ways and be filled with the fruit of their schemes.
1-32 For the waywardness of the simple will kill them and the complacency of fools will destroy them;
(Please don't be so waywardness in supporting mind control weapons abuses and tortures, please don't be complacency to covert mind control weapons abuses and tortures)
1-33 but whoever listens to me will live in safety and be at ease, without fear of harm.

Thank you and Best Regards!

19/6/10

I have filed my lawsuits, But I did not received any reply. United Nations and Europe Union ignored my letters.

After I became a victim of secret mind control weapons abuses and tortures, God told me that I was a chosen one.

This year, I learned more about what God had told me, I understand the following:-

Romans: 3-5 If our unrighteousness brings out God's righteousness more clearly, what shall we say? That God is unjust in bringing his wrath on us? (I am using a human argument). 3-6 Certainly not! if that were so, how could God judge the world?

Judgment Days would start, Only after these things happened.

(1) Isarel returned to Jerusalem

(2) The Third Temple

(3) The Queen of the South Rise (She suffered horrible persecutions)

(4) The men of Nineveh stand up (They suffered horrible persecutions)

- (5) Natural disasters were the work of mankind hands.
- (6) 144000 sealed ones (They suffered horrible persecutions)
- (7) The two witnesses

MY CURRENT HEALTH CONDITIONS

19/3/12

I believed that many victims had very bad health conditions after long time persecution of secret mind control abuses and tortures.

I had been suffering the horrible abuses and tortures of electromagnetic mind control technologies for more than ten years; my health conditions were very bad too.

- (1) The horrible suffering aged me so quickly. In 2002, everyone said I looked like only 20 years old, but now,.....
- (2) Because the long time horrible torture, I had serious endocrinopathy. My menses was very abnormal and less.
- (3) Because of suffering horrible pain and other diseases, I often curled up in a tight ball, this had brought me serious kyphosis, and I also suffered serious problems of cervical vertebra now.
- (4) Because of the horrible suffering every day, I could not sleep well at night, and could not have energy to move outside at day time, I was getting puffiness too.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

26/11/12

I'm Emma Stevenson, another Melbourne TI. I heard from a friend of mine that you're a Melbourne TI also, and I hope you wouldn't mind talking to me. i'm kinda lonely and wouldn't mind networking with TIs in Melbourne. I've tried on peacepink but haven't got anywhere with the Melbourne TIs. I've been a TI since 2004, aware of voice to skull since 2010. Hope you're doing ok.

Thanks for your response. My symptoms of EH are as follows: Continuous voice to skull 24/7, mind reading, brainwashing, constant insults; constant farting noises that I cannot hear as it is blocked to my ears, (I know she is doing this because she has told me in the past), offensive bodily smells, sexual manipulation, rape, pain sometimes in various areas of my body. What's your torment like?

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Regards,
Emma Stevenson.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Many thanks for all that info. It will take me some time to take it all in. I have done a lot of research, contacted many or most of the bodies you have mentioned, and it is as you say, so far that is. There are still some things to be done. It is only a matter of time, we must all work at it as you say. Please put me on your lists and keep me informed.

It has been some 5 years that I have been sleeping in my car to try and avoid these things. But as you know it is now on the cars and they activate by remote. There are many words you could use - but all are out of the norm - sick individuals - committing sadism and attempted murder, no different to slow dose of poison in the traditional term.

I am a registered nurse who has worked at the nuclear reactor in Lucas Heights, working in safety so I have a little knowledge and have relied on physicists to explain the phenomena that is part of every day working life and sadly for us part of our ordinary daily life. And of course other harassments are carried out as well.

Part of our defence is to prove as a group that it is happening to a lot of people and that is being done for the joy of others and also I believe for money of some of them.

Looking forward to more of your communications

13/2/09 GENERAL

If you want to sort this out for yourself, head for the country where everything becomes obvious, with less vehicles and less people, you can see who is doing what.

If you move house, the devices are usually placed from Friday pm to late Sunday night by a group that travel round the areas on motor bikes. The weekend is when almost everyone goes out at one point. They will be waiting or planning to come.

Mostly devices are placed on top of the roof, it is about 3" x 7" x 1" thick and it has a long electrical lead, and there is a cone device somewhere in it all.

It may be found with lead wrapped around sewerage outlet on the roof, it can be attached to a point directly in front of an auster dish on the curving metal hook, or in or around a chimney – if chimney inside the house is metal, this will exaggerate the result when the device is turned on – a good time for you to light a fire. The device can also be placed in a gutter etc. I think the roof is used so any signal can be easily picked up by the helicopters or planes in case an agent cannot be close enough or cannot be in attendance for whatever reason. Thus the device can be turned on or off remotely etc.

The second device is found underneath the car. A hole is first put into the muffler system so you will attend for repairs and this device can then be placed when the car is in elevation - underneath. This can emit infrasound (vibrations throughout the car) or emf, and sometimes even the microwaves will be available to the user by remote. Microwaves are used to heat the body to make the organs clearly visible, or for whatever other interference they care to make to you. Infrasound is also now also used to "see". Devices on the car can be controlled by using

remote control from a helicopter high in the air or by someone on the ground nearby. Infrasound travels throughout the body of the car and can keep you awake all night if sleeping in the car. It is a sound and likes to travel through hard objects. If the car is in the right position, the device can project the emission by remote control onto you if you are not too far away from the car – eg in a tent, or even in a house. Place thick books eg heavy magazines, or road directory under your car seat cover, also something similar to protect your spine if it is happening to you while travelling along or if you are sleeping in the car. Placing your feet directly onto the floor will cause it, usually infrasound, to travel through your body.

Smaller devices can be placed in visors, or in the crevices (hollow areas) in the metal ceiling of the car, or even in your seat. These shoot infrasound, emf or microwaves. Infrasound can be shot from below the back seat into the head = painful to migraine status.

Sometimes combinations of the EMF and infrasound are used. You can search the web for good research papers written on the effects of emf and infra-sound - it has all been done and is very precise. EMF can effect you psychologically as well as physically and I have not read as much on infrasound technology as we are not supposed to know it exists yet, I just find snippets here and there. Laser sonics incorporate infra sound – this might be your best bet.

There is a tendency to leave leads loose in the engine to administer shocks when leaving the car. Go to a different mechanic to have this fixed.

Be careful of handling lead sheeting (eg the old sarking in roof of older homes)– it is absorbed through your skin and will destroy the central nervous system. Use cotton gloves (some supermarkets have these) and change them regularly – craft stores can advise you on this as they use smaller amounts to make lead light shades.

Security and Substances placed into your food.

Mostly it has been into yogurt, milks or prepared foods eg soup, stew. Other liquids are possibilities or body creams perhaps. Someone usually enters – if they have managed to get keys around 12mn. Place something that will make a noise if moved or – use your imagination. You may need to stay in a locked room to sleep or in a room with a watch dog – this is to prevent someone tampering with you – if you find bruise marks that cannot be explained etc . If you find injection marks or suspect you have been drugged – you have about 7 days to have a blood test to prove tampering. Keep this with other records of what has been happening to you. Remember that infrasound or EMF can be used to knock you out also. You may not be able to talk freely to a physician or anyone about all that is happening to you only about the suspected rape or whatever, This technology is not known, and you will not only be branded as a psychiatric case but you may be put into a hospital, or placed into some kind of care. You may not want this and the continual drugging.

Above all keep a positive mind about you and your life. Remember sunlight (vitamin d) twice a day, and greens (vitamin b group) etc to prevent physical depression.

Eat a balanced diet – you have to fight this on all levels because of possible effects. If you have to -read the stars – I do, but find someone who gives uplifting commentary continually and daily, Jonathan Cainer in England does so and may even be in a local paper. Live your life so it is comfortable for you, it may mean ducking and weaving in some things. Remember what you focus on expands, so make anything other than the abuse you are enduring, your focus – to have another life expand. The aim of the establishment doing these things to you, is to isolate you, so therefore find meaning and direction yourself for yourself. You are a worthwhile person and deserve a life.

MF, INFRA and ULTRA SOUND and MICROWAVES

EMF (Electro-Magnetic Frequencies)

Get a monitor – NSW Australia Jaycar \$189 “RF” monitor or one locally

In Queensland – microwave and emf monitor - \$600 odd

Use ear plugs to help protect the ear and brain if the safety situation allows if EMF is being used. I found the chemist reusable water ear plugs ok for me.

Some metals will increase the dose, the best protection is the denseness of most materials – what stops mobile phones may stop this emission all dependant on where it is being emitted from as well, is it close or above. I have resorted to cushion, anything to lessen it.

If being blasted in a motel from a truck outside – feels like a wind and there is no wind – get down behind the ensemble bed – this will not stop it- but it helps.

What you feel depends on the amount being used eg you may feel nothing or you may feel like real pins pricking your heels, and can feel like bubbles of air travelling up and down your spine. Then if being blasted in the car for some time you may feel ill and faint.

With the help of an EMF monitor if you can tell the direction it is coming from, move as far away as possible, considering the denseness of materials between you and the source. This includes if it is being projected from a roof device.

A friend who for some 11 years was nightly doused with EMF, always when she awoke in the morning, went immediately with pyjamas still on into the back yard and with bare feet, stood with feet about 12 to 18 inches apart, rubbed the soles of her feet into damp earth or damp grass and stood from 20 minutes up to one hour, moving if there was no longer damp beneath her feet. This appeared to be a good practice as she said 'I am still here'.

To help rid it from your body, you could also try using the light foil on a car sun shield. While the shield is still folded, place the folds to the bottom of your fingers. Only do this after the emission has stopped, you will be able to feel it leaving your body. Also, salt – 1 to 2 tablespoon, in warm water in a bowl – if your head has been targeted, put your hands in this for up to half an hour, if general, put your feet in it for half an hour.

None of these will remove it all but they will make a difference.

While you are travelling in your car, EMF can also be triggered in your car from passing vehicles, sometimes with a remote and sometimes with a mobile phone. Depending on how it is set up, it can be accumulative ie each 5 minute trigger if triggered 5 times, will take 25 minutes to complete on you. Most of this is done within inches from you ie roof cavity, car seat etc. Some if triggered go on continually – as it was set up. Use your monitor to see who is setting you off, some are set to delay start so the culprit will not be evident – rides into the country or when less traffic on the road will make the delay evident to you.

EMF can be broadcast (wide) and can also be projected in a beam pinpoint or wider.

There are commercial clothes and devices that may help, I have found some that have been used to make the experience worse for me by one or two directing the beams mostly of infrasound. – the copper coil in the pendant to protect you from EMF from mobile phones was one that was used by a few perpetrators to make it worse – could have also been infrasound that was used. There is a company in Holland that makes attenuated tents to protect workers in particular working broadband rages. As long as you have a monitor – as it could be made worse. There is another clothing company but my guess is they are made for lighter emf experiences such as from mobile phones.

REMEMBER THE CREVICES IN YOUR CAR THAT ARE OTHER AREAS THAT EMF OR SONIC LASERS CAN ALSO BE PLACED.

See also www

INFRASOUND OR ULTRA SOUND

Infra-sound is the very low inaudible sound waves. Most are involved in sonar and so require a heavy medium to travel. However there is a band width that can travel in air. This appears in our body as a vibration. It can be a targeted area – I think emitted by a device known as a sonic laser. It can be done to a wider area and also to a general wide projection – there is subtle differences between this and emf in wide projection and perhaps could be done together. The defining difference with infrasound is ringing in the ears. Wear ear plugs to protect if the safety situation allows, not all day as your ears may not like this. Plugs are available from chemist, Bunnings and from industrial suppliers who have attenuated ear plugs. Ear plugs for water generally may not be sufficient for your problem with infrasound. You need to change ear plugs with clean hands and regularly or ear infection could occur.

You can be hit in the head with an infrasound projectile emitted from a device in your car –initiated by remote device in a closely following car. This can cause great pain up to a migraine. It could be sent from somewhere under back seat – use finely corrugated stiff sun car shield – two are best with a few inches in between, on the back floor and resting against the back seat. Some are in the hollows of the car roof.

The devices under your car can be adjusted (not fired) from as far away as about 90 feet. I have heard it turning as

they were trying to alter it.

See also www

Ultra-sound devices are what is normally put in the ceiling to rid it of vermin, bats etc. It is usually recommended that you leave the house when this is being done. It is the high inaudible sound waves, and the recommendation is the same as even attenuated ear plugs may not be enough.

See www

MICROWAVES

Microwaves are used in the forces for many things including detecting how many forces are advancing and with what weapons – it is called patterning and can be felt. It feels like a very light pressing over your body – this can give them your position and detect if it is actually you. The other use is to wake you up, and can be used so that you sense it as a piece of cold metal on your thighs.

Styrofoam (broccoli boxes from major supermarkets – will often give some of these to you) will stop heat sensing. If someone is driving past (or helicopter) sensing you with heat sensing, you can also use the metal coated sun shields used as sun shields in your car.

If these have not worked, it most probably will be that infrasound has been used for sensing you.

Microwaves are also used to heat your body up generally. This is to make the organs more definable. There may also be other abusive reasons for this. Microwave lasers – about half an inch in diameter or smaller burn - take a few seconds before becoming unbearable right up to burning you.

See www

http://en.wikipedia.org/wiki/Directed-energy_weapon#Low-powered_lasers

The United States, in cooperation with the Canadian Government, built and successfully tested a microwave gun. It was shown working on a willing soldier on American and Canadian television.[citation needed] 'New claims

In 1998 to provide independent assessment on human effects, data, and models for the use of 'non-lethal weapons' on the general population,[10] the TECOM Technology Symposium in 1997 concluded on non-lethal weapons, "Determining the target effects on personnel is the greatest challenge to the testing community," primarily because "the potential of injury and death severely limits human tests." However, "directed energy weapons that target the central nervous system and cause neurophysiological disorders may violate the Certain Conventional Weapons Convention of 1980. And weapons that go beyond non-lethal intentions and cause "superfluous injury or unnecessary suffering" could violate the Protocol I to the Geneva Conventions of 1977." [11]

Holly from katanning west australia, i have been working on my testimony of mind control and torture for you but its not been easy i could say and show so much more if i could but it all onto a thumb drive and sent it to you, every thing from the digital multimeter readings showing my body running neg/neg and pos/pos when the human body should be running positive/negative i have a signed letter from 2 people that did this with me and saw my reading some time when taking my reading's i would run the meter of the clock (more power than a AA battery) my medical records and there are also the different Government Dep that have had me on no end and lied I have the paperwork to prove there lies. my letter to Kevin Rudd, my letter to the Australian Defence Medical Ethic Board, i never heard back from either but as i send all mail registered and requiring conformation i know they got their letter and thumb drives, I really do think you having copies of every thing i have would be a big help showing who ever what is going than just a letter telling you were these pricks have taking my head and body and the pain and torture that they have inflicted on me and my kids.

“读脑仪”与“作梦仪”是外星人在使用的。精神控制与虐待是外星人在搞的鬼。人根本不会做梦，作的梦是外星人用“作梦仪”播放入人脑的。看我的博客：www.danaosaomiao.blog.sohu.com，我恍然大悟。-----程章贵

地球人并未掌握读脑技术与无线远程虐待技术，那些技术是外星人在使用。

人本来是不会做梦的，作梦都是外星人用“作梦仪”播放的。而地球人有关作梦的记录是至少有一两千年，因此外星人来到地球至少有一两千年。

外星人确实存在，毋庸置疑，有很多例子，如通古斯大爆炸，非洲加蓬共和国1972年发现铀矿石的铀矿被用过，铀矿形成于20亿年前，科学家发现一个史前遗址，古核反应堆！最有名的是麦田怪圈，倒下的麦秆经检查有辐射，况且惟妙惟肖的图案是人类不可做出的，就算人们有利可图，但迄今已被发现上万个。还有著名的秘鲁的纳斯卡地画，复活节岛，闪米特人的地下城市，金字塔，巨石阵，玛雅文化，墨西哥的太阳金字塔，我在这不是危言耸听，也不是炫耀什么，我想说的是我们不是宇宙中仅有的智慧生物，珍惜我们的生活吧。

外星人早已来到地球，并且每天都用读脑仪、作梦仪监控地球人的所思所想、一言一行。地球人每天作的梦都是外星人播放的。

是外星人搞的大脑扫描仪，读脑仪与作梦仪，脑电波受害者都是外星人害的。你们都被外星人耍了。

“梦”的真相：“梦”是外星人读脑系统播放的

我们为什么会做梦，所谓日有所思，夜有所梦，虽然梦的产生机制还不清楚，但传统观点认为梦是由人体自身的物理、生理、心理因素刺激大脑而引起大脑在睡眠时活动而形成的。其实：梦不是由人体自身形成的，而是由人体外界的外星人读脑仪、

作梦仪（读脑系统）播放梦境入地球人的脑部而形成的。即全部“梦”

都是由外星人播放的。外星人来到地球，与地球人接触有著名的“第三类接触”，即通过“心灵感应”来进行交流，通过外星人掌握的读脑技术制造的读脑

系统与地球人进行直接的大脑对大脑，意念对意念的交流，而不必通过眼睛与耳朵。外星人制造的读脑系统有读脑仪与作梦仪，读脑仪与

作梦仪功能上能够无线远程阅读人的思维并发送思维入人脑；传送声音、多媒体入人脑。梦境实际上就是读脑系统播放入人脑的多媒体影像，只不过在你睡觉时多媒体信号有时强有时弱、你有时候有察觉有

时候没察觉而已。

地球人每个人都会做梦，难道外星人每晚给每个地球人播放梦境。答案是肯定的。每个地球人的大脑都是独一无二的，外星人强大

功能的读脑系统能锁定每个地球人的大脑向大脑中传送信息。真相是

每个地球人都生活在强大的外星人读脑系统的电脑矩阵中，每天无时

不刻在与外星人作“心灵感应”式交流；每个地球人的一言一行、所

思所想、所见所闻都被外星人读脑系统一一记录在案。地球人对于外

星人来说，毫无秘密可言。李商隐的《锦瑟》一诗中有这么一句：“庄生晓梦迷蝴蝶，望帝春

心托杜鹃。”正提到了庄周梦蝶的典故。庄周梦蝶的故事大家一定都 听过吧。《庄子·齐物论》载：

昔者庄周梦为蝴蝶，栩栩然蝴蝶也，

自喻适志与，不知周也。俄然觉，则遽遽然周也。不知周之梦为蝴蝶

与？蝴蝶之梦为周与？周与蝴蝶则必有分矣，此之为物化。庄周梦蝶

的典故说明历史上很早就有关于“梦”的记载。“梦”是由外星人播放的，那么外星人至少几千年前就来到地球了。

现在生活在外星人读脑系统电脑矩阵中的地球人中的几千人，受到外星人的远程电子脑控或电子精神控制，国外称其为mind control and electronic harassment。电子脑控或电子精神控制技术，是一种

发射信号到受害者大脑，并接收受害者大脑信号的技术。它能知道受

害者的想法、记忆，并灌输思维、梦境和各种痛苦的感官信号给受害

者。同时也能干扰受害者所有所使用的任何电器。这些生活在“外星

人电子集中营”中的地球人处境艰难，投诉无果，有的甚至受不了外

星人的电子折磨而自杀。近几年互联网上有不少有关他们的报道，在

搜索引擎上搜索关键词“脑电波、大脑扫描、读脑仪”等就能找到他

们的相关资料。“梦”是由外星人读脑系统播放的，在这个真相背后是地球人生

活在外星人强大的读脑系统的电脑矩阵中的令人震撼的事实。外星人

Dear friends,

Ladies and gentlemen:

We are the Chinese legal citizens.

We are the innocent victims of the high-tech weapon of secret remote control human body and brain.

Long-term since, the criminals abusing secret monitoring privileges of Chinese secret departments, have madly destroyed our spirit and body with this kind of “high-tech” weapon for the purpose of persecuting the victims to mental disorders, Physical disability and death. Their means are extreme cruel, obscene, shameless, loss of humanity.

Under the criminals’ persecution secretly attacked day and night by means of the high-tech weapon, we have been in the long-term psychological torture and physical pain, and facing the threat of death every minute of every day. And, because the right to work of some victims was deprived, they completely lost economic sources, could not maintain normal basic life, and have been living a very miserable life.

We urgently need the humanitarian aid from people all over China and all over the world.

Here is an indictment for accountability written to the Central Commission for Discipline Inspection of the CPC, the Committee of Political and Legislative Affairs of the CCCPC, the Supreme People’s Court of the Peoples Republic of China, and the Supreme People’s Procuratorate of the People’s Republic of China, and signed by 68 of Chinese victims. According to the constitution and law of China, we strongly request the above-mentioned sectors to implement accountability of Mr. Geng Huichang, one of the leaders of the national security sector, for legal responsibility of malfeasance. At the same time, we start legal proceedings against the secret criminals of the state security departments, who abused the monitoring privilege, waywardly violated the constitution and the law, and illegally infringed the citizens' human rights; and we insist on bringing them to justice. Moreover, we request to give the victims economic compensation for the long-term cruel spirit and physical injuries.

The crimes of secret remote control human body and brain by means of the high-tech weapon, which have overrun in many countries for many years. The criminals abusing secret monitoring privileges and arbitrarily trampling

human dignity and fundamental human rights, are public enemies of all mankind. The U.N secretary-general, Mr. Ban Ki-moon, and the United Nations agencies have the responsibility to take immediate measures and emergency action, openly oppose and forbid that the high-tech weapon of secret remote control human body and brain are used for unbridled infringement of human beings, to perform the sacred duty maintaining the fundamental human rights of people all over the world as per “the Charter of the United Nations” and Article 3, 5, 6, 12, 19 of “the universal declaration and convention of human rights of the world”.

Now, the victims of China are struggling by way of exposure and litigation in accordance with the law. Hereon, for help, we strongly appeal to people of the legal profession of China and foreign countries: We seek the lawyers who defy power and dare to uphold justice, and long for them to stand out, to provide legal services for our struggle in accountability and litigation, to help us indict these secret criminals, and bring the criminals to justice.

For help, we strongly appeal to the far-sighted and friendly people of the news media and others of China and foreign countries: We seek the far-sighted and friendly people who defy power and dare to uphold justice; and long for them to show great attention to our struggle in exposure and litigation, to uphold justice, to help us free from the doom of victimization.

“The universal declaration and convention of human rights of the world” signed by countries in the world doesn't admit of blasphemy, the sacred constitution of China doesn't admit of trample, the fundamental human rights to life and live of human beings doesn't admit of infringement.

The victims of us look forward to that people of the legal profession, the news media and others of China and foreign countries can positively respond and offer their best help to our on-going struggling in exposure and litigation.

I support the Worldwide Campaign Against The Abuse Of Directed Energy Weapons That Enable The Manipulation Of Human Beings.

I am a Victim of Organized Stalking and Directed Energy Weapons Torture. From United Kingdom. Attacked in 1992.

After more than a decade suffering, I just realized what was going on, my career and my family have been wrecked, I couldn't find a job to feed myself and can't socialize with people any more, harassment and e-weapons testing on me are endless, my health has gone downwards. My family and my friends can't escape from harassment, and the evil man is looking for new victims. This is an evil business! I gathered all my courage to expose such horrendous crime against human being; he tried to murder me slowly with many sorts of invisible radiations. What British government did, which helped "liberate" Iraq and "saved" world from massive destruction weapons?!

My perp used to be a coworker, he used to be a moral model family man and a bully-guy in the work place, he was once a MC victim. Embarrassment with his privacy in the air nearly drove him to suicidal, and shamefulness on his face was witnessed by me and other workers at that time when his daughter was due to be born, and his tough-guy image was melted for a few days, it took a lot of pressure away from other coworkers in the work place. Then he hired someone to retaliate on all witnesses. Though this perp has been married with one daughter and one son, he is envious of other young men with beautiful girlfriends, he is a jealousy guy, can't bear seeing people around him happy. He will do anything to sabotage other's achievements if he feels himself dwarfed!

Why he joins some perps (He must not be in same group with those perps brought shame on him)

1. To retaliate and show off his power,
2. To remove any potential competitors from the work place
3. To blackmail others with illegally obtained privacy by spreading rumors and to harass victims psychologically by mocking TI's privacy

He has already spitted out many hints from his mouth that he tracks, e-harasses his preys using satelliteS, and he can control his victims. He said that he has known someone in special service forces in 1991-1992. He found many excuses to e-harass and e-harm his victims, to cover up his crime since then.

He realized that the MC can slave many people whoever he wants, (without TIs awareness), so, he extended his power both in Britain and in China. Illegally spying on many innocent people and harming armless people with his

"non-lethal" weapons became his profit business and black income sources. He is a black handed man behind a pervert organization, which targets children and beautiful women for pervy sex, armed with invisible, hypnosis and lock fiddling technologies. This tough guy intimidates victims with remote controlled non-lethal weapons and organized stalking, isolates the individuals and manipulate them into ##### industry, terrorizes his victims to hand out their valuables, or silences his victims by e-harassment and by using "non"-lethal weapons. This little dirty old man have been getting things which he couldn't get in his normal life otherwise. He is a serious crime offender!

Tell you a good news, that some scientists and a department of Chinese government have responded positively to the group complains from Chinese direct-energy weapon radiation victims. Could you send petitions to Chinese National Security Ministry to support Chinese victims appeal? This IS a cross border crime, I was in ENGLANG when I was became a TI, now I am in China, I still have not escaped the harrassment and the torture. And the perp has been find more and more victims from people around ME. I have been threatened with the hostages of the safty of my children and other ralitives. The perp has already harrassed and tortured them unnoticetably. The perp is threatening with more invisible harm and insults. I realized that the perp has maken them their Tis even before I protested the invisible crime. Other Tis is facing same situation. Please support us!

Now I have been attacked by electronic chip. I am very suffer in this situation because of there are ELF signal stimulate my brain and body all day and night and everywhere. I think the tracking man want to make me lose conscious and put to death.

Please help me to detect and take chip off. Kindly tell me where I can check the position of chip in my body such as Hospital in Europe or in Asia or Doctor or someone who I can consult.

I think I know who track me but I don't know how check them back , If you know how to check back , please tell me as well. I think the tracking-man use mobile phone or satellite to track me .

I think that I have been implanted by plastic or something like that which common X-ray can not found. How to detect these chips, MRI, EEG or special method or other method that I can use equipment in Thailand for adaptation? I wait for your reply.

I have get your email from Website. I would like to consult you about microchip detection in body. I live in Bangkok, Thailand. Now I have very suffer by electromagnetic mind control. I think that I have been implanted. There are not any hospital in Thailand that can detect or prove microchip. Can you give me information about as follow :

1. How can detect position of microchip in body? What device does use for detection and where can I buy it?
2. What hospital or institute can detect microchip and take it off (especially in Asia?)
3. How can protect my body now?
4. Are there other way (except chip implant) that use to make mind control to victim?

I hope to receive your reply.

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I have been experiencing mind neural monitoring by AUSTRALIA'S DEFENCE SIGNALS DIRECTORATE (DSD) for 3 years.

I would like to stop them doing it. I am about to kill myself. However I would like to take an action before I die. Could you give me an advise how to fight with them? Should I go to court? I have no idea what to do. Thank you for reading this.

5/12/12

Thanks for e-mailing me back. Your email saved me.

I am Japanese. I was studying at University of Queensland. Then I started experiencing remote neural monitoring. I came back to Japan however it is still going...

I did speeding more than 50k across QLD and VIC ,also I had a trouble with my share mates.

It started from there. so I suspected the The Defence Signals Directorate(DSD) involved in this.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Hi, i am sorry for some messy story telling about my situation...i am having difficulty to do all the email work, i have limited time and little money to rent in a rental...i am ok, somehow, i am able to investigate on my own how they change the name or characters in my mind...i will need some time to use your petition sample letter, i think i can use all the three...you know it is so big so much to tell but here is how they change the names...

IT IS A FACT NOW THAT I AM HEARING NEUROPHONE VOICES, SOME ARE PROGRAMED, SOME

ARE MY REAL, ACTUAL THOUGHT (ACTUAL THOUGHTS AS TRIGGER FOR CORRESPONDING NAMES AND SENTENCES), AND SOME ARE LIVE VOICES FROM PARANAQUE, ABOUT 100 KMS AWAY FROM WHERE I AM NOW...

WHAT MATTER IS I HAVE MY REAL THOUGHT, THOUGH SOMETIMES THEY DONT LET ME HEAR IT IN NEUROPHONES WHEN THEY WANT TO PROGRAM SOMETHING...THEY ARE MAKING A STORY OR EVEN A GAME FROM MY THOUGHTS AND ALL THE HARASSMENTS...THEY HAVE THE CONTROL WHAT TO RELEASE IN PUBLIC AND WHATS NOT...

THE HANDLERS FROM PARANAQUE WOULD ENCODE NAMES IN THE HIGH TECH PROGRAM THEY HAVE, THEN I WILL HEAR THE RECORDED NAMES VIA NEUROPHONE, AND THEY WILL PROGRAM IT IN THE REAL NAME I AM THINKING...THEY WOULD LET ME REPEAT THE NAME THAT I AM THINKING (IN MY ORIGINAL VERBAL VOICE/THOUGHT) AND WILL SUDDENLY LET ME HEAR THE ENCODED AND RECORDED NAME THEY HAVE...AND THEY WILL USE THAT FAKE/ENCODED NAME AS THE NAME IF I THINK OF SOMETHING...IF I AM THINKING OF MIKE IN MY ORIGINAL THOUGHT, THEY WOULD ENCODE AND RECORD PAOLO THEN THEY EXCHANGE PAOLO'S NAME TO MIKE AND WHEN I THINK OF MIKE THE NAME PAOLO WILL BE HEARD IN THE ALTERED OR PIRATED BRAIN!...I WILL MAKE A BETTER EXPLANATION...I AM DOING MY OWN RESEARCH...

THANK YOU VERY MUCH I WISH I CAN CHAT WITH YOU BUT I HAVE VERY LIMITED TIME AND MONEY...AND I HAVE MY EVIDENCE BUT CANT UPLOAD PROPERLY AT YOUTUBE, I HAVE ALREADY UPLOADED IT BUT IT FAILED TO PLAY...

IT IS HARD WHEN I AM THINKING OF PAOLO THEN SOME OTHER NAME WOULD APPEAR IN PUBLIC AND IN NEUROPHONE I AM HEARING OTHER NAME!!!THEY INVADED MY BRAIN AND GOT MY SECRETS AND ABUSE THE TECHNOLOGY AND MY THOUGHTS, WHEN I WANT TO THINK OF SOMEONE THEY CHANGED IT, AND THAT IS SO VIOLATION OF MY RIGHTS!!!!...

THEY CAN RECORD DIRECTLY FROM MY MENTAL VOICE!...WHAT IS CRAZY IS THAT OUR PRESIDENT GOT A CONTROVERSY WITH THE HELLO GARCI CDS AND LEANDRO ARAGONCILLO (FILIPINO) A FORMER AID IN THE OFFICE OF THE VICE PRESIDENT OF USA GOT INTO THE ISSUE OF DISTABILIZATION OF PRES GLORIA ARROYO AND HE WAS SENTENCED AS TRANSMITTING CLASSIFIED DOCS FROM USA TO PHILIPPINES...I READ IN A NEWS PAPER THAT US SEC CONDOLEEZA RICE MENTIONED THAT (ARAGONCILLO WAS CHARGED BEC HE DID SOMETHING THAT IS BEYOND HIS DUTY AS AN AID OF THE OFFICE OF THE VP IN USA AND ADMITTED SPY) JEOPARDIZED THE NATIONAL SECURITY OF USA...I MEAN WHAT IS THE ISSUE OR CONNECTION BETWEEN THE NATIONAL SECURITY OF AMERICA AND THE STABILIZATION PLOT THEY HAVE TOWARD THE ADMIN OF PRES G.ARROYO??IF ARAGONCILLO TRANSMITTED A CLASSIFIED DOCUMENTS TO SOME FILIPINOS...WHAT ARE THE CLASSIFIED???PGMA(PRES GLORIA MACAPAGAL-ARROYO) GOT INTO WIRE TAPPING ISSUE...I JUST THOUGHT THAT MAYBE SHE WAS RECORDED VIA HER BRAIN OR BRAIN TAP...I JUST WANT TO SHARE

its hard to be alone as a mind intrusion victim with people talking everything what i was thinking...its hard i am jobless for 11 months straight...i had previous works but will last only for months...i can get another job in between of long intervals because of programming?it has something to do with my situation...

heres what i did...i was desperate with my ex-bf when i found out about that i am in this mind intrusion and brain tap...naturally i am a day dreamer, loves to think...but realistic enough to know that i am not crazy...but heres what i've found out after three years of awareness...

i realized mind intrusion feb 7, 2005...i thought i started when i met michael tan 2001 but as i think back its like ive been mind intruded since 1998

EVERYTHING WE DO OR THE TARGETED INDIVIDUALS OR MIND INTRUSION VICTIMS ARE BEING COPIED, RECORDED, EDITED, RETRIEVED, JAMMED, FAKED AND THEN REVEALED!!!!...THEY ARE CODED...ALL THE DEJA VUS, STREET THEATERS, SOME VOICES IN THE NEUROPHONES ARE CODES...TO REVEAL OR TO HIDE THE GATHERED THOUGHTS OR MOTOR ACTIVITIES...DREAMS

ARE FAKES...THE RESULTS OF THE CODES ARE OR CAN BE MADE INTO DREAMS...

EXAMPLES...STORIES AND PEOPLE ARE EDITED AND FAKED,SOME TRUTH ARE TWISTED AND PEOPLES NAMES ARE SWITCHED...NEUROPHONES AND PEOPLES GET THE IDEAS FROM THERE AND THERE IS A CODE OR CLUE TO HIDE OR PUT ID TO A SITUATION LIKE IF YOU ARE EATING, APPLE WILL APPEAR OR A SITUATION...USUALLY THEY ARE DISGUSTING OR WILL ANNOY YOU OR WILL DESTROY YOUR PSYCHE OR EMOTION...BUT DONT BE AFFECTED!!!THEY WILL TRICK YOU VIA NEUROPHONES OR VIA ACTIONS OR STREET THEATER AND THE SAVED OF FAKED OR TRUE THOUGHTS, MEMORIES ARE REVEALED...MOSTLY ARE THE SINS OR WRONG DOINGS YOU SEE FROM OTHER PEOPLE, PEOPLE YOU KNOW OR THE GOVERNMENT ISSUES...IT DEPENDS ON THE HANDLERS OF THE THOUGHTS, IT DEPENDS ON WHAT THEY PUT, IF YOU LIE ABOUT THEM THEN OR THINK NOT NEGATIVE ABOUT THEM,THEN YOUR HIDDEN SECRETS ARE SECURED OR YOUR NORMAL 5 SENSES ARE JUST OKAY OR WILL REVEAL ALSO...IF YOU TELL THEIR SECRETS THEY WILL REVEAL YOUR NEGATIVES, ONE BY ONE...

5 SENSES ARE IN THE NEUROPHONES...THEY ARE TALKING ON THEIR OWN...ITS ARTIFICIAL INTELLIGENCE...

EMOTIONS ARE ALSO CONVERTED INTO TEXT OR INTO VOICE..EXPRESSIONS WE HEAR FROM OTHER PEOPLE ARE RECORDED IN NEUROPHONE...AND AUTOMATICALLY TALK LIKE A REAL PERSON...I THINK IF THE VOICE IN THE NEUROPHONE REPRESENTS YOU,AND IN THE GAME OF REVEALING OR ADMITTING SOME TRUTHS OR QUESTIONS IN THE NEUROPHONE,MOST ARE LIES AND MISLEADINGS AND ANNOYING...IF THE VOICE IS NICE,I THINK THE VOICE IS A WINNER OR THE SECRETS ARE SECURED AND IF THE VOICE IS LIKE DYING OR WHINNING OR NOT NICE,ITS IN A LOSING SIDE,BOTH THE VOICE OF THE TI OR THE HANDLERS...HANDLERS,MESSAGES THEY SEND ARE VIA INTERNET, GAMES, CELLPHONES!!!

EMOTIONS ARE CONVERTED INTO VOICE OR TEXT...WE HAVE THE RATIONAL, CONSCIOUS, CONSTRUCTIVE PART OF THE BRAIN...I DONT KNOW IF THEY CAN FAKE THE VOICE WHEN WE TALK...

I AM IN THE GAME IN THE INTERNET...NOW I AM IN THE CAFE AND THE KIDS PLAYING GAMES READ THE CODED OR JUMBLED OR FAKED IDEAS I HAVE...I THINK THE IMAGINATION, MEMORY OR THE REASONS ARE CODED OR PART OF IT AND WHEN I THINK IT WILL SEND DIFFERENT MESSAGE TO THE INTERNET OR CP...

ALL ARE CODED...ACTIONS, COLORS, NUMBERS ETC...

I TRIED DOING THE ACTION CODES AND ITS CRAZY!!!

HERES LIKE...YOU HAVE TO ENTER AND EXIT TO DIFFERENT DOOR...COLOR CODING REPRESENTS MOODS...WHEN YOU PASS BY TO A PERSON YOU CAN CHANGE IDENTITY IN THE NET, SWITCHING LIKE TO MS ELEONOR WHITE...OR THE ONE WHO HATES? JEWS?OR HAS PROBLEMS WITH JEWS?...I HAVE TO ADMIT TO REVEAL AND LEARN BECAUSE NO ONE WOULD CARE TO TELL AND ITS LIKE NOBODY KNOWS THE TECHNOLOGY OR THEY DONT KNOW OR DOESNT CARE...WHAT MATTERS TO THE PEOPLE ARE THE STORY AND NOT THE REAL SITUATION AND THE TECHNOLOGY AND THE POSSIBLE THREATS...KIDS ARE INVOLVED...EVERSINCE I DONT START THE TALKING...NOW I WOULD TALK IN PUBLIC EVENTHOUGH I LOOK STUPID MY REASON IS IF THEY ARE TALKING THEN I AM TALKING,ITS MY RIGHT,ITS MY BRAIN...I MADE STUPID THOUGHTS JUST TO GUARD MY BRAIN AND THOUGHTS...MY FAMILYS NAME ARE REVEALED IN THE GAMES OF KIDS IN THE INTERNET CAFE AND MY LAST NAME...I AM TALKING THE REAL STORY BEHING WHAT THEY ARE TALKING...JUST TALK, BECAUSE THATS THEIR STYLE JUST TALK WHILE PLAYING...WHEN I GOT A CRUSH, THE PERSON IN THE INTERNET WILL BLOOM LIKE HAVING FLOWERS,I HEARD THE NEUROPHONE...OR WILL DIE...OR THE VOICE IN THE NEUROPHONES WILL GET BAD...I HAVE TO TALK TO BE WHOLE INSIDE...I HAVE TO TALK SO THAT I AM HEARD RIGHT AND NOT CODE...I HAVE TO SPEAK UP MY SITUATION...

I THINK SUPERSTITIONS ARE APPLIED AS CODES LIKE ONE SHOE IS TWISTED...WHEN I WAS

LEARNING THE CODES LIKE CIGARETTES,WHEN I ASK FOR 2 PCS, FIRST CIGAR IS RECEIVE(ME) AND 2ND CIGAR IS SEND(THEM) THEN THEY HAVE TO GIVE ME 3PCS INSTEAD...IT WILL SWITCH ELECTRONIC IDENTITY OF DESTINY...SOME ARE APPLIED IN REAL LIFE...OR SOME WOULD MAKE IT HAPPEN OR REAL...HAVE TO REVEARSE IT...THEY HAVE TO SHAKE OF TO REMOVE WHAT I PASS TO THEM...MY LIKES AND ACTIONS ARE CODES TO LOG IN TO ME...THEY HAVE TO BE ME TO FIGHT ME...WE SWITCH,THEY BECOME ME,AND WHAT I THINK ABOUT THEM WILL BECOME WHAT THEY THINK ABOUT ME...

ITS LIKE ARTIFICIAL INTELLIGENCE...

MIND YOUR THOUGHTS...GET THE CODES AND CUES...THEY ARE SAYING CODES

IS IT POSSIBLE TO GET OR READ VIRUS TEXT AND EVENTUALLY PUT VIRUS IN THE PROGRAM BY JUST READING THE VIRUS TEXT...

ROBOTS CAN NOT HAVE EMOTIONS HUMAN BRAIN CAN BE A HALF ROBOT OR HALF ELECTRONICS...

TARGETED INDIVIDUALS LIVES ARE MANIFESTED IN DIFF MOVIES....MEN IN BLACK when will smith and tommy lee jones were talking at the park with the twin towers in their background...their dialogues were..NO HUMAN CONTACT...IS IT WORTH IT...

OTHER MOVIES ARE ### vin diesel were agents were ordinary people or street smarts...LIKE TIS,THEY ARE ORDINARY PEOPLE...### HAD SAME SHOWING DATES IN USA AND HERE...THATS THE TIME WHEN MY EX BF MIKE TAN,FIL-CHINESE BLOOD AND USA CITIZEN,HAD HIS 1MONTH VACATION HERE AND WE WATCHED IT HERE HE TOLD ME THAT THE MOVIE HAD SAME OPENING DATE...AND THE COUNTRY IN ### WERE ROMANIA...PHIL IS A ROMAN CATHOLIC COUNTRY...POSSIBLY CODE...A LADY AGENT WERE LEFT AT ROMANIA...POSSIBLY CODE...ENEMY OF THE STATE...OBVIOUS ABOUT THE TECH...ETC...IM NOT A MOVIE BUFF SO I CANT TELL MUCH BUT MOST OF I SAW WERE WITH TIS MANIFESTATIONS...

ANALYZE YOUR THOUGHTS...THE CODES...GET CONNECTED WITH LIVE SHOWS SUCH AS IN TVS AND RADIOS..

1/7/08

its computer and electronic operated technology so the keyboard and computer functions can be used..like delete,erase,etc...i am doing it...its like i am making program...i have to speak up and hear it because when i think,the subconscious or nonverbal thoughts are being covered up or changed or edited...the logical, conscious and aware part of the brain are the one they cant or they are finding it hard to control...but MY LOGIC AND REASON SAYS THAT ITS MY BRAIN SO ITS MY RULE AND MY COMMAND OTHERWISE USE THEIR BRAIN!!! WOULD TELL IT VERBALLY!?

JUST SAY DELETE CONVERSIONS OR DELETE HARASSMENT OR HAVE YOURSELVES PROTECTED BY THE PRIVACY LAW ETC...JUST SAY IT...SAY THE RULES AND OBSERVE!!! TALK AND TALK...THANX

28/11/08

BRAIN INTRUSION

EVERYTHINGS A COMMAND..D COPPER AND ALUMINUM FOIL ARE COMMAND CODES..U R D CENTER OF IT..WHAT U SEE AND HEAR ARE CODE AND WOULD MAKE A STORY IN D INTERNET..LIKE IN MATRIX OR VANILLA SKY,D SYCNHRONIZATION OF THEIR MOVEMENTS,WORDS ARE COMMANDS..THE FUCKING INSULTING THING IS THEY ARE GATHERING IT DIRECTLY FRM UR BRAIN!THATS WHY U DONT HAVE PRIVACY..THEY MADE IT ENJOYABLE TO OTHERS SO THEY WONT SYMPATHIZE W UR PREDICAMENTS AND TO MAKE IT LEGAL!

BRAIN TAP

PEOPLE ARE ENJOYING AT UR EXPENSE..IN MY SITUATION HERE,THEY WUD INSERT IT TO THEIR MOVIES,TV SERIES,MAKING MONEY,ESP AT PINOY BIG BROTHERS SHOW..THEY WUD ALSO IMPLANTS SOME NEGATIVES EXPERIENCES,THE IMPLANTS ARE REVEALED,INTSEAD,WHEN I

LEARNED WHAT THEY USED IN THEIR SHOWS,SOME PIECES OF MY PAST XPRIENCES AND IDEAS AND HIDING MY REAL IDEAS OR REALIZATIONS,THAT THEY USED MY REAL MEMORY TO THE STORY OF THEIR SHOWS!SHOWBIZ AND GOV ARE IN CONSPIRACY

I WENT TO D XTREME..UPON LEARNING THAT THEY R EARNING FRM ME AND AT D SAME TIME INSULTING MY PSYCH..I MADE A FIGHT,SLOWLY I WAS LEARNING AND NOW IM FIGHTING MAKING A PURE MENTAL IMAGINATION!U CAN FIGHT USING UR IMAGINATION..THEY R GATHERING IDEAS FRM MY HEAD AND THATS A ESTABLISHED FACT SO I IMAGINED D ARTISTS AND SHOWBIZ AND NEWS ANCHOR AS HAVING SEX..U CAN COMMAND D TECH CONNECTED 2UR BRAIN BY SPEAKING!U CAN USE DESTROY,DELETE,REPLACE,REJECT..

I THINK ITS INTENTIONAL 2 KEEP U QUIET BCOZ U TOO CAN COMMAND D TECH..5SENSES..U CAN COMMAND 2CLOSE D HEARING O VOCAL..UR EARS CAN HAVE OTHER NAME BCOZ ITS CODED..U R D CENTER OF D SYSTEM BCOZ D TECH IS BEAMING UR HEAD!THATS A TOTAL HARASSMENT PLUS MAKING U LIKE A HUMAN COMPUTERIZED SERVER!PLUS STEALING MEMORIES AND USING IT AS STORIES OR PART OF THEIR SHOWS,EARNING FRM UR MISFORTUNES..

SO I COMMANDED MY ORIGINAL AND PRESENT IMAGINATION TO SHOW FACES OF D ARTIST AND HAVE THEM SEX AS D ONLY IDEAS THEY CAN SEE AND ACCESS.THEY WANT TO ENJOY,THEN LET THEM ENJOY ON THEIR BEHALF.OBSESSION IS D KEY,THEY CAN SEE IT WITH MY REPETITION OF THOUGHTS AND ELATED EMOTION.WHATS REPEATED ARE USED FOR COMMANDS SO I DECIDED AGAIN THAT SHOWBIZ CANT B HIDE IN D COMMAND MODE,EVEN THOUGH I THINK OF THEM REPEATEDLY!I WONT LET D COMPUTER RULE MY BRAIN!

I am a victim of gang stalkings for more than 10 years, I only discovered such stalkings since moving to my new house 3 years ago. Before then, I was pretty much clueless and thought that I just ran into one bad luck after another, always encountered snobbery people who would give you a nasty stare a lots of the time for no reasons, I also noticed how people refused to seat next to me on a very crowded bus, at a doctor's clinic or parent meetings at my children's school. Neighbours would deliberately tried to avoid me, like when they were doing gardening on their front yard and as soon as they saw me, they would quickly go back inside their house with their gardening tools without finishing what they were doing. Still I was clueless of their tactics until 3 years ago. things turned from bad to worse. I have since experienced car brighting, traffic mobbing, nasty stared from strangers, friends and people you had a friendly conversation with not too long ago, people mobile phones would go off and started talking on their phones whenever I approached them, this usually happened at a shopping centres. It was like more than half of the people there talking on their mobiles and staring at you all at the same time. It was a surreal experiences, I felt like Jim Carrey from the movie The Trueman Show.

Nobody believed me when I replayed this back to them, since then I have tried to ignore it and keep quiet about it,or else people will label you as paranoid. I felt very lonely in dealing all these by myself and wish to contact people who are in the same situations as mine in Australia, Victoria. I just want to talk to or discuss all these harassments with people and also get some group supports in dealing this. I am just a normal housewives, not some political activist. If you know any other Target Individuals in the western suburb of Victoria, could you please let them know that I would also wish to contact them. Look forward to your reply, take care and have a nice day.

How are you? I hope all is well for you.

Recently there have been a sad event happened to one member of my family, it's my mother who have been in a serious car accident on the 16th of July. A semi truck rammed into the rear of her car as she was stopping at the red traffic light, it then hit her again on her driver's side of the car and the car ended up hitting the light pole.

My mum is in the extensive care right now at the Austin Hospital, the doctor said she will be paralysed from the neck downward, hopefully from rehab in the next few weeks or months, she can regain some movement on her elbows, wrists and hands. I hope and pray that she will recover again, so very sad to see her like this.

I have a feeling this is not just an accident, but an attempted to cause serious injuries to the victim. My husband's car was also hit from behind on the 12th of July, while he was stopping at the traffic light. Fortunately, he sustain no injuries from the accident, but the car was written off and now, we only have one car to use. I am basically a chauffeur to the whole family and we now struggling to find the money to purchase another vehicle.

AAMI only willing to paid us \$1600 for the car, because to repair the damages, it will costs more than what the car's worth on the market value. I had try to argue with AAMI's accessor that our car worth a lot more than \$1600, because from what I saw on the carsales website, it was advertised for between \$1800 for the 1989 Holden Nova Hatchback to \$3999 for the 1995 Holden Nova Sedan. Our car was a 1994 Holden Nova Sedan and was still in a very good condition. I just don't understand how they can say how much the car's worth according to them and not what it's selling on the market right now.

Just this evening, as I was driving along the road, I noticed a lot of cars had their high beam shining at my car, so I decided to record all this on my mobile phone. From playback, their antic was very obvious to see as if they were trying to get my attention, they had not only have their high beam on, but flashing at the same time, as compared to other cars with normal headlight that was travelling alongside them. The contrast was so great that I believe I could have a very good case of reporting this to the police for brighting and being harassed by a certain group of people.

From your experience with dealing with the police, do you think it would be a good idea to report this to the police or should I just ignore it completely and carry on as normal? I know I need to seriously think it thoroughly before making the decision to report it. Hope to hear from you soon and take care.

Kind Regards

I just read your email regarding Target Individuals being a victims of electronic torture, abuse and experiment. It comes to my interest when I read this passage from your email.

"We have contacted most Governments, Security/Intelligence Agencies, Religious Organisations, International Organizations, Human Rights Organizations, Universities, Scientific and other Institutions, and the International Media all over the world - over and over and over again – and have had our appeals for assistance, protection and/or publicity almost completely ignored and/or suppressed."

I am not sure if you are aware that the organisations (which I generally refer to them as Hitler's Club or Hitler's people, because they are so devoid of morals, consciences, humanities and also so indifferences to another human beings) that harrassed, experimented, tortured and put us on surveillance 24 hours, 7 days a week are the same organisations that control most Governments, Security/Intelligence Agencies, Religious Organisations, International Organizations, Human Rights Organizations, Universities, Scientific and other Institutions, and the National and International Media all over the world.

