

TI QUESTIONNAIRE

This TI Questionnaire helps establish targeted individuals' authenticity. The first section reflects our first employee's experience while the balance may be useful for all advisory board members. Covert operatives would face substantial legal liabilities for mendaciously completing this form.

Gang-stalking:

As TIs have been raped daily by frequency in these operations, George White apparently reflects the propensities of 100% of CIA, NSA, FBI, DHS, DOD and military contractors’ staff privy to targeted individual torture on US soil.

lightening if the TI obeys Jesus/God as played by the NSA in dreams/voice/signs.

Please review Will Filer’s *NSA Mind Control and Psyops*, describing how the NSA isolates, incessantly sleep deprives and endeavors to destroy the work and family of targeted individuals, paying personnel to stab targets in the back in various ways, to persuade TIs that no one can be trusted except Jesus, God, a Spirit or Source played by the NSA in dreams, signs, voice and/or frequencies: <https://InfinityB.info/Filer3>. Please review Carl Clark’s *Raum & Zeit* interview

recounting directed energy weapon (DEW) assaults as for the CIA, and break-ins that enable leaving religious “signs” among other crimes: <https://InfinityB.info/Clark2>.