Another things I want to mention is that I believe we are being watch all the time at our own home, using pin hole video cameras installed all over our houses, such places as behind the walls, little cracks or crevices at the joints on the ceilings and walls, behind the power point's switched, on the grout between the tiles and bricks.

I find it's very strange why THIS was never mention whenever I read on gangstalking and target individual's harassments on the net, or even emails that I received from other victims of TI, such as you and a few others.

People from their organisation, either be it's your neighbours, friends or anyone can virtually view you through streaming on the internet 24 hours a day, whether you are using the toilet, showered in the bathroom, changing your clothes in your own bedroom and even right now, I am basically being watch as I type this email to you in my study room. Every single words that I type on the keyboard are being watched, analysed and discussed. Sometimes if I wanted to google seach a certain subjects, words or people, I just only needed to type in the first letter on the Search Bar and automatically a list of questions that I wanted to search for would appeared, I don't need to type in the 2nd or 3rd letters.

I am also certain that at least more than 2 peoples are up on my attic at all times, catching them is easy, but I need at least another 2 or more people to help me out. I have tried to ask my husband, relatives and even private investigators to help me out, but none would willing to. My husband said he was scared of height, so he couldn't help me, but others simply refused to.

Recently, there was a news on Hamptons landlord 'used spy-cam to record family with three young children as they used hot tub, bathrooms and bedrooms'

Read more: <http://www.dailymail.co.uk/news/article-2218992/Landlord-installed-hidden-cameras-recorded-family-including-children-young-7-staying-luxury-home.html#ixzz2AMZJwsVZ>

Follow us: [@MailOnline on Twitter](#) | [DailyMail on Facebook](#)

IF you try google seach the name Donald Torr, you could read more on the story.

Therefore, if I could catch the people up on my attic, I am absolutely certain that we could bring this out to light and expose them, we need evidents if you want to expose them, no point in trying to contact or petition to some governments or humanitarian organisations for assistances if you don't have concrete evidents.

All the evidents are between the walls in my, yours and other victims' house, but catching them on the act while they are up on your roof would provide better proof.

I hope you could contact other victims and let them know about this and take care yourself .

Thank you. I also wrote to the Red Cross to ask for their help to negotiate with my stalkers. In my situation, I know I can not fight the legitimacy of gang stalking by myself. But I can fight the aspects of gang stalking relevant to me that actually hurt the organization which sponsors gang stalking. They are using me as a political TI for a political show when the abuse of me is counterproductive to them. They are above the law when they are serving the interests of their organization. They are equal to everyone else when they are not serving the special interests. In my case, they are abusing me to hurt the special interests. I'm hope they will have to release me. I became a TI of organized Cyber stalking in 2004 and I'm attacked electronically now. Here is the link to my memoir which tells my story, <http://blog.sina.com.cn/u/2769498521>. I'm a US citizen and I live in China and the US now. Before I came to China in 2011, I lived in the US for 20 years. So I know more about the Americans than I know about the Chinese. I hate to become a political TI because Chinese politics is not my forte. Did you become a TI since 2007 or 2009? I'm so sorry to read what you have gone through from your blog. How did this start for you? Have you found any shielding gears that can counter the electronic attacks? Thank you and wish you well.
Feifei

PS. The China_Mindcontrol website is inactive. I have a website in Chinese if you guys wish to post articles or share information. <http://worldvictimsofstalkingsupportunion.webs.com/>

Honestly, if we spend our resources in seeking justice, do you think we can REALLY have justice? Will the real bad guy get caught? What more do we need to pay for this illusive justice? If we focus our resources in building protection shielding and gaining grassroots support, the organization behind the torture loses its grassroots support to continue the gang stalking which it *does not need to deploy* anyway. We are free and they are secure. No conflict means peace to all. Has anyone asked the question what the TIs really want? What the average people really want to see? What is the best solution to all?

Clearly an organization equipped with technologies, armies and political power is behind this. The leader of the organization can not be an average person like you or me. Demanding justice against an unknown leader in power is not as useful as engaging the power of the people to save ourselves. Besides, the Chinese TIs are not the only victims. Foreign TIs also suffer from the abuse. So the solution is not a simple justice from the outside world, but rather compassion from everywhere. **Maybe we can not beat the organization behind the stalking, but we can warn people of the danger of organized stalking to promote a helpful environment for us. By bringing the black opt to the open, we stop the community's tolerance of human experimentation. Then everyone is free bar none.** Click the link below for my suggested solution.

My dear friend

I'm a Chinese , live in XiNing City QingHai Province of West China . My name is LiangweiWang(王良伟), 33years old.

I would like to draw your attention to some extreme and horrendous criminality being conducted by Government-related Agencies of Chinese Communist Party .The Chinese Communist Party is in possession of all political power in China ,There are not the Democracy, the freedom and the Human Rights to The Chinese people . For years the Chinese people had been under the heel of a dictatorial CCP's regime.

There is massive ignorance and secrecy regarding this, The victims such as I are being subjected (被奴役) to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly.

I am being extremely tortured and abused, set-up, and my life turned into a horrendous nightmare. I am being completely tortured, abused, butchered, mauled, lobotomized, vivisected, deformed and retarded by electromagnetic radiation, torture and butchery and extensively publicly exhibited in the process - both physically, and my tortured and deformed brain-mind is being 'broadcasted'.

My brain, life, feelings, speech, actions, thinking, senses and dreams have been under this extreme torture, trauma, deception and abuse/butchery since 2006 - and yet these maniacs have 'broadcasted' and exhibited me. This includes a very heavy character assassination and misrepresentation, and their some years of hard-core torture, deceptions and misrepresentations.

I'm being viciously, brutally, pathologizedly and demonized attacked with their nazi technology. We are as a crowd as were thrown into a Nazi or Pol Pot (波尔波特的红色高棉) concentration camp - specifically Dr Mengele-type (约瑟夫门格勒) butchers.

My whole creativity, 'raw material', senses, sensibility, feelings, thought, speech, intelligence, imagination, emotions, dreams and organic health, range, depth and potential have been completely degraded, butchered, mauled, wasted and/or destroyed. They do not permit me that I'm to do any simple workes.

Their 'broadcast' and 'exhibit' are not only to torture me but also to tamper with other who live near me, And Their 'broadcast' and 'exhibit' are uninterrupted, round-the-clock, hysteriaed.

Please contact me to my new email bygone120@yahoo.com, I hope you can use the QQ-soft, in that way U can know about us more than email. I send it to you in this attachment. but note, it is a lurcher of CCP. OK thank you very much!

英勇的斗争和无耻的威胁

三

2012年11月09日，早上起来，房间里出奇的冷，每次都能听见送暖气的嘎嘎声，但暖气却始终是冰凉冰凉的。做早饭时，明媚的阳光已射进了阳台和客厅，暖洋洋的，真想脱掉一直裹着的大衣。几天来的连续作战也颇觉有些战果，虽然明明知道这叫‘不喊白不喊’，但我还是决定第二天再吆喝他们，先给他们歇上一天。7年以来，他们叫骚的声音一直是连绵不绝，反正我早已习惯了。自从上次的事情，心中虽有些顾虑，但也只有继续反抗一途，‘我不喊，谁喊？我不干，谁干？’

我喊他们用的音频文件，每个都不长，就几句话，只是用音箱对着窗户反复播放，每次最多也就20分钟，但要长此以往，恐怕他们也难以消受。前几天我录的这个音频文件，感觉还算不错，用在他们身上很合适，战果也很理想，全文——“攘攘熙熙，黄来黄往，四局有个乱伦俱乐部，用传销招客，用淫秽敛财，用无线电波到处乱搓生殖器，到处乱搓奶。一天一只鸡，三天一只羊，到处都是丈母娘，夜夜当新郎。”

不知道什么时候，五楼住进了一个神秘的警察，我好多次下楼的时候，他正好从门里出来，从来都没打过招呼，总是看见他不屑一顾的神情和他那匆匆下楼的步伐。这段时间，网上接了几个写程序的小活，本打算维持下生计，不料对方都中途毁了约，可以肯定又是腾讯提供的客户的资料。

到了中午十二点左右，他们突然加大了叫声，骚扰的异常厉害，这个时间是我每次对外面播放录音的时间，也正是学生娃放学回家的时间。开始我还没觉察到什么，只是统计他们迫害的强度，但是随着他们叫声的不断加剧，我决定给他们还以颜色。

这次播放从14点整开始，大概播放了十几分钟。关窗户时，看到孩子们上学正从楼下路过，三五成群的只顾走路，既没有抬头到处张望，也没有任何交头接耳的议论，仿佛什么都没听见一样。我悠然地回到电脑前坐下，随手点开一个电视剧，像通常一样并没有去看，只是最小化了网页，为的是干扰他们那一秒钟不停的声音。

突然，敲门声响起了，很大很响，我起身走到了门口。猫眼里望过去，只见一个带鸭舌帽的陌生人，敲了敲门，然后对藏在楼梯那边的人说：“没人。”。我顿时警觉了起来，想起上次半夜敲门的那个人，也总是朝楼梯那边看看去去的，也不知道藏起来的都是些什么人。心中疑惑不止，我也和上次一样，没给他们开门。

敲门声终于停了，我回过神来，赶紧趴窗台上往楼下看，正看见一辆警车和刚刚上去的几个人，他们拽上车门，警车开走了。虽然我早就咨询过律师，对此也早准备了法律依据，只要在法律的框架内，警察也拿我无可奈何，但是心中还是渐渐升起一种莫名的猥琐感，好久好久才平静了下来。

整整一下午，他们的叫声持续疯狂，这些年真不知道孩子们是怎样上课的，难怪网上说‘师大二附中没人报’，难怪学校决定搬走。到了18点，学生娃放学了，这是我给他们制定的下午吆喝的时间。我仍然打开音箱，还是那个文件，依照惯例喊了他们十几分钟，这次我中间还洗了个头。

虽然脑控的折磨是难以忍受的，虽然脑控的迫害是无法弥补的，虽然脑控的残忍是令人恐怖的，但是能有反击手段总是让人充满希望，这是我的希望，也是受害者的

希望，更是这一代人的希望。我们对未来总是充满希望，我们的民族也总会有美好的未来，但往往是有那么多热血的青年牺牲了自己的未来，他们甚至都看不到光明到来的那一刻。付出的代价越是高昂，我们的未来也就越是美好。每一个人都有自己的使命，每一代人都有他们的目标，但让美好的未来早日到来，是我们所有人共同理想...

咚咚的敲门声又响起了，警察又来了，这次没有躲藏到楼梯上。我问：“谁？”他们说：“警察。”我又问：“哪的警察？”他们说：“派出所的警察。”我又问：“哪个派出所的警察？”他们说：“八一路派出所的警察。”最后我问：“有什么事吗？”他们说：“找你谈谈，开门说好吗？”我说：“等一下”。我急忙拿过毛巾擦了擦还湿着的头发，然后给他们开了门。一共来了三个人，一个警察和两个协警。

进门后，那个警察问我叫什么名字，然后要了我的身份证，还把我的名字登记在了一个本子上。他右手戴了一只白线手套，圆珠笔握在他手里来回打滑，字也写的歪

歪扭扭，另一只手上什么都没戴，只是扶着本子。趁他写字的时候，我无意中瞥了一眼他的警号，一个很好记的数字“011313”。他们没有提以前好多次送我进精神病医院的事，好像从来都不知道我似的。警察一边问：“你是干什么的？”一边来到我电脑前。一个协警对我说：“你音箱开那么大，我们这次警告你，噢...”警察急忙用刚握住鼠标的白手套向背后划很大一个半圆，嘴里发出一声“嗤”的长音，协警立刻闭了嘴，没有往下再说。警察关了我的QQ软件后，指着窗台板上的一个大碟包问我：“这是什么？拿过来，拿过来。”我拿过碟包递给他：“都是教学软件”。他用白手套接过来，左手刚要碰碟包的拉链，又立刻抽了

回去，把碟包扔在床上对我说：“打开！”我拾起碟包，拉开拉链，又递给他，他把碟包放在床上，用白手套一页一页地翻了起来。他看着那些花花绿绿的英文名

字，一下子摸不着头脑了，问我：“这都是什么碟？这都是什么？”我急忙说：“都是编程用的，都是教学光盘”，他重复了句：“编程用的？”但还是很仔细地翻查着。等翻到最后一页，他又快速地倒着翻了回来，目光盯在一张‘照相馆photoshop’的光盘上，问我：“这是什么？”，我说：“是教学光盘。”看见他有些犹豫，我说“这里面都是教学光盘。”他抬起头并把碟包推到了一边，又指着另一个小碟包说：“把这个拿过来！”我又拿过小碟包，他还是让我自己打开，并问我：“这里都是什么？”，我告诉他：“这里都是程序光盘，都是软件。”他同样的翻了一遍，然后撂到一边。

两个协警站在我房间的门口，只是呆呆看着，没再敢说一句话，我感觉有些不妙。

翻完碟包后，警察又坐到了我的电脑前，这次在我抽屉里乱翻了起来。我的银行卡、证件包，都撂到了床上，他举着一个档案袋看了起来，用手来回捏了半天，问

我：“里面是什么？”我说：“是职称档案，里面全是我评的职称。”他放下档案袋后，随即又翻出了我的移动硬盘，我看他正在左思右想，就赶紧说：“这是我的

移动硬盘。”“移动硬盘？”“移动硬盘？”他一连说了两遍。我怕他给我装兜里拿走，就赶紧说：“里面的东西和碟包里的一样，现在都不用光盘了，都用移动硬盘。”他犹豫了半晌，才依依不舍地把我的移动硬盘撂到了床上。

我知道他们是冲着我来播放音箱来的，一直想找机会转入正题，看了看门口的协警，他们的目光只是落在警察身上。此刻，警察正在翻查我的电脑，我也只好

等着他检查完毕。

忽然，他把一个路径很深的文件夹打开了，看到里面的黄片，他很自信的头也不回，用一种极其怪异的声调朗读了黄片的名字，接着打开播放器看了起来。我

说：“是以前公司电脑上的，同事拷给我的，公司的电脑里全是这些。”他关掉播放器，用白手套按了按光驱的开关，光驱早就坏了，我也早就拔掉了光驱的电源线

和数据线。他见没有退出盘来，站起身，急切的命令道：“打开！打开！把这个打开。”我告诉他“光驱坏了。”他问：“这里面装的什么？拿出来！”我说：“光驱早就坏了，里面没有盘。”他有些不相信，就把眼睛凑到光驱上自言自语着：“坏了？”然后又按了按，见还是没有退出盘来，这才抬起了头。

警察环顾了房间，看来要言归正传了，他指着窗台上的吉他音箱对我说：“把音箱拿过来。”我刚要说话，他立即插话道：“你先拿过来。”我一边拿给他看，一

边对他讲：“公民是享有言论自由的，这个是我的权利...”没等我讲完，他指着我床上的手机打断我：“你怎么两个手机？”我说：“一个是小灵通，小灵通年底就不能用了，所以买了个手机。”我继续跟他讲：“法律上对‘噪音’有界定...”“那个是什么？”他指着枕头上的‘头盔’打断我。我说：“他们天天做梦，我睡不好觉，这个是屏蔽脑电波用的。”他这时接过我的吉他音箱，对跟前的一个协警说：“拿上。”协警立刻领会，接过音箱，拎在手上，麻利地整理好音箱的电源线。我说：“你们处罚也要有规定，至少也要事先警告吧？”“你都三年了！”他大声污蔑我。我问他：“哪有三年？也就三个月...”还没等我说话，他转过头对协警说：“看看还有没有。”然后他们就到处找了起来。

我正不知道该怎么对他说，他拿起一大瓶钙片使劲摇晃了起来，瓶子是透明的，里面一粒粒的白色药片撞着瓶壁哗哗作响。我对他说：“是药。”他放下瓶子走出了房间。我家另外两个房间的灯都坏了，他们还是打着手电里里外外查了个遍，厨房、厕所也都没又漏掉。到了最后一个房间的时候，他用手电筒照着床上的两本书，思索了起来。一本是《蒋介石传》，另一本书的名字是用草体字印的《诗性高原》，看得出来，他不认识草字。他拿起一本疑惑地念着：“蒋介石传？”我说：“是大陆出版社出版的。”他一只手拿着《蒋介石传》，用另一只手里的手电筒照着《诗性高原》问：“这本是什么书？叫什么名字？”我说：“是青海民院的一个人大陆出版的。”他又用手电筒照着手里的那本《蒋介石传》满腹疑惑的念着：“蒋介石传？”我说：“都是大陆出版社正规出版的。”他用手电筒照了出版社的名字，把书撂到了床上，立刻转身出了房间，直奔户门走了出去。

就这样，他们搜查了所有房间，确认没有别的吉他音箱和违法的东西后，没有再对我说什么话，提着音箱出了户门，径直下了楼梯。我赶紧追了出去，对他

说：“你总要给我开个证明吧？”他只管下楼，头也不回的说：“你到派出所来，到派出所给你开。”

回到房间，看抽屉里没有了我的身份证，我迅速穿好了衣服，直追到了楼下。推开单元门，看见5楼住着的那个神秘警察正在和他说话，神秘警察背对着单元门，没

有看见我出来，我也庆幸他们还没有走。天色已经黑了下来，门前的街灯也刚刚亮起，大铁门前面，聚集了一大群还没回家的学生娃正在看热闹。

只听见神秘警察在说：“...有时候水龙头不关，我去敲门他也不给开，他还放音乐，放那么大声...”“我什么时候放音乐了？”听到我的声音，神秘警察吃了一惊，站在那里不再吭声了。我对拿走我音箱的警察说：“我的身份证你是不是拿走了？我找不到了。”他说：“我没拿你身份证，我见你放到抽屉里了，你上去再找找。”我想下都下来了，就说：“既然下来了，我就直接跟你们去派出所吧，你们顺便给我开个证明。”他说：“那走吧。”于是他和神秘警察打了个招呼，和我一前一后朝着警区走过去，神秘警察也转身上楼去了。短短的路上，我百思不得其解“上次半夜三更敲门的人明明戴了个眼镜，我也从来都没有见过，眼前这个神秘警察又不戴眼镜，我也是认识的。此人在这个时候出现也太巧了，而且还尽给我造谣生事。”

等我上了警车，一个协警早已坐在了后排，警察坐在司机的位置开始打电话，见我上了车，他就下车到外面打电话去了。这时候协警笑着说：“你这个音箱是老早以前买的吧？”我说：“2000年的时候买的。”协警继续说：“这个音箱沉得很。呵呵。”我说：“是弹电吉他用的，是个吉他音箱。”协警指着音箱说：“这个音箱结实。”

警察又上了车，还是继续打电话，这时另一个协警手里提着刚买的夜宵也上了车。警察转过头对我说：“你上去拿身份证去，登记需要身份证原件，你上去拿。”我

下了车问他：“我上去取身份证，你们不会直接开着车走了吧？”他说：“你什么时候来都可以，我们还要接警，我们忙得很。”我说：“那你给我个你的电话吧。”他说：“8805148。”我说：“这是派出所的电话吧？”他说：“你打这个电话就行，你什么时候来都可以。你什么时候来，我们什么时候给你开证明。”跟他们打过招呼，警车开走了。我来到楼上，开门的时候，这才看见防盗门的铁把手被齐齐地砸断了...

进屋后，重新找了找，最后在床上找到了我的身份证，我立即装进兜里，去了派出所。一路上，店铺的橱窗灯火通明，餐馆里的人头也来回攒动，下班回家的人们正匆匆忙忙地赶着夜路，地摊上的电池喇叭不停地喊着甩卖的声音，可是我总能见到一两个穿着警服的人在默默地“保护”着我。

到了派出所，找到了那个警察，他让我在走廊里等一会，等办公室里的其他案件处理完再给我开证明，说完他就进了休息室。我只好在走廊里来回转悠。派出所门口的墙上贴了所里警察的照片，照片下面还标注了警察们的姓名和警号，我对照了一下，原来这个警察姓崔。

终于里面的人出来了，一个年轻警察也拎着暖瓶出来接水，看我在走廊站着就问我：“你有什么事？”我说：“没收了我的音箱，我来要个证明。”我指着休息室的门对这个年轻的警察说：“他在里面。”年轻警察顺着我手的方向，推门走了进去。过了不久，崔警察和那个年轻警察一起出来了。崔警察指着我说：“你要证明可以，交50块钱罚款。我们可以对你做500块钱以下的当场处罚。”我没吭声，脸瞅着别处，没有理他。他见我还是没有走的意思，继续愤怒地指着我说：“你传播色情，我罚你500块钱。”然后对年轻警察说：“打电话，把那两个女证人叫来，他传播色情，处罚他！”我也不客气地说：“那你把证人叫来，我要看看我传播什么色情了？”这时年轻警察赶紧插话，对我说：“你先到里面等一下。”我也没再多说，走进了他们的办公室，这才明白崔警察为什么翻我的碟包和电脑。心中不禁觉得好笑，按照这个说法，那本《蒋介石传》岂不是可以判我个‘颠覆政权罪’了？那瓶钙片是不是也可以给我判个‘嗑药’的罪？

正思索着，年轻警察进来了，我递了根烟，他说“不抽。”我说：“你们既然没收了我的音箱，那就应该给我开个收据什么的。”年轻警察说：“我们从来不开收据。”我说：“我见过人家开的‘收据’，都是要开的。”年轻警察问我：“你哪里见过？”我说：“在网上看见过，人家把‘收据’扫描出来贴到网上的。”他问：“那个东西叫什么名字？”我说：“名字我忘了，当时没注意，但是我确实看见过。”年轻警察又说：“我们从来不开收据。”我说：“我真的见过。”年轻警察强硬地说：“不行就给你罚款，我们可以做500元以下的当场罚款，不开任何收据。”还给我解释说：“就是最高可以罚你500元。”争论中，又进来了一个

更年轻的小警察。

我继续给那个年轻警察讲：“你们处罚总要按规定吧，总不能随意处罚吧？”这时小警察冲我开口了：“就是没有收据，就是不给收据，就是不讲理。”接着又对年轻警察说：“不行就把他关起来，直接拘留！拘留24小时后，让他拎着音箱走人。”又转过脸来，看着我说：“他播放一次，就这么来一次。”对此我早有准备，就对他们说：“对于噪音的管制，法律上是有规定的，按街区和道路的等级，对噪音有一定的分贝限制。白天和夜间的要求也不一样，我只要按照要求不超过规定音量就可以。”小警察打开了法律手册。我接着说：“我的音量都是控制好的。每次播放也不超过20分钟，严格说也不能算作噪音。每个公民都有自己的言论自由，我顶多也就是骂个大街。”右边的年轻警察说：“多少分贝？那让我们怎么测？我们没有测量仪器。”我说：“我都控制好的，我音箱也就40瓦...”还没说完，左边的小警察叫我说：“你过来看，这里有条款。”我走到他旁边，看到法律手册上写着一条关于‘噪音的处罚规定’，上面说的和律师说的一样。小警察又对我说：“看到没？我们可以对你进行拘留15天的处罚。哪有你说的多少分贝的规定？”我指着上面的‘噪音’两个字对他说：“这里的‘噪音’是有法律界定的，根据城市道路的不同，界定的分贝值也不同。小区里的‘噪音’也有这种界定...”他见我说的有理有据，于是捧上书本大声喊着：“关起来，关起来，先关起来再说。”站起身，对我说：“你过来！”我既没有吭声，也不怕他们关，跟着他走了出去。

我跟着小警察走进了一个会议室，里面有一个铁栅栏，看上去就像一个铁笼子，笼子里面放着两张椅子，一张椅子的两个扶手上还装着固定双手用的铁环。他打开铁笼子的门对我说：“进去！”我走了进去，坐在另一张椅子上，小警察锁上铁门走了。

坐在铁笼里面有些无聊，我不过是来要收据的，却遭到如此礼遇。刚才那个姓崔的警察不是说我传播色情么？我还要等着那两个女证人到场，我正好看是两个什么样的‘证人’？看看她们是怎么指证我的？警察还都跑到人家家里来扫黄了，不但匪夷所思，简直是闻所未闻。

坐在铁笼子里面，我取出手机，随手给一个难友拨了电话，告诉她我被派出所拘留的事。通话还没结束，那个年轻警察来了，打开牢门让我出来，并且接连命令我：“挂掉电话！”难友见状不敢和我多说，互道珍重后，结束了通话。

来到办公室，小警察不知道哪里去了，年轻警察又重复地问我刚才的问题：“要收据，你是在哪里看到的？”我说：“我网上看到的。”他说：“那个东西叫什么名字？”我说：“名字我不知道，但我确实见过有个东西。”他说：“没有收据的，你看错了。”我说：“那我给110打个电话问一下吧。”他说：“你问。”于是我拨通110，说了情况后，110让我问派出所要，还说：“他们会给你开的。”年轻警察见状说：“他说有吗？”我说：“他说有。”他又说：“那个东西叫什么名字？”我说：“那我再问下110好了。”一面伸手去摸手机。年轻警察立刻说：“好了！不用问了。”然后又蒙混我说：“要收据，我们可是要罚款的，按500元处罚，可以不开任何收据...”他见小警察进来了，便对小警察说：“110也有，不知道那个傻B接的警...”小警察对年轻警察大声说：“让他走！让他走！提上音箱走人！”接着对我说：“音箱就在门口，提上走！提上走！”我站起身来，他又说道：“这次算是给你的警告！”我还没走到门口，年轻警察又把我叫住了。

我转过身，掏出香烟，正要给警察们发烟，又进来了一个中年警察。中年警察拎着刚买来的夜宵，犒劳这两个下属，还给了他俩一人一包‘芙蓉王’。我见此情景，只得把手里的烂烟缩了回来，放在嘴里点着，自己抽了起来。

中年警察看见我，就问我：“干什么的？”年轻警察小声说：“那个播放音箱的。”中年警察又问我：“你是哪个单位的？”我说：“我没有固定单位，以前是建筑行业打工的，他们喊得我没办法工作。”中年警察又问：“那你现在是干什么工作？”我对他说：“他们一秒钟不停地喊，我也实在是没办法工作，现在只能在网上从事兼职，写点程序，做个网站，这样挣点钱。”他一听我这样说，就连声问：“什么程序？程序员吗？写程序的吗？”我说：“嗯，就是写程序，写代码的。”听完，他面带微笑的说：“程序员都是人才。”我苦笑着说：“我这也是没办法的。他们喊得我也实在没办法工作，才找这么个事情做的。”说着说着，气氛缓和了下来，我给三个警察发了烟，他们也都没再拒绝，我自己也又点上了一根。

我给警察们点上烟，中年警察问我：“你做程序员一个月挣多少钱？”我说：“现在写程序便宜得很。”我看见他电脑上的斗地主，对他说：“像这样的斗地主，写一个也就1000块钱。”他听到后有些吃惊，问我：“那做网站怎么样？”我说：“做网站也很便宜。”小警察见状，立马接过话来：“那你给我做个QQ的外挂怎么样？”我说：“那个需要腾讯的源码，我以前有源码的，但是腾讯游戏都升级了。”他说：“那个我不管，你给我做个腾讯的外挂，我把音箱还给你，你要是不出来，我就不给你音箱。”我跟他讲了半天，小警察始终坚持，不听我解释，中年警察只是在一旁笑。我最后说：“我给你做外挂可以，我做好后也一定给你，但是做外挂是一回事，你们处罚我是另一回事，音箱这个事总要有法律依据才行。”小警察听后，这才不再坚持。

中年警察又问我：“你结婚了没？”我说：“没有结婚，以前有一个女朋友，但是他们硬着给我戴了绿帽，之后就再也没有找过。”他们又说起了AV网站，我赶紧说：“我硬盘里的黄片是以前公司里考过来的，是以前同事给我考的，公司电脑里全是这些东西。”他们没有说话，我接着对他们说：“那两个证人到现在也不敢来...”年轻警察立马改口说：“她们是协助报警，可以不来。”我又对警察们说：“他们叫的声音一秒钟不停，什么都能叫得出来。他们用无线电波到处乱摸，天天都搓生殖器，他们造的梦也一律都是黄色的。”他们还是没有吭声，我又说：“梦里的主角都是四局的人，我大学的同学一个都没有。他们这才是传播色情。”

过了一会，小警察又问我：“这个音箱是干什么用的？”我说：“是我的吉他音箱，弹电吉他用的。”他说：“你的吉他放在哪里了？”我说：“放在家里。”小警察说：“那你把吉他抱来给我弹一个，我就把音箱还给你。”见他又来这一套，我只得说：“这个还是两码事。你到我家里来好了，我给你弹，咱们弹一夜都可以。”中年警察的脸色越来越不好看了。

我对他们说：“街上那么多商铺，晚上音箱声音都那么大...”小警察打断我说：“人家放音箱没人报警，你放音箱就有人报警。”中年警察问我：“那你这个事情怎么处理？”我说：“就按法律规定处理好了。我是在法律允许的范围内，有人报警你们可以不管。”年轻的下属们望着中年警察，中年警察不做声。我接着说：“我也就是吆喝吆喝了他们，每次也都不超过20分钟，顶多也就算骂个大街，根本就不算什么事情。”警察们还是不出声，我就继续说：“报警的都是他们，别人才不会介意我喊了什么。现在，他们报警，人也不来...”

中年警察站起来向外走去，走到门口，又回过回头来叫走了那个年轻警察。小警察开始趴在办公桌上，不知道在写些什么东西，办公室里突然安静了。

过了会，小警察对我说：“你先回去吧，过几天再来。”我说：“那我就星期一来吧。”小警察说：“好吧。”打了招呼，我走出办公室，看见我的音箱果然放在了门口。

回去的路上，我真后悔给警察开了门。想来想去，星期一我要是去了的话，大概他们又是伙同我家里人，把我送进精神病院了吧！每次他们都是这样做的。

我的这个‘精神病’不过是两张皮，他们要用的时候，就扣上帽子；对他们不利的时候，他们提都不提。

到了家门口，看着被砸断的门把手，我似乎明白了什么，“这就叫抄家，一群打家劫舍的土匪！”

My name is James Williamson, I need your assistance, due to an operation I received unsolicited medical technology, I have now been neurologically impaired, have a verbal communication component (yes I am being spoken too over an implant/s), and am being tortured. As ridiculous as this sounds. The intentional neurological damage and the addition of a verbal communication component is intentionally destructive. It has mind control associated with it and partial control over biological and neurological functions.

I am being tortured with this technology, constantly harassed, neurologically impaired, attempted controlled and have been made very sick. It is ongoing.

The use of unsolicited nanotechnologies and implants for which testing is almost impossible is a real problem.

Can you please offer your recommendation as I have been and am being tortured and damaged intentionally.

I have communicated with some other people but would like to know specifically if you know of any sympathetic technology medical or legal in this country (Australia), I am Australian.

And as I have gone to the federal police, do you know how the state police handle these situations?, do you have a statement taken or will they have you psychologically evaluated or "treated" as havinf formal statement would be advantageous. I have been advised it was a state issue as I was very sick at one point.

Do you know of any technology people to talk to about testing for nanotechnology or implants in this country or outside (besides Icaact).

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a Victim of Electronic Harassment/ Mind Control/ Directed Energy Weapons/ Organized Stalking and Torture.

I live in China. My nationality is Chinese. I became a victim when I was a student on Feb 2001 in the UK. But only when it was April 2006, I realized that I was being attacked by to be attacked by Mind Control Weapons.

I went to the UK on Jan 2001. After finishing a one month language course, I shifted to a new campus. The campus is famous for its quietness. But during the first night at the new campus, I heard big noises. A few days later, I felt that the people downstairs knew everything that I had done. At that time I thought it was peeping.

Because I did not suffer too much in UK, I thought that on going back China it would be better. But I suffered more when I was back in China. Up until April 2006, I realized that I was a victim of Mind Control Weapons.

From then on I started o search for information on the Internet and to write blogs to expose such terrible violence. Many people believed my story, and I have also been working hard to contact media and I hope that the torturers can be sentenced according to law.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

please forgive me. it's not a convenient thing to write abroad in China.I would not often do this.so I reply so late.

please have a look at this page.It give some detail infomation about microchip implant.

<http://electronicharassment.weebly.com/microchip-implants-mindcontrol-and-cybernetics.html>

A few years ago in 1990s,a victim of China,who was dead now,he went to many Chinese department,to charge about mind-controll on him.Finally,he find a military hispital.A state-level laboratory checked for him.they found the microchip and micro electrode.but he finally didnot get the help to get it out.

so did you get more infomation about this microchip?I think it could be an important part of charge,if we could find the microchip!It could be the day we get to light.

Now I know exactly about the mind-games on us.It use the microchip to connect us with the satellite,and the super-

computer send the coded low-frequency electromagnetic waves to operate the microchip, and change us into a cyber-soldier.

wish you get out from the hell soon.

Please ask Targeted Individuals to go out and protest in cities that allow people to protest. Protest periodically as what I have been doing in Hong Kong since 2009. Once a week, or whatever frequency that people can afford. The most important is keeping it a non-stop event so that in case anything happen to us, people would know what might be the reason.

Nothing can be secret forever. When we are alive, we should do our best. Don't let people think we are dead as we are doing nothing in helping majority people by letting them know what CIA is doing with the two secret technologies: EM remote surgery and EM remote mind control. (US patent (1)US 3393279, "Nervous system excitation" (1968) (2)US 3951134, "Remotely monitoring and altering brain waves"(1974))

Tell people we are partially brain damaged by electromagnetic remote surgery, so that people can understand why sometimes we cannot respond with normal speed.

Please do give me a reply when you receive this email.

Dear Ms NAVANETHEM PILLAY,

I guess my emails to UN were blocked or the readers were mind controlled and did not notice the importance of the Killing and Torturing being carried out by the United States secret institute (CIA) using electromagnetic remote surgery and electromagnetic remote mind control technologies developed in the 70's and 80's.

Please give me a reply and reference Number if you can receive this registered mail.

Group Complaint: <REMOTE SURGERY and REMOTE MIND CONTROL experiments on human>

My name is Yan XU, a lecturer in Hong Kong Polytechnic University. I'm one of the victims of Electromagnetic

wave REMOTE SURGERY and REMOTE MIND CONTROL experiments of a secret institute. I represent myself and other victims in Hong Kong and mainland China to ask for help from the United Nation Human Right Council. We demand the exposure of our complaint and the keeping of our complaint for at least 30 years.

Me and other REMOTE SURGERY and REMOTE MIND CONTROL victims had no mental problems. We also did not have any family mental diseases. We suffered a lot of from those experiments and the following are symptoms which we believe are created artificially using certain advanced technologies:

Symptom 1: Burning on skin that moves but does not leave marks. It feels like a laser beam is moving on our skin. It can penetrate clothes. Some claimed the moving burning pain was focused on their nipples and other sexual organs on purpose indicating low education level of the experiment executors. Some claimed they felt pain on the surface of their brain. Some burning caused inflammations.

Symptom 2: Seeing or feeling object being moved without observable energy. Some saw cups on table being moved; Some found hairs being knitted into Chinese Character remotely; Some saw books being moved to the floor with no observable reason.

Symptom 3: Feeling someone else feeling during half asleep. Most of us experienced something apparently not dream when we were not in deep asleep. Some of us felt we were prostitute having real feelings of them; Some felt doing something our parents were doing; Some felt living in another country speaking language we did not understand. We felt playing computer games or watching TV drama during half asleep. The experiences are extremely disturbing as they were inputted almost every day for a fixed period of time e.g. an hour.

Symptom 4: Speaking or behaving like another person. Some people's hobby and personality were changed. Some spoke with accents not consistent with their experiences. Some talked differently or even illogically. REMOTE MIND CONTROL can control our subconsciousness. REMOTE SURGERY can damage human's brain, turning normal people into robots.

Symptom 5: Seeing behaviors of people around also being controlled. Some saw neighbors shopping behind him the whole day; Some saw many people smile at them for no reason (occasional but unusual). The phenomena make some victims feel they were followed. Changes of behaviors have created disputes between family members. Many resulted in devoice.

We don't know who is doing the experiments on us, but many evidence showed CIA had been doing MIND CONTROL related experiments in the MKULTRA project since 1953. However, the contents of MKULTRA project were never fully exposed in media massively and most American people do not know the project at all. Testimonies in the Hearing on CIA EM Radiation and Mind Control Experimentation on Human Target organized by president's Advisory committee on March 15, 1995 were not reported broadly through media. Most American People do not know that Hearing at all. CIA Media control with REMOTE MIND CONTROL might be the reason that victims in Hong Kong and mainland China could not get help from people around them and local government. This might also be the reason that CIA employees like Brice Taylor and Barbara Hartwell suffered a lot in CIA Mind Control experiments in 80's and 90's but could not get help from people around them as well. (I believe the experiments on us are by US CIA and I had been protesting in front of the US Consulate in Hong Kong for almost 3 years since 2009. No media in Hong Kong could report my protest which is bizarre in Hong Kong. This is also an evidence of CIA REMOTE MIND CONTROL.)

Me and other victims in Hong Kong, mainland China, United States and other countries are evidence. CIA employees are also evidence of the existence of REMOTE MIND CONTROL and RMOTE SURGERY technologies using focused electromagnetic waves that might be based on new findings in Physics.

We demand <<United Nation Human Right Council>> to record what we complain today. We demand the record to be kept for at least 30 years so that when the two secret technologies are exposed people could still remember us, whom by that time might have been killed a long time ago. By the time we want the stories and names of us together with heros' who died because of exposing the secret to be put into a memorial building. We want the next generation to remember what happened today and would never repeat the same mistake once again.

Human kind made a big mistake after the 2nd world war. We did not adopt any effective method to prevent the emergence of Nazi fascism once again. The one who killed so many innocent people-Hitler was rewarded by allowing most nowadays youngsters to know his name through history books and movies. The result is, many

youngsters without good education on what should be the purpose of living want to become Hitler because they want to leave a name in history.

Leaving a name in history by doing bad things was apparently much easier than doing good things. No wonder some Americans respected Nazi. They even grafted Nazi's traditional methods of killing and torturing human beings in America military after the 2nd World War. Without Hitler's name, what else can motivate American youngsters to give up their normal life to join CIA, which is a legal institute that only does illegal things?

Deleting the name of Hitler and those of other people who did bad things from history books and replacing them with Evil A or Evil B in the 2nd World War etc., is pivotal to prohibit people from doing bad things for the purpose of leaving names in history. Please set up a law as soon as possible so that evil's names can be deleted earlier. The evils can only be named with numbers.

Only good human-beings' names are stored in history books so that youngsters would be encouraged to be good people.

Please set up memorial buildings in every country after the exposure of the two technologies to memorize heroes who had been killed physically or mentally due to exposing the secrets of (1) EM REMOTE MIND CONTROL (2) EM REMOTE SURGERY technologies. Stories of heroes' such as Valeria Wolfe, former FBI senior officer Ted Gunderson, etc. should also be marked in the buildings and remembered and spread among youngsters.

Sensational satisfaction and power are the purpose of living of animals. We human beings should have purpose of living different from animals'. Helping the majority people would benefit ourselves and others. People should be encouraged to do the right thing.

Evidence of the research and experiments of CIA remote mind control projects by using electromagnetic signals is listed below :

(1) US patents on EM mind control published in 1968 and 1974. They are (1) US 3393279, "Nervous system excitation" (1968) (2) US 3951134, "Apparatus and method for remotely monitoring and altering brain waves" (1974) .

(2) CIA MKULTRA project on mind control since 1953. At least two media reports revealed part of the secret projects. (a) Dec., 1974, New York Times reported CIA's illegal domestic activities, including mind control experiments on U.S. citizens without victims' consent. However, Senate investigation did not result in any punishment on CIA[1] . (b) 1984, CBC news reported CIA's experiments in Canada in 50's and 60's. Some Canadian victims suffered permanent brain damage from the experiments. However, the incident did not bring about any new policy to prevent similar events due to mind control on government officials by CIA. It was the Canadian government not CIA or US government compensated the 127 victims \$100,000 each person[1].

(3) Testimony of CIA trainees Christian deNicola, Claudia Muller and their doctor Valerie Wolfe in the Hearing organized by US president Advisory Committee on March 15, 1995 in Washington DC. In the testimony, the CIA trainees and doctor Valerie Wolfe testified that in 50's-70's, there were many American children being used as mind control and EM radiation experimental target. Christian deNicola and Claudia Muller were among the very few who were alive in 1995. The investigation on CIA was stopped after President Clinton's Lewinsky Affair, indicating CIA might also have targeted US presidents without letting them know what is going on.

(4)
FBI Ted Gunderson

Statements and testimony of CIA employees Brice Taylor and Barbara Hartwell who was saved by former FBI senior officer of LA, Ted Gunderson in 1998. Brice Taylor and Barbara Harwell were both working in CIA as employee and experimental target in 80's -90's since they were teenagers. They were not told about what is really going on. Brice Taylor felt like she had sex with President Reagan when she was working in CIA. This proved at least in the 1980's, CIA already can record Mrs Reagan's neuron signal and replay it to someone else making someone feel like she was having sex with President Reagan. Brice Taylor said one of her main job in CIA was to create homosexual and sexual scandals for "talented people in the US". Barbara Hartwell said she felt like her language neuron system was interfered by CIA EM signals. She sometimes lost the capability of speaking. The interview supposed to be broadcast in Chicago TV in 1998. However, CIA blocked the broadcast. Today, Brice

Taylor and Barbara Hartwell might have been killed physically or mentally as CIA can do surgery on anyone with EM remote surgery.

(5) Both former FBI senior officer Ted Gunderson and doctor Valerie Wolfe who helped CIA employees and CIA trainees to expose the CIA secret mind control and EM radiation experiments on CIA employees had been killed by cancer in 2002 and 2011 respectively, which could be caused by CIA EM Remote Surgery by using focused EM signals, which was demonstrated to me and other Mind Control victims (see letters of other Mind Control victims to UN).

(6) The fact that most American people including Government officials don't know the existence of Remote Mind Control and Remote Surgery Technologies proved these people are not controlled by US government. CIA and CIA's boss: the weapon producing tycoon, are controlling the US government using EM Remote Mind Control and other advanced technologies. The terrorists and terrorist attacks in 911 and other events are most likely made by CIA by Remote Mind Control and Bin Laden and the others might be brain damaged morons. CIA created terrorists for the purpose of asking money from US government. Without enemy, CIA and weapon producers cannot ask money from US government.

(7) The deaths of 3 presidents of Soviet Union within 4 years (1982-1985) and the collapse and separation of Soviet Union are very likely be made by CIA EM remote surgery and EM remote mind control;

(8) The deaths of 3 Chinese top leaders in 1976 and the War between China and Vietnam immediately after China leader Deng Xiaoping's first visit to United States in 1979, 3 years after US soldiers' withdrew from Vietnam, might also be made by CIA remote mind control and remote surgery with EM signals.

(9) CIA scientific employee's testimony on CIA putting drugs in American poor people's food secretly in the 60's for testing the effectiveness of chemical mind control method. It provided evidence what CIA was used to do and what CIA is more likely doing today. (Video title: The CIA & LSD: Acid Dreams, 1997) . In

(10) Me and other CIA Remote Surgery and Remote Mind Control experiment victims are hard evidence. We do not have mental problems previously. We also do not have family history of mental diseases. However, today most of us are suffering from different neuron system damage syndromes. For instance, some of us lost the capability of logic thinking. Some people's memories become selective, forgetting important issues and remembering not important things. We are from different countries and we do not know each other. The only possible reason that we are suffering the same experience is we are guineapigs of the same institute: CIA, which is controlling the US government under the leadership of a weapon producing company tycoon, who is the richest in the US.

(11) New Zealand pastor Brain came to Hong Kong and gave us a talk on CIA Mind Control technology in a small church in causeway bay (I'm not religious. A Friend Isabella told me about the talk. I went there to hear the talk on Aug.3, 2010 on purpose.) He told us that he knew the CIA director because the director's wife invited him and his wife to stay at their home for a week. The CIA director told him face to face CIA had developed remote mind control technology a long time ago. Now CIA can create earthquake anywhere on the earth. The earthquakes in China Sichuan and Iran, Haiti were related to CIA.

(12) In 2011, within 3 months 12 workers in a company in Shen Zhen City, China, jumped out of windows at night. There was no people committed suicide in that company before that. There is no reasonable reason that people who don't know each other kill themselves together (such event never happened in China's history, even during the Japanese invasion), unless their brains are physically damaged (brain damaged animals like whales did commit suicide. Former FBI senior officer Ted Gunderson reported that the abnormal death of large amount of animals on earth was related to CIA's experiments with EM signals). The brain damages are completely possible by using EM remote surgery. The purpose of doing this might be to soothe CIA employees who are being tortured everyday as same as Brice Taylor and Christine deNicola. Making the brain damaged CIA kill people to fool them that that they can do something to get people's attention, while in reality they are completely controlled by their boss and the machines of their boss. These brain damaged CIA employees are asked to finish different tasks by their boss in the name of "improving the society". The real purpose is to use those "tasks" as excuses of extending the secret, so that their boss can hold the power for longer time. In fact, there is nothing those CIAs need to worry about. Due to the existence of remote mind control, death penalty is not necessary anymore. The extreme penalty would be brain surgery and 24 hours monitoring. Many CIA employees are experiencing the extreme penalty everyday. The targeted individuals who are being mind controlled are also experiencing the extreme

penalty, which should be given to the CIA boss instead of innocent people.

Chinese Victim Name list

In China there are many EM REMOTE SURGERY and REMOTE MIND CONTROL victims. Most of them are of low education. Many had been brain damaged. They have serious problems in reasoning and logic deduction. Some of them even believe their local government is doing experiments on them as the phenomena they observed looked like that. They thought EM MIND CONTROL machine is as simple as a radio.

I believe it is made by one single American organization. It is impossible that there are two organizations using the EM Remote Surgery and EM Remote Mind Control technologies to kill people and torture people. If there are two organizations, the weak one would have exposed the secret in media massively long time ago before being deleted by the opponent.

Without exposing the two secret technologies Remote Surgery and Remote Mind Control in media massively, it is impossible that any governments could do anything, including the US president. President Kennedy was killed by CIA and many people knew it. But people don't know President Johnson was also killed by CIA due to knowing the secrets of killing president Kennedy. CIA was never controlled by any government. CIA is using electromagnetic remote surgery and remote mind control technologies to control most governments including US government and governments of North Korea, China and Russia. Making money using created evils was a common practice of CIA for decades. The NY911 was made by those people. Bin-laden would not attack the US if he was not brain damaged robots when he was living happily with so many wives and being a ruler of a country.

Did you protest in front of a super market in Australia every week? Please ask every TI to do it. That might be the only thing we can do to wake up the CIA robots to allow people to expose the two secret technologies in media massively, so that no one can kill people and torture people with the two secret technologies with no cost any more.

Only the general public can help the being tortured and brain damaged CIA employees. Please help the CIA employees, because they are the people who can expose secrets and stop their boss who do not allow exposing secrets.

Yours sincerely,

Yan XU

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Dear Chief Vernon White, Ottawa Police Service -- whitev@ottawapolice.ca; 613-760-8121

Via: Fax and E-mail

Topic: Resume my appeal in front of Mr. Prime Minister's office building or the building of Parliament Hill of Canada because Toronto Police Service refused to implement the Prime Minister's instruction.

According to your instruction over the phone, on July 17, 2009, I send a letter, dated July 21, 2009, to Mr. Chief William Blair of Toronto Police Service by fax and e-mail, a copy of this letter to you too, regarding the settlement in this torture case lasting about 5 years through the use of non-lethal weapons, gang-stalking, and acts of serious violation of human right committed by one secret organization of Canada, 41 Police division, and The Scarborough Hospital.

In that letter, I hoped that Mr. William Blair could take agent action to implement the Prime Minister's instruction within 15 days since the date of my letter to him. In the middle of this period, I made my personal statement and delivered it to you all, dated July 28, 2009. However. The Toronto Police Service refused to respond to my letter, that is, your instruction.

Dear Mr. Prime Minister, actually, the international organizations, foreign governments, media, foreign legal team, and the international court wanted to intervene in this torture case. However, as my personal statement delivered to you all, I really don't want this case to be over complicated and to be internationalized. However, this torture never stops and even becomes more and more serious as I want to stand up for my own human right. Based on the above thought and the fact, I hope again you can issue a formal order to compel him to follow your instruction. If this order can't be issued due to any kind of reasons within 7 days since the date of this letter to you, I will resume my appeal again in front of your office building or the building of Parliament Hill, without accepting any compromise. You will not be informed of the specific date again, but the media, international organizations and foreign governments. This is not a threat. This is not a game.

If any questions, please feel free to contact me. In addition, I'd like to provide any kind of evidence, including audio, or video, or record in written, if you want. Thanks you for taking time to read it. I am looking forward to hearing from you.

Best regards, Robin Yan, 05/08/09

Why is " A public inquiry" so important to the victims of torture through the use of.....?

Dear all of the victims,

As a victim of torture through the use of non-lethal weapons, gang-stalking, acts of serious violation of human right, happened in Canada. I have an idea as follows:

Virtually, what ever those criminals are using on innocent people, such as, non-lethal weapons, microwave, direct energy weapons....., the purpose is only one, that is "torture". Torture is serious issue the world is concerned about. However, torture by the use of new and hi-tech, is most deceitful, most dangerous and most serious. According to Amnesty International and one torture case dealt with by the Canadian Government, Maher Arar's case, they both concluded: "only can public inquiry deal with torture case" because officials of the government get involved in. In addition, I attach the statement by the Attorney General of Canada which addressed the nature of the public inquiry at the end of body of this letter. It is very, very good and useful for us.

With the above thought, I am now wondering if it is possible for us to choose the same day to start to take to the street in our respective countries to appeal to the presidents, the Prime Ministers of our own countries' to hold a public inquiry into our cases.

The purpose is as follows:

- 1) 1) tell the whole world what we are suffering and what help we need
- 2) 2) through our so peaceful, rational and well –organized action, tell those criminals that we are not alone; we won't give up; you must stop it right now.
- 3) 3) draw the attention from the politicians, journalists, famous figures, scientists with kind hearts in the world so that they can get involved in .

The above is my idea. I don't know if it is possible. Help is needed from all of you . English is not my first language. If any questions, please contact. Thank you for taking time to think about it. I am looking forward to hearing from you.

how the authorities of the Canadian government play a game when dealing with my case

Once again, I really appreciate what you have done for the victims of the world.

Now I attach my story to tell you the ordeal I have gone through and to testify how the authorities of the Canadian government play a game when dealing with my case. Pity on them and shame on them. From my blog you can see it. www.yzlrobin.blogspot.com

8/8/09

I am surprised by what you have done not only for me, but all of the victims of the world.

Having you talented guys, plus the help from you, our goal is not too far to reach.

In addition, from peacepink , one victim is drafting one appeal letter to UN. Before going to UN, this letter must be edited and revised by us and must be signed by the politicians of most countries in the world. So, we must find the best way to let them sign ASAP by telling them what ordeal we went through and telling them no one can guarantee he is invulnerable before this kind of torture although he is in power.

Thank you again.

Dear Member of the Canadian Government:

CC:

To Whom It May Concern:

This letter is to ask for your help for the many constituents in Canada who are being affected unjustly without their informed consent by Psychotronic (or Mind Control, Electronic, Directed Energy, Neurological, Non-lethal) Weapons.

We are writing you on behalf of Canadian Organization of Victims of Psychotronic (Mind Control) Weapon. We, and many others, are being TORTURED AND MUTILATED IN A MIND CONTROL CONCENTRATION CAMP 24/7. We wouldn't be tortured and manipulated in a properly functioning legal system/society.

Victims of Psychotronic Weapon detail the most extreme and totalitarian violations of human rights in human history, including the most horrendous incidences of psychological torture, mental and physical mutilations. Criminals place human subject under continuous surveillance, no matter where he/she is; they monitor human brain, including thoughts, reactions, motor commands, auditory events and visual images; they continuously alter consciousness, introduce voices, noises, other disturbances, commands, images and "dreams" into the brain; they directly abuse, torture and hit bodies - including performing advanced medical procedures - from remote locations. The technology they are using is so advanced that it allows the controller'(s) to see through the eyes of the targeted individual, essentially seeing whatever the victim sees.

These are some of symptoms of targeted individuals:

- 1). Microwave hearing and torture with intense loud electronic sounding noise
- 2). Visual disturbances, visual hallucinations
- 3). Manipulation of will, emotions, feelings, perceptions
- 4). Manipulation of human behavior: forced speech, involuntary body movements, transmission of specific commands into the subconscious, compulsory execution of these commands
- 5). Reading thoughts remotely, retrieving memories, implanting personalities
- 6). Debilitation of mental acuity, inability to concentrate, disruption of ability to think rationally and independently
- 7). Loss of memory and knowledge
- 8). Inadequate states, which targeted individuals have never experienced before (states of narcotic intoxication, depression, obsessive desires and so on)
- 9). Control of sleep patterns: sleep deprivation or uncontrollable sleep
- 10). Blurred vision
- 11). Cramps, seizures and spasms
- 12). Excruciating artificial pain in any part of the body, for example, heart attacks and other symptoms

We have contacted police, RCMP, Security/Intelligence Agencies, Courts and other Government institutions over and over and over again, but have had our appeals for assistance and protection almost completely ignored or suppressed. Government “doing nothing” in this situation is a form of sanctioning these horrendous fascist experiments with psyche on innocent and defenseless people, that is why Canadian Government is responsible for these crimes. Government of Canada must uphold the rule of National, International and Human Rights Law and protect Canadian citizens by these laws, instead we see the huge disconnect between its professed Principles and Values and the reality.

It is our responsibility to record and alert the world to these horrendous crimes and the extreme danger that these technologies pose to democracy, human rights, privacy, mental and physical freedom, health of all people. These are the most horrendous weapons and crimes imaginable, and the people, using them, are mass-murdering conspirators, pursuing fascist, totalitarian, fundamentalist schemes.

“Doctors Mengele”, who started developing these techniques in concentration camps during World War II, were brought over here from Europe after the war to continue their atrocities. MKULTRA was the first of these illegal and immoral experimenting with unwilling victims, we are the latest victims. THIS MUST STOP, and the responsible people exposed and brought to justice for these unspeakable crimes against humanity. We demand only that human rights are respected, and the Canadian Government appoints a Committee to get to the bottom of this most serious matter based upon the evidence piled up, which was collected, intercepted and captured by the victims years after years.

This gross violation of human rights must be investigated immediately.

Sincerely,

THE FIRST DEMONSTRATION IN THE HISTORY OF CANADA REGARDING THE TORTURE, AUG.25, 2009.

On behalf of the victims of Canada, thank you for your support all the time. With your full support, we successfully held the first demonstration in the history of Canada regarding the torture, Aug.25, 2009.

Could you please post Danielle's letter and photos Re. our petition in Canada onto your website? Thank you very much.

Best regards,
Robin Yan

Hello All,

Many of you do not know me, but Galina and Robin do (who ran the protest yesterday at Queen's Park do) - and I will save introductions for later for those who are dedicated to working to expose the truth about our cause.

I would like to send you all a little run-down of events yesterday -- I think Galina and Robin will agree, it was an excellent day with superb weather (my nose is totally toasted..LOL~) and we were treated with dignity and respect, a generous amount of interest (so much so that we RAN OUT OF letters), and a FEW VERY INTERESTING CONTACTS! All times are approximate.

10:00 AM We were greeted by Security and shown where we could set up. We were asked if we would be "chanting" and we said no. We were asked not to interfere with people on site and that we should let them come to us, we agreed.

We set up across from a woman on a month-long protest of her autistic son being cut off from therapy and put in a regular school. www.tooautistic.com (HEY! OUR PIC IS THERE!)

10:30 Human Rights Worker from the Citizen's Commission of Human Rights approached us and discussed at length the situation we faced. We exchanged emails, but unfortunately she had no business cards on her. She directed us to her website <http://www.cchr.org/>

Here is a write up found on the site where she said you may find many resources:

The Citizens Commission on Human Rights (CCHR) is a non-profit, public benefit organization dedicated to investigating and exposing psychiatric violations of human rights.

11:30 am, A HUGE tour of Italian and Spanish speaking tourists get stuck outside the legislative building for some reason, and (possibly to kill some time) the tour guide relays and translates in both ITALIAN and SPANISH, the story of Covert Mind control as dictated by Galina. The group is sympathetic and interested (until they get to go in..lol)

Nothing too interesting happens after that for a couple of hours, we get a number of people stopping and asking about our situation -- some stopping for longer than others...needless to say, we only have ONE letter left when we spot the CBC vehicle in the parking lot!

1:00 pm Media Trucks start arriving -- our hearts are in our throats as we feel as if they may intend to interview us! Acutally, the set up is for speaker Dan McTeague to present his speech on the treatment of Omar Kadhr at Guantanamo Bay!

2:30 Dan McTeague shows up to do his interview. About half an hour of talking on Dan's part -- the issue with Quantanamo Bay is loosely connected to OUR issue...the underlying facts being that PEOPLE ARE BEING TORTURED WITHOUT MERCY/JUSTICE/ETHICAL CONSIDERATIONS!!!

Here is a link to the situation he spoke of (but nothing on CTV.ca about the talk yesterday, oh well)
http://www.ctv.ca/servlet/ArticleNews/story/CTVNews/20090125/khadr_panel_090125/20090125/

Unfortunately, he only appeared on the news for about 10 seconds! (Robin, did you VHS it?) Legislature Watchdogs (while polite) stood guard IN FRONT OF AND AROUND THE CAMERAS so that WE WOULD NOT BE IN ANY SHOTS!!!

However, Mr. McTeague's assistant came over to talk to us, took our picture and, I believe, strategically placed a camera to include US in the shot!

Once the shoot was over, Mr. McTeague came over and shook all our hands, talked with us for a bit, gave us his card and told us "You sure got THEIR attention" (possibly meaning the media - I mean, is it coincidence that a talk on a HUMAN RIGHTS TORTURE ISSUES by a prominent M.P. is scheduled on the SAME DAY as our protest??? I think NOT!

Anyhow, he said we should contact him if we need anything...we already got a very good thing from him, we got a confidence boost like you wouldn't believe!

And so, our first protest day came to a close. Sunburned, but happy, we took a walk to the subway, and went on our way.

I would say it was a VERY successful day, no one was disrespectful to us, we got a good deal of attention, learned a lot about what to do better NEXT TIME -- and ALMOST got on TV...lol!

Most of all we learned that FEAR is THEIR greatest weapon...none of what we feared came about.

The perps will keep on doing what they do no matter what we do...being afraid only helps their cause so...we may as well make some noise 'cause they ain't going away by themselves.

Cheers and talk to you all soon.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

你好！

我支持世界性运动,“制止远距离操纵身体和大脑控制（精神控制）武器对平民的虐待”。我是一个大脑控制/定向能武器/有组织跟踪,和酷刑虐待的受害者。

我来自中国广东<china>

我从2002年03月03日意识到我成为一个受害者, 陈述内容在附件。

我要求对这种犯罪行为 and 这种严重的侵犯人权的行为进行国际调查。

我名字是彭旭, 联系电话13533298544, QQ:523062953.

请你们救救我吧。我给人用高科技武器控制人脑迫害了六年;我给人用高科技手段操纵了,是一种能接受脑电波并将它转为声音的武器。

我脑袋象广播电台,那武器象收音机,把我心里所想到的东西都接受过去听了。

我好惨好痛苦啊,给人如此折磨。我没隐私没自由。

mcmailteam,我好爱看你们的报纸报道,知道你们好有正义感,所以写信向你们求救,请你们救救我们吧;保护我们人身权利,维护人类尊严,树立人类的正义。

请你们出手相救吧!可怜可怜我们啊,我们生存在这个世界上,没有自由,

没有温暖,到处是毒言,到处是寒冷。谁可怜我们啊,呜--呜呜---请看资料:

高科技控制人脑杀人,谁来救

附件参考《给胡主席的信》

有一种恐怖组织,谁来反

亲爱的胡主席:

您好!

现在国内早已出现一种恐怖组织,我称之为软恐,这软恐有别于赤裸裸的血腥暴行,像巴勒斯坦的人体炸弹,美国9.11恐怖事件等如此一类的恐怖组织,我称之为实恐;实恐是受到人类的谴责与制止;软恐,恐怕谁也不很了解,甚至对它有点陌生;就算有人知道,了解,也未必有人处理,就是我这种与美国9.11事件同时俱来的控制人脑杀人案件。关于它的分析,在其他份资料已详细介绍了,在此忽略;它不仅改写人类历史,还会令全世界人民不得安宁;它不仅具有反人类的特征,也属于恐怖组织的一类,谁会来制止它?

软恐,是一种精神鸦片,利用一种高科技武器将受害者的脑意识接收过来并“对症下药”加以折磨,迫害其至死,还通过这种方式进行一种软渗透麻木人们,让人们在受害者血腥中“自娱自乐”,丧失理智和责任心;它就是通过电子信息对人类的迫害,即是遭受到的这种控制人脑杀人武器,它窃取人脑信息并受其折磨,摆布的信息化战争;通过这种方式折磨人,令人生不如死;也利用这种科学技术对人类实行残不忍睹的暴行,侵犯人类自身安全权,生命权,隐私权,自由权等,是一种反人类十分残毒的犯罪行为;何况这种害人又十分“安全”,杀死你,你都不知道它到底是谁,在哪里?

自从无线电波的开发与普及利用,它即给人类带来文明,也同时给人类带来灾难。瞧,这种无线电波肆无忌惮横扫整个人类无法保护的隐私空间,长驱直入人类的“真空地带”。

这种恐怖的灾难,谁敢抗拒?因此,被这种武器控制的人们,面对不仅是魔鬼,更多的是吸血鬼,因为魔鬼发放好多“控制器”下人间,培养人间吸血鬼并利用它们加以迫害受害者等等;而且受害者还要为生活而忙碌,垂死挣扎;你说这样还有谁有能力有办法站出来呐喊申冤?

反对利用高科技武器残杀人类!

反恐,更应该注重软恐,因为它易给人忽视,也易将人类推向灭亡的边缘。

问题是它通过这种方式虐杀人类,也能麻木人类,因为它含有人血味,使人想入非非,充满神幻;易走入邪道,易迷惑人丧失理智,也像吸毒上瘾一样爱充当他走狗,甚至助纣为虐;正因为它这种软恐融合了很高的技术,伪装得十分隐蔽,很有安全感;使作恶者肆无忌惮地迫害人类,也使受害者难以取到充足

的证据<因为这理论技术太深奥,无法可了解>以至立案侦查,甚至连警方知道了也不敢处理,甚至拒绝过问或假装什么也不知道并以其它理由推卸责任;因此以至受害者只能雪上加霜,直逼死亡,从而使反恐工作更为艰辛,甚至进展不了.

受害者还易陷入世俗迫害的旋涡中,身不由己,一切被旋得头昏脑胀;受害者一般毫无技术和资金,以至在人间中难以生存,何况每天还受到没完没了的折磨;最可恨的在自己身边,没有产生一种与恐怖主义同仇敌忾的气氛;而恰好相反,产生一群“自娱自乐”的吸血鬼,它们专以此为乐,猛吸着受害者的鲜血,淫叫,丝毫没感到恐怖压境的凄惨,十分麻木;令人十分愤恨无奈,憋着痛吧!甚至还利用对你充满神秘的问题来折磨你,窃听你的梦,问人死了会怎样等恐怖东西来刺激你惶恐,仿佛嗅到死亡的可怕!

看来这群血狼非要把我撕个粉碎不可,目的只为尝到最后一滴血,是如何的美味吧!那它们努力,再努力吧.

看来,我只好带着像卖火柴的小女孩一样美好的憧憬,凄笑人间的快乐!

胡主席,你忍心看到人间悲剧如此吗?

救救我们吧!

此致

敬礼

彭旭

高科技给人类带来文明,还是灭亡

自从科技发展到现在,无人不说它给人类带来文明喜悦;但自从出现高科技控制人脑杀人案件后,无人不怀疑它的祸害性,是多么的恐怖!

危害人类的科技武器的出现,早已威胁到人类的生存与稳定发展,什么克隆技术,基因怪物,毒品,乃至控制人脑杀人等等,这比核武器更易将人类推向灭亡的边缘,令人震惊恐慌,比见到鬼还令人毛骨悚然.

人类也许再也无法解决这些灾难,特别我这例控制人脑杀人案件;这意味着人类走向衰落与灭亡.今天科技如此运用到邪恶上,人类正义再也无法将其彻底消灭,甚至难以找到它的踪迹;只好任邪恶肆虐人间并沾污人类文明,像毒品侵害人类,使人家破人亡一样,冤魂游鬼四处漂泊呜咽.

从此邪恶践踏现代人类文明,人类开始走向衰落;如果给恐怖分子利用残杀人类并窃取核武器且引爆,人类或许要回到原始社会或灭亡;即使不这样,人类也要进入“现代奴隶社会”.

你说:科技,到底给人类带来文明,还是灭亡?或许现在我们可以看到一些眉目了.

高科技给人类带来文明,还是灭亡?请看<全世界首例高科技控制人脑杀人案件大曝光>,只要将这标题输入百度搜索就可以查看浏览到或者与之有关信息;其次登录我个人网页<http://blog.sina.com.cn/pm9999>谢谢!

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely

Regarding these NWO Crimes Against Humanity, War Crimes, Dirty Wars, Black Operations, Secret Weapons, Torture Programs, Destruction of Democratic Institutions and Standards, Total Degradation of Media and Public Discourses, Total Degradation and Disenfranchisement of Civil Society and Institutions there is a complete ORWELLIAN/STALINIST PUBLIC INFORMATION AND INQUIRY BLACKOUT.

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their “infinite?” richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Beware of the brain and gene phrenologists/determinists/reductionists, and those who seek to control and reduce the range, quality and diversity of human thoughts, imaginations, senses, sensibilities, moods, attitudes, speech and psycho-physiologies – the would-be socio-economic, cultural AND PSYCHOLOGICAL/INTELLECTUAL/ PHYSIOLOGICAL monopolists, monoculturalists, police and prosecutors who are already literally and physically actively at work amongst us!! Both monstrously and

criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, and the subsequent and consequent degradation and “Fahrenheit 451-ing” of previously autonomous cultures, professions, fields of human endeavour, memories, and intelligences.

WE ARE BEING COOPTED AND FORCED AND TRICKED INTO AN ORWELLIAN FASCIST/NAZI TOTALITARIANISM – EVERYWHERE ON EARTH! - as most ‘News’, ‘Events’ and ‘History’ has been degraded into criminally produced and managed dramas/atrocities (i.e. wars, disasters, civil strife etc.) and criminally presented as infotainment, endogenous socio-political changes, propaganda, and/or criminal lies. And as almost all other public discourses including the ‘scientific’, ‘academic’, and ‘arts/culture’ has been degraded into criminally produced and managed infotainment, propaganda, pseudo-science, and/or specious, tendentious or folkloric productions and discourses.

BEWARE OF THE PSEUDO-SCIENCE NAZIS - THE ENEMIES OF FREE AND OPEN INFORMATION AND DEBATE, ACCOUNTABILITY, REVIEW AND REGULATION.

NOT TO MENTION THE NUTCASES PURSUING SUCH FRANKENSTEIN-SCIENCES AS THE TRANSGENIC, AND THE “BLENDING” OF THE TECHNOLOGICAL AND BIOLOGICAL– EVEN AS RECORD BIODIVERSITY AND CULTURAL DIVERSITY DESTRUCTION IS DONE.

PLEASE WITNESS AND RECORD AND
OPPOSE ALL OF THE ABOVE CRIMES, AND
ASSIST US URGENTLY!!

TO YOU OUR SELECTED WITNESSES

Below are **over 300 ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION, AND ORGANISED STALKING, CASES** from **EUROPE** FOR YOU TO WITNESS, RECORD AND OPPOSE

Some of our **ELECTRONIC TORTURE, ABUSE AND EXPERIMENTATION CASES** detail the most extreme and totalitarian violations of human rights in human history, including the most horrendous psychological tortures, rapes, sexual abuse, physical assaults, surgical mutilations, 'mind control', and other mental and physical mutilations – see

<http://www.4shared.com/dir/21674443/75538860/sharing.html>

or

<http://www.freedrive.com/folder/177784>

and

COMPILACION DE TESTIMONIOS EN ESPAÑOL:- <http://rudy2.wordpress.com/>

There are **MANY, MANY** others, all over the world, who are being subjected to similar torture and abuse.

YOU HAVE BEEN CHOSEN TO BE “A SELECTED WITNESS” to these extreme and monstrous **CRIMES AGAINST HUMANITY** - indescribably terrible in themselves - coupled with the **ORWELLIAN** secrecy and denial of any support at all that we are experiencing, makes them even more horrendous and monstrous.

We have contacted most Governments, Security/Intelligence Agencies, Religious Organisations, International Organizations, Human Rights Organizations, Universities, Scientific and other Institutions, and the International Media all over the world - over and over and over again – and have had our appeals for assistance, protection and/or publicity almost completely ignored and/or suppressed.

Some **TARGETED INDIVIDUALS** have been attempting to gain assistance, protection and/or publicity about these crimes since the 1990s - and even earlier - this extends as far back into the history of illegal 'scientific and medical' testing and experimentation as **MKULTRA**, **COINTELPRO** and the **DUPLESSIS ORPHANS** - and further.

We are still collecting **CASE SUMMARIES** from **TARGETED INDIVIDUALS** all over the world, and we have also advised them to send them to you - **“THE SELECTED WITNESSES”** - TO WITNESS, RECORD AND OPPOSE so that :-

A. We can be sure that as many people as possible know about these horrendous crimes.

B. We can be sure that these **AUTHORITIES** and **ORGANISATIONS** are either trying to uphold the rule of National, International and Human Rights Law, and that we will, sooner or later, be protected by these laws.

C. Or that we can be sure these **AUTHORITIES** and **ORGANISATIONS** are complicit and/or acquiescent to these **CRIMES AGAINST HUMANITY** and that National, International and Human Rights Law no longer apply - in which case our task will be to get the rule of these laws restored.

Later these records should become an information source - such as the **INTERNATIONAL TRACING OFFICE** set up to record the fates and whereabouts of Jews (and others?) after WW11. The information collected can then be used by the appropriate people for **LEGAL, MEDICAL, WELFARE, HISTORICAL** etc. records.

As well as being illegal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems - so we will also be demonstrating to all of these people and **AUTHORITIES AND ORGANISATIONS** the huge disconnect between their professed Principles and Values and the reality. We will be showing their monstrous **Doublespeak Doublethink Doubledo** ignorance, stupidity and/or hypocrisy.

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their “infinite?” richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and

organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Beware of the brain and gene phrenologists/determinists/reductionists, and those who seek to control and reduce the range, quality and diversity of human thoughts, imaginations, senses, sensibilities, moods, attitudes, speech and psycho-physiologies – the would-be socio-economic, cultural AND PSYCHOLOGICAL/INTELLECTUAL/ PHYSIOLOGICAL monopolists, monoculturalists, police and prosecutors who are already literally and physically actively at work amongst us!! Both monstrously and criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, and the subsequent and consequent degradation and “Fahrenheit 451-ing” of previously autonomous cultures, professions, fields of human endeavour, memories, languages and intelligences.

It is no exaggeration to say our cases are as horrendous and urgent as people fleeing Nazi or Pol Pot concentration camps – specifically Dr Mengele-type torturers and butchers.

PLEASE ASSIST US URGENTLY!!!

Yours in the search for openness and respect for universal human rights

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I SUPPORT THE WORLDWIDE CAMPAIGN TO STOP ATTACKS WITH NEUROLOGICAL DIRECTED ENERGY WEAPONS, REMOTE PSYCHIC TECHNOLOGY. IT IS A SILENT EPIDEMIC . I BECAME

AWARE OF MY ATTACK IN 2004 AND NOW WHEN I COME TO THINK OF IT I KNOW THAT THESE ATTACKS WERE GOING ON FOR ALMOST 7 OR 8 YEARS (SINCE 2001).

A SHARP RISE IN INCIDENCE THAT HAS TAKEN PLACE IN THE YEAR 2000 ALL OVER THE PLANET of new attacked people, and the number of victims keeps growing fast... The implications are on global scale . The victims world wide, are trying to get organized...This is no science fiction, this is real !!!

My detailed experiences:

the attacks began around 2000-2001 (in The Netherlands) but I did not notice them until much later, around those years I noticed that I get tired very soon and was sleepy the whole day and in the morning I could not go to work because I could not sleep at night, and after a while I noticed that all of my friends begin to dislike me and the colleagues had almost same reactions toward me and I lost my friends for no apparent reason one after another, lost my job, worked in lots of different places but very soon coworkers were getting angry and shouting at me for absolutely no reason, coworkers and friends were always looking at me like I was a thief or something, after that I went to USA for 3 months, because my family lives there, I could not stay and had to go back to the Netherlands and that's when I began to hear the harassers, they began talking and I could hear them, making different parts of my body or even my internal organs ache, sometimes the pain was excruciating, and they would make me feel dizzy and make me hear noises as if they were coming from the neighbors and as if the neighbors were complaining about me.

After a few awful years of excruciation and torture in the netherlands where I was completely alone, left with no friends at all and no job and no money, in 2005 I went back to my country of birth Iran, but the effect of the mind control devices seem to have no limitation and it does not matter where in the world you are, they continue to torture me and even here wherever I get a job, they make people get angry at me and treat me like a nobody, even some member of my own family (like my brother) hate me, and I know this is not my brother and that my brother or father or sisters would never feel like this toward me if there was not something else going on. by the way I treat people always with outmost respect, and it is always the people who get near me for a while are made to hate me even if I do my best to make them accept and love me.

dear sir/madam

I got married a few months ago with a very nice and friendly lady, she is as good and kind and nice as an human being can get and the truth is I really don't want to loose this one person at any costs, but I don't know what to do, because I'm sure that in a near future, maybe months from now, the harassers will make her feel awful about me, or make her feel pain and wont let her sleep at night or whatever they are capable of and I will loose her too.

I implore you to look at this problem, not only because of me, but because of the thousands and thousands of people whom every year fall victim to such sinister groups of devils, and believe me if I say that you could also fall victim or even already be a victim of such a diabolic act. These people can make you think stuff and do things beyond our imaginations and this is not a joke, this is a real life problem that a lot of good human beings have to deal with day and night, even when you sleep in your comfortable beds, there are a lot of us that are struggling to get free of these monsters.

The main symptoms are:-

Pain in different parts of my body and sometimes internal organs, headache, tooth ache, not being able to communicate with people and want to be alone for ever, sleeplessness, electric shocks (specially when sleeping), hearing things that are not there, making people get angry at me for no reason at all and.....

I DEMAND AN INTERNATIONAL INVESTIGATION AND RECOGNITION OF THESE LARGE SCALE CRIMES AND VIOLATIONS OF HUMAN RIGHTS. CAN YOU ADVISE OR HELP ?

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

thank you

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

25/9/13

My name is Aida. I am French originally from Sudan. I live in paris. I am a medical student but also a single mother of an eleven years old child. I am a targeted individual (organised mobbing/stalking and electronic harassment torture) since October 2012.

I had an ordinary life until the targeting started. I had a busy social life, a lot of friends, I was naturally loved by my colleagues but also by other people from the school and outside. smiling was my way to get in touch with different people all around the globe. I travelled a lot, visited many countries, i speak 3 languages. I worked for humanitarian organisations (action against hunger) but also for the French embassy in Khartoum/Sudan (home country).

I lately decided to study medicine at the english section in Oradea Faculty of medicine/Romania (year 2009-2010). The first year went perfect. I had a lot of friends then by the second year thing started to change I noticed my friends going away, people (even those who didn't know me) look at me with a rude look. I had no big issue with anybody only some different points of opinion about nasty things, nothing was serious. During second year Rumours, lies started to spread about me and people were fleeing me for no apparent reason. I tried to ask some ones about what was going on, no answer, I was labelled mad. Computer and phone were tapped (strange messages and calls, redirection of the research pages To take me to the stalkers terrorising documents), social and academic isolation (unlike other students in my group, group chiefs wouldn't provide me with the materials, I changed the group many times but still suffering). I started to lose money, vandalism of my belongs (ex: shoes , at the hospital changing room) and personal objects during the school days (stethoscope, glasses, notes) I became totally isolated inside the entire medical school but also outside (shops, rental ect) I was asking my self about the origin of my troubles but found no answer. I was sure i did nothing bad to anybody.

Things went worse during the third year, The mobbing became larger, many new people were engaged in the

psychological war between the unknown responsible and me.

I arrived to Oradea at the beginning of October 2012, happy to start the fourth year of medicine, i was inpatient to finish the school and to go back to find my child. But, at the second week of october 2012 i noticed stalkers following me everywhere I went, at the same time an electronic harassment started. My skin was burned and my heart was accelerated provoking induced serious tachycardias. Doctors found no pathology concerning the heart, they were surprised that I had the tachycardia during rest periods! I was sleep deprived as well. Many strangers, all caucasians were following/stalking me all around, even In the way to the school or hospital (for practice) I was terrified. I called the french consulate in Bucharest for help, they ignored me. went to ask the Romanian police for help, they influenced my friends and convinced them to take me to a psychiatric hospital, i was forced to take medications under the physical assault and the psychological pressure . I decided to postpone the school and to go back to France for some rest but the situation was worse; electronic and physical surveillance, electronic harassment, stalked inside/outside my house, street theatres, the flats of my friends were reached by the stalkers if I decided to go there, I was tracked/tortured in every single place I went (public gardens, shops, transport, hospitals and even underground area). Beside the burning of my head, my skin and internal organs my heart was mainly targeted, my neighbourhood became a stalking and a torture area, I was kept awake for several weeks.

I left France to Sudan (home country) to escape the torture BUT I am still surveilled, tracked and tortured even inside my family. It almost been one year since I left the school, the new year will start next week, classmates will be in fifth year of medical school while I am here fighting everyday to survive this electronic prison of torture. Finally, until this moment I can say I that i have no serious conflict with anybody that can lead to this inhuman treatment. I had a non serious conflict with the former president of the students association at that time, I know how much he hates me, I know how he organised the unbelievable mobbing/stalking against me during the three years BUT I also know that this is above his capacity to organise this crime. An other person (a classmate) can do it to destroy me for nothing but only jealousy and revenge, I met his family member in Oradea at the end of the third year, it was exams period. He was surprised as he was not expecting to see me in that popular area. He was not supposed to be in the city as his (fake) little son suddenly left the school to an other Romanian school (he had told us he was leaving to Germany for better studies). I asked him why he was in Oradea, he said; I came to support my little son during exams time, But his son left the school at the end of first year. I immediately felt he was the origin of all of my problems. I felt he was behind the 3 years of the organised mobbing and the isolation but also the EH.

Looking for help to stop the abuse on me.

26/10/13

I hope you are fine, i am surviving.

I'm in my way back to France after being forced by the perps to quit Paris under the intensified attacks and under the very high pressure. I was followed by many many stalkers (also groups) as I went out, having my heart seriously accelerated, I was also sleep deprived, surveilled , tracked and physically tortured 24/7 even when I hide in the sub-ground places. I was forced to quit Europe to Africa but the abuse never stopped (with the exception of the street theatre).

I tried to ask the authorities protection, explain my problem to my friends but I'm considered as delusional especially when the perps managed (with complicity of the police, secret agents, family doctor and psychiatrists) to lock me in a mental hospital against my will. They destroyed everything in my life for no other reason that HATE.

I contacted lawyers, NGOs ect and they decided I was mentally sick (the biggest complicity ever). I'm totally desperate.

Please do tell and mention my horrific torture abuse among the other torture cases every time you send a letter to an involved person/ organisation.

Sincerely
Aida

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

I hope that what is revealed does not disrupt your life, but if this will be dangerous read-only, you just think to that person who lived it for real, who is survived for his freedom and right to life, denouncing everything of this slavery, denouncing everything of this false illness, denouncing everything about this system of lies and conflict.

I write you for the truth of daily tortures and inner slavery. I hope this will stop the vile abuse secret.

Thank you for your reception.

Dear Freedom's world,

I am a younger, simple person. Today I write you for a serious personal situation, dangerous for the world.

My life is impossible every day. I try to live my life ignoring the problem and some times I can take relax and respiration inside myself. Last weeks this was impossible.

Please to understand with max attention.

This story started about five years ago and more.

In the spring 2009, I suffered a terrible crime. I was a simple student of university in Trieste city(Italy). Some strange electromagnetism arrived in my life on my body. This invisible magnetic presence gave me terrible pain to led me near a place. Through a system with kinds of electric shock torture on my body, I was driven near a wall of a street, with a paper on it. On this paper I could to read a animal sought, and two numbers phone wrote on it. In that moment the invisible presence moved my right arm. I was forced to take the two numbers phone to call them. I called just a number. In that moment a strange shot like laser's sound changed my life, in terrible life.

The shot entered in my head through my ear. In that moment started hell's vision in my life. It was a terrible moment. Some weeks my body did not work. My mind it was destroyed. I could not understand simple communication or simple sentences on books. The outside world became a real hell through my eyes.

Everything was rated as mental illness and was hidden the truth.

It was very hard to find a simple condition, alone in that secret.

After some months my condition was better. Some times I had a very good health condition. But in this five years I went in hospitals several times. Medicines, doctors, alternative therapies such as acupuncture, reiki, shamanism, qi gong, meditations won only temporarily for my health, but the problem was not defeated. The hell's vision often tortured my soul in these years. I saw hells and die humanity with my eyes and my soul. I suffered demonic torture. I was tortured for my thinking's slavery. I was tortured so that there was not ability in my communication. No communication of my own thoughts, nothing capacity of reasoning and of the organization. So that there was separation with other humans, so that there was no communication of thought with other humans.

One year ago and more I met some new friends. They helped me for my story. I started to say the truth about my story. I started to practice the best living and look helping. The problem it was not defeated, but I found the force to say the truth. Some months ago I went at police for denounce the crime. It was made. I gave them detailed descriptions and a practical aspect to be investigated, the phone number. Now the police investigates the crime. I

wait them for further develop. Some months ago I try to write others mails to denounce. While I worked for this, it started the demonic torture another time.

Since the shot entered in my head, my own breath and my own conscience could not act inside the head. The head was conquered with violence by unknown presence of authoritarian submission of the soul. The soul had been placed in a prison of thought. Penalty for the soul to his rebellious attempts to regain his brain was punished to terminate his rights and enjoyment to live, falling into hell. What it entered into my head was reflected equally in the heads of all humans, so i saw human beings as if they had this one material in their head. While it is true that the sun makes our lives, and how the fire so the water, and the stars for the infinite universe, within absolute certainty I can reveal that the shot entered into head like a sort of insulation "magnetic rubber", through this one the soul is isolated from life emanating by sun and stars. The soul was locked inside prison of hell and slavery of thought, inside a world without life of stars. So I could see humans without breath, as dummies, no emotions and thoughts, enslaved as a robot, placed in a state of action in total forgetfulness of the living being, that is a condition where you have forgotten everything about the memory of life and love, in a state of exclusive thinking in the acts to be performed and the total forgetfulness of everything else, human programmed in a visual perspective only acting for their slave labor. While I was living this visual condition, if I tried to share any form of verbal and emotional contact, use my mind and then act toward other humans, I received punishment by the "magnetic rubber", with other kinds of demonic visions, this one was made of dead old thousands of years in the same humans with whom I intended to interact. A kind of slavery hell inside the prison of every true vital pulsion. The same thinking was circumcised in a working range, it was supervised and delimited from entity boss unidentified, limiting these vital actions with blackmail hell. Lift the own head to the sky and elevate the own vital nervous force were forbidden through infernal mechanisms induced by the "magnetic rubber." The sky itself was made in the visual perception as closed and finished, so to raise the forgetfulness of the stars and of the natural right to freedom, own of life's infinite.

Now I can go on, but I am a victim of slavery in the head and soul every day. I would like to feel the truth's world near my condition, maybe with any respond and communication and feeling and action.

Now I am living, luckily. Now this is the problem.

There is in myself a sensation like a electromagnetism wave near the solar plexus and the heart connected at the head. This wave manipulates my vital energy. This wave subdues my vital energy and my soul. It is like a device of control on my psyche-mind. It is like a false program of soul. It wants to stop my understanding of the way of life. This wave stops my choice to look inside myself, it stops my ability to guide my choices and my soul to wisdom, compassion and happiness. It kills awareness. This wave stops me every inside action and every personal intention. It stops me my good wish, my mind, my rational thinking, my nervous reaction force, my will, my freedom, my free thinking, my free life. It wants govern my inside world, it wants govern my life. It wants give me bad feeling and bad action. It separates the connection between my soul and the life in the human peoples. It is like a boss-machine. It can generate false voices, pictures of various ideas and information within the mind and body to program the direction of life. It subdues my soul and my will. It gives me visions in the world. It gives me illusions and negative sensations. It kills the love in the heart and in the soul. It stops my harmonic respiration giving me bad feeling with others humans. It is a principle of separation and conflict between human peoples. The wave's presence moves between my head, my heart and my spinal dorsal. The wave's presence gives me bad feeling, demonic torture, than It says me: I am god, I save you, you are a bad person, or, you are a good person I am god and I choice to live inside you. In this way It gives a sure inner slavery. I can't to study and to read a book with peaceful, the wave torture me and my understanding. I can't write or communicate my own thinking, the wave gave me demonic torture for this a lot of times. The inner slavery's wave can to program the wake-sleep circadian rhythm, it can to destroy my sleeping and resting. This wave can soffocate my respiration. This wave can hold the breath. It can separate the brain and breathing. It can steal the breath from its own natural essence and natural condition, it can program brain and breath.

The wave stops the action of consciousness to go in the back of the head, brain and spine. The wave separates the forebrain and hindbrain. The wave can separate my thinking and my head from the consciousness of the spine. In this way separates the thinking and the physical perception of the body. So think may lack the physical consciousness and the relative quiet of the soul into the body and its present. The body consciousness undergoes an arrest of thought and then action. Body consciousness without thought or action without peace and oppression continues on the breath. It is a torture's system to get a bad action without glossy choice, but only a consequent reaction to pain. The wave can stop the ability of understanding and reasoning toward own body, how you're using it and how you can improve. It can stop any self-observation. It can stop any mental faculty about the

understanding and self-rehabilitation. It can stop everything about the power management, including self-education of own body, in order to limit the actions toward execution mode without self-awareness, lack of self-observation. It is possible to act without understanding about what you are doing and how you do it, without the ability measuring, understanding and discernment between what you would like to freely choose and what you are doing. The commands of own will mental are deprived of the ability to observe, to measure, to understand and resulting free choice, so acting toward execution without understanding, without lucidity and awareness. The consciousness that observes his own body in action can be suppressed, so it is destroyed every comprehension and rehabilitative measure of self. The same observation can be masked by false ideas of what is observed and thus deprived of the true reality, it can be stopped in the knowledge of real experience. The arrest of the ability to observe and measure understanding are the foundation of this slavery.

The vital consciousness of the will, which runs through the spine between the sacrum and the cerebellum to reach the brain, it was stopped together with the breath, it was dropped to the base of the spine. The brain consciousness is separated from that spinal will. The brain consciousness is kidnapped, so it is led in a world of illusions, forgery, lies and slavery.

What is this slavery?

The will of the consciousness is enslaved. Any intention by your breath can be instantly hijacked from its choice and direction, it can aim to a different location of goal. The intentions are arrested, abducted and programmed at a time instant. The programs create new actions. The program stops the actions, it diverts the actions.

The programs take place for the intentions that precede their own choices and their own internal states of mind. The wave can program the perception of oneself and one's state of mind, projecting everything on the cerebral visual consciousness. So a forging of their own moods and personality is set within its own body, breath and heart.

This wave claims to be God, it remains between head and heart, it program you such as a robot.

The wave stops every will from the area of the heart, through its jet magnetic from the head. So it stops everything about the free observation.

The focus of consciousness can be stopped and diverted to the surrounding world against own intentions and will, so led on the particular environment that you want more or less, in any case it is moved, no free. The focus of consciousness can be reprogrammed in a distorted perception of reality, in a world of illusions, most beautiful, ugly or demonic, however false and which do not correspond to those that are natural and real phenomena. Then, the wave of demonic torture claims to be the god who defeated the demon, within projecting perceptions of the soul in the worlds of apparent beauty, falsification of reality. This lie wants to pay back the soul of torture, and in the silence of this secret and slavery.

The wave separates the soul's connection with the nature of the planet and stars in the universe.

I was tortured for my will to stay in nature, between trees and flowers, for my will to enjoy the sea, the stars, the sun, the moon and flowers. The wave does not want the soul's connection with the universe and with other human souls; the wave uses demonic or mental torture to separate the soul from the whole of life.

The inner slavery kills my freedom and my life. The suffering is too much because the wave's presence can separate the soul and every life's essence, this is terrible.

Slavery of consciousness/brain has no limits. Everything can be stopped, destroyed and re-programmed: thoughts, moods, emotions, feelings, intentions and will. Did you know what is a robotic emotion? A false program of the Soul? It is a terrible torture, it is to live without life.

Everything can be stopped and re-programmed. Listen to some music, feel the rhythm which stimulates the pleasure of dance and movement, this can be completely destroyed. The feelings and emotions that music can arouse, everything can be completely stopped, wiped and reprogrammed through false ideas and information with no life, no real pleasure of life. The same applies to all life experiences, especially for the experiences of contact with other humans, and with all the essences living. Every real experience can be stopped and re-programmed by false ideas and information, without vital nourishment, without vital pleasure, as death. The wave can deny the real-life experiences, through locking systems of perception in the soul. In this way, the wave claims to be God, for

your slavery. Every real experience becomes the property of this wave, false god. All authentic feelings, emotions, intentions and thoughts become the property of this wave. All attempts of reasoning, all rebels attempts of observation and understanding are stopped by this mechanism. This wave claims the name of god or the name of an ego which It tries to disguise itself through false ideas personalistic, inside the true personality of own original essence. Intentions and reasoning are stopped through others words too. Between heart and heads, these words(god, I, beautiful, illness, ..and others..) aim to confuse and inhibit trust, and any attempt rebellious action of own true nature.

Everything can be reprogrammed, completely separated from the universal essences that make life and pleasures in their natural state.

This wave/god claims to be the boss of world. Everything in this world is the property of the wave/god. Every perception of things, food beverage and any tangible property of any size, everything is acknowledged as the property of the wave, absolute boss of the world. This boss gives you the living in this world, it gives you the projecting about your living in this world. Through its system of illusions torture and pain, this wave brings you in a perennial escape from your present and a consequent and continuous possessive and morbid attachment to material goods of this world , in the absence of any true enjoyment of soul.

But I am a simple person, these are some my values: affection, family, the humans relationship, tolerance, thinking's freedom, soul's freedom, truth, friendship, the hugs, the kisses, the tenderness's contact.

The inner slavery can to stop every good intention and every will near the others humans. It works with an invisible inner torture. In these five years I was tortured with demonic visions for my will of love, for my will to meet others humans in love, for my will to express affection and life's optimism inside humans relationships, for my smile and my laugh with people. This is the most terrible situation of life.

But I act for non-violence.

I would like to cry, to express my pain, but the wave can stops the flow of my emotions. I would like share the joy with friends but sometimes the wave can stops the flow of my emotions. I would like express my active force everyday but the wave can to stop my actions. It stops my soul and my will.

But I want love. I act for the love in myself, with my family and friends. I act for the truth of the soul. I act for the love of the soul.

This my life is impossible. There is a bad in myself without love but it is not me, it is a manipulation by some unknown power.

Please answer me and help me.

Now I prefer to stay anonymous.

CASE SUMMARY IN ITALIAN

Spero che quanto rivelato non sconvolga la vostra vita, ma se dovesse farlo la sola lettura pensate a chi l'ha vissuta per davvero, a chi è sopravvissuto per la propria libertà e diritto alla vita, denunciando ogni cosa di questa schiavitù, denunciando ogni cosa di questa falsa malattia, denunciando ogni cosa di questo sistema di menzogna e conflitto.

Vi scrivo per la verità di torture quotidiane e della schiavitù interiore. Spero questo fermerà il vile abuso segreto.

Grazie per la vostra accoglienza.

Caro mondo di libertà,

Io sono un giovane, persona semplice. Oggi vi scrivo per una situazione personale grave, pericolosa per il mondo.

La mia vita è impossibile, tutti i giorni. Cerco di vivere la mia vita ignorando il problema e alcune volte posso prendere il relax e la respirazione dentro di me. Ultime settimane questo era impossibile.

Si prega di capire con la massima attenzione.

Questa storia è iniziata circa cinque anni fa e più.

Nella primavera del 2009, ho subito un crimine terribile. Ero un semplice studente di università nella città di Trieste (Italia). Uno strano elettromagnetismo arrivò nella mia vita e sul mio corpo. Questa presenza magnetica invisibile mi torturò di terribile dolore per portarmi in un luogo. Attraverso un sistema di tortura con tipi di scariche elettriche sul mio corpo, fui condotto vicino a un muro di una strada, con un annuncio cartaceo su di esso. In questo annuncio ho potuto leggere un animale ricercato e due numeri di telefono scritti su di esso. In quel momento la presenza invisibile spostò il mio braccio destro. Fui costretto a prendere i due numeri di telefono per chiamarli. Ho chiamato solo un numero. In quel momento uno strano sparo come il suono di un laser cambiò la mia vita, nella vita terribile.

Lo sparo entrò nella mia testa attraverso il mio orecchio. In quel momento iniziarono le visioni infernali nella mia vita. Fu un momento terribile. Alcune settimane il mio corpo non funzionò. La mia mente fu distrutta. Non riesco a capire semplici comunicazioni o semplici frasi sui libri. Il mondo esterno divenne un vero e proprio inferno attraverso i miei occhi.

Tutto venne valutato come disagio mentale e fu nascosta la verità.

Fu molto difficile trovare una semplice condizione, solo in quel segreto.

Dopo alcuni mesi la mia condizione migliorò. Alcune volte ho avuto una buona condizione di salute. Ma in questi cinque anni sono andato in ospedale più volte. Medicinali, medici, terapie alternative come l'agopuntura, reiki, sciamanesimo, qi gong, le meditazioni hanno vinto solo temporaneamente per la mia salute, ma il problema non è stato sconfitto. Le visioni infernali spesso hanno torturato la mia anima in questi anni. Ho visto inferni e morire umanità con i miei occhi e la mia anima. Ho sofferto la tortura demoniaca. Sono stato torturato per la schiavitù del mio pensiero. Sono stato torturato affinché ci fosse deficit nel mio linguaggio, nella comunicazione del mio pensiero, nelle mie capacità di ragionamento ed organizzazione, affinché ci fosse separazione con gli altri esseri umani, affinché non ci fosse comunicazione del pensiero con gli altri esseri umani.

Un anno fa e più ho incontrato alcuni nuovi amici. Mi hanno aiutato per la mia storia. Ho cominciato a dire la verità sulla mia storia. Ho iniziato a praticare la migliore vita, cercando aiuto. Il problema non è stato sconfitto, ma ho trovato la forza di dire la verità. Qualche mese fa sono andato alla polizia per denunciare il crimine. E' stato fatto. Ho dato loro descrizioni dettagliate e un aspetto pratico da indagare, il numero di telefono. Ora la polizia indaga il crimine. Aspetto loro per sviluppare ulteriormente. Qualche mese fa provavo a scrivere altre mail di denuncia. Mentre lavoravo per questo iniziò la tortura demoniaca un'altra volta.

Da quando entrò lo sparo nella mia testa, al mio respiro ed alla mia coscienza fu preclusa l'azione in quella parte del capo, come se fosse stata conquistata di prepotenza da una presenza autoritaria di sottomissione dell'anima, e come se l'anima fosse stata posta in una prigione del pensiero. Pena per l'anima ai suoi tentativi ribelli di riappropriarsi del suo cervello consisteva nella cessazione dei suoi diritti e godimenti vitali e la decadenza all'inferno. Ciò che entrò nella mia testa si riflesse in egual misura nelle teste di tutti gli umani, ossia vidi gli esseri umani come se avessero tutti questa sostanza nella loro testa. Se è vero che il Sole ci rende la vita, e come il fuoco così l'acqua, e quindi le stelle per l'intero universo, posso rivelare in assoluta certezza che la sostanza entrata nella testa attraverso lo sparo è come una sorta di isolante "gomma magnetica", che isola l'anima dalla vita che emanano sole e stelle. E' come se l'anima fosse stata chiusa nella prigione dell'inferno e della schiavitù di pensiero in un mondo senza stelle né vita. Perciò potei vedere esseri umani senza respiro, come manichini, privi di emozioni e pensieri, resi schiavi come robot, posti in una condizione di azione nella totale dimenticanza di essere dei viventi, ossia in una condizione in cui non si ricordi più nemmeno lontanamente cosa sia e cosa significhi la parola vita né tantomeno la parola amore, in una condizione di esclusivo pensiero negli atti da svolgere e nella totale dimenticanza di tutto il resto, umani programmati in una prospettiva visuale unicamente disposta per il loro lavoro di schiavitù. Mentre vivevo questa condizione visiva, se provavo ad avere qualsiasi forma di contatto verbale ed emotivo, ad utilizzare il mio pensiero per poi agire verso gli altri esseri umani, venivo punito dalla stessa "gomma

magnetica” con altri tipi di visioni demoniache fatte di morti millenarie negli stessi umani con cui intendevo interagire. Una sorta di schiavitù infernale nella prigione di ogni funzione vitale libera e vera. Lo stesso pensare venne circoscritto in un range di funzionamento supervisionato e delimitato da entità padrone non identificate che limitavano tali azioni vitali con ricatti infernali. L'alzare la testa al cielo o l'elevarmi di forza nervosa e vitale mi venne proibito con meccanismi infernali indotti dalla “gomma magnetica”. Lo stesso cielo venne reso nella percezione visiva spesso come chiuso e finito, per così alimentare la dimenticanza delle stelle e del diritto naturale di libertà vitale propria dell'infinito.

Ora vado avanti, ma sono una vittima della schiavitù nella testa e nell'anima ogni giorno. Vorrei sentire il mondo della verità vicino alla mia condizione, magari con qualsiasi rispondere, comunicazione, sentimento, azione.

Ora sto vivendo, per fortuna. Ora, questo è il problema.

C'è in me una sensazione come un'onda elettromagnetica vicino il plesso solare e il cuore, collegata alla testa. Questa onda manipola la mia energia vitale. Questa onda sottomette la mia energia vitale e la mia anima. E' come un dispositivo di controllo sulla mia psiche-mente. E' come un falso programma di anima. Vuole fermare la mia comprensione del senso della vita. Questa onda ferma la mia scelta di guardare dentro di me, la mia capacità di orientare le mie scelte e la mia anima alla saggezza, compassione e felicità. Uccide consapevolezza. Questa onda ferma ogni azione all'interno e ogni intenzione personale. Essa ferma la mia buona volontà, la mia mente, il mio Pensiero Razionale, la mia forza di reazione nervosa, la mia volontà, la mia libertà, il mio libero pensiero, la mia vita libera. Vuole governare il mio mondo interno, vuole governare la mia vita. Vuole darmi sensazioni negative e azioni negative. Separa la connessione tra la mia anima e la vita negli esseri umani. E' come un capo-macchina. Può generare falsi voci, immagini di varie idee e di informazioni all'interno della mente e del corpo per programmare la direzione della vita. Sottomette la mia anima e la mia volontà. Mi dà visioni del mondo. Mi dà illusioni e sensazioni negative. Uccide l'amore nel cuore e nell'anima. Ferma il mio respiro armonico dandomi sensazioni negative con gli altri esseri umani. Si tratta di un principio di separazione e di conflitto tra le persone. La presenza dell'onda si muove tra la mia testa, il mio cuore e la mia colonna vertebrale. La presenza dell'onda mi dà brutte sensazioni, torture demoniache, poi mi dice: Io sono Dio, io ti salvo, sei una persona cattiva, oppure, sei una brava persona io sono dio e io ho scelto di vivere dentro di te. In questo modo si vuole assicurare la schiavitù interiore. Non riesco a studiare e leggere un libro con tranquillità, l'onda tortura la mia comprensione. Non posso scrivere o comunicare il mio pensiero, l'onda mi ha dato torture demoniache per questo motivo un sacco di volte. L'Onda della schiavitù interiore può programmare il ritmo circadiano sonno-veglia, può distruggere il mio sonno e riposo. Questa onda può opprimere il mio respiro. Questa onda può possedere il respiro. Essa può separare cervello e respiro. Essa può rapire il respiro dalla sua naturale essenza e condizione, essa può possedere cervello e respiro per programmarli.

L'onda interrompe l'azione della coscienza che si spinge nella parte posteriore della testa, cervello e della colonna vertebrale. L'onda separa il prosencefalo e rombencefalo. L'onda può separare il mio pensiero e la mia testa dalla coscienza della colonna vertebrale. In questo modo separa il pensiero dalla percezione fisica del corpo. Quindi, pensare può mancare della coscienza fisica e della relativa quiete dell'anima nel corpo e nel suo presente. La coscienza corpo subisce un arresto di pensiero e quindi di azione. Coscienza del corpo senza pensiero/azione oppure azione senza pace e l'oppressione continua sul respiro. E' un sistema di tortura per ottenere cattive azioni senza scelta lucida, ma solo una conseguente reazione al dolore.

L'onda può interrompere le facoltà di comprensione e ragionamento dirette al proprio corpo, come lo si sta usando e come si può migliorare. In pratica può arrestare ogni auto-osservazione ed ogni facoltà mentale di comprensione e rieducazione di sé. Essa arresta tutte le facoltà gestionali comprese quelle di auto-educazione del proprio corpo, per confinare le azioni in modalità di esecuzione prive di consapevolezza di sé, prive di osservazione di sé. Si può essere proiettati nelle azioni senza capire quello che si sta facendo e come lo si fa, senza capacità di misura comprensione e discernimento tra ciò che si vorrebbe scegliere liberamente e ciò che si sta facendo. I comandi della propria volontà mentale vengono privati delle capacità di osservazione misura comprensione e conseguente libera scelta, quindi protesi alle esecuzioni motorie in modo che qualsiasi cosa sia fatta senza lucidità ne comprensione ne consapevolezza. La coscienza che osserva il proprio corpo in azione può essere soppressa, e così ogni comprensione e misura rieducativa di sé. La stessa osservazione può essere mascherata da false idee di ciò che si osserva e così privata della vera realtà, e così arrestata nella conoscenza della reale esperienza. L'arresto delle capacità di osservazione misura e comprensione sono il fondamento di tale schiavitù.

La coscienza vitale della volontà che attraversa la colonna vertebrale, tra l'osso sacro e il cervelletto, e che giunge nel cervello, viene arrestata insieme al respiro e lasciata cadere alla base della colonna vertebrale. La coscienza

cerebrale viene scissa e rapita da quella spinale. Quindi viene condotta in un mondo di illusioni, falsificazioni e schiavitù.

Cos'è questa schiavitù?

La volontà della coscienza viene resa schiava. Ogni intenzione espressa dal proprio respiro può essere istantaneamente rapita dalla sua scelta e direzione e riproiettata in un percorso differente. Le intenzioni vengono arrestate rapite e riprogrammate in tempi istantanei. Le programmazioni avvengono per le intenzioni che precedono le azioni, quindi arrestandole e deviandole.

Le programmazioni avvengono per le intenzioni che precedono le proprie scelte interne e i propri stati d'animo. L'onda può programmare la percezione di sé e dei propri stati d'animo, proiettando

ogni cosa sulla coscienza visiva cerebrale. Quindi una falsificazione dei propri stati d'animo e della propria personalità viene imposta all'interno del proprio corpo, respiro e cuore.

Un'onda quindi che dice di essere dio, permane tra testa e cuore e ti programma come un robot.

L'onda arresta ogni volontà dalla zona del cuore, attraverso il suo getto magnetico dalla testa. Quindi arresta ogni libera osservazione.

L'attenzione della coscienza al presente del mondo circostante può essere perciò arrestata e dirottata, contro proprie intenzioni e volontà, su particolari dell'ambiente che meno o più si desiderano, in ogni caso manovrata, non libera. L'attenzione della coscienza può essere riprogrammata in una percezione distorta della realtà, in un mondo di illusioni più bello, brutto o anche demoniaco, in ogni caso falso e non corrispondente a quelli che sono i fenomeni naturali e reali. Dopo le torture demoniache l'onda si proclama il dio che ha sconfitto il demonio proiettando le percezioni dell'anima in mondi di apparente bellezza, falsificazioni della realtà che vogliono ripagare l'anima delle torture, e nel silenzio di tale segreto e schiavitù.

L'onda separa il collegamento dell'anima con la natura del pianeta e le stelle nell'universo

Sono stato torturato per la mia voglia di stare nella natura, tra alberi e fiori, per la mia voglia di godermi il mare, le stelle, il sole, la luna e i fiori. L'onda non vuole la connessione dell'anima con l'universo e con le altre anime umane; l'onda utilizza torture demoniache o mentali per separare l'anima dal tutto della vita.

La schiavitù interiore uccide la mia libertà e la mia vita. La sofferenza è notevole siccome la presenza dell'onda può separare l'anima e l'essenza di ogni vita, questo è terribile.

La schiavitù cerebrale e della coscienza non ha limiti. Ogni cosa può essere arrestata, distrutta e riprogrammata: pensieri, stati d'animo, emozioni, sentimenti, intenzioni e volontà. Mai provata una emozione robotica? Un programma falso dell'Anima? E' una tortura tremenda, è vivere senza vita.

Ogni cosa della percezione può essere arrestata e riprogrammata. Ascoltare una musica, percepire il ritmo che stimola la danza e il piacere del movimento, questo può essere completamente distrutto. Le sensazioni e le emozioni che una musica può suscitare possono essere completamente arrestate, annientate e riprogrammate attraverso false idee ed informazioni prive di vita, prive di vero piacere vitale. Lo stesso vale per tutte le esperienze di vita, in particolar modo per le esperienze di contatto con gli altri esseri umani, e con tutte le essenze viventi. Ogni cosa vera e propria dell'esperienza può essere arrestata distrutta e riprogrammata attraverso idee ed informazioni false, prive di nutrimento vitale e del relativo piacere, come morte. Attraverso sistemi di chiusura della percezione nell'anima, l'onda può negare le esperienze reali. In tal modo si nomina dio rendendoti schiavo.

La propria reale esperienza diviene di proprietà dell'onda e con essa tutte le proprie autentiche sensazioni, emozioni, intenzioni e pensieri. L'intero ragionamento ed i tentativi ribelli di osservazione e comprensione vengono arrestati da questo meccanismo robotico, che si dichiara sotto il nome di dio oppure sotto il nome di un io egoico che tenta di camuffarsi e fondersi, attraverso false idee personalistiche, nella personalità del proprio vero essere originale. L'arresto forzato di intenzioni e ragionamento avviene anche attraverso altre parole, oltre dio e io, per confondere ed inibire fiducia, azione ed ogni tentativo ribelle della propria reale natura.

Ogni cosa può essere riprogrammata, scissa completamente dalle essenze universali che rendono la vita e i piaceri nella loro condizione naturale.

Il programma di informazione portante dell'onda e del suo gioco di possessione consiste nel dichiararsi padrone di ogni bene, ossia la percezione di ogni cosa, dal cibo bevande a qualsiasi bene materiale e di qualsiasi portata, viene recepita di proprietà dell'onda in quanto padrone assoluto del mondo. Tale padrone col suo gioco di schiavitù ti offre in concessione il vivere questo mondo proiettandoti, attraverso il suo sistema di tortura illusioni e dolore, ad una fuga perenne dal proprio presente e ad un conseguente e continuo attaccamento morboso e possessivo ai beni materiali di questo mondo, in assenza di ogni godimento reale dell'anima.

Ma io sono una persona semplice, questi sono alcuni miei valori: l'affetto, la famiglia, i rapporti umani, la tolleranza, la libertà di pensiero, la libertà dell'anima, la verità, l'amicizia, gli abbracci, i baci, il contatto della tenerezza.

La schiavitù interiore può fermare ogni buona intenzione e ogni volontà verso gli altri esseri umani. Funziona con una tortura interiore invisibile. In questi cinque anni sono stato torturato con visioni demoniache per la mia volontà di amore, per la mia voglia di incontrare gli altri esseri umani in amore, per la mia volontà di esprimere l'affetto e l'ottimismo della vita all'interno delle relazioni umane, per il mio sorriso e la mia risata con la gente. Questa è la più tremenda situazione di vita.

Ma io agisco per la non-violenza.

Vorrei piangere, esprimere il mio dolore, ma l'onda può interrompere il flusso delle mie emozioni. Vorrei condividere la gioia con gli amici, ma a volte l'onda può interrompere il flusso delle mie emozioni. Vorrei esprimere la mia forza attiva di tutti i giorni, ma l'onda può fermare le mie azioni. Ferma la mia anima e la mia libera volontà.

Ma voglio amore. Agisco per l'amore in me, con la mia famiglia e gli amici. Agisco per la verità dell'anima. Agisco per l'amore dell'anima.

Questa mia vita è impossibile. C'è un male in me stesso senza amore, ma non sono io, è una manipolazione di qualche potere sconosciuto.

Si prega di rispondermi e di aiutarmi.

Ora preferisco rimanere anonimo.

I want to expose this crime everywhere, so please do your best to let me have a quick access to Fedame to be able to publish on your site the filthy, demonic dealings of my perpetrators. Could you please put me in touch with a fellow victim who speaks fluent Spanish ?

Although I have been living these agonies for fifteen years, only five years ago did I discover what all this was about. I am a victim of extreme torture and abuse using directed energy and neurological weapons. I am only thirty-five years old but my whole life has gone to rack and ruin since the fated day I took part in a demonstration for women's rights. After leaving the demo premises, I was electronically attacked on the very evening I went back home, but at the time I did not have a clue of what it could be. To hear my story would be terrifying and bewildering to a public unaware of this type of weapons and crimes but these are all true facts.

More often than not, my physical pains are so intense that I cannot even walk. On a couple of occasions I had to crawl to move from one room to another in my own flat.

To alleviate my pains I often have to adopt a foetal position for hours and hours, even at night, which means I am regularly deprived of a normal sleep.

To add insult to injury, noone in my family gives credence to my predicament. So, like most mindcontrol victims I'm suffering not only from physical attacks but also from total lack of support, comprehension and sympathy from my own family. As you know, the forums are the only way for us victims to get mutual help and support, so I beg you please do your best to let me have quick access to your forum.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Thank you beforehand for anything you could do.

New Year's hugs and kisses to all of you

Your friend and fellow victim Charlotte

Bericht über illegale, kriminelle Mikrowellenbestrahlung in und außerhalb der Wohnung

Beginn der Vorgänge:

Sept. 1998, Institut ZZBW der Uni Hannover. Ich war dort auf Einladung des Leiters zwecks Literaturstudium. Methoden: Organisierte Psychospiele (auch Rollenspiele gen.) durch den Leiter des Instituts und seine Mitarbeiter(innen). Verfolgter Zweck: Erzeugung von Irritationen, Verunsicherung, Öffentliche Bloßstellung und Erniedrigung, psychische Destabilisierung. Nach Rückkehr nach Erfurt Fortsetzung derselben Psychospiele unter Einbeziehung des gesamten sozialen Umfeldes (Mieter, Nachbarn, Bekannte, Freunde), sowie Beginn nichtlichen Geräuschterrors und von Behinderungen jeglicher Art im Alltag. Aus den Inhalten der Psychospiele geht hervor, daß zu meiner Person umfassende Sozialsplionage bis weit in die Verwandtschaft hinein betrieben wurde, und daß mir Ereignisse und Fakten über mein Leben eingehämmert werden sollen, die es überhaupt nicht gab. Auf jeden Widerspruch folgt noch stärkerer Geräuschterror und Intensivierung der Psychospiele mit immer denselben Inhalten. Erste Wohnungseinbrüche, Durchwühlen bis in den letzten Winkel, Abhören des Telefons, Überwachung der Wohnung. Reaktion der Polizei: Weil ich keine(n) Zeugen hatte, kann nichts unternommen werden. Im August 2003 Umzug in einen anderen Stadtteil. Ab zweiter Nacht in der neuen Wohnung noch stärkerer Geräuschterror. Hauptbeteiligte: Ober-, Untermieter u. Wohnungsnachbarin. Fortsetzung derselben Psychospiele, Wohnungseinbruch, Abhören des Telefons u. der Wohnung, Überwachung der Wohnung, Verfolgung in und außerhalb der Stadt. Ab Ende November 2003: Nachts Beginn der illegalen Mikrowellenbestrahlung mit vier Attacken direkt auf das Herz, was zuerst starke Schmerzen erzeugte. Am Morgen außerstande aufzustehen, stark geschwollene Augenlider, breite, schwarze Augenringe. Geräuschterror und Psychospiele gehen weiter. Flucht aus der Wohnung, weil bei Aufenthalt derart starke Körpervibrationen, daß das "Häpfen" der Nerven, Muskeln u. inneren Organe im Bauchraum auf der Hautoberfläche sichtbar und tastbar ist; wegen starken Stromgeföhls im gesamten Körper, wegen schnell ansteigenden Blutdrucks auf extreme Werte (z.B. 200:120), starkem Kopfdruck, Atemnot, Herzrasen, Panikgeföhle, Sehstörungen, Haarausfall, wegen Geföhls des Vergleichens mit starken Schweißausbrüchen. Tags Aufenthalt in Stadt und Unibibliothek bis zur Schließung um 24 Uhr, danach bis 5/6 Uhr früh Laufen und Fahren (mit Straßenbahn) durch die Stadt. Ab Ende 2004 zunehmend Übernachtung beim Vater/Bruder in Zeitz, Sachsenanhalt. Seitdem werden beide ebenfalls bestrahlt und leiden unter denselben Symptomen. In Zeitz Übernachtung im Keller des Hauses, nachts Umherlaufen in der Stadt, Flucht mit Auto in den Wald. Nach zwei bis drei Stunden sind wir geortet, die Bestrahlung geht weiter. Ab Jahreswechsel 2004/05 zusätzlich gezielte Bestrahlung beider Ischiasnerven, der Muskeln, Sehnen und Nerven von der Lendenwirbelsäule bis zu den Füßen, des li. Ellbogens, Bestrahlung der Genitalien, Erzeugung starker Muskelzuckungen am Hals, an den Armen, den Beinen, Kopfbestrahlung (Vibrieren im Kopf, starke Kopfschmerzen, hei werden des Kopfes mit starker Rötung), nachts immer wieder mehrere Attacken auf das Herz u. oft Strahlen" schläge", die den gesamten Körper zusammenzucken und um Millimeter von der Stelle schleudern lassen.

Motive des Haupttäters: Der Leiter des ZZBW ist in meinem und im Falle von Bruder/Vater Initiator und Organisator des Terrors, wobei er sich eines ausgedehnten, nach geheimdienstlichen Strukturen organisierten Netzes von Personen bedient. Anlaß für seine Terroraktionen ist angeblich mein damaliges Forschungsthema über "Die Verflechtungen von SED und MfS an Hochschuleinrichtungen in der DDR" sowie meine Mitarbeit während und nach der Wende in der Bürgerbewegung (u.a. Bürgerkomitee Erfurt). Er war übrigens der Einzige, dem mein Thema mißfiel!

Begründung für Verdacht, daß Bestrahlung v.a. aus Wohnung des Ober- u. Untermieters kam (betr. Zeitraum v. Aug. 2003 bis Jan. 2007): Im Mai und September 2005: Raummessungen wegen Strahlenbelastung, ergänzend dazu Körperspannungsmessung, Mundspannungsmessung. Ergebnis aller Messungen: Extreme Anomalien, Bestätigung, daß im Schlafzimmer, in Küche und Bad starke Strahlung aus der unteren Wohnung kommt. Bestrahlung aus oberer Wohnung fiel in der 2. Meßnacht plötzlich aus. Stieg ich jedoch auf die Leiter (Pflanzen auf Schränken gießen), dann schlagartige Verstärkung der Symptome/Schmerzen. Bestätigung durch Abschirmmaterial: Half die Abschirmung unter dem Körper liegend, kam die Strahlung von

unten. Besserung der Schmerzen mit auf/über dem Körper befindlicher Abschirmung, kam Bestrahlung überwiegend von oben. Messungen mit eigenem HF-Detektor ergaben HF-Abstrahlungen (weit im Gigahertzbereich!) aus allen Steckdosen !!, von allen Metallgegenständen, und sogar von der Plaste-PC-Tastatur. Vergleichsmessungen in drei anderen Wohnungen ergaben keine Anzeige auf dem Detektor. Weitere Beobachtungen: Obermieter schleicht um 07:15 Uhr mit Reisetasche, in der offensichtlich ein Gerät liegt (Form der Tasche!) in die 2. Etage, geht wenig später mit leerer Tasche wieder hoch, und verlässt um 07:30 Uhr mit Arbeitstasche das Haus. Mehrere Male beobachtet, dass gegen 07:25 Uhr eine schwarz gekleidete, mittelgroße männliche Person von etwas kräftiger Statur in die Wohnung des Obermieters geht. Kurz darauf jedesmal Verstärkung der Bestrahlung und/oder Änderung der Einstellung (Art der Bestrahlung). Dieselbe Beobachtung machte ich mehrere Male zwischen 22 und 23 Uhr. Auch um diese Zeit erfolgte regelmäßig eine Verstärkung der Bestrahlung.

Zur Beteiligung an Psychospielen: Meine Befragungen ergaben: Sie kennen weder Zweck noch Ziel, d.h. den Gesamtzusammenhang. Ihr Mitmachen erfolgte durch Bitten oder den Satz, sie würden ihm einen großen Gefallen damit tun. Die Befragten waren vom Leiter des ZZBW instruiert worden. Sie wurden verpflichtet, über die Instruierung zu schweigen und zu leugnen, jemals solche Instruktionen erhalten zu haben.

Häufig erfolgten Einmischungen in medizinische Behandlungen. Ärzten und Sprechstundenschwestern wurde gesagt, wie sie sich mir gegenüber zu verhalten haben (z.B. grob, abweisend, arrogant, anschreien), was und wie sie mir etwas zu sagen haben. Es kam sogar zu zwei Fällen von grober Körperverletzung während der Sprechstunden, die unmittelbar im Auftrag dieses Verbrechers und seiner Handlanger ausgeführt wurden. Meinem behandelnden Arzt, der ebenfalls instruiert wurde, wurde gesagt, es ginge um eine kleine Psychotherapie nebenbei, die doch nicht schaden kann! (Zitat des Arztes).

Verleumdungs- und Rufmordkampagnen: Hauptakteure: Der Vermieter der Wohnung, Ober- und Untermieter. Auf Beschwerden beim Vermieter wegen des Geräuschterrors sowie nach Zusendung der Messergebnisse über die Strahlenbelastung kam nur eine Reaktion: "Das bilden Sie sich alles nur ein! Gehen Sie mal zum Psychiater, Sie sind krank!" Nach meiner Mietminderung: Schreiben des Vermieters an den sozialpsychiatrischen Dienst mit der Aufforderung, mich unter Obhut des Vormundschaftsgerichts zu stellen, weil ich psychisch krank sei. Ich konnte diese Angelegenheit abwenden. Ober-, Untermieter und Nachbarin beschwerten sich beim Vermieter, ich würde nächtliche Ruhestörung betreiben, und dass sie sich durch mich belastet fühlen. Untermieterin behauptet, ich würde sie jeden Morgen wach trampeln.

Meine Gegenmaßnahmen zum Geräuschterror und Psychospielen:

Zwei Beschwerden über den Leiter des ZZBW beim Präsidenten der Uni Hannover (Schriftwechsel liegt vor): Ergebnis der ersten Beschwerde: Dienstlich sei ihm nichts anzuhaben. Meine zweite Beschwerde wurde an den Vizepräsidenten, der Jurist ist, weitergeleitet. Da keine Reaktion kam, fuhr ich nach Hannover und sprach mit ihm. Ergebnis: Siehe 1. Beschwerde und: Was er in seiner Freizeit treibt, darauf habe die Hochschule keinen Einfluss. Ich solle den zivilen Rechtsweg versuchen. Verweigerung einer Kopie der Stellungnahme des Leiters des ZZBW zu meiner Beschwerde. Begründung: Das sei eine interne Sache, also steht mir eine Kopie nicht zu. Es wurde offensichtlich, dass sowohl die Uni-Leitung als auch das Wissenschaftsministerium diesen Mann decken und schützen.

Andere außergerichtliche Versuche: Gespräch mit Obermieterin wegen des Geräuschterrors: Keine Änderung. Terminvereinbarung mit der Schiedsfrau des Stadtgebietes und mit der Gleichstellungsbeauftragten der Stadt: Am Vorabend Absage beider Termine. Auf Frage nach dem Warum keine Antwort. Neue Termine nicht möglich, ebef. ohne Begründung. Schreiben ans Ordnungsamt. Antwort: Es kann nur eingeschritten, wenn mehrere Mieter von Geräuschbelästigungen betroffen sind. Polizei gerufen. Bei Eintreffen urplötzlich Ruhe. Ich lade Zeugen ein: Urplötzliche Ruhe. Nur mein Vater wurde nicht bemerkt. Er konnte sich von dem tierischen Lärm der Obermieter überzeugen. Im Dez. 2003: Einstweilige Verfügung gegen Obermieterin. Daraufhin im Jan. 2004 Gerichtsverhandlung: Vermieter mit Ehefrau, Ober- und Untermieter, Mieter aus der 1. Etage u. mir unbekannt Personen sagen aus, dass es keinerlei Lärmbelästigungen gibt, dass alle meine Behauptungen falsch sind usw. Der Richter spottet über meine Beweisdokumentation. Die schriftliche Zeugenaussage meines Vaters wird nicht beachtet. Die mich vertretende Anwältin sagte kurz vor der Verhandlung: "So was kann man sich auch alles nur einbilden!" In der Verhandlung hockt sie schweigend da, kein Wort der Verteidigung. Sie nötigt mich aber, die einstweilige Verfügung zurückzuziehen, weil ich gegen die Mehrheit keine Chance habe, sich andernfalls die Kosten für mich um das Dreifache erhöhen. Ich verliere und muss die Gerichtskosten bezahlen. Der Geräuschterror geht weiter. Ich mindere die Miete um 50 %, weil meine Wohnung unbenutzbar. Reaktion des Vermieters: s. oben.

Strafanzeige wegen illegaler Bestrahlung, fortgesetzter elektromagnetischer Folter mit gefährlicher Körperverletzung und Mordversuch: AZ 591 Js 4605/05 (Gs Zs 326/05) vom Januar 2005. Verfahren eingestellt ohne Ergebnis.

Strafanzeige gegen Beamte der PI Erfurt wegen Strafvereitelung im Amt. AZ 591 Js 2117/05 (Gs-Nr: Zs 325/05) vom 19.11.2004. Verfahren eingestellt ohne Ergebnis. Nachdem ich meine Strafanzeige bei der Kripo eingereicht

hatte, kamen zwei Polizisten zu mir in die Wohnung mit dem Auftrag, mich zum Rückzug der Strafanzeige zu bewegen, was ich jedoch nicht versprach. In der darauf folgenden Nacht wurden beide Ischiasnerven derart stark bestrahlt, daß ich am Morgen kaum noch laufen konnte. Um acht Uhr klingelte mein Telefon. Einer der beiden Polizisten vom Vortag sagte in halmischem Ton: "Nicht wahr, Frau Altendorf, Sie ziehen doch Ihre Anzeige zurück!" Ich sagte, daß ich die Strafanzeige nicht zurückziehe, und daß er meine Entscheidung noch schriftlich erhält. Daraufhin kam keinerlei Bestätigung über den Eingang der Strafanzeige und deren Weiterleitung. Meine telefonische Nachfrage bei der Staatsanwaltschaft im Januar 2005 ergab, daß von mir keine Anzeige vorliegt, auch keine Tagebuchnummer o.ä. Meine Rückfrage bei der PI Saal ergab, daß dort ebenfalls von mir keinerlei Anzeige vorliegt. Das war der Grund für meine o.g. Anzeige gegen Beamte der PI Erfurt.

Abschirmmaßnahmen erfolgten ab Mai 2005. Probiert wurden verschieden starke Alufolien, Materialien aus Kupfer und Rauhkupfer, und eine lange Hose aus Baumwolle mit Silberäden sowie eine Betauflage und eine Mütze (Cape) aus demselben Material. Alle Materialien helfen jedoch nur bei schwacher bis mäßiger Bestrahlung. Starke bis äußerst starke Schmerzen können damit nicht verhindert werden. Die Kosten für diese Materialien betragen rund 1.200 Euro (Rechnungen liegen vor). Verwendet wird auch die Bemer 3000-Methode. Preis:

Ca. 1.700 Euro (Rechnung liegt vor.)

Gesundheitliche Schäden infolge der illegalen Bestrahlung:

Im März 2004, nach monatelangem Vibrieren auch des Herzmuskels: Herzmuskelentzündung. Unterlagen im Krankenhaus in Zeitz. Das Vibrieren des Herzmuskels war auf dem Langzeit-EKG sichtbar. Aussage der Stationschwester: -Sie hatten aber Glück, es sah schlimm aus.- Weichteiltumor am Steißbein, das anfangs sehr stark bestrahlt wurde, mit Erzeugung äußerst starker Schmerzen. Diagnose: Chirurg Dr. I. Seidel, Erfurt. Die Operation sollte im Oktober 2004 sein. Drei Wochen vor dem Termin plötzliche Rückbildung. Das Steißbein wurde nicht mehr bestrahlt. Nach einem Jahr Feststellung eines Schilddrüsenknotens und zu niedriger Schilddrüsenwert (Diagnose: Hausarzt). Ich muß deswegen Tabletten (L-Thyroxin 100 mg) einnehmen. Von Beginn der Bestrahlung an zu hoher Blutdruck. Feststellung durch eigenes Blutdruckmessgerät (Oberarm-Manschettengerät mit hoher Genauigkeit) und beim Hausarzt. (Verschreibung von Corinfar u. Nifedipin.). Herzrhythmusstörungen durch häufige natürliche Bestrahlung auch nach der Herzmuskelentzündung. Diagnose: Dr. Lang (Kardiologe, Erfurt). Muß deswegen Metoprolol einnehmen. Ischiasnerven: Behandlung durch Orthopäden (Spritzen) und mit Akupunktur durch Homöopathin (Fr. Schälker, Zeitz). Die Behandlungen halfen jeweils nur für einen Nachmittag. Durch ständige Weiterbestrahlung inzwischen Dauerschmerz. Laufen und Stehen nur noch mit starken Schmerzen möglich durch ständige Bestrahlung der Lendenwirbelsäule, beider Ischiasnerven, der Muskeln, Sehnen, Nerven am linken Arm, und vom Gesäß abwärts bis zu den Füßen. Behandlung: Schmerztherapeut, Erfurt. Linker Ellbogen: In einer Nacht Erzeugung starker Schwellung mit großem Bluterguss, Arm unbeweglich. Ellbogen sah aus, als ob mit großem Hammer draufgehauen wurde. Behandlung bis jetzt: Orthopäde. Durch häufige Bestrahlung des Bauchraumes: Zweimal Entzündung der Blase (Diagnose: Hausarzt) sowie inzwischen ständige Reizblase. Nachts kam es wiederholt zur Erzeugung von Hämatomen auf der Wade und an den Füßen, zu sichtbaren Strahleneinschüssen auf der Hautoberfläche und zu starken Schwellungen mit violett-schwarzer Verfärbung der Haut. Dazu liegen Fotos vor.

Sonstiges: Ich habe Metallimplantate im Körper (Häfte und Halswirbelsäule). Durch die Bestrahlung begannen sie zu schmerzen. Außerdem sind sie unter diesen Bedingungen ein zusätzliches Risiko, weil das Metall im Körper wie eine Antenne wirkt: Es zieht die Strahlung an und speichert sie. Die nachfolgende Abgabe der Strahlung an das umliegende Gewebe führt zu schneller Beschädigung oder zur Zerstörung desselben. Das heißt, die durch die Operationen gewonnene Schmerzfreiheit und Beweglichkeit kann wieder zerstört werden. Im Januar 2007: Umzug in eine Dachgeschosswohnung, um wenigstens dem Geräuschterror zu entkommen. Während zweier Besichtigungen dieser Wohnung spürte ich nichts von Bestrahlung. Am Tag der Übergabe der Wohnung war alles wieder wie gehabt, und ich stellte Einbruchspuren an der Wohnungseingangstür fest. Die Wohnungssuche war stark behindert worden und verlief mit noch intensiverer Bestrahlung. Jede Besichtigung mußte ich mit äußerst starken Schmerzen durchführen.

In der Wohnung Röntgenstr. 09 (Aug.2003 bis Januar 2007) kam es öfter zu lautem Knallen meiner Holz Möbel, so als ob sie zerbersten. Es handelt sich dabei um das Zerplatzen von Wassermolekülen im Holz, infolge der Bestrahlung. In den ersten anderthalb Jahren der Bestrahlung kam es zu starkem Blattverlust und Braunfärbung meiner Zimmerpflanzen. Es kam öfter zu Störungen am Telefon, am PC und des Küchlschranks. Die Geräte setzten wiederholt plötzlich aus. Immer dann, wenn ich (mit Handy) einen Monteur bestellt hatte, funktionierten die Geräte plötzlich wieder.

Während eines Besuches beim Vater wurden meinem Bruder und mir zur gleichen Zeit Übelkeit und Erbrechen angestrahlt, während eines anderen Besuches wurden beim Vater, Bruder und bei mir urplötzlich Symptome einer starken Erkältung erzeugt.

Bericht über elektromagnetische Folter

Ich bin jetzt 84 Jahre alt und werde seit November 2004 in allen Räumen meiner Wohnung und auch außerhalb der Wohnung illegal bestrahlt und gefoltert. Durch Raummessungen wurden vor allem im Schlafzimmer am Kopfende des Bettes extrem hohe Werte gemessen, die unter normalen Bedingungen in Wohnräumen weder vorkommen dürfen, noch rein objektiv vorhanden sein können. Es treten seitdem folgende Symptome und Schmerzen auf: Hautverbrennungen im Gesicht (siehe dazu mein Foto) über fünf Monate hinweg, starke Müdigkeit, physische Schwäche, Schüttelfrost, nachts öfter urplötzlich sehr starker Schweißausbruch am ganzen Körper, so dass ich mich waschen und den Schlafanzug wechseln muß. Ebenfalls nachts öfter starkes Aufeinanderschlagen von Ober- und Unterkiefer, wodurch ich mich einmal schmerzhaft auf der Innenseite der Wange verletzte. Es kommt zu starken Muskelzuckungen und Vibrieren des Körpers. Es werden öfter sowohl tags als auch nachts Wadenkrämpfe sowie Muskel- und Gelenkschmerzen im Rücken, an den Hüften, an Armen und Beinen und im Fuß erzeugt. Solche Schmerzen und Symptome kannte ich vor Beginn dieser Folter überhaupt nicht. Ich war trotz meines Alters so gesund, dass ich Wanderungen von 15 km am Tag und zusammen mit meinem Sohn Fahrradtouren bis zu 40 km am Tag machen konnte. Einmal wurde urplötzlich eine Erkältung und Übelkeit erzeugt, und einmal -das war im Dezember 2007- eine schwere Bronchitis mit hohem Fieber. Meine Stimme war völlig weg! Ich brauchte lange, um mich von dieser künstlich erzeugten Bronchitis zu erholen. Auch die Hautrötungen im Gesicht treten noch immer auf. Meine Augenlider sind sehr oft stark geschwollen. Über mich und meinen Sohn, der mit mir in demselben Haus wohnt, wurden Gerüchte und Verleumdungen in Umlauf gesetzt, so dass der Vermieter uns im Januar 2005 die Wohnung kündigte. Im Mai 2005 zogen mein Sohn und ich ans andere Ende der Stadt. Auch hier geht die elektromagnetische Folter ununterbrochen weiter. Wenn ich mit meinem Sohn durch die Stadt gehe oder wenn wir mit dem Auto wegfahren, werden wir verfolgt. Kommen wir am Zielort an, dauert es nicht lange und die Bestrahlung geht weiter. Auch in unserem Urlaub in Österreich wurden wir illegal bestrahlt. Nirgendwo können wir Ruhe und Erholung finden!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Targeted, Directed Energy Weapons And Mind Control from Germany. I was attacked since 1994.

Since 1994 we have inhabited a four room dwelling in the Gleinaerstrasse 01, without any occurrence of apartment related health problems. In march 2004 we started to experience insomnia at night, this was due to strong vibrating of the mattress. I first assumed, that the cause was from a night storage heater in rooms adjacent to my bedroom (above, below or next to my room). Conversations with other tenants in the house and the landlord about these interference's for the purpose of clarification and cessation of the vibration led to no result. On 30.08.04, I exchanged the coil spring mattress for a latex mattress. After that it was quiet for three nights, then the same interference's appeared again. From the middle of September 2004 the second room, used by me, started to be disturbed at night. From the of November 2004 the vibrations, as well as modified variants, occurred in every room of the apartment, dependent upon where I was, around the clock. Apart from the insomnia recurring each night, there are also other symptoms of illness from which I have previously never suffered: permanent exhaustion, strong internal unrest, tingling sensations in the feet and calves, pins and needles and itching of the skin, being physically drained, swelling of both eyelids, high blood pressure and high pulse rate, strong pressure to the head, and very frequent headaches, migraines and neck pains. My father, experiences again and again strong, red spots with effusion of blood in the face (cheeks, nose, chin), although he has previously never had any skin problems or any allergy. Moreover, his eyelids are permanently very swollen and red. On the advice of his family doctor, he underwent medical treatment for the skin. In the meantime, I have also had to be treated for high blood pressure and headaches. Since the end of November 2004 normal usage of the apartment has not been possible, because if we want to avoid the above-mentioned health problems, we have to be absent from the dwelling as much possible, both during the day and night. In this season, it is already difficult during the daytime, but it is an even a bigger problem at night, so that it is practically unliveable. On top that, the radiation is especially strong when the apartment is extensively used relevant to the time spent there, i.e. at night and on weekends and holidays. I now know that other causes, e.g. low frequency sound oscillation through a bass speaker or resonance from humming Trafos, can be excluded from the explanation of the illness symptoms. These can only be explained by especially in the apartment.

In order to eliminate the possibility that dwelling could be the source of this irradiation, we shut down the mains electricity for a night. This had no influence at all on the duration and intensity of the radiation or our problems.

After that, on the 7th January 2005, I asked Mr. Gasse, Dip. Eng. Electrotechnology and Building Biologist, to take measurements throughout the dwelling. He is qualified to measure high frequency radiation. Strongly increased radiation values were measured above all in my bedroom, but also in all other rooms, and that although the radiation perceived by us was weaker than usually at the time of the measurement (from 19.30 hours to 22.00 hours). Mr. Gasse confirmed that the results measured could cause damage to health and advised us to move as soon as possible. You can see in the measurement report that in the whole dwelling magnetic alternating fields of about 75 nT (nano Tesla) are present. In the area of my bed, a value of 731 nT was measured (SAR 200 nT). The values of the intensity of radiation with pulsating signals are analogous. In three rooms, values of 6,8 to 12,8 uW/m²; (Microwatts per square metre) appear. In the rooms used by me, these values amounted to 15 and 1,8 uW/m²;. Standards acceptable by building biologists are 0,1 uW/m²;. The same applies for the values of the electrical field strength. These measure at around 44 V/ms (volt per metre) above my sleeping place, twice as high as the rest of the dwelling. One can assume the source for that must be from the areas above or below the apartment.

However, according to their statements, the other tenants in the house have no such problems, nor do they complain about symptoms of previously unknown illnesses. It is therefore seriously suspected that our dwelling is intentionally irradiated, ie to damage us!

For clarification, regarding the direction the radiation harassment comes from and from whom, I request on the basis of the measurement report of our dwelling to carry out the same measurement in the apartments above and below us (the R. Korda family and the Schmidt/Schrimpf/Grimm family).

Mr. Gasse has already submitted this proposal to the landlord of the house, Mr. Flister who did not follow up on it until now.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

the 9th of August, 2007

I am a victim of targeted, directed energy weapons from Germany.

Wednesday, 5 January 2005

There was once a constitutional state - Do only fairy tales begin like this ?

One day I noticed I felt unusual. I was sweating, I was boiling hot, nauseous, dizzy, my heart racing. It only lasted a short time, then I felt normal again. Yet soon the symptoms grew worse, new ones appeared, and the rest periods' became rapidly shorter. I had stinging pains on my body and headaches pressured my skull.

At first this happened only at night, but very soon it was during the day and night. If I speak about it to anyone, I get a look which is easy to understand even without words and they say, that doesn't exist, it's psychological, they are demons, you have paranoid hallucinations, it's your Karma, you are strong, you'll get through it.

An engineer whom I ask for advice tells me of electronic weapons and of instruments, that were developed for psychiatry, which are used to "treat" (cure) people to free them from their addiction. He shows me letters of "targeted people". The heading says: "torture and murder with energy weapons in the Federal German Republic". The brutally tortured writer speaks about the worst violation of human rights in Europe since the Holocaust. The targeted person first runs to the doctor, who finds nothing wrong, to the police, who laugh at him, then he writes letters that go unanswered, goes in person to the criminal police, who say : why don't you move ? He gets to the central office of the police, still full of hope because there, they know", also because the military "are working actively on these weapons".

Someone is aiming at me, why ? I find red and also reddish-purple circles on my body, they are the targeted red burned points. To avoid directed radiation I move my bed, sleep on the floor in every conceivable corner of the house, on the balcony, in the woodshed, in the farmyard, on the haystack, even in the chicken coop. The criminals shoot cowardly at their victims, from buildings, from parked cars or cars driving past, from the surroundings, they irradiate when shopping, at the bank, at the hairdresser's, during walks, they pursue one on the freeway, keep tormenting during all the vacations, are present at each and every trip, in each hotel room.

A doctors calls me, saying he was coming now to examine me. Absolutely not," I laugh into the telephone, "I don't need any doctor and if I do, I'll find one myself". He is sent by the department of public health. The gang of irradiators" organised that. I used my rights to access my private files and was dumbfounded to learn that I am strongly suspected of a relational and impairment delusion (what is that ?), which borders on persecution paranoia, that a decision to provide care was taken, that a selected caregiver had already accepted. Four times the criminals tried with the same method to impose care. Doctors, judges, town mayors are ready for this insidious game ! The terror continues. Induced electric currents fall on my nose, pulsed bursts of radiation hit my lips, fall on the bed cover, explode in my ear, hit my eye. It hurts, and makes me feel helpless and especially furious. I run outside in the street but the enemy remains cowardly in hiding. The radiation's hit all around the walls of the house, gently at first increasing in force to the sound of a fire cracker. What are those devices ? They cause different body reactions : I become hot and almost instantly completely sweaty, I feel terribly sick, dizzy almost to fainting, I have the worst headaches ever, my intestines begin to rumble violently, I immediately get diarrhoea, the heated current attacks my body, giving me very bad muscle cramps and stabbing pains in my intestines, heart, head, arms, legs, genitals. A bestial torture ! And no one wants to believe it ? That can't exist, go to see a psychiatrist, says a person from the

Federal intelligence services (BND) in Munich, when I call them. It's easy not to understand someone, not to believe them, not to deal with their problem, not to imagine what it would be like in their situation, not to be compassionate, no need to suffer with him, to see only one possibility, that it is unbelievable, not to envisage any other possibility and to remain comfortably without imagination.

Obviously, they deny my feelings, my experience and above all my awareness of what is happening to me, to my body. In the meantime we are grouping ourselves in an association of victims of electro weapons. We know more than a hundred people who are undergoing similar brutal torture. We are informing people by distributing leaflets, and writing letters, many letters. All the home ministers, all LKA and BKA (local and national criminal police), and different institutions know about the nature of this crime. Few answers have come and unfortunately, up to now, no help. During this time we know that not only microwaves are responsible for this intensive damage. There is also optical and ionising radiation, low frequency sound (infrasound), high frequency sound (ultrasound), infrared radiation and laser radiation can be used to target us. Scientific reports, books, periodicals inform us abundantly already about this inconceivable torture. In spite of this, the criminals continue to torment us, cruelly, destructively, with a brutality that no longer needs to be described.

Will our life ever feel like a life again ? Where are the human rights ? Is dignity of life only to be found in the constitutional law? In which country do I live now and how do I obtain these basic rights, that are being promised to me? Can you explain that, Mr. Schily ?

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

SINCERELY

DEAR SIR/MADAM

WE SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

19/3/09

Dear Dr. Les Dove and MC Mail Team,

We found this email address on Dr. Les Dove's Blogspot. We really do know how he and other targeted individuals feel. Thank you for all your hard work and putting the information out.

We are a family of three adults, mother, son and daughter (Viviane Anamuah, mother of Ben and Rachael). We've been reading your Blogspot. We know what you say is true and we have been illegally subjected to a lot of things for the last 20 years.

The State-backed stalking and illegal surveillance inside our home (bathroom and toilet included) and when we go out has been going on since 1991 to date and in this house - despite the official line given by private investigators that nothing was happening. We paid them to conduct a 'bug sweep' on Wed. 4 March 2009. The 'bug sweep' was supposed to detect whether there was hidden surveillance equipment, like listening devices and cameras installed inside our home. They just took our money before they did it and lied to us. Had we started accessing the internet before March, we would have saved ourselves £700 private investigator fees. They insisted that we paid them the money first. Because we were desperate to stop the electromagnetic torture and being spied on all the time, we did so. It was only after we handed over the money that we found out the man conducting the surveillance check was a former police officer!

Mind games are played to try and make us paranoid, via the TV, radio etc. to indicate that persons have heard what

we've said out loud. Other things were illegally done to us by the State before 1991. We've been everywhere you can think of and more. People are told not to assist us, especially solicitors.

We come from a very large and extended family who we've been deliberately isolated from for many years by UK authorities who interfere with all aspects of our lives at every opportunity from 1989.

We've had continuous housing/homeless problems - problems from landlords, estate / letting agents, councils, housing associations, neighbours, statutory bodies of all kinds. We've had to move home a lot, all over London (over 29 times in 16 years). We've been evicted onto the street and deliberately prevented from finding shelter, here and abroad because of outside interference many times. We've never had a proper home with peaceful use and enjoyment of it because of persecution by the State and other people used by them. We've even had people enter a previous home from next door, through the adjoining attics at the top of the house while we slept, to cause us much stress and distress upon discovering broken and missing things - some of them personal. We have had many things stolen from us including 2 large holdalls full of our clothes, shoes, letters and postcards, private documents and other irreplaceable items of personal value from Gatwick Airport in 1999, the year we came back from abroad.

Since 1991 we've rarely been out altogether and left our home empty to make sure nobody has access. Indeed, one of the reasons for our arrest last year was so the police and whoever else could have free reign to snoop and rummage through our few belongings. We don't take drugs, we don't even smoke and hardly drink - the worst they would have found is vitamin supplements. We were all arrested for a water leak that did not exist and detained in police cells for 7 hours. The police falsely accused us of committing Criminal Damage because of the alleged water leak. It was all bogus, so the police did not charge or prosecute us, and released us after traumatising, defaming and publically humiliating us. (This is just a brief outline of the details. The police conducted the raid as degradingly and terrorising as possible.) They keep trying to find ways to criminalise us when psychological torture doesn't work and the mad cycle continues unrelenting.

We are currently dealing with neighbours (on the left) harassing us with noise - hammering, banging etc. and our landlord (on the right), making demands for unnecessary intrusive access to gain control, manipulate and condition us into submission etc, because we are still managing despite everything; many years after it all began. The same and similar forms of harassment, persecution etc. is repeated everywhere we live to grind us down and cause us as much suffering and torment as possible and to taunt us using all sorts of mind games also. After all these years we know the pattern well - we know the authorities would like to kill us as examples to other people like us. We know our being black is part of the reason we are targeted. The racist element has been all too clear, we felt the Nazi/Fascist influence in our situation from the beginning.

All this has been played out in public so long that persons, authorities behind it attack us out of their feelings of inadequacy, embarrassment, etc. In 1992/3, we were told by Ken Livingstone (who was then our local Member of Parliament) that what was being done to us was being done to so many people, that they were being driven mad deliberately and that the people behind it were vindictive. They've certainly been continuously vindictive to us and we've done nothing to them or anyone else. We can attest to their bloodthirsty, sadistic and perverse vindictive nature - they do all this and more to us because they are evil and wicked.

They lie about us at every opportunity to try to destroy our personalities, minds, reputations and lives and when they come out looking bad, they blame and target us all over again.

We've not been left alone to work for long or to have any kind of life, friends, education/training, etc. However, we have survived because of our faith in God, we pray together at home and still do what we can to deal with the situation. For instance, when we were all illegally arrested and detained for a non-existent water leak in Sep 08, we eventually found a solicitor to deal with it, although it's still early days. We are sensing they would like to drop us, just as solicitors have done before.

At the moment, we have no dealings with anybody, not even our own large extended family because they are manipulated to deal with us in as negatively, hostile and as wicked a way as possible, or ignore us altogether to help make us mentally ill by force, especially mother of this family, Viviane Anamuah. Some if not all of our extended family are probably being targeted themselves but refuse to acknowledge it.

We have continually had neighbours, landlords, estate / letting agents we rent from and other statutory etc. bodies knowingly colluding to make our lives as miserable, impossible, unsafe and threatening as possible to make us physically as well as psychologically ill. There are motives regarding things that people want to do and get from

our bodies - the 'medical mafia' and co. have already taken blood, much more than they needed, under the guise of investigating a health ailment they deliberately caused (pains in the back and kidneys) with their directed energy and neurological weapons. They have used us for psychological and medical experiments that we have not consented to from 1991 and electromagnetic torture has presently left its mark in various ways, especially with Viviane Anamuah, by targeting the left side of the brain to prevent the right side of the body from functioning properly, especially the right hand with writing. The right hand was directly targeted also with whatever device at their disposal, during the night when asleep. This is because persons observing especially from next door know we keep detailed written records. We also write because we have been targeted so long that is all we can do. We have written many letters of appeals for help to various organisations, bodies internationally and within the UK. Our lives are not safe because of this also.

Ben and Rachael Anamuah have also been given health problems (circulatory, skin and other conditions).

We have been physically attacked and received death threats numerous times. We've been threatened on the bus (on our way to meet with a civil rights org.) that we would be "f***ing stabbed like Stephen Lawrence". (Stephen Lawrence was a black student of architecture and was 19 years old when he was murdered at a bus stop on his way home, by a gang of 5 known racist men in 1993. Some of whom had contacts in high places - the police, Masons, etc. The perpetrators have never been brought to justice, despite all the key witnesses and evidence against them.)

The perpetrators behind our suffering lie about everything, especially their true motives for why they want to use us and our bodies. We suspect the authorities are trying again to soon illegally detain us in mental hospital and/or prison to achieve their aims and help cover things up to prevent this present legal action against the Metropolitan Police, whom we have been told have ignored all letters to them from the solicitor.

Our mobile phones and this email are not secure, in fact, we don't even know if you will receive this. If you do, can you let us know by email or call any of the following numbers and leave a message?:

Hello! Viviane, Ben and Rachael Anamuah

Thank you for your e-mail.

As I have said many times before, the British security services are no more than degenerate state terrorists, who in reality are under the control of nobody but the British Crown, who will do nothing to stop their torture of people in Britain, or elsewhere, because Britain's fascist MI5 alone keeps royalty and their political puppets in power.

While I lived in Britain I did everything that I possibly could to try in some way to bring MI5 and their secret police into being exposed for the lying torturing cretins that they are, but I was unable to do anything at all to bring that about. State censorship and control prevents the British people as a whole from knowing anything worthwhile about their police state and the horrendous methods they use to repress their population.

I have received many letters from British victims of torture over the years and still do. But unfortunately I can do nothing other than to keep on writing and trying to expose these crimes worldwide, as many other victims are. And that I am afraid is all we can do at present. Eventually the pressure on the UK to reform it's practices of torture will have an effect, but as things are that is still a long way from becoming reality.

Even when people move abroad and away from Britain their agents abroad try to keep up pressure on their victims but it is to some degree better for those victims who move out of the country than for those who stay in it. I now live in Mexico where I certainly have more freedom than I ever did in the UK, but moving overseas can be very difficult to say the least.

Whatever, you have my best wishes for the future. Just keep on resisting as best as you can. Hopefully the day will come when we can all be truly free again.

Best Regards, Les.

Dear MC Mailteam International,

Please add the following in addition to our Case Summary (currently no. 7 in the Europe list):

<http://www.freedrive.com/file/1009928,over-250-torture-cases-from-europe-repai> (under "A")

We wish you and everyone every success in our fight for justice and freedom. We have continued exposing these inhumane, illegal and immoral crimes against humanity being committed against us all.

We have been raising awareness at grass roots level also as people high up are already aware of the suffering they are instigating and inflicting on people like us.

We have been promoting your work and website to organisations such as:

Human and Civil Rights Orgs. (UK & International) e.g. Liberty

Dept. for Work and Pensions / Benefits Agencies

Legal Orgs.

Printed Media & Radio

Borough / Council / Government Depts.

Worldwide Religious Orgs. eg The Quakers

Utilities Companies

Political Orgs. and Activists

Mental Health and Prisoner Support Groups

African Union

Victim Support Groups e.g. Medical Foundation For Victims Of Torture

Please also add the following to our Case Summary which we have sent to certain orgs. also:

"Could you please consider the following information of what is being done to innocent people in addition to COINTELPRO?"

We are being targeted by persons via electromagnetic torture and other things to interfere with our progress in our legal action against the police.

They have been vicious and prolonged in their attacks to cause pain (short and long-term), sleep deprivation, emotional and physical problems and interference with brain function among other things, including preventing recuperation and normal running of our daily lives.

The authorities are trying to cause permanent brain damage and permanent physical / medical problems, in order to hospitalise first, mother Viviane Anamuah - hence the increased regularity and prolonged severity of each electromagnetic attack.

This targeting of us became more severe after we told Social Services about what the paedophile Headteacher of the new primary school kept doing to daughter Rachael. Although, it first started when I (Viviane Anamuah, mother) took Ben (son) and Rachael out of a bad school, taught them basic literacy and numeracy at home before placing them in what was supposed to be the better school above. Social Services and the Education Dept. kept bullying Viviane to put Rachael back in the same school instead of dealing with the matter properly and was blocked at every turn when she found alternative schools for them (Ben was also being mistreated by teachers in the first year of his new secondary school. They both ended up staying home and have barely had a formal education). The skills they have acquired are mainly self taught. Ben was offered a place at Brunel University in 2003 after coming top of his Higher Education computer course but could not go because of all this. Rachael was in a responsible position, doing the same work as the qualified solicitors in a law firm at the age of 18 in Immigration Law and in Conveyance at 21.

We are saying all this to inform you that we have never done anything to warrant all the targeting. We have no protection from these attacks and other things done to us. These are gross, extremely bad Human Rights abuses and crimes against humanity - internationally as well as domestically.

Throughout these 20 years, we have conducted ourselves properly, been law-abiding etc.

We have been consistently lied about on mental health, police and housing records for years. Our General Practitioner (GP), optometrist and dental records have been missing since 1995/6. We are stalked and hounded everywhere we live, to continue the same cycle of targeting. We are living on £260 monthly Disability Living

Allowance (for Viviane Anamuah), we are not safe to work or do the Government training programme they wanted us to attend in order to continue being paid other monies. So for safety and security reasons, we are being forced to live like this. We are about to be made homeless again at the end of this month after a six month tenancy. This unsettled way of life is done to us deliberately to cause and compound stress, poverty and continuous hardship in order to induce mental and physical / medical illnesses. It is stated in UK Mental Health publications that continuous stress, homelessness and poverty are major factors in causing mental health problems, hence why we have deliberately and consistently been subjected to all the above and more. We have not succumbed to this and continue to be targeted because they have other motives (which we and others know of) for wanting to incarcerate Viviane Anamuah first, then the rest of us.

Is there any way you or people you know can direct us to people we could possibly go to for protection? Unfortunately, the very people we have been going to and are supposed to go to (the police, etc), are the same people causing us problems. They are not doing it on their own. We've been to all the usual organisations, sometimes, more than twice and three times over the years.

Many innocent people of direct African descent, migrants and of African origin are suffering at the hands of corrupt and wicked people / authorities here in the UK and elsewhere. They have wanted to kill us even before we sought help from Human Rights and other organisations. We do not need to lie about anything. We are continually lied about. We are doing what is right. Our lives are not safe.

We (Viviane, Ben & Rachael Anamuah) wondered if you intended to look into people persecuted / targeted unjustly. It is something that many people of various backgrounds, religions, etc. have to deal with on a daily basis.

Are you intending to do any articles on people persecuted / targeted unjustly?

We've sent this email to you also because we know children and young people (especially those of black origin) are also targeted / affected with the same methods. Ben and Rachael were 7 and 4 years old when this all began.

Would you be interested in researching these serious Human Rights abuses?

Would you be interested in helping people by spreading the word?

Would you be interested in investigating and covering our case? (Our brief Case Summary can be found below.)

Please see <http://www.freedrive.com/file/1009928,over-250-torture-cases-from-europe-repai> (under "A") .

Sorry to have to send this lengthy email. We felt it was necessary just in case you or people you know of can suggest anything.

Thank you.
Viviane, Ben and Rachael Anamuah"

As is the case with you, John Finch, MC Mailteam International and many others, we have received very few responses (none of them helpful). We continue to press on.

Thank you and God Bless You All.
Viviane, Ben and Rachael Anamuah

01/10/09

Please note: We have since moved out of Hamilton Road to a new address, but the situation is still ongoing...

6/12/09

If you're still having the same probs, I hope you and the family can continue to be strong. I and my family know how hard it is. My mother, sister and I are in the same situation. Infact, we're to move again after just 2 months due to the usual - evil people, tactics and criminal mentalities. The good side is, through your work and other sites, corrupt people are being exposed for what they're really about. The truth will not stay hidden forever and is coming out more and more every day.

Hopefully, you and the family can continue to pull together; not just for the Season but through the New Year and beyond. We don't usually celebrate Christmas because twisted people usually ruin it for us anyway. But have a good one.

25/2/11

We really hope things are better for you all. Thanks very much for the emails. We are having to move yet again so we've continually had our hands full working hard to prevent our being homeless on the street again.

Regarding the information about the European Court of Human Rights, we've been considering making an application to them for some time, actually years. We've been everywhere else we can go and the corrupt, control freaks, criminal human rights abusers using organised torture, and surveillance to immorally and perversely spy on us 24/7, have continued in their voyeurism, and constant monitoring to help in their obsessive need to make us suffer, to control our minds, thoughts and behaviour.

09/03/11

We moved from the above unspecified address (after Hamilton Road) 6 days ago, Thursday 03 March 2011. We had nothing but trouble from the previous evil, twisted landlords while we were there and even after we moved out – obviously carrying on the dirty work of others in positions of authority, as usual. We have not even been at this current address for a full week yet. After the first one / two days, the electromagnetic targeting began. Bloodthirsty, sadistic perpetrators of wickedness, still abusing their positions, have stalked us all the way to this new address, to carry on their daily electromagnetic microwave torture via their brain satellite weapons, to waken from sleep, to sleep deprive, cause pain and to try to send their main target (Viviane Anamuah) over the edge into madness, in order to incarcerate her, the mother of this family. The worst hit since being here was this morning at 02:36hrs to the back of Viviane's head as she lay sleeping. The medical mafia's long-held plans to surgically mutilate Viviane and do other things, have never changed, neither have their plans to do whatever they want with Ben and Rachael, once, they hope, Viviane is taken out of the picture, which amounts to slavery and which in some people's minds, never ended. They are determined to keep slavery going in various forms despite what they say officially. There have never been any legitimate reasons for all they've been inflicting upon us and have continued to try and wreak revenge for no reason other than that we as a family have survived their evil together and lived to tell the truth. It is obvious that what we have been going through as a family has been done from ulterior motives to cause us as much grief and illness as possible, like real mental illness and physical problems that we would not have without their twisted use of their lethal weapons of mass destruction and control.

We are not the only ones by far and there are many others being deliberately made ill by the same perpetrators and others in collusion, whether the victims know it or not. Some victims of illnesses that they would not otherwise have had are in our extended family. They have succeeded in damaging some people in our extended family in various ways, which is one reason why the perpetrators of evil continue to try and succeed in doing the same to us, as if the 22 years they have stolen from each of us and the constant degradation and indignities are not bad enough. They carry on because nobody stops them and / or because they are all in on it, high and low, but especially wealthy, privileged and corrupt individuals with influence. It is a culture of evil madness that they are all proud to belong to, since it feeds their psychopathic, megalomaniacal mindsets. They knowingly, deliberately and systematically affect the whole family then venomously blame us for the situation they have put us in. They generally like to 'blame the parents', in our case specifically Viviane and claim to be 'rescuing' and 'saving the children', but they lie as usual.

As they hypocritically pontificate to others about human rights, democracy and civilised behaviour, look at what they have been doing to us and others for so long.

We've been everywhere else we can go and the corrupt, control freaks, criminal human rights abusers using organised torture, and surveillance to immorally and perversely spy on us 24/7, have continued in their voyeurism, and constant monitoring to help in their obsessive need to make us suffer to control our minds, thoughts and behaviour.

28/03/11

We are still being targeted in this new neighbourhood in the same varied ways as before during the day and through the night with 24 hour surveillance inside the house and when we go out. The stalking and electromagnetic torture continues. So also the sleep deprivation and damage they cause, in the urgent hope of completely destroying our lives and bringing about our eventual deaths.

13/4/12

We recently sent emails to media/entertainment and sports personalities and others some of whom are involved in humanitarian and social justice work, for instance, actors Don Cheadle, Ben Affleck and Matt Damon who are involved in www.anteupforafrica.org. The video on the homepage explains what they do. They may be interested in informing others of these crimes being perpetrated upon us and others in various walks of life. There are probably other known personalities you know of on your side of the world.

We'll check though the list you emailed.

Below is what we sent to people like the above (including our blog address).

God Bless!

Viviane, Ben & Rachael

Thank you for all your hard work.

We would like to draw your attention to people, including ourselves, being abominably used and abused via military-grade electromagnetic / microwave torture via brain satellite neurological weapons, State-backed stalking and other things. We, the Anamuah Family, have done nothing to warrant these and other abuses which have been taking place since at least 1989. Please see our blog www.yoziki.blogspot.com

Please make others aware of these crimes against humanity taking place in the US and here in the UK, as John Finch's compilation of Torture Case Summaries from Around the World document:

www.freedrive.com/folder/177784,over-1200-TORTURE-AND-ABUSE-CASES-BY-SAT

Thanks again.

God Bless!

WE DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Thank you and God Bless!

DEAR SIR/MADAM

**I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED
ENERGY AND NEUROLOGICAL WEAPONS**

I HEREBY DECLARE ON MY HONOUR THAT THE INFORMATION GIVEN HEREIN IS ACCURATE AND
TRUTHFUL.

I am a foreign language lecturer from France. I have French citizenship .I took early retirement almost under duress
in 2006. I HAVE BEEN A TARGET FOR ORGANISED STALKING, DIRECTED ENERGY WEAPONS,
NEUROLOGICAL WEAPONS AND ELECTRONIC TORTURE SINCE JANUARY 2004.

I am being attacked 24 hours a day, 7 days a week, 365 days a year. Because of the countless episodes of the story,
I will only give a broad outline of the situation.

CURRENTLY THE CRIMINALS ARE CONDUCTING THE FOLLOWING TORTURES:

- 1.MY WHOLE HOUSE IS SET UP AS A TORTURE CHAMBER BOMBARDED WITH ELECTRONIC
ENERGY AND MICROWAVES.
- 2.MICROWAVES INDUCE DIZZINESS, WOOZINESS AND EXTREME DISCOMFORT IN THE HEAD.
- 3.DISRUPTIONS OF BODILY FUNCTIONS SEEM TO BE THESE CRIMINALS' MAJOR DELIGHT - EVERY
AREA OF MY BODY HAS BEEN HIT BUT THEY TEND TO FOCUS ON MY GENITALS. THE NEXT
TARGET IS MY BOWELS. CONSTANT PRESSURE AND PAIN IN THE LOWER ABDOMEN CAUSE
DIARRHOEA. CROTCH ASSAULT WITH THE OCCASIONAL "ELECTRIC CATTLE-PROD" BEAM UP
THE POSTERIOR. JABBING AND POKING SENSATIONS WITH HOT FLUSHES IN THE ANUS.
- 4.VERY HIGH BODY HEAT OR ALTERNATE HOT AND COLD SENSATIONS.
- 5.ARTIFICIAL NIGHT SWEATS THROUGHOUT MY WHOLE BODY, PARTICULARLY THE GENITALS
AREA.
- 6.SORE MUSCLES OR CRAMPS IN MY LEGS. I'M ACHING AND STIFF ALL OVER EACH AND EVERY
WAKING HOUR.
- 7.SLEEP DEPRIVATION. LACK OF SLEEP IS WHITTILING MY STRENGTH AWAY.
- 8.FORCED NARCOSIS ACCOMPANIED WITH EXTREME DROWSINESS (FORCED INTO SLEEP).
- 9.VISUAL DISTURBANCES...ETC
- 10."STREET THEATER" OR ORGANIZED STALKING EVERY TIME I GO OUT AND WHEREVER I GO.
I COULD GO ON AND ON, I COULD WRITE FOR A HUNDRED PAGES ABOUT WHAT I HAVE BEEN
THROUGH.

It all started in 2004 after a few petty squabbles with a female Ukrainian neighbour in a workers' hostel in Paris,
where I was to stay on a temporary basis i.e until I found new, permanent lodgings. During the last quarter of 2003
my neighbour and myself were really good friends showing mutual respect and always taking care not to upset each
other. Unfortunately, things started to change from mid-January 2004 onwards. As my neighbour was becoming
noisy at night, I went and asked her kindly to be quieter. I then thought that the situation would be back to normal

but she was noisier than ever. I tried to understand this drastic change and I discovered that my neighbour was a prostitute. I then made it clear that I was not finding fault with her activity, I only wanted her to respect my need for peace and quiet. As all my efforts to make her see reason were fruitless, I had to appeal to the hostel manager who listened to my grievances with only half an ear. As a last resort I went to see the police for breach of the peace at night. Sadly, they would not believe me when I started to explain the situation. They asked me to give them proof of my neighbour's being a prostitute, although I had made it clear I was not coming to expose her but I only wanted peace and rest. I went back home feeling desperately lonely and defeated. Everything gave me to understand that my neighbour had connections in high places. She was rowdier than ever, so I had no option but call the police emergency services, one night. They came and merely pointed out that I was just a violent, worked-up person posing a threat to my neighbour, which, of course, was totally untrue. So the following day, I was taken by force to a clinic in the outer suburbs of Paris for what they would call psychiatric treatment. I stayed there for two months to follow a treatment of which I had no need whatsoever. And that was the beginning of my present ordeal. I quickly lost my good name in the hostel and in the community because my neighbour started to smear my reputation by spreading false rumours that I am a paedophile. I am NOT a paedophile nor a drug dealer nor a criminal in any way but it seems that a whole cabal including my neighbour has decided that I am a sex offender and has somehow convinced the community that I pose a threat to them. I HAVE NEVER BEEN ACCUSED OF SUCH AN OFFENSE BY ANYONE OTHER THAN THIS NEIGHBOUR, NEVER BEEN CHARGED, NEVER BEEN TRIED, NEVER BEEN FOUND GUILTY. The "paedophile rumour" seems to work quite well because the stalkers mistakenly believe it is their civic duty to destroy the perceived enemy of the community. Taking part in this activity gives them some sense of power.

They resort to these wicked machinations because, sadly for them, I am a respectable citizen with an unblemished character and so they can find nothing in my life to provide them with a source of scandal. They must therefore resort to methods which have no regard for truth and decency.

Again, it is singing the same old tune : LIE ! Lying is the cornerstone of organized stalking. It's become part of everyday life nowadays to accuse anyone undesirable of paedophilia.

I was an easy prey, I just happened to be in the wrong place at the wrong time. I did NOT do anything wrong, my only "crime" was I unintentionally exposed a crime, I was unwittingly a troublemaker. I upset, disturbed and got in the way of, an entire mafia ring of prostitution, without meaning to.

I eventually carried out a long, thorough investigation discreetly and under cover, like a real private detective. I met lots of people even remotely connected with the problem, I read hundreds of mindcontrol victims' accounts and countless experts' books and articles and the really good thing is I am in possession of evidence and testimonies. I have material witnesses, eyewitnesses and character references. There are not many of them but they are reliable and respectable.

To cut a long story short, I left the workers' hostel in March 2004 but I AM UNTIL THIS DAY A TARGET FOR ORGANISED STALKING, DIRECTED ENERGY WEAPONS, NEUROLOGICAL WEAPONS AND ELECTRONIC TORTURE.

The general public is still ignorant of these weapons mistakenly called "non-lethal".

THERE IS MASSIVE IGNORANCE AND SECRECY REGARDING THESE TECHNOLOGIES. THE PERPETRATORS OF THE ATROCITIES REMAIN UNPROSECUTED. I have to face an "eternal cross-purposes situation", because this worldwide ignorance is somehow kept up in a pernicious and machiavellian way by some kind of new world order. I repeatedly attempted to describe to friends, family members and general practitioners and specialists what had been happening, only to be rebuffed with "it's so far-fetched" or "it's all in your head". This HAS NOTHING TO DO with my state of health. Definitely NOT. Everything is staged to make us (victims) look unbalanced and delusional. Although I was and still am perfectly aware that there's nothing the matter with my physical & mental health, I had OF MY OWN VOLITION 8 complete checkups between 2004 and 2007. I investigated my own health situation thoroughly mainly to put my next of kin's mind at ease and to please some good friends of mine who wrongly feared for my sanity. Schizophrenia, paranoia, persecution mania and God knows what, NOTHING OF THE KIND!

I can also assure you that I am FAR FROM developing a problem in my perceptions. When I was taken against my will to a psychiatric hospital (illegal internment, obviously), it did not take the hospital staff long to see that I was totally sound in mind and body. Only the psychiatrists pretended not to see it. I understood only much later that that was part of the whole "staging" too.

I am appealing to you to take this matter very seriously and consult with experts about these technologies and tortures. As you are well aware, so-called Non-Lethal Weapons are openly being developed by NATO countries. By writing you I hope that you will acknowledge my protest, aid in raising public awareness and legally support my appeal for justice. I cannot accept that this is an injustice for which there is no known remedy.

I am pleading for your help to be released from these atrocious cybernetic shackles! Please address the pleas of all

victims by ending all forms of electronic genocide.

B. ADDITIONAL INFO FOR A BETTER COMPREHENSION OF MY TESTIMONY

I said in my testimony that I have made in-depth investigations, long after I left the workers' hostel in March 2004. At the time I was there, between July 2003 and late January 2004, I was not aware of anything untoward or suspicious. My former Ukrainian neighbor claimed she was a student legally enrolled in a Paris business school. Later, when I carried out my inquiries, I learned that she was effectively enrolled in a school but she did not attend the courses, she was (and may still be) part of a "callgirls network." I am in possession of evidence about this. So, what I had suspected before turned out to be true.

At the time, I could only see her and the endless coming-and-goings of men into her room, but I had never imagined that there was, in fact, a whole network behind this activity. It is with the benefit of hindsight that, several months later, I discovered that the Russian-speaking man who often came and saw her was in fact a procurer. This man spent most of his evenings and even his nights in a car which was discreetly parked always at the same parking space he had rented, next to the hostel. From his car he could clearly see my ex-neighbor's window and the men's shapes behind the net curtains. I did not suspect anything at the time. Later, I discovered that the girl was in fact completely under his yoke. She belonged (and may still belong) to a network of prostitutes discreetly called "callgirls", but at the same time, she used to prostitute herself for this man at night. My investigations have also revealed that other Russian-speaking men use the same method in other areas of Paris, and even in other cities of France.

I lived on the top floor of the residence. At the time, I had naively confided in two or three girls on my floor. From the way they reacted I quickly smelt a rat. Again, my investigations have revealed that a large number of the girls on my floor and perhaps in the whole residence were prostitutes. Once again, I have relevant evidence.

At that time, the cards of the Regional Center of University & School Works (CROUS) intended for some of the girls on my floor frequently ended up in my mailbox "by mistake". That had already intrigued me but I did not immediately paint a gloomy picture of the situation and did not jump to gloomy conclusions either! Again, in retrospect and after investigations, I discovered that the so-called errors were not errors at all, but were part of the thousand and one network strategies in an attempt to cloud the issue with a possible "trouble-maker" or undesirable witness. It was essential to make the trouble-maker believe that his neighbors were "respectable students" legally enrolled in a university. Hence, the CROUS cards ending up several times in my mailbox. It was clear to me that these so-called "mistakes" were not the result of the postman's deliveries but, rather it was part of the work the girls had to do. Here's a case in point: one night, I was back home around midnight. I always checked my mailbox before going up to my room. That evening, there was no mail in my box. The next morning, I had to go out at 6 o'clock and leave a message for a cousin of mine in my mailbox. (For clarification's sake, my cousin had the duplicate-key to my mailbox). Guess what I saw in my mailbox at 6 am? Another CROUS card of a girl-resident on my floor! That wasn't the postman's mistake, since postmen never come before 6 am!

Why did I previously refer to a real mafia network? It is simply the result of my belated investigations. My investigations have revealed that there exists a real collusion between this criminal prostitution ring, so-called "workers' hostels" and some corrupt authorities. You only have to visit google to have an idea of human trafficking in the eastern countries, Ukraine is one of them.

Regarding the endless persecution that I am suffering: I was (and, in fact, I still am) an undesirable witness that had to be punished. I was then naive enough to believe that this punishment would stop at a certain time, but it is still going on. And again, I asked questions to myself and I made some inquiries. I then discovered that very often the "troublemakers" (as I was unwittingly) are used for other purposes by a real network of corrupt, criminal scientists who use us as guinea pigs for their experiments. In addition to my account, there are, on this issue, countless testimonies of victims that can be found on various mind-control sites. As a matter of fact, all the false rumors of pedophilia, all the people bribed into organizing stalking or "street-theater" are only used to cloud the issue. The stalkers are brainwashed to think that the target poses a real threat to the community, and quickly enter into the spirit of the game. These people just don't know that, behind all this game, there is a ring of unscrupulous and ruthless people.

Two last details which deserve attention:

A) Workers' homes are, in certain ways, very similar to the French university residences. Each room has a load-bearing wall and a plasterboard wall. You never hear anything from your neighbor on the load-bearing side but you do hear almost everything from your neighbor on the plasterboard side. My former Ukrainian neighbor was on the plasterboard side! This could give food for thought to the perpetual skeptics.

B) Talking about this taboo topic brings a very heavy "don't spoil my day" response or "I'm not falling for that one". People not affected simply refuse to listen to information on remote mind control and organized stalking. It reminds us of the way people don't like hearing about incurable diseases. All this will sound like science fiction or mental delirium to many of them, as long as they do not take the trouble to get informed or to show more open-mindedness and as long as they persist in thinking it'll never happen to them.

I'm still being attacked and strangely enough, their organised stalking seems to be even worse than the electromagnetic aggression. Just as in your case, it's non-stop.

17/9/09

THEY HAVE ATTACKED ME A LOT ON BOTH LEGS. I HAVE TO CRAWL TO MOVE FROM ONE ROOM TO ANOTHER IN MY FLAT.

27/11/12

I might as well tell you right now that my life has become real HELL since the day I refused to "partake", as "they" put it. I have decided to keep everything to myself, not a word to my family, not a word to the bastards of the medical world, of course, for fear of being institutionalized again. I live with the regular expectation of something "new" every day. New ailments, especially. You will know more in three or four months' time. Rudy

22/7/09

my name is angela and i am an italian victim of non-consensual human experimentation, covert espionage, gangstalking, electromagnetic weapons, microchip implants.

i have written a report on my case of abuse in English go here and have a look at the last post of my blog www.vitaspiata.blogspot.com

REPORT ABOUT MY CASE OF ABUSE AND NON-CONSENSUAL HUMAN EXPERIMENTATION

Name: angymary64

Nationality: italian

Gangstalking started in 2002

Blog: www.vitaspiata.blogspot.com

Youtube videos: angymary64 channel

born:18/11/1964

I am a female subject of non-consensual human experimentation, a guinea pig being watched 24 on 24, 7 days a week, spied and gangstalked by a covert organization that seems to have a military and medical profile. I'm trying to understand if and how I can escape from this cage and I'm looking for support from others targets. I have found many similarities with other cases reported in mind control forums, but I'm not sure if I am really a victim of mind control, as since now I never experienced symptoms as hearing recorded voices in head, microwave burns, remote sexual assaults, induced sleep or anything like that.

I'm quite sure I have been implanted with some microchip or electrodes emitting radio frequencies, but until now I haven't got any proof of evidence, as I wasn't able to perform a TAC scan nor other examinations..

The main symptoms I get are:

- a continuous "buzz" in my head, a noise that I hear stronger when I lay in bed or in other situations of silence. This rumour is hard to describe, could be similar to a television or radio tuned on a free channel. It seems to come from both ears, that are also very sensitive to sound. When I am in remote locations, areas with no gsm coverage, open countryside, the buzz become stronger, more various and covers outside rumours. At times I have extreme heat in head, but no fever.
- dizziness, feeling of oscillation of the body, sensation of being lifted from ground when laying, all of this are stronger in remote locations;
- chronic irritation of eyes, extreme sensitivity to light and to cold, eye pulsations, alterations of vision as seeing "flying flies" or "digital high definition images", I have strange spots in the white of eye, in pupil and below the eye;
- body emitting some kind of radiation
- everchanging blood alterations, circulatory problems, pins and needles in hands and legs; recidive varicose veins, capillars;
- suddenly racing heart in calm and relaxed situations (ex. during meditation) with sweating and thrills;
- sensitive peripheral neuropathy, often little cramps in calfs and feet, nervs pulled, muscular stress, sensation of electrical flow running all over the body;
- depression with ups and downs, anxiety, apathy, concentration problems, daydreaming.

Work situation:

I have an accountancy degree and changed many different administrative jobs in life, I worked also in tourism, solded and rented cars, traded with shares, and so on. I have lost my last jobs because of the harrassment and now I don't have a fixed income, apart from a little pension from social providence.

Family situation:

I don't have a boyfriend/girlfriend, and since the harrasment has begun I find more and more difficult to have relationships. My last girlfriend could not understand I was under control and didn't believe me, so she left. But even simple friendships have become complicated for me, in fact I have a few friends. So I suppose I can say I'm definitely single.

I'm a single mother of a 19old son, and we live together only at times, but for 3 years I lived alone as the social services took him away as a psychiatrist found me mentally ill (persecution mania). It 's quite ironic that just 2 months after this happened I got the most important job in my career, as executive manager in a catering corporation.

Shielding

I have read in the internet of many different ways of shelding oneself from technological hattacks, but until now no one of them seems to work for me. I tried alluminium or copper foil with no remarkable change. Magnets make me feel worse, the same as relocating in less crowded, less polluted countryside areas.

The only shelding I have found effective in these years is to keep moving, to change often address, to relocate in a different city, or country. The harrasment doesn't stop anywhere of course, but at least they have to re-organize their strategies, change their movements, train other people, break-in in new flats and so on. I feel better if I don't have to see every day my fake neighbours, being payed to watch me while I'm in toilet or to steal my rubbish from down the street.

Technological abuse

The technology always been used in my case is a kind of electromagnetic light not normally visible, it is charged to usual alternate electrical flow that becomes continuous. Perpetrators introduce it remotely – maybe by satellite – into the internal electrical systems of houses, offices, public illumination, but also in open air.

It can often causes malfunction of all electrical appliances. I personally experience a kind of digital environment, as it was created with a 3d software, with very accurate imagery, double and multiple reflections, coloured shadows, stronger lights, echoes and hidden sounds, walls reflecting light like mirrors, magnetized objects, and other incredible things .

general effects are:

- refrigerators, ovens, tv sets, but also pieces of furniture start to “chop”(they emit one single sound as they were hit or knocked) every hour or so.
- All electrical lights need a few more seconds to be turned off.
- In wood pieces of every type appear stripes never noticed before.
- In monitors and televisions appear an upside line on the screen.
- In light bulbs there are two flowlines instead of one.
- Stand-by lights of appliances can change of intensity and shape.
- Even if main switch is off you still get evidence of electrical energy
- In curtains and texiles appear little folds, curtains looks heavy and starched.
- Air circulation is reduced, even with open windows.
- Little plants look weaker and don't grow (they usually die in few months), flowers and fruits last less than usual.
- Cats become nervous and look insisently around in places where's apparently nothing.

I have also to say that along with this technology perps can use **virtual reality, small and big holograms, changing in weight and density of matter, other science fiction effects**, even if they have used only a few times, when they wanted to scare me to death, as I was behaving so bad.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

best regards

I would like to find out if you are base in Europe or USA.?

I know that there is Federation of Mind Control Europe.. where is the head office in which country?

In addition would like to knowt if you are getting any help or back up form journalists, Lawyers or MP's and if yes, which ones?

I am a victim of electromagnetic waves for few years also a victim of Organised Stalking. As someone specified on the website: "this is a perfect crime for perpetrators because it perceives the victim as going crazy, not telling the truth, schizophrenia, etc. which isn't so. "

I been through organised stalking, entering my house and braking things or moving or breaking staff. Also hit with electromagnetic waves no matter to try to makle me paranoid and tried to lock me up. knocking on windows and doors, moving items around, swapping items for similar ones -then changing them back, much was done inside the house to indicate they got inside regulary. I become very sensitive to chemicals – Because my chemical sensitivity is UN RECOGNISED by the medical profession they were trying to right me off as nutty, phobic, paranoid. I certainly am not nutty and continue to try to get help. I can taste and/or smell high chemical prescence when others often can't.

Could you let me know if anyone in Europe is trying to organise Class Action Lawsuit?
Who is the best person to contact in this case?

16/6/12

Thank for your e-mail..

I live in UK.. you were asking me when first I was attack..

I can't really specify the time but looking backwards and what was happening to me its been going for around 2-3 years

Last year in 2011 in June-Sept NHS was trying to assess me as paranoid.. I am quite sure that they in it they do know what is going on... when I went to my GP as I didn't feel well for few days and I was at that time not aware what is going on without any assessment she send me to Mental Clinic... she didn't assess me at all..she didn't ask me any question ...she refuse to give me medication...

Social Services at the same time were accusing me of fabricating my daughter illnesses therefore they were trying at the same time to take -my daughter away from me to foster family.. I did manage to fight with them...still taking complains further but I do know that those people - whoever is involve in that, Masons, Illuminati, or different organisation- they still attacking me with electromagnetic waves all the time..

In 25 year of me driving the car I never had any accidents at all.. not even slight one..in past 3 years - when stalking started- I had around 10 accidents which were made deliberately.. they on purpose drove into my car.

I know that it was done on purpose

Also what they do they drive in front of me releasing some fumes or chemicals from exhaust and I am not sure but I think they shoot something electromagnetic waves or something from the car & when they reverse into me..

I am not sure but the symptoms are like being poison with lead... then -it sounds were innocent as its normal- they drive with vans, lorries which contains some metals... lorries with cars on top,, rubbish lorries and this -I am not sure how it works as I am not medical physics- with whatever they hit u or poison u .. with all those metal lorries...vans and vans which carry glass on one side the feeling is like is pulling your brain ... I am not sure how but all those metal vans are connected to all chemicals or electromagnetic waves they hit us..

Also loads of people are walking with suitcases and ruck suck when going outside or when going to shops I a not sure if they got some kind of electromagnets inside those bags but when I start to record them or making pictures they run away.. it seems like they know what they doing...

Also loads of high metal trolleys in shops they put on purpose and loads of metal forks which they use for moving

boxes in shops they got something to do with this all... it sort of like pulling something from your body ...

I am not sure if I was loaded with too much of electromag. waves or something else.. but I couldn't walk by printer ,, mobile phones,,ipads...etc any electronic product was giving me extreme pain... Do you have any contact with prof. of medical physics? they will know more about that subject..

I think my case started when I made a complaint about NHS and took them to Tribunal... I was watched when I was on holidays

I know that they spray something from exhaust when they drive in front of me and the involvement of metal vans and lorries driving all the time next to me also people walking next to me and they smell with something extreme .. I am not sure if they normal perfumes or some chemicals...

Now I know that they done this to me for years but I didn't realise that...

You send me some copies of your letter shall just copy and paste them or should I write my own...

In addition after you wrote your letters did you get any reply or no?

I am not only shot with electrom waves but also I am stalk whenever I go. Last year I went to Eastern Europe by car and they were following me even with UK reg cars to Easter Europe then they were some people following me everywhere where we went at the end of the month was much more.. and even they were driving with special reg no ..like Europe united..

I do know that they listen to every word I say and they know what I think as in some places I didn't even talk about they were already before me...

Also when it all started and I was feeling were dizzy I went to hospital and they done -on purpose - X ray with my clothes on (so the rays will stay for longer on my clothes which is not healthy) after that X ray I felt were unwell ..I couldn't stand properly on my own feet .. my legs were letting me go I had they feeling that they knew what they were doing and like I been watched all the time... and that X ray made me worst than better.

Who do you think I should make a complaint in UK? which organisations or agencies.. I already wrote to stalking organisation but they were not so much help.

I know that they are helicopters involved as well when I was hit with electromagnets and helicopter was on daily basis flying over my house for a while . I been living here for over 13 years and they were never helicopters flying here and in the past 3 years there is helicopter flying on daily basis like checking on me and hitting me with more electromagnetic waves. This is no flying zone are so what that helicopter is doing here not sure and on some days is virgin & police helicopter.

So someone with loads of money must be involved. I can't afford to buy a helicopter to follow them and I do think that some of the police is involve .

On one occasion before I became unwell there was helicopter over the building when I was doing some exercise and 3 -4 weeks in the row I did feel the noise like being in MRI tube - the noise was exactly the same it was for 15 min each time 3 or 4 weeks in the row and after that I became quite unwell.. after few days when I went to Harley Street doctor as I was feeling worst they send me to 4th floor and when I was sitting there there was a helicopter above building and was sending something that whole water unit was shaking and then my headaches and dizziness went away... and after that I went to my friends house when left house again some people were walking next to me with rucksacks and suitcases and I started to feel unwell.

I am sure that those assholes are reading this mail to...

All the best.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

8/3/09

My name is Ann. I was both physically and mentally abused/tortured when these morons also took everything I had ever possessed. My life and that of my family was ruined. I have scars from what they did, also some memories of the severe mind or brainwashing techniques which were used on me. I have a background from government, teaching, journalism, and politics, in Canada, Britain, Germany and France. We were quite well off people before they did this to my parents and I. Am heartbroken to think that I no longer have a future in Britain where there is no justice for decent people.

19/9/09

I'm really sorry to hear of all the horrid things which have happened to you especially since you obviously are a kindly, thinking, pro-active worker for the rights of others.

I've had similar problems here in the UK. Now, this may seem unbelievable to you, but you are one person to whom I will write the truth to the best of my ability, leaving you to decide if I'm crazy, or a "knowing" person. Promise you this is the truth.

Since 1984 there has been a massive data collection taken from the minds of mankind, which I believe has been and is being done using some very sophisticated software. It's been organised via the use of the medical professions, but goes much deeper than just that. I don't know how but somewhere there is a group of people who have managed to manipulate "time" in such a manner that although the years are presently running logically i.e. 1984,5,6,7, etc they are not doing so with correct freedom, that is they are being manipulated to keep most of mankind under control. The worst aspect of this is that those doing this are now able to force us to move backwards in time and are intending to do so in order to cover up the crimes they intend committing. These crimes are far worse than those atrocities which both you and I have suffered, and it is a great worry to me that people like us are being forcibly prevented from seeking the justice we desire both for ourselves and for all those innocents in our world.

Whilst I am on your side, I have no idea how to prevent this, indeed have myself been tortured physically, surgically tampered with, and mentally tampered with, by those criminals responsible. There are many of them and they are totally evil. Please accept my kind thoughts and wishes for your success in life. Try to keep calm as possible, take each day as it comes to the best of your ability.

Good Luck,
Kind Regards, Ann

22/9/09

the very first year of attack is an awkward one inasmuch as my parents were the first to be attacked in 1978, but I was able to prevent any personal onslaught until 1981/2 when sadly I was completely destroyed with both surgery, all belongings stolen, mind wiped clean totally, left in an empty house wondering what had happened to me, and desperately trying to recover what memories I possibly could over the following months, as well as try to find a job, support my family, and cope! After that the same thing was done again in 1984 and once again I was left with nothing whatever, only this time all kinds of strange people were demanding money from me that I knew nothing about. So...I presume whoever has all my belongings, passports, legal documents, bank things etc must have been using them for financial gain, as well presumably as selling all my possessions and those of my parents. The only thing about which I am certain is that some of those responsible have considerable power in the Wales, Shropshire/Midlands area as it is within that area that I actually saw one of my family items being sold. I had no one to whom to turn to catch those responsible as when I tried to report it, I was dragged from the house, locked up, and my

family et al were then told I was crazy!! That's what justice is like in Britain these days sadly.

Kind Regards,

Ann

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Wish you all well.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

24/4/12

Well the first time that i was attacked by something i could call psychotronic, it was in London in 1997, i was there an Earth First! activist, i lived in London as 'Squatter', i was pushed to the ground in the flat many times, it was a radiation telling me to leave UK, the next was visualizations of small bulb head grey beings giving me orders like fascist politicians, i saw them very clear when i closed my eyes, they were using some type of telepathy against me... i know martial arts so i made some kind of Tai Chi movements in a Park during the night and the visualizations disapeared, i must tell tou that previously to those psychic attacks i never saw those Aliens, i did not now anything about Greys in 1997, but i can say now those orionite insectoids have under control the whole city of London.

i need any imformation you can give me about synthetic telepathy and psychotronics, i would like to know also the experiences of other victims like me, because this subject is so weird that no one knows about it so i can not find people to speak about it.

18/4/12

Hi dear friends,

i am a victim of psychotronic harassment and cruelty.

I live now in Riga (Latvia) and i am under torture 24 hours each day.

I want to be witness in your acusation towards those psychotronic antennas and their tele-operatives.

They attack me continuosly in low frecueny words, the source of those attacks are cell phone antennas, they have there psychotronic technology.

I am not a criminal, i am just an ecology activist.

Please i need your help!!

i have basic knowledge about electronic-telecommunications, and i know exactly how they use those antennas.

They are essentialy catholic jesuit fascists (illuminati), they consider me a heretic protestant and they try to kill me with synthetic telepathy.

Those antennas are everywhere... i feel like in a futuristic prison, those attacks are very painful, i feel spiritual (astral) pain.

I know i can help you to break the psychotronic Matrix, i need that you write me and be my friend, because it is not easy to find people in this subject, and i need to make clear my thoughts... please write me.

i am still alive,

21/6/12

just i got enough inspiration to write again on this network or victims grid. Well... i am a victim of Psychotronic Arrashment since a few years ago, the intensity of the agressions is variable, i mean that depends of a few facts to be a high intensity arrashment or low intensity the radiations that i use to suffer from those False Mobil Phone Antennas.

It began in London in 1997, while i was an Activist of Earth First! i become a target for something that little by

little i was able to desciffer, and the incredible FACT is that low frequency agression came from Aliens, those Aliens NOW i can identify them as Grey Insectilians From Orion Constellation, this is the Root of the sychotronic Theory, that thechnology was given by Aliens to the intelligence agencies and they spread it through private mobil phone companies.

I suffer humilliated words towards my listening senses every a few senconds, those words are from Spanish Army people from NATO and from private female Teleoperators, my private life is so raped that some times i feel dirt of this hell, i mean not guilty but dirt about those perverse words that some times i can not even write on a paper what they are trying to put into my brain. I really began a dyalogue with them on my flat, i can speak to them as i used a phone and they answer me through low frequency words, they are so evil and so ugly that i can only feel DEEP HATE to them.

I know this subject is so complicated that sometimes it seems i could lose the line, but GOD BLESS YOU every human being on the Ressistence that i got the Tools to deffend myself against that Psychotronic Domination.

My dear friends this is a fact that MATRIX is real and behind those Radio Computers there are Extraterrestrials controlling everything through Telepathy, those Aliens are from Orion Constellation (Insectillians) and from Alpha Draconis Star System (Reptilians), they are trying to invade Planet Earth and they are using those bastards on the Phone Telecom to Spread their Agenda through ABDUCTION, those Teleoperators are Completely Possessed and thechnologically implanted by those Orionite Greys, there is NO WAY to get a solution speaking with them, the BEST solution i could do is to ignore their low frequency words but it is really very hard because they have personal information about me, that they use to throw me to intimidate me on my own flat.

They are Really Fascists, yes exactly the Same than NAZIs, they are the latest stage of concentration camp technicians, they now have created an extermination camp on my own flat and they are doing the FINAL SOLUTION that i must COMIT SUICIDE so the Exterminium on my Life will be DONE.

They are CATHOLIC EMOTIONAL VAMPIRES, they use the highest evolved technics of the INQUISITION because they are ILLUMINATI JESUITS, don't dubt about it they are Catholics as Hitler was, they want to take the planet for those Orionite Vermins. I was born as psychic child, i mean i am telepathic from my genetical constitution, those Grey Insectilians have the Order to destroy every telepathic human being on planet Earth, because we are the competence, they need to abduct us so we will be not an obstacle against their Imperial Objectives.

Please pay attention to this, my theory is that Every target from those atennas is telepathic and those torturers have the mission to locate you and destroy, you need to think if you are telepathic or not so you will develope a Mother Nature weapon against them, telepathy is the KEY...

- I DO NOT have voices in my head, everything that a human being can listen is ALWAYS out of the Head, WHY? because the Organ Sense of Listening is designed by nature to be used only outwards, so if i listen low frecuencies it does NOT mean that those frecuencies are inside my 'Head', it means JUST that those frecuencies are CLOSER to my eardrum, Natural Telepathy works in that way although is not based on Traumatic Conditioning as the Psychotronic Tech (Synthetic Telepathy), Natural Telepathy i s Based on emotional empathy.

I am so thankful for your help and constant friendly words, your team is something so high that in the future history **19.** will declare you real Saviour Angels.

Yes i am receiving your information, by the way i have found a victim here in Latvia, i live in Riga Town, and i am waiting for his answer. I moved here trying to escape from the southern europe were i lived, i was victim of catholic Shunning, Mobbing and Bulling (i have found this new technic words on internet).

<https://en.wikipedia.org/wiki/Shunning>

<https://en.wikipedia.org/wiki/Bullying>

<https://en.wikipedia.org/wiki/Mobbing>

It was like a VooDoo spell, everyone making traps and trying to make me fall into hellish synchronicities, yes!... Spain is a real HELL on this subject about Gang-Stalking, i found help from a New Age group of Russians and Letish people so i moved here two years ago. Well it was better than in Spain... nothing about evil synchronicities with people, that was the worse in Spain, here people don't hide evilness on their mind as Spanish and the whole

catholic system hide, so i did not find evil people trying to trick me as in Spain they did it all the time. About those Dark Psychotronic Antennas, i have full conscious about them here in Latvia, because when i arrived that technology was not here, i am talking just two years ago, in this district where i live i know exactly when they changed their classical soviet antennas for those digital for cell phones, and Brother you can believe me just when they changed the antennas i started to listen their low frequency messages, this is a Real SCANDAL you know this people are innocent they came from another economical system the Soviet one and now they are oppressed by those synthetic telepathic messages, they were victims of fascists and Nazis in WWII, 78000 jews and revolutionary people were exterminated in this Riga Town, they brought innocent civilians from Poland too, and now this Hell again, i have cry many times in my flat, here with my pets that are my family (Rabbit, hamsters and birds), i looked from them because i needed companion and now they are in complicity with my on this anti-psychotronic resistance.

Please keep writing me, i am very glad to receive your technic explanations about that psychotronic technology, i am sending as well that info to other victims, because, i want to help them as you help me.

Thank you so much,
Anthony

Sorry, i just forgot to explain you, that last time i returned from Spain to visit my parents, i was two weeks here in Latvia without listening their evil programming, it seems that those psychotronic teleoperators are continuously scanning my psychic frequencies to make me fall again into their frequency spectrum, so after those two weeks of peaceful living then they found their way to attack my ear drums.

Please tell me in those all hundred of victims that you know what is the language or idiom that they listen?, because it is hard to believe that they use Spanish in the whole planet but here in the Baltic so far away from Spain, they attack me in Spanish. And do you know any victim here in Latvia?, maybe Lithuania or Estonia? because it is good to find a group of local victims to make pressure to the authorities and take conscious of the real risk for everyone, i don't know how to find them here. Thank you again,
Anthony

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Hi, my name is Dennis Arnold and my partner's name is Yasmin Jeremy and our address is 7 Moorfields Close, Redfield, Bristol BS5 9BY, England, UK. We live in a 2 bedroom bungalow.

For the past 12 years me and my partner have been victims of Electromagnetic Radiation attacks, harassment and surveillance in four different properties including the present one. The Harassers have got the neighbours to cooperate with them. We have been to The European Court of Human Rights, Liberty, Citizens Advice Bureaux, solicitors and MPs but nothing has been done about it.

It is wrong what is going on. Nobody has helped us. It must be stopped. They should not be allowed to get away with it. I am on incapacity benefit and disability allowance and my partner is on income support. Hope that you can help us.

25/4/08

sorry to hear about what is happening to you. Keep fighting and never give in to them. Myself and my partner give as good as we get. We believe in the power of good and that it will win in the end. Evil is afraid of good. It is more

powerful than evil. Gandhi said that for a while evil governments seem invincible for a while but in the end it always falls [always] . Me and my partner will never give in. Time is nearly up for the evil people of this world. And they know it. Me and my partner believe that good spiritual forces are working behind the scenes to defeat evil. Hang on in there.

10/11/08

i am a member of your group federation against Mind control in Europe. I have a problem. I can not access my e - mail account at yahoo. There is something wrong. I feel that the people who have been using Electromagnetic radiation attacks , Harrassment and surveillance on me and my partner are behind it. Because i can not access my E - mail account at yahoo i will not be able to read the messages from the group. Is it possible to send the e - mail messages from the group to another e - mail address? This is my other e - mail address. It is dennis2455@googlemail.com Kind regards

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I've been probed - Yep they sure did a number on me the very culprits live next door to me. believe it or not. I live at 96 Lingfoot Walk Sheffield S8 8DH and they come via the roof from 92 Lingfoot Walk Sheffield S8 8DH.

I caught them sewing my insides up. I don't know when this started but they have totally deformed my beautiful body. In London some Pakistani's placed these devices inside my stomach and since then I gained weight. Then I worked in a nursing home they was also involved with probing my body.

Then I lived at 11 Bawtry Gate Sheffield. They also probed me there also. But how did they get in there's a basement and it could be through the roof but I think it must be through a brick wall. Then the fact I always mentioned this was linked to drug smuggling. Well Sheffield Homes is linked to Custodia Security Group. Who's owner has been caught in Estonia smuggling drugs. I've been saying this for the last 5 or 6 years. This really started in London. Where I lived.

I know they are hooked to this computer also. and are monitoring my movement inside this house. Once the neighbours got caught they moved one of the very people that talks in my ears inside Sheffield homes in Jordanthorpe a local Housing office. Can't turn to the doctor cause the doctors don't have the xray nightvision small scope these people have to look inside the body to see these devices.

I know some are army officers. I only noticed this till I reached Preston while just assuming the voices were real and were trying to kill me. with their theatrical script. Eventually I reached Preston and told my brother and told him not to tell my mother. I also told one of my mothers friend Maggie who moved us to Preston in the first place from Sheffield. I think she was also involved in this project. My mother called the doctor and he insisted on looking inside my ears but I was just to edgy so I would not trust a doctor. Who the hell would who knows local doctor should be covered by these people. Now I am guessing they came through the roof in Preston also while I was living at 29 Pinfold Street Preston.

That's the only way to go undetected in Preston. I know the police were also involved and eventually got caught but some how they got the army involved what they're role was is beyond me. But it was two Pakistani lesbians

that apparently placed these devices in my ears in the first place in Pakistan. By the way my father was born in Pakistan and my mother was born in England. While in Preston they probed my brain placed some kind of wire down the inside of my neck which made me totally loose the muscle's in my face on my left side. Eventually I did recuperate that but I still feel the string or wire inside my neck. hooked to my brain that's what really destroyed my precision processing.

It was like they was trying to handicap my body. Luckily I got my face back. But this also happened to my mother in Sheffield at 11 Bawtry Gate Sheffield But her face is still not repaired but she totally denies these devices. Anyway my mother found out doctor came and called the mental health. I insisted that I was not mentally ill. But they still persisted on calling them. They locked me away under the mental health act under section 2 saying I was a threat to the general public. When I totally said I got speakers inside my skull and some one talks in them. Once at the hospital I could hardly breathe. They used fear techniques theatrical warnings like pushing some one with a wheel chair in front of me just to say this is the consequences. That was in the Royal Preston Hospital.

They locked me away for 2 weeks. It frightened me half to death. I was lacking oxygen everyday. I was using the tap water just so I could get enough oxygen inside my body I was throwing water over my face every 5 minutes and wetting my clothes. Just so I could breathe.

It was awful a living nightmare. Once I was free and the I went home yes but they insisted to my family they keep a close eye on me. so I got what I could and told my mother I was going to the library this was around a week afterwards. By the way they was trying to put me on disability living allowance. Which I needed because of these device not because I'm mentally ill.

Anyway I left for London and met a friend of mine their borrowed 500pounds because I knew they planned on making the police look for me. Because the police were the ones that took me to the institute when I was not willing to. It was either punch the copper on the nose or get locked away and find out everything I could I got locked away. Once I borrowed £500 I left for Ireland. Some how they knew how to find me a place to stay which they did. I could not find a job in Dublin. They don't like the English. So I kept borrowing money from my friend. Up to 2000 pounds I borrowed altogether up to now I've only payed back 400 pounds I've just not been able to gather the wealth to pay him back. its been around 7 years or over. That's bad.

Anyway. it was revealed these people was also involved so they wanted revenge from me. don't know why I never revealed them. So they came into my room and drilled holes inside me skull in Dublin also. Then those people I lived with tried to lock me up saying I'm mentally ill.

The police were there and the police said sorry but this is Southern Ireland and here we don't lock people away when they are not mentally ill. that is the Garda. also known as the police.

Then I decided to go to the closest other english speaking country I left for Holland and lived in Amsterdam. I knew they would also speak english there. The gang land capital of the world.

It was OK. I had to work as a dish washer while I slept in the park with a sleeping bag. I lost the sleeping bag and was totally late for work one day at the Indian restaurant. I was in pain every day tortured by these device and every day pain from these peoples devices. But I carried on lifting and carrying. all kind of nations came their columbians spanish all its a tourist place. After a while I started to ride a three wheeler taxi and enjoyed it. But some thing inside told me to give England another chance. I don't know if I regret it now. So I came back and all kinds of people got involved and did graffitti all over London on the transport system. Telling these people just remove these devices.

Bus drivers and public was just so angry at these people they just wanted to hurt them really bad cause they still wouldn't give in. They are lucky they was not around in those days. There was so many people involved black asian white chinese. you name it they got involved. Government workers and none government workers.

But Graffitti just cost a lot of money you know they should have just removed these devices any way I had no choice but to carry on. I came across you guys. But it never crossed my mind just to keep looking into you just to remove these devices. Then something happened I don't understand what happened but it happened. So again I had to leave the place were I was staying. A friend begged me to stay there and I just had to take my stuff and leave because of what the threat to others were. So again I had to end up on the street because of some females point. Then I noticed that if this never ended in the tube services London would have been overturned cause people came from all nations and the tube service was under Military coup. But how could they keep it like that while I was out

on the street. They couldn't say it was in their interest and they couldn't just say ok we give in you are in. They just would not let me into anything. so I accepted it. Yet during that time they had funding also to do the graffiti the government themselves. It was over some money I had made the private investor started doing this.

But the police services Public Investigation Group still did not own up to those two police officers. Humiliate even after kidnapping happened even after they had London bombed just to stop people from revealing the truth about this Voice to skull device or electronic Schizophrenia. These people went so damn far that two SAS officers were chased to out of England and had to leave with Nuclear missiles but the point to them police officers now is which I don't suggest saying openly. Is the male and female police officers got caught so who was they they turned to Soca SAS officer who insulted John Reid for taking money from foreign investors for the glass and graffiti. and revealing their evil act of schizophrenia. Those two officers could have blown up the atmosphere just over these devices and caused end of days.

All because they would not own up to these devices any way 3 for month later after staying on the street I noticed the graffiti had calmed a hell of a lot down it was not that bad. Because when it started they scratched every bus and every tub glass their was in the whole of London. Mothers children brothers and sisters whole families were involved. Because of these devices. But they still refused to own up and openly remove these devices. So those to male and female officers must have tricked Soca just like they tricked the army officer. But that's why police are just that PIGs Public Investigation Group.

People felt so ashamed of the police services that even still even after those kidnappings you did not tell Naman Asghar. That's all I ever heard. I moved to Sheffield once I noticed the tide had died down and it was save from any kind of harm. I did lots of other things also to make sure nothing happened to the city. I had enough but I was sick to my stomach from Londons point to me also it was just such a cheap point. But the point I guess is no one knew.

Once I left I said to myself I would go home and recover properly. Once I got to my mums home. They was coming inside my mothers house also. Drugging me up so obviously they are carrying on with my mother also still probing my body still placing devices inside my genetalia this time. Eventually mum told me to leave and I had to go to them homeless places again they was coming in through the roof at people places. also in Sheffield city centre. taking off the devices from my brain and replacing them. They also had an American womans help also. But that's what the point was during that period a lot of things happened and again these people made me feel sick up to my stomach.

So they got me this place 96 LIngfoot Walk Sheffield again they've been trying to put me DLA but no chance in hell again mental health so they can escape facing reality that's what this is really about creating illusions around people. These devices are real and these people are an act of terror and they should not be allowed to exist as an organisation. But Military Intelligence are just so stuck up that no chance in hell could they have ever saved the city in the end America and England and China deserved the floods and earth quakes that happened an evil people that did not understand my point.

This all happened while those wires have been hurting my brain. That's the Honest truth of what happened during this period and no these people need to be locked away and revealed in prison what they have been locked away for. That's the other honest truth death is too quick for these people.

All I ask now is that you take these devices out of my body and out of my mothers body. These people attacked my whole family and my own family deny me any reality what can a poor old woman like my mother do. She's old and reliant on the system now. I remember when she used to work in Germany and I guess these people are also behind costing her that honour also. But that's an assumption.

I know these devices are in my body I placed a telephone wire up my nose and touched them on the back of my skull also. But that's my truth no one really is willing to face.

My mother might be quite and telling people fine he's mentally ill then but I don't regard myself as mentally ill cause I felt these devices and face reality and these devices are there and these people are openly carrying on. Up to the point I was just to broken by the time I reached Sheffield after what I had done and been through. I Knew that if I left during that time London would have been ransacked and over turned.

But that's my truth. it was graffiti that made it look like a land like Egypt and lesbians and gays were openly happening up to the point people did start leaving the city because of the violence and cause of what was

happening. Blair was first to get rid of and that was hard work.

so please do find me a doctor now so I can remove these devices especially off my brain. And their army did come in containers but left because of my point back but not all of them.

Look at em thick as animals savage beasts I don't know why but at least the atmospheres safe from em

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

3/7/12

My history with gangstalking and oddities, starting in 1995, however, there are other details.

In 1998, the first VOICE TO SKULL, for about 8 months.

Then I have not had any problems. in 2005, 2006 and 2007, I suffered many kidnappings (or abductions).

I made iposi regressive.

From November 2007, I am there every day Mind Kontrol.

From November 2007, every day, a loud tinnitus by microchips, to Voixce skull, Sleep Deprivation.

Only twice since 2007, I have burned with energy weapons. Only twice.

My big problem is all microchips, and Voice to skull.

I have no sexual torture, but they continue to talk and to turn many microchips.

I also had trouble with dreams.

They can manipulate dreams. In 2006, the MIB (men in black), I had talked about NSO (space navigator oobe).

I suppose, that the web of satellites, may also interact with the dreams in our dream stage as a videogames.

I'm sorry dear John, if I am back with my memoir and my autobiography, to better explain, beginning, as in WORD file that you have sent me whit the history of others victims. I read them all word files.

(*) Began 1995, but with sporadic episodes of stalking, quirks and meetings.

(*)1998, voice to skull for seven months. I thought I was crazy.

(*) November 2007, the real start with Mind Kontrol every day and reduced to a form of enslavement.

(*) Personal notes: I contend that from 1995 until 2007, they cooked me a little at a time and in 2007, they decided to torture and torment me every day. I was born in 1977. In 1995, I am 18 old years. I began to realize that I was not crazy, only in 2005.

They got angry because I wanted to do a lot of complaints to the police.

From 2005 to 2007, I suffered many kidnappings. In November 2007, every day and every night in Mind Kontrol.

They have always been here in November 2007 but my history began in 1995.

responsibles : MIB (Men in Black) and/or MILAB (MILITARY ABDUCTION) of Prof Helmut Lammer.

I've done sessions of hypnotic regression.

SOURCE 1 MILAB in ITA : <http://www.altrogiornale.org/news.php?item.829>

SOURCE 2 MILAB in ENG : <http://netowne.com/ufos/sightings/lammers.htm>

Officers: MIB (MEN IN BLACK). For me at the vertices of this project demential, there are not humans...

I have seen: bilocation, clock timeframe, Chronovisor laptop, and people who change appearance and can fly.

The MIB, the MIB real, are not humans. In faith and honesty, I wrote what I saw.

Each case is different from another, although there are similarities.

I know, that many victims do not accept the possibility of alien matrix or "program abduction" in the Mind Kontrol project. I Know that many victims only wish to acknowledge the intelligence services and military. Even the intelligence services are guilty, but a man can not fly, can not have a laptop Chronovisor. There is much else in this "cover-up" of our governments.

I know, that others victims be boycotted me, ridiculed and mocked,because I have appointed others possibilities not only humans.

ITALIAN VERSION

Io sto scrivendo la mia storia. Io aspetto mia cugina (femmina) perchè lei è laureata in lingue.

Adesso mia cugina è stata operata per un tumore. La mia storia con gangstalking e stranezze, inizia nel 1995 però, ci sono altri particolari.

Nel 1998, le prime VOICE TO SKULL, per circa 8 mesi. Poi io non ho più avuto problemi. nel 2005, 2006 e 2007, io ho subito molti rapimenti (oppure abductions). Io ho effettuato ipnosi regressiva.

Da novembre 2007, io sono in mind kontrol ogni giorno.

Da novembre 2007, ogni giorno, un forte tinnitus da microchip, Voixce to skull, Sleep deprivation.

Solamente due volte, dal 2007 a oggi, mi hanno bruciato con energy weapons. Solo due volte.

Il mio grosso problema, sono tutti i microchip, e le Voice to skull.

Non ho torture sessuali, ma essi continuano a parlare e ad accendere molti microchip. Io ho avuto problemi anche con i sogni.

Loro possono manipolare i sogni. Nel 2006, i MIB (men in black), mi avevano parlato di N.S.O. (navigatore space oobe).

Io suppongo, che la ragnatela di satelliti, può interagire anche con i sogni nella nostra fase onirica.

Mi dispiace caro John, se io sono indietro con il mio memoriale e con la mia autobiografia, per spiegare meglio, inizio, come nei file WORD che tu mi hai inviato. Io li ho letti tutti i file word.

Io devo scrivere bene in italiano e poi effettuare un'ottima traduzione in inglese per te. Purtroppo io sono solo e non ho interpreti. Mia cugina, manca da tanto tempo e lei ha anche una bambina.

In sintesi:

*Inizio 1995, ma con episodi sporadici di stalking, stranezze e incontri.

1998, voice to skull per otto mesi. Io pensavo di essere pazzo.

*Novembre 2007, il vero inizio con mind kontrol ogni giorno e ridotto in una forma di riduzione in schiavitù.

*Note personali : Io sostengo, che dal 1995 fino al 2007, hanno cucinato me un pò alla volta e che nel 2007, loro hanno deciso di torturarmi e tormentarmi ogni giorno.

Io non sò come spiegarmi meglio in poche righe.

Io sono nato nel 1977. Io nel 1995, 18 anni.

Io ho cominciato a capire, che io non ero matto, solamente nel 2005.

Loro si sono arrabbiati moltissimo perchè io volevo fare delle denunce alla polizia.

Dal 2005 al 2007, io ho subito molti rapimenti. Nel novembre 2007, ogni giorno in mind kontrol. Loro sono sempre qui da Novembre 2007.

Solicito que se pongan en contacto conmigo afectados españoles de las emisiones de ondas electromagneticas para el control mental o de cualquier otro medio empleado para el control mental.

Afectado ondas electromagneticas y control mental

AFECTADO POR EMISIONES DE ONDAS ELECTROMAGNETICAS

Expongo mi caso en este escrito, la experiencia de largos años siendo victima de una cruel persecución llevada a cabo por miembros de la Seguridad del Estado. He denunciado los hechos ante la justicia y mis escritos son archivados.

Me hubiese gustado poner en este escrito todos los nombres de las personas, ciudades, y calles relacionados con mi caso. Por la explicación que hago al final de este escrito basada en mi experiencia sobre el estado de la justicia en nuestro país y por el contencioso judicial que me tiene planteado la Seguridad del Estado a través de uno de sus colaboradores que es alto cargo de la abogacía espero que comprendáis que ello me hubiese acarreado más problemas de los que ya tengo.

Como a través de la acción judicial es imposible saber cual es el motivo que hay detrás de mi caso consulté a varios videntes sobre el origen de la persecución de que soy objeto por la Seguridad del Estado, algunos dicen que es debido a que los responsables de mi caso creen que cuando yo trabajaba en el Banco Español de Crédito, Banesto, tuve acceso a información sobre personas importantes y que de hay viene la represión y persecución. Otros videntes, los menos, relacionan mi caso con la herencia de un título nobiliario y con que soy hijo ilegítimo de un miembro de la familia Borbón.

Yo he llegado a la conclusión de que mi caso está motivado básicamente por la experimentación y los trabajos de campo que lleva a cabo la Seguridad del Estado en el empleo de avanzada tecnología de emisión de ondas electromagnéticas para controlar e influenciar a la población.

He intentado exponer el caso lo mas claramente posible. Durante su redacción se ha subido la intensidad de las fuertes emisiones de ondas electromagnéticas efectuadas día y noche desde la vivienda situada encima de la que yo ocupaba, esto ha dificultado y alargado varios días su redacción. Esto ocurre siempre que tengo que preparar algún escrito sobre mi caso y cuando tengo que hablar con alguien -abogados, periodistas etc.- sobre mi caso.

Espero que este escrito sirva para aportar conocimientos sobre las distintas formas que se emplean para llevar a cabo el sometimiento de la población a los dictados de los que se ocultan detrás de los gobiernos.

COMIENZO DE LAS EXPERIMENTACIONES A TRAVES DEL ESTRÉS Y LAS DROGAS PSIQUIATRICAS. 1976.

Todo comenzó en el año 1976. A consecuencia del exceso de trabajo caí en un profundo estrés. Recurrí a los servicios de la Colaboradora Banesto de la Seguridad Social, yo trabajaba entonces en el Banco Español de Crédito de Madrid. Fui sometido a un falso diagnostico y fui derivado a psiquiatría. Se me estuvo medicando con drogas psiquiátricas durante varios años. Me negaban la baja medica para descansar.

Como consecuencia de la maquiavélica situación el estrés iba aumentando y se convirtió en crónico. Un compañero me dijo que en la Colaboradora Banesto habían médicos que eran militares y que en concreto mi medico de cabecera era especialista en transfusiones de sangre del Ejercito del Aire. Yo en ese momento no le di importancia a ese detalle ya que por aquel entonces no podía ni sospechar que se estuviese experimentando conmigo.

Tampoco podía sospechar que el Estado, a través del Ejercito y su servicio secreto, pudiese estar detrás de experimentaciones y actos inhumanos con la población. Actualmente no tengo la menor duda de que fue premeditada la inhumana experiencia a la que fui sometido por los médicos y los psiquiatras de la colaboradora. No se trataba de un error de diagnostico.

El falso diagnostico se hizo intencionadamente, parece que se trataba de experimentar la resistencia del ser humano frente a situaciones estresantes, corrobora esta idea el que mis visitas al psiquiatra de la colaboradora estaban orientadas a que este conociese mi estado de agotamiento y nunca hubo interés en supuestos problemas psíquicos, en cada visita me cambiaba la medicación, se supone que de acuerdo al estado estresante en el que me encontraba.

Varias veces hablé con el director médico de la colaboradora y con el psiquiatra planteándoles que había habido un error en el diagnostico y que no mejoraba absolutamente nada, que era todo lo contrario, cada vez me encontraba más estresado. Me respondían que debía confiar en ellos, que ellos sabían lo que hacían y solo querían ayudarme. Decían que no me daban la baja médica para descansar ya que no existía el estrés, que este me lo inventaba yo para no trabajar, y que además era mejor para la neurosis estar trabajando y entretenido, que de esta manera no se daba vueltas a las cosas con la mente.

Debido a la debilidad producida por la situación estresante comenzó mi organismo a acusar problemas físicos. Principalmente fue afectada la rodilla izquierda, esta se inflamaba ostensiblemente y dolía, a veces se producían en ella fuertes y repentinos dolores acompañados de la perdida de estabilidad, esto me obligaba a agarrarme a cualquier sitio para no caer al suelo. Me hicieron unas radiografías de la rodilla y los médicos decían que no sabían a que se debía la situación en la que se encontraba esta.

También se vio afectada una zona del cuerpo donde es sabido que confluyen ramificaciones nerviosas, la zona del ano. Comencé a tener problemas de hemorroides y se hizo una fisura. Las molestias eran constantes y a veces los dolores eran tan fuertes que se me cortaba la respiración, andar era a veces un suplicio. Me operaron de la fisura

pero no cicatrizó.

Debido a la debilidad del sistema nervioso en dos ocasiones se produjo el síntoma de que ambas piernas comenzasen repentinamente a tener fuertes temblores que hacían que mis pies perdiesen el contacto con el suelo, en ninguna de las dos ocasiones llegué a caer al suelo, esa situación duraba breves segundos.

El banco me traslada en 1980 a una sucursal de un pueblo de la provincia de Alicante. Aquí, fuera ya de la orbita de los médicos de la colaboradora del Banesto, tomo la importante decisión de dejar de tomar las drogas psiquiátricas y comienzo a pedir bajas medicas para poder descansar y reequilibrar mi sistema nervioso bastante dañado por el estrés y las drogas que me obligaban a tomar.

Pasado un tiempo y dado el lamentable estado en el que se me dejó me fue concedida una pensión. Para la concesión de esa pensión fui sometido a otro falso diagnostico y se justificó achacándolo a problemas psíquicos. Nunca fue reconocido y tampoco quiere ser reconocido ahora por el sistema sanitario y por el forense que mi problema de salud fue y es simplemente estrés. Es vital para los responsables de mi caso que yo figure como un enfermo mental para que toda expresión o denuncia por mi de lo que se me hace quede como inventos de un alterado mental, lo califican de delirios.

En el año 1991 me percaté de que era sometido a vigilancia por el aparato policial del Estado. Soy sometido a un cruel desprestigio en mi entorno social. Se me desprestigia socialmente relacionándome con la pederastia, con la delincuencia, y con violaciones. Hasta han tenido la cruel ocurrencia y poca vergüenza de relacionarme con la banda terrorista ETA. Con estos métodos se aseguran los responsables de mi caso el aislamiento y el rechazo social a mi persona.

SE ME SOMETE A UN INTENSO DESGASTE PSICOLÓGICO A TRAVES DE CONTINUAS PEQUEÑAS AGRESIONES.

En los años ochenta y noventa, fui sometido a un intenso desgaste psicológico consistente en acoso físico en el que con alta frecuencia era objeto de su montajes . Era bastante frecuente que en mis viajes en ferrocarril se me acosase íntimamente por quién ocupaba el asiento junto a mi.

El conseguir asiento junto a mi no les era difícil ya que utilizo una Tarjeta Dorada que me permite un descuento en el importe del viaje, esta tarjeta lleva un número y el mismo es introducido en los ordenadores; debían de tener orden en RENFE de que cuando sacase un billete se les reservase alguno automáticamente también a la Seguridad del Estado lo más cercano posible al que me era expedido.

Se me hostigaba echándome intencionadamente encima el equipaje que ellos portaban. Sin motivo y sin mi permiso trasladaban mi equipaje de lugar. De forma intencionada me pisoteaban los zapatos, los pantalones y me daban patadas en las piernas. Era frecuente que personal de la Seguridad del Estado montasen escándalos en algunos viajes con la excusa de que yo ocupaba el asiento asignados a ellos, después de armar el escándalo se comprobaba que sus billetes eran para otro día.

En la calle era muy frecuente que se echasen sobre mi para chocar, lo hacían de forma tan ostensible que no había la menor duda de que era intencionado, sobre todo se les notaba cuando ya a mi altura dejaban asomar fuera de sus cuerpos, con la intención de dañar, unos rígidos y duros portafolios que portaban, estos chocaban con mi brazo y pecho. En el año 1991 comencé a darme cuenta de que estas actuaciones descritas -las cuales eran hechas con ostentación para que no hubiese duda de que era intencionado- era una táctica que se efectuaba para afectar a la persona y alterarla, de esta manera se procuraban que la alteración a la que se le somete le deje indefenso psíquicamente y resulta más fácil influenciarlo a través del control mental, sea cual sea el medio a través del cual se realiza este.

Este intenso acoso comenzó a raíz de dejar de tomar las drogas psiquiátricas y de comenzar a pedir bajas para reequilibrar mi sistema nervioso. Tengo la impresión de que las drogas psiquiátricas -por su naturaleza misma o por algún componente que le añaden- facilita acceder por control mental a las personas que las toman. Saco esta conclusión porque la finalidad de las agresiones descritas tenían como motivo dejar indefensa mentalmente a la persona y comenzaron cuando yo tomé la decisión de dejar de ingerir las drogas psiquiátricas.

EXPERIMENTAN EN LA PRODUCCIÓN DE ENFERMEDADES Y ME RELACIONAN CON ETA. 1994.

En la primavera del año 1994 estuve residiendo unos meses en Alicante. En varias ocasiones tuve que ir al médico por algunos problemas de salud que surgieron. Primeramente fui porque la piel de las axilas había adquirido un color verde amarillento, los pelos de las axilas habían adquirido un color rojizo-dorado y habían perdido su aspecto liso y aumentado su grosor, adoptaban formas quebradizas y a algunos de ellos les crecía ramificaciones.

Esto iba acompañado de una fuerte y característica olor que nunca antes se había producido en las axilas. El médico -el cual debía de tener mucha experiencia dada su edad- dijo que nunca antes había visto aquello, le sorprendió; los análisis de sangre y orina no daban nada anormal. Unos días después volví al médico por una protuberancia grande que me salió en la frente, resultó ser un herpes. Unos días después se produjo otro herpes en el globo ocular izquierdo.

Posteriormente tuve que ir por dolores de espalda. En todas estas visitas detecté la presencia de miembros de la policía en el ambulatorio y en el hospital. Principalmente en el hospital. Aquí un miembro de la policía o del servicio secreto se hizo pasar por médico en el servicio de oftalmología; este mismo individuo estaba al año siguiente haciéndose pasar por urólogo en el ambulatorio de Benidorm y quiso que me operase por algo que no era necesario hacerlo. No caí en la trampa ya que era seguro que el motivo de ese ofrecimiento era para aprovechar la operación y quitarme la vida.

He sacado la conclusión de que debieron de colocarme algún chip en el cuerpo y que este empezó a funcionar mal y segregaba más sustancias de las que debía y por eso se produjo lo de las axilas, los herpes, y los dolores de espalda. Se me tenía sometido a estricta vigilancia policial y sus intervenciones ante el sistema médico debía de estar orientado a que no se realizasen determinadas pruebas medicas que descubriese el origen de los males físicos o el implante que seguramente debía o debo de llevar en mi cuerpo.

Tampoco hay que descartar la posibilidad de que los problemas de salud de esos días se produjesen debido a que entraban ilegalmente miembros de la Seguridad del Estado en mi apartamento y ponían alguna sustancia en los alimentos. Sea cual fuese el medio empleado lo cierto es que era sometido a experimentación con sustancias que provocaban reacciones en mi organismo.

Por diversas circunstancias, largo y difícil de explicar, se que por esos días de mi estancia en Alicante se intentó asesinar me y la excusa para ello fue el invento que hicieron de mi pertenencia a ETA. Con anterioridad, viviendo en Benidorm en el año 1992, también había estado la Seguridad del Estado relacionándome con ETA.

DESCUBRO QUE UTILIZAN LA TECNOLOGÍA EMISORA DE ONDAS ELECTROMAGNÉTICAS. UTILIZACIÓN DE SUSTANCIAS QUE ANULAN LA VOLUNTAD Y PERMITEN CONTROLAR MENTALMENTE.

En el año 1998, residiendo en un pequeño pueblo de la costa murciana, me percaté por primera vez de que en el seguimiento y vigilancia policial al que era sometido se estaban utilizando instrumentos tecnológicos desde el apartamento contiguo al que yo ocupaba. Por determinados y atípicos síntomas me pareció que se hacían emisiones de energía que incidían sobre el estado de ánimo de la persona.

Por descuido de la persona que vivía en el apartamento vecino se oyó desde él en alguna ocasión cierto sonido de "procedencia tecnológica" que solamente sucedía cuando yo recibía una llamada telefónica a mi móvil, me resultó obvio que se estaban grabando mis conversaciones. En dos ocasiones el vecino mantuvo una conversación en su apartamento con otras personas y debido a la potencia de su voz se oyó lo que decía.

Como consecuencia de su indiscreción me pareció que era miembro de la Seguridad del Estado. Averigüé que era miembro de la Guardia Civil.

Entre Marzo y Junio de 1999 viví en un pueblo de Murcia llamado Monteagudo. Aquí se empezó a utilizar las emisiones de ondas electromagnéticas de una forma intensiva. También se hacían montajes de tipo sexual.

Primer domicilio en la capital donde vivo actualmente.

En Junio de 1999 me traslado a vivir a una capital del interior del país. En el piso contiguo al apartamento que yo alquilé vivía un matrimonio, a estos se les hizo vender su piso a dos personas que la Seguridad del Estado introdujo en Septiembre de ese año en el edificio. Por el comportamiento de estas personas en su afán por ridiculizarme y faltarme el respeto no había duda de su pertenencia a la Seguridad del Estado.

Para que estas dos personas pasasen desapercibidas y no levantasen sospechas en sus actividades se introdujo al

hombre como empleado en las oficinas del Instituto Nacional de la Seguridad Social, a la mujer se la introdujo como funcionaria en un juzgado. El elemento masculino de la pareja me acosó sexualmente en varias ocasiones. Por la noche tenía la costumbre de subirse a su casa la bolsa de basura que yo depositaba en la calle instantes antes para su recogida.

Un tiempo después de su llegada al edificio me di cuenta de que desde su vivienda se estaban realizando las emisiones de ondas electromagnéticas. Por los síntomas que yo tenía a nivel físico y anímico y no habiendo ninguna circunstancia o condicionamiento físico o ambiental que provocase esos efectos solo cabía pensar que los síntomas eran producidos a través de emisiones de ondas electromagnéticas, ese era el nombre que por lógica más se acercaba a la causa de los efectos.

En ese primer domicilio de la ciudad donde vivo actualmente se comenzó a hacer fuertes emisiones de ondas electromagnéticas. A consecuencia de ellas la memoria se ve gravemente afectada. Se producen mareos y desorientaciones espaciales. Pequeñas e instantáneas pérdidas de conciencia en las que por breves segundos uno no sabe donde está, no se sabe que hace uno en un determinado lugar, y en alguna ocasión hasta no se tiene conciencia de quien se es. Afortunadamente estas situaciones duran pocos segundos.

Después de haber estado expuesto a las emisiones de ondas electromagnéticas sus efectos pueden durar varias horas. Si han estado emitiendo con alta intensidad toda la noche sobre la víctima mientras esta duerme los efectos pueden durar todo el día. La persona se despierta extremadamente cansada y pasa el resto del día como si no hubiese descansado en toda la noche. Se tiene mucha confusión y cuesta trabajo concentrarse en algo.

La memoria falla bastante. Si se hacen movimientos bruscos o rápidos se sienten mareos. Hay molestias en la cabeza, en los ojos la tensión existente en ellos parecen que se van a salir de los cuencos de los ojos, las fosas nasales se resecan y duelen. A la víctima se la deja en una situación de absoluta confusión e indefensión ya que los sentidos los tiene embotados.

Dichas emisiones se notaban especialmente cuando los vecinos de la Seguridad del Estado las emitían localizadas sobre la zona que hay entre el oído y ojo derechos, la zona derecha de mi cuerpo era la que daba a la zona de la vivienda de esa gente cuando yo me sentaba en el sofá de mi salón.

En Diciembre de 1999 puse dos denuncias en un juzgado contra esas dos personas y fueron archivadas por el juez. La primera denuncia fue hecha por atentado a la salud pública y en ella indicada que se estaban realizando emisiones de ondas electromagnéticas que afectaban a la salud física y psíquica.

Al año siguiente de poner la denuncia, en el número de Septiembre del 2000, la revista Más Allá de la Ciencia publicó un artículo que trataba precisamente de emisiones de ondas electromagnéticas, sus efectos y usos sobre la población. Entregué una fotocopia del artículo al secretario del juzgado para que este lo hiciese llegar al juez y que viese que lo que yo había denunciado no eran inventos, que esas cosas se estaban haciendo en nuestro país, y que concretamente se me utilizaba a mi como objeto de esos trabajos y experimentaciones. Nunca tuve noticias del juzgado.

En este primer domicilio, aparte de las personas que introdujeron ex profeso en la vivienda contigua a la mía, también consiguieron la colaboración de las dos vecinas del apartamento situado encima (3º dcha.) del que yo ocupaba (2º dcha.). Con el tiempo, y debido a que he cambiado varias veces de domicilio, me he dado cuenta de que prefieren para hacer las emisiones de ondas la vivienda situada por encima de la víctima, independientemente de que tengan también otra vivienda operativa en el mismo edificio.

Esto queda corroborado por lo que he leído en algunos libros y revistas de que la comunicación mental se realiza a través de la zona situada en la cima de la cabeza.

Ignoro si estas dos señoras se prestaron voluntariamente a hacer las emisiones de ondas desde su vivienda, posiblemente a cambio de dinero, o tuvo la Seguridad del Estado que recurrir a la utilización de sustancias que anulan la voluntad y permite programar y controlar mentalmente a las personas.

A este respecto tengo que recordar que el periódico El Mundo publicó hace muchos años una noticia referente a que el CESID, ahora llamado CNI, secuestraba a ciudadanos con los que experimentaba una droga que anulaba la voluntad, a aquellas actividades se las llamo "Operación Mengele", se abrieron diligencias judiciales y estas fueron archivadas. En dos ocasiones que iba yo conduciendo mi automóvil -Agosto de 1997 y Mayo de 2004- se hizo abalanzar contra mi a otro automóvil conducido por personas que previamente debían de haber sido tratadas con

esas sustancias experimentadas por el servicio secreto para anular la voluntad.

Es lógico deducir que iban bajo el efectos de esas sustancias y controlados mentalmente ya que no de otra forma una persona echa el automóvil que conduce sobre otro automóvil sabiendo que de ese choque puede morir en el accidente que está a punto de provocar. Cuando la segunda persona hizo abalanzar su coche sobre el mío -él estaba esperando en un cruce de carreteras- me estaba mirando y en su rostro no se reflejaba temor por lo que estaba a punto de pasar, reflejaba normalidad y estado de tranquilidad conforme se dirigía con su automóvil a interceptar el automóvil que yo conducía.

Cuando inmediatamente después del accidente hablé con el otro conductor deduje por su comportamiento, por las cosas que decía y ciertos movimientos de cabeza que hacía, que había sido preparado previamente para ser controlado mentalmente y provocar el accidente en el que sin duda alguna se pretendía que yo muriese.

No tengo la menor duda de que la Seguridad del Estado utiliza sustancias que permiten programar mentalmente a las personas. Aparte de haberlas utilizado sobre estas dos personas para provocar accidentes sé que se está utilizando esa sustancia sobre un maestro de escuela de gran parecido conmigo y al cual están utilizando como doble haciéndolo pasar por mi; de este asunto del doble hablaré más abajo de este escrito. No sería de extrañar que algunas de las personas que colaboran con la Seguridad del Estado lo hagan bajo el efecto de las citadas sustancias que anulan la voluntad.

Volviendo a esas dos señoras del 3º dcha. he de decir que una de ellas fue despedida de los grandes almacenes donde trabajaba por tener cáncer. Ignoro si ese motivo es suficiente para despedir de su trabajo a una persona, en el caso de que no sea así cabe pensar que se presionó a su empresa para hacerlo y así ante el problema económico que se le presentaba como resultante de la pérdida del trabajo condicionarla a aceptar colaborar con la Seguridad del Estado a cambio de dinero, independientemente de que también se utilizase sobre ellas la sustancia que hace perder la voluntad.

Al principio eran estas personas simpáticas y tenían un comportamiento normal; pasado un tiempo empezó a cambiar su comportamiento, se volvieron ariscas y mal educadas. A veces se les notaba temor al verme. No tengo la menor duda de que a estas dos personas se les facilitó por la Seguridad del Estado instrumentos de alta tecnología para utilizarlo sobre mi desde su vivienda, explicar los detalles que justifican esta certeza haría excesivamente largo este escrito de lo que ya lo es.

En ese primer domicilio como en los dos siguientes ha entrado ilegalmente en ellos la Seguridad del Estado. En el primero dejaban constancia de su entrada ilegal dejando los cuadros que adornaban las paredes ostensiblemente torcidos. En una de las entradas ilegales que hicieron en ese domicilio me robaron una libreta donde tenía anotado nombres y lugares relacionados con las actuaciones de la Seguridad del Estado.

Los datos que figuraban en esa libreta solo podían interesar a la Seguridad del Estado y nunca antes o después me fue robado nada más, por tanto quienes entraban ilegalmente en mi domicilio solo podían ser miembros de las Fuerzas y Cuerpos de la Seguridad del Estado.

En este primer domicilio, al igual que en los dos siguientes, habían colocado algún dispositivo en el televisor que les permitía subir o bajar el volumen a voluntad de ellos. Por medio de las emisiones de ondas se puede hacer dormir a una persona. A veces me dormían y cuando me despertaba unas horas después estaba el volumen del televisor excesivamente alto. Pienso que el motivo de esto era para crear entre el vecindario la idea de que yo era una persona ruidosa.

Ordenador.

Viviendo en este primer domicilio compré un ordenador. Pasados unos días después de su compra encontré bloqueado el acceso a él, había entrado la Seguridad del Estado en mi domicilio y había cambiado la clave que yo creé para acceder a él como administrador. La primera vez que recurrí a utilizar el servicio de asistencia técnica telefónica del fabricante ya tenía esa empresa mis datos personales y el número de serie del ordenador.

Hablé por teléfono con el hipermercado que me había vendido el ordenador y me dijeron que ellos no habían facilitado al fabricante mis datos, que no era esa la costumbre, que los datos los obtenía el servicio técnico del fabricante la primera vez que se ponía en contacto con él el cliente. Solo cabe admitir que fue un miembro de la Seguridad del Estado el que se puso en contacto con el fabricante para dar de alta mi ordenador haciéndose pasar por mi, lo que no es de extrañar por lo que explico más abajo sobre el asunto del doble.

Instalé en el ordenador un programa de 3D llamado Bryce. Yo hacía con este programa bodegones y paisajes. A veces me faltaba de la carpeta de archivo de esos trabajos alguno de los que yo había realizado, en su lugar me encontraba con trabajos no realizados por mi y colocados por la Seguridad del Estado en los que se representaban órganos genitales masculinos. Para hacer esto tenían que entrar en mi domicilio y manipular directamente el ordenador o manipularlo a distancia a través de algún chip o programa instalado previamente por ellos. Lo más probable es que el autor de esas entradas ilegales fuese el miembro de la Seguridad del Estado que introdujeron como vecino en el 2º Izdo.

Utilización de menores en los montajes de la Seguridad del Estado.

La Seguridad del Estado se puso en contacto con un matrimonio residente en el 3º Izda. que tenían un hijo y una hija. Cosas muy graves debieron de decirles sobre mi para que accediesen a poner a la niña una mujer de la Seguridad del Estado que la recogía de la escuela o guardería al medio día.

A veces, cuando yo regresaba al medio día casa, esa mujer al verme llegar ponía a la niña delante de la puerta para obstruir el paso, yo esperaba frente a la puerta a una distancia prudente y cuando ella veía que no le hablaba ni tocaba a la niña para separarla de la puerta y poder entrar en el edificio le decía que se separase y dejase pasar. Pasado un tiempo al volver a casa encontré ante la puerta del edificio a una joven, la puerta estaba abierta y junto a ella en el interior de la entrada del edificio se encontraba la niña, esta al verme dijo “Este señor me ...”, los puntos suspensivos corresponden a la palabra que no llegó a pronunciar y que substituyó por risas.

Es obvio que la niña iba a decir “Este señor me toca” ya que era bastante obvio las intenciones que movían a la mujer que con anterioridad había “cuidado” a la niña. La joven que ese día estaba ante la puerta del edificio es la misma persona que en lo sucesivo se dedicaba a llevar y traer a la niña a la guardería o colegio. Por lógica se deduce que la mujer que cuidaba anteriormente de la niña desapareció de escena una vez que tuvieron claro que yo no tocaría a la niña. Y puesto que no consiguieron tal objetivo, del cual habría sido testigo esa mujer, hicieron que tocara a la niña el doble que de mi tiene la Seguridad del Estado.

Puesto que esa niña parece que por su edad no estaba nunca sola el tocamiento o los tocamientos se debieron de producir en presencia de personas adultas y con el consentimiento de estas. Creo que hay más posibilidades de que la niña fuese sometida al tocamiento del doble a que la niña fuese obligada por sus padres a decir que yo la tocaba.

Consulté con dos abogados de esta ciudad el asunto de la utilización de la niña en montajes y me contestaron los dos que la policía podía decir lo que quisiese a los padres de la niña y que estos podían dejar la niña a la policía para lo que quisiesen, que en todo caso yo no era quien para denunciar nada, que los que debían de poner la denuncia eran los padres de la niña. Poco después de hablar con el segundo abogado fue sacado del edificio el matrimonio con los dos hijos.

Segundo domicilio de la capital donde vivo actualmente.

Cumplidos los cinco años legales del mantenimiento del contrato de alquiler del primer domicilio me tuve que buscar otro domicilio. En este segundo domicilio entré a vivir en Junio de 2004 y continuaron en él con las emisiones de ondas electromagnéticas desde el piso situado encima del que yo alquilé.

El piso (9º izdo.) situado encima del mío (8º izdo.) es propiedad de la suegra del decano de los abogados de esta provincia. En el piso no vivía nadie. El decano vive en el 9º dcha. y utilizaba el piso vacío de enfrente situado encima del mío para hacer las emisiones de ondas electromagnéticas sobre mí. Este individuo tuvo siempre un comportamiento extravagante. Desde el primer momento se dedicó a crear un ambiente enrarecido.

Yo no me enteré de quien era él hasta unos meses después de ir yo a vivir a ese edificio. Más abajo expongo el comportamiento del colegio que el representa y los antecedentes del comportamiento judicial, ello justificaría el comportamiento del decano desde que yo entré a vivir en ese edificio y su colaboración en la represión y experimentación efectuada sobre mi por la Seguridad del Estado.

La primera vez que vi a esta persona en el edificio fue unas semanas después de entrar a vivir yo allí, él salía del ascensor y al verme en la entrada me saludo verbalmente con una inusitada alegría y simpatía, me resultó evidente que sabía quien era yo. Posteriormente me lo crucé en la calle dos veces y al verme ponía mala cara, bajaba la cabeza y no saludaba. Fue una de estas dos veces cuando me di cuenta de que era el decano de los abogados.

En Septiembre de ese año coincidí con él en la entrada del edificio donde vivíamos y le hablé sobre un tema de un empleado del colegio el cual me había negado algo a lo que yo tenía derecho. El decano reconoció que yo tenía

derecho a lo que se me negó, al despedirnos se me ofreció para lo que necesitase.

Al día siguiente de esta conversación coincidimos otra vez en el edificio y comenzó a tener un comportamiento más extravagante que el que tenía antes de nuestra conversación. Desde este día cada vez que coincidíamos en el edificio me negaba el saludo y cuando se había asegurado de que no había nadie más que pudiese oírlo se ponía a hacer fuertes sonidos guturales, a silbar, a tararear.

Un tiempo después de estar viviendo allí oí en el edificio la voz del hombre que introdujo la Seguridad del Estado en mi anterior vivienda. Seguramente venía a enseñar al decano de los abogados o a la mujer del 7º izdo. el manejo de los emisores de ondas electromagnéticas.

En este segundo domicilio continuaron las fuertes emisiones de ondas con los efectos ya reseñados en mi primer domicilio y se comenzó con nuevos métodos de experimentación de las posibilidades que ofrecen las ondas electromagnéticas.

Algunas noches me despertaba en la cama con grandes taquicardias y una total rigidez corporal que impedía moverme. Presa del pánico y del agotamiento acababa dormido y cuando me despertaba por la mañana estaba exhausto. Cuando se me exponía a esta experiencia estaba durante los siguientes días con mucho agotamiento físico y mental.

Otras noches lo que se hacía era provocar la rigidez corporal que impedía que me pudiese mover e incorporarme de la cama, previamente se había provocado una exagerada subida de la temperatura en la habitación, parecía que estuviese ardiendo. La primera vez lo pasé muy mal, tenía mucha angustia por creer que había un incendio en el edificio y que al estar inmovilizado y no poder moverme acabaría pereciendo en él. Con esa angustia acabé dormido por el agotamiento.

Las siguientes veces ya no me preocupé tanto pues sabía que no había ningún incendio y que se trataba de experimentaciones con las emisiones de ondas. En alguna ocasión provocaron el enorme calor pero sin inmovilizarme en la cama, entonces me incorporaba y salía de la habitación y comprobaba que el calor estaba también en la habitación contigua y en la cocina y que los cristales de las ventanas estaban empañados de humedad y resbalaban por ellos gotas de agua.

Estas experiencias relacionadas con la provocación de enorme calor es posible que se hiciesen desde el piso inferior al que yo ocupaba, ya que si se hubiese hecho desde el piso superior al mío la onda de calor proyectada podría haber afectado a los habitantes del piso inferior, una mujer y sus dos hijos. Es sabido que en las emisiones de ondas electromagnéticas sobre las personas se puede controlar el alcance de las mismas y solo ser afectada la persona objetivo.

Posiblemente en la producción del excesivo calor también puedan controlar el alcance y distancia del mismo y que no se vea afectada ninguna otra vivienda. Más abajo explico lo relacionado con las personas que habitaban el piso situado debajo del mío, los cuales también eran objeto de experimentación por control mental.

Algunas noches era dormido mientras estaba sentado en una butaca viendo la televisión. Cuando me despertaba estaba totalmente inmovilizado en la butaca, no podía moverme lo mas mínimo, y el televisor se encontraba con el sonido a todo volumen. No podía moverme ni incorporarme de la butaca para bajar el volumen del televisor. Me tenían así un rato, luego me dormían otra vez y cuando me despertaba ya habían normalizado el volumen del televisor por control remoto.

En ese domicilio la forma que tenían de hacerme saber que entraban en mi domicilio durante mi ausencia era dejando grandes charcos de agua en el suelo. En dos ocasiones me fue sustraída la documentación del automóvil, posteriormente era devuelta dejándola en el lugar de donde había sido sustraída.

El decano de los abogados tenía interés de que yo fuese consciente de que era él el que hacía las emisiones de ondas electromagnéticas desde el piso situado encima del mío y para tal fin hacía lo siguiente:

Repentinamente y por unos segundos ponía la emisión de ondas en una intensidad tan extremadamente elevada que me obligaba a encogerme sobre mi -esta era una instantánea e instintiva reacción corporal de protección-, repentinamente cesaba la fuerte emisión de ondas y tras breves segundos se oía un fuerte golpe de cerrar una puerta de piso en la planta de encima (el decano sale de encima de mi vivienda) seguido de fuertes y esperpénticos sonidos guturales con los que quiere hacerme saber que ha sido él el que acaba de exponerme a la fortísima emisión de ondas, seguidamente se oía otro fuerte golpe de cerrar una puerta de vivienda (se entraba a su vivienda situada enfrente de la vivienda desde donde hacía las emisiones de ondas), a veces no se oía el segundo golpe de puerta y

se oía bajar el ascensor y desde su interior hacer esperpénticos sonidos guturales.

Las primeras veces de suceder esto yo abría la puerta de mi piso y comprobaba que en la planta de arriba estaba encendida la luz del pasillo, lo cual era otra pista más que dejaba el decano de que las emisiones se hacían desde la planta superior. En las dos plantas del edificio situadas por encima de mi vivienda solo vive el decano con su mujer y su hija.

No hay la menor duda de que ese individuo quería demostrar que él era el encargado de las emisiones de las ondas electromagnéticas sobre mí y quería demostrar también que es impune en la comisión de su delito por la violación de los derechos fundamentales de la persona a través de la tortura física y psíquica que supone estar expuesto a esas emisiones de ondas electromagnéticas. En lo que explico a continuación se ve claramente hasta que punto estaba implicado el decano en la represión y tortura por medio de las emisiones de ondas y de que también estaba al tanto de los trabajos que realizaba la Seguridad del Estado sobre otros vecinos del inmueble.

Utilización de vecinos para crear conflicto, previamente se les anula la voluntad y son pro-gramados para su utilización.

Los irracionales comportamientos de la mujer y el niño del 7º izda. que relaciono a continuación son un exponente de que a estos se les debió de tratar con esa sustancia con la que experimentaba el CNI, antes llamado CESID, que hace que las personas pierdan la voluntad y que sean programadas para dirigirlas telepáticamente por control mental.

No hay que descartar que a estas personas del 7º izda. se las mediatizase para tener ese comportamiento a través de emisiones de ondas electromagnéticas realizadas desde el 6º izdo., en este piso vive un abogado que llevará el decano como falso testigo de unos hechos que no han sucedido en el juicio que se celebrará contra mí como consecuencia de su falsa denuncia de amenaza de muerte ordenada por la Seguridad del Estado.

La vecina del 7º Izda. y su hijo tenían la costumbre cuando llegaban al edificio de llamar a mi vivienda tocando el timbre situado junto a la puerta de la calle, no contestaban cuando yo respondía a su llamada y se subían en el ascensor a su piso. Debido a la alta frecuencia con la que llamaban al timbre y a que inmediatamente subían a su piso no hay duda de que eran ellos, además un día el hijo tocó el timbre de mi casa y segundos después se lo oyó decir excesivamente contento y en tono de voz alto mientras salía del ascensor para entrar en su vivienda “Mamá le he tocado al timbre”. No hay duda de que lo hacían con la intención de molestar y enrarecer la convivencia vecinal.

Cuando yo me ponía a lavar la ropa en la galería de mi vivienda tenía la costumbre la mujer del 7º Izda. de ponerse ella en su galería a hacer girar sus cuerdas de tender la ropa sobre los rieles, los cuales debían estar enrobinados ya que hacían mucho ruido, quizás fueron enrobinados ex profeso para ese trabajo ya que se trataba de que se oyese continuamente al girarlos . Estaba así durante todo el tiempo que yo estuviese lavando.

Cuando yo terminaba de lavar la ropa me asomaba a la ventana y comprobaba que la mujer del 7º izda. no había tendido nada en las cuerdas de su casa, solo en dos o tres ocasiones tendió dos pequeñas prendas, cantidad que no justificaba que se pasase tanto tiempo haciendo girar las cuerdas.

Era normal que el niño y la niña del 7º izda. regañasen cuando se encontraban en su vivienda. A veces pasaban varios días seguidos sin oírseles. Cuando yo me percataba de que estaban varios días sin oírseles inmediatamente el niño empezaba a hacer un peculiar sonido vocal. Esto sucedió varias veces, las suficientes como para deducir que no era casualidad, y menos casualidad aún por lo que explico a continuación de como continúa este asunto.

En dos ocasiones el decano de los abogados imitó el sonido que el niño hacía cuando yo me extrañaba de no oírles regañar a él y a su hermana. La primera vez sucedió nada más salir el decano del ascensor en el 9º , acto seguido de imitar el sonido se oyó un fuerte golpe de puerta. Nada más oír el peculiar sonido, pero emitido en esta ocasión por un hombre adulto, me dirigí a la puerta de mi vivienda y la abrí, me asomé a la escalera y pude ver como estaba encendida la luz del 9º (donde reside el decano) y que desde el interior de una vivienda de esa planta se oían grandes carcajadas de un hombre y una mujer (al decano y a su mujer les hace gracia lo que sucede en el edificio y que se utilice a la gente contra su voluntad y se vulneren sus derechos).

La segunda vez imitó el decano ese sonido -no le salió tan perfecto como la primera vez y esta segunda vez parecía más bien el aullido de un lobo- cuando bajaba en el ascensor desde la planta 9ª, al oír los aullidos abrí la puerta de mi vivienda y comprobé que estaba encendida la luz del pasillo de la planta 9ª, no había duda de que era otra vez el

decano de los abogados que acababa de salir de su piso y bajaba en el ascensor.

Se deduce de este hecho que los medios con los que cuenta la Seguridad del Estado para realizar el control sobre los ciudadanos son muy avanzados y sofisticados. Téngase en cuenta que la respuesta del niño a mi pensamiento es casi instantánea y esto implica una interrelación muy grande entre las distintas personas y los medios que intervienen en el operativo de la Seguridad del Estado que están conectados con mi mente y la del niño.

Creo que no es necesario exponer ahora cábalas de cómo pueden hacer esto, todos los que somos víctimas de estos trabajos de campo y experimentaciones nos lo podemos imaginar. Lo que sí es importante resaltar, porque demuestra que este hecho expuesto no son delirios ni obsesiones y que obedece a realidades que escapan al ámbito de lo ordinario del común de los ciudadanos, es que lo sucedido mentalmente entre el niño y yo es conocido por otra persona que vive en el mismo edificio, el decano de los abogados, y que este colabora con la Seguridad del Estado en las emisiones de las ondas electromagnéticas desde un piso propiedad de su suegra (cabe pensar que también lo puede estar haciendo desde su propia vivienda, el 9º dcha., sobre las personas que viven en el 8º dcha.). Si los sonidos emitidos por el niño en respuesta a mis pensamientos fuesen delirios, obsesiones, o fantasías mías, no estaría ese hecho en conocimiento de nadie más y no se habría producido la vergonzosa actuación del decano.

Es obvio que ese individuo es puesto al corriente de las incidencias que ocurren en el edificio dentro del operativo que la Seguridad del Estado está desarrollando en el mismo, y en el cual él juega un papel muy importante. El decano es un elemento importante dentro de la represión ejercida sobre los ciudadanos. No es de extrañar que haya puesto una falsa denuncia de coacciones y amenazas de muerte contra mí.

Es importante resaltar que la Seguridad del Estado no tiene ningún tipo de miramientos o escrúpulos en la realización de sus fines. También hay que resaltar que hay personal civil carente de ética y escrúpulos que se presta a dañar a otros ciudadanos y a colaborar en la vulneración de los derechos fundamentales recogidos en la Constitución.

El 24 de Octubre de 2006 puse en poder de los vecinos del inmueble un sobre en cuyo interior había introducido un escrito donde les explicaba mi caso y que desde el piso situado encima del mío se estaban haciendo las emisiones de ondas electromagnéticas. En el sobre introduje también acompañando a mi escrito unas fotocopias del conocido artículo de Más Allá de la Ciencia de Septiembre de 2003, una información bajada de Internet sobre el científico español José Manuel Rodríguez Delgado, la ponencia sobre las emisiones de ondas electromagnéticas de la profesora Jutta Schmitt, una información sobre las ondas Schumann, y fotocopia del escrito del Tribunal Europeo de Derechos Humanos de Estrasburgo donde me comunicaban que mi demanda contra el Estado iba a ser estudiada por el Tribunal.

Unos días después, el 31 de Octubre de 2006, puso el decano de los abogados, una falsa denuncia contra mí por coacciones y amenazas de muerte. El 2 de Noviembre fui detenido con amenazas de los miembros de la Seguridad del Estado de emplear sobre mí la violencia física y encerrado en los calabozos de la Policía Nacional, al día siguiente fui puesto a disposición judicial. En la actualidad me encuentro en libertad provisional y con un alejamiento de mi domicilio y del falso denunciante y su familia de 300 metros.

No hay la menor duda de que detrás de la falsa denuncia del decano de los abogados se encuentra la Seguridad del Estado y que su finalidad es desprestigiarme y criminalizarme para hacerme pasar por enfermo mental para que no sea creíble mi denuncia de que existe la tecnología consistente en la emisión de ondas electromagnéticas que se utiliza en el control de los ciudadanos y en la producción de enfermedades. Por las también implicaciones judiciales en el caso no existe duda de que el asunto es un secreto o razón de Estado que se tiene que sustraer a la opinión pública.

Los cuatro primeros profesionales de la abogacía que se han ido sucediendo en mi supuesta defensa han colaborado en beneficiar a la parte contraria. Hace pocos días que he contratado una nueva profesional de la abogacía para que defienda mis intereses frente a la falsa acusación del decano de los abogados.

Afectado ondas electromagnéticas y control mental

Tercer domicilio en la capital donde vivo actualmente

En este domicilio entré a vivir en Mayo del 2007. Como en los dos anteriores también ha conseguido la Seguridad del Estado que desde el piso situado encima (5º A) del que yo ocupo (4º A) se efectúen las emisiones de ondas

electromagnéticas.

En el piso 5ºA habitan un abogado y una empleada de la Cámara de Comercio. Estas dos personas viven aquí desde hace unos años según otros vecinos a los que he preguntado. Pueden haberse prestado voluntariamente a realizar el trabajo, quizás por dinero, o puede que previamente a que les ofreciese colaborar con la Seguridad del Estado hayan sido tratados con la sustancia en poder del CNI que anula la voluntad y permite programar mentalmente a las personas.

Lo más lógico es que las programaciones lleven incluido que no se acuerden las personas sometidas a ella de que han sido programados, ellos creerán colaborar voluntariamente. Sea cual sea la forma en la que participan lo cierto es que demuestran crueldad y ausencia de escrúpulos. Todos los días, durante el día y la noche, soy sometido a las emisiones de ondas, unas veces con más intensidad que otras. Todos los días me despierto como si no hubiese descansado por la noche.

Paso el resto del día confuso, con problemas para concentrarme y analizar, sobre todo las primeras horas de la mañana. Tanto durante la noche como durante el día ponen unas veces las ondas con más intensidad que otras. Las ponen extremadamente fuertes cuando tengo que hacer algún escrito relacionado con mi caso y en los días previos a la entrevista concertada con algún profesional de la abogacía para proponerle que lleve mi caso.

También ponen muy fuerte las emisiones de ondas electromagnéticas cuando emprendo alguna nueva actividad que puede suponer una ayuda para salir del acoso y aislamiento al que me tienen sometido. Cuando ponen muy fuertes las emisiones de ondas se crea mucha tensión en los ojos, se resecan las fosas nasales, la lengua, la garganta y las vías respiratorias del pecho, se tienen cefaleas y problemas con la respiración.

Los sentidos se embotan y uno se encuentra en una gran confusión, mentalmente está anulado y no puede tomar decisiones, se ve y se oye, pero no se tiene plena conciencia de lo que se ve y lo que se oye, se está ausente. En estas circunstancias de fuerte emisión de ondas electromagnéticas y embotamiento de los sentidos es cuando más facilidad tienen los especialistas en control mental de la Seguridad del Estado para hacer su trabajo, el individuo que me colocaron de vecino en mi primer domicilio es un buen especialista, a la par que un tipo con ausencia total de escrúpulos, su mente ha sido estructurada para hacer el mal.

En los tres domicilios utilizados por mi se lleva a la práctica una táctica de acoso psicológico consistente en seguir a la víctima desde el piso de arriba en sus desplazamientos por su casa. En los dos domicilios anteriores esta táctica era moderada en comparación con el actual domicilio, aunque lo suficientemente persistente para que no pasase desapercibida y la víctima tenga conciencia de que no es casualidad y se hace intencionadamente.

La táctica consiste en seguir desde el piso de encima a la víctima cuando se desplaza por su casa a cualquier lugar de ella, cuando la víctima se dirige a algún lugar de su casa y llega a este se hace en el lugar correspondiente del piso de arriba algún ruido fuerte consistente en dar un fuerte golpe con la puerta de la habitación o del armario, o hacer chirriar algún mueble al arrastrarlo por el suelo, a veces hacen las dos cosas.

En los dos primeros domicilios esto iba acompañado algunas veces de previo seguimiento con fuertes pasos en el mismo trayecto que la víctima. La numerosa y sistemática frecuencia con la que se realiza esta táctica, sobre todo en mi actual domicilio, aleja totalmente la sospecha de delirio persecutorio o de coincidente casualidad. Se realiza intencionadamente para socavar la moral de la víctima. Se hace con la intención de que la víctima sepa que desde el piso que hay encima del suyo se le tiene vigilado y que carece de intimidad.

Obviamente para hacer este tipo de trabajo -por las mismas personas que realizan también las emisiones de ondas electromagnéticas- es preceptivo que se les haya facilitado algún instrumento tecnológico que les permita visualizar a la víctima en el interior de su vivienda. Posiblemente se utilice un instrumento que permite ver la silueta humana en colores según la intensidad del calor que emana su cuerpo. No hay que descartar que dispongan de tecnología que les permite ver el interior de una vivienda, posiblemente se haga emitiendo un determinado y específico tipo de ondas sobre la vivienda y estas al retornar reproducirían fielmente los objetos y personas que atraviesan.

En mi actual domicilio llega a practicarse esta táctica de acoso psicológico de una forma enfermizamente obsesiva por parte de las personas que habitan el piso de encima. A esto hay que añadir que siempre que me encuentro en casa se está haciendo emisión de ondas electromagnéticas sobre los lugares de ella en que más tiempo estoy realizando alguna tarea.

Prácticamente todo el tiempo que estoy en el interior de mi vivienda se producen los seguimientos de una forma muy persistente. Cuando la mujer se iba a trabajar por las mañanas, desde Mayo a Diciembre de 2006, los seguimientos se notaban porque siempre al lugar de mi casa donde yo iba desde otro lugar se hacía en el lugar correspondiente del piso de encima el correspondiente golpe de puerta o se corría un mueble sobre el suelo produciéndose el correspondiente chirrido, a veces eran las dos cosas.

Durante estas horas de la mañana que ella estaba trabajando el autor de los seguimientos y los ruidos que se producían debía de ser su marido o la persona de la Seguridad del Estado que los sustituye algunos fines de semana y en vacaciones. La mujer regresaba del trabajo al medio día, ya por la tarde y la noche los seguimientos iban acompañados de un fuerte taconeado de zapatos de mujer por el recorrido que yo hago de un sitio a otro de mi casa, al llegar al destino se produce al igual que por la mañana un fuerte golpe de puerta y/o se arrastra un mueble por el suelo con el correspondiente chirrido.

Unos meses después de entrar a vivir en este domicilio, y en previsión de que la Seguridad del Estado les diese al matrimonio del 5ºA que colabora con ellos la orden de poner otra falsa denuncia contra mí, hablé con el presidente de la comunidad de propietarios del edificio para ponerle al corriente de mi situación, le expliqué el asunto de la falsa denuncia del decano de los abogados en el anterior domicilio y del comportamiento del matrimonio del 5ºA en este actual domicilio. Desde esto último limitaron en el piso de encima los seguimientos con taconeos al interior del piso y dejaron de hacerlo desde el salón para que si trascendía mi conversación con el presidente no asociasen los vecinos del 4ºB y 5ºB, colindantes con nuestras viviendas, el fuerte taconeado con lo que yo le había explicado al presidente.

Prácticamente todas las noches consiguen dormirme cuando me encuentro sentado en el sofá viendo la televisión y hacen que me despierte pasadas unas horas, a veces el volumen del televisor está muy fuerte, aunque no tanto como en mi segundo domicilio. Me despierto muy débil, muy confuso, con molestias en la cabeza, unas veces consigo incorporarme inmediatamente del sofá para irme a la habitación, otras veces tardo bastante en ir tomando conciencia de mí debido al malestar que tengo como consecuencia de lo que me hayan hecho con las ondas durante esas horas que me han obligado a dormir.

Después, todas las noches, sean las 24,00, las 02,00 o las 04,00, sea la hora que sea, me siguen por el piso de encima hasta mi habitación, lo hacen con fuerte y ostentoso taconeado de zapato de mujer para que no quede duda de que conocen mis desplazamientos por mi casa. Desde que hablé con el presidente de la comunidad el taconeado lo comienzan en el pasillo, ya no lo hacen desde el mismo salón.

Una vez yo en mi habitación arrastran ellos sobre el suelo de su habitación la cama u otro mueble, alguna vez no arrastran nada y se dedican por unos instantes a dejar caer cosas al suelo. Se trata de que constantemente la víctima sea consciente de que desde el piso de encima conocen sus movimientos y de que por lo tanto es vigilado o espiado y que no tiene intimidad.

Cuando los del 5ºA reciben visita se oye un rato antes un continuo taconeado por toda la casa y muchas salidas y entradas de su vivienda. Parece que eso es debido a que recogen el instrumental tecnológico emisor de ondas electromagnéticas y los visores que tienen repartido por su casa y lo suben al trastero para que la visita que está a punto de llegar no descubra las practicas a que se dedica esta pareja del 5ºA.

Los del 5ºA son sustituidos en su vivienda por un miembro de la Seguridad del Estado durante las vacaciones y cuando se van algún fin de semana a su pueblo.

Cuando esto ocurre la persona que los sustituye no hace el seguimiento haciendo ostentación del taconeado, se limitan al golpe de puerta y/o arrastrar algo por el suelo haciéndolo chirriar en el lugar de la casa al que se acaba de llegar, ocasionalmente dan fuertes pasos sin taconeado cuando van siguiéndome por la casa; también por las noches se me duerme en el sofá y se me despierta unas horas después con los mismos efectos indicados anteriormente. Una vez que me he despertado y puedo irme a la habitación no hacen ostentación del seguimiento y se limitan a correr algo sobre suelo haciéndolo chirriar o dejar caer cosas sobre el suelo.

UTILIZACIÓN DE UN DOBLE.

IMPLICACIÓN DE UN POLICIA EN EL USO DE LA SUSTANCIA QUE HACE PERDER LA VOLUNTAD EN EL DOBLE Y EN UN CUÑADO MIO PARA PROVOCAR LA SEPARACIÓN DE MI HERMANA.

En Junio del 2000 entré por primera vez en el edificio de los juzgados de esta capital donde resido. Me dirigí al

juzgado nº 7 que estaba ese día de guardia para ver si podía hablar con el juez y exponerle mi caso para ver la posibilidad de abrir una investigación judicial. El funcionario con el que hablé me dijo que ya había estado yo anteriormente varias veces en el juzgado con el mismo tema de querer hablar con el juez para exponerle mi caso.

Me dió unas palmaditas en la espalda al tiempo que me decía peyorativamente que me tranquilizase -no había motivo de ello ya que yo estaba muy tranquilo- y me invitaba a abandonar el juzgado. Pensé que habían recibido los funcionarios de los juzgados la orden de evitar que hablase con algún juez. En ese momento no sabía aún que la Seguridad del Estado tenía un doble de mí.

En 22-11-1 me desplazo a Madrid y voy a la sede confederal de Izquierda Unida. Uno de los empleados de esa sede me dice que con anterioridad yo había estado hablando varias veces con él, tanto por teléfono como en esa sede confederal. Esto no era posible porque la dos o tres veces que estuve con anterioridad allí me atendieron mujeres, nunca me atendió ningún hombre ni las mujeres me pasaron a hablar con ningún hombre, las varias veces que llamé por teléfono siempre contestaron mujeres, nunca ningún hombre. Entonces empecé a sospechar que la Seguridad del Estado estaba haciendo pasar a otra persona por mí.

El 7-5-2 hablo desde el teléfono interior de la portería del Congreso con la secretaria de Iñaki Anasagasti en el Congreso de los Diputados. Al decirle mi nombre dice que ya hemos hablado con anterioridad, queda en examinar la agenda del diputado para gestionar una entrevista con él y que ya me llamará para decirme la fecha. No me llamó nunca. Esta era la primera vez que hablaba con la secretaria de Anasagasti y también la primera vez que me puse en contacto con ese grupo parlamentario en el Congreso, por lo tanto era imposible que esa señora hubiese hablado conmigo con anterioridad. En ese momento ya no tuve ninguna duda de que la Seguridad del Estado tenía un doble de mí.

En esta capital donde resido vive un maestro con el cual he sido confundido varias veces por conocidos de él. La primera vez me confundió una señora que lo había conocido el día anterior y habían estado hablando un rato en la casa de él. La segunda vez me confundió con él un paisano de su pueblo. La tercera vez me confundió con él su primo. Esta última persona me dijo donde podía localizarlo y fui a visitarlo a la escuela donde ejerce de maestro.

Hay parecido entre los dos y muy bien pueden hacerlo pasar por mí. Me llamó la atención una característica física suya, tiene el cuello más recio que yo. En ese momento comprendí que esa persona es la que están utilizando como doble de mí pues me acordé de que un tiempo antes estando yo de visita en Altea (Alicante) un conocido de esa población con el que me encontré casualmente dijo haberse cruzado la semana anterior conmigo y que no lo saludé, le extrañó que yo llevase unos días antes el cuello más recio.

Yo había estado la semana anterior en Altea y había regresado a la semana siguiente -cuando me encontré con mi conocido- exclusivamente para comprobar como se comportaba una dependienta de un establecimiento donde estuve la semana anterior y tener un indicio de que el acoso y desprestigio al que me somete la Seguridad del Estado en la ciudad donde vivo se hace también extensible a otras poblaciones a las que eventualmente me desplazo.

Esto ya lo sabía de la ciudad donde vivo, pero quería comprobar si también lo hacían en mis desplazamientos a otros lugares porque en mi visita de la semana anterior estuvo siguiéndome por Altea un miembro de la Seguridad del Estado y entró detrás de mí en ese establecimiento, cuando yo salí él se quedó dentro y ya no me siguió. Por su comportamiento en el interior del establecimiento me pareció que posiblemente al ausentarme yo se hubiese dedicado a prevenir a la dependienta contra mí, pues ya sabía entonces que me denigran relacionándome con la delincuencia.

La primera vez el comportamiento de la dependienta fue completamente normal, a la semana siguiente se ruborizó al verme entrar en el establecimiento y puso mala cara, durante mi estancia en él local estuvo todo el tiempo con la cabeza agachada evitando mirarme, parecía que tenía temor. En ese momento pensé que la persona que me hizo el seguimiento por Altea la semana anterior había prevenido a la dependienta contra mí y que por eso ella tuvo ese comportamiento.

Cuando un tiempo después conocí al maestro con el que me confunden y le vi que el cuello lo tiene más recio que yo me acordé de lo de Altea y comprendí que estaban utilizándolo como mi doble y que lo habían enviado a Altea uno o dos días después de haber estado yo allí.

Se deduce que el seguimiento policial tenía como motivo saber los sitios a los que yo iba para enviar posteriormente al doble a ellos con determinados comportamientos y que la gente me achaque a mi esos

comportamientos y crear una opinión errónea sobre mí.

Esto es algo que he podido comprobar muchas veces por las reacciones de algunas personas al verme, tanto en la ciudad donde vivo actualmente como en otras poblaciones a las que me desplazo habitualmente.

Un ejemplo más de que utilizan al doble enviándolo a los mismos lugares a los que yo voy: El 11-8-3 me desplazo a Coín (Málaga) para solicitar cita con un determinado profesional para consultarle sobre que es lo que origina el acoso y persecución al que me somete la Seguridad del Estado.

Cuando vuelvo de Coín a la ciudad donde vivo paro a comer en un restaurante que hay junto a la autopista. Unos instantes después entran dos individuos que debido a su extraño comportamiento evidencian sin ningún género de duda que son miembros de la Seguridad del Estado. Vuelvo a Coín el día 22-8-3 para pasar la consulta que solicité el 11-8-3.

Cuando después de la consulta vuelvo de Coín a mi lugar de residencia paro a comer en el mismo restaurante que la vez anterior y dice la camarera que entre el 11 y el 22-8-3 yo he estado allí comiendo varias veces. Comprendí que habían enviado al doble varias veces allí entre esas dos fechas. Entre las dos fechas que yo fui a Coín desapareció el 15-8-3 en esa localidad la niña Sonia Carabantes y resaltaban los medios de comunicación que en las intermediaciones se había visto un automóvil blanco.

Pasé mucho miedo pues mi automóvil es de color blanco y llegué a pensar que se había estado enviando al doble a dejarse ver en el trayecto desde donde vivo hasta Coín para implicarme en el caso de la niña secuestrada y asesinada. Hoy en día aún sigo preguntándome que finalidad tenía enviar al doble varias veces, coincidiendo con el secuestro y asesinato de esa niña, a un lugar – probablemente también a otros lugares del trayecto- en el que lo más probable era que yo no volviese a parar más nunca más.

Comprendo que envíen al doble a Altea pues allí y en otras poblaciones cercanas estuve viviendo con anterioridad y ocasionalmente seguía visitándola en algún viaje por la zona. Pero, ¿que finalidad tenía enviar al doble que de mí tiene la Seguridad del Estado a dejarse ver varias veces en el trayecto que yo realicé esas dos fechas y habiendo entre medias un secuestro y asesinato?.

Ocurre que saben de mis intenciones debido al control mental que ejercen sobre mí. Desde que inicialmente yo pienso en ir a algún lugar para hacer gestiones tendientes a solucionar mi caso y hasta que realmente voy pasa un tiempo que es aprovechado por la Seguridad del Estado para enviar al doble a ese lugar con comportamientos que me son ajenos y crean una imagen peyorativa de mí. De esta manera cuando yo llego por primera vez a ese lugar ya se tiene de mí una idea errónea, no soy creído al exponer mi caso y se me trata peyorativamente.

Cuando conocí al doble le conté brevemente mi situación. Me pareció que ese hombre no era consciente de que era utilizado para hacer de doble de mí. Me dijo que conocía a un policía con el que se reunía periódicamente junto con otras personas en una tertulia, le di mi nombre y teléfono para que se lo entregase al policía y este se pusiese en contacto conmigo. No contactó conmigo.

Si la persona que utilizan de doble se prestase conscientemente a realizar ese trabajo no me hubiese dicho que en su círculo de amistades hay un policía, aún menos después de haberle puesto en antecedentes de la persecución policial de que soy objeto y de haberle dicho que él reúne una característica física -el cuello recio- observada en el doble, lo más normal es que no hubiese dejado pista alguna de tener relación con la Seguridad del Estado y de prestarse conscientemente a realizar la labor de doble..

Un tiempo después me enteré de que el mismo policía que estaba en la tertulia del maestro que utilizan como doble mío había estado también en otra tertulia a la que había pertenecido un cuñado mío el cual ya ha fallecido. Se por mi hermana que hubo amistad entre el policía y mi cuñado fuera de la tertulia y que los dos matrimonios salieron juntos alguna vez. Por aquella época mi cuñado comenzó a tener comportamientos que hicieron que mi hermana y él se separasen.

A raíz de la separación matrimonial comenzó mi hermana a recibir llamadas telefónicas de muy mal gusto que le provocaban malestar, se vio obligada a ir a la Comisaría de la Policía Nacional. Como consecuencia de esa visita a la Policía Nacional se interesó por ella alguien de ese cuerpo y se hizo su amigo. Esa persona le decía a mi hermana que yo estaba loco, que tiraba cosas desde el balcón de mi apartamento a la calle, que me anunciaba como curandero en los periódicos, que me creía Jesucristo y que la cicatriz que tengo en la frente (secuela del herpes que me salió en Alicante en 1994 como consecuencia de los experimentos que hacían conmigo) es una cruz que me he

hecho yo.

La conclusión es que el policía introducido en la tertulia del doble es el encargado de administrarle a este la sustancia que hace que pierda la voluntad y que sea programado para utilizarlo haciéndolo pasar por mi. Este mismo policía se introdujo también en el círculo de amistades de mi cuñado para poder administrarle esa sustancia y hacerle tener determinados comportamientos con mi hermana para provocar la separación entre ellos, una vez roto y separado el matrimonio comenzó la policía a hacer las llamadas telefónicas a mi hermana para ponerla nerviosa y que fuese a la Comisaría a poner la denuncia con el fin de colocarle un amigo que la mediatizase negativamente sobre mi.

EL ESTADO DEL PODER JUDICIAL EN ESPAÑA.

Unos abogados y una juez colaboran con el Estado en la ocultación de la violación de derechos constitucionales y el uso que se hace para fines delictivos de los miembros de la Seguridad del Estado.

El 22 de enero de 2003 un guarda de seguridad privada que presta sus servicios en la Biblioteca Pública del Estado de esta ciudad me humilló y agredió físicamente como consecuencia de la alteración que sufrió cuando le pregunté si podía identificarme a un miembro de la Seguridad del Estado que unos días antes, y encontrándose ella en el interior de la recepción de la biblioteca junto a él, portando entre las palmas de sus manos un objeto de apariencia metálica, por el cual accionó los arcos de detección antihurto haciendo sonar la alarma al pasar yo entre ellos.

El motivo de esa identificación era para poner una denuncia, pues es el mismo día 22 unas horas antes y hallándose en el interior de la recepción un empleado de la biblioteca con un miembro de la Seguridad del Estado hizo este saltar la alarma con el objeto de aspecto metálico que también portaba entre las palmas de sus manos. En las dos ocasiones volví a pasar otra vez por los arcos y no se accionó la alarma.

Recurrí a los servicios de un bufete de abogados y se redactó una denuncia en la que sé hacía constar la implicación en los hechos de miembros de la Seguridad del Estado, se me dijo que la firmase y que no era necesario que yo fuese al juzgado a presentarla, que lo harían ellos y al día siguiente me la entregarían sellada. El día 24 de Enero se me entregó una copia sellada el día anterior por el juzgado y me dijo el abogado que habían tenido que quitar de la denuncia la implicación en los hechos de la Seguridad del Estado porque sino hubiese sido archivada.

Para el día 10 de Febrero fui citado en el juzgado para hacerme ofrecimientos como denunciante y víctima de la agresión, pedí incluir en la denuncia lo que había sido excluido después de mi firma y me dijo el funcionario que no podía introducir en el texto de la denuncia lo que había sido suprimido, que solo se podía ratificar o retirar, también intentó convencerme de que fuese al juicio sin abogado, me dijo que no me hacía falta, que no servían para nada y que lo único que hacían era sacar el dinero.

Me dijo ese funcionario que si no me metiese con la Policía no me pasarían cosas como la que tuve que denunciar; por este comentario del funcionario se deduce que fueron al juzgado los responsables de mi caso en esta ciudad y engañaron a la jueza haciéndole creer que yo me metía con la policía para que ella cooperase eliminando de mi denuncia la referencia a la intervención de ellos en los hechos y que no investigase nada en ese sentido para evitar que se conozca por la opinión pública los trabajos ilegales y anticonstitucionales a los que se dedica en nuestro país a los miembros de las Fuerzas y Cuerpos de Seguridad del Estado.

Dado que no se me dejó incluir en la denuncia lo que con anterioridad había sido excluida de ella sin mi consentimiento no tuve más opción que ratificarla tal como estaba para que siguiese el proceso y poder aclarar ante la juez lo que estaba pasando pues me había dicho el funcionario que aproximadamente dentro de un mes me citarían para exponer verbalmente ante la juez mi versión de los hechos.

Posteriormente me dijo el nuevo abogado que contraté que la juez no me llamaría para oír mi versión de los hechos, que solo quedaba hacer ya el juicio de faltas. El bufete que se avino a modificar mi denuncia después de estar firmada no quiso que entre los testigos figurase el funcionario de la biblioteca que estaba de servicio en la recepción la segunda vez que hicieron saltar la alarma. Como era obvio de que este bufete no defendía mis intereses y estaba recibiendo ordenes de la Seguridad del Estado para dejarme indefenso decidí contratar el servicio de un nuevo abogado.

Este último abogado también se negó a que el tercer funcionario de la biblioteca propuesto por mi como testigo

fuese llamado a declarar. Decía que no era necesario y que no había que investigar nada de la implicación en el caso de la Seguridad del Estado. Que no se podía ir al fondo del asunto porque era un juicio de faltas y que la ley era así y había que aceptarlo. Me inculcaba miedo al decir que durante el juicio no se podía hablar de otra cosa que no fuese lo que ya estaba escrito en la denuncia y que la juez era muy severa si uno se salía del guión escrito en la denuncia.

El día del juicio el juez en practicas me hace la surrealista pregunta, a instancias de la juez titular y entre los cuchicheos y risitas de esta, ¿Se siente identificado con lo que la prensa escribe sobre usted?, le contesté que yo no salía en la prensa, lo cual es cierto, nunca había salido en la prensa ni he salido después. Por el tenor de la pregunta que me hace el juez en practicas por indicación de la juez titular es obvio que fueron los responsables de mi caso a ella con falsas historias sobre mí.

Le hicieron creer que yo era un alterado que me identificaba con la gente que sale en la prensa. El guarda de seguridad reconoció durante el juicio que a veces falla la alarma y salta sin motivo, admitió que inmediatamente volví a pasar por los arcos detectores y estos no hicieron saltar la alarma. Durante el juicio la abogada del guarda de seguridad aportó un documento, expedido por el director de la Biblioteca Publica del Estado, que decía que el sistema antihurto situado a la entrada de la biblioteca solo se activa al paso de documentos magnetizados.

Si así fuese las alarmas hubiesen vuelto a sonar cuando volví a pasar por los arcos de detección después de haber sonado estos. Los responsables de mi caso instaron al director de la biblioteca para hacer ese documento con la intencionalidad de desprestigiar me y hacer creer a la jueza que yo sacaba documentos magnetizados de la biblioteca, dicho de otra manera, que yo robaba cosas de la biblioteca. Este documento me lo ocultó mi abogado cuando hablamos sobre el escrito de apelación de la sentencia, en la cual se había absuelto al agresor.

Ese documento, que solicité al juzgado el día 2 de Septiembre de 2004, refleja simplemente la opinión del director de la biblioteca y no es un informe técnico, no fue emitido por técnicos especializados en instrumentos de detección y alarmas, la jueza no debía haberlo aceptado como prueba puesto que no prueba nada, además de que ya el guarda jurado había reconocido verbalmente durante el juicio y precisamente a preguntas de su abogada que las alarmas antihurto de la biblioteca a veces fallan y saltan sin motivo.

Se trataba de humillarme y hacerme pasar por delincuente, la jueza se prestó a ese agravio del Estado hacía mi. Como consecuencia de las influencias sobre el funcionario, la juez, y los abogados, el guarda que me agredió fue absuelto, y lo que es mas grave e importante, tampoco se pudo investigar que se obliga a intervenir a miembros de las Fuerzas y Cuerpos de Seguridad del Estado en actos delictivos en los cuales se fabrican falsas pruebas para actuar contra los ciudadanos.

Este montaje policial y judicial es una demostración palpable de la total indefensión en la que me encuentro ante los abusos del Estado. Los miembros de la Seguridad del Estado provocando situaciones para denigrar a un ciudadano, provocando altercados, influyendo sobre un director de biblioteca para que elabore un documento que sirva para denigrar a un ciudadano, influyendo a una jueza, funcionario y abogados para que falsifiquen una declaración ya firmada, y a jueces para que se tergiversen los testimonios de los testigos y elaboren sentencias encaminadas a denigrar a un ciudadano y ocultar la corrupción.

SOBRE EL TRIBUNAL CONSTITUCIONAL, EL TRIBUNAL SUPREMO Y LA FISCALIA GENERAL DEL ESTADO.

Segunda denuncia de la utilización de los emisores de ondas electromagnéticas.

El 24 de Febrero de 2005 pongo una denuncia sobre mi caso en la Audiencia Nacional. Hago constar que la denuncia se presenta sin el obligado y preceptivo abogado ya que ninguno quiere hacerse cargo del caso. La base de la denuncia es la vulneración de mis derechos constitucionales que se vienen sucediendo desde hace años a través del acoso efectuado por las Fuerzas y Cuerpos de Seguridad del Estado.

Dirijo la denuncia al Magistrado del Juzgado Central de Instrucción nº 5 por haberse instruido unos años antes en ese juzgado el caso del secuestro de ciudadanos por parte del CESID, ahora se llama CNI, a los que se utilizaba para experimentar sustancias que sirviesen para hacer perder la voluntad. En mi denuncia expongo ese hecho protagonizado por el CESID y expongo como en mi caso ha habido dos ocasiones en que se obligó a abalanzarse a dos personas con sus automóviles sobre mi automóvil estando yo en su interior.

Explico que eso solo se puede hacer a través de hacer perder previamente a esas personas la voluntad y dirigirlos

después por control mental. Que posiblemente se haya utilizado para tal fin esa sustancia que ensayaba el CESID, bastante mejorada dado el tiempo transcurrido desde entonces, y que ese juzgado investigó unos años antes. También expongo en la denuncia el uso intensivo que se empezó a hacer en mi primer domicilio de esta ciudad sobre mi de las emisiones de ondas electromagnéticas que inciden negativamente sobre el cuerpo y la mente. Expongo que se sigue actuando contra mi con las emisiones de ondas electromagnéticas en mi segundo domicilio.

También expongo en la denuncia los principales hechos delictivos protagonizados por los miembros de la Seguridad del Estado

La denuncia es archivada en el Decanato de los Juzgados sin remitirla al juzgado al que iba dirigida ni darla al reparto entre los otros juzgados.

Pongo un Recurso de Amparo ante el Tribunal Constitucional por entender que con la resolución de archivo ordenada por el Decano de la Audiencia Nacional se vulnera mi derecho fundamental reconocido por nuestra Constitución en el art. 24.1. Todas las personas tienen derecho a obtener la tutela efectiva de los jueces y tribunales en el ejercicio de sus derechos e intereses legítimos, SIN QUE, EN NINGUN CASO PUEDA PRODUCIRSE INDEFENSIÓN.

Hago constar que presento el recurso sin el preceptivo y obligado abogado ya que ninguno quiere hacerse cargo de mi caso. Se me exige que comparezca con procurador y abogado. Pido al colegio de abogados y al de procuradores que ante la dificultad que tengo para encontrar profesionales que quieran hacerse cargo de mi recurso me sean asignados profesionales por esos colegios del turno de oficio no gratuito y que yo me hago cargo de sus emolumentos económicos.

En el escrito de nombramiento de abogado por el Colegio de Abogados de Madrid se hace constar Compromiso de pago, no hay duda de que el nombramiento no se hace para justicia gratuita. Los profesionales de esta manera designados son considerados a todos los efectos como de libre designación y tienen la obligación de defender los intereses del cliente.

Así se dice en las paginas web de varios colegios y así me lo dijeron varios profesionales de la abogacía que no quisieron hacerse cargo de mi caso. Así me lo reconoció la persona que me atendió en el Colegio de Procuradores de Madrid. Así me lo han reconocido después los profesionales de la abogacía con los que he hablado. Sin duda alguna que la procuradora y el letrado designados lo fueron a mi costa desde el principio.

El abogado y la procuradora designados para defender mi recurso ante el Tribunal Constitucional se avinieron con los responsables de mi caso a tramitar el recurso por el cauce de la Comisión de Asistencia Jurídica Gratuita del Ministerio de Justicia para perjudicarme. Yo no había pedido justicia gratuita, tampoco tengo derecho a ella ya que mis ingresos son superiores a lo exigido para beneficiarse de ese servicio.

Cuando hice la solicitud para designación por el turno de oficio no gratuito no se me exigió por ninguno de los dos colegios los preceptivos justificantes para hacerme acreedor del servicio gratuito, por lo tanto comprendían fácilmente que la solicitud no se hacía para justicia gratuita. Después tampoco se me exigió ningún justificante de mis ingresos. Se daba por sentado que no era una petición de justicia gratuita.

El Colegio de Procuradores de Madrid me designa a una procuradora del turno de oficio no gratuito, el Colegio de Abogados de Madrid también lo nombra del turno de oficio no gratuito al indicar en la hoja de nombramiento el compromiso de pago. Los dos estaban designados a mi costa el abogado se niega a recibirme para explicarme mi caso y que haga el recurso lo mejor posible, dice que aún queda tiempo para hacer el recurso, posteriormente veo que el abogado había presentado un dictamen negativo sobre la concesión del Recurso de Amparo al día siguiente de haber hablado con él por teléfono.

Dirijo escritos al Colegio de Abogados de Madrid y al Tribunal Constitucional dando cuenta del comportamiento del abogado y comunicándoles que no he solicitado la asistencia jurídica gratuita y que tampoco tengo derecho a ella y de que se está creando una situación anómala al tramitar mi Recurso de Amparo por un procedimiento que no es el que le corresponde. No contestan a mi queja y todo sigue el curso que obcecadamente han marcado instancias extrajudiciales. A pesar de mis quejas se sigue tramitando el Recurso de Amparo como si de asistencia jurídica gratuita se tratase.

El Tribunal Constitucional en vez de corregir la anomalía que se había producido y ordenar al abogado que defiende mis intereses, pues para eso fue designado a mi costa, me escribe diciendo que me concede un plazo de 10

días para que me persone en el recurso con procurador y letrado designados a mi costa (ya habían sido designados a mi costa los profesionales que se habían prestado al fraude) no pude encontrar nuevo letrado y es archivado el recurso.

Cuando un Recurso de Amparo ante el Tribunal Constitucional se hace por medio de la Comisión de Asistencia Jurídica Gratuita del Ministerio de Justicia el dictamen elaborado por el abogado gratuito asignado al caso y el dictamen elaborado por el Colegio de Abogados de Madrid es vinculante para el Tribunal.

Se garantizaron el archivo de mi recurso y que no se abriese investigación judicial forzando que el recurso fuese tramitado fraudulentamente por medio de ese servicio gratuito y también de haberse garantizado los responsables de mi caso que el dictamen del abogado que se me asignó iba a ser negativo junto con el informe del Colegio de Abogados de Madrid.

Al ser rechazado el recurso se garantizaban los responsables de mi caso que no habría investigación judicial de mi caso y que seguían en secreto las violaciones de los derechos fundamentales y las practicas sobre los ciudadanos con las emisiones de ondas electromagnéticas . El abogado que se prestó al fraude es hermano de uno que fue subdirector de gabinete del ex presidente Aznar y después secretario general de la Fundación FAES.

No hay la menor duda de que hubieron presiones extrajudiciales de los responsables de mi caso para hacerlo de esta manera y encauzar mi Recurso de Amparo por un procedimiento que no correspondía y que era lesivo para mis intereses. De este modo se ayudaba a los magistrados del Tribunal Constitucional a cumplir la orden que recibieron de archivar mi Recurso de Amparo, ya que el trabajo sucio les llegó hecho por el abogado que me asignaron, por el Colegio de Abogados de Madrid, por el fiscal, y por la Comisión de Asistencia Jurídica Gratuita del Ministerio de Justicia.

Puse en el tribunal Supremo una querrela por prevaricación contra los tres magistrados del Tribunal Constitucional que instruyeron mi recurso y contra las demás personas que intervinieron en el fraude, fue archivada. Los magistrados del Tribunal Supremo intervinientes en el archivo de mi querrela contra los del constitucional argumentan en su escrito que yo pedí un abogado a la Comisión de Asistencia Jurídica Gratuita, lo cual es totalmente falso y evidencia que estos también colaboran en dar por bueno el fraude y los pone al mismo nivel que los magistrados del Tribunal Constitucional.

Denuncié ante el Fiscal General del Estado los hechos y me contesta la Fiscal Jefe de la Secretaria Técnica que aunque yo no pretendiera que se me reconociera el derecho de asistencia jurídica gratuita la tramitación debía seguir ese cauce. La Fiscalía General del Estado se suma al montaje judicial ordenado por los responsables del caso y es incapaz de reconocer la evidencia de que ha habido un fraude jurídico

El 30-5-6 presento una demanda en el Tribunal Europeo de Derechos Humanos de Estrasburgo por violación del Convenio Europeo de Derechos Humanos. El 20-6-6 contesta que mi caso será sometido a examen del Tribunal tan pronto como sea posible. Hasta el momento no he recibido más información de cómo está la situación de la demanda ante ese Tribunal.

El 2-11-6 fui detenido por la Policía Nacional y privado de libertad como consecuencia de una falsa denuncia de amenaza de muerte puesta contra mi por un vecino que es colaborador de la Seguridad del Estado y decano de los abogados. Este individuo es yerno de la propietaria del piso situado encima del mío, y se dedicaba a hacer emisiones de ondas electromagnéticas sobre mi.

Motivó la falsa denuncia el que yo hiciese un escrito que entregué a varios vecinos del inmueble, en él exponía brevemente mi caso, también expuse en el escrito que desde el piso situado encima del mío se estaban realizando emisiones de ondas electromagnéticas. Ya he explicado mas arriba en el apartado correspondiente al segundo domicilio las actuaciones y comportamientos del decano y su grado de implicación en la represión y tortura que se está llevando a cabo.

Al día siguiente de ser detenido fui llevado ante un juez y puesto en libertad provisional. En esta situación me encuentro actualmente a la espera de que se celebre un juicio contra mi.

De las irregularidades que se están cometiendo en la instrucción del caso, más bien habría que decir en la no-instrucción del caso, os pondré al corriente próximamente

Un saludo

.....the United States are engaged, at least since 1984, in remote mind control experiments on Americans. You would certainly serve democracy if your organisation took an action against the ever spreading use of this technology especially in the United States (I have personally counted more than 1000 e-mail addresses of U.S. persons complaining of this problem).

You may be aware that the present U.S. government is systematically working toward the creation of a police state. The use of mind control technology could bring this kind of state to perfection. I have noticed that the number of people complaining of the use of mind control technology against them is accelerating much faster during the presidency of George Bush than before.

The growing number of individuals complaining of use of those technologies against themselves proves that those technologies are getting ready for use in case of war or crisis. Democracy can not be defended without publication of the existence of those means.

Why is “ A public inquiry” so important to the victims of torture through the use of.....?

Hello all,

this idea will not work out because we are too few to be perceived in the streets in any other way than as menatly ill persons. The governments will not start any investigation because the technology in question is subjected to the National Security Inforamtion law. No one is going to face charges for breaking it. For the same matter the mass media will not publish the full truth about the existence of this technology. They are only willing to write that the research may be completed in the future, which means that there is no reason to fight for its ban at presen time let alone investigate the cases of torture by this technology. Our only chance is to inform the masses via Internet that this technology exists, is ready for use against individuals as well as against masses and governments suppress the publication of this fact with the use of the National Security Information law. Only if this information becomes a "public secret" the governments will feel obliged to work on legislation preventing the use of those technologies.

Below and in the attachment is the article which I believe can cause such effect if it is disseminated widely enough on the Internet.

I certainly do not think that the criminals can keep comitting criminal actions. What I mean to say is that they will not be willing to stop their criminal actions for as long as their possession of the means enabling them to engage in those actions will not be exposed to the citizens. We do not have any other means to "enforce" the legislation against the use and development of mind control technology than to

get people informed about the existence and capabilities of those technologies via Internet and persuade them that mass media are hiding this information from them. Only then people will understand that their governments are turning criminal. Attached is the article which can do the job.

I was looking at the rules of the International Criminal Court and in my opinion there is no chance they would take up our case, because and first of all, there is no legislation around the world forbidding the governments to use mind control technologies against their citizens. If there is no law, there is no crime and so the Court has no obligation or need to rule. Here in the Czech Republic we are considering, with several others, a complaint with the constitutional court that there is, in the hands of government, the mind control technology (http://www.europarl.europa.eu/stoa/cms/home/publications/studies?year=all&q=crowd+control+technologies&studies_search=Odeslat+dotaz (at the bottom of the page, second reference, , pg. Xlvi). Directed energy system is further defined by the STOA document: „Directed energy weapon system designed to match radio frequency source to interfere with human brain activity at synapse level“ http://www.europarl.europa.eu/stoa/cms/home/publications/studies?year=all&q=crowd+control+technologies&studies_search=Odeslat+dotaz, at the bottom of the page, first reference, Appendix 6-67), but there is no legislation protecting citizens against the use of this technology by the government or other entities against them. If our constitution is guaranteeing the citizens the right to personal freedom and there exist mind control technologies without legal control than the situation is in conflict with the constitution.

In Australia you do not have the chance to reference documents of the European Union, but you should look at the website of the Ministry of Defense in Australia. In the Czech Republic we found there some evidence that the Czech army is in possession of mind control technologies. Australia is a NATO member state and one can realistically expect that it accepted the NATO doctrine of non lethal weapons (which includes mind control technologies). I believe you can find some evidence to this effect on the Ministry of Defense site.

Mojmir

In my previous e-mail I have sent you incomplete evidence. This is the complete evidence: the European parliament's STOA (Science and Technology Options Assessment) report on Crowd control technologies states: “In October 1999 NATO announced a new policy on non-lethal weapons and their place in allied arsenals”; and “In 1996 non-lethal tools identified by the U.S. Army included... directed energy systems” and “radio frequency weapons” http://www.europarl.europa.eu/stoa/cms/home/publications/studies?year=all&q=crowd+control+technologies&studies_search=Odeslat+dotaz (at the bottom of the page, second reference, , pg. Xlvi). HOW FAR IN THE FUTURE IS THE BAN OF PSYCHOTRONIC WEAPONS?

by Mojmir Babacek

In March 2012 the Russian defense minister Anatoli Serdjukov said: “The development of weaponry based on new physics principles; direct-energy weapons, geophysical weapons, wave-energy weapons, genetic weapons, psychotronic weapons, etc., is part of the state arms procurement program for 2011-2020,” http://en.rian.ru/military_news/20120322/172332421.html.

The world media reacted to this hint on the open use of psychotronic weapons by the publication of scientific experiments from the 1960's where electromagnetic waves were used to transmit simple

sounds into the human brain. However, most of them avoided saying that since then extensive scientific research has been carried out in this area throughout the world. Only a Colombian newspaper, El Spectador, published an article covering the whole scale of the achievements of this research <http://www.elsespectador.com/impreso/internacional/articulo-364160-putin-guerra-psicotronica> (computerized English translation <http://www.icaact.org/ElinspectorArticle.pdf>). British Daily Mail, as another exception, wrote that research in electromagnetic weapons has been secretly carried out in the USA and Russia since the 1950's and that „previous research has shown that low-frequency waves or beams can affect brain cells, alter psychological states and make it possible to transmit suggestions and commands directly into someone's thought processes. High doses of microwaves can damage the functioning of internal organs, control behaviour or even drive victims to suicide.” <http://www.dailymail.co.uk/news/article-2123415/Putin-targets-foes-zombie-gun-attack-victims-central-nervous-system.html#ixzz2DPaQUNBO>.

In 1975, a neuropsychologist Don R. Justesen, the director of Laboratories of Experimental Neuropsychology at Veterans Administration Hospital in Kansas City, unwittingly leaked National Security Information. He published an article in “American Psychologist” on the influence of microwaves on living creatures' behavior. In the article he quoted the results of an experiment described to him over a phone conversation by his colleague, Joseph C. Sharp, who was working on Pandora, a secret project of the American Navy. Don R. Justesen wrote in his article: “By radiating themselves with these ‘voice modulated’ microwaves, Sharp and Grove were readily able to hear, identify, and distinguish among the 9 words. The sounds heard were not unlike those emitted by persons with artificial larynxes” <https://docs.google.com/file/d/0B3V8FIUj7brsMzJhOTY4ZWItMG15OC00MzkzLWJjMDQtMDM0OGE1ZDFhOGFm/edit?authkey=CKnE554O&hl=en&pli=1> (pg. 396).

That this system was later brought to perfection is proved by the document which appeared on the website of the U.S. Environmental Protection Agency in 1997, where its Office of Research and Development presented Departments of Defense's project: “Communicating Via the Microwave Auditory Effect”. In the description it said: “An innovative and revolutionary technology is described that offers a low-probability-of-intercept radiofrequency (RF) communications. The feasibility of the concept has been established using both a low intensity laboratory system and a high power RF transmitter. Numerous military applications exist in areas of search and rescue, security and special operations” http://web.iol.cz/mhzzrz/img/Communicating_via_the_micro.gif.

In January 2007 the Washington Post wrote on the same subject: “In 2002, the Air Force Research Laboratory patented precisely such a technology: using microwaves to send words into someone's head... Rich Garcia, a spokesman for the research laboratory's directed energy directorate, declined to discuss that patent or current or related research in the field, citing the lab's policy not to comment on its microwave work. In response to a Freedom of Information Act request filed for this article, the Air Force released unclassified documents surrounding that 2002 patent -- records that note that the patent was based on human experimentation in October 1994 at the Air Force lab, where scientists were able to transmit phrases into the heads of human subjects, albeit with marginal intelligibility. Research appeared to continue at least through 2002. Where this work has gone since is unclear -- the research laboratory, citing classification, refused to discuss it or release other materials” http://www.washingtonpost.com/wp-dyn/content/article/2007/01/10/AR2007011001399_pf.html.

We can only stress again that the world media avoid publishing the full scale of the progress in the research of the remote control of human nervous system. Dr. Robert Becker, who was twice nominated for Nobel Prize for his share in the discovery of the effects of pulsed fields at the healing of broken bones, wrote in his book “Body Electric” about the experiment from 1974 by J. F. Schapitz, released due to the Freedom of Information Act request. J.F. Schapitz stated: “In this investigation it will be shown that the spoken word of hypnotist may also be conveyed by modulated electromagnetic energy directly into the subconscious parts of the human brain - i. e. without employing any technical devices for receiving or transcoding the messages and without the person exposed to such influence having a chance to control the information input consciously.” In one of the four experiments subjects were given a test of hundred questions, ranging from easy to technical ones. Later, not knowing they were being irradiated, they would be subjected to information beams suggesting the answers to the questions they had left blank, amnesia for some of their correct answers, and memory falsification for other correct answers. After 2 weeks they had to pass the test again (Dr. Robert Becker: Body Electric:

Electromagnetism and the Foundation of Life, William Morrow and comp., New York, 1985, <http://www.amazon.com/Body-Electric-Electromagnetism-Foundation-Life/dp/0688069711>). The results of the second test were never published. It is rather evident that in those experiments the messages were sent into human brain in ultrasound frequencies which the human brain perceives, but of which the subject is unaware. Dr. Robert Becker, due to those publications and his refusal to support the building of the antennae for the communication with submarines in brain frequencies, lost financial support for his research which meant an end to his scientific career.

Transmitting human speech into the human brain by means of electromagnetic waves is apparently, for the researchers, one of the most difficult tasks. It must be much easier to control human emotions which motivate human thinking, decision making and actions. People who claim to be victims of experiments with those devices complain, aside of hearing voices, of false feelings (including orgasms) as well of aches of internal organs which the physicians are unable to diagnose.

In November 2000 the Committee on Security of the Russian State Duma stated that capabilities enabling remote control of the human nervous system or the remote infliction of health impairment are available to many modern governments <http://web.iol.cz/mhzzrz/img/dokument-predni.gif>. It is rather evident that those technologies are used, in conflict with the Nuremberg code, for experiments on unwitting human subjects. In 2001 the newspaper of the U.S. army, Defense News, wrote that Israel was experimenting with those weapons on Palestinians http://web.iol.cz/mhzzrz/img/Israel_fields_1.gif. As well ousted Honduran president Manuel Zelaya, while under siege in Brazilian embassy in Honduras, complained that he had been subjected to an "electron bombardment with microwaves" which produces "headache and organic destabilization" <http://www.guardian.co.uk/world/2009/oct/25/honduras-manuel-zelaya-embassy-siege>. When asked by Amy Goodman from Democracy Now: „As president, do you know about this in the Honduran arsenal?“ He replied: „Yes, of course“ http://www.democracynow.org/2009/10/5/ousted_honduran_president_manuel_zelaya_speaks. The use of those weapons is time and again reemerging in times of political crisis. According to Russian daily newspapers, during the failed putsch against Mikhail Gorbachov in 1991, general Kobets warned the defenders of the Russian White House that mind control technology could be used against them (Komsomolskaya Pravda, September 7,1991, O. Volkov, „Sluchi o tom chto nam davili na psychiku nepotverzhdalis. Poka“). After the putsch, the vice president of the League of Independent Scientists of the USSR, Victor Sedlecki, published a declaration in the Russian daily Komsomolskaya Pravda where he stated: **„As an expert and a legal entity I declare that mass production ... of psychotronic biogenerators was launched in Kiev (this is indeed a very serious issue). I cannot assert for sure that that were exactly Kiev generators that were used during the putsch... However, the fact that they were used is obvious to me. What are psychotronic generators? It is an electronic equipment producing the effect of guided control in human organism. It especially affects the left and right hemisphere of the cortex. This is also the technology of the U.S. Project Zombie 5“**. He further stated that due to the inexperience of the personnel who operated them the attempt to use the generators failed (Komsomolskaya Pravda, August 27,1991, "Avtory programy Zombi obnaruzheny v Kieve", http://web.iol.cz/mhzzrz/img/Authors_of_project_zombie.gif).

In the USA, at present time, several hundred people complaining of the remote manipulation of their nervous system are preparing a class action lawsuit against the FBI, Department of Defense and other agencies, requesting them to release files pertaining to their persons, detect the harmful radiations aimed at their bodies and sources of those radiations. As well perhaps over 2000 people are complaining in Russia, over 200 in Europe, over 300 in Japan and tens of people in China and India. Russian politician, Vladimir Lopatin, who was working on Committee on Security of the Russian State Duma and introduced there a bill banning the use of those technologies, admitted in his book „Psychotronic Weapon and Security of Russia“ (publishing house Sinteg, Moscow, 1999) that in Russia experiments on unwitting citizens are carried out, when he wrote: „Compensation of damages and losses connected with social rehabilitation of persons suffering from destructive informational influence must be realized in legal trial“ (excerpts from the book in English - http://mojmir.webuda.com/Psychotronic_Weapon_and_the_Security_of_Russia, pg. 113). It should be understood that most of those people pass through mental hospitals. Vladimir Lopatin visited the USA in 1999 as a chairman of the Military Reform Subcommittee of the USSR Supreme Soviet Committee for Issues of Defense and State Security and met with Richard Cheney. At that time he was described

as the "leader of a new breed of Soviet dissidents". Then he disappeared from top ranks of Russian politicians.

Why has this research remained classified until present time? There are two explanations for this: First there is a secret arms race in progress in the world where the superpowers compete to gain decisive supremacy in this area and in this way master the control of the whole world. Second the governments keep those technologies in store for the case that they would not be able to control, by democratic means, the crisis that may arise as a result of their poor decisions. In both cases the era of democracy and human freedom in history will come to an end. According to the declaration of the former Russian Defense minister Serdjukov, there are maximally eight years left within which those weapons will officially become a part of the Russian military arsenal. For democracy this would mean a beginning of the end.

Anyway, in the past Russians were not resolved to put those means to work. When the construction of the American system HAARP was launched, with the system supposedly being able to target large regions of the planet by vibrating the ionosphere in brain frequencies <http://nova.stanford.edu/~vlf/publications/2007-13.pdf> (in this experiment the brain frequencies were not used, but the HAARP system can transmit in brain frequencies as well), Russia declared its willingness to ban mind control technologies. The Russian State Duma and consequently, the Interparliamentary Assembly of the Union of Independent States addressed the United Nations, OBSE and the European Council with a proposal for an international convention banning the development and use of informational weapons. According to the Russian newspaper Segodnya in March 1998, the matter was discussed with U.N. secretary general Kofi Anan, and included on the agenda of the General Assembly of the U.N. http://web.iol.cz/mhzzrz/img/riders_of_psychotronic-1.gif, http://web.iol.cz/mhzzrz/img/riders_of_psychotronic-2.gif, http://web.iol.cz/mhzzrz/img/riders_of_psychotronic-3.gif. It is most likely the USA refused to negotiate this convention and in consequence the ban of informational weapons was not discussed by the United Nations General Assembly. Even in the U.S. congress appeared a bill proposing the ban of mind control technologies <http://thomas.loc.gov/cgi-bin/query/r?c107:chemtrails>. But this was only for a very short period of time. The bill was then changed and in the new bill the ban of those technologies was left out of the Space Preservation Bill. Neither the U.S. congress nor the U.S. president made ever an effort to ban mind control weapons. The European Parliament reacted as well to the launch of the HAARP system construction, when it called in 1999 for the ban of manipulation of human beings http://www.europarl.europa.eu/pv2/pv2?PRG=DOCPV&APP=PV2&DATE=280199&DATEF=990128&TPV=DEF&TYPEF=A4&POS=1&SDOCTA=8&TXTLST=1&Type_Doc=RESOL&PrgPrev=TYPEF@A4|PRG@QUERY|APP@PV2|FILE@BIBLIO99|NUMERO@5|YEAR@99|PLAGE@1&LANGUE=EN. The resolution was passed after the testimony of the American author of the book "Angels Don't Play this HAARP", Nick Begich, which apparently convinced the European Parliament of the possible use of this system to manipulate minds of whole populations. In the report by the European Parliament's STOA (Science and Technological Options Assessment) panel "Crowd Control Technologies" the originally proposed text of the European Parliament's resolution is quoted. There the European Parliament calls "for an international convention and global ban on all research and development, whether civilian or military, which seeks to apply knowledge of the chemical, electrical, sound vibration or other functioning of the human brain to the development of weapons which might enable any form of manipulation of human beings, including a ban on any **actual or possible deployment** (stressed by the author of the article) of such systems". (40, pg CII, ref. 369). But apparently at the same time the European countries resigned on this intention when accepting the NATO politics of non-lethal weapons. The same STOA report claims that the USA is a major promoter of the use of those arms and that: "In October 1999 NATO announced a new policy on non-lethal weapons and their place in allied arsenals" (pg. xlv) and it goes on: "In 1996 non-lethal tools identified by the U.S. Army included... directed energy systems" and "radio frequency weapons" http://www.europarl.europa.eu/stoa/cms/home/publications/studies?year=all&q=crowd+control+technologies&studies_search=Odeslat+dotaz (at the bottom of the page, second reference pg. Xlvi). Directed energy system is further defined by the STOA document: „Directed energy weapon system designed to match radio frequency source to interfere with human brain activity at synapse level“ http://www.europarl.europa.eu/stoa/cms/home/publications/studies?year=all&q=crowd+control+technologies&studies_search=Odeslat+dotaz (at the bottom of the page, first reference, Appendix 6-67). Since 1999 those weapons have been upgraded for another 13 years.

In 1976 the future National Security advisor to president Carter, Zbigniew Brzezinski, wrote a book "Between Two Ages, America's Role in the Technetronic Era" (Penguin Books, 1976, Massachusetts). In the book he predicted "more controlled and directed society" based on the development of technology, where an elite group will play a leading role, which will take advantage of persisting social crises to use "the latest modern techniques for influencing public behavior and keeping society under close surveillance and control".

The use of mind control technologies was predicted as well in the publication of Strategic Studies Institute of the U.S. Army War College, published in 1994

<http://www.strategicstudiesinstitute.army.mil/pubs/display.cfm?pubID=241>. The scenario for the year 2000 expected the growth of terrorism, drug trafficking and criminality and drew a conclusion: "The president was thus amenable to the use of the sort of psychotechnology which formed the core of the RMA (revolution in military affairs)... it was necessary to rethink our ethical prohibitions on manipulating the minds of enemies (and potential enemies) both international and domestic... Through persistent efforts and very sophisticated domestic "consciousness raising", old-fashioned notions of personal privacy and national sovereignty changed. As technology changed the way force was applied, things such as personal courage, face-to-face leadership, and the 'warfighter' mentality became irrelevant"... "Potential or possible supporters of the insurgency around the world were identified using the comprehensive Interagency Integrated Database. These were categorized as 'potential' or 'active', with sophisticated personality simulations used to develop, tailor and focus psychological campaigns for each". So the Institute of Strategic Studies supposed that in the year 2000 those technologies would be that advanced that it will be possible to deprive human being of his freedom and adjust his personality to the needs of ruling elite. Most probably those technologies were at this level already in 1994.

The attempts to make the general public acquainted with the existence of those weapons are, with respect to the fact that it is evident that democratic public would require immediate ban of those technologies, systematically suppressed. Vladimir Lopatin wrote: „The arms race is speeding up as a consequence of classification. Secrecy - this is in the first place the way to secure cruel control over the people... the way how to curtail their creativity, turn them into biorobots...”, and that psychotronic war “is already taking place without declaration of war, secretly... Only if the work on mind control problem is no more covered by the screen of secrecy, extraordinariness, mysteriousness, if complex, open scientific research with international participation, is carried out, the psychotronic war including the use of psychotronic weapon can be prevented”.

The article "Informacni zbrane ohrozují demokracii a lidstvo" was deleted from the website of the Czech internet newspaper Britske Listy (www.blisty.cz). The sharing of the original web address of the English version of the same article – Means of Information War Threaten Democracy and Mankind – is blocked on Facebook and a similar article was deleted from the webpage of the Australian magazine "New Dawn". This proves that the governments keep open the option to use this technology against their uninformed citizens. This is as well confirmed by the fact that there exist no legislations punishing the use of those technologies by governments. Only in Russia and some of the states in the USA there are legislations punishing the ownership or trading with those technologies by non governmental entities. For example in the state of Michigan <http://www.legislature.mi.gov/documents/2003-2004/billanalysis/House/pdf/2003-HLA-4513-s.pdf> <http://www.legislature.mi.gov/documents/2003-2004/publicact/pdf/2003-PA-0256.pdf> the sentence for this crime is equal to the sentence for ownership or trading with weapons of mass destruction. The readers who will be reached by this article and prefer democratic political system would help its preservation if they forwarded the article to their friends.

Bericht von Frau Waltraud Babl

Über nächtliche Angriffe mit Mikrowellen in der Dr. Köhler - Parkklinik 08645 Bad Elster vom 06.03. - 09.04.2002

Am zweiten Tag nach Antritt meines Kuraufenthaltes wurde ich nachts äußerst massiv mit Mikrowellen beschossen, sodass ich gezwungen war, mir von Zuhause Alu –Thermomatten zusenden zu lassen, damit die starken Schmerzen wenigstens etwas gemildert wurden. Es war so schlimm, dass ich glaubte, die Fußballen würden auseinanderbrechen. Übrigens kann meine Zimmernachbarin, Frau Gertrud Baumgart, 56357 Holzhausen, Telefon: 06772-2590, die ich eingeweiht hatte, bezeugen, dass im Nachbarzimmer nachts starker Lärm war. Es klopfte, krachte und knackte an der Wand, in den Möbelstücken und im Fernseher, sodass man nicht einmal ans Schlafen zu träumen wagte. Danach war jemand an der Tür und wollte diese aufsperrern. Außerdem wurde ich mit Mikrowellen beschossen; von den Zehen bis zum Kopf. Dies zeigte sich in Stichen, die ein Brennen unter der Haut sowie Nervenschmerzen, Muskel - und Kopfschmerzen, Schwindelgefühle etc. verursachten. Tagsüber hatte ich ständig in verschiedenen Räumen Anwendungen bekommen, sodass sie mich nicht abschießen konnten. Meine Zimmernachbarin Frau Gertrud Baumgart stand einige Male auf meinem Balkon, damit es so aussah, als würde sie in meinem Zimmer wohnen. Dadurch wurde ich einen Tag lang von dem Mikrowellenbeschuss befreit. In der nächsten Nacht ging es aber wieder von vorne los.

Später stellte ich fest, dass im Nebenzimmer eine Dame wohnte, die aber nach einiger Zeit abreiste. Nachdem ich an der Rezeption nachfragte, stellte sich heraus, dass das Zimmer dann leer stand. Ich teilte der Rezeption mit, dass aus diesem Zimmer Lärm käme. Die Leute an der Rezeption meinten, dass das nicht möglich wäre, da nur einige Leute einen Generalschlüssel hätten, und zwar:

- der Hausmeister
- die Putzfrau
- die Schwester
- die Rezeption.

Mit diesem Generalschlüssel kann man jedes Zimmer öffnen, auch dann, wenn es von innen zugesperrt ist und der Schlüssel noch steckt. Eines nachts, als es wieder sehr schlimm war, habe ich in dem Zimmer, aus dem der Lärm kam, angerufen. Da wusste ich nicht, dass es leer stand. Es hat niemand abgehoben. Meine Zimmernachbarin, die ich angerufen hatte, versuchte es auch, mit dem gleichen Ergebnis.

Eines Tages war ich in meinem Zimmer und hatte von innen abgeschlossen und der Schlüssel steckte. Da sperrte der Hausmeister die Tür auf, ohne anzuklopfen und stand plötzlich im Zimmer. Er hatte einen Koffer dabei und fragte mich, ob ich einen Koffer bräuchte und grinste dabei unverschämt. Es war nur ein Vorwand. Ich bin der Meinung, dass der Hausmeister in dieser Sache verwickelt ist.

In der ganzen Zeit meines Aufenthaltes stand auf der Straße vor meinem Balkon ein Auto einer „Privatpatientin“. Es ist nämlich so, dass auch geparkte Autos Personen mit Mikrowellen besenden können, die sogar durch Wände gehen können, evtl. mit Zeitschaltuhren oder ähnlichem.

Außerdem wurde ich, wenn ich zur Post ging und Briefe abschicken wollte, jedes Mal bespitzelt, was meine Zimmernachbarin bezeugen kann.

Ich habe mich in dieser Sache auch an meine Krankenkasse gewandt und das als Kopie beigefügte Schreiben erhalten. In diesem Schreiben wird diese Sache nicht angezweifelt, was normalerweise, wenn es nur Einbildung wäre, ganz sicher geschehen würde. Aber es ist bestimmt so, dass der Krankenkasse mehrere solcher Fälle vorliegen. Ich habe meinem Klinikarzt, Dr. Striebel, von dieser Sache erzählt, aber er hat mir beispielsweise nicht geglaubt.

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Please include my name on this list.

My case is so long, convoluted and would take literally months to explain which is why I haven't. For anybody remotely interested there would be question after question which I can explain but there is just so much detail as **I have suffered daily since 1998.**

This has included controlled dreams, gang stalking, pains, jabs, physical beatings, false imprisonment for a year (Belmarsh and Brixton jails) on trumped up charges of horrendous violence, (despite being a pacifist). Repeated burglary, car accidents (preset) - the list is almost endless. My strength comes from our Lord above otherwise I would have fallen long ago.

If there is any way we could all meet up please let me know, although now I have a (falsified) criminal record I am unable to travel to certain countries including the U.S.A.

Hi I'm 23 live in a small town ruthin in Wales United Kingdom and have been a victim of extreme electronic harassment.

It all started around about 1st of may 2010 I was walking in a remote location about 8 miles from any where and I heard foot steps but could not see any one there was defiantly foot steeps and it was more than one person then I felt a weird sensation across my body like I was getting touched. As I walked further. I saw a woman lying down on the ground and she waved to me smiled and the disappeared the felling then went to my genitals and I heard a mans voice say "I will knock him out" I laughed at first as I was so confused and scarred I tried to get home as fast as possible it took about 2 hours to get home and they followed me all the way. I connived my self it was not real and tried to move on but then I kept feeling like I was getting touched. The voices stared about 3 weeks later telling me to do more with my life quiet smoking and start to exercise. It's about this time that when I was walk to work voice from behind bushes saying that I have a small penis and I kept feeling weird especially my genitals this continued for ages. Some times I would have tears from the amount of pain. About 8 mouths later I was told where inside your head and we will never leave you alone. I cannot look at people in the eyes any more and I feel the use of electricity weapons on me all day and the voices in my head 24 hours a day 7 days a week even in church, work, home when I'm writing this. IV left a lot out cause it would take ages to write every thing that happened but that is the general stuff

I hope you read this and if you know any groups I could talk to on the internet because I feel so alone at the moment. Thank you for your time if you need any nore info from me ill be clad to help.

23 Sep 2007

I am 37 years old, Iranian, and as a refugee seeker I am living in Germany, Leipzig about 7 years.

This is about 5 years that I understood I am under control, but I did not know anything about Mind Control and so.

At first I heard some voices in my head, when I went to police and said to them they send me in Psychology Hospital. I were 1.5 months there, for about 9 months they did not talk and everything was stop, till they began to talk again, at first they compose my family sounds and my friends, and I thought they are from Red Cross, and so ... but **from a little before Christmas 2007 I understood that they are not my familiar people and they are terrorists.** I got so many names and info from them and I send all of them to police of Germany, UN, European Court of Human Right, CDU, SPD,

But unfortunately till now I couldn't take this device out of my body. Because when I want to do something they talk together and somebody say Geburtsdatum (birthday) and they STOP all the thing that I am doing! The German police DID NOT any thing about it and also the Court took me nothing for my request to have a specialist to scan my body. A few months ago from a film I found word "mind" and when I began to search about mind control I found so many website about this device, but I found your group 3 days ago.

I sent about 2000 email and mails till now but they deleted all of my answers, also they changed my email password and I cannot access to my email, I have witness that we found hairs in my apartment, when we were not and home, or when we came to home the light was ON !

All these things report to police and from criminal police came to my home and took photo.

Hello,

Can you read,link ? and pass ...these sites built-in and to fight against a "new" form of international terrorism (organized crime - screening process) capulous covered, mortal, fascist and neo-nazis.

The developers-corporatists (version and local scripts), servers,weapons and organizers are hosted in Wallonia (Belgium).

There are no / very few references in the official press, moreover ABSENT (if not, outside primary subjects), because these perpetrators, their crimes and murders are hidden of network communications at all levels, isolated by process caused and therefore controlled by the instigators wildly connected in the transmission/reception flow(to a fusion device) and to the flow of the press. (NetOps, PsyOps).

Their SIGINT in the low frequencies is infused throughout the network and also outside. Everything going on the same frequency and is Like this, they pierce networks, draw a map and geo-referencing relative at the place where the criminals and controls. (I think bastards are emitting the entire subvocal band)

The effects are devastating and overall distrustfuls

So far local cops put me in a miserable situation protecting criminals, hiding proofs, participating in crimes (false flag operations).

All my things were destroyed and perpetrators are destroying my family, I have no more money

I gave the assassins almost two years to the cops of Ciney who blocked me. My means of communication are always taken. The evidence was not take in account and others are hidden. Damages are irreversibles with worldwide impacts because criminals are using WebOps and track profiles and websites of self-defensers exposing this highly virulent, free, and deadly crime.

Stalkers target me 24/7 with directed energy weapons and make an ordurios game of harassment in the subvocal band under the form o a triangle relay. (maybe the hidden devil scripts - cfr M.Rich)

They speak permanently (with data minored patterns on a subvocal soundwave locked on my body or near me). They target also with other weapons (low frequencies pulsed/scalar waves) who make serious body pains (genitals,

head, fouts, theets,...).

My electronics devices, electric tools, electric installations, car are systematically targeted and sabotaged. My web is sabotaged, communications filtered and hacked since four years.

We are lots of victims aware, and certainly more unaware targeted by murderers. Local cops cover the crime and therefore hinders an encounter between victims and between victims and potential helpers

Could you encourage Belgium to give me the means for the emergency. A few help/money/recommendations will be use to destruct this "stay behind an intelligence-device and computers network"

Please help me to find contacts with poeple aware/ accepting to be. With journalists or reporters interested by the publication of an ordurous ECHELON. (I have the intellectual means to take frequencies of criminals and also a team if a ground operation is needed)

I Need a good RADIO – SCANNER

Bonjour,

Je suis belge, je suis facebooker depuis ce 4 octobre (2011), <http://www.facebook.com/bensim23>, dans le cadre d'un gang stalking, tracking 24/7. , harrasment 24/7 by way of micowave hearing, voice to skull.....

En Belgique ça n'existe pas?.....Avant je pensais que ça n'existait pas du tout.....Leurs alibis ? Pas de mobile pas de crime, la gratuité, les dew (invisible, non lethal), leur réseau dans le silent sound, le sadisme, les protocoles nazis, le human tracking.....

Des heures de recherches sur le sujet permettent de découvrir avec horreur que ces réseaux existent, qu'il y a des milliers de victimes dans certains pays, que les dégâts sont irréversibles et que cela s'appelle le gang stalking. Qu'il ne faut pas laisser la gangrène s'installer.

<http://www.thehiddenevil.com/>
<http://www.gangstalkingworld.com/BridgingTheGap.pdf>,
<http://francequenneville.blogspot.com>,

Le pire c'est que ces bâtards de nazis sont de ma région.... et oui en Belgique, et on est plusieurs victimes (que maintenant je connais) acculés dans ces protocoles...
et ces protocoles de pourris ça se déploient....et j'ai rencontré un niçois, et un autre,.....

Nous on a des fils de putes « qui jouent » leurs « algorithmes » de harcèlement électronique via silent sound, voice to skull, techniques de tracking, microwaves, emp, elf,..... jeux de plateau, tortureware,.....). Avec un Radar....

On a des ordures qui « jouent » à je te vois, je t'entend, je te harcèle, je te parle avec la voix de tes potes (identité sonore), je sabote ton matériel,je te pulse un mal de ventre,.....

Il y a « un, des perpetrators » et leurs complices qui « se font » un psywar sur la carte de ma région,
Il y a une bande de déchets armés d'un radar, d'armes à énergie dirigée, de radios, de logiciels,qui me bousillent la vie.

Ils ont déjà récoltés des milliers d'heures de l'intimité d'autrui via leurs « thoughts », leurs ondes de monitoring (signint, comint, domint,),
c'est ainsi qu'ils disposent de l'IDENTITE SONORE (silent sound), c'est dans des banques de données que ces merdes organisent les backups sous forme de chapitres promptables.

J'ai même des preuves contre ce réseau nazis, mais je ne trouve pas d'interlocuteur officiel, I'am crazy,Je cherche de l'aide.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

4/2/09

I've recently found out who the criminals behind my targetting are, and they happen to be the secondary school which I had left well over six years ago, not long after completing the sixth form.

Suffice to say, my own targetting began back in 2002/3, a very long time ago, and not too long after actually completing my a-levels at that secondary school who is the organisation behind my targetting. It all makes sense to me, because those who are behind are teachers, and might also be experimenting with this psychic rubbish on the kids (who're between ages 13-17). My own harassment began at the age of 18.

What this additionally means is that the school is violating the trust between parents, the children, and the Data Protection Act (entrusting the school with your home address, day time telephone number, date of birth, who you are, who your family is, and the like), so this is all information that they have been very easily able to take a hold of.

Because of the nature of the violations, it is also abuse that they are able to deny were they confronted with it, therefore I don't feel confident about approaching the school, or, more specifically, the teachers whom I confidently suspect are guilty (because of having heard them admit it via the V2s).

I wonder if there are any target individuals who would be willing to support me in terms of confronting / standing up to them. Amongst those whom I suspect involve the Deputy of this school, whom I was interviewed by, and is likely still remembers me, and also these German teachers who used to tutor myself and some other students at the German lessons of the sixth form times. The German lessons these teachers used to tutor us in were very dodgy to the extreme, and I believe that they were using the technology to manipulate our answers, and are still continuing to try and test this very dangerous equipment on other member of the classes, and are seriously violating peoples' sanity in the process of it. Oh yes, they are.

I wonder if other target individual would be willing to talk to me about this, with the ultimate aim of standing up to them, and, eventually, to force them to put an immediate stop to these extremities.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

TEMOIGNAGE DE JEAN-PAUL BOLEA

Témoignage d'une victime de la bêtise humaine.

Depuis que je suis un enfant (âge 6 à 8ans) je suis victime d'attaques électroniques. Je n'ai jamais su, jusqu'à maintenant, quelle en était l'origine, cauchemars répétés, désorientation, je ne pouvais plus m'endormir sans faire un cauchemar, à tel point que je ne souhaitais plus rêver. Je savais que cela ne venait pas de moi, il m'a fallu toute ma vie, pour en connaître l'origine. Il semblerait qu'un ancien policier se croit au-dessus des lois et a pu avoir accès à des appareils psychotroniques, peut-être grâce à des connaissances politiques ou policières. J'ignore encore comment il s'est procuré cet appareil de fasciste. Il s'est donné, lui et quelques personnes de mon quartier (dont certains qui étaient à l'école) le but de m'anéantir, ma famille et moi.

Comme c'est une agression invisible, impossible pour moi de prouver mes dires et d'aller à la police. Je reçois des menaces de lui et des autres, à partir d'un appareil électronique qui semble utiliser le bruit ambiant. Personne dans ma famille ne veut en parler, peut-être à cause des menaces. Pourtant tous subissent des attaques de leur part, ils nous ont isolés, les uns des autres.

J'ai fait un séjour en hôpital psychiatrique, à cause de ces attaques.... Les médecins ne sont pas des complices de ces crimes, mais semblent préférer me considérer comme un malade plutôt que reconnaître l'existence de ces appareils et l'utilisation des êtres humains par des personnes mal intentionnées pouvant y avoir accès, d'après ce que j'ai pu lire chez des fonctionnaires de l'état.

Je ne suis pas fou. Je n'imagine rien, mais, si maintenant, même des particuliers peuvent avoir accès à ce type de

matériels et qu'il puissent faire pression, faire chanter et menacer tout le monde, alors il serait temps de faire quelque chose, car s'ils peuvent se substituer à la loi et aux autorités de l'état, nous n'aurons plus aucun droit et les victimes de ces actes vont augmenter pour de simples vengeance. Ces victimes subiront les attaques de ces personnes sans pouvoir se défendre.

Je n'ai encore prévenu aucune autorité judiciaire, parce que mon tortionnaire semble avoir des connaissances au sein des forces de police et que, comme vous savez, l'autorité de l'état et les médecins ne reconnaîtront jamais l'existence de ces appareils et les attaques que je subis de plus en plus fréquemment.

Voilà, je compléterai mon témoignage. J'aimerais trouver une solution, car si on laisse ce genre de chose continuer, plus personne ne sera à l'abri de ces attaques électroniques. N'importe quel malade pourra détruire notre vie.

Je ne compte pas me laisser faire et je n'ai pas peur de mettre gouvernement ou forces de police en cause. On est en république, on a des droits, il existe des lois. Si tout cela n'existait pas, nous vivrions dans un pays de non-droit, alors qui dirige ce pays ? la démocratie et nos droits sont bafoués ainsi.

Tant que je vivrai, je ferai en sorte que cela se sache. Je n'écris pas aux personnes qui dirigent ce pays, ils ne me répondront pas, mais je ne compte pas me laisser faire.

Et s'il y a plus de loi pour moi, il en existe plus pour mes agresseurs. Quels que soient leur poste, leur travail, je n'aurai de cesse de les identifier, les traquer et les faire comparaitre devant la justice, s'il en existe une.

Voilà ou j'en suis. Si on laisse faire ce genre de chose, tout ce qui a été acquis jusqu'à maintenant, tous les gens qui se sont battus pour ce pays, pour qu'on ait des droits, vont disparaître. Nous allons vivre dans un pays de fascistes, les valeurs de la France liberté égalité fraternité et toutes les autres valeurs de ce pays ont disparu.

Si les gens laissent faire cela, plus personne ne sera à l'abri d'attaque de ce type. Donc, je pense qu'il faut s'unir, pour faire savoir autrement que par internet que cela existe, que nous vivons dans un monde, où n'importe qui peut bafouer la constitution, les valeurs, la vie privée et la dignité humaine.

Je suis pas naïf, je sais que ceci n'est pas nouveau et il est temps, si nous ne voulons pas vivre dans un monde sans droit et dirigé par des fascistes, de faire quelque chose.

Sinon, bienvenue en enfer, car plus personne ne pourra vivre en paix dans le monde.

Il ne peut y avoir deux poids deux mesures, donc ces personnes ne peuvent se substituer à la loi de ce pays, sous prétexte que des fonctionnaires de l'état en font autant.

Celui qui me persécute croit que, parce qu'il a fait partie de la police (j'ai des soupçons), il peut bafouer toutes les valeurs de mon pays impunément, je ne le laisserai pas faire.

I was in Den Haag about 3 months ago and provided the International court with a hard drive containing about 450 hours of evidence on video showing my brother Markus Bott being brainwashed and steered to suppress our homepage www.totalitaer.de.

20/1/13

I am still alive, after my brother was assassinated in 2009 and my father four months ago on 31.august 2012. Born in 1965 I was attacked the first time in 1971. Open persecution in my family dates back till at least 1958. You may want to have a look at the books I uploaded on Wuala, the link is in the description of my videos on youtube, channel wwwtotalitaerde
Written in the 1930s about Germany they still allow to understand todays Germany and the problem of persecution in totalitarian states.
Of course you can add me to the list.

Me Alexandra Bremer ,i m having a verichip in my brain and a LipoMatrix in both optical nerves, i wrote my case in german and want to ask you if you can use that and if you need pictures and names of involved Doctors and people?

Thank you for your informations
Alexandra Bremer :

My Case: Beschreibung Mindcontroll C.A.Bremer/ 1-6-09 Bremen

1999 Aufgrund angeblich(laut ZA Dr. K.Bremen) notwendiger Ober und Unterkiefer Umstellungen, Knochentransplantationen, Implantatversorgung, wurde mir eine LIPOMATRIX in den Sehnerv und ein Verichip in mein Gehirn implantiert. Gegen meinen Willen. Kurz vor der OP hat prof.Dr.Dr.H.A.M (Göttingen)mir einen mehrseitigen Einwilligungsvertrag vorgelegt den ich unterschreiben sollte um diesen doch sehr speziellen Fall den Studenten als Lehrmaterial zur

Verfügung zu stellen. So kurz vor der bevorstehenden großen OP habe ich dem Arzt vertraut und unterschrieben. FEHLER- dies war die Einwilligung für die lipomatrix und verichip Implantation mit Bernd.F.M. aus Schwanewede bei Bremen(ich habe trotz Anfrage keine Kopie bekommen). Diese versuchte ich 2 Jahre lang mit 2 Anwälten zu widerrufen, erfolglos. Nach mehreren bezahlten Briefen haben beide ohne Angabe von Gründen das Mandat nieder gelegt.

Das bedeutet seit 10 Jahren sind all meine Gedanken und Taten aufgezeichnet, beeinflusst und zu einem sehr großen Teil gesteuert worden und bisher ist kein ende abzusehen,ein grober Eingriff in meine Privatsphäre ,da weder Polizei noch Staatsanwaltschaft ,Amnisty Int., Medien oder die Regierung Handlungsbedarf sehen!!!!

Es sind viele Dinge passiert in dieser Zeit die Ungewöhnlich oder auffällig sind wie z.B.:

Prof. Dr. Dr. H.A.M.(Göttingen/Hannover) sagt nach der OP zu mir ich solle mich nicht wundern wenn Fremde mich anstarren, das wäre weil ich so ein gerades Gesicht nun hätte...viele Menschen starren aber an meinem Gesicht liegt das nicht. Dann darauf wollte er 3 mal mit mir Telefonsex machen(ich konnte 2 Monate nicht sprechen).Erste emotions /reaktions test

Nach der Op kam ein Mann(Bernd F.M.Schwanewede) in mein Zimmer setzte sich an mein Bett , hielt meine Hand mit den Worten: Du brauchst dir keine Sorgen mehr zu machen, ich werde jetzt für immer bei dir sein und ich schlief ein. diesen Mann habe ich einige Jahre später wieder gesehen mehrmals und dann wurde ich ohne Bewerbung auf einen Kunstmarkt eingeladen wo selbiger B.F.M. auch ausstellte. Wir verabredeten uns und er sate beim treffen was ich für eine tolle Frau wäre (er kennt mich nicht!) ich fragte ihn ob er an meinem Bett saß 1999, er sagte kann sein er wäre mal hier mal da, beim nachhaken sagte er ,er glaube AUCH an Nah-Tod Erfahrungen. Seit dem keinen Kontakt mehr.

Nach der OP bin ich für mehrere Jahre alleine um die Welt gereist was wohl auch ein Grund für die Auswahl zur Implantation war, da die Lipomatrix alle gesehenen Bilder in Daten umwandelt die abgerufen und weitergegeben werden können. Viele Leute kamen direkt auf mich zu und sagten es war ja einfach mich zu finden(ich kannte diese Leute nicht) Menschen haben mir erzählt das sie Tod sind, welche haben sich vor mich gestellt und sich verabschiedet, winkend. Zwei sagten sie wollen auch mal im Fernsehen sein und lachte. Selbiges passiert hier in Bremen seit ich zurück bin. Unter anderem bekomme ich keine Arbeit mehr selbst als Eisverkäufer nicht, eindeutig manipuliert. Meine Kunst wird nicht gekauft obwohl professionel präsentiert .Von Center TV Bremen ,Radio Bremen ,MTv und auch zu einer Pressekonferenz wurde ich eingeladen(ohne Anfrage)eingeladen , um den Wirtschaftssenator Nagel mit einem Bodypainting zu versehen ,dieser machte einen Witz über meine Duschgewohnheiten,ohne mich zu kennen).Die Medien haben Interesse ohne eine Anfrage von mir, kennen mich laden mich ein ,seltsam oder?

Die Zollbeamten bei der Einreise in die U.S.A. haben mir zugezwinkert und mich durch gewunken, bei allen vorherigen Reisen haben diese mich bis auf Kugelschreiberminen auseinander genommen.... Ein Linienbusfahrer sagte bei meinem Ausstieg ich wäre eine Legende...ich traf auf Reisen dieselben Menschen im 4 Jahresabstand und die meisten gaben vor mich nicht zu kennen,doch ich habe Fotos aller treffen und als ich sie ihnen per e-mail zuschickte höre ich nie wieder etwas von Ihnen.

Bei meinen Nachbarn sah ich 2005 ein Paar deren Namen ich noch nicht weiß aber diese haben den Nachbarn Einweisungen und Geräte gegeben die diese auch anwenden zur Manipulation und Datenübertragung. Dieses Paar (Fotos Verfügbar)hat bisher 5 Mal meinen Weg gekreuzt mit Lügen !

Ich arbeite seit Jahren in meinem Garten Bafuß und 2008 hatte ich plötzlich scharf stehende Glasscherben ,tote Mäuse und Ratten vor dem Eingang. Seit 3Jahren fliegen täglich Chesnas und Hubschrauber sehr dicht über mein Grundstück, ich lege manchmal planen aus auf denen ich die Adressen der Ärzte schrieb und ...keine Flüge. Die Hirnforscher des Sonderforschungsbereiches 517 sind privat als Yogamassage Kunden später als Kunstinteressenten , einmal auf einem Familienausflug und auch an meiner Tür zuhause gewesen Dr.F. , diese Leute wollen beweisen das Menschen kein Bewußtsein oder freien Willen haben(Hypocallamus), dies wird an Affen und menschlichen Gehirnen erforscht wer würde das geschehen lassen ? Also mußten sie meine Unterschrift illegal erschleichen und das taten sie, keine Chance bisher auf Widerrufung und ich wäre für jede Hilfe dankbar denn ich möchte kein MENSCHENVERSUCH bleiben bis mein Leben vorüber ist.

Ich war im Krankenhaus in Hannover wegen starker Bauchschmerzen und beim Ultraschall fragte mich der Arzt ob ich eine Spirale haben würde, ich habe keine und mein Frauenarzt sagte es kann der Rand der Gebärmutter gewesen sein(?) ich gehe mit einer Überweisung vom

Augenarzt zum röntgen meines Sehnervs(seitlich) bekomme 2 Aufnahmen von vorn und bei nachfrage sagt der Arzt er wüßte was man röntgen muss(besser als die Augenärztin)und ich müsse ihm schon glauben (ja sicher...) Also keine Anwälte dieser Staat, Gemeinnützige Organisationen, Polizei, Ärzte helfen, WER DANN? Ich arbeite nun an der Aussage meiner Symtome und versuche Beweise bestätigt zu bekommen ein seitliches Röntgenbild mit sichtbarem Fremdkörpern, Heilpraktiker Messung nach Dr.Voll hat ergeben 2 Fremdkörper(Kopfherde),Schädigung aller entgiftungs- Organe,Silizium und ,Barrium, Quecksilber u.v.m.

Die Symtome sind seit Jahren dieselben die ich zu Ärzten und Kliniken zur Ermittlung vorgetragen habe: -Starker Duchfall(8 Jahre)-schmerzen in allen Organen Hauptsächlich Leber /Dickdarm- Atemstörungen- Herzstörungen- wandernder Schmerz an allen Sehnen und Muskeln ,Schuppenflechte auf der Kopfhaut- Hautreaktionen -Lebensmittel Intoleranzen-Appetietlosigkeit-Hitze und Kältewellen- Ruhelos=Bewegungedruck/nicht entspannen können-Schlafstörungen- Denunzierung durch Fremdgedanken (oft religiös)-wut und Angst -absoluter Vertrauens Verlust -Isolation- einmalig eine Stimme die meinen Namen gesagt hat (in totaler Stille/Natur)

Ich bin immer ein fröhlicher offener geselliger Mensch gewesen ,nun ohne Augenscheinlichen Grund, Ängstlich, vertrauenslos, wütend vereinsamt?????

Dies ist eine kleine Auswahl der Dinge die Seit meiner Op 1999 passiert sind, ich könnte noch sehr viel mehr Beispiele schreiben die diese Erklärung extrem verlängern würden, somit hoffe ich treffend beschrieben habe was mir Widerfährt und das keine Hilfe oder Gespräche folgen mit öffentlichen Institutionen.

Good day and thank you for your informations.

I m a german victen with a verichip and a lipomatrix and honestly i get informations together with help from others and see and read many every day.

what about the proefe to be stimulated physicaly? do you have and spread what to test in the blood or elsewhere? and way to secure our health or heads?

i can swim in informations about what s happening but nowone seems to find a way or a backdoor to prove it ,each by each could get prooves and than the evidence must be useful to find help.

my question is what do you know about pyysical changes and how to proove it?

we found a few things to test and work on that here.

so many infos in yor mails, i am busy with that for so long and know a lot about it specially the lipomatrix and the chip manipulation, so not keen to read and read and read, i want to react to what is happening and victims are tortured for more than 40 years, i can t find no informations about how to help.

please share if you know

greetings from germany a. Bremer

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

MY ELECTRONIC SURVEILLANCE, TORTURE, ABUSE AND EXPERIMENTATION, CASE SUMMARY

13/12/14

I would like to draw your attention of my situation: I'm a victim of an international organized crime conducted by United States Government-related Agencies and the complicity of many other Governments and Security Agencies, the criminal secret societies through my next-door neighbors also; international paramilitary mafia organization; some of them are Satanist, black clothes with orange/yellow label.

To inflict a punishment on somebody is a crime, but the DEW, directed energy weapons, non-lethal weapons, allow a perfect crime, because the damned rays, the electromagnetic waves are invisible, arrive with the light speed; are silent, pass the wall and don't leave the track, there are over 110 DEWs, some of them develop a nuclear energy. We can't protect against DEWs. These are extreme and monstrous CRIME AGAINST HUMANITY - indescribably terrible in themselves-coupled with the ORWELLIAN secrecy and denial of any support at all that we are experiencing makes them even more horrendous and monstrous.

The local police, the detective agencies don't want to involve, to inquire into these crimes, because there are also the policemen implicated; the police send the victims at psychiatrist; mass media speaks a little bit, then nobody knows, there is a total ignorance and secrecy regarding this. Mass media have to inform about gang stalking and electronic harassment-mind control and the victims all over the world, it is necessary openness and transparency. The victims are the children, women and men of diverse ages and class, the intelligence devices to harass are Americans.

I lost my freedom and social-human life, my individuality, my creativity and mental and physical integrity, I lost my family, some friends, my good neighbors, I lost my thoughts, my power of concentration, my peaceful mental, my health is savagely attacked, tortured, mauled and deformed. I suffer shooting pain, everywhere the convoy of car blocks my way, everywhere the mobile stun gun, in the street, on the train on the plane, at work, a crazily world against me. This is THE FLAGRANT VIOLATION OF HUMAN RIGHT, the perpetrators must be brought to justice.

I live under the psychological warfare, chemical warfare, forced radiation, shooting and burning, abuse in all the fields. see video: 4, 9,12,13,14.

Please be assured that for years these non-lethal weapons, the directed energy weapons have been used to terribly torture and abuse victims all over the world. My granddaughter was 9 months when has the first assault of ADS of drone, the camera of drone can see the number plate very well, I feel still now her crying, her head was burning and cooking and full of drops of sweat, we were in the car.

Please assist us to get this electronic torture, abuse and experimentation stopped. It is necessary to ban the products of electronic weapons, to investigate into these war crimes against civilian, we need the laws to forbid the use of non-lethal weapons, directed energy weapons.

The perpetrators use the military technology.

David Hambling says on March 2d, 2005 "Maximum pain is aim of new US weapon".

“BRAIN ACTIVITY MAP PROJECT” is a project announced by the OBAMA administration on April 2nd, 2013, it is an international initiative, the map of the brain serves to cure neurological disorder and to develop an “artificial intelligence”. It will be “The decade of the brain” 2013-2023 and “The decade of the mind” 2012-2022, this is costs \$ 4 billion.

Neuroscientists tell us: “Most of the available high-resolution brain activity monitors are of limited use, as they must be invasively implanted surgically by opening the skull”.

1. Markoff, John (February 26, 2013). ["Connecting the Neural Dots"](#). New York Times. Retrieved February 27, 2013.

There is a connection between gang stalking and electronic harassment-mind control and to create “an artificial intelligence” because it used the neurological weapons to read, control mind.

I am being used as a non-consensual subject in human research programs for various illegal research projects or I am tortured, simply to leave the apartment, the town, both are the most extreme and totalitarian violations of human rights in human history.

I am being electronically harassed and my destruction increases every day, me and my friends victims are subjected to uncontrolled and unacknowledged torture which causes the physically, psychologically-mental, economically and financially damages, my heart feels bad.

The perpetrators delete, change, modify the videos just on youtube.com, they use a microwave device called BOFORS HPM Blackout, portable or no, designated to degrade or destroy electronic equipment, to destruct the criminal evidence.

I'm victim of gang stalking and electronic harassment- mind control, day-by-day, 24/7/365, Ester Sunday and Christmas Day since 2007 and it continues to this day, December 12th, 2014 and the methods are illegals, specifics of the police interrogation and premeditated murder through electronic devices.

My body and my mind is in custody of a team of professional criminals, my pain is maximum, the torturers are in the apartment above mine, below mine, adjacent mine, sometimes I saw them, they are a human look, but they are monsters, some of them are my neighbors.

My bed is provided with a number plate like a car, visible in a special conditions, I saw this fact by chance; I thought immediately I am tortured like a Jewish throughout the Holocaust, the letters and the numbers were written disorderly on two lines, this is the second Holocaust.

2007-2008

Gang stalking and mind control, it used electronic devices. Slander Campaign, Loud domestic noise, Noise Campaign; White noise and background noise, Sleep disturbance, Electromagnetic radiation forced, Unusual headache, Loud birds call that follows me everywhere, White noise; pigeon and another birds in my terraces for years, banana skin, cigarettes butts, diverse things thrown on my terrace by my neighbors of the apartment above me. When I open the camera to recorder, the torturer closes the White noise device; when I close the cam, he opens the White noise device. As I was aware that he saw me and I bought a Bug detector.

Fake sounds: ear, telephone, clock ringing, knocking on my door.

Fake vision; Organized and calculated noise become psychological harassment.

It's appeared the balls of dust, on the floor, everywhere for years.

Xenophobia, when I used this word in my report, the second day the flags in the terrace of my neighbor are disappeared.

2009-2010

The torture continues with senseless telephone calls, harassment, environmental noise increases.

Movement sensors in the house and garage, all the bed of the house are bugged, the wall adjacent of stairwell is bagged.

A neighbor has taken legal action against me for reasons never existed.

A heavy non-lethal weapon in the street near my house, nobody around me, I looked for a tree to hold me; I was burning, a loud bang was arriving to my head. I suffered almost one hour; Non-lethal weapons: MEDUSA, microwave gun put me the loud sound directly on my brain, increases the sound and put me the ticking in my right ear and sometimes in the left ear, always when I'm lying on the bed and when I'm wake up. Sometimes, in the evening I saw on the terrace a row with a camera at the top hangs on the air.

Microwave harassment

December 2010 and January 2011 intensive torture during the night: ambulances, alarms, storm, hailstorm, windstorm, fallen tree, breaking of the banks, honking horn, heavy traffic...

2011

On January 21th, 22th 2011 police van was under my window, in our car park, there was 5 people, specially forces, armed forces, but I didn't know why! after a few days I called the police during the night for noise disturbance. I showed the photos with the van and one of them exclaims “THIS IS OUR POLICE VAN”, in this way I knew who tortured me! THE POLICE and THE ARMY, through my neighbors.

In the 2011, I saw a kind of gynecological chair, a medical tool and a nurse dressed of work, with white cap, in the opened lift at next floor; the nurse walked of one the apartment to another, the doors were opened. Today I think, they made me a microchip because I had a small cut, hurt on the back of my right ear.

On September 1st, 2011 at 22:30 o'clock, an invisible force, the electromagnetic waves push my bed and burst my face, I saw at the window "a square sun" at 1-2 km distance. Today I say, it was an ADS, active denial system, mounted on the vehicle, on the forest way. I was on holiday, at the mountain, it was frightful, devastating.

In the 2011 I saw for the first time a plasma weapon, PEP, Pulsed Energy Projectiles in the car. PEP is an invisible, chemical laser high energy, uses deuterium fluoride, it produces infrared laser pulses in nerve cells. This electromagnetic radiation cause pain and temporary paralysis, disables and distracts individuals. Many scientists fear that any weapon resulting from the program "could be used for torture". I suffer "the torture weapon for maximum pain", I don't feel well, I need repose, I need help, I need to be free.

2012

On January: Toothache, teeth operation, removed 4 teeth

On January 2012 on the bus, three people, my stalkers, one of them, my neighbor had a military bag, near me, he shot me some arrow in my eyes, one after another. It harmed, ticked my eyes; it wasn't pepper spray, may be an electroshock weapon.

In Cambridge, England, I knew my new profile after the Italian Police—a people critically ill of mind, I will must go immediately to see a doctor. You can be sure I will never commit suicide, I'm a lion.

I saw, for the second time ADS on the navy-sea, in Castiglione della Pescaia, Italy, I wait for, troubled, nervous, a strong ray penetrates my stomach like a sword, I could barely stand up and it follows the induced diarrhea, it was painfully, frightfully, it was horrible.

There is a technology to force to run to the bathroom or suffer embarrassment: to focus a beam on each of the ureters and induce propulsion of urine to the bladder; it put pressure on the bladder to release urine; enables induction of acid-based liquids into the ureter, creating a burning sensation that broadly mimics cystitis, but within the ureter.

I eliminated the electronic trash, I was very frightened.

2013-2014

The perpetrators use the invisibility technology, I didn't find my things, I discovered why. I noted in the international station, very clearly, I wanted to take a train to London and I couldn't see only half of the ticket, I tried many, many times, it was crazily at the end someone read for me the departure of my train! In the video:3 "Weapon and the shots" you can see my torturer is covered of the cloak of invisibility, she was near me, but I didn't see her of cause of the dark.

Cloaking device is a stealth technology that causes objects to be partially or wholly invisible to parts of the electromagnetic (EM) spectrum. It's a way to hide military troops and devices from visible light. Cloak of invisibility are Weapons of the future!

Kill attempt in the bathroom in the last day of my trip, at hotel, in Wien, Austria, they was using the toxic properties of chemical substances as weapon, I couldn't breathe.

Kill attempt on the zebra crossing, there was two stalkers with motorcycle.

2014

On May 2014 I had the herpes zoster, a viral disease stimulated by the torture, I had the excruciating bout of pain, burning, tingling, headache, malaise. Herpes zoster is characterized by a painful skin rash with blisters on my right side of the body; it's a chronic pain that continues for month or years.

Herpes viruses can lurk in the nervous system and causes the repeated episodes of fever on the lips, it is my case; it was terrible, painful. The sensory ganglia (nerve cells), which are located near the spinal cord and brain, provide sensory information to the brain: communicate sensations of heat, cold, touch and pain from the body. By torture the nerve cells become crazily and at this point explode herpes zoster and then the fever of lips, frequently. As usual my perpetrators make me the heat rays on me, above me and the cold below, when I'm being lying to bed. I'm sure of induce herpes zoster because a friend of mine, stalker, Satanist comes to me and took me in her arms by my waist, to cause more pain, I was crying, it was exactly where I had some blisters; nobody knew about my disease, only the doctor and my perpetrators.

This is the typical method of the program gang stalking and mind control, all seems natural because nobody knows about the torture, through the wall.

The electromagnetic radiation arrives from the ceiling, where is the lamp, chandelier or through the air conditioner, on the wall it appeared a little hole and from the rolling shutter, the directed energy weapons pass the wall without problems. ADS and PEPs work outside, they are used outside.

The methods of torture used of my stalkers are: electronic surveillance, no privacy, sleep disruption/deprivation, slander and noise campaign, noise harassment, electronic surveillance, microwaves harassment, shooting, burning and cooking, alive; mind reading, microwaves mind control, sub-vocal speech,

financially ruining...

----No privacy: I'm always surrounded, the stalkers follow me wherever I go, on foot, bike, motorcycle, by car, taxi, on train, on aircraft; to other cities and states; see video15 "Stun gun flashlight, shuttle, aircraft, shuttle".

When I go shopping all of them want to see that I buy and how I pay.

----Sleep disturbance: There are many kind of waking up: I'm awaked every two hours or every hour, every half-hour during the night with the emission of heat rays or a very strong light beam, near my eyes, on my pillow. They use an image, I "see" the nature in the light and when I open the eyes all is in the dark night. Since about three month I don't stand up, about 4or 5 o'clock begins the torture, I take an ice bag to cool my body, but I have to stand up to cool the bed. The voices of the surrounding apartments, for instance: all of three people of an adjacent apartment cough in the same time, or a child cries or go fast in the room or heavy noisy in/ out of the building, I wake up, obviously. I wake up because a smell of coffee arrives to my nose! the smell of the cigarette. I suppose my pillow and mattress are bagged.

I fall asleep only when I exhausted, heat rays and cold rays, the infrasound make me vibrations, my liver, pancreas and the other hand the spleen, my heart and my head also at the same time; the ticking on the both ears. Not long time ago there was the microwaves in change of the infrasound. Now I hear the trolley with microwave above me...

----The perpetrators use a chemical weapon: "Malodorants", full-smelling chemicals used as RCA, Riot control agents to discourage access to an area. A stink bomb is a device designated to create an unpleasant smell. When I'm hungry in the stairwell there are the smell of cooking, of burning, of onions and many, many others. "Who me" is a mixture of five sulfur-containing chemicals and smells like rotting food and carcasses. Another time there is a nasty smell, nauseating, chemicals, the smell which makes me to vomit; this is "US Government Standard Bathroom Malodor" a mixture of eight chemicals with a stench resembling human feces, only much stronger, designated to test the efficacy of deodorizers and air fresheners.

Since 2007 -2012, I'm awaked by the birds, dogs: pigeon cooing in my terrace, crow screaming, owl, dog barking, watch: videos 6 and 7: MEDUSA in Noise Campaign. MEDUSA in Campagna del rumore and Noise Campaign1. Birds. Capagna del rumore1.Uccelli

Systematically spreading rumors, uninterrupted noises: sirens, car alarms, loud engine accelerations, honking horn, bikes, buzzers, church's bell, on/ off, blinding headlights, saw machines outside.

I enter in the house, I hear a few steps above me and a little noise and I shot and it begin the torture with laser harassment device, low energy or another DEW, directly energy weapons and so it began an illegal electronic surveillance and torture at house. When I am near the window, I hear the noise pollution louder than normally, when I move away from the window the noise stops and begin the forced radiation. Now it is different, the noise and the electromagnetic radiation aren't limits.

---- I can't stay in the house with uncovered head, for years, it burns me too much, at the table it burns my legs, my knees, my feet, my head. The fridge works when I am in the kitchen and stops when I left and I hear a strange and disagreeable sound unendurable since 2008till today; it's about an electronic sound.

---- In the bathroom there is a macabre show: the flushing of the toilet is loud and prolonged; it seems a waterfall; it can be heard on the stairwell where the water meter is and maybe there is an amplifier there. The water runs like a river up hill and down dale. Sometimes when I return at home, in the bathroom there is a bad smell, I can't breathe. My harassment continues: I hear the electronic noise and I'm burning alive, in the water in my bath, frequently the water is yellow, Chemical warfare. Sometimes they use the electroshock weapons in the water.

---- In the 2009, 2010, 2011 my eyes were burnt, I was unable to see, I couldn't read, just a little at noon, I had a blurred vision.

---- The TV and all my electrical appliances are interfered with, my computer is hacked for years, my computer blacks out the criminal evidences, the printer is black out, my videos infringed, unexpected it doesn't work, the websites deleted, the emails hidden; the I-phone is finished, my mobile is tapped.

---- Various sounds, saw machines outside, my neighbors going up and down stairs all the time, shoving chairs, on/ off, the sound from water heater, drilling at neighbors and everywhere I go...the list is unfinished, interminable, never-ending, sonic alarm see: video:9 My sonic alarm.

---- There are many combinations of noise; the sounds are redoubled, or there are a background sound, an electronic sound, an amplification of the noise caused by MEDUSA gun; many events are synchronized with my movements as for instance the air-conditioning and the filling up of my head with plasma (using plasma weapon), or when the garbage truck passes in front of my house, my head is filling up with plasma and it is added a horrible noise and horrible sensation, it isn't the normally noise of the garbage truck.

See: video: 6 MEDUSA in Noise Campaign

Noise harassment is used in parallel or in alternation with electromagnetic or electroshock weapons.

At the beginning I discovered the pain of microwave, the pain ray because the skin was intact and the strong burning under the modulation of microwave. They use the DEW, Directed Energy Weapons, like ADS, Active

Denial System which produces the millimeter wave “Beam” like microwaves, directed at people heats up water molecules in surface of skin causing burning sensation. I saw twice the ADS: the first on September 1st, 2011, I was in the mountain, on holiday

-----The microwaves evaporate the liquid of my throat, the digestive tract evaporating the liquid and induce a fright noise, the bubbling throat and bubbling stomach and induce the shooting pain, a burning sensation. Every day an organ of my body is burned and burned, I cooked alive, I'm sorrowful. The heat rays are a big problem, my body is boiling, during the night I must stand up to cool. My plentiful perspiration is continuous and profuse sweat.

-----In the house, in supermarket I'm tortured with “scratch beam gun” I continuously scratched my head until November 2012 when I found on the internet the description of this laser gun, a video on youtube.com, also. I saw some of my neighbors with the child also, in the Supermarket, it is possible because the device is like a remote control. The cough machine gun is used on me and more frequently at the people near me to disturb, in the house this is intolerable.

----- The perpetrators use the neurological weapons which cause profound mental and physical ill-effects and degradation; and profound organic impairment and disruption.

Early in the morning someone is reading and controlling my thoughts may be dream manipulation also. I became aware of my mind reading only after months, maybe years because every morning I awaked with a pessimist thought but I'm optimistic by nature. It was like this: I read a book, I closed the book and then I turned over the pages of the book and I stopped one's page and I read a sad phrase, only a phrase. Every morning I awaked with a sad, disagreeable phrase who speaks about my history, the events by 20-30 maybe 40 years ago. It's impossible, that this would happen to me. I'm a positive person.
